#### Rain Shower Friday Slows Grain Harvest

Cross Plains and area was favored with more rain last Frida and into early Saturday morning slowing small grain harvest and peanut planting but otherwise aiding agricultural outlook.

The rain showers measured 1.25 inches in at least two gauges in the city. Alton Tatom got 1.50 inches at Atwell and midway between here and Cottonwood M. F. Dill gauged 1.65.

High humidity and the rain held harvest to a creep during the past week. Some fields are reported to be getting weedy, but wheat is still standing well in most patches. Market had improved to ber one wheat was bringing \$3.35

the crop has been harvested.

Latest rainfall brings to 1.30 inches the moisture received in June to mid-afternoon Tuesday and the year's aggregate at that time was 14 inches.

#### HINTS FOR ADVERTISERS

When you next call The Review, 725-6111, to place a classified ad, remember that words are your business. Words properly put together in an ad mean more phone calls and more sales for you. Follow the rules below and get more and faster results.

1. Put in the address

Many out-of-town readers will write you, but will not spend money for a long distance call.

Many readers will call you but will not find it convenient to come to your home or business.

2. Put in the phone number

3. Avoid use of blind boxes Avoid them if possible. They are difficult to

answer and people prefer to deal directly. 4. Put in the price, by all means

Surveys show that many people will not answer an ad unless the price is given. 5. Keep the readers from guessing

On important details it is better to include them if they are relevant to a sale.

6. Be available If you advertise your phone and address, be sure you are not absent when the ad appears so as to accommodate the reader.
