When The Blind Lead The Blind

(Matt. 15:14)

Because of the overriding need to teach the truth of God the most effective way possible, anything that is a stumbling block to those who want to learn the truth, must be removed if at all possible. In the past week I was made aware of the need to do some explaining, which hopefully will remove a stumbling block. Especially for the serious, earnest seekers of God's way of life. After which the study of our subject will be resumed.

Besides the above explanation, I will make a few observations of Mr. Jackson's statements in his last article; then after attending to the above stated need I shall simply teach "God's righteousness" the "Truth that makes man free" and all his ridiculous claims will be answered with the harmonious reve-

lation of God in His Holy Word.

Mr. Jackson, I too would hate to be ignorant enough to think that Pentecost started in 1899. Twisting and wrestling statements and their meaning, in and out of the Bible seems to be a habit with you. Be honest ad read my article again to see what I did say. You are right to say in your article "Our Church", for it belongs to the people who claim it. I don't have a church. I am a member of the Lord's church which He said "I will build" (Matt. 16:18); which He "Purchased with His own blood" (Acts 20:28); which is the "Pillar and ground of the truth" (I Tim. 3:15); which He shall one day return "And receive you unto Myself" (John 14:3); and "Then cometh the end, when He shall have delivered up the Kingdom to God, even the Father;" (I Cor 15:24). The same Jesus said "baptising them in the name of the Father, and of the Son, and of the Holy Spirit;" (Matt. 28:19). Who also said, "All manner of sin and blasphemy shall be for given unto men: but the blasphemy against the Holy Spirit shall not be forgiven unto men....neither in this world, neither in the world to come"

Mr. Jackson, whether it is spoken in the Patriarch dispensation; Mosaic dispensation or Christian dispensation; truth never changes (Heb. 13:8; Rom. 15:4). Only order of dispensation of service before God, has unfolded through the ages as God's scheme of redemption for lost mankind; we live in

the last one. (Heb. 9: 26, 27).

One other thing Mr. Jackson; find the word Pentecostal in the Bible for me, then please point out where it is used with the word church, in the Bible also. For the benefit of others the word Pentecost, an adjective denoting fiftieth, used as a noun, with "day" understood, appears three times in the New Testament only, (Acts 2:1; 20:16; I Cor. 16:8).

INTRODUCING THE . . .

ASSEMBLIES OF GOD

PEOPLE! That's what Christianity is all about - people experiencing the presence, power, and purpose of God.

And people are what the Assemblies of God is all about too, people serving people in: a local church in your community, a mission on an Indian reservation, a center for drug addicts in the inner city, a hospital in India, an orphanage in Egypt, a Bible school in Portugal, and many other places. In short, the Assemblies of God is people working together to spread God's love in the world.

This kind of sharing was the mission of Christ's church when it was born in the outpouring of the Holy Spirit recorded in the Book of Acts. Since then, God has continued to breathe fresh life into the Church and to renew its purpose through different times of revival.

The turn of this century marked the beginning of such a renewal. Called "Penecostal" because it emphasizes the power and operation of the Spirit described in the Scriptures and first recorded on the Jewish holiday of Pentecost, this revival

continues today with growing inensity. The General Council of the Assemblies of God, largest of the modern Pentecostal groups, was formed in 1914. About 300 ministers and laymen, meeting in Hot Springs, Arkansas, organized a cooperative fellowship of ministers and churches, independent in operation but united in ministry. Their aim was to maintain the revival and carry out God's work most ef-

Today, there are over 9,000 Assemblies of God churches in the United States with over one and a quarter million members and adherents. Worldwide constituents number six mil-

Almost 1,200 Assemblies of God missionaries serve with some 23,000 national workers in nearly 100 countries.

Our international radio broadcast, "Revivaltime", can be heard 664 times each week on stations around the world, and a television ministry, "Turning Point", has recently been introduced. The "Pentecostal Evangel", our official publication, goes into 250,000 homes every week.

All together, the Assemblies of God is people, working to deliver God's message of salvation, peace, and happiness to every individual.

We welcome you to our services where you will find an informal but fervent worship. Music, prayer, and praise are vital, and preaching of the Bible is emphasized in every

Come worship with us. After all, we're not strangers! We're only friends you haven't met!

We believe . . .

We believe the Bible is God's Word, His message to every individual. It teaches that all of us have sinned and need God's forgiveness and the new life He gives to everyone who accepts His Son, Jesus Christ, as personal Saviour.

We believe it is God's plan for every Christian to receive the baptism in the Holy Spirit. This New Testament experience is evidenced, first by speaking in tongues as the Spirit gives utterance, and, finally, by the spiritual power to witness and to live the full, happy, and godly life outlined in

We believe God cares about all our problems, including physical ones, and through Christ's sacrifice, He provides healing in answer to believing prayer.

We believe, as a climax to God's dealings with humanity, Jesus Christ is coming again for those who trust and serve Him. If you would like to meet people who really care about you, just visit or call:
