## Austin Man Thanks Local People For Help Provided

Editor's Note: Following is a letter received by the Review last week from James L. Arth of Austin, who is lauding Cross Plains and some of its people for the kindness and consideration shown him when he had car trouble here recently. His letter follows.

Dear Editor:

"I was passing through your city on March 30, 1981 when my fuel pump went out on my car. It was about 7:00 on a Friday night and naturally all of the service stations were closed. I don't think I could have been more fortunate to have my car break down in Cross Plains. Three of your citizens were of great help to me and I would like to thank them publicly.

"Mr. and Mrs. Jim McBride let me use their phone and wait at their house for friends from Abilene to pick me up.

Mr. McBride also diagnosed the problem with my car. Then on the following Tuesday when I was finally able to return with the needed parts (I have a foreign car and had to get the parts from Austin) the gentleman who runs Dillard's Texaco (Mr. Dillard, I presume) replaced the parts at a very reasonable rate. He had to stay long past his 6 p.m. closing time and miss a hot dinner.

"For all of these considerations I am deeply appreciative. My father was in the Air Force for thirty years and we have lived all over the country, but nowhere are the people as friendly as in west-central Texas. Thanks for proving that there are still people in this world who will go out of their way to help a total stranger. I am

Sincerely yours,  
s/ Jim Arth

By Beverly Brown  
We will miss our dear friend and Cottonwood news reporter, Mrs. Alice Champion. Alice passed away early Tuesday, April 7, 1981, and was laid to rest Thursday afternoon in the Cottonwood Cemetery.

Alice has been writing the local news column for several years and her style was unique and will be greatly missed. Every day was beautiful, regardless of the weather conditions, for the Lord blessed each one for her. Her courageous fight through her illness will be a memorial to all of us to strive and live it each day to the fullness intended.

Our sincere sympathy to the family and relatives is expressed in their loss. In summary to our beloved friend, "God took home this special flower to place in His heavenly garden."

On Easter Sunday, April 19, a special Easter cantata will be presented in the Cottonwood

Baptist Church under the direction of Jerry Lewis, music director. The Sunday evening services will be presented by Jerry and Sharon Lewis. This will be their farewell services. The family, Jerry, Sharon, Jamie and J. J. will be living in Lakeview where he has taken the music director's post of the Baptist Church there. All their friends are cordially invited to attend these inspirational services. A farewell reception will be held in the annex building following the 7 p.m. services for the family.

Mrs. Dixie Coffey has been in Abilene and Baird on business this past week. She went to Abilene one day to have her eye glasses fixed, that night the nose-piece fell off and nothing to do but return the following day to have that taken care of. Our glasses are one thing we can't do without, some of us anyway.

## Favorable Peanut Bill Clears Initial Hurdle

According to Ross Wilson, secretary of the National Peanut Growers Group, a peanut bill prepared by Congressman Charlie Rose and strongly backed by the National Peanut Growers Group was favorably reported by the House Agriculture Subcommittee for Tobacco and Peanuts, chaired by Rose on April 8.

The bill would extend the present two price systems with allotment and quotas for the period 1982-1985. The proposal calls for a quota support rate in 1982 at the national average cost of production, but not less than \$631 per ton to be adjusted in 1983, 1984 and 1985 to reflect increased production costs. The measure also would modify several existing program provisions to improve their operation at the farm and market level.

The bill had strong bi-partisan support of all Subcommittee members. A bill draft was submitted by the Department of Agriculture to the Subcommittee prior to the April 8 session, but the major program changes proposed in that document were rejected by the Subcommittee.

The USDA recommendations call for abolishment of peanut acreage allotments in 1982, reduction of farm poundage quota by 10 per cent each year, transfer of farm quotas by sale and lease within states, elimination of deadlines for contracting additional peanuts and would provide authority for any grower to contract with handlers for delivery of additional peanuts for both the export and domestic edible markets.

The bill must now be considered by the full House Agriculture Committee. The measure will probably be presented to the Committee early in May. Senator Jesse Helms, Chairman of the Senate Agriculture Committee, introduced his farm bill in the Senate on April 7, including a peanut section similar to the bill reported by the House Agriculture Subcommittee. Deliberation on the Helms' bill and the Administration farm bill are expected to begin in the Senate Agriculture Committee the last week in April and will continue for an extended period. A specific date for Senate Committee action on the peanut section of the farm bill was still pending at press time.

Cross Plains Buffalo golf team nosed out Gorman by three strokes to take second in district competition to qualify for the regional tournament.

That meet will be held at Maxwell golf course at Abilene April 30 and May 1. Eula won the district championship with a 387 team total, compared to the Buffs 402. Kirby Stevens led the team with a 94, followed by Randy Huffman 95, Richard Clark 98 and Joe Holland 115.

Athletic Director Mickey Huffman said, "Outside the team's 34 penalty strokes for out-of-bounds infractions, we could have walked away with district honors. In the next two weeks these young men will work on keeping the ball in play. If they can do this, the team will have a good chance to advance to the state tournament at Austin."

He continued, "I'd like to thank Lakewood Recreation Center for allowing our young golfers to use the course for practice anytime. This is the kind of community interest that helps in building the program at CPHS."

## Wheels For Life Bike Ride Fights Childhood Cancer

Cross Plains Bike-A-Thon Chairman Larry Melson has asked Cross Plains and surrounding community residents to participate in the St. Jude Children's Research Hospital "Wheels-for-Life" Bike-A-Thon, Saturday, April 25, from 9 a.m. to 12 noon at the Little League Baseball Park.

Volunteer workers and riders are needed for the bike-a-thon

to raise funds for the world famous research center and its battle against childhood cancer and other catastrophic childhood diseases.

Melson said this year's ride is being dedicated to Terry, a leukemia patient at St. Jude. "By riding for Terry, we'll really be helping all stricken children since research is the only way these illnesses can be conquered," Melson said. "We're looking for people who will contribute some of their time and energy to help children live. We really need bike riders, since they are the ones who can make this bike-a-thon successful."

In the bike-a-thon, riders enlist sponsors who donate a sum for each mile completed. Riders who raise \$25 will receive a St. Jude T-shirt, and those raising \$75 will receive a back pack said chairman Melson. We also are working on prizes for other riders. Sponsor forms are available at the following locations: Citizens State Bank, Dairy Queen, Justices of Peace office, Southern Savings & Loan office, and Western Auto.

"You can put your muscles to work for a child's life in this bike-a-thon," Melson said. "We need every bike and every rider."

Interested persons can contact Larry Melson, 725-7456, or 725-7389.

St. Jude Hospital was founded by entertainer Danny Thomas, and operates primarily from public contributions.

In case of rainy weather on the day of the bike-a-thon, an alternate day will be announced.

## Sabanno News Items

By Evelyn Coker

This reporter was very sad this week at the death of Alice Champion. Her Cottonwood News was my favorite of all. She always made it so interesting I always looked forward to reading it each week. She will be greatly missed not only by her loved ones but by her many friends in this area. It is always so hard to give up our loved ones, but as we all know this earth is only the stopping off place for a little while, 'til we can go on to the promised land.

Earl and Edith Coulter were overnight guests in the home of his sister and family, the L. J. Cokers, on Monday. They were on their way to Lorenzo. They had been visiting her mother, who lives in Mort, Texas.

Linda Strickland accompanied Valeta Brown to Brownwood on Monday where Valeta picked up their brand new Ford pickup; from what I hear they are really proud of the new addition to their family. Bet it cost more than Chris and Jody did when they joined the Brown family.

The Jack Rectors and J. R. Rectors, Sr., planted garden this Friday morning. They always have a beautiful garden and can a lot of delicious garden stuff. So much better than grocery store food.

Robbie Rector was a business visitor in Eastland Friday morning. She had as her visitor Mae Smith on Thursday.

Truett and Oddie Dawkins were down at their lake home on Lake Brownwood on Friday. Oddie said they were sprucing things up for some guests they were expecting from Alta Loma Texas, their nephew Robbie Joe Thate and a friend. The Dawkins were in Eastland on Wednesday.

The Busy Bee Quilting Club quilted on Monday and Tuesday. They had their husbands for dinner on Monday. Sounds like the husbands got the best deal, as I know they always have a lot of goodies. Just hang in there girls. I am going to make it to the quilting one day soon, I promise.

Mr. and Mrs. Golden Lawson have had their grandson, Brandon, from Carrollton. It is believed that Golden has been feeling some better. We hope for him continued good progress.

Jeff and Evelyn Coker were in Lubbock over the week end. His brother and wife from Dallas came by and they all went to help their sister, Mrs. Irene Howard, celebrate her 84th birthday.

I couldn't get my close neighbor, Mae Smith, on the phone, but know she is looking for her daughter, Barbara, and her husband in from Houston this week and she will be happy to have them with her for a day or so. So will try and catch you next week Mae. You know you could give me a call. All you guys help me out. I know how easy it is to put off, for I always did, too, but just a little help will make for a more interesting column. So till next time, make each day count and have a good one.

Edwin Erwin has advised that the Texas Highway Department has installed attractive signs on Highway 206 directing the way to the Sabanno Cemetery. Some time ago highway department personnel said they would provide and erect the signs, and they have now been placed, according to Mr. Erwin, who serves as secretary-treasurer of the Sabanno Cemetery Association.

"We wish to express our appreciation to the highway department for the signs," he said, "as it will make the Sabanno Cemetery much easier to find for those needing directions." A sign has been placed both directions from the Farm Road adjacent to which the cemetery is located.

Edwin also reports a recent \$25 donation to the cemetery maintenance fund. It came from Mrs. Finis Erwin, longtime resident of Early. The lady is well known here, and is currently moving to Albuquerque, N. M., to be with her daughter.

Others who wish to help with upkeep costs of the cemetery may send donations to Mr. Erwin at Route 4, Cisco, Texas 76437.

### Mrs. Roy Thornton Is Buried Monday

Funeral service was held at 2:30 p.m. Monday at the University Baptist Church in Abilene for Mrs. Juanita H. Thornton, 65, of Abilene, member of a pioneer Rowden sector family.

Mrs. Thornton died at 10:10 a.m. Saturday at her home at 1949 Portland after a two-year illness.

Officiating the final rites was Dr. Steve Lyon, pastor of the University Baptist Church, and the Rev. H. B. Terry, pastor of the Temple Baptist Church, assisted.

Burial was in the Belle Plain Cemetery under the direction of Elliott-Hamil Funeral Home, 542 Hickory, in Abilene.

She was born Jan. 7, 1916, in Baird. She grew up in the Rowden community and was married to Roy Thornton Nov. 20, 1942, in Abilene. They had spent most of their married life in Rowden, and lived in Abilene the last four years. She had been employed by Singer for 12 years, and was manager of Saybrook Fabrics for 18 years until her retirement. She was a collector of dolls and was a member of the Doll Club of Abilene. She dressed the bride doll that was donated to the Cattleman's Roundup each year. She was a member of the University Baptist Church.

She was preceded in death by her mother and father, Mr. and Mrs. N. B. (Effie) Holloway, a brother and a son, Marvin Bower, who died July 12, 1948.

She is survived by her husband; two daughters, Mrs. Don (Teeny) Wennis of Abilene, and Mrs. Jo (Anne) Harrison of Stamford; a son, Arvin H. of Rising Star; seven grandchildren, and six great-grandchildren.

Visiting last week with Mr. and Mrs. M. F. Dill were Donie McCowen, Duke Pierce of Big Spring, Granvel Pierce of Dallas, D. L.
