"It will help cut down on time required by the worker, and will eliminate the need for second calls," the three officials pointed out. They also explained that they realized that in some cases that would

not be possible, and some sec-

Cross Plains Area United Fund supports six deserving charities, and two local programs for the less fortunate. The \$4,000 budget, as adopted by directors earlier this year, was apportioned as follows: West Texas Rehabilitation Center \$1,300, M. D. Anderson Hospital Tumor Institute \$700, American Red Cross \$200, Salvation Army \$200, Texas Mental Health Association \$100, Southwestern Diabetic Foundation \$200, Christmas Cheer Program \$300, local and transient relief \$600, and unallocated funds \$400.

It is explained that the Callahan County Red Cross Unit needed only \$70 from Cross Plains for its budget this year, and requested that the remaining \$130 allocated to it be rechanneled into local programs carried on by the United Fund. Directors have agreed to do as requested by County Red Cross Chairman L. C. Cash of Baird.

When The Blind Lead The Blind

(Matt. 15:14)

I will emphasize now that proof of the third person in the

Godhead; in no wise depends on what one believes or disbe-

lieves about the narrative of Genesis chapters eighteen and

nineteen. The fine points of the narrative are being brought

out only to enhance the study of the Holy Spirit. In chapter

one, verses twenty-six and twenty-seven, and chapter eleven,

verses seven and eight of this book; there are expressions

similar to those we are examining in chapters eighteen and

At least two things pose a problem when believing that two

of the men in these chapters were only created spiritual be-

ings, known as angels. One of these problems was dealt with

in part, in last week's study. That is: the three spoke as one;

or equals. Even after two of them departed; the one with

whom Abraham reasoned, continued to include Himself in the

actual work of their announced mission, (18:21, 26-33). There

is no Bible record where angels are spoken of as being equal

with God. The writer of the Book of Hebrews states that "ALL

the angels of God worship Him" (Christ), (Heb. 1:6). Would

Then problem number two: Twice the two called angels

were bowed down to, (18: 2; 19:1). If this be construed to be

worship as is indicated by verse three of chapter eighteen.

(I am convinced it was); then they were not only angels; fo

angels have consistently refused to allow man to worship

them (Rev. 19:10; 22:8, 9). The same two called angels (19:1)

are called men (18:2, 16, 22); therefore, the entire context

of both chapters must be given proper consideration for a

proper conclusion. There is no problem with (19:13) when

we remember that other scriptures clearly state that both

Christ and the Holy Spirit are sent from the Father at His will (John 14:16; 16:26; 17:3). I have every reason to believe

that this is the one recorded instance where the entire God-

head (Father, Son Holy Spirit) appeared in Angelic form which

resembled man. Believe what you will, and yet there is much

more evidence to prove there are three persons in the Godhead.

In 1803, America found herself up the river. The Mississippi, we made the purchase. And doubled our size overnight.

Valuable goods were being produced in the Midwest, and the mighty Mississippi was our only link to the sea. But the outlet in New Orleans belonged to France.

So President Jefferson sent agents to Paris to negotiate for

And that included what is today

Arkansas, Missouri, Iowa, North and South Dakota, Nebraska, Louisiana, Oklahoma, most of Minnesota, and parts of Wyoming and Colorado.

By Mrs. A. C. Halsell

This will not be a continuation of my last column, as I stated when I wrote. I am substituting for another writer, who is unable to write due to unavoidable circumstances.

When I was called, I was reading a book which I intended to finish before retiring tonight. It is just that mind-gripping. It is entitled, "Soon Coming World Shaking Events," published by Christian Missionary Society, P. O. Box 4097, Phoenix, Arizona, John H. Sarritt (Pres.).

We know that much rhetoric is coming to us from all types of media, so much so, that we become critics and do not accept much we read and hear. Due to the world-shaking events we are experiencing, and the reference made to end-times in the Bible. the book is timely to read and maybe reread. It is enlightening. It will make one think, in the way of a climax to the unusual economic, political and! religious (irreligious) conditions we find ourselves in. The emphasis in all the book, is "God" has promised reward for the righteous, (both individuals and nations), and condemnation to the unrighteous; so it will be.

The book is, among many things; an evangelistic message to all the world (and especially America) before it is too late. According to this author, we are down to the individual, when it comes to changing for the better. Nations have determined their own fate, because God does not change. There is time, yet for individuals to experience the rebirth and escape the coon-coming wrath of God. Read
