Shopping Hangover

SHOPPING is hard work at best-hard on the feet and hard on the pocketbook. Stores are crowded with buyers, goods are still scarce, and bargains aren't always easy to find.

Except electricity! Lady, you don't have to stir one step outside your home to get a whopping big bargain in comfort and convenience-at low pre-war prices. Electric service is always right at your fingertip-plentiful,

dependable, ready 24 hours a day to lighten your household burdens and make your way of living more pleasant. And it's cheap! As a matter of fact, the average family is get-

ting just about twice as much electricity for its money as it did Yes, electric service is a rare household bargain. But not by accident. It's the result of the hard work and experience of the men
