VOL. 37 NO. 17

## FIRST PRIMARY ELECTION SATURDAY

### LARGEST CROWD IN HISTORY ATTENDS PICNIC HERE ON THURSDAY & FRIDAY

Acknowledged for being the oldest person present at the celebration was J. W. Newton of Cross Cut, now in his 83rd year. The prize for the person coming the longest distance to attend this year's Picnic went to a lady from Los Angeles, Calif.

The rodeo, Thursday, Friday and Saturday nights proved exceptionally popular with local fans, who are looking forward to another show of this type next year. All three performances were "top-notch" rodeo attractions.

The string of stock, that owned by Goat Miller of Byers, Texas, gave an excellent account of itself and riders found staying atop harder than usual.

Largest crowd of all was present at the first night performance, however, threatening clouds are believed to have reduced Saturday night's audience by 50 percent.

Mrs. Ross Wagner and sons, Dick and John, visited in Albany Sunday. Mrs. Wagner's sister, who had been visiting here, returned home with her.

Spotlighting attention of voters throughout this section is the race for Congressman from the 17th Texas district, in which seven men and one woman are pitted. All of the eight candidates are pictured here with the exception of Ted Miles, of Stamford, of whom the Review was unable to secure a mat.

Particularly significant of the present congressional campaign is the fact that there has been little, if any, mudslinging and no "name calling" whatsoever. Nevertheless, the race has captured public fancy and is probably commanding more interest than any other in which voters of the 17th district express a choice.

### CROSS PLAINS MAY POLL 700 BELIEVE LOCAL OBSERVERS

Voting Will Take Place In City Office; Open From Seven A. M. To Seven P. M.

Callahan county voters are expected to roll up a total of well over 3,000 polls Saturday in the first democratic primary. Estimates for the state are running as high as 1,200,000.

Cross Plains is expected to turn in a record vote, it's largest in history. More than 700 people here are eligible to cast a ballot, and it is expected that the majority of citizens will exercise the privilege.

Voting here will take place in the City office on north Main street, with Edwin Baum, Jr., precinct chairman, serving as election judge. The polls will open at seven o'clock Saturday morning and remain open until seven that night.

It is estimated that there are in Callahan county more than 600 ex-servicemen eligible to vote without a poll tax receipt. Too, persons who became 21 after January 31 are eligible to vote free, as also are all persons over 65.

The number of paid poll tax holders by voting precincts are as follows:

Baird	691
Cross Plains	510
Clyde	444
Putnam	248
Opalin	157
Denton	105
Cottonwood	98
Bowden	84
Dressy	84
Dudley	60
Admiral	50
Atwell	50
Erath	28
Belle Plain	26
Lanham	22
Hart	23
Caddo Peak	13
Total	2,832

A sample of the ballot for voters of Commissioners Precinct four, which embraces: Cross Plains, Cottonwood, Dressy, Atwell and Caddo Peak, appears elsewhere in this issue of the Review. The ballot is the same as will be used over the entire county with the exception of a few changes effecting only precinct candidates.

### CHURCH OF CHRIST TO START REVIVAL

Annual revival meeting of the Cross Plains Church of Christ will start Friday night, August 2, and continue through Sunday night, August 11. Services are to be held twice daily with Evangelist Cecil N. Wright, of Abilene, doing the preaching. A well known singer has also been engaged and will be here to assist in the meeting.

Morning services are to start at 11 o'clock, and the evening service will begin at eight o'clock. Every citizen of the town is invited to attend and take part in the revival.

### Instructor Will Be Added To Co. Voc. School Soon

Due to increased enrollment and progress being maintained in the veterans county vocational school, it is becoming necessary, states L. C. Cash, coordinator, for the school to employ additional instructors in Trades and Industry and Distributive Education.

Qualified persons desiring to make application for a teaching post in the school are requested to contact either Cash or Billy M. Jobe, county service officer, at Baird.

### PRICE INCREASE IN LAUNDRY SERVICE

Due to increased price of soap and other laundry commodities, commercial laundries of the city have found it necessary to increase the price per hour of help-a-ly prices, as well as finished work. Their explanation to patrons appears in advertising on another page of this paper.

### Colleen Moore Becomes Bride Of Ray Plumlee

In a single ring ceremony performed at 4:00 o'clock Sunday afternoon, July 21, in the auditorium of the local Methodist church, Miss Colleen Moore of this city became the bride of Mr. Ray Plumlee of Pioneer with Rev. D. L. Barnes reading the vows.

For her marriage the bride chose an aqua blue with white pin stripes two-piece suit with white accessories. Her white hat was accented by a black shoulder-length veil. She carried a white Bible sprinkled with gardenias tied with white satin streamers.

Mrs. LaVeta Jo Hargrove of Hamlin, cousin of the bride, who was maid of honor, was attired in white with black accessories and a shoulder corsage of red carnations.

Mr. Joe Souder of this city acted as best man for the groom.

Mrs. Plumlee is the daughter of Mr. and Mrs. Bernie A. Moore, rural residents of Cross Plains, and a graduate of the local high school, class of 1946, where she was popular in student activities and editor of the class annual.

The groom is the son of Mr. and Mrs. I. C. Plumlee of Pioneer, a graduate of Cross Plains high school and recently released from the armed forces after two years service, most part of which was spent in the Southwest Pacific.

After a wedding trip the couple will return here to remain until September when they will both enter school at Abilene.

Among those attending the wedding were parents of the bride, the groom's mother, Miss Helen Plumlee, Ann Marshall of Dallas, Pat Moore and Truman Moore.

### EXPLAIN FREE VOTE FOR EX-SERVICEMEN

The Review this week received an official clarification of the statute permitting ex-servicemen to vote without the necessity of a poll tax receipt. The explanation follows:

"Any person that at the time of election or within 18 months prior to the date of election, was a member of the armed forces of the United States, is entitled to a vote without having paid a poll tax; however, a service man or veteran must meet the qualifications required of other voters, except in so far as payment of poll tax is concerned."

"He must have resided in the State of Texas one year and in the county six months. He does not have to show his discharge papers. If he is challenged, or the election judge is not sure, he will require him to make an oath as to his qualifications, the same as an oath made by the person losing his poll tax receipt."

**Consider Public Health Nursing, Cox Tells Grads**

Dr. Geo. W. Cox, State Health Officer, is appealing to young women high school graduates to seriously consider the public health nursing profession as a career, when re-entering school this fall.

"Public health nursing offers young women opportunities for lifetime careers which are highly useful and satisfactory. Demands for professional nurses now exceed the supply in public health and other fields of work," Dr. Cox said. "Possibilities of travel, varied experience, income and other features of the profession compare very favorably with those open to women in other careers."

Education for nursing is available in 37 schools in Texas and enrollment is now underway for fall classes, which open about September 1. All schools still have vacancies. Applicants should be graduates of high school or have some college credit, with a record of good scholastic standing, be in good physical condition, and of high moral character. An interest in people and their problems, also ability to work well with one's hands is necessary.

Prerequisite training in public health nursing includes a 36 month course including vacations. Medical, surgical, obstetric, pediatric, psychiatric and communicable disease nursing are studied. Completion of the diploma of the School and to take State Board Examinations leading to the R. N. Certificate.

Details regarding nursing education can be secured from hospitals, physicians, nurses' organizations and local health departments, as well as the Texas State Department of Health.

**County Hospital Shows \$5,000 Net Profits For 1945**

The Callahan County Hospital showed a profit of \$5,007.46 in 1945, according to a recent auditor's report. This report should be most gratifying to tax payers, inasmuch as the institution has been showing a loss in operational expenditures in prior years.

With a cash balance of only \$104.84 at January 1, 1945, the hospital totalled receipts of \$25,574.41 and disbursements of \$18,551.81 at the end of the year, thus showing more than five thousand dollars above operation costs.

The county of Callahan received more revenues in 1945 than in some previous years, according to the report, with \$119,892.97 in take and disbursements, \$108,395.82, thus keeping the county well within the prescribed budget for 1945. In 1944 the county found itself somewhat in the red with revenues only \$106,086.49 and disbursements \$113,468.94. The county hospital fund is credited with having aided in bringing the general fund to its present amount more than any other account.

Anonymous reflection upon the Postoffice at Cross Plains, April 2, 1900, under No. 3, 1879.

Here is a bit of verse by an anonymous writer:  
 "When I was at the party," said Betty (aged just four),  
 "A little girl fell off her chair, right upon the floor;  
 And all the other little girls began to laugh but me -  
 I didn't laugh a single bit," said Betty, seriously.  
 "Why not?" her mother asked her, full of delight to find that Betty - bless her little heart - had been so sweetly kind.  
 "Why didn't you laugh, darling, or don't you like to tell?"  
 "I didn't laugh," said Betty, "because I didn't want to tell."

He was a member of the Committee on Revenue and Taxation which defeated every new proposed raising measure referred to Committee.

In the 50th Legislature he will support legislative redistricting of the State, favor establishment separate university for Negroes, a more and far reaching Farm-to-Market road program, raising teacher's salaries and an adequate Social Security program.

He will oppose any new taxes because the State has \$35,000,000 at present in the general fund to take of appropriations needful to progress.

On his merits of past representation of the 107th district, he deserves re-election on July 27th.

Chicken Hatchery Assured For Cross Plains Next Year

A chicken hatchery, with latest equipment and modern in every detail, will open in Cross Plains the latter part of this year, the Review learned authoritatively yesterday. The concern will be operated by Bill Jameson, owner and operator of a big hatchery in Sweetwater.

Mr. Jameson was in Cross Plains last week and discussed the possibilities of a hatchery here with local poultrymen and businessmen. Upon returning to Sweetwater he wrote the Review: "The encouragement and interest of people of the Cross Plains community was exceptional and I have definitely decided to set up a hatchery within the next several months."

Mr. Jameson, who has operated the Jameson Hatchery in Sweetwater for a number of years, says that he would appreciate receiving cards from poultrymen in the Cross Plains trade territory regarding their needs in this line next year. He informs that only eggs from ROP flocks will be used and that only highest quality baby chicks will be handled. He has already arranged for a building in Cross Plains, the Review was told.

BIBLE QUESTIONS ANSWERED BY THE VOICE OF PROPHECY INTERNATIONAL BIBLE BROADCASTING SOCIETY

Q.—Please tell me what chapter in the Bible tells about the giant holding up the world.

A.—The giant story is found in heathen mythology, not in the Holy Bible. In Job 26:7 we find the strictly scientific statement: "He stretcheth out the north over the empty space, and hangeth the earth upon nothing."

Q.—Who said, "Is not this great Babylon, that I have built?"

A.—Nebuchadnezzar. (Daniel 4:30).

Q.—I have heard that the correct count of the week has been lost. How about it?

A.—Christ had not lost track of it, and the Sabbath kept by the holy women between His death and resurrection was "the Sabbath day according to the commandment." Luke 23:56. The fourth commandment refers back to creation for its reason. (Exodus 20:8-11). Our calendar goes back to Christ's time—so who lost the week, and where?

Q.—Where is the golden ark of the covenant today?

A.—In Second Chronicles we are told that King Solomon put it in the most holy place of the temple at Jerusalem. Tradition tells us, as recorded in 2acebess 2:4, 5, that four hundred years later, just before the city was burned by Nebuchadnezzar, King of Babylon, the prophet Jeremiah hid the ark in a cave in Mount Nelo. We know there was no ark in Herod's temple when our Lord was upon earth.

Q.—What difference does it make whether Christ comes soon or in a thousand years from now?

A.—Can we be indifferent to Christ's return if we follow His warning found in Matthew 24:42-44? "Watch therefore: for ye know not what hour your Lord doth come. But know this, that if the goodman of the house had known in what watch the thief would come, he would have watched, and would not have suffered his house to be broken up. Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh."

Q.—Where do you put the kingdom age?

A.—I charge thee therefore before God, and the Lord Jesus Christ who shall judge the quick and the dead at His appearing and His kingdom." 2 Timothy 4:1. At His return, the Lord Jesus Christ takes over the kingdoms of this world. Revelation 11:15: "And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of His Christ; and He shall reign for ever and ever." And again, Daniel 2:44: "And in the days of those kings shall the God of heaven set up a kingdom, which shall never be destroyed; and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever."

CANDIDATE FOR CONGRESS

Robert R. Herring TO THE VOTERS OF THE 17TH DISTRICT OF TEXAS:

Today, we citizens of the United States stand at a crossroads. Upon the decisions you make and put into action on July 27th may depend the future course of our American life. If we fail, through our aroused actions, to secure an honest, strong willed group of representatives in the Congress at this election, we will undoubtedly continue on this road of economic distress. I have tried during this campaign to place my full and exact beliefs before you that you may justly consider my candidacy for the office of your representative. I have tried to point out that I believe many Americans today are blind to the true values of our life because of the greed for dollar bills, and I feel that enough men who realize the cost of these last four years, with all of its loss of life, can return our government to sound values and to you as average citizens.

I earnestly request your deepest consideration at the primary election, July 27th.

Sincerely,  
Robert R. Herring

Re-Elect State Representative 107th Floterial District

L. R. PEARSON

CITIZENS OF HIS DIS-

In the 49th Legislature he was helpful in securing farm-to-market roads in Callahan county, including one into Cross Plains.

He was author of House Bill 110, which aids in clearing land titles on old mineral or royalty sales made years ago, thus enabling owners to lease property again for oil and gas purposes.

He was a member of the Committee on Revenue and Taxation which defeated every new proposed tax-raising measure referred to Committee.

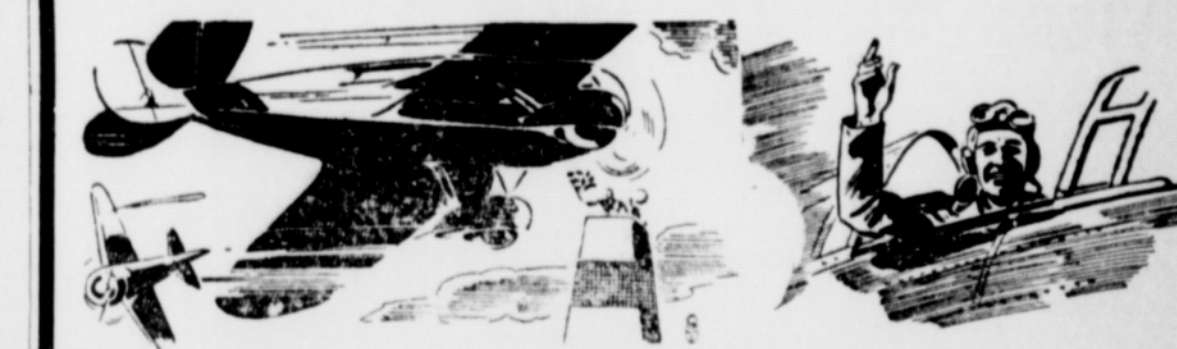

In the 50th Legislature he will support legislative redistricting of the State, favor establishment of a separate university for Negroes, a more and farther-reaching Farm-to-Market road program, raising teacher's salaries and an adequate Social Security program.

He will oppose any new taxes because the State has \$35,000,000. at present in the general fund to take care of appropriations needful to progress.

On his merits of past representation of the 107th District, he deserves re-election on July 27th.

## Presbyterians To Have Homecoming Sunday, August 4

By Rev. J. L. Glenn

The First Presbyterian Church of Cross Plains will celebrate a homecoming day on August 4th. Both its former and present members are invited to join in this service. This church has served the local community for almost fifty years, and has been a blessing to a host of families who, in this half century, have made Cross Plains their home.

Rev. S. P. Collins, who for two decades served as its faithful and capable pastor, is invited to preach the sermon in the morning service. Dr. J. H. Mettewen, who is a former superintendent of its Sunday school, will be master of ceremonies at the dinner hour, and will show a moving picture story of the church life in former years. Mr. Chas. F. Hemphill, who has been one of its lay leaders, will return from his present home in Albany, and recount the earlier work of this church.

There will be plenty of food, and it will be the best. An invitation by letter has gone to all members, but whether this letter is received or not the church urges all people who have been in its services, and the public to join with these good church people in this memorial to its many years of service to Cross Plains.

Mrs. W. H. Tollerson of Longview visited Mrs. W. P. Moore last week.

## CARD OF THANKS

We wish to take this opportunity of expressing our heart-felt thanks and deep appreciation to the many friends that have been so kind and generous toward us in our hour of need, also for the beautiful flowers, food and expressions of sympathy shown.

May God's richest blessings be with all of you in our sincere wish and prayer.

### HOMESPUN HUMOR RIFE IN "PARTNERS IN TIME"

The down-to-earth humor that has made Lum and Abner national characters with the American public on the air is illustrated with telling effect in their new Jack Wm. Votlon screen production, "Partners in Time," an RKO radio release, featuring Chester Lauck and Norris Goff, at the Plains theatre Sunday and Monday, July 28 and 29th.

For the first time audiences see the famed characters as young men. Most of the story concerns the adventures of Lum and Abner in Pine Ridge in the year 1904 when Abner arrives in the town as a cocky pioneering automobilist, and soon finds himself in partnership with Lum Edwards in the "Hot-Em-Down Store. Abner also finds himself in a romance with Elizabeth Meadows which soon develops into a matrimonial partnership, won over Lum's faltering rivalry.

Pamela Blake plays the village belle courted by Lum and Abner in their early days. The familiar figures of Squire Skimp, Grandpappy Spens and Cedric are portrayed respectively by Dick Elliott, Dan Duncan and Grady Sutton.
