Mrs. W. D. Smith Is Laid To Rest Sunday In Pioneer Cemetery

Funeral service for Mrs. W. D. Smith, 62, beloved local lady who died at her home in the Northeast part of town here Friday morning of heart attack, was conducted from the First Methodist Church Sunday afternoon at three o'clock with Rev. W. C. Childress, pastor of the First Methodist Church at Kaufman, officiating, assisted by Rev. J. U. McAfee, of the local church. Interment was made in the Pioneer cemetery.

Mrs. Smith had been slightly ill for two days, however, her condition was not regarded as critical. She was stricken about 10 o'clock Friday morning and lived but a short while.

Mary D. O'Kelly was born September 12, 1885 at Llano, the daughter of the late Mr. and Mrs. W. O. O'Kelly who moved to Pioneer in 1905 and to Midland one year later. She was married to William Davis Smith on July 11, 1908 at Midland; coming with him to Pioneer where the family lived until 1929 when they came to Cross Plains to enter the grocery business. Four children were born to the couple, the eldest daughter passing away at the age of fourteen months.

Mrs. Smith was a consecrated member of the Methodist church from early girlhood and absence of the couple at the local church was more to be noticed than their presence, so loyal were they in attendance at services. They seldom went places separately, to see one of them was to know the other was nearby. She worked with him in the grocery store and lately at the Home and Auto Store which he owns. The church crowded to capacity with friends and large floral offerings bespoke the respect with which Mr. and Mrs. Smith were held in the community.

Survivors include the husband, one son, R. Garland of this city; two daughters, Mrs. W. C. Childress, Jr., of Dallas and Miss Lyla Smith of this city who is a student in a Denton college; three sisters, Mrs. Emma Cooper of this city, Mrs. Albert Stewart of Midland and Mrs. Eva Glover of Winters; one brother, Timothy O'Kelly of Ballinger; one grandson, Mack Childress, son of Mr. and W. C. Childress, Jr., and a number of nieces and nephews.

Palbearers were Howard, Horace, J. W. Boyce, and Fred Smith, Tilman Glover, Bonner Voss and Everett Owen, all nephews of Mr. and Mrs. Smith and nieces were flower bearers.

Relatives and friends from out of town for services were Mr. and Mrs. Horace Smith of Lovington, N. M.; Mr. and Mrs. Joe Adkins of Seminole, Mr. and Mrs. John Cox of Brownwood, Mrs. Martha O'Kelly of Midland, Mr. and Mrs. Rufe Been of Carbon, Mr. and Mrs. E. G. Pierce of Cisco, Mr. and Mrs. H. W. Elrod of Levelland, Mr. and Mrs. John Hart and Mrs. Lola Everett of Cisco, Mr. and Mrs. Eldon Everett of Brownwood, Mr. and Mrs. C. W. Waller of Breckenridge, D. R. Childress of Denton and H. P. Childress of Dallas.

Mr. and Mrs. A. L. Stewart, Mr. and Mrs. Woodrow Stewart, Mr. and Mrs. A. L. Stewart, Jr., Mr. and Mrs. Jim Stewart, Misses Jeanette and Bobbie Stewart, all of Midland; Mrs. Lucile Sikes of Goldsmith, Mr. and Mrs. Frank Glover of Wingate, Mr. and Mrs. Tilman Glover of Winters, Mr. and Mrs. Vona Voss of San Angelo, Mr. and Mrs. Tim O'Kelly of Ballinger, Mrs. Ruth Smith of Plevanna, Mr. and Mrs. Walton Smith of Hereford, Fred Smith of Fort Worth, Mr. and Mrs. J. W. Smith of Copperas Cove, Mr. and Mrs. Everett Owens of Evans, Mr. and Mrs. Boyce Smith of Copperas Cove and Mr. and Mrs. Howard Smith of Jal, N. M.

Miss Evelyn Wieland, county home demonstration agent, plans to leave on a two weeks vacation beginning August 23. She will visit her home near Austin and make a trip to the Rio Grande valley with her parents.

Crabb & Lawlis Have Commercial Well In Ranger On Jones Land

Conditioning of the hole for completion was being delayed yesterday on the Crabb & Lawlis number one Jones, two miles East of Cross Plains, pending the arrival of a new head for the drilling motor.

Melvin Crabb, co-owner of the well, told the Review yesterday that the well is definitely a commercial producer, estimating that it will make 40 barrels daily, natural.

Production is from the Ranger lime, 3,245 to 3,351 feet. It is expected that the formation will be acidized, however this was merely conjecture on the part of local observers.

Trustees Name Grid Coach Friday Night

James P. Akey, former Daniel Baker College football player, was named to coach the Cross Plains high school Buffaloes by the trustees here in special meeting Friday night. He will also serve as high school principal.

Akey played with the Daniel Baker 'Hill Billies' during the 1940 and '41 seasons. During the war he served as a physical education instructor with the navy, seeing service in the Pacific theatre.

Since separation from the service Akey has been coaching and teaching at Eola, Southeast of San Angelo.

Akey, who is currently doing summer study at Daniel Baker will be in Cross Plains this week to seek living quarters and make arrangements for pre-season training to get underway about August 16.

\$500 Worth Of New Air Conditioning Equipment Added At Theatre Here

Five hundred dollars worth of air conditioning equipment was being added at the Plains theatre here this week and was expected to be ready for use this week, it was announced yesterday by Mrs. Lee Welch, manager.

"We are grateful of the reception being given our better type of pictures and will continue to book newer and more expensive films as a means of materially expressing our appreciation", she stated.

Typical of the type of pictures being scheduled is the "Red River" film which is to show here August 29, 30 and 31 in premier showing for the Southwestern section of the United States. It is a story based on the first cattle drive over the Chisholm trail and reputedly cost producers in excess of \$6,000,000.

One of the largest crowds to visit Cross Plains in recent years is expected here Friday as this community plays host to the annual reunion of Callahan County pioneers. The meeting will be the first held in Cross Plains since 1945. Last two gatherings were staged in Hickman Park at Baird.

G. E. (Edd) Morgan and Hugh McDermott, members of the parade committee, were endeavoring yesterday to arrange a procession to officially open the celebration.

"We are particularly anxious to have organizations and business firms enter the parade, with floats or automobiles decorated to carry out the pioneer theme", Morgan declared.

High spot of the festivities here Friday will be a basket luncheon at noon. For the convenience of those who wish to purchase barbecue on the grounds, Fred Heyser declared last week that a large supply of deliciously barbecued beef would be available.

Members of the Cross Plains fire department and local merchants which are now being iced and will be served to visitors as compliments of the community. Serving of the melons will be sandwiched into an appropriate lull in the program, probably sometime in the afternoon.

A gala parade down Main Street Friday morning at ten o'clock will officially open the Old Settlers' Reunion here. All settlers who arrive at the City Park early enough will be conveyed to town in decorated vehicles to enter the procession.

Merchants are co-operating wholeheartedly to make the parade one of the most colorful in years. Decorations indicative of the occasion will be on floats, automobiles and horse drawn vehicles. A number of horse and riders will also enter.

Funeral Monday For Will Armstrong Who Died Late Saturday

Last rites for Will P. Armstrong, 78, who died late Saturday in a Rising Star hospital following an illness of several days, were held Monday afternoon from the Cross Plains Presbyterian church. Interment was made in the local cemetery. Rev. S. P. Collins of Abilene, former pastor of Sabanno and Cross Plains churches, officiated at services. He was assisted by Rev. Arthur C. Evans of the Cross Plains Presbyterian church.

William Price Armstrong was born August 25, 1869 in Western Mississippi and came to Texas in 1890. He was married to Miss Bell Vestal, daughter of the late Tom and Martha Vestal, on December 21, 1898 and to this union nine children were born, three of whom preceded him in death. The remaining six children were at his bedside during his illness.

Joining the Presbyterian church at Sabanno in 1924, he was made an elder on May 26, 1925. He was also a member of the Masonic lodge since 1900. Mr. and Mrs. Armstrong settled in the Sabanno community in 1901 and remained on the same property through the years.

Survivors include the widow, five daughters: Mrs. Fannie Clark of Sundown, Mrs. Zula Clark of Lowell, Arizona, Miss Alma Armstrong, Mrs. Lorena Wright and Mrs. Vida Balkum, all of Cross Plains and one son, Thurman Armstrong of Arp.

Active pallbearers were Fred Tunnell, Edwin Baum, W. E. Lusk, Ben Atwood, Robert Meador and B. B. Huntington. Graveside rites were conducted by the Cross Plains Masonic lodge, Higginbothams, Cross Plains, were in charge of arrangements.

Local Youth Receives Face Injuries Monday

C. O. Jr., 15 year old son of Mr. and Mrs. Claude Miller, was carried to a Cisco hospital Monday afternoon suffering from facial injuries received when kicked in the mouth by an unbroken horse that had just given him a bad spill when he attempted to ride him near his home in the West part of town. Surgery was necessary Tuesday morning to set broken jaw bones, remove damaged teeth and attempt to tighten those on the left side of his face which were loosened.

Tetanus inoculations were administered upon arrival at the hospital to forestall any symptoms of lock jaw.

The youth was said to be resting as well as could be expected Tuesday afternoon, although suffering considerable pain.

**Chevrolet House Puts
In New Motor Testing
Equipment Past Week**

Installation of a new motor test-

at the Bishop Chevrolet Company,
as announced yesterday by
Mr. Koenig. The new device not
only hastens the diagnosis of
troubles, Mr. Koenig de-
clares, but in many cases gives a

saving customers many dollars in
time.

Although a cost of over \$600 was
incurred in the installation of this
equipment it is already proving
popular with customers having
difficulty and according to
Bishop, manager of the com-
pany, is in keeping with the firm's
policy of modernizing and placing
mechanics disposal the very
best tools available for the main-

Novice Pool, 22, son of Lee Pool
who formerly lived in Cross Plains,
had the misfortune of losing an
eye last week in San Angelo. The
accident occurred in the repair de-
partment of the Gaines Motor
Company there.

Edwin Erwin has been displaying
some fine Elberta peaches in town
this week. They are said to be the
largest and of most uniform size
of any raised in this section of
Texas.

Mr. and Mrs. Poley Williams, Mr.
and Mrs. Charlie Boden, Mr. and
Mrs. J. W. Westerman, Walter
Crutchmier, Miss Edna Krell and
Mr. and Mrs. Earnest Moore attend-
ed the Church of Christ revival at
Oplin last Sunday.

The first rotary drilling machine
to be used in oil fields here was
rigged up by Shaw and Rathke
on the No. 8 Miller west of town
recently. Its progress is being
watched with interest.

This field has never before been
thought suitable for rotary ma-
chines but their use may prove
to be more practical than thought,
it is said.

J. T. Hammett's jinx over young
Doug Jones of Big Spring held
good for the third time during the
1938 West Texas golfing wars here
Sunday afternoon as he won the

nual invitation for the fourth time.

Joe Sharrock became manager of
the Club Cafe Wednesday morning
when he purchased the interest
of W. A. Huckaby in the establish-
ment.

funeral of his brother, A. C. Bond,
in Merkel last week.

A deal was closed this week be-
tween R. L. Young and W. J.
Cross, whereby the former became
the owner of the latter's barber
shop on South Main street.

Cross will continue to work in
the shop, the Review was told.

**Have Children Take
Examination Before
Starting To School**

With the report of 77 new cases
of chicken pox, 11 cases of diph-
theria, 320 cases of measles, 75 cases
of polio, and 199 cases of whooping
cough occurring in the state in the
week between July 10 - 17, Dr.
George W. Cox, State Health Of-
ficer, has made an appeal to all
parents to have their children
undergo a thorough physical exami-
nation before entering school next
month.

The appeal was made to coincide
with the announcements of the
various opening dates of schools
throughout the state.

"It is a medically established fact
that a child's health has a direct
bearing on his progress in school,"
the health officer said. "It is no
longer sufficient to provide the
child with books and new fall
clothing. Today we realize the
health factor must be considered
if the child is to reach his optimum
level."

Dr. Cox said that since the child
spends most of his time indoors
with large groups of children, it
is imperative that he be immunized
against communicable diseases
when such protection is possible.
The spread of such diseases is fa-
cilitated in congested classrooms.

He said the examination should
include a dental check-up and in-
spection of the eyes, ears, nose and
throat. The best health insurance
for any child is constant super-
vision by the family physician and
dentist.

**Ode Strahan Rejects
Appointment For 2
County Draft Board**

O. D. (Ode) Strahan, of Cross
Plains, who was recently named
to represent this county on the
Taylor-Callahan draft board, told
the Review yesterday that he would
be unable to accept the position.
"While it is not my intention to
shirk any responsibility to my
country, it is at present impossible
for me to devote the necessary time
to this position. I am, therefore,
notifying Governor Jester and
making the request that another
be appointed to this post," Strahan
said.

Strahan, a veteran of World War
One, served on the Callahan county
draft board during the recent war.
He lost a son, Everett Neal, in
the Pacific during World War II.

set-back at Cross Plains high school
last week when two members of
last year's team transferred to Ris-
ing Star. The lads are Buck Gibson
and Doyle Tyler, both of whom were
outstanding players for the purple
and gold.

Cedar Bluff To Have Homecoming Sunday

The Cedar Bluff community, three miles North of Cottonwood, will have Homecoming Day on Sunday, August 15, to which all ex-students of the Cedar Bluff school, ex-teachers, ex-pastors of churches and former residents are heartily invited. The celebration will be held at the school house and lunch spread under trees on the grounds. In the early nineteen hundreds, the community was sometimes called 'Last Chance' and many old timers, it is said, will remember Cedar Bluff by that nick-name.

Sponsors of the homecoming movement especially request the co-operation of the entire community to make the gathering a success and welcome back to Cedar Bluff those who formerly lived or worked there.

EVENTS OF OLD SETTLERS REUNION MAY BE HEARD ON KRBC SATURDAY AFTERNOON

Beginning at one o'clock in the afternoon on Saturday, August 14, radio station KRBC-FM in Abilene will carry a half-hour broadcast of a recording made Friday at the Callahan County Old Settlers Reunion here. C. M. Anderson at the Western Auto Store will tune in the program and persons on the streets here may hear events of the preceding day at the store.

A roving reporter from KRBC will be in Cross Plains to attend the Reunion and record some of the activities and interview many of the old timers. He will also interview a cross section of Callahan county farmers and will tell of his visits with them on Saturday morning at six thirty on the West Texas Farm Review program, a weekly feature sponsored by KRBC and heard thirty minutes each Saturday.

Whale oil, which used to be used in lamps, is now used largely to make soap and glycerine for munitions.

CARD OF THANKS

In fair weather people are able to accurately number the home as when our wife passed away without warning last Friday we were able quickly to see she numbered her friends, and friends, by her acquaintances. Words have not the meaning in hearts for the many, many acts of love and friendship shown us; and we believe floral offerings were the love we ever saw. Our heartfelt thanks, friends, all we can say; but the memory your thoughtfulness will remain with us forever. May the Lord bless each one.
