

"AS I SEE IT"

By Jack McCarty

For the first time in several weeks we have not received a threatening letter regarding our stand on S. F. (Fos) Bond, as a weather prophet. However, we had a new experience this past week when a man entered our office and boasted that he had journeyed all the way from Hamlin strictly to put us in our place regarding our treatment of his friend "Fos." This tough-talking, ugly old fossil was none other than R. V. "Bob" Teague, father of S. C. "Johnny" Teague of this city. After undergoing questioning by this department, he finally broke down and admitted that he didn't think enough of Fos to make the trip in his behalf, but since he was here visiting Johnny and wife, he decided it would be a good time to put us in our place and bring us up to date on the happenings here in by-gone days.

On closer questioning he finally admitted that he had his doubts about the ability of the man in question to forecast the weather, friends, dating back to their boyhood days in these parts. Teague stated that he lived in the Burnt Branch community from 1888 to 1906, when he moved, with his family to Hamlin. They returned to this community in 1941, but returned to Hamlin in 1945, where he and his wife have since resided. At the age of 78 he is as spry as many men 20 years younger and we thoroughly enjoyed our visit with him—especially the part where he paid up his subscription to the Review for another year. Pay us another visit, Mr. Teague, you'll be welcome anytime.

This writer was saddened this week when it was announced at the Wilson Cafe on Monday morning that soft drinks had advanced in price to 6c per bottle. The rising costs of production finally caught up with the manufacturers of these drinks and they are now in the class with the nickel beer, 5c cigar and the penny post cards and the kids of today will be forced to clip dad for an extra penny every time they buy a pop. The kids, too, are victims of inflation!

do you want to help a worthy cause? If so, drop around to the Howell Floral Shop next Saturday, anytime after 9:30 a.m. and purchase a pie or cake from the kids who make up the Westminister Fellowship of the Presbyterian Church. According to their sponsor, Mrs. L. A. Frazier, the ladies of the church are donating good, home-baked pies and cakes to the class to be sold to raise funds to send the members of the class to the Summer Conference to be held at Buffalo Gap during the month of July. Don't bake that cake or pie for Sunday dinner... save your time and energy and help a boy or girl go to this church camp in July!

The citizens of this community regretted to learn, Sunday of the past week, that Rev. and Mrs. Robert Walker had been appointed to the Mansfield church by the annual Central Texas Methodist Conference held at Waco the past week. Rev. and Mrs. Walker, familiarly known to their friends here as Bob and Wilma, have a wide circle of friends throughout this section, including members of all churches here, who wish them success and happiness in their new home at Mansfield. In the announcement from conference it was learned that Rev. C. Y. Butler, pastor of the Mansfield church the past year has been appointed to the pulpit of the local church, Rev. and Mrs. Butler are well-known in the Cisco District of the Methodist Church, having served the church at Rising Star in the '40's. Rev. Butler was raised in the Eastland area and is said to be very anxious to take up his new work in the vicinity of "Home." Welcome, Brother and Mrs. Butler and may you be happy with your work in our community.

County Commissioner Claud Foster announced this week that funds had been appropriated for straightening and improving Highway 36 from the junction with the Brownwood highway here through Eastland County, and surveying crews are expected to begin their work here in the near future. Commissioner Foster stated that he had not received word yet as to where the road would go, but it is thought here that the highway will probably be straightened from the highway junction at Lloyd Bryan's Service Station straight east to a point near Pioneer, leaving the business section of the city off the highway. This department would be heartily in favor of this program as it is our belief that transient traffic spends little in towns along the route, except for car service and (continued on back page)

Funds Appropriated For Straightening Highway 36; Surveying To Start Soon

County Commissioner Claude E. Foster announced the past week that he had received notification that funds had been appropriated by the Texas Highway Department for use in straightening and improving Highway 36 from the junction with the Brownwood highway here to a point east of Rising Star.

The announcement made no mention of the proposed route to be secured, but stated that surveying crews would start work here in the near future and the county and city were asked to be ready to secure needed right-of-ways.

It is the general consensus of opinion here that the highway will be routed due east from the junction of the highways in front of the Lloyd Bryan Service Station on South Main Street, to a point somewhere in the vicinity of the Pioneer community. This route would take the highway out of the business district here and would also do away with three bad curves and a narrow bridge. It is also thought that the highway will be straightened out through Rising Star, starting from a point some three miles west of there and running to a junction with the present highway about a mile and one-half east of the city. This route would by-pass the business district in Rising Star, it was pointed out.

Several narrow bridges on the highway between the two towns will also be replaced with wider, modern structures, it was thought, thereby doing away with some very dangerous hazards.

Mrs. W. M. Kirkham Buried Here Tuesday

Mrs. W. M. Kirkham, 81, passed away at her home in the southwest part of town, Monday morning, June 16, following a heart attack. Funeral services were conducted Tuesday afternoon at 4:00 o'clock from the Pioneer Methodist Church by pastor, Rev. Raymond Pape, officiating. Burial was made in the Cross Plains cemetery.

Mrs. Kirkham was born May 5, 1871, and with her family made their home in the Pioneer community for many years before moving to Cross Plains a year ago. Survivors include her husband, two sons, Jay of Cross Plains and Jack of Levelland; one daughter, Mrs. Berg of San Antonio; two brothers, J. M. and Bill McEachern, both of Fort Worth; five grandchildren and one great grandchild. Pallbearers were Eddy and Bill Graham, Parker Baum, E. L. Cowan, Jodie Fleming and Jess Filippin.

Higginbotham Bros. & Co. of Cross Plains were in charge of arrangements.

LT. E. I. VESTAL, JR. LEAVES FOR OVERSEAS DUTY

LT. E. I. Vestal, Jr. left Dallas Sunday for Seattle, Washington where he will be shipped to Korea. Lt. and Mrs. Vestal has spent the past several weeks here with her folks.

Mrs. Vestal will make her home with her parents in Fort Worth while her husband is overseas.

Mrs. W. W. Smith has returned from Odessa where she visited relatives.

Annual Burkett Homecoming To Be Held There Next Sunday, June 22nd.

The Burkett Annual Homecoming will be held this week end, Sunday, June 22, and plans are in their final stages. All committees have been working hard and things have shaped up in first class order.

From all reports this is expected to be the largest homecoming ever held here. Letters are arriving from all parts of the United States of ex-students planning on being here. Lunch will be served at the noon hour right after the local churches have dismissed services.

After the noon hour a program is planned with the main speaker, Captain Tom Laws. Capt. Laws is a former teacher in the Burkett school system and is now head of the Safety Division of the Highway Department of Texas.

This is going to be a real get-together for former students and we are looking for you. Be sure and plan to attend if it is at all possible, for your classmates will be here looking for you. Don't disappoint them or yourself. And to the local women, remember to all turn out and bring a well filled picnic basket so that we can have enough food for our invited guests.

Russell "Sonny" Wright Is Reported Improving

His many friends here will be pleased to learn that Russell "Sonny" Wright, son of Mr. and Mrs. George Wright of this city, is reported greatly improved and is thought to be out of danger now.

He was critically injured in a rig accident some two weeks ago and was unconscious in an Abilene hospital until Saturday of the past week. He is suffering from fractures of both legs, but according to latest reports from the hospital he is now able to take nourishment and can talk with members of the family.

Westminister Fellowship To Sponsor Bake Sale Here Next Saturday

The Westminister Fellowship of the Presbyterian Church will sponsor a bake sale here next Saturday, according to Mrs. L. A. Frazier, class sponsor. The sale is scheduled to start at 9:30 a.m. at the Howell Floral Shop on Main Street, it was said.

The announcement stated that the bakery products are being donated by the ladies of the local Presbyterian church, and the funds received from the sale will be used to help finance the costs of local boys and girls to the summer conference, to be held at Buffalo Gap during the month of July.

So, ladies, save yourself that hot job in the kitchen by purchasing your bakery products from the young folks of the Presbyterian church.

Local Soldier Returns From The Philippines

CLARK AFB.—Sgt. Robert C. Lane, son of Mr. and Mrs. W. C. Lane, recently left the Philippines following completion of a tour of duty with the U.S. Air Force.

Sgt. Lane, who departed from the Islands on board the U. S. Naval Transport General Morton, will report to the 2349th Processing Center, California, to wait for further reassignment orders.

A graduate from Cross Plains High School, Sgt. Lane joined the U.S. Air Force in May 1949. Before leaving for the Philippines in June 1950, he attended Aircraft and Engine Mechanic School at Sheppard AFB, Texas.

During his stay in the Islands, Sgt. Lane was assigned to the 24th Aircraft Repair Squadron, 6208th Depot Wing of Clark Air Force Base, located 60 miles north of Manila.

Mr. and Mrs. J. H. Balkum and Miss Alma Armstrong returned the first of last week from a vacation trip to Dallas, Arp and points in East Texas.

Mr. and Mrs. Henry E. Falkner and family of Oil Center, New Mexico spent the past week end here with homefolks.

Mr. and Mrs. F. L. Tucker and boys and Corporal and Mrs. Lee Tucker, all of Merkel, spent Sunday here in the home of their mother and grandmother, Mrs. Chas Taylor.

Country Club Members Urged To Attend Meet At Club House Thursday

Preston Mangum, President of the Lakewood Country Club has called a meeting of the club membership at the club house for tonight (Thursday) at 8:00.

Mangum stated that this is a very important meeting and urges all members to attend. Topic for discussion will be ways and means of securing water for the greens, it was said.

Mr. and Mrs. Eddie Graham are here from Lueders for a visit with relatives.

O. S. Cox of Sidney visited his brother, Howard Cox and family, Sunday afternoon.

Stephney Petty accompanied her father, Kenneth Petty, to Farmington, New Mexico Sunday where they will make their home. Stephney has been making her home here with Mr. and Mrs. A. D. Petty for the past two years.

Methodist Church Gets New Pastor In Waco Appointments

In the annual Central Texas Methodist Conference, held at Waco the past week, the Rev. Robert Walker, local Methodist pastor for the past two years, was transferred to Mansfield and Rev. C. Y. Butler, pastor there, was named to the local pulpit.

Rev. Walker has a wide circle of friends in this area who will regret to learn of the transfer. He and his family have made excellent citizens of this community and are held in high esteem by members of all churches of this area and the community's best wishes go with them to their new charge in Mansfield.

The church's new pastor, Rev. Butler and his family are not strangers to this area, having served as pastor of the Rising Star church for several years during the early '40's. They have a large number of friends in the Cisco District of the church who will be happy to welcome them back to this section.

Rev. R. V. Lindsey, pastor of the Burkett church, the past year, was returned to the charge for another year.

Yarborough To Speak Here Friday, June 20

Judge Ralph Yarborough, candidate for Governor, will speak at Cross Plains on June 20 in interest of his campaign for the governorship of Texas.

He will bring to the folks of this section his story, his aims and his ambitions when he is elected Governor.

Yarborough opened his state-wide stump speaking campaign in Athens with a speech before home folks in which he "rattled the bones of the skeletons in the closet of the present administration" as he put it. He told how the Governor had hedged about calling a special session of the Legislature when people demanded a change in the auto inspection law and charged that the governor was responsible for the state's "insidious attempt to grab county road building powers in the last legislature."

On his road trip through Texas, Yarborough has declared that there is "corruption" at the state level and pointed to a Travis County grand jury report to back him up. The grand jury said: "Testimony given before the grand jury would indicate... that often in the past no report for political reasons or otherwise has been made to the grand jury when obvious violations had been detected."

HOSPITAL NOTES

Mrs. N. L. Long was released from a Coleman hospital on Friday of last week after having had surgery. Mrs. Long is now at her home and is doing fine.

Mrs. J. C. Garrett was brought to the home of her son, Merlin, on Friday of last week from Hendrick Memorial Hospital in Abilene, where she had been since receiving a broken hip in a fall at her home several weeks ago. Mr. Garrett is reported to be making a satisfactory recovery.

Mr. and Mrs. Grady W. Ramey and children of Austin spent the week end here in the home of her parents. Mr. and Mrs. Richard Thompson.

Mr. and Mrs. Clois Clark and family of Pecos and Mr. and Mrs. Whaley Jackson and family of Sipe Spring visited their parents, Mr. and Mrs. Chess W. Barr, over the week end. They were in Brownwood Sunday afternoon to attend funeral services for Mr. Clark's sister, Mrs. Lavonia Campbell.

City Council Grants Rate Increase To Local Telephone Co.

In a display advertisement carried in this edition of the Review, E. O. Kizer, owner of the Kizer Telephone Co., here, announces that his company has been granted the right to raise the rates on telephone service here, effective July 1.

The increased rates were made necessary, according to Kizer, by the increased cost of operation. He stated that the new rates would only cost local phone users a few cents a day, and that approximately 90 per cent of the increased revenue collected by the company will be used to raise salaries of local employees of the exchange.

Kizer states in the advertisement that he will continue to expand and improve the telephone service here and is, at the present time, installing a new and modern switchboard in the local exchange.

He also said that long-range plans are on the drawing board and would be installed here as fast as materials can be secured. About \$5,000. worth of new cables are scheduled for delivery this fall, he said, and "would be strung as fast as possible."

He thanks the citizens of this community for their patronage and courtesies and pledges his best efforts toward giving the local phone users the best possible service in the future.

Former Cross Cut Resident Laid To Rest In Brownwood

Funeral services for Mrs. Loreta Lavonia Clark Campbell, 35, of Wink were held Sunday afternoon at 2:30 at the London & Burton Funeral Home Chapel in Brownwood. Burial was in Greenleaf Cemetery.

Mrs. Campbell passed away in a Kermit hospital Friday following a short illness.

She was born at Cross Cut, February 25, 1917 and had made her home in Wink for the past five years. She was a member of the Baptist church.

Survivors include her husband, C. F. Campbell; one son, Charles B. Campbell, Wink; two daughters, Linda Louise and Barbara Ann Campbell, both of Wink; her mother, Mrs. J. C. Clark, Cross Cut; three brothers, Claude Clark of Pasadena, Cicero Clark of Abilene and Clois Clark of Pecos; three sisters, Mrs. A. E. Wooldridge of Brownwood, Mrs. Billie Ruth Baum of California and Mrs. Frank Griffin of Wickett.

Cecil Barton Named On Honor Roll At Tarleton State College

In a news release from Tarleton State College, Stephenville, received here the past week, announcement was made that Cecil A. Barton, son of Mr. and Mrs. C. T. Barton of the Pioneer community, was listed on the school's honor roll for the last semester.

A copy of a letter sent him by Tarleton President, E. J. Howell read as follows: "Mr. Cecil Alvin Barton "Rising Star, Texas

"Dear Cecil: "I am just in receipt of the Distinguished Student Honor Roll from the Registrar of the College and note that your name appears on the list. To be eligible for this honor roll, a student must have completed during the semester at least fifteen credit hours and must have a grade point ratio of 2.25 or more with no grade below a "C."

"In behalf of the faculty may I take this opportunity of extending our congratulations to you upon the fine record that you have made during the preceding school session and to express a hope that you will continue this fine scholarship record in future school work. The record that you have made is one in which you should receive considerable personal satisfaction, and it is one in which the faculty is pleased to take notice."

"Sincerely, "E. J. Howell, President"

Mrs. A. D. Petty made a business trip to Baird Monday morning.

The Smith-Slaughter Post, Veterans of Foreign Wars, met in regular session at their club house in Pioneer Thursday evening of the past week to make plans and work out details for sponsoring the 67th annual Cross Plains Picnic, to be held at the City Park, July 4-5.

Dr. Calvin Gambill, chairman of the entertainment committee reported that arrangements had been completed for the carnival and midway attractions and the big show will move on location the afternoon of July 3. Noah Johnson, chairman of the committee on concessions reported that a number

of concessions had been allocated to local clubs and civic groups, but that there were still concessions available for any group wanting one.

The big parade, to be held at 10:00 o'clock Friday morning, July 4, will again be under the direction of C. H. Dawson, who reported that 31 local business firms had already pledged their participation with floats and decorated cars. Firms already signed up for the parade are: Hall Feed Store, Bryan Service Station, Central Cleaners, Higginbotham Bros. & Co., Piggly Wiggly, Bishop Chevrolet Co., City Drug Store, Coleman Furniture Store, Adair's Dry Goods, Western Auto Associate Store, Smith Drug Store, Citizens State Bank, Howell Floral and Gift Shop, Volunteer Fire Department, Aishman Feed Store, Cook Insurance Agency, Cross Plains Locker Plant, W. City Marshal Nabs Two Teenagers In Attempted Burglary

City Marshal C. E. Dawkins arrested two teen-age youths here Monday night, when he discovered them entering the Calhoun Motor Co., local Plymouth and Chrysler dealer, about midnight.

The youths are thought to be between the ages of 16 and 20 years. They were lodged in the city jail over night and were transferred to the county jail at Baird, Tuesday morning. Their identity had not been established at last report. Marshal Dawkins stated that the burglars gave three different names and addresses during questioning here, Monday night.

Dawkins said that he spotted the youths entering the building while he was making his midnight rounds of the business district and went to a local cafe and deputized several local men to aid him in capturing the youths. The building was surrounded and the burglars were ordered to come out with their hands up. Due to the fast action of the officer, the burglars had not stolen anything when they were captured.

Entrance to the motor company's building was made through two windows which the youths broke in the east side of the service department, it was reported.

Sheriff Joe Pierce stated that the youths had been charged with attempted burglary and would be held for action by the grand jury.

Mr. and Mrs. Pete Fore spent the week end in Grand Prairie visiting with her brother, Albert Harlow and family. Other visitors in their home were: Mr. and Mrs. Claude Turney and daughter, Harrison, Arkansas; Mr. and Mrs. Paul Harlow and family, Artesia, New Mexico, and Miss Vi Harlow of Dallas. The Fores returned home Monday night, accompanied by Jeanie Turney who will visit them for several days.

THE BAYOU PHILOSOPHER GETS A LITTLE SERIOUS, TELLS ARMY HOW TO RUN WAR PRISONER CAMP

Eidtor's note: The Bayou Philosopher on his Johnson grass farm on the Bayou is a little serious this week. It's probably the warmer weather we've been having.

Dear editar:

It's a long way from out here on the Bayou to Korea and hasn't anybody asked me for my opinion but it seems to me the men who have been supervising the prisoners of war on Koje Island never did get around to learnin a few basic facts about human nature.

The way to run a prisoner of war camp is the same as the way to run your own affairs, your own business, your own farm, or anything else. The way to run it is like you think it ought to be run, not like somebody else thinks it ought to be run.

Take a man here at home. If he's always wonderin how the next business step he takes is gonna affect somebody else, he's whipped to start with. The fellow that won't decide how much he ought to donate to the Red Cross or the church or anything else, the one who hedges and tries to find out how much somebody else gave so he can stay in line, ain't near as self-

During the meeting, Post Commander Ralph Pancake named the following committees to function: Decoration Committee: Noah Johnson. Parade Committee: C. H. Dawson, Clay Kinnard and Ralph Pancake. Entertainment Committee: Calvin Gambill and Jack McCarty. Publicity: Jack McCarty. VFW Float: Elmer Baugh, Clay Kinnard and V. A. Montgomery. VFW Concession Stand: Ira Calhoun and Junior Ford. Concessions: Noah Johnson and Hosea Weeks. Lighting Committee: Alex Shockley. Water Truck: Claud Foster.

The group voted to ask all members of the post to take part in cleaning up the location on Wednesday, July 2.

Cottonwood PTA To Meet During Summer

The Cottonwood Parent-Teachers Association voted to meet in regular session on the first Friday of each month throughout the summer.

The first meeting, after the close of school, was held on Friday afternoon, June 6, at 4:00 o'clock.

After taking care of all other business, members voted to call a special meeting for Friday, June 27, at 4:00 p.m., in order to discuss a special project which must be completed before the next regular meeting.

Members present were: Mrs. Norman Coffey, Mr. and Mrs. John Purvis, Mrs. W. A. Burton, Mrs. Talmadge Green, Mr. and Mrs. Bud Strahan, Mrs. Edgar Albrecht and Carl Halsell. Mrs. Halsell was also present as a visitor.

This is known as baloney. If the Communists want to do anything, they ain't never waited for an excuse. If there's anything they're good at it's manufacturin excuses. We could furnish those prisoners of war with Turkish baths twice a day and air-conditioned loungin rooms and four-bit cigars, and if the Communists wanted to mistreat American prisoners, them cigars and other things wouldn't have any bearin on it.

If the army wants my advice, it's treat the prisoners as well as possible, but forget about what somebody else is gonna think, and keep em in line. I don't reckon you got much circulation in Korea though and I doubt if this reaches em.

Yours faithfully, J. A.

Fort Worth.—Continuing slow demand for feeder cattle and the steady pressure on heavy fat steers all around the market circle during the past week was evident. Feeder type steers and yearlings weighing 600 pounds and upward were very slow and this type of cattle lost \$1 to \$2 at some of the Corn Belt markets last week.

A little bit of activity on contracting heavy grassfat steers for summer delivery has been reported around Fort Worth, however, in recent days. By contrast, the demand for good fat steers, especially the strictly good, choice and prime fat calves, has been very broad with small packers, shippers and large packers alike eagerly going for these at strong prices.

It has again put a premium on the creepfed calves this season. Some of the calves coming in to Fort Worth which have not been creepfed, are already showing signs of loss of bloom. Early movement of these choice fat calves, before the shrink hits them hard enough to cause loss of flesh, appears to be a good idea. This is especially true on the kinds of less than really choice breeding.

Comparative prices at the close of Monday's trade at Fort Worth were:

Good and choice fed steers and yearlings sold at \$30 to \$34.50, heavy steers stopping around \$33. Common and medium slaughter steers and yearlings sold from \$20 to \$29. Fat cows cleared at \$19 to \$23, a few heiferish kinds to \$23 to \$25. Canners and cutters sold for \$14 to \$19.50. Bulls brought \$18 to \$26.25.

Good and choice fat calves cleared at \$30 to \$35, while common and medium butcher sorts cashed at \$20 to \$29 and culls sold down to \$18.

Good and choice stocker calves cashed at \$32 to \$38, some extreme lightweights to \$40. Common, plain and medium stocker calves ranged from \$20 to \$30. Good and choice stocker steer yearlings sold at \$30 to \$34 and common, plain and medium sorts sold at \$20 to \$28.50 while heifer calves and yearlings usually sold \$1 to \$2 under similar steers. Stocker cows cashed at \$17 to \$24.

Good and choice butcher hogs closed at a top of \$20.75 to \$21. Sows ranged from \$14 to \$18, pigs cashed at \$14 to \$18. Stags drew \$10 to \$15.

Good choice fat Spring lambs sold from \$27 to \$30, cull, medium and common grades drew \$20 to \$27. Stocker and feeder lambs ranged from \$17 to \$24. Fat shorn old crop lambs and yearlings sold from \$22 to \$26 while stocker and feeder old crop lambs and yearlings drew \$12 to \$21, with a few yearling ewes to \$22. Old ewes cashed at \$7 to \$10. Aged wethers cashed at \$8 to \$13. Old bucks sold around \$8.

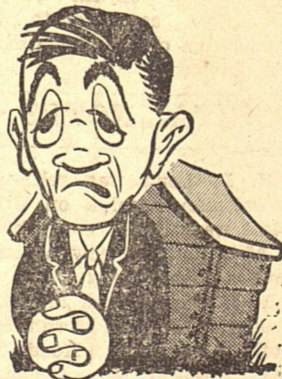

the interest of her health, has returned, much improved we are pleased to report.

PASTURE PRODUCED 126 POUNDS BEEF PER ACRE IN 98 DAYS

Beef by the acre! That's the new way of measuring the value of pastures where beef cattle are grazed. "I produced 126 pounds of beef per acre during a 98 day period," one farmer reported.

Another reported, "I produced 139 pounds of beef per acre on a Bermuda-buffalo grass pasture which was grazed for 11 months."

Still another said, "My pasture produced 160 pounds of beef per acre when I fertilized it with 400 pounds of 20 percent superphosphate to the acre."

Your County Agent can give you helpful information on improving pastures to get more beef per acre.

OMAR BURLESON MAKES STATEMENT FOR RE-ELECTION TO CONGRESS POST

Champ Clark, one of America's great statesmen, and former Speaker of the House of Representatives of the United States, said, "The truth is being more and more realized that, other things being equal or anywhere near equal, the value of the representative increases in proportion to his length of service. The best plan for a constituency to pursue is to select a man of good sense, good habits, and personal integrity, young enough to learn, and re-elect him so long as he retains his faculties and is faithful to his trust."

On this principal I base my candidacy for re-election to Congress. At the age of forty-six, I have now served the people of the 17th Congressional District for five and one-half years. My record is that of a conservative. It will show that I have opposed all trends towards a welfare state, which is another term for socialism. My record will show my opposition to any schemes towards socialized medicine, socialized agriculture, socialized housing, or control of the Federal Government over local government, over business, or over private lives.

Not only will my record show my opposition to these socialistic schemes, but it will also show my having opposed the present controls program, which has proved to be a treatment of the results of inflation, rather than the cause. I have authorized legislation which, if enacted, will decontrol many materials and commodities, including farm products and crude oil.

Certainly I am opposed to the inefficiencies of Governmental operation, of waste and extravagance, graft and corruption. In an effort to bring about greater efficiency and reduce the tremendous cost of Government, I have supported the Hoover Commission recommendations, except that which would create a Department of Public Welfare. More than half the Hoover Commission reports have been adopted, and it is hoped that at least 10 more will be approved before the end of this session of the Congress. It is estimated that between five and one-half and six billion dollars can be saved when the Reorganization Plans are put into effect.

A some of the leaders in an effort for greater economy, I have voted to cut more than six and one-half million dollars from the President's budget in this session of the Congress alone. All unnecessary spending should be eliminated by reducing the desirable as low as possible, and by scrutinizing the essential most carefully. Taxes have reached the limit of a healthy economy. The stability of our economy must be our first and foremost consideration to remain a strong nation and to be safe from forces both internal and external.

The national defense effort has received my vigorous support. At the same time, I have supported every effort to turn the spotlight of facts upon wasteful spending by the military, in an attempt to see that our money is spent wisely and that we receive value for our dollars.

I have believed that strength was the surest guarantee of peace. My efforts in matters relating to military preparedness and foreign policy have all been directed at one objective—a permanent and lasting peace.

In these years of experience, I have held that both labor and business monopolies should be subservient to the public interest. In voting for the Taft-Hartley Law, I supported the inclusion of labor unions in the Anti-Racketeering Act, to curb the power of labor racketeers and protect honest union members against high-handed methods of a few labor bosses and against Communist influence.

As your Congressman, I have been consistent in working for a sound farm program. The record shows my continuous interest in the betterment of rural living by working for fair prices for agricultural products, farm-to-market roads, REA services, and the protection of the farmer against bureaucratic controls, such as the Brannan Plan.

Most veterans are aware of my work in assisting deserving veterans in all their problems with the Veterans Administration. As a veteran of the last war, I have received great personal satisfaction in supporting, particularly, provisions for the disabled, their families, and the families of those who did not return from war.

Everyone is, of course, familiar with the fight to retain our Tidelands. As one of the authors of the measure to keep the Federal Government from robbing the State of Texas of its Tidelands, I have remained in Washington to lend every effort against the President's veto. In the future, I shall continue to fight for the fundamental principles involved in this action. I am for State's Rights in this and all other issues in which the question may be involved.

Highly important legislation is now pending in the Congress. There are measures which are likely to be up for action and vote in the next several days, such as the controls program, more Federal public

HEALTH NOTES

This is the season when an increase of undulant fever may be expected, according to Dr. George W. Cox, State Health Officer.

An undulant fever patient suffers from chilly sensations, or severe shaking chills, sweat, and high fever. The patient loses weight and becomes weak. If the illness is of mild type, the patient may find it hard to remain in bed, but if he tries to keep on with his work he finds he has not sufficient energy.

Symptoms often continue for a number of weeks before recovery occurs. Fortunately undulant fever has a low death rate. Body temperature may reach a higher mark each day than the day before for some time, and then gradually return to normal over a period of several days. Fever may be absent for some days and come back again in the same way as before, registering higher each day and then

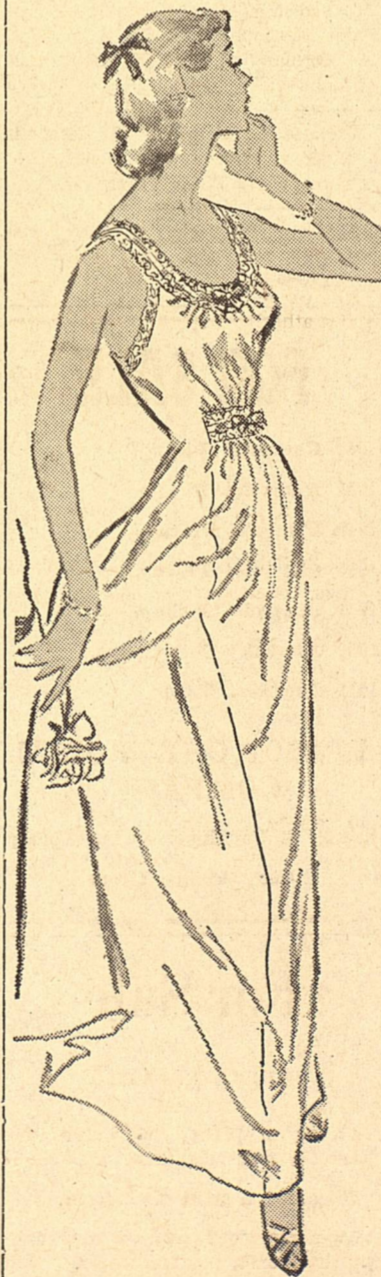

housing, a bill which if passed would threaten to nullify the labor laws of Texas, and other matters which vitally affect us all, directly or indirectly. I am opposed to these particular measures, and will be at my post of duty to vote against them. These and other highly important bills will keep me in Washington several more days, and I know that you want me to stay on the job. My attendance record in the Congress is 98%. Not once has Omar Burleson failed to cast his vote on important issues.

It is my intention to return home just as soon as I feel it possible to do so without neglecting my responsibilities. You sent me to Washington to represent you in the Congress. I would be doing less than my duty if I returned to campaign at a time when measures so vital to us all are pending on the legislative calendar.

In the meantime, I trust that you, my constituents, will consider that you have an investment in experience, which can only be attained by time. Evidently there are interests outside our own area which would like to see me removed from Congress, because they know I am independent and stand by my convictions. They know I cannot be controlled and that I will not yield to the pressures which are constantly bearing down. They cannot, however, successfully question my record or integrity, my conduct of your affairs, nor the devotion and faithfulness to the trust you have placed in me.

I shall ever be grateful for a continuation of your support. You can be assured of my loyalty to your confidence.

Sincerely yours,
Omar Burleson

Mr. and Mrs. Ray Plumlee and Pat Moore spent the first of last week with friends and relatives in Austin.

Mr. and Mrs. G. C. Evers and family of Dublin spent the week end here with homefolks. Billie Dale Strickland returned home with his aunt and family for a week's visit.

Mr. and Mrs. Newell Odell and daughter visited in Moran Saturday with his parents, Mr. and Mrs. T. J. Odell. Ronald, who has been visiting his grandparents for two weeks, returned home with them Saturday night.

Doris Jo Pyle And Burleson E. Staton Married Here June 7

Miss Doris Jo Pyle of Cisco and Burleson E. Staton of Lewisville were married at 10 a.m. June 7 at the Pyle farm, now the home of her brother, Earl W. Pyle, and Mrs. Pyle at Cross Plains.

After wedding music by Mrs. Annie Mae McNeel of Cross Plains, the double ring ceremony was performed by the Rev. Ralph Perkins, pastor of the First Baptist Church in Ranger, who was a former pastor of the bridegroom and a friend of the families.

White and pink gladioluses with greenery were used in floor baskets and mantel arrangements which served as background for the wedding.

Given in marriage by her brother, Earl Pyle, the bride wore a navy marquisette dress with full skirt over taffeta and a pink straw hat trimmed with veil and clusters of flowers around the brim. Her accessories were blue with pink nylon gloves. She wore a three-strand pearl necklace with matching ear screws, gift of the bridegroom, and a shoulder corsage of pink carnations.

Mrs. Staton holds a BA degree from Howard Payne College, and an MA degree from Hardin-Simmons University. She is the author of a book of poems, "Crushed Opals," published in February. She is the past president of Beta Upsilon Chapter of Delta Kappa Gamma, a member of Alpha Chi Scholarship society and of the Texas Poetry Society. For the past 10 years she has been in the English department of Cisco high school.

The bridegroom attended Howard Payne College and a business school in Dallas. At present he is employed at Tempco airplane plant in Grand Prairie and manages his farm near Lewisville, where the couple will live.

Alathan Sunday School Class Enjoys Social

Mrs. Lee Bishop was hostess to the Alathan Sunday School class at her home Monday night.

The class song, "Bless Be The Tie," was led by Mrs. W. A. Strickland. Mrs. J. M. Greenwood brought the devotional. Mrs. Mina Conlee gave the treasurers report. Mrs. Jeff Clark, president, conducted a short business meeting.

Names of secret pals were revealed and gifts exchanged by all members present during the social hour.

The hostess passed plates of cake and punch to Mmes. Jeff Clark, Merritt Dill, Earl Pyle, Eli Powell, W. A. Strickland, Exal McMillan, Emil Ringhoffer, J. D. Conlee, J. M. Greenwood, W. H. Coppinger and J. W. Chapman.

Jacqueline Webb of Burkett is spending this week with her grandmother, Mrs. Martin Neeb.

Mr. and Mrs. Bob Childress are visiting relatives in Stillwater, Oklahoma.

Cutbirth-Carnett Vows Read In Fort Worth

Miss Betty Sue Carnett, daughter of Rev. and Mrs. E. L. Carnett of Fort Worth, became the bride of Seale Tippen Cutbirth, son of Mr. and Mrs. Sam T. Cutbirth of Pierce at 7:30 p.m. Friday in the Travis Avenue Baptist Church, Fort Worth.

Wedding music was furnished by Miss Pat Foster, vocalist, and Mrs. Morris Erwin, organist.

The bride, given in marriage by her father, wore a white satin gown made with a lace kneelength overdress with long sleeves and an illusion yoke applied with lace.

Following a reception the couple left for Houston where they will make their home. The bride teaches in the Houston schools and he attends Baylor medical school.

In addition to the bridegroom's parents, guests included Mrs. W. W. Tippen of Rising Star, Mrs. Effie Egger of Brownwood, Miss Camille McCann of Lometa, Mr. and Mrs. Bill Tippen of Abilene, Jake Cutbirth and family of Houston and Mrs. H. A. Young and Mrs. Buelah Lucas, both of this city and aunts of Mr. Cutbirth.

SUMMER WEAR IS HARD ON CLOTHES

Dust and perspiration soon take all the life out of your light summer garments. In the extreme heat, they soon wilt and lose their shape and press. Frequent dry cleaning makes your clothes clean and fresh, and adds to their life by removing gritty particles and acid damage that is present in perspiration. Let us dry clean your clothes this week . . . and every week.

JIM SETTLE DRY CLEANING

We will be closed on Wednesday afternoons during the summer

Do It Now

Get those needed repairs made on your car now before the heavy summer driving starts. We have factory trained mechanics that are experienced in using the latest equipment and methods . . . and they know your car.

Avoid future costly repairs by catching trouble before it becomes serious. Look your car over and then drive in for a free estimate. You'll like our complete service.

THE CHRYSLER NEW YORKER CONVERTIBLE
(This body style also available in Windsor DeLuxe with Spitfire Engine.)
White side-wall tires at extra cost.

ITS ENGINE ADDS MUSCLE TO EVERY DROP OF GAS!

To many owners, the mighty 180 H.P. V-8 engine that powers the Chrysler New Yorker is the most remarkable feature of this remarkable car. It is certainly the most discussed automobile engine in many, many years.

This is the engine with hemispherical combustion chambers... the engine that gets more power out of every drop of gas. And non-premium gas at that!

Actually, it puts you in control of more power than you'll probably ever need use. You'll sense this... together with its unequalled response... the very first yards you drive. It runs smoother, more

quietly, and with less wear than any other engine ever built into an American automobile.

... and it makes driving (both cruising and the short runs) more fun than you have ever known it to be!

But that's not all. Along with this engine there are scores of other reasons, too, for driving a New Yorker before resolving on any new car. Like Full-time Power Steering that makes steering five times easier... and your control five times greater... than in ordinary cars. Like Power Brakes that cut needed pedal pressure by as much as two-thirds.

Like Oriflow shock absorbers that make even bad roads feel "newly paved"... restful chair-high seats... big, wide-opening doors... big windows that let you see more.

It's true... until you drive a Chrysler New Yorker you won't know what you're missing. Why not stop in today?

Rev. Treadway, Baptist Missionary, To Speak At Rowden Church

Rev. C. R. Myrick, pastor of the Rowden Baptist Church, announces this week that Rev. Treadway, a Baptist missionary, who recently returned from Brazil will speak on June 29 at the church. There will be three services at the church, according to Rev. Myrick. The morning and afternoon services will be talks on his work and experiences in Brazil and at the evening service he will show a religious film on missionary work in Brazil.

The morning service will begin at 11 o'clock and time for the other two services will be announced at that time.

The public is extended a cordial invitation to attend these services. Lunch will be served at the noon hour on the church grounds.

MYF Enjoy Firelighting Service At Greenwood Farm Thursday Evening

Members of the Methodist Youth Fellowship and their counselor enjoyed a firelighting service and picnic at Greenwood's lake Thursday evening of the past week.

The group assembled at the church and when it became dark they drove to a place near the picnic spot. They then walked silently and in single file to the unlighted fireside, where Billie Ann Kilgore, assisted by Joe Coppinger and Anita Newton, conducted the fire lighting service.

The camp fire was touched off "magically" by fire from above. At the end of the service in their friendship circle, prayers were offered for the recovery of their good friend, Russell Wright. After songs and benediction the picnic supper was enjoyed by all present.
