CARD OF THANKS

A big "Thank You" to the Cross Plains Volunteer Fire Department. On Tuesday, the 9th of January, we called for help to bring under control a pasture grass fire ((and we are 13) miles from town). Within a few minutes the fire truck arrived manned by three volunteers who quickly, efficiently and cooperatively brought the fire under control, with some help from a Baird, Texas, unit that arrived a little later.

Those fire departments are some of the greatest assets we have, but do not appreciate enough. Just wait until you really need them, then you'll know what we mean. They need and deserve the full support of every

citizen in the community. A special thank you to James Oscar Koenig, Mike McClure and Vaughn Pirtle who responded to cur call and need.

Hi folks. Oh boy wasn't it nice to have a clear Sunday even if it was cold (10 degrees at our house) where we could all go to church again. I mean of course those who didn't have colds, flu or some virus bug. It was so good to see so many able to be at church, almost like a reunion. Isn't it odd that if we have two weeks of bad weather that keeps us house-bound it seems like two months. I just don't know why, guess we are all Texans at heart and feel "don't fence me in" or "give me the wide open spaces." Oh well we enjoy the sunshine more don't we?

O.K. folks here it is the third Friday of the month which means musical night at the Cottonwood Community Center so you'll come, a place to relax and enjoy yourselves. Do come early and have a snack supper with us. There is always sandwiches, pies and cakes, coffee, tea and other drinks, opp-the soft kind, ha ha, and no alcohol please.

Visiting in the Ethel Anderson home Saturday were her cousin, Mr. and Mrs. Bart Frazier of Cisco and spent the night with her. Friday Ethel visited Mrs. Myrick at Cottonwood. She carried sandwiches and they enjoyed them together. Sunday Mr. and Mrs. Tommy King and children and the Darwin Andersons visited with her.

Visiting Curtis Brothers last week were his brother, Mr. and Mrs. Victor Brothers who is spending a while at Cisco where Mrs. Brothers is taking treatment from a doctor there. Also a sister of Curtis, Mr. and Mrs. H. N. Falkner of Cisco visited them. Other visitors were Lucille | if the judicial and court sys-Clark and Marie Fletcher o' Cottonwood.

Mrs. Shirley Winslett and daughter Linda Klingler left last Wednesday for California to visit their folks who still live there.
