## HORTICULTURAL CAMPAIGN

Mr. J. H. Shackelford,  
Cross Plains, Texas.

My Dear Mr. Shackelford:

It having been some time since I heard from you, I am somewhat anxious to know how the hog growers Association is progressing and to advise you that we have under way a Horticultural Campaign, extending some six or eight weeks, beginning about the first of Nov., in which we expect to put on spraying, pruning smudging and marketing demonstrations in the orchards in the fields, and at night will have entertainments in the way of lantern slide lectures and stereoptican views which will have a tendency to be instructive as well as entertaining. The lesson which we want to teach in this feature of the work, is the necessity of packing, grading and more improtant, looking ahead to finding buyers for the fruit and vegetables.

We will have six or eight men in the field and I will appreciate your personal view of what we can do in your locality in the way of helping your people along these lines. If possible, I will try and run out to see you within the next two weeks. In the meantime I will be glad to have you write me.

Yours truly,  
W. W. Evans  
Agricultural Agent

### COTTON HIGH AGAIN

On account of the Government's estimate for this year's cotton crop which is 10,950,000 bales, the shortest crop since 1909, the price of cotton has advanced again, bringing as high 12½c on the streets this week.

### BUY IT IN OCTOBER BUY IT IN CROSS PLAINS

There seems to be a big "Buy-It-In-October" movement on foot in Dallas, which in connection with the "Dress-Up" week campaign is bearing good fruit. Why can't we do such a thing here? Why not buy what you must have now? Why not buy it in Cross Plains? Every five cents you spend here you will help add that much to the prosperity of the Cross Plains country. Be not derelict in your duty; spend your money at home. If possible, spend it early and get it in circulation. Money hoarded is money retired from circulation, and money not in circulation has lost its usefulness.

### TRADE FARMS

H. J. Rollins and Wade McDaniel have made a deal whereby Wade becomes owner of the Slaughter place and Mr. Rollins owner of the west 80 acres of the McDaniel farm. Mr. McDaniel will move to his newly acquired place and Mr. Rollins will move to the McDaniel farm.

### FIRE DESTROYS HOME AND CONTENTS

Sunday night fire of unknown origin destroyed the house occupied by Edgar Williford near Dressy on the A. G. Foster farm, house and contents being nearly a total loss, only a trunk and dresser being saved. A quantity of cotton seed which has been stored in a side room was also destroyed. The loss cannot but be felt by this young couple who have just started out in life.

### FORM CEMETERY ASSOCIATION

A petition is being circulated in the interest of a cemetery association for Cross Plains. Those signing agree to pay \$1.00 a year which the officers of the association are to use in keeping the cemetery in good condition. J. M. Coffman, Wm. Franke and T. J. Harris are named as president, vice president and secretary respectively, for the first year. The movement is a worthy one and should receive the support of all interested in the Cross Plains cemetery. One dollar a pittance to pay to the memory of the dead of your friends and relatives

FOUR ISSUES CONSTITUTE A MONTH

CROSS PLAINS, TEXAS.

Elsewhere in The Review you will find a letter from W W Evans, agriculture agent for the Katy, to Joe Shackelford in regard to pruning and spraying of apple and other fruit trees and marketing, etc. This is a very important subject and every orchardist who hears of this meeting will do well to come hear the lectures, see the views, etc. The dates for this meeting will be announced later.

Join the "BIMIT" crusade. That merely means to "Buy It Made In Texas," a thing you doubtless are willing to concede to be just, right and proper. If we buy what you have to sell, you should reciprocate by buying what we have to offer; that's the principle, that consistently followed, will build up our country and our towns. Every man that is interested in the trade-at-home movement should talk it and preferentially buy from those merchants committed to this principle. No man can live unto himself, and to encourage trading at home is to help your neighbor and yourself.

Mr. Farmer, don't let the prevailing high price of cotton detract you from your plans for diversifying next year. The danger in high-priced cotton inheres in the fact that farmers may be sorely tempted to increase their cotton acreage, expecting the same high prices if they make a big crop, while, on the contrary, if a big crop is made the price assuredly will be low. Cotton acreage was appreciably reduced this year, a thing cotton farmers have been slow to see the merits in. Because of the ravages of the boll weevil and other factors that entered into the making of the crop cotton production has been cut short and consequently diversification has come in in good stead. At least we have abundant feed and forage crops and have already garnered a record-breaking grain crop. It would be in the nature of a calamity for us this year to have depended entirely upon cotton; and it no doubt would be a serious mistake to grow a larger cotton crop in 1916 at the expense of the grain, forage and peanut and other crops.

#### CITATION BY PUBLICATION.

THE STATE OF TEXAS, To the Sheriff or any Constable of Callahan County—Greeting:

You are hereby commanded, that you summon, by making publication of this Citation in some newspaper published in the County of Callahan, if there be a newspaper published therein, but if not, then in any newspaper published in the 42nd judicial district; but if there be no newspaper published in said judicial district, then in a newspaper published in the nearest district to said 42nd judicial district, for four weeks previous to the return day hereof, Clifton L. Vigal whose residence is unknown, to be and appear before the Honorable District Court, at the next regular term thereof, to be holden in the County of Callahan at the Court House thereof, in Baird, Texas, on the 8th day of November, A. D. 1915, then and there to answer a petition filed in said court, on the 24th day of August, A. D. 1914, in a suit numbered on the docket of said Court No. \_\_\_\_\_, wherein E. B. Gillet, plaintiff, and Clifton L. Vigal, defendant. The nature of the plaintiff's demand being as follows, to-wit:

That on or about the 21st day of August, A. D. 1914, he was lawfully seized and possessed of the following described land and premises, situated in Callahan County, Texas, holding and claiming the same in fee simple, to-wit: 92 acres of land out of Subdivision No. 6, of the George M. Vigal Survey No. 798, Abstract No. 523, patented to the heirs of George M. Vigal on May 23rd, 1861, by patent No. 477, Vol. 12, Bounty Warrant No. 1328, described by metes and bounds, viz: Beginning at the Northeast corner of said G. M. Vigal Survey No. 798, thence south 1002 vrs., thence west 563 vrs. to the place of beginning of this tract; thence south 1002 vrs. to corner; thence west 518 2-3 vrs. to corner of subdivision No. 6 of the Vigal survey, and being the southwest corner of this tract; thence north 1002 vrs. to the northwest corner of the subdivision No. 6 of the G. M. Vigal survey; thence east 518 2-3 vrs. to the place of beginning, containing 92 acres of land, more or less, and

Plaintiff alleges that he, and those under whom he holds title, claiming to have good and perfect title to the land above described, has had and held peaceably the land claimed, and adverse possession of the same, cultivating, using and enjoying the same for a period of more than ten years after defendant's cause of action or right to said land, if any they have, accrued, and before the commencement of this suit.

Plaintiff further alleges that he, and those under whom he holds title, claiming to have good and perfect title to the land as above described and being the same tract hereinafter described, and says that he and those under whom he claims and holds title, and now holds title to said land under

deeds duly registered in the Deed Records of Callahan County, Texas, and has had open and peaceable possession, and continuous and adverse possession of the land herein mentioned, using and enjoying the same and paying all taxes due thereon, for a period of more than five years, after defendant's cause of action or right to said land, if any he had, accrued before the commencement of this suit, said land and premises being described as follows: Being a part of subdivision No. 6, of the George M. Vigal survey No. 798, Abstract 523, patented to the heirs of George M. Vigal on May 23rd, 1861, by patent No. 477, Vol. 12, situated in Callahan County, Texas, and described by metes and bounds as follows: Beginning at the northeast corner of said G. M. Vigal survey No. 798; thence south 1002 vrs. thence west 563 vrs. to the place of beginning of this tract; thence south 1002 vrs to corner; thence west 518 2-3 vrs. to corner of subdivision No. 6, and same being the southwest corner of this tract, and also the S. W. corner of subdivision No. 6; thence north 1002 vrs. to the northwest corner of said subdivision No. 6, and also being the northwest corner of this tract; thence east 518 2-3 vrs. to the place of beginning, containing 92 acres of land, more or less.

That the defendant, Clifton L. Vigal, is asserting or claiming some adverse interest or claim to said land and premises, which is a cloud on plaintiff's title to said land, as above described.

This action is brought as well to try title as for damages.

Wherefore plaintiff prays the court that defendant be served with notice of the filing of this said suit, as required by law, and that he be compelled to answer this petition; that on final hearing hereof, he have judgment for the title to the above described land, and premises, and for damages and costs of suit, and for such other and further relief, special and general, in law and in equity that he may be justly entitled to, etc.

Herein fail not, and have you before said court, on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said court, at office in Baird, Texas, this, the 10th day of Sept., A. D. 1915. A. R. DAY.

# HUSBAND RESCUED DESPAIRING WIFE

**After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.**

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

## EXPLOITS OF ELAINE

Chinese master criminal appeared from the refuge to which he had dropped after the shots which he had fired to frighten Inez. Silently he crept toward Elaine, standing with her back to him.

With one powerful movement he swept Elaine back into the laboratory and to the floor and slammed the door, locking it. Another instant and he ran to Inez and unfasted her. She had merely fainted and was now coming to.

Down the hall we had discovered no one when suddenly we heard the stifled scream of Elaine. Back we rushed to the door. But it was locked and jammed.

Wu had finished releasing Inez by this time and, with her, rushed into the back room. As he did so Elaine managed to get to her feet and follow in time to see Wu smash the window to the fire-escape with a chair and half shove Inez through to safety.

He was about to follow when he spied the sphygmograph and seized it. That brought him face to face with Elaine. She snatched the record from him. With an oath he struggled with her for it.

By this time Kennedy and I had forced the door and were in the outer laboratory.

Wu had bent Elaine back over the table and had drawn a long knife. As he poised it over her he heard us coming. Our shouts seemed to give Elaine redoubled strength. She broke away just as Wu stabbed furiously, and the knife point was deflected by the sphygmograph.

There was not an instant to lose, and Wu fairly dived out of the window. As we rushed in Kennedy paused to reassure himself of Elaine's safety, but I plunged after Wu, my revolver drawn.

Wildly I shot down from the window at his retreating form. He had almost reached the ground when I saw him stagger and fall the rest of the way. One of my shots had taken effect, but I had used them all.

I started after him. But as he slid the last two or three steps into a heap on the ground, Inez caught him in her arms. Half supporting, half pulling, she managed to assist the dazed and wounded criminal along. At the curb was a closed car, with a driver, waiting. She shoved him in and tumbled in after him herself, as the car moved swiftly away.

By this time I had reached the ground and reloaded my gun as I ran along. I fired several shots. But, though I struck the car, I don't think I did any damage, for it continued to gain speed. The chase was hopeless, and I stopped, disgusted.

Back in the laboratory, as I returned through the window, I saw that the strain had been too much for Elaine. Now that it was over, she had fainted and Kennedy was just bringing her around.

"Confound him," I exclaimed, "I wounded him, but the girl got him away from us again."

"Oh," murmured Elaine, faintly catching my words, "I heard the shots. I was hoping you had ended it all this time."

For the moment, in his relief at seeing Elaine still safe, Kennedy seemed to have forgotten all about Wu. My words recalled him.

"Never mind," he reassured, as he tapped the little sphygmograph. "Not counting the great jump of the indicator when Inez discovered Wu before her, it registered the highest tension when I mentioned No. 14 Pell street. We shall find his den not far from that."

We gathered about Craig while Elaine looked at him elated.

"Then you have forged the last link," she cried, seizing both his hands in her own.

Kennedy merely smiled and shook his head gravely.

### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Mesdames Carson & Rutherford. At Carter's store.

Many of the readers of this paper will remember me as being connected with Dr. R. G. Milling at Putnam in 1914.

Since we left Putnam many may not know where I am located. I take this method of telling my friends that I am now back at Putnam where I am prepared to take care of all who desire the treatment I give, and I am charging a very reasonable board rate which is \$1.50 per day, and give treatment free to all my boarders.

I invite all who are suffering with any kind of cronic trouble to give me a trial. I have treated a number from Cross Plains and surrounding country, and if you know nothing about me I will be glad for you to ask them about me, will also be glad to give you their names if you wish.

Give me a chance to cure you as I have hundreds of others all over Texas and other states.

I am respectfully,  
H. V. CALDWELL.

### Best Paint

What is it? Devoe. How Devoe? It's 160 years old; but that isn't how.

It has long been the best; but that isn't how.

It has been developed by use and study, by study and use; that is how; and approved by experience, many years; that's how.

It commends itself by long lasting and small paint-cost; not cheap by the gallon, but cheap by the job and cheap by the year and ten years, cheap by the lifetime.

That's how. F. P. Shackelford sells it.

### CITATION BY PUBLICATION.

THE STATE OF TEXAS,

To the Sheriff or any Constable of Callahan County—Greeting:

You are hereby commanded, that you summon, by making publication of this Citation in some newspaper published in the County of Callahan, if there be a newspaper published therein, but if not, then in any newspaper published in the 42nd judicial district; but if there be no newspaper published in said judicial district, then in a newspaper published in the nearest district to said 42nd judicial district, for four weeks previous to the return day hereof, Clifton L. Vigal, whose residence is unknown, to be and appear before the Honorable District Court, at the next regular term thereof, to be holden in the County of Callahan at the Court House thereof in Baird, Texas, on the 8th day of November, A. D. 1915, then and there to answer a petition filed in said court, on the 24th day of Aug., A. D. 1914, in a suit numbered on the docket of said Court No. 1253, wherein W. A. Gilliland, Plaintiff, and Clifton L. Vigal, defendant. The nature of the plaintiff's demand being as follows, to-wit:

That on or about the 21st day of August, A. D. 1914, he was lawfully seized and possessed of the following described land, situated in the County of Callahan, State of Texas, holding and claiming the same in fee simple, to-wit: 100 acres of land out of subdivision No. 6, of the George M. Vigal survey, No. 798, abstract 523, patented to the heirs of George M. Vigal, on May 23rd, 1861, by patent No. 477, Vol. 12, Bounty Warrant No. 1328, described by metes and bounds as follows: Beginning at the northeast corner of said G. M. Vigal survey No. 798, thence south 1002 varas to the place of beginning for this 100 acre tract; thence west 563 vrs. to corner; thence south 1002 vrs. to corner; thence east 563 vrs. to S. E. corner of said subdivision No. 6, same being the S. E. corner of this tract; thence north 1002 vrs. to the place of beginning, containing 100 acres of land, more or less.

2.

Plaintiff alleges that he has had and now holds peaceably the land claimed, and adverse possession of the same, using and enjoying the same for a period of more than ten years, after defendant's cause of action or right to said land, if any, they have accrued, and before the commencement of this suit.

3.

Plaintiff further alleges that he has claimed said land and premises under deeds duly registered in the Deeds Records of Callahan County, Texas and has had peaceable, continuous and adverse possession of the land and tenements hereinafter described, using and enjoying the same and paying all taxes due thereon, for a period of more than five years after defendant's cause of action or right to said land, if any, he had, accrued before the commencement of this suit, said land and premises so claimed and held by this said plaintiff being described by metes and bounds as follows: Beginning at the northeast corner of the said G. M. Vigal survey, No. 798, abstract 523, by virtue of Bounty Warrant No. 1328, and patented to the heirs of George M. Vigal on May 23rd, 1861, by patent No. 477, Vol. 12, thence south 1002 vrs. to the place of beginning for this 100 acre tract; thence west 563 vrs. to cor-

ner; thence south 1002 vrs. to corner; thence east 563 vrs. to the S. E. corner of subdivision No. 6, of the said G. M. Vigal survey, and being the southeast corner of this 100 acre tract; thence north 1002 vrs. to the place of beginning, containing 100 acres of land, more or less.

4.

This defendant, Clifton L. Vigal, is asserting or claiming some adverse interest or claim to said land and premises, which is a cloud on plaintiff's title.

5.

This action is brought as well to try title as for damages.

6.

Wherefore plaintiff prays the Court that defendant be served with notice of the filing of this suit as required by law, and that he be compelled to answer this petition; that on final hearing hereof he have judgment for the title to the above described tract of land and premises, and for damages and costs of suit, and for such other and further relief, special and general, in law and in equity that he may be justly entitled to, etc.

Herein fail not, and have you before said court, on the said first day of the next term thereof, this writ with your endorsement thereon, showing how you have executed the same. Given under my hand and seal of said court, at office in Baird, this, the 10th day of Sept., A. D. 1915.

A. R. DAY,

Clerk District Court, Callahan County, Texas.

## ENTERTAINED.

The H. B. N. B. Club met with the Missis Atwood at their home east of town Thursday evening. The object of the club is to cultivate the art of sewing at which work a very enjoyable time was spent.

In addition to the evening's work the "bean contest" given by Miss Myrtie Atwood afforded much amusement during the entire evening, after which the guests were invited into the dining room. A vase filled with "cosmos" enbanked in "old maids" (not of the animated type) and "bachelor buttons" formed the center piece, while delicious elberta peaches and cream and wafers formed the outer edge. Not only was the dining room beaming with flowers, but the sewing room as well. The club members who attended were Misses JAKE, Beulah and Willie Adams, Laura and Clara Boyles, Cora and Collie Baum, Elvis Barr, Barnes, Davis, Dublin, Gregory, Ida Mitchell and Cornels with Mrs. Henry Williams as invited guest. New members were Misses Gregory and Barr. The club will meet Thursday evening with Miss Barnes.
