Hi folks. What a fine morning (Monday) we have. It is nice for my walk and a good day to start school. My youngest grandson, Calvin Lewis, starts kindergarten today. Gee, I'll miss him running in and out. Well the weather forecast calls for thundershowers first half of this week, but they are a wonderful help. Saves watering gardens and yards. We had showers last week, but not as much fell here as there was in town. Of course those who had hay cut or fruit out drying weren't so happy. Oh well, even God can't please everyone.

EXCITING RFM 7800 "TOUCH" CONTROL IMICIOWAVE WOVEN

It's so easy it makes cooking a joy. With a touch of your finger, you tell the RFM7800 exactly what to do and it remembers. Naturally, it cooks by time. Just set any combination of 4 cooking cycles - including defrost - and it does the rest

Or if you'd rather cook to the temperature of MEAL SENSOR* probe, no problem. Just set any of 9 different pre-set temperatures, and the oven cooks your food until the probe senses the selected temperature.

But what's really beautiful about the RFM7800, is its ability to cook to a selected "serve time." All you do is tell it how long to defrost, and cook, and when you'd like it ready. An end-of-cooking signal sounds when the pre-set "serve time" is reached. All this and a choice of ten cooking powers. A digital MEAL-TIMER* clock. The Whirlpool Micro Menus cookbook with recipes tested and approved in conjunction with Better Homes & Gardens Test Kitchen. And a Cooking School class to show you how to make the most of it all.

Ex-Pioneer Family Has Nevada Reunion

The first weekend in August was a happy one indeed for the descendants of Finis and Maude (Erwin) Marshall, formerly of Pioneer. The family gathered together at Davis Creek Camp, south of Reno, Nev., along with their children, grandchildren and a few friends, totaling about 50 persons. They spent a delightful time together visiting and catching up on all the news.

It was the first such get-together of the family in 12 years with all seven of the Marshall children attending. Their names are as follows: Mrs. Wiley (Lera) Phillips, Amarillo, Texas; Earl Marshall, Odesta: Mrs. Lucille Chambist Reno, Nev.; Mrs. Jack (Beki) Munger, Norwalk, Calif.; Mrs. Harold Wanema) Keeton, Fort Worth; Mrs. Robert (Lexie) Porter, Westminster, Calif., and Mrs. Jim (Doris Jean) Talcott, Santa Ana, Calif.

The elder Marshalls, both deceased, are buried in Odessa, where they made their home for some years after leaving the Pioneer area.

The family would like to send its greetings to all friends and relatives (Marshall or Erwin) who receive the Cross Plains Review. To those with whom contact has been lost, the family would love to hear from you. Please direct any responses to: Mrs. Wiley Phillips, 2111 N. Roosevelt, Amarillo, Texas 79107.
