

19th Hole

By John Wright

If you happened to be watching the Kemper Open Golf Tournament Sunday afternoon on television, you know that Abilene golf pro Charles Coody came from far back in the field on the last day to finish second in the rich classic. Coody came blazing in on the final round with a course record 65 over the rugged course. And strangely enough, he made the comment Saturday that there were too many players between himself and Dale Douglas, who eventually won the tournament, for him to have a chance to win. But Coody was not to be denied. He roared in with seven birdies, including a 45 and a 35 foot putt, Coody seemed to get off to a rather slow start this year on the tour, but has seemed to improve with each tournament. He should have won the Masters but for bogeying the last three holes after leading through the 15th hole of the final round. Following his fine showing at Augusta, Coody has been finishing consistently high in the money week after week. I think we can look for Mr. Coody to win a tournament or two before this year is over.

Remember way back before baseball season got underway when I picked the St. Louis Cardinals to finish first in the East Division of the National League. Well, so far it looks like a really dialed wrong number. The Chicago Cubs. Who? That's right, the Chicago Cubs have been practically unbeatable thus far ever since the opening game. Actually, the Cubbies have been improving by leaps and bounds ever since Leo Durocher took over the helm a couple of years back and just now everything is beginning to fall into place for them. But of all peoples, their nearest competitors right now are the once hapless doormats of the National League, the New York Mets. On the strength of probably the best pitching staff in major league baseball today, the Mets have stretched to within 4 1/2 games behind the first place Cubs. If it were not for their still anemic hitting there is no telling how far the Mets would be going this year. And they just might fool everybody and go all the way in spite of that weak punch.

But what about those mighty St. Louis Cardinals? Twice defending champions of the National League. Called by many baseball observers the most perfect team ever assembled from position to position, the Cardinals are mired in 4th place, ten full games out of first place. Their record is 32 wins and 35 losses, under .500 percentage. But don't count them out yet. They still must be considered

Star Office To Close On Saturdays

BAIRD — The Callahan County Star Office, previously open until noon on Saturdays, will be closed all day Saturday throughout the remainder of the summer.

BAIRD SCHOOL ADOPTS UNIQUE BOOK-LEASING PLAN

Under a new plan just adopted by the Baird Independent School District, students can now take home -- directly from the classroom and for an unlimited time -- the latest books by leading publishers.

These hardback, cloth-bound books are not text books. Called "curriculum enrichment" books, they are for general reading purposes in the home or for use as reference sources in doing homework.

The new books are leased rather than sold to the schools. Because the participating company replaces missing or damaged books, the unusual "rent-a-book" plan should prove economical for local schools. In addition, the plan makes available large numbers of books in many homes where the student does not normally have access to them.

Under the terms of the unusual book-leasing plan, books become the property of the school after a four-year leasing program. This could cut the cost of high-quality books for school use by as much as 50 percent versus the price of outright purchase. At the end of the contract period, additional books can be ordered at a price which can provide a substantial hedge against the constantly escalating cost of school books.

The handsome, library-bound books include such substantial reference works as dictionaries and encyclopedias. Also available to students are cloth-bound books covering such subjects as history, geography, science, social studies, art, music and sports.

Fundamental goal of the plan is to encourage the child to read -- and to read in the

TRUE OR FALSE?
God has only one plan of salvation for all men. That this is true, is made abundantly clear by the statement of the Apostle Peter in Acts 10:34-35.
"Then Peter opened his mouth and said, Of a truth I perceive that God is no respecter of persons: But in every nation he that feareth him, and worketh righteousness is accepted with him."
Every man must believe in God and in Christ His Son, "Without faith it is impossible to please him." Heb. 11:6.
Everyone must repent of his sins. "Except ye repent, ye shall all likewise perish," Jesus said in Luke 13:3.
All men must confess their faith in Christ, "for with the mouth confession is made unto salvation." Rom. 10:10.
All must be baptized for remission of sins. Jesus said, "He that believeth and is baptized shall be saved." Mark 16:16. This is God's plan of salvation for all men.

CLYDE HAWKS COME FROM BEHIND TO TAKE LEAGUE LEAD

CLYDE — The Clyde Hawks defeated Ranger in a come from behind 3-2 squeaker Tuesday night. The young birds thereby avenged an earlier humiliating 16-6 loss.

The win gives the Hawk's a claim on first place as they are now 5-1 and Ranger 4-1.

The seventh inning started tied 1-1 and the first two Hawk hitters were out and Jimmy Newman doubled and Stanley Allen stroked his second home run of the year to give the Clyde team a 3-1 lead. They held on in the last of the seventh and ended the game with a double play.

Wilbur Nettleton went all the way on the mound for the win. Allen and Nettleton each had 2 hits.

The Hawks took a couple of squeakers last week as they scored 4 runs in the bottom of the seventh inning to beat Eastland 7-6. The Eastland team had built an early 6-0 lead and were seemingly on their way to an easy win over the young Hawks. (Twelve of the fourteen boys on the team will be back next year.) Wilbur Nettleton started the game and was relieved by David Everett in the fourth inning. Everett pitched two innings and Jimmy Newman worked the last two. Newman picked up the win as he struck out 5 batters in the two innings. Craig Loper had two doubles to lead the hitters but Danny Fleming singled with the bases loaded and two out in the 7th to plate the tying and the winning runs.

Friday night the Hawks drove to Albany and defeated them in

another close one 10-9. The first four batters for the Hawks scored as B. Gray walked, Jim Newman and Wilbur Nettleton singled, Stanley Allen homered. They added three in the second to take a 7-0 lead. Albany came back strong on two homers and tied the score at 8-8 in the 6th. These Hawks are not quitters though, and scored two in the seventh and held on for the narrow win 10-9.

At the half-way mark for the league, Stanley is the leading hitter with a healthy average of .647 with six doubles and one home run.

LITTLE LEAGUE BASEBALL PLAY NEARING END OF SEASON

CLYDE — Little League play is nearing the end of the season with the Braves leading the league, and the Giants trailing, with the Yankees in third.

Thursday night the Giants won over the Red Sox 9-3. The Giants pitched Jimmy May for the first 3 innings, and letting rookie pitchers Eddie Yates and Buddy Moore take the last three innings.

Red Sox hurled David Roberts and Randy McKinley. Later the Yankees won 10-4 over the Dodgers. Dodger Rick Newman hit his third homerun of the season in the 5th inning. Dodgers Greg White pitched the complete game, with Ely and Edwards slated as winning pitchers for the Yankees.

Monday the Dodgers won 14-8 over the Red Sox. Mike Yawn and Greg White hurried for the Dodgers. Jack Kidd, Gary Hines and Kerry McKinley worked for the Red Sox.

A 6-5 score was on the board in the 4th inning, with the Dodgers coming alive in the 4th to score 8 runs in that inning. Later the Red Sox score two more runs, but failed to tally enough to win.

The Giants and Yankees tangled in late game with the Giants on top 4-1. Jacky Joy was the lone man on the mound for the Yankees, while Jimmy May and Keith Bailey shared time for the winners.

The Yankees scored their run in the first inning, as the Giants

dangerous at all times, and still capable of taking all the marbles in spite of their present record. They have been plagued by injuries and hitting slumps all year long. If they get all their problems straightened out soon enough, the rest of the league better be prepared for the onslaught.

This Saturday, we will hold our monthly Bar-B-Q and Bingo night at Shady Oaks. Mr. Chester Like and Mrs. Tatt Taber have been heading up this project since its beginning about three months ago, and should be commended for their marvelous work. Barbecue begins at 7 p. m. with \$1.00 per plate steaks. Bingo begins at 8 p. m.

Sunday will be the Ladies Golf Assn. Florida Scramble. Entries opened Wednesday and will close at 5 p. m. Saturday, or when the first 72 entries have been received.

Golf Notes: Alvin Bates fired a one over par 37 just the other day. Mrs. John Wright Jr. scored an eagle 3 on the par 5 number 2 hole.

Two new players have joined the league, Eddie Reynolds on the Indians team and Harold King on the Astros.

The last two games have been played with the aid of a batting tee constructed by Bill Den-

man. The batters hit the ball while stationary, instead of using a pitcher, giving the boys a better opportunity for fielding practice and eliminating walks.
