

# 543 Students Enrolled Here

School got off to a rousing good start here last Monday morning with a full faculty on the job and a total of 543 students enrolled, according to an announcement made by Superintendent Paul L. Whitton, on Tuesday morning.

According to the announcement a total of 373 students are enrolled in the elementary grades and 170 are listed in high school. This is a gain of five students over the starting enrollment last year when 364 were registered in the lower grades and 175 in high school, he said.

Supt. Whitton stated that several more students were expected to enroll during the week and that school officials here were looking forward to a very successful school year.

**Enrollment By Classes**  
A breakdown of the school enrollment shows the following totals by grades:

First grade	34
Second grade	46
Third grade	37
Fourth grade	39
Fifth grade	46

## Chamber of Commerce Luncheon Club To Meet Tuesday Noon

A. J. McCuin, secretary of the Chamber of Commerce, announced this week that the Chamber of Commerce Luncheon Club will meet in the basement of the Methodist Church here Tuesday at noon, next week, for the first meeting of the new year.

Following the regular custom of the organization, no business meetings were held during the months of July and August, so that the ladies of the Women's Society of Christian Service might enjoy a vacation from their duties of serving the noon meal to the club.

The meeting will be presided over by President Jack McCarty, who invites every business man in town to attend regardless of whether they are members or not. A special invitation is extended to new business men of the city, he said.

Plans are being made to make this the most successful year the local club has ever enjoyed and everyone is urged to take part in the worthy endeavors of the local Chamber of Commerce.

## Construction Begins On Evangelical Methodist Church Structure

Rev. R. A. Pape, pastor of the newly-organized Evangelical Methodist Church here, announced Monday that construction of the educational building of the new proposed \$50,000 church, in the northwest part of the city.

The new structure is to be built of buff-colored brick tile and will be a very pretentious when completed, Rev. Pape said. Work on the main church auditorium will be started at a later date and when completed the new church will have one of the finest and most modern edifices in this area, he said.

## PAUL SMITH VISITING HERE

Paul Smith arrived in Cross Plains Saturday to spend a week with his parents, Mr. and Mrs. Marvin Smith, before going to Sulphur Springs, Arkansas, where he will attend a missionary conference. Mrs. Smith and her two children were unable to make the trip and remained in Mexico City.

Paul and his family make their home in the state of Oaxico in the interior of Mexico where he is doing missionary work.

Mrs. Eunice Starr and Miss Virgie Eager were Abilene visitors Monday.

## Business Firms To Close Monday For Labor Day

A. J. McCuin, secretary of the Chamber of Commerce, announced this week that a majority of the business people of this city had voted to close in observance of Labor Day next Monday, September 7.

All firms of the city with exception of service stations, cafes and grocery stores will be closed all day and patrons are asked to take note of this announcement and make plans to take care of Monday shopping needs on Saturday.

This is the third consecutive year that local business firms have joined the many cities and towns across the nation in observing Labor Day, and will afford local business men and their employees an opportunity to take life easy over the long week end.

Due to the holiday, readers of the Review will have to wait an extra day for their paper next week, so that the management and employees can take the day off with other firms of the city.

## Burkett Schools Opened Monday

Burkett high school students have two new departments in their list of course for the new school year which opened Monday, vocational homemaking and vocational agriculture.

The two departments are being added on a teacher - sharing basis with Centennial schools. Sherwood Downey, recently of Austin, will teach vocational agriculture and Mrs. Helen Hunter, Coleman, will teach homemaking.

The school homemaking cottage has been repainted and brightened up for the new classes, and a new stove and refrigerator added. Routine maintenance work done at the schools during the summer has desks refinished, repainting done around the school and the plant "in school shape," says W. R. Chambers, superintendent.

Other members of the Burkett faculty for the new year are Barney Popnoe, high school science and history; Mrs. Adele Adams, English and music; Mrs. Verden Brown, 7th and 8th; Mrs. Ellen Townsend, 4th, 5th and 6th; Mrs. Yuneette Bowden, 1st, 2nd and 3rd.

Lunchroom personnel include Mrs. J. W. Morgan, Mrs. Betty Jones and Mrs. Carl E. Burns. Bus drivers are Carl E. Burns, D. C. Gray and B. C. Evans. J. W. Morgan is school custodian.

Schoolboard members for the Burkett schools this term are Roger Watson, president; L. D. Evans, Lon Gray, Marvin Cade, E. W. DeBusk, E. E. Edington and A. L. Godwin.

## State Fair To Entertain Farm and Ranch Youths

Seven and one-half tons of king-size hot dogs will go into the world's biggest picnic lunch Saturday, Oct. 17, when 90,000 Texas farm and ranch boys and girls visit the 1953 State Fair of Texas on Rural Youth Day.

The youngsters will also consume approximately 11,250 gallons of lemonade, 17,000 pounds of potato chips and 7,500 boxes of candy bars, Ray W. Wilson, manager of the fair's youth activities program, has calculated.

Rural Youth Day is one of the fair's top events, Wilson said. The farm boys and girls are guests of the fair on that day. Dallas business leaders underwrite expenses for the picnic lunch.

The 90,000 Rural Youth Day guests will represent 4-H clubs, Future Farmer and Future Home-maker chapters in at least 225 Texas counties. The annual gathering is the largest assemblage of farm and ranch youngsters in the world, Wilson said.

The purpose of Rural Youth Day is to bring as many farm and ranch boys and girls as possible to the State Fair so they can profit from the thousands of agricultural, livestock and educational exhibits, Wilson said.

"One of the biggest attractions for them usually is the huge farm implement show, which cover 75,000 square feet and features more than \$1,500,000 in modern farm machinery."

He said the 1953 Agriculture, Pan-American Livestock Exposition, Texas Research Foundation's grass nursery, Aquarium, Hall of State and the Museums of Natural History, Fine Arts and Health would draw thousands of the youth.

"We started Rural Youth Day in 1946 with 30,000 youngsters. The number has grown steadily each year and we had over 80,000 last year," Wilson said.

Rural Youth Day will be preceded Friday night, Oct. 16, by the annual State Fair Honor Awards dinner at which 44 outstanding boys and girls will be recognized for their accomplishments in leadership, livestock, agriculture and home-making.

## City Gas To Be Turned Off Here Wednesday

In a display advertisement appearing on another page of this edition of the Review, Dave Lee, City Gas Commissioner, announces that the city gas supply will be turned off next Wednesday afternoon, Sept. 9, at 1:00 p. m. and will remain off for several hours.

The disruption of service, he said, is made necessary so that workmen for the Pioneer Gas Co. can make needed changes in the pipeline under the new right-of-way for Highway 36.

Commissioner Lee states that workmen would endeavor to have the gas on within two hours after starting work, barring complications, of course.

City gas consumers are urged to mark this date on their calendar and take necessary precautions with gas-burning appliances.

## Local Woman Catches 10 1-2 Lb. Catfish While Fishing For Crappie

Mr. and Mrs. H. A. Young and Mrs. Jeff Clark all of this city were fishing on Lake Brownwood Thursday of the past week for crappie and were having good luck, having caught about 75 nice sized ones, when Mrs. Young felt a tug on her line and when she attempted to bring it in learned that she was unable to do so. She called to Mr. Young, who was in the other end of the boat, to assist her. After several minutes of hard work, Mrs. Young brought the fish to the edge of the boat and Mr. Young assisted with a net in getting it into the boat. The fish, a yellow cat, weighed 10 1-2 pounds.

Mrs. Richard Thompson and Mrs. Luke Westerman were also visiting with the Youngs Wednesday and Thursday but had remained on shore to fish, and missed the excitement.

## Band Boosters Club To Hold Meeting Sept. 3

The band boosters club will hold its first meeting of the new school year Thursday evening at the band hall at 7:45. Club president, Chester Glover, urges all members to be present for this important meeting as the calendars will be passed out and other important business will be transacted.

Mrs. Roy Arrowood and Mrs. H. N. Wilson and sons spent last week in Fort Worth.

Mrs. Earl Smith and Mrs. W. E. Briggs of Coleman visited in the home of Mr. and Mrs. E. R. Smith Thursday. Little Valera Sue Briggs, who has been visiting her uncle and aunt, accompanied her mother and grandmother home.

Mrs. Emma Bernstein of Los Angeles, California, who has been visiting her sister, Mrs. Mary Wagner, and other relatives at Albany, Graham and Austin for several months, returned to her home Wednesday of last week.

## Bayou Philosopher Gets In Deep Water Again When He Invades The Field Of Education

Editor's note: The Bayou Philosopher on his Johnson grass farm on the Bayou is way over his head this week, he's talking about education.

Dear editor:

I read the other day where a man said there was one thing about the school system he couldn't understand.

Said the schools of this country are turning out a lot of graduates, but he'd noticed there were a lot of so-called un-educated people who never went to school much who were making a lot better livin than the educated people. He wanted this explained.

I will explain it. The reason is there is no substitute for hard work and hard thinkin, and the school system ain't got any courses in them subjects in its curriculum. It's just hard to get teachers who can handle them two subjects.

However, I would like to say in a hurry that in regard to hard work and there not bein any substitute for it, as far as I'm concerned I ain't lookin for a substitute for it. Most of the substitutes I've encountered are worse than the original, and as for me and hard work, I just don't want to be associated with the idea.

The schools are able to teach a man to read and spell and figure and trim his fingernails, all right, although I've seen some people who went clean through the school system and couldn't spell or read or write any better than some people who quit in the eighth grade, in fact, I've observed that college degrees frequently ain't no reflection at all of a man's education, some people can get an M. A. degree and still not know anymore than they did when they had just a B. A., and some people can get a Ph. D. degree and still not show any marked improvement over what they knew when they was back in the B. A. class. In lots of cases, under this Gilmer-Aikin system, the only way on earth to tell how many degrees a teacher's got is to look at his pay check. It's the only place it shows. In fact, there are some people who claim degrees are only records of how many classes you attended and stayed awake in, not how much you absorbed, which is a matter out my field, although some of them don't know what to do with what they do pick up. Educatin some people is like givin certain young boys a high-powered automobile. They just ain't equipped to handle it.

As far as makin money goes, I'm not equipped to speak on the topic, but I'd like to say that stayin ignorant may not be a bar to makin money, but it ain't no help either, and a man who can get ahead without any education, there ain't no tellin where he could have gotten with a little. Might have been even a foreign diplomat.

## Grid Practice Is Underway

Head Coach James Alexander started his Buffalo gridsters through their daily practice sessions here Tuesday afternoon of this week, and reported 31 boys suited out for the first session.

He stated that while his boys are "green hands" at the game, he is highly pleased with their looks and promises local grid fans a good season.

The squad is composed of nine backfield men and 22 linemen, as follows:

Backfield: Kenneth Beeler, Oscar Koenig, Gene Bush, Bobby Phillips, Homer Robison, David Jennings, Jerry Foster, Pat Moore, Jackie Pancake and Terry Cearly.

Linemen: ends—Paul Lane, Elzie Wilson, Glenn Fleming, Terry Watkins, Jimmy McDonald, Buel Peavy; Tackles—Leonard Bodine, Kenneth Tension, Vernon Baum, Bill Sipes, J. B. Bodine, Clark Baum; guards—Joe Coppinger, Sidney Frazier, D. T. Crockett, Joe Gary, Charles McCord, Bob Scott, and centers, Arthur Coats, Larry Frazier and Carl McCord.

Coach Alexander points out that he has plenty of weight and enthusiasm and lacks only speed and experience.

The Cross Plains charges might not improve their District 7A standings above last season, when they finished fourth, but they are expected to give their best against every foe.

Five backs, who won their letter last season, will be back to wear the Purple and Gold. They are Homer Robison, Kenneth Beeler, James Oscar Koenig, Gene Bush and Bobby Phillips. Robison is expected to handle the quarterback chores along with being the spearhead in the passing attack.

At the end slots will be Paul Lane, Elzie Wilson, Glenn Fleming and Terry Watkins, while Leonard Bodine, Kenneth Tension and Vernon Baum will see lots of service at tackles.

Starting at guards will probably be Joe Coppinger, Sidney Frazier or Charles McCord. Carl McCord is the only center, who has seen much action, and he will probably carry the brunt of the load at pivot this season.

Included in the squad this year will be eight seniors, eight juniors, seven sophomores and ten freshmen. The forward wall will average about 167 pounds while the backfield will average 155.

Mrs. Emma Bernstein of Los Angeles, California, who has been visiting her sister, Mrs. Mary Wagner, and other relatives at Albany, Graham and Austin for several months, returned to her home Wednesday of last week.

Yours faithfully,  
J. A.

Visiting in the V. L. Hobdy home Sunday were Mr. and Mrs. H. S. Stephenson and family of Abilene.

Mrs. R. L. Vaught of Dayton transacted business in Cross Plains the first of the week.

O. B. Edmondson, J. H. and Dave Lee were in Dallas Friday night to attend the professional football game.

Miss Alice Bryson, who has been spending the summer here, left Saturday for Stanton where she has been elected to teach the sixth grade.

Mr. and Mrs. Charles Whitehead and children of Austin spent the week end here with Mrs. J. C. Graham and Mrs. Ruby Copeland.

Miss Kay White returned to her home at Burkett Saturday after a weeks visit with her brother, Glen White, at Big Spring.

### Cancer Society Names West Texas Worker

Austin—Miss Katherine Daniels of Lubbock has been named a representative of the American Cancer Society for 60 West Texas counties.

J. Louis Neff, executive director of the Texas Division, American Cancer Society, said that Miss Daniels has been trained as a professional staff worker in the Society's programs of public education about cancer, service to cancer patients, and fund-raising.

She will assist volunteer directors in the organization of county executive committees and sub-committees for various education and service activities and will work with committee members to plan local work.

A native of Paris, Texas, Miss Daniels graduated from Waco high school and Baylor University. She has recently been associated with the Methodist Home at Waco, and is a former Campfire Girls executive director.

Counties to be assisted by Miss Daniels are, District 2: Andrews, Borden, Dawson, Dickens, Ector, Fisher, Gaines, Garza, Glasscock, Howard, Kent, King, Lynn, Martin, Midland, Mitchell, Nolan, Scurry, Stonewall, Terry, and Yoakum; District 3-S: Bailey, Briscoe, Castro, Childress, Cochran, Cottle, Crosby, Floyd, Foard, Hale, Hall, Hardeman, Hockley, Lamb, Lubbock, Motley, Parmer, and Swisher; District 13: Archer, Baylor, Callahan, Clay, Eastland, Haskell, Jack, Jones, Knox, Montague, Palo Pinto, Parker, Tarrant, Shackelford, Stephens, Taylor, Throckmorton, Wichita, Wilbarger, Wise, and Young.

Mr. and Mrs. Leroy Cowan and family of Gorman were visiting friends in Cross Plains Monday.

Mr. and Mrs. Dan Kennedy and children, who recently moved to Morenc, Arizona from Cross Plains, attended to business matters here over the week end.

### Dr. Cox Lists Ways To Keep Children Healthy

Austin—Communicable diseases common to children reach their low point, as to number of cases, late in the summer. Then, when school opens, and children are closely grouped together in classrooms, germs begin to spread, and the increase runs to thousands of cases of illness causing much time lost from school, discomfort for the children, and untold hours spent in nursing them back to health, declared Dr. Geo. W. Cox, State Health Officer.

Some children die and others suffer permanent damage to their health. The really tragic part of this situation is that it is, in a large measure, preventable. If all parents would change their indifferent, negligent attitude toward diseases such as measles, whooping cough, scarlet fever, and chickenpox, and would cooperate with school and health authorities, these common communicable disease epidemics could be reduced.

Dr. Cox says these are the important way to protect the health of our school children; immunize every child against diphtheria and small pox, have daily inspection of school children, with isolation or separation of the suspected case of disease, sending home any child showing signs of illness, such as paleness, sore throat, skin eruption, fever or any other symptom that apparently needs the attention of a physician; keep children home who show signs of illness. Call the physician and let him interpret the symptoms. Readmission to school should be based on permission of the family physician or health officer. Inspection should be made at the beginning of school and at mid-year for minor skin infections and head lice, with exclusion of all infected children from school. The development of good personal habits in every child is very essential to the control of all contagious diseases.

For the sake of your children—their physical health and progress in school, let's stop the inroads of needless illness, and give them a fair chance for normal development, physically and mentally.

### Veterans ? Box

Q. I recently converted my GI insurance to a 20-year endowment policy. At the end of the endowment period, would it be possible for me to get monthly payments for the rest of my life?

A. No. Monthly payments for life would not be permitted. However, you could elect to receive the proceeds for a limited number of months, with equal payments being made for each month. You could choose from 36 to 240 months, in multiples of 12.

Q. I figured that I'm eligible for 36 months of Korean GI Bill training. But I want to take a four-year college course. Could this be done?

A. It probably could. The average college year runs for nine months. Four such college years would amount to 36 months—the extent of your entitlement.

Q. I'm drawing a monthly disability pension. Sometime ago I bought a house, and now I plan to sell it at that I hope will be a profit. Do I have to figure the proceeds of the sale as income, in determining whether my annual income falls in the limits of the law?

A. You're only required to consider the profit as income, for pension purposes.

Q. I made out a check for my monthly GI insurance premium and mailed it to VA. However, I forgot to sign the check. I'm afraid my insurance is going to lapse before I can get another check off to the VA. Is there anything I can do about it?

A. Yes. So long as you can present evidence to the VA that you have enough money in the bank to cover the premium, VA will allow you an additional 31 days to pay your premium. The 31-day period begins from the date of VA's letter to you, notifying you of your error.

Mr. and Mrs. Parker Baum and Clark and Martha spent a few days last week visiting Mr. and Mrs. B. H. Hall and family in Fort Worth.

Harold Moon spent Friday and Saturday in Fort Worth and Dallas. While in Fort Worth he visited with his brother, Gerald and wife.

Keith Coburn, who is employed at Hobbs, New Mexico, spent the first of last week visiting his mother, Mrs. Howard Coburn.

Mrs. G. E. Browning and children of San Angelo visited her parents, Mr. and Mrs. Drew I. Hill, and other relatives a few days last week.

Mr. and Mrs. Horton Hornsby and son, Billy Frank, of Dallas spent Thursday here visiting in the Alton Hornsby home.

Mrs. Alton Hornsby and son, Tommy, were in Admiral Sunday afternoon visiting Mr. and Mrs. John Schaffrina and family.

Alton Hornsby attended a State Guard outing at Lake Brownwood over the week end. Other members attending were from Sweetwater, Abilene and Moran.

### 50 New Books Added To County Library

During the summer months the Callahan County Library at Baird has added fifty new books of mysteries, westerns, romances, biographies, dog and horse stories.

This library, which is the only free public library in the county, is sponsored by the Wednesday Club of Baird and maintained by the county and city as a civic project. It now contains approximately four thousand books and is currently serving five hundred readers, representing every section of the county.

One special feature is the Texas shelf containing fiction, history, and biography particularly interesting to Texans. Another shelf is devoted to biographies from the Young America series, which are used by school children throughout the county.

Library hours are from one to five, Monday through Friday. Mrs. Rosa Ryan is librarian, and the library committee includes Mrs. Lee Ivey, Mrs. Sam Gilliland, Mrs. R. L. Alexander, and Mrs. Clyde White.

## September Song...

Step outside and catch a whiff of that September weather. Man, there's perfume in the air. The sunshine is a balm, the breeze is a caress.

You know, it's that way every September.

We were going to run an ad on Fall Merchandise. But why kid ourselves? This isn't Fall, it's September!

Maybe we'll run a merchandise ad next week.

fields in North Dakota, near Shamrock, Texas, Mrs. Mack Gray had a collision with a truck which was hauling a large combine. The pickup and house-trailer which she was commanding, were both turned upside down in the ditch. Mrs. Gray was accompanied by Misses Betty and Katherine Brown and her daughter, Wanda Gray, when the accident occurred. No one was seriously hurt, only minor cuts and bruises were evidenced, but the vehicles were badly damaged.

**PIONEER NEWS**

By A. O. (Slim) Harris

Mr. and Mrs. Delma Dean spent a few days at Junction visiting with relatives.

Mr. and Mrs. Leeman Underwood and the boys enjoyed an outing at Lake Brownwood last Friday.

The kiddies from our community were on their way to school this Monday to begin the 53-54 term of reading, writing and arithmetic. We are hoping for a successful season on the gridiron for the Wildcats as they hit the line for those TD's.

Oh, yes, one of our neighbors is in dire need of a Peter Shuter wagon, the requirements are as follow: must be in A-1 condition, a 3-4 inch with free wheeling control, power glide, hydromatic shift, new upholstery, built-in radio, power with a pair of small burros, a new switch or gouging stick and must have a good speedometer, no back last in the steering, no wheel base or axle gage will be required, but must be under-slung for low loading for a short, stocky built person who wishes to work in the cooler part of the day.

Anyone having a vehicle that will fill these required demands will please contact any of the gossip club in our village.

While returning from the harvest

Mr. and Mrs. Robert Cunningham returned to their home here last week after spending several days in Corpus Christi with their son, R. W. Cunningham, and family.

RHEUMATIC VICTIM THROWS AWAY CANE

Thanks to AR-PAN-EX Tablets "I have had terrible pains in my knees for over two years and couldn't walk without a cane," writes Mrs. Mary Creamer, St. Louis, Mo., "About two months ago a friend suggested AR-PAN-EX Tablets. I took a bottle and the pains left my legs and by the time I finished my third bottle I was walking without any pains at all."

The big reason why AR-PAN-EX works best, is because it contains seven special ingredients — works seven ways at once—speeds long-lasting relief to chronic deep-seated agony; increases energy and resistance and tones system. Sensational new formula of a prominent Eastern Scientist, scientifically "film-coated" to prevent useless, distressing action in the stomach. "Film-coating" dissolves in the small intestine where all pain-relieving medicine is quickly released into the bloodstream—speeds fullest possible relief.

Positively Nothing Like AR-PAN-EX Thousands of men and women suffering from crippling torture of deep-seated rheumatic, arthritic pains get surer, faster, relief, by taking AR-PAN-EX Tablets. Be guided by them. If your druggist is out of AR-PAN-EX he will be glad to order it for you.

**Eight Polio Grants Made By National Foundation**

The National Foundation for Infantile Paralysis today announced that through June 30, 1953, it had made 28 grants to eight Texas organizations totaling \$500,307.10 according to General Robert J. Smith, State March of Dimes chairman. The eight institutions still have in operating funds some \$93,454.92 of the \$500,307.10 granted since 1933, General Smith pointed out. Largest of the grants was \$137,751.14 to Baylor University for virus research and medical care with the second largest grant, \$116,859.57, going to the University of Texas for virus research. The other six organizations participating in the polio program are Southwestern Medical College in Dallas; Crippled Children's Hospital in Marlin; Texas Scottish Rite Hospital; Jefferson Davis Hospital in Houston; Southwest Foundation for Research and Education in Dallas; and the Southwestern Poliomyelitis Respiratory Center in Houston. Of the 28 grants, 17 for a total of \$189,479.83 were for virus research; four were for \$13,486.05 for treatment after-effects; one for education in the amount of \$4,224.00 and six for medical care for a total of \$199,722.30. General Smith said that the \$93,454.92 in unexpended balances from past awards was divided between Baylor University with \$47,737.92 remaining for medical care and \$45,715.00 by Jefferson Davis Hospital in Houston for the same purpose. From 1933 through December 31, 1952, the March of Dimes campaigns in Texas have resulted in net receipts of \$9,998,309.94 of which \$8,716,145.54 or 87 per cent was actually spent in the state. "It is of special interest to note that for the period January 1, 1949, through December 31, 1952, the March of Dimes campaign in Texas have netted a total of \$6,579,024.40 of which \$6,316,972.57 or 96 per cent has been spent in the state," General Smith said. "However, in 1952, the Texas March of Dimes campaign netted \$2,181,624.87 while the Foundation spent \$2,483,938.73 in Texas for polio epidemics, resulting in a state deficit of \$207,313.86," he added. "This means that we in Texas require \$307,313.86 more than we donated to the March of Dimes campaign," General Smith declared. He said that the 1952 campaign collections of \$2,181,624.87 was the equivalent of .2829 cents per person in the state. The 1953 contributions represent 3418 cents per capita.

**P-TA To Have First Meeting September 8**

Mrs. Gwynn Elliott, Cross Plains Parent Teacher Association president, has requested that the Review remind all patrons of the school that the first meeting of the organization will be held Tuesday evening, September 8, in the high school gymnasium beginning at 8 o'clock. A program will be rendered with Mrs. Elliott giving the welcoming address. The Buffalo Band will render several numbers in their first appearance of the year and school superintendent Paul Whitton will speak. Following the program entertainment will be furnished and refreshments will be served. Be on hand at the first meeting and help the P-TA to do many worthwhile things during the year. Mr. and Mrs. Claude Douglas of Comanche were visiting Mr. and Mrs. I. N. Riley Tuesday.

"As It Looks From Here"

OMAR BURLESON  
Congressman  
17th District

Washington—The heading of this column would indicate it is being written from the United States Capitol. Actually it is written from Mineral Wells.

This past week I have visited in Fisher, Taylor, Shackelford, Stephens, and Palo Pinto counties. Most of the stops have been for speaking engagements, but as time permitted, visits have been made between towns

on the route. A more thorough tour of each county is planned. Past experience proves that at least six weeks is required to cover the entire Seventeenth Congressional District, even if only a few hours are spent in each town or community. It is my hope that more time will be available.

On September 15th it will be necessary for me to return to Washington for about three weeks. After attending a special subcommittee meeting involving World Trade and Commerce, it is my plan to return home and continue my visits and contacts.

There is some speculation that President Eisenhower may call the Congress into Special Session. Personally, I do not think so. There has been talk that because of the conclusion that Russia has the Hydrogen Bomb, Congress will be called back to vote more money for Air

Defense. This is improbable, if it is true that the preparedness program is proceeding at the same rate, in spite of the cut in appropriations. You will recall that more than five billion dollars was cut in this year's appropriation. The idea was to get more defense for less money, and to this we all surely subscribe. The big question is always present as to how much defense is required.

One thing is fairly certain—if another war should come, we will not have time to produce guns, tanks, planes, and ships, as we have had in the past. In other wars we have had two years to prepare, and by reason of overwhelming productive capacity, have been able to defeat our enemies. This condition no longer exists. To protect this same productive capacity, we must be constantly ready. It is indeed a sad world in which we live by reason of such circumstances. A strong people can only accept the inevitable and do that which must be done to protect our lives, our homes and

Austin—Teachers are in the limelight again.

This time they are petitioning Sen. A. M. Aiken, Jr., to run for governor come 1954.

Aiken co-authored the Gilmer-Aiken school bill two years ago and led the fight in the recent legislature for the teacher's pay-raise bill. The bill passed both houses, then died because there was not enough state revenue incoming to pay the salary increases.

Teachers are miffed over Governor Shivers' stand on the pay-raise measure; and the current petition is undoubtedly the result of widespread comment relative to the governor's plans to run for re-election.

Aiken says: "I'm not running for or from anything."

Should Aiken run it would be the first time that the school teachers as a group have entered the political field with a candidate and a platform of educational improvement and teacher-pay-raises.

Speaking of candidates, the Rev. T. E. Womack of Austin, a campaigner for the office of Lieutenant Governor in 1952, now has the police searching for two men who robbed him of \$255.

Hijackers held up the 61-year-old negro preacher on a lonely road outside the capitol city. They helped him start his stalled car, then pulled a pistol on him.

Dr. Geo. W. Cox is calling upon the public to aid health officials in improving sanitary conditions in public eating places.

Public reaction could be one of the most forceful influences in effecting adherence to health regulations, the state health officer contends.

Cox asks that the public observe unsanitary practices and express un-

all that we hold dear in this country.

In the past world conflicts, we have had allies who held off the enemy until we gained strength—until we produced the necessary items for war. In these times, in spite of all efforts to bolster the defenses of former allies, and even former enemies, against our present day menace, we are not at all assured that they would stand for any length of time. In fact, there is reason to believe that some on whom we should be able to depend, would not stand at all.

It leaves us little choice, unless we are willing to take the greatest risk ever taken by our Nation.

Officials of the Atomic Energy Commission and members of Congress on the Joint Committee handling matters connected with Atomic Energy, have recently told the American people that we can be assured the United States will keep ahead of Russia in Atomic bombs. What consolation is this? If we have ten thousand bombs and Russia has one thousand, where is the advantage if Russia destroys us with her one thousand?

I find no comfort in the words of these officials. World peace is the only solution, but it is hard to reason with a mad dog in the hot sun.

**SABANNO NEWS**

By Mrs. Edwin Erwin

Everyone is certainly enjoying the cool weather. It is quite a change from the sweltering weather we have had the past summer.

The following were visitors in the W. E. Lusk home Wednesday: Mr. and Mrs. C. B. Lusk and children, Abilene; Miss Ruth Lanham and her mother, Mrs. Wynona Lanham, Cisco; Mrs. Parvin, Los Angeles, California; Mrs. E. L. Loudder, wife of the late Dr. E. L. Loudder of Leuders. The latter two women are aunts of Mrs. Lanham and old friends of Mrs. Lusk.

Mr. and Mrs. Dan P. Kennedy and children of Mercine, Arizona, were week end visitors in the home of Mr. and Mrs. J. C. Hefner.

Misses Louise Falkner and Patsy Cumba gave a weiner roast Thursday night at the home of Mr. and Mrs. L. E. Cumba. Quite a large group of young people attended.

Mr. and Mrs. Robert Meador visited with Mrs. Jimmy Meador Saturday.

Mrs. Wortiss Erwin had her mother, Mrs. D. C. Larkin, with her over the week end.

The regular meeting of the Busy Bee Club was held at the home of Mrs. Charlie Goleanor Wednesday of last week. Twelve women were present and one quilt was completed. Delicious sandwiches, punch and cookies were served.

Sally Roady has been staying with Betty Meador during the past week.

Mr. and Mrs. L. E. Cumba and Mr. and Mrs. Earl Cumba and children are spending their vacation with relatives in the Valley.

Mr. and Mrs. H. J. Lane of Carbon visited Mr. and Mrs. Sarge McCann Friday.

Billy Jack Harris and Miss Ruth Wiley were married in the home of Mr. and Mrs. Harris Friday evening. The couple returned to Abilene shortly after their wedding where they will make their home.

We were all happy to have Bro. and Mrs. Collier back with us Sunday. We have missed them while they were away holding revivals.

Some of the people of the community have received word from Mrs. Edwin Erwin that she is enjoying her stay in Kansas very much.

Mrs. Howard Coburn recently visited her daughter, Mrs. W. F. Dolenger, and family in Fort Worth.

Mr. and Mrs. W. C. Hutchingson of Leakey and Capt. and Mrs. Max McClure of Webb Field, Big Spring, visited the Robert Cunninghams and members of the Baum family here over the week end.

Mr. and Mrs. Elmer Peavy left Tuesday morning for a months vacation in California and other western states. They were joined by Mrs. Johnnie Breeding of Lamesa and an aunt of Mrs. Peavy's at Bovina, who will make the trip with them.

Mr. and Mrs. Homer Watson and children of Iraan spent the week end here with Mrs. Watson's father, Rev. C. Y. Butler, and on Monday the Watson family and Rev. Butler drove to Waco to visit for a few days with Mrs. Butler, who is a patient at Providence Hospital.

Mr. and Mrs. Walter Odell and family and Bro. Dan Ganes had Sunday dinner with Mr. and Mrs.

price 53 cents, effective parity price 58.4 cents, or 91 percent of parity.

Last week the daily papers and news services of the state carried a report from Houston's sixth annual marketing school. At this meeting, a spokesman for a leading cattlemen's association said price supports would be ineffective "because cattle are now selling at 90.1 percent of parity."

This sort of off-the-cuff use of figures has hurt the stockman's chances many times in the past when consideration of Congress or Washington agencies has been sought by the cattle producers. This gentleman may have been speaking in good faith, but he certainly gave the foes of the cattle producers some ammunition with his mis-statement of the facts.

The fact is that cattle and calves, at 78 and 72 percent of parity respectively, are bringing an average 75 percent of parity. With high support prices on feed ingredients and grains, the production of beef is still a hazardous business.

Monday's cattle run was big, over 131,000 at 12 major markets, over 7,000 above a week ago. The calf run of over 17,000 was 3,000 above a week ago. Hog receipts were light at all points. Western markets such as Denver and Omaha reported big sheep runs, indicating the fall run of Western slope sheep and lambs was under way. This hurt prices around the circuit, too.

At Fort Worth, good and choice fed steers and yearlings, cows and bulls were fully steady. Grassy steers

and yearlings 50 cents lower. Fat calves 50 cents, spots \$1.00 off. Stocker trade was very dull, and prices weak to \$1.00 or more lower.

Good and choice grain-fed beefs \$13.00-24.00, some Haskell County steers of over 1,000 lbs. at \$24.00. Common and medium grassers \$11.00-16.05; cutter grade yearlings \$8.00-10.00. Fat cows \$9.50-12.00; and canners and cutters \$6.00-9.50. Bulls \$8.00-12.50.

Good and choice fat calves \$13.00-17.00, common and medium \$10.00-13.00; culls \$7.00-9.00. Good and choice stocker steer calves \$13.00-17.00; stocker yearlings \$10.00-16.50; stocker cows \$8.00-13.00.

The hog market, aided by light receipts, was strong to 50 cents higher at Fort Worth Monday with top hogs at \$25.50. Good and choice 185-250 lb. hogs \$25.00-25.50; sows \$19.00-22.00. Lighter and heavier butchers \$22.50-24.75. Pigs \$19.00 down.

Slaughter lambs were weak to 50 cents or more lower. Other sheep and lambs steady. Good and choice fat lambs 17.00-20.00; cull, common and medium grades \$10.00-16.00. Stocker and feeder lambs \$12.00-15.00. Yearlings \$10.00-16.00.

Old wethers \$7.00-10.00. Slaughter ewes \$5.00-6.50; old bucks \$2.00-2.50. Solid mouthed ewes \$7.00-10.00.

Mr. and Mrs. Fred Stacy and Mr. and Mrs. Rufus Renfro and daughter were in Brownwood Sunday afternoon to visit with Mrs. Joyce Rudloff, who is recuperating in Medical Arts Hospital following surgery.

Mr. and Mrs. Tom Cox and Howard Cox were in Gorman Sunday to visit their brother, O. J. Cox, of Sidney who is a patient at Blackwell Hospital.

John Falkner of Fort Hood and Riley Falkner of Abilene spent the week end here with homefolks.

Mr. and Mrs. G. R. Fomby and Mr. and Mrs. L. A. Kirksey and daughter of Brownwood were visitors in the O. B. Edmondson home Friday. Little Miss Judy Kirksey spent the week end with Eddy Don Edmondson.

Vondel Hutchins and Mrs. B. E. Pillans and Glenna Ray of San Antonio visited friends and relatives here over the week end.

Mr. and Mrs. L. B. Shelton and son, Pete, of Houston were visiting the family of Mrs. J. C. Foster Saturday and Sunday.
