Standing After Trip

By DON TABOR
Publisher

Back in January, we went to a newspaper trade show in Fort Worth and my wife won a trip for two to anywhere that Southwest Airlines flies.

Schemers that we are, we picked the farthest point, San Francisco.

The airline flight there and back was the only freebie. We still had to pay for our room and eats, which meant we couldn't afford to stay very long, only three full days to be exact, when we went last week.

As usual when your time is limited, we tried to see too much. In 72 hours we took a 4-hour city tour, a 4-hour nightspot tour, a 12-hour tour of the Monterey Peninsula and a 16-hour tour of Yosemite National Park.

Counting several hours of flight time, it's obvious that we spent most of the trip in the sitting position, so, if you offer me a seat and I answer that "I'd prefer to stand", you'll understand why.

To look busy during the tours, I took notes, some of which follow:

— Alcatraz Island is tiny. It's just a speck in San Francisco Bay and it doesn't look like 50 prisoners could have been kept there, much less several hundred. Contrary to the movies we've seen, nobody ever escaped.

— There are so many restaurants in San Francisco, you could eat out every day for 11 years and never eat at the same place twice.

— If you want to make several stops, just make sure your tour bus driver smokes. It's against the law to smoke in buses in California and on one tour our female driver stopped for obviously trumped-up reasons twice and each time lit up as soon as she hit the door. There were several smoking passengers who were right behind her.

— All of northern California is suffering through a two-year drought. In San Francisco, normal rainfall for this time of year is 21 inches. So far, they've had only 8 inches. In Yosemite the usually spectacular waterfalls have dried up. All you can see are the stains on the granite where the water used to fall.

— A good portion of my time during the trip was spent waiting for my wife outside women's rest rooms along with a multitude of other husbands. I'd never really thought about it before, but a man's plumbing is much more suited to a fast stop than a woman's.

— Actor Clint Eastwood has really made some changes for the better since becoming mayor of Carmel. His predecessor was a woman who obviously didn't want tourists in her town. She banned public rest rooms, sidewalks and, after seeing a small child make a mess with a spilled ice cream cone, ice cream. They now have public restrooms, sidewalks and ice cream.

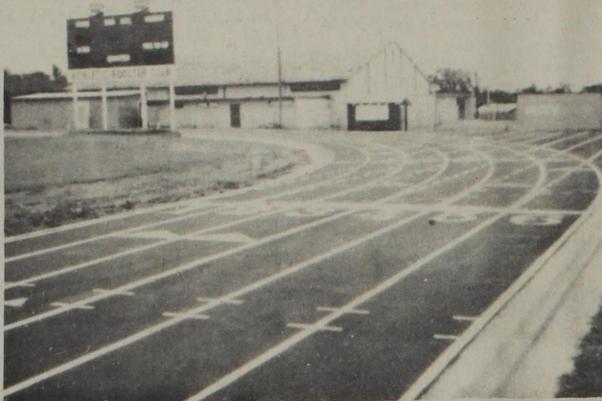

— In Yosemite, park rangers used to get way up on a ledge, start a bonfire and then push it off the side to make a firefall. They quit it in 1968, saying it wasn't natural.

— In Merced on the way to Yosemite once lived a rich man who nobody liked, including his family. We passed by a large monument there he built to himself before he died.

Physicals Scheduled Sept. 3 for Jr. High and High School Girls

All Junior High and High School girls who plan to participate in sports will leave the gym at 5 p.m. Thursday, September 3, to get their physicals at the Rising Star Clinic.

The school will pay for High School

NEW TRACK FINISHED — The new track at the Cross Plains High School is now complete after many hours of work and determination.

Five-Month Track Project Complete

By VANDA KING
Editor

After approximately 5 months of construction, a new track is now a part of the athletic facility of the Cross Plains Independent School District. At first glance it is very impressive, and quite an addition to the community.

The track features six lanes officially marked for track events. On the west side, there are two long jump pits, plus two pole vaulting plant boxes, which allows pole vaulting from either direction.

At the north end there is a 50 foot high jump apron, and the practice field will be utilized for shot put and discus events.

Cross Plains Independent School District was responsible for the construction of the track.

The Athletic Booster Club provided for the striping of the track along with the pole vault pits, hurdles, and other track supplies.

Bleachers on the east side will be permanently positioned, and the fence is being re-installed around the entire facility. Coach Permenter noted that all gates to the track will be locked, with the exception of one pedestrian gate at the southeast corner of the gym.

This gate will allow community residents the use of the track for walking or running exercises. An appeal is made to the public to help keep the new track in condition by abiding by the rules of not riding bicycles on the surface and wearing only rubber soled shoes. Everyone will have to work together to keep it.

The Athletic Department and Staff would like to take this opportunity to thank the School Administration Board, the community, and the Athletic Booster Club for their cooperation and support throughout the construction of the track.

Coach Permenter and Staff would like to express their appreciation to Randy Montgomery, last year's Booster Club President, and Monty Richards, 1986-87 Vice-President, for all their assistance on the project.

The School, Athletic Department, and Booster Club would like to thank the following businesses for the use of their machines or expertise: Johnston's Truck & Supply; Skeet Walker Truck and Tractor Sales; KLH Oil & Gas Inc.; R R Production; Southwest Gas Systems Inc.; Rex Beggs Welding Service; Lynn Koenig Welding Service; and Lucky "C" Electric.

LOCAL SINGERS SHINE — Leann Webb (left) and Sheila Payne were named winners of the Callahan/Shackelford Farm Bureau Talent Find.

Farm Talent Winners Named

Sheila Payne and Leann Webb of Cross Plains won the Callahan-Shackelford County Farm Bureau Talent Find. They sang a duet.

Sheila is the daughter of Mr. and

Mrs. Charles Payne and Leann is the daughter of Mr. and Mrs. Tommy Webb. They are both recent graduates of Cross Plains High School. Sheila is attending Cisco Junior College and Leann is attending Howard Payne University.

They competed in the district Farm Bureau contest in Abilene August 27 and they were the winners of District 7. They will receive a \$500 scholarship and advance to the state convention which

will be held November 29 in Lubbock. The winner at state will receive a \$1500 scholarship and the runner-up will receive a \$1000 scholarship.

Howard Payne Student Killed In Head-On Collision Near Rowden

By VANDA KING
Editor

On Wednesday, August 26, a San Antonio man, age 26, was fatally injured in a two car head-on collision 15 miles west of Cross Plains near Rowden. Alan Lester Bowers, a student of Howard Payne University in Brownwood, was enroute to Abilene to transfer to Hardin-Simmons University when the accident occurred.

The car driven by Bowers drifted across the center stripe and collided with the car driven by Lonnie Kline, 34, of Lawn at approximately 8:50 a.m.

The Cross Plains Volunteer Fire Department Rescue Unit, one fire truck, and two Cross Plains EMS ambulances were summoned. Upon arrival Bowers was still alive and an attempt to free him with the aid of the Jaws of Life was made. Justice of the Peace Rolan Jones declared Bowers dead, and his body was taken to Higginbotham Funeral Home in Cross Plains.

Kline was freed from his wrecked car through the aid of the Jaws of Life and was rushed to Hendrick Medical Center in Abilene by the local EMS. He was reported having head injuries, internal injuries, and facial lacerations. His condition was considered serious.

Jerry Martinez, City Marshal, and Balinda Wyatt, representing the Ladies Auxiliary directed traffic.

This was the first official use of the Jaws of Life and was indeed lifesaving, as Lonnie Kline could not have been

Buffaloes Win Second Scrimmage

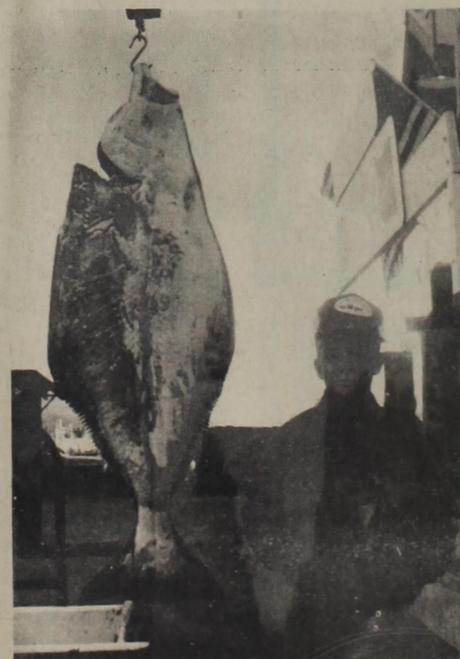

The Cross Plains Buffalo Football Team was once again the victors in a scrimmage with Gorman High School last Friday night. With a score of 2-0 the Buffs are looking good.

A total of 170 yards rushing and 89 yards in the air resulted in 259 yards offensively. Leading runners were Darin Apple, 82 yards; James Ames, 36 yards; Robbie Wheeler, 31; Bill Johnson, 19 yards; Cody Odom, 14 yards; and Greg Weiss, 8 yards.

Greg Weiss, quarterback, connected on 3 out of 6 passes with 1 interception. One pass scored a touchdown.

Chris Brown was the leading receiver catching 3 tosses for a total of 89 yards. Brown scored one touchdown on a 50 yard run.

WHAT A CATCH! — Did you hear about the one that didn't get away? Blake Foster, 9-year-old son of Mr. and Mrs. Randy Foster, had more than he could handle last week. Blake, along with his dad, brother, Kyle, and uncle, James Foster, of Anchorage, Alaska hooked this 75½ pound halibut off the

HEAD-ON COLLISION — Cross Plains Volunteer Firemen, a Texas Highway Patrolman, and EMS personnel were all

actively involved in the two car wreck on Highway 36.

removed from his car without its availability. The effort made to purchase the equipment has not been in vain, as already one life has been saved.

All the emergency personnel for the

Fire Department, EMS, and Ladies Auxiliary are strictly volunteer and are to be commended for their efforts. Cross Plains is fortunate to have people who are dedicated to helping others.

WONDERFUL VACATION — Wright Price (from left), Terrell Smith, Dora Smith, Brandon Smith, and Timothy

'North To Alaska' Dream True

For Dora, Terrill, and Brandon Smith; Dora's dad, Wright Price, and nephew,

Timothy Price, dreams really do come true! Having traveled extensively in the continental U.S.A., their dream of going "North to Alaska" became a reality this summer as they drove over 11,000 miles in five weeks through much of the U.S., Canada, and Alaska. (Yes, you really can drive to Alaska!)

Mr. Price has instilled in his family a desire and hunger to explore and experience this beautiful world; and not only that, but the determination and drive to energetically satisfy that hunger. As plans and preparations for the journey began, many people said that they were adventurous, brave, daring, and even crazy. Dora is proud to admit that such a trip takes all of those qualities; but above all, it requires a strong faith that God takes care of his own!

The Northern route was chosen for the first "leg" of the journey, with a stop by the Breckenridge airport to look at the old war planes, and then through Oklahoma and into Kansas. There they walked through Front Street of the Old "Gunsake" Town in Dodge City, toured the museum, Boot Hill Cemetery, and Long Branch Saloon. In Nebraska they viewed the natural formations of Chimney Rock and Scott's Bluff.

Hot Springs, South Dakota was a welcome break as they swam in the natural spring water at Evans Plunge. Mt. Rushmore was one of the exciting highlights of the trip! The feelings of seeing the monument of America's greatest leaders was one of awe and humbleness much like that experienced at the Statue of Liberty last summer. They visited the gold mining towns of

Fall Show Planned September 26

The Beta Sigma Phi Sorority has scheduled their Fall Fashion Show for Saturday, September 26, at 7 p.m. at the Cross Plains Community Center. The theme for this year will be "An Evening in Paris."

Local models will give the public a good revue of styles, colors, and fashions that are popular this fall.

Special features such as men's and children's clothing are also being planned.

Tickets will be available soon from sorority members or by calling Pauniece Oglesby at 725-6772 or Dora Smith at 725-6489. Mark your calendars now for this special event.

Mrs. Ritchie Honored On 97th Birthday

On Saturday, August 29, the children, grandchildren, great-grandchildren, and one great-grandson gathered to celebrate the 97th birthday of Dola Ritchie, the matriarch of the Ritchie clan.

The family gathered for lunch at Odom's Cafe and in the afternoon friends came to call. It was a gala occasion, and cake and ice cream were served.

Those attending were a daughter, Yvonne Lancaster, also Melanie Key; Susan Woods, Laura and Rachel; Janet Ridgeway and Victoria all from San Angelo; a daughter, Cremona Cox, also Carole Drennan, Jane and Ricky Reagan and Reed from Abilene; a daughter, Oleta Hunt, Loop; L.R. and Margie Hanes; Cindy and Danny Quillen; Patty and Kenneth Hussong, all from Fort Worth; Margie Hanes, mother from Youngstown, Ohio; Hank and Naomi Chilton, a niece from Grandview; Stella Copeland, May; Bobbie Johnson, Lucille Koenig, Mozelle Richardson, Helen Freeman from Cross Plains.

Friday, August 28, a van loaded with a group of May Senior Citizens came with a load of love and birthday wishes. Plans are already in the making for next year's celebration. Who knows — maybe Johnny Carson will read this and invite her to be on the Tonight Show!

Dream Comes True

Continued from Page 1

Lead and Deadwood, South Dakota, and saw the Homestead Gold Mine, the largest operating in America.

In Wyoming the group saw Devil's Rock, and camped in Cody where they visited the Buffalo Bill Museum and learned about his Wild West Show with Annie Oakley, and his contributions to settling the West. Yellowstone National Park was incredibly awesome! (Terrill's description.) Two days were spent experiencing the many formations of rocks, steam pits, sand and paint pots, geysers, lakes, rivers, waterfalls, and mammoth hot springs. Old Faithful was right on schedule as they watched this natural phenomenon erupt. They saw buffalo, elk, deer, and even a bear.

In Dillion, Montana they saw Beaverhead Baptist Church, which was founded by Mr. Price in memory of his daddy, W.M. Price, Sr. They visited friends in Missoula and camped in beautiful Glacier National Park mid the towering mountains. By this time everyone began to notice that its stays daylight longer.

Canada was beautiful, full of green foliage and colorful flowers. All agree that the most spectacular, majestic scenery was in the Banff, Kootenay, Yoho, and Jasper National Parks in the Rocky Mountains of Alberta and British Columbia, Canada. Hundreds of miles of mountains covered with deep glaciers of ice and snow lined the countryside. Certainly only God could create such beauty!

At Grande Cache, Alberta the group took a short cut north to Grande Prairie on a 100-mile stretch of "improved gravel" road. They covered their windshield and headlights with hailscreen for protection from rocks. At that point they really began to appreciate Texas highways! At Dawson Creek, British Columbia they began the 1200-mile journey on the famous Alaska (Alcan) Highway. What an experience that was! Parts of the Alcan were very good, paved and smooth; other parts were very bad, with gravel, no shoulder, rough, and pot holes. Much of the scenery is wilderness, trees and brush; but there's also beautiful lakes, mountains, and valleys.

At Laird River Hot Springs Park they relaxed in the natural springs "hot tub". In Whitehorse, capital of the Yukon, the group toured the Klondike II ship.

In Alaska they visited Tok and Fairbanks, their northernmost destination! There they toured the downtown area and visitor's center, and went to Alaskaland, a historical and recreational park where Fairbanks is portrayed as it was in the Goldrush Days, with original buildings, and a mining camp. At the University of Alaska Museum they learned much about the history of Alaska, the Eskimo culture, Goldrush era, and saw numerous Arctic animals. From the university campus, looking south toward Anchorage, they saw Mt. McKinley, the highest mountain in North America.

It really does not get dark in the "Land of the Midnight Sun"! The sun sets in early morning and rises a few hours later, but there is no darkness. It was still light enough at midnight in Fairbanks for Dora to take videos of the boys playing football.

Anchorage, the largest city in Alaska, is beautifully set in the cool inlet. The group saw the old railroad station, ship creek, and ship yard, all of which made Anchorage a thriving city. They saw some sink areas as a result of the earthquake of 1964, when streets fell 20-30 feet. Many of them are now rebuilt on buttresses. Mr. Price, an avid pilot, was in paradise at the Anchorage International Airport where there were literally thousands of private planes equipped with large tires, floats, and skis. The group anxiously watched some of them take off and land in water.

Since there is virtually "one way in — one way out," they left Alaska temporarily by the Alaska Highway, and traveled through the Yukon, to Skagway, Alaska, home of the famous Klondike gold strike. At the terminal there they boarded the LaConte Ship and cruised for 7 hours down the inside passage to Juneau. This experience proved to be the favorite part of the vacation! Juneau is known as the "most beautiful capital city," deservedly so! There they saw Mendenhall Glacier, ate baked salmon, visited the shrine on St. Teresa, and played on Eagle Beach. Panning for gold was great fun! They saw the capitol and drove to Douglas Island for a view of the city.

Continued Next Week

Buffaloes Win

Continued from Page 1

Gorman was only allowed 3 first downs by the Buffalo defense. Only 79 yards was credited to the Gorman team. Leading the defense game was Cody Odom and Darin Apple.

The first official football game of the season will be Friday night, September 4, at Tiger Stadium at Blanket beginning at 8 p.m. Coach Permenter encourages all the supporters to come and cheer the team on.

Commissioners Court Has 3-2 Vote On Road And Bridge Fee

Something happened at the Callahan County commissioners court meeting Monday morning, August 24, that doesn't happen too often.

A split vote of 2-2 by the four county commissioners in attendance, forced Callahan County Judge Mack Kniffen to cast the deciding vote to not charge a \$5 road and bridge fee that would have been added to the vehicle registration fee.

With commissioners Eugene Kitchens and Joe Ingram voting for the road and bridge fee and commissioners Lowell Johnson and Jiggs Shackelford voting against the fee, Judge Kniffen cast the deciding vote to continue not charging the road fee.

State law allows each county to collect an extra fee of \$5 for the county road and bridge fund that would be added to the registration fee for each vehicle registered in the county. The funds from the fee would go toward road and bridge repair or replacement inside Callahan County.

1987-88 School Personnel

The 1987-88 personnel for the Cross Plains Independent School District has been released by M. Lee Thompson, Superintendent, as follows:

Elementary

Kindergarten — Lynda Edington
Paula Winfrey
First Grade — Mattie Faye Wilson
Margie Sowell
Second Grade — Ann Higginbottom
Cindy Layman
Third Grade — Becky Thompson
Olinda Hale
Fourth Grade — Marie Stambaugh
Fifth Grade — Peggy Golsen
Sixth Grade — Cam Morgan
Seventh-Eighth — Sandra Crockett,
Language Arts, Reading.
Fourth-Eighth — Diane Stover, P.E.,
English as a Second Language, Girls
Athletics.

Secondary

Grades
9-12 — Jo Rhodes, Typing, Record Keeping, Language Arts.
9-12 — Tom Barclay — Math, Algebra, Geometry, Trigonometry.
9-12 — Randy Taylor, Music, Band.
9-12 — Joe Coppinger, English, World Geography.
9-12 — Carol Atchley — Math, Accounting, Art, Annual.
9-12 — Charlene Fleming — Science, Math.
9-12 Ethel Ames — Spanish, CLA.
7-12 — Mitchell Atchley — History, Health.
9-12 — Kim Childers — Science.
9-12 — Roy Richey, Production Ag, Equine Science.
9-12 — Ray Conner, Ag Mechanics, Wildlife Management, Production Ag.
9-12 — Julia Wheeler, Home Economics.
7-12 — Mack McConal, Head Junior High Football, Science, Tennis.
7-12 — Mike Permenter — Athletic Director, History, Math.
7-12 — Tim Layman — Athletics, History, P.E.
9-12 — Jimmy Wren — Head Boys Basketball, Health, P.E., Career Exploration.
7-12 — Billy McKinnerney, Girls Basketball, P.E., Government, Free Enterprise.
7-12 — Brenda Conner, Chapter I, Computer Literacy.

Administration

Lee Thompson — Superintendent.
Leonard Wood — High School Principal.
Ray Womack — Elementary Principal.
Ann Watson — Counselor.
K-6 — Nora Odom, Chapter I.
K-6 — Wesley Ingram, Chapter I.
K-12 — Pat Stephens, Special Education.
K-12 — Dora Smith, Special Education.
K-12 — Betty Barclay, Special Education.
K-12 — Terri Hunter, Aide.
K-12 — Karen Richey, Aide/Office.
Vickie Johnson — Librarian.
Carolyn Glover — Aide.
Cliffadean Hargrove — Superintendent's Secretary.
Jean McWilliams — High School Secretary.
Charlou Cowan — Elementary Secretary.

Bus Drivers, Maintenance, Custodian Lunchroom Personnel
Junior Baugh — Bus Driver.
Donald Beeler — Bus Driver.
Rufus Wilson — Bus Driver.
Andrew Sheppard — Bus Driver.
Mitchell Atchley — Bus Driver.
Randy Jones — Bus Driver.
Margaret Pointer — Custodian.
Ann Kitchens — Custodian.
Sally Whiteley — Custodian.
Randy Wilson — Maintenance.
Randy Jones — Maintenance.
Dale Kitchens — Bus Mechanic.
Lillian Jackson — Lunchroom.
Jewel Newman — Lunchroom.
Fern Hutchins — Lunchroom.
Leona McNutt — Lunchroom.

Callahan County, along with seventy other counties, do not charge the fee.

Other matters brought before the county commissioners include:

—Met with Baird Mayor Frank Payne to discuss possibly using the empty Callahan County Hospital building to house the health clinic for the Texas Department of Health.

The Texas Department of Health will no longer pay rent to operate the clinic locally, so health officials have been contacting local governments to subsidize the rent of the clinic. The clinic is located in the Clyde Business Plaza on the south access road of Interstate 20.

So far, only the City of Clyde has agreed to subsidize \$75 per month for the local clinic.

The local clinic serves county residents in the Women, Infant and Children (WIC) program, immunization program, family planning, child health care program, adult tuberculosis program, and a maternity program.

County commissioners voted to table the request until it could be found out if the hospital could be used to house the health clinic.

—Commissioners voted to nominate Walter Bryan as the new board member to the Mental Health/Mental Retardation Association in Abilene.

—Voted to give a \$2,500 yearly subsidy to the Mental Health/Mental Retardation Association. Each year the county gives the MH/MR a subsidy.

—Sold a Ford front end loader to Robert Miller of Clyde for \$1,000. The loader is surplus equipment from Precinct II (Clyde).

—Named Tammy Walker of Baird as the chief deputy in the Callahan County Tax Assessor/Collector's office in the county courthouse. Ms. Walker was elevated to the chief deputy job from within the assessor/collector's office. The job of chief deputy had not been filled since the resignation of the former chief deputy.

—Voted to give \$3,000 to the Aging Services Organization of Callahan County. This organization represents the seniors citizens of Baird, Clyde, and Putnam. The group has been given the subsidy in the previous year.

Present at the meeting were Judge Mack Kniffen, commissioners Eugene Kitchens, Lowell Johnson, Joe Ingram, and Jiggs Shackelford.

Merrill Honored As 5-Star Manager

Ophelia Merrill, manager of the local Dairy Queen, attended a Manager's Meeting August 24 at Graham for the 40 Richeson Dairy Queens in Texas.

Mrs. Merrill was honored as 5 Star Manager. The Cross Plains Dairy Queen also received two Safety Awards and the Silver Cone Award (determined by the amount of ice cream sold in a year's time).

A highlight of the meeting was the presentation of a plaque to the Cross Plains Dairy Queen commemorating them as the largest contributor, in their section, for the Children's Miracle Network Telethon. The Rock-a-Thon held on May 31, 1987 netted over \$4,100 for the Lubbock General Hospital Children's Pavilion.

A video tape of the Telethon was shown at the meeting and the local Dairy Queen was acknowledged for the large amount of funds on two separate occasions.

The funds are credited to the Lubbock Hospital due to the particular section Cross Plains is grouped with. However, a child may benefit from the project regardless of their residence, as different hospitals scattered over the state are supported.

Mrs. Merrill remarked, "The community deserves merit for their generosity and participation in the project which will provide medical assistance to many children."

Darwin Anderson Retires From City Of Abilene

Darwin Anderson, former resident of Cross Plains, retired from the City of Abilene on August 31 after 15 years as a heavy equipment mechanic.

Anderson was employed by Bishop Chevrolet for 3 years; Fred Pool Drilling Company, 11 years; Callahan County, Precinct 4, 7 years; and Patton Equipment, 5 years.

The Street Department honored him with a retirement cake for his last day.

He will be pursuing his private business on a full time basis. He and his wife, Wanda, will continue residence in Abilene.

Treasures Of Truth

"And His disciples came unto Him, saying, Declare unto us the parable of the tares of the field.
 He answered and said unto them, He that soweth the good seed is the Son of man; The field is the world; the good seed are the children of the Kingdom; but the tares are the children of the wicked one;
 The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels.
 As therefore the tares are gathered and burned in the fire; so shall it be in the end of the world." (Matt. 13:36-40)
 The original seed of the Kingdom of God, planted by Jesus, did not produce the many false human devised religions that have sprung up in the world since His days on the earth.
 They are the tares planted by satan, and cultivated by dishonest man.
 I love you,
 Ed Will

ROWDEN NEWS

By MRS. N.V. GIBBS

This week's showers amounted to less than a half inch of rain in the Gibbs gauge. Lizzie Burks reported an inch at their place east of the Rowden store.

Come Tuesday morning those big orange school busses will be picking up students for the 1987-88 school term, but only three families here have children in the Cross Plains district. Two families transferred to the Baird school system. They will meet a bus at the crossing of Highway 36 and 283 coming out of Baird. This will mean no more sleeping late in the mornings, as that bus will be on time.

Bill Steele spent Friday night with his friend, Trey Fortune.

Jim Reynolds and his two sons, Chris and Colby, of Midland spent Thursday night with his parents, James and Dorothy Reynolds. Ellen Carpenter of Fort Worth also spent the night in the home.

Judy Steele and girls, Tonya and Connie, were in Abilene Saturday to finish buying their school supplies and clothes.

Those visiting in the Sterling Odom home Sunday were Ivon and Vickie Odom of Pioneer and on Saturday the Charles Palmer family of Clyde were there for the day.

Also on Saturday Nell Gunderson, sister of Joyce Odom and this writer, visited by phone from Minneapolis, Minnesota. The family there are all doing fine. Nell reported that she was involved in a car accident, which damaged their car, but she was not injured.

Visitors of Emma Johnson and Lizzie

Burks this week were a niece and nephew, Mary Frances Lowry and Carroll Burks, of Abilene. Emma reported that Ricky Kelley of Cross Plains had built a fence around their yard and had also made a Lily Pond in the yard. Now they are ready for a Lily to brighten the pond. That will be something to watch from inside the house.

Lorene and Walter O'Dell of Abilene visited in the Gene Mauldin home during the week. Vernie Belle was preparing food Saturday afternoon to take to her daughter-in-law, Faye Mauldin, who was sick. Faye had been home for a day or two after becoming ill at work in Abilene.

One man from San Antonio was killed in a two car accident on Highway 36 just west of the Gene Mauldin mailbox Wednesday. The two vehicles met head on. The driver of the second car was from Lawn and was badly injured. He was taken to an Abilene hospital. Accidents can, and do happen on any highway, which is a reminder to all that it could happen to any one of us.

Bob and Kathy Dye spent Friday night and Saturday with her mother, Anna Dendy, in Mason.

Brock, Brad, and Kyle Watson left Sunday for Lubbock where they will have college studies at Texas Tech. Their mother, Dorothy Watson, said they would be missed. They had worked with their dad all summer.

MELODY MCGOUGH
 ...completes basic training
 at Fort Jackson, South Carolina

Melody McGough Completes Basic Training

Army Private Melody McGough successfully completed 8 weeks of basic training at Fort Jackson, South Carolina. She graduated August 13 and will take her A.I.T. at Goodfellow Air Force Base at San Angelo, Texas.

Melody is the daughter of Mr. and Mrs. Pat McGough, and is a 1987 graduate of Cross Plains High School.

Quit smoking.

Library Fall Garage Sale To Be Planned

The Friends of the Library are planning the annual fall garage and bake sale to benefit the Cross Plains Public Library. Exact dates and location details are still being worked out, but they would like to encourage everybody to start sorting and saving re-saleable items — large and small.

All profits from the sale will be used in the day to day operation of the local facility.

Collection points will be announced later, as well as the time and place.

BURKETT NEWS

Lucille Cross reports that gifts to the Community Center continue to come in. Recent donors are: Walter and Melba Walker, \$50; Euel Bullard, \$10; Leroy Walker, \$30; W.C. "Bill" Wilson, \$50; Hoyt Weaver, \$25; Eureka Whitley, \$25; Anonymous, \$10; Leroy and Billie Faye Williams, \$10; Maurice Donaldson, \$20; Marie Brown Herring, \$10; Mrs. Billy (Lafaye) Pace, \$20; and Wayne Parsons, \$100.

Work will begin on the roof as soon as the weather becomes cooler. On behalf of the community, many thanks to all those who have so generously given.

Visitors in the home of Raymond and Lucille Cross the past week were their grandson, Blake Van Patten and wife, Angela, and their two great-granddaughters, Wendy and Kristy, from Davenport, Iowa. While here, they

CROWNED QUEEN — Tonya Johnson was chosen Callahan/Shackelford Farm Bureau Queen.

Johnson Crowned Callahan-Shackelford FB Queen

Tonya Johnson of Oplin was crowned queen of the Callahan/Shackelford County Farm Bureau. Miss Johnson is the daughter of Mr. and Mrs. Lowell Johnson and will be a senior at Clyde High School this year.

Tonya is active in 4-H, F.F.A. and is the reigning West Texas Fair Teen Rodeo Queen. Tonya competed at the district Farm Bureau Contest which was held in Abilene August 27.

CROSS PLAINS LIBRARY NOTES

August 24-28

"Nothing does more than information, rightly grasped, to open the doors of the world to a better tomorrow; and no agency does more than the library — in today's new and wider sense — to provide the most reliable information, the best thinking on the whole sweep of human concerns. THE LIBRARY IS THE UNIVERSITY OF THE PEOPLE."

Circulation: 177

Paperback: 84

Hardback: 65

Abilene Extension: 28

Membership: Contributing, anonymous.

FRIDAY — Hamburger, lettuce, tomato, pickles, French fries, cookie, milk.

TUESDAY — Cheese wieners, French fries, carrots, rolls, butter, honey, milk.
 WEDNESDAY — Pizza, buttered corn, salad, Jello, milk.

Becky Guill Local Pledge Center Coordinator Of Jerry Lewis Telethon

Becky Guill has been named Cross Plains Pledge Center Coordinator of the 1987 Jerry Lewis Telethon to benefit the Muscular Dystrophy Association (MDA), announced Kay Dillard, MDA program coordinator.

"We're proud to have caring individuals like Ms. Guill working closely with MDA and its supporters," said Dillard. "Our Telethon team is dedicated to making this year's show another record-breaker." Telethon '86 was the most successful in the show's history and raised over \$34 million nationally in pledges.

The 22nd annual Labor Day Telethon will be broadcast by KTAB TV Channel 32, starting at 8 p.m. Sunday, September 6, and continuing to 6:30 p.m. Monday, September 7. The 2 1/2-hour extravaganza will originate live from Caesars Palace in Las Vegas and will be carried throughout the country by some 200 "Love Network" stations.

Money raised by the Labor Day series of Telethons helped fund the recent medical discovery by MDA grantees of the gene that, when defective, causes Duchenne muscular dystrophy. "The people of the Big Country area can take great pride in their contribution to this historic breakthrough," said Dillard. "Scientists are now on exactly the right path to develop a treatment or cure — if increased public support of MDA's work can be achieved."

The Association currently sponsors some 500 individual research projects worldwide. It also supports some 240 outpatient clinics nationwide, where people with any of the 40 muscle disorders covered by MDA programs receive medical care, orthopedic aids and related services.

Anyone interested in volunteering to help during the Telethon should contact Becky Guill at 725-6179.

OBITUARIES

Andy Revis Rowlett

REGENCY — Andy Revis Rowlett, 82, died Wednesday at a Brownwood hospital.

Services were held at 4 p.m. Friday at Stacy-Wilkins Funeral Home Chapel in Goldthwaite with the Rev. Doug Holtzclaw officiating. Burial was in Regency Cemetery.

Born in Regency, he was a lifetime resident. He was a farmer and rancher. He was a former commissioner of Precinct 4 in Mills County. He served on the Mullin and Mills County school boards, Mills County Telephone Board, McCulloch County Electric Co-op, and the Mullin Rodeo Association. He was a member of Mullin Baptist Church.

Survivors include his wife, Zora Rowlett of Brownwood; a son, Ross Rowlett of Brownwood; a daughter, Sue Scott of Clear Lake City; a sister, Agnes Steele of Brownwood; six grandchildren; and several nieces and nephews.

United Fund Directors Meet

United Fund Directors met Wednesday, August 29, at Odom's Restaurant. The United Fund financial drive for October was set in motion.

Billie Loving has consented to chair the 1987 drive, with a co-chairman to be named later. The directors of the United Fund appreciate Billie's continued effort in this worthy cause.

The date for the United Fund Drive is set for Friday, October 2, at 8 a.m., meeting at Odom's Restaurant.

Due to the condition of the economy, the goal will remain the same as last year, \$4,700. More information concerning the drive will be released at a later date.

Crop Residue On Highly Erodible Land

Approximately 100 farmers in Callahan County have determined to be farming highly erodible land. These farmers will be required to have a conservation plan by 1990 on those fields in order to stay in compliance with the Food Security Act of 1985 and stay

PERSONALS

Visiting with Mr. and Mrs. M.F. Dill were Ella Dean, Blanche Moore, Eunice Starr, Collis Eager, Mr. and Mrs. Skeet Walker and grandson, Heath Walker, Jay Kirkham, and Gary Hargrove all of Cross Plains.

Out-of-town guests were Mr. and Mrs. Larry Laycox, the Dill's grandchildren of Kingsland, and Howard Shanks and his grandson, Havon Carr, of Big Spring.

Kelly and Alan Watson of Richmond spent a week with their grandparents, Roger and Ernestine Watson, and Aunt Pearl.

Billy and Carol Ann Watson visited Monday through Thursday, and the boys returned home with them.

eligible for certain ASCS programs and FHA loans, says Tony Baeza, Range Conservationist with the Soil Conservation Service in Baird.

Baeza also said that many of the farmers in the county are already farming by an approved conservation system since most farmers strictly sow drilled crops such as small grain and use sweeps and chisels to till their land.

By using chisels and sweeps, farmers do not destroy their crop residue like a moldboard or one way plow does. By not burying all the residue, this not only protects the soil from eroding but also improves long term fertility, and water intake ability.

Baeza added that by leaving crop residue on the surface until ready to plant the following crop the residue can help save from 5-10 tons/ac. of top soil each year. This figure is higher on soils which are highly susceptible to blowing.

All farmers should contact the Soil Conservation Service so as to stay in compliance with the Food Security Act of 1985 and stay eligible for the different government programs.

Texas FmHA Head Meets With Bush And Baker At White House

TEMPLE, TEXAS — Vice President George Bush and White House Chief of Staff Howard Baker, Jr., headed a list of top White House officials who briefed Farmers Home Administration (FmHA) state directors recently in Washington. Texas FmHA State Director J. Lynn Futch participated in the briefing, which was held in the historic Indian Treaty Room at the White House complex.

In addition to Bush and Baker, OMB Director James C. Miller III, and Assistant to the President for Political and Intergovernmental Affairs Frank J. Donatelli, took part. U.S. Department of Agriculture Secretary Richard E. Lyng attended the briefing and introduced Bush and Baker.

The briefing, which lasted approximately two hours, covered a wide range of topics including budget, legislative, and political forecasts.

Futch, who was appointed to his present position by Secretary Block, and other FmHA state directors were in Washington to attend an Administrator's Policy Meeting in nearby Alexandria, Virginia. The White House briefing was arranged by Secretary Lyng.

"It was certainly a thrill for me just to be in the same room with the Vice President and the Chief of Staff," Futch said, "much less to have the opportunity to talk with them and ask questions. It's an experience I'll never forget."

Although the briefing was closed to the press, Futch characterized the reports as being "...sympathetic to the credit needs of rural America. While they certainly didn't portray themselves as agricultural experts, both the Vice President and Mr. Baker demonstrated a real sensitivity to what is going on in rural America, and I believe they are on the right track in addressing some of our problems."

Futch also visited with members of the Texas congressional delegation on Capitol Hill, and attended a private reception with Secretary Lyng and other USDA officials.

The purpose of the FmHA policy

meeting was to review recent program and policy changes and to address upcoming areas of concern to FmHA state directors.

For September

This is the month to plant bluebonnets. Soak seed for 2 days to ensure a higher germination rate. Sow 1/2 inch deep in prepared soil, never scatter on top of the ground.

If your houseplants spent the summer outdoors, they may need repotting now. This will allow them to get over the shock of transplanting before you move them back indoors. Set plants in a shady area for 4 to 6 weeks before moving them inside.

Spring flowering bulbs will soon be available in garden centers. Buy early to get the best selection. Bulbs should be stored in your refrigerator vegetable bin until planting time.

Now is the time to have your soil tested if you have not had a test made in the last 3 years. You can adjust the PH before spring planting. If your soil is too acid you need to add lime as recommended by test results. Soil that is too alkaline requires sulphur which is safe and easy to incorporate into the soil as either a dust or in granular form.

Continue harvesting herbs for winter use. You can dry them, freeze them, or steep them in oil or vinegar to extract their flavors.

Watch for powdery mildew on ornamentals. If left untreated the leaves will eventually turn brown and shrivel. Control by spraying with Funginex or benomyl according to label directions.

PIONEER NEWS

By ESTHLOY S. DICKSON

We had a tremendous crowd at First Baptist Church last Sunday morning. The auditorium was almost filled to its capacity. The evening attendance was also super. Many came from other churches.

At both services, Soloist Earnest Johnson of Abilene sang special songs for us. A bountiful dinner was served at noontime.

My good friend, Mrs. Dale Gary, is back home, following major surgery. I pray that her health will improve normally now.

Bobby Roady reported that all is peaceful and quiet at their house. He and Sally went to Abilene Sunday afternoon.

Jean Fore reported that James and Betsy Inabnet of Evant visited her last Wednesday. On Saturday afternoon a niece, Becca and Gary Standard and son, Shawn, of Artesia, N.M. visited her. They were enroute to Southeast Texas where they enrolled Shawn in college.

Mr. and Mrs. Cole Tilloston were in Odessa a couple of days last week. They visited Mr. and Mrs. Ronnie Hutchins in their new home there. They enjoyed seeing their great-grandson, Clinton.

Ms. Jewel Foster reminds neighbors and friends that the quilting will resume at Pioneer (I've forgotten the date). They will know.

Mrs. Ethel Brown's news is sad! She wrecked her car last week. Fortunately, no one was injured. Her son, James of Fort Worth, came out to see about her.

Betty Beggs is able to hobble around on that sprained ankle. She was in Training Union Sunday evening. L.W. Mitchell visited them one day and brought them some okra. Marianne Taff of Pioneer visited them on Tuesday.

My most favorite friend in Abilene called me Sunday evening. She has been visiting a son in Alabama and a grandson in San Antonio for several months. In the meantime, she has had very serious eye surgery — I'm worried about her.

Athletic Booster Club Officers Elected Thursday

Last Thursday the Athletic Booster Club met for a membership drive and ice cream social.

Members of the Cross Plains High School Football Team were introduced and their positions and classifications stated.

The Varsity Cheerleaders performed two cheers and a dance routine.

The business meeting was held and the election of new officers for 1987-88 was the highlight of the session. James Apple was elected President; Bob Hill, Vice-President; Betty Wyatt, Secretary; and Sharon Hill, Treasurer.

Ice cream was enjoyed by all following the election.

AARP Meeting Upcoming
The AARP will meet Monday, September 7, at 11 a.m. at the Multi-Purpose Center.
The program will begin at 11 a.m. followed by a covered dish meal at noon.
Prospective new members are welcome to attend.

DON'T SHOOT AT POWER LINES!

NEVER SHOOT AT POWER LINES or the insulators that hold them, because the result could be a dangerous downed electric line. A severed line could cause a serious electrical outage, and the downed line itself could be extremely hazardous.

ADDITIONAL SAFETY TIPS:
• Use Power Tools Wisely
Be sure wiring is in good condition and all circuits are grounded. Never use electric tools in the rain or on wet surfaces. Also, when buying new equipment, look for the "UL" seal of approval from Underwriters Laboratories.

• Keep Children Away from Electrical Outlets
Don't let small children play near electrical outlets. A child could put some object in an outlet when you're looking away. A wise safety precaution would be to put safety caps in all wall outlets.

• Always Disconnect Cords by Pulling on the plug
When disconnecting electrical items, be sure to pull on the plug — not the cord! If you pull on the cord, you'll eventually wear it out and expose hazardous wires. Also, don't overload extension cords or outlets.

Immigration Law Raises New Questions

Dear Commissioner Nabers: I am very apprehensive about the new immigration verification requirements. I have heard that the Texas Employment Commission may be able to help employers. Could you give me some information?

—C.F. Killen

COMMISSIONER
Mary Scott
Nabers

TEXAS BUSINESS TODAY

Dear C.F.: Under the 1986 Immigration and Reform Control Act, all employers must now verify their employees' legal right to work by completing what is called an I-9 form. (Form available from the Immigration and Naturalization Service.)

The Texas Employment Commission is authorized by law to relieve employers of this verification responsibility.

If you place a job order with us and subsequently hire a TEC referral, TEC will verify the indi-

vidual's legal right to work and will MAIL you an official certification form. This form takes the place of the I-9. You must keep it on file for three years or one year past the employee's termination date, whichever is later.

The TEC cannot certify workers for jobs of less than three days duration.

If you need further information on this TEC service, contact your nearest local office.

Dear Ms. Nabers: Under the new immigration law, I must terminate any employee hired after November 6, 1986, who cannot or refuses to provide the necessary documentation. Will this affect my TEC tax rate if a claim for unemployment is filed?

—A.W. Kilgore

Dear A.W.: No. There is a section of the unemployment law which gives an employer protection from chargeback if the employer was required by federal, state, or municipal law to terminate employment.

One note of caution. You should be sure that any employee you terminate because of the new immigration law has not applied for amnesty. These individuals are protected under the new law until a decision on their application is made by the Immigration and Naturalization Service. Any individual in the amnesty application process will have documentation from the INS that they can provide you.

Ms. Nabers represents 336,000 employers throughout Texas. If you have any questions you want answered, please write Commissioner Nabers at: TEXAS BUSINESS TODAY, 614 Texas Employment Commission Building, 15th and Congress, Austin, Texas 78778.

The name which immediately surfaced as a possible successor is Roy Barrera Jr., the San Antonio judge who ran as a Republican in '86 and almost upset Attorney General Jim Mattox. A name offered by Mexican-American Democrats is Brownsville Sen. Hector Uribe.

Mattox, Bishops Agree

Mattox was busy last week hammering out the final details of an agreement with the panel of bishops which investigated the SMU football scandal.

They announced the court-approved agreement will allow Mattox's team to examine the bishops' records of their probe with the information to be kept secret unless it is disclosed in the court of resultant judicial proceedings.

Mattox is looking at whether any charitable trust funds were mishandled.

Texans Listed

The federal task force examining the Texas savings and loan industry for insolvency added more than 100 names to its subpoena list, including State Savings and Loan Commissioner L. Linton Bowman, former Gov. John Connally and former Lt. Gov. Ben Barnes.

The Barnes and Connally partnership had multimillion dollar loans from two failed thrifts in Dallas. Barnes praised the probe.

Commissioner Bowman said he has no lending or financial ties to any state chartered S&L, but has a real estate partnership with a former officer of a failed thrift.

State Borrowing

Texas Treasurer Ann Richards last week arranged for state government to borrow \$1.25 billion from private investors through cash management notes.

The borrowing, which will cost tax payers about \$65 million in finance charges, will get the state through a short-fall without interruption of services.

Richards, who with Land Commissioner Garry Mauro was catapulted to the top of "possibles" when popular San Antonio Mayor Henry Cisneros dropped out of the 1990 gubernatorial race, said she hasn't decided whether she will make that race.

Mauro, meanwhile, told critics the award of an \$18 million

contract for veteran loans in 1984 to a top Democratic fundraiser was also supported by the Republican member of the Veterans Land Board, Jack Rains, now Secretary of State.

Shortly after Mauro surfaced as a gubernatorial possibility, he drew heat for giving the contract to administer the veterans housing loan program to a company which later lent him money for real estate transactions.

Mauro denied any impropriety, and said the company was the only bidder, although the contract was put out for competitive bid three times.

Hance Appointed

Former Lubbock Congressman Kent Hance was named by Clements to replace outgoing Railroad Commission Chairman Mack Wallace.

Hance is expected to seek election to the post in 1988 and he answered critics that his \$370,000 campaign debt from 1986 will be paid off next month.

He said he intends to lobby in Washington, D.C. for a national

COTTONWOOD NEWS

By Beverly Brown

Thunderstorms roaming the area Sunday evening left the community without electricity for 3 1/2 hours. Reported lightning hit the transformer north of here. Total rainfall since Thursday evening was 1.3 to 2 inches.

There will be no break in services to the customers of the Cottonwood Store during the move to the new store located north of the present site.

"Thank you" to all the ladies who donated ice cream, cakes, pies, sandwiches, and ice cream ingredients to the recent Cottonwood musical from the Cottonwood Quilting ladies. We greatly appreciate your support.

The Cottonwood Ladies Quilting Club begin their 1987-88 year on Thursday, September 3, at 9 a.m. Election of new officers for the upcoming year, program planning, and business meeting will be held at 1 p.m. Each lady is asked to bring a covered dish for the noon meal.

The quilting sessions are held in the Cottonwood Community Center every Thursday from 9 a.m. to 4 p.m. A noon luncheon will be served. All newcomers and persons interested in learning quilting arts are cordially invited to attend.

Cooler temperatures are greeting the school children this 1987 September to start off the year. Drive carefully and slow down in the early mornings. The "yellow bus" is on the move again.

Mrs. J.P. "Nettie" Clark was released last Wednesday from Hendrick Medical Center after having hip surgery. She is staying with her daughter, Cookie and Bob Robinson and Brian in Clyde.

Intended for a week ago, Mrs. Jessie Wilcoxon of Cisco spent a week with her daughter, Lillie and Blanton Childers. Visitors in the home during that week were Delilah and Cecil Goble, Aubrey and Arnold Childers, and Reba Stanley of Abilene.

This week Cecil Goble and R.D. and Sharon Childers of Cisco came by Sunday to the Blanton Childers'. On Saturday G.W. Childers of Odessa and Delilah and Cecil visited Lillie and Blanton.

Mr. and Mrs. Wayne Brown stopped by to see Mrs. Evelyn Mizer and daughters last Monday in Abilene. On Saturday they visited Mr. and Mrs. James Brown, Kenney, and Mr. and Mrs. Ben Kaaikala in Abilene.

Mrs. Dena Nickerson, Mrs. Kathy Franke and Jeremy of Clyde, and Mrs. Shirley Byrd of Hurst flew to Las Vegas, Nevada a week ago Saturday to see Mr. and Mrs. Curtis Hines, Julie and Jeffrey. The ladies were given a grand tour of Las Vegas via a limo their first evening. They visited Hoover Dam, toured the mountains, sight-seeing, and visited with Mr. and Mrs. Bill Hines and family while there. Shirley returned home on Tuesday, August 25. Dena, Kathy, and Jeremy spent a week with

her daughter, sister, and aunt in Las Vegas.

MDA Drawing Winner Announced

Drawings benefiting the Muscular Dystrophy Association are still being held at the local Town and Country Store. Richard Wilson of Cross Plains was the winner of the humidifier donated by Neal Drug at the drawing last Wednesday, August 26.

A 40 quart ice chest will be given at the next scheduled drawing on Thursday, September 3.

Town and Country encourages everyone to purchase a chance on the offered items, and help support the MDA, too.

Fall Registration At Howard Payne University

Registration for the fall semester at Howard Payne University will begin Tuesday, September 1, at 9 a.m. Students are assigned times to register on Tuesday and Wednesday. Late registration will continue through Friday, September 18. Daytime classes will begin Thursday, September 3.

Evening registration is scheduled for Thursday, September 3, from 6:30 to 8 p.m. in Packer Administration Building. Evening classes will begin the following week, September 7th-10th.

Classes being offered this semester include Intro to Computers, Small Business Management, Principles of Accounting, and general courses for college credit.

For a complete schedule of classes, visit the Registrar's Office, Howard Payne University, or call 646-2502.

HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—Chief Justice John Hill stunned a Capitol press conference last week by announcing he will quit the Texas Supreme Court to return to private practice and crusade for an appointed court.

While the move kindled speculation that Hill is preparing to run for governor in 1990, it also paves the way for Gov. Bill Clements to appoint the first Republican to that post in modern times.

But Hill denied he would ever seek office again. With half of his six-year term over, he is the lone voice on the court for the appointment system, which has put him at odds with the other justices at least on that issue.
