EDITOR'S NOTE: Just when I thought the last Homecoming impression letter had arrived, there was one more, with yet another point of view. Sylvia Graham presents the lasting affects of a small town on one's life and how the recent Homecoming made her appreciate her hometown. Thank you, Sylvia, for your contribution. **Vanda Anderson King, Editor**

I've written my feelings about Homecoming '91 at least one hundred times, but it never quite expresses how I felt and still feel. Maybe this one will be sent.

Home...what a way to find out if you are still who you were. It seems I question that often in my busy, daily routine. That question was definitely answered when I arrived on Saturday, the 12th, about 15 minutes before parade time. Yes...I'm still Sylvia and Cross Plains is still home.

The people...how did this small town produce all those different faces, professions, and talents? But after that first impression, I took another closer look. Those people were old friends; friends I learned, cried, laughed, worked, and fought with. HOME.

I think I gained more insight in this one Homecoming than all the years in my life. I like being a small town girl with old friends and old memories. I like saying, "I'm from Cross Plains, and proud of it!" I like knowing people who care but can still "let their hair down."

All the good things of growing up came back as if they were yesterday. First grade through graduation was a familiar part of me again.

Learning, caring, working, and believing came from this small town and the people who lived here. I found out I'm a better person because of growing up in C.P.

My teachers had such an impression on what I do now. (Yes, I remember the bass drum also, Mrs. Bunnell. Please don't correct this for me to do again.) How special my teachers have been.

I'm a good teacher, I think. I care and want the best for my students; just as mine did for me. Thank you, C.P., for the people, the teachers, the home I never want to forget.

I am who I am. A small town girl.

BUFFALO HERD DE-FANG RATTTLERS

By WARREN PARSON

Last Friday night, the Buffaloes traveled to Tolar to confront the Rattlers. The Buff offense and defense had one goal in mind, and that was to upset district title. The Buffaloes accomplished their goal through hard work and great execution throughout the game.

The ending buzzer indicated the Buffs win, 30 to 28. This game was an exciting game to watch as well as play in for all the athletes, especially the Seniors.

Our offense executed well with great accuracy because each player did their job hard and quick every play. Our defense also executed with accuracy; however, on both offense and defense the Buffs made some mistakes, yet they did not allow these mistakes to get them down.

On offense we finished with 32 first downs, 156 yards rushing out of 31 rushing plays, and attempted 25 passing plays for 320 yards with 9 incompletes and one interception.

On defense the Buffs did a great job in blocking passes, causing fumbles, and gang tackling. Billy Walker led the defense in tackles with 5, while Colby Walker and Michael Cowan had 2½. Billy Brown, Brandon Smith, and Earl Meroney received credit for 2 tackles each, while Jody Brown and Kenny Horan managed to get 1½.

James Jones, Maguel Mauricco, Tim Yates, and Warren Parson grabbed a single tackle each.

Overall Friday night, we did a good job, which goes to show that you don't have to be perfect to win.

The Buffaloes appreciate the fans who came out to support us, and we adore the cheerleaders for all the hard work they have done.

Well, this Friday is the last game

JOBS CHANGE, BUT TRADITION CONTINUES AT THE LORD'S ACRE — Shown in the transition stage are Helen Walker (back row, from left), Marilyn and Mike Cary, Terry Jane Wyatt, Rosalea Bonner, and Jean McWilliams. Seated: Theresa Cheshier and Virginia Payne.

It's Lord's Acre Time

By ARLENE STEPHENSON

Changes occur but tradition marches on! Such is the case with the United Methodist Annual Lord's Acre this year. The traditional turkey dinner and auction is this Saturday, November 9.

Few changes have been made throughout the long history of the Fall Festival. The Gift Shop was added a few years ago to allow for direct buying of small items. This portion of the festival will open at 11 p.m. with all items priced \$5 and under. Children are especially encouraged to shop at this time.

This year's event will see several changes in leadership as ladies and can-openers, notebooks and phone numbers are passed on to younger members of the church family. Jean McWilliams has assumed over-all responsibilities from Rosalea Bonner. Terry Jane Wyatt is now in charge of turkey and dressing — another of Rosalea's jobs.

Helen Walker is passing "green beans" on to Mike and Marilyn Cary. Theresa Cheshier is taking over the co-ordination of the quilting department from Virginia Payne. These new people have been "in training" for several years to ensure a smooth tran-

sition. One thing not changing will be the price and quality of the turkey dinner. Tickets are still available from church members for the same \$4 that you've paid for a number of years. The carry-out service will continue to be at Betty Browning's home, 1347 Ave. E from 4:30 — 6:30. Deliveries are available for shut-ins and the elderly by simply calling 725-6218.

Serving at the church will be from 5 p.m. until the auction starts at 7 p.m. A lounge area will be set up separate from the Fellowship Hall for those who wish to visit away from the eating area.

The church has acquired a new sound system since last year, so hearing should no longer be a problem at the auction. As in the past, several quilts have been made and are displayed at businesses around town. A wide variety of other hand-made items will be in the auction and may be viewed during the eating time prior to the auction.

The Methodists invite everybody to join them Saturday evening in their traditional celebration of tithing the product of one acre each year to the Lord.

Colonial Oaks Services

Church of Christ will conduct worship services at Colonial Oaks Nursing Home on Sunday, November 10, commencing at 3:30 p.m.

TFB Board Of Directors Return From Mexico

WACO — The Texas Farm Bureau Board of Directors has returned from a fact finding mission to Mexico, encouraged about the opportunities for agricultural trade with Mexico.

The 14 member board, representing all geographic regions of Texas and most of the crops grown in the state, traveled in Mexico September 29 through October 1. The group met with Mexican and U.S. officials in Mexico City and toured the countryside, meeting with Mexican farmers. The potential of a free trade agreement comprised of Mexico, Canada, and the U.S. was the number one topic covered in the talks. "I'm even more convinced that a free trade agreement would be a net gain for Texas agriculture," said S.M. True, president of the Texas Farm Bureau.

Speaking of Mexico City, the world's most populous urban area, True said, "I had no idea what a city of 20 million people looked like. It takes a lot of production all over the Americas to feed that many people. We think Texas farmers and ranchers can help."

The Farm Bureau delegation did meet some resistance to a free trade agreement, however. Corn, in particular, lies at the center of a sticky political problem.

Corn is produced all over Mexico and has social, as well as economic significance. U.S. Ag Counselor Richard Barnes met with the group in Mexico City.

"Corn has a long history here. The government restricts corn use basically to human consumption and the support price is roughly double the world price," Barnes said. "Mexico has about three million corn farmers, some of them quite small."

Barnes said the Mexican government worries that Mexican corn farmers would be put out of business by American competition and migrate to Mexican or U.S. cities, putting additional strains on job markets and social services.

Jorge Collard, an official in the Mexican Agriculture Department expressed similar concerns to the Farm Bureau delegation.

"We are determined to make this economy, including agriculture, efficient and the free trade agreement will be good in the long term," Collard said. "However, our farmers have become dependent on the subsidies. It is a difficult political problem."

President True, a grain, cotton, and cattle producer from Plainview, said the trip did much to dispel misconceptions about Mexico.

"We feel that we can have a free trade agreement, if all parties involved remember that it must be a two way street," True said.

True emphasized that Texas' proximity to Mexico makes the state a natural trading partner with Mexico. The Farm Bureau group was accompanied by Dr. Saul Mercado, Director for Latin American Affairs at the Texas Department of Agriculture.

If you're average, you use about two gallons of water to brush your teeth.

The average shower uses between 25 and 50 gallons of water.

HEALTH HINTS

See Your Pharmacist
Here's something you should not ignore: the common cold. Consider these statistics:

Giving the common cold the cold shoulder can be simpler thanks to a new medication many pharmacists recommend.

*Colds account for one-fifth of all acute illnesses in the U.S., causing more time lost from work or school than all other diseases combined.

*Getting your feet wet or going outside with wet hair won't cause a cold or make you more susceptible. To catch a cold you have to inhale a virus or pick it up from hand-to-hand contact with someone who is already infected.

*At least one-half of all Americans catch a cold during the winter. Parents of young children average over six colds per year!

Consider this, too: if you do ignore your cold, not only will you feel miserable, but you'll probably have problems getting the rest you need. You're more likely to spread the disease and to spread the gloom your discomfort can cause you, making you short-tempered and short on attention span, too.

Fortunately, local pharmacists in food and drug stores have a new medication that may help. Called Contac Day & Night, it consists of 15 day caplets to relieve cold and flu symptoms without causing drowsiness during the day; and five night time caplets with different medicines to relieve your symptoms while letting you get the rest you need at night. You get the right medicines at the right times of the day.

Bed rest, plenty of fluids and a symptom-relieving medication can help you be both more comfortable when you have a cold, and less likely to give that cold to anyone else.

Safe Deposit Boxes . . .

that come in many sizes are available in our vault. It's the lowest price you will ever pay for the security of your valuables.

What you keep in your safe deposit box is your business. However, since many people are uncertain about what a box should contain, here are some suggestions that might prove helpful.

What should be kept in a Safe Deposit box . . .

all documents that would be difficult if not impossible to replace such as birth certificates, automobile title, service records, insurance policies, passports, unused travelers checks, marriage certificates, and family records. Included, also, should be contracts, leases, deeds, trust documents, stocks, bonds and other securities. A safe deposit box is also a good place for jewelry, stamps, rare coins and family treasures. Your will should be kept in your safe deposit box, and a copy in your home, office, or with your attorney.

Remember, these suggestions are intended to act as a guide only, and you can keep anything within reason in your box, provided it will fit. Keys should be kept in a safe place for if lost, the box must be drilled open by a locksmith, in the presence of the owner. And that is expensive.

THE PIONEER PATCHWORK

By IRMA MILLER

The ladies of the Quilting Club finished the pine tree and worked on the Bear Paw. They put into the frames another attractive quilt, which was a cross between a Grandmother's Flower Garden and a 'Round the World, so we called it a 'Round the World Variation.

This community received another 1.12 inch of rain during the week, and enjoyed lots of beautiful sunshine, too. The freezing weather caused the Thursday Game Night to be canceled.

The community was saddened the past week by the sudden, tragic death of Jerry Meador, and the passing away of Eldon Gardner after a long illness. We extend our sincere sympathy to these families.

Frankie and Oliver Smith and Jean Fore went to Ranger Saturday to visit Frankie's father, and to the Chili Supper at the Cross Plains Senior Center Saturday night. Frankie and Mamie Whiteside accompanied Zora Bryant to Lone Cedar Country Club on Friday to enjoy their bridge games.

Jewel Foster's son, Charles of Clyde, is recuperating in the hospital after nerve surgery, and his doctors are pleased with his recovery thus far.

Novilia Barton visited with Nell and Joe Fleming Saturday. Novilia had enjoyed a trip to the art show in Cross Plains, and described it as grand, and such a pleasure to visit with people there. Sam Fleming visited with Joe and Nell Thursday morning. Jolena, Novilia, and Nell visited Wednesday with Bob and Barbara Powell.

D.P. and May Jones visited with their grandson, Pate in Kansas last week.

HAPPY BIRTHDAY, ESTHLOY! — Esthloy Dickson, columnist for the *Cross Plains Review*, was surprised with a celebration on her 84th birthday at Connie Kirkham's beauty salon last Thursday. Many of Esthloy's friends

dropped by with gifts and cards and enjoyed the birthday cake and punch prepared by Connie. It was a great surprise for Esthloy and she enjoyed all the visiting.

Small Packages!

By GREG TURNER

The old saying, "Good Things Come in Small Packages," sure came true last Friday night. Due to the cold, wet weather not too many brave souls ventured to Tolar, but to those who did saw a game that was very enlightening. What I saw was the football team I knew we had all year. By the way, we probably beat the District Champs of District 14A. To those people at the game, it was good to see you!

How about that Band — "Congratulations." The cold weather also took its grip on them this past Saturday at contest. What I have to say to them is to STAND PROUD for a job well done.

The power is in THE HERD. See you Friday night!

FFA Leadership Teams Compete At Area IV Contest

By APRIL HOGAN

The Cross Plains FFA Leadership Teams competed in the Area contest on Saturday, November 2. There were a total of 64 schools, ranging from 1A to 5A, participating in the competition. Even though none of the 4 teams from Cross Plains will be competing at the State level, each student worked very hard to advance as far as they did. The Area results were as follows:

FFA Quiz — 6th Place: Tamara Flippin, Joy Klingberg, Glenda Evans, and Lori Dillard.

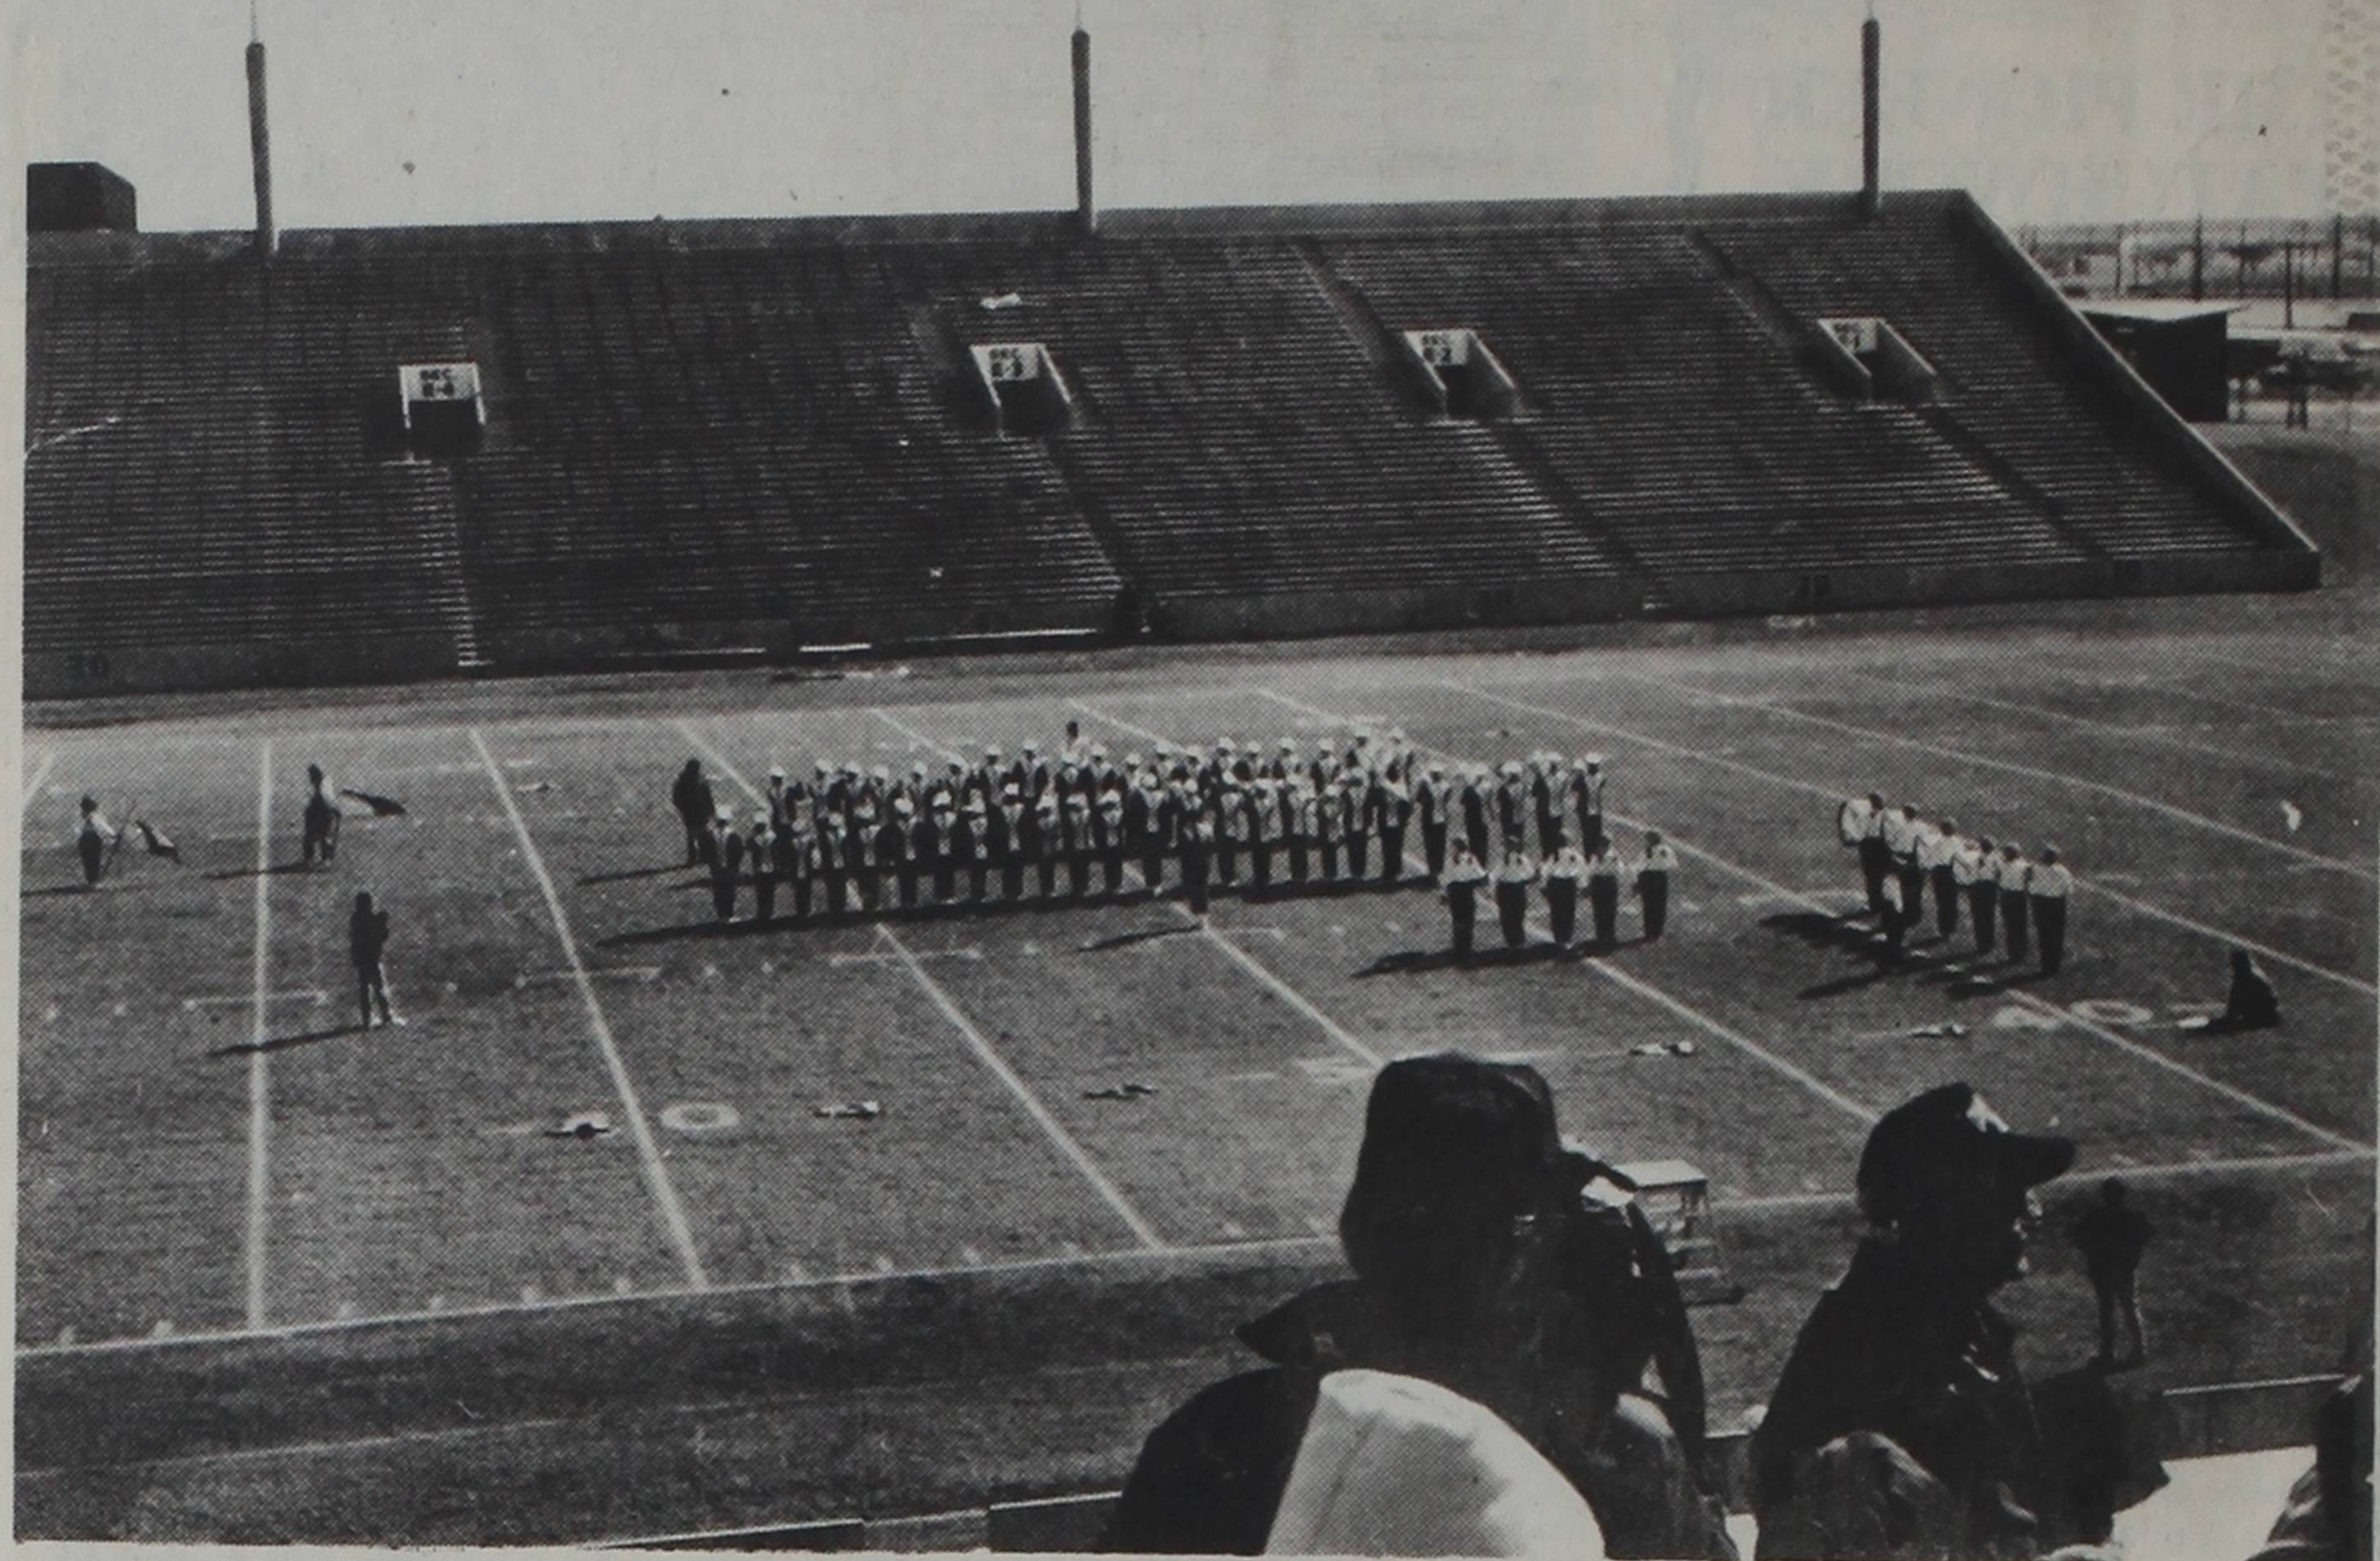

Senior Farm Skills — 8th place: Shirley Walker, Billy Walker, and Tim Yates.

Senior Chapter Conducting — 4th place: President — Rhonda Swift; Vice-President — Jason Fleming;

Secretary — Sonya Renfro; Treasurer — Shana Bagley; Reporter — Kelly Barclay; Sentinel — Samantha Newman; Advisor — Mandi Sowell; and Members — Coby Childers, Jennifer Wheeler, and Heather Montgomery.

Junior Chapter Conducting — 4th place: President — April Hogan; Vice-President — Kristy Webb; Secretary — Tonya Stover; Treasurer — Tamara Hutton; Reporter — Jimmy Lee; Sentinel — Sheryl Glover; and Advisor — Terry Shults.

The Cross Plains FFA would like to sincerely thank the parents who willingly transported students from the band contest to Stephenville. They were Mr. Barclay, Mrs. Wheeler, and Mrs. Stover. We certainly appreciate all that you do to support our chapter.

THE PRIDE OF CROSS PLAINS

BAND INSTRUCTORS TOPS — Sheri Bennett are to be congratulated on an excellent job with the Cross Plains Buffalo Band. Their good rapport with the students is evident!

Buffalo Band Compete In First Area Competition

By VANDA KING
Editor

The Buffalo Band competed in their first Area Marching Contest at Shotwell Stadium in Abilene. They advanced to the competition after winning a Division I rating at Brady the week before. It was an honor to be chosen among the elite group.

Paducah and Irion County advanced to the State level, with Munday as alternate.

The freezing temperatures made it difficult on all the bands, as hands and instruments were sometimes frozen. The Buffalo Band stood in the cold weather for some 15 to 20 minutes before entering the field as the very first performance.

The religious theme presented by the local band was the most original and their sound was excellent. We are proud of your accomplishments and are looking forward to another Sweepstakes in the spring.

There was a great following of band supporters who stayed through the

Class A performances just to hear the announcement of the chosen few. The Class A bands will be able to

Costume Contest Winners Told

This year's Costume Contest at the high school was held on Thursday, October 31...Halloween, of course. The Cross Plains High School Student Council sponsors the annual event which provides for some interesting outfits. The student body from 7th grade through 12th, and faculty and staff were eligible also.

There wasn't as much participation this year as in the past, but there certainly were some good costumes anyway.

The winners this year were:
Junior High: Ben Honea and Malynnda Strickler.

High School: Jennifer Jones and James Jones.

Faculty/Staff: Cliffadean Hargrove.

BURKETT NEWS

By FREEDA BURKETT

Well, we usually have very little of interest to write, which I do on Monday mornings, but some things have changed quite drastically lately. Our weather has broken some records. It has rained a lot, four to six or seven inches within the past week. Today, November 4, 6 a.m., we had 21 degree "winter" weather and it has been freezing and below during the past week. That's unusual, exciting and winter is coming earlier than usual.

Lois Turner and Melba Walker attended the Paint and Palette Club Art Show at Cross Plains Saturday afternoon. Lois entered 3 paintings and she won 2 second places and 1 third place. Congratulations, Lois!

Mrs. Preston (Johnnie) Burkett of Bisbee, Arizona was here with her family. She spent Monday and Tuesday nights with Raymond and Lucille Cross and Wednesday and Thursday night with Virgil and Freeda Burkett. During the days they all, including her other brother-in-law, Delbert Boyle, visited together. Lucille fixed a special lunch Tuesday and the Burketts had one Thursday. They all spent Thursday afternoon playing 84 and had a great time (the girls beat the boys!). Virgil, Freeda, and Lucille took Johnnie to the bus station in Abilene Friday evening. She had spent two weeks visiting her sister and brothers and their families, so she was happy to be on her way home after a wonderful vacation.

We are happy to report that Sterling Walker was able to return home last Wednesday the 30th after spending almost a year at Care Incorporated Nursing Home in Brownwood. June says his health has improved immensely, and he is so happy to be home and would enjoy company. He is homesick to see all his neighbors and other friends.

Lillian Brown has been home from the hospital where she underwent some very serious surgery. She is improving but is not able to be out much, if any. We hope she will begin feeling better soon.

Raymond Cross has been on the sick list this week.

Delbert Boyle continues to have severe pain in his side and back even after he underwent some treatments and finally some nerves were clipped to relieve him. It became so bad Monday (today) his sister, Mary Jo O'Brian of Abilene, was called and she came and took him home with her, and took him to his doctor. He is to have a CAT scan tomorrow of his entire body. Let's remember him at this time.

Jody and Eureka Whitley of San Saba and Jack and Lovera Strickland spent the past Saturday with Eureka and Lovera's father, Lat Mountain. Virgil and Freeda Burkett spent Sunday afternoon a week ago with her sister and husband, David and Celesta Young of Zephyr.

Visitors with Dalton and Lucille Gould Saturday a week ago were Russell and Alisa Gould of Abilene and Jackie Dodgen.

Letters TO THE EDITOR

The Class of 1939 wishes to express their thanks to all those wonderful people who worked so hard to make the 1991 Homecoming the best ever. The City of Cross Plains and all the homecoming committees are to be commended for a job well done.

Several of the '39ers and their spouses met at the Hospitality Room in the Comfort Inn in Brownwood. They came from far and near to be together and to attend all the festivities of the homecoming. The Class of 1939 entered a 1939 vehicle in the parade, winning 3rd place in the Vehicle Division. Riding in the vehicle were Harold and Mary Barclay and Paul and Juanita Harlow, all '39ers.

In attendance were Harold and Mary Barclay, Brownwood; Paul and Juanita Harlow, Lovington, New Mexico; Katherine Hall Harris, Emory, Texas; Lucille Payne, Cross Plains; Myrtha (Westerman) Strain, Monroe, Louisiana; Ida (Hudson) DeRan, Conroe, Texas; Patti Sue (Coburn) Dolgener, San Angelo; Hazel (McKinney) Rider, Coleman; Frenchy and Maisie Bennett, Bryan; Ted "Jr" Ivy, Lake Havasu City, Arizona; Granvel and Nola Van Pierce, Dallas; Burnett Porter, Fort Worth; J.N. and Maurine Varner, Clyde; Ted Walker, Rankin; and Jack and Barbara McMillan, Pinetop, Arizona.

Again our thanks for a wonderful homecoming and everyone is looking forward to 1994.

Awards Offered To Young Wheat Farmers

Young Texas wheat farmers are eligible to enter an essay contest to compete for two leadership development awards of which 40 will be awarded nationally. The program of the Texas Wheat Producers Association and National Association of Wheat Growers is sponsored by Monsanto Agricultural Products Company and the Production Credit Association of Texas. The awards are designed to acquaint young wheat farmers with the wheat association's organizational structure, leadership development, policy development, and the education aspects of attending wheat organizational meetings, according to Cagle Kendrick, President of the Texas Wheat Producers Association.

The awards which total more than \$1,000 each are to defray the cost for the winners to participate in their choice of either the National Association of Wheat Growers 1992 Annual Convention, held January 29 - February 1, 1992, Reno, Nevada; or the NAWG Summer Leadership Conference July 13-16, 1992, Coeur

d'Alene, Idaho.

Any Texas wheat farmer between the age of 20 and 35 years, who has not previously participated in either of the NAWG meetings mentioned above is eligible to enter. The winners are selected based upon completion of a short questionnaire relative to their perception of the current greatest needs of wheat farmers, how they are or would be utilizing their leadership abilities, along with a brief 50-word essay, explaining why they would like to receive the educational grant.

Entry forms may be obtained by either writing or calling Rodney Mosier of the Texas Wheat Producers Association office (803 Texas Commerce Bank Bldg., 2201 Civic Circle, Amarillo, TX 79109 - Tele# 806/352-2282).

The deadline for entering the contest is November 10, 1991.

Weekly Health Tip

SELENIUM

The trace mineral selenium is part of an important enzyme in blood and all body organs. In a study, men with cancers were found to have lower levels of selenium in their blood than men without cancers. Selenium is an antioxidant which protects against cancer as it fights free radicals in the body. Studies show that areas where selenium is high in food grown or in the water supply have low rates of cancer. Selenium supplements are available.

SAFETY SENSE

Protective clothing made with plastics gives our firefighters a fighting chance. Firefighters are required to wear clothing that resists flames and remains stable at temperatures up to 500 degrees F. They wear layers of clothing made from flame-resistant aramid plastic fibers or aramid fibers in combination with other plastic resins. Clothing made with plastics buys firefighters additional time to save lives, including their own.

Plastic insulation helps keep our race car drivers on the road to safety. Since 1990, racing experts have been testing barrier walls made with blocks of expanded polystyrene foam which blow apart when struck. The cars appear to suffer less damage than from hitting more rigid surfaces.

A new plastic catheter system lowers the risk of accidental injury for doctors and nurses. All it takes is one accidental needle stick for them to be exposed to deadly infections. The clear plastic chamber or applicator has a built-in spring that retracts the needle once the catheter is in place. Tubing then is attached so that fluids can be administered to the patient.

The red panda looks quite different from the black and white, bearlike giant panda. The red panda has long, soft fur and a bushy tail with rings like that of a raccoon.

Callahan County Takes Part In 'The Great Fiesta Texas Dirt Roundup'

BAIRD — Two legendary Texas heroes will visit Callahan County on Thursday, October 24, for "The Great Fiesta Texas Dirt Roundup," a statewide campaign to collect a shovelful of dirt from every county in Texas for use at the \$100-million Fiesta Texas musical theme park under construction in San Antonio.

With the help of County Judge Bill Johnson and other local leaders, Fiesta Texas ambassadors "Davy Crockett" and "Gregorio Esparza" will collect a shovelful of dirt from the county courthouse lawn in a special ceremony at 9:30 a.m. In case of rain, the event will be held inside the courthouse.

"We want to make sure that every part of Texas is represented at the theme park since Fiesta Texas will celebrate the musical and cultural diversity of all of Texas," said Fiesta Texas General Manager Bill Hoelscher. "By collecting dirt from every county in Texas, we are recognizing what ties us all together — our love of the land, the very soil we call 'Texas.'"

"With this campaign, we'll make every county in the state a part of Fiesta Texas, from the plains of the Panhandle to the tropical Rio Grande Valley," Hoelscher said.

The dirt will be brought back to Fiesta Texas and used in "The Texas State Square," a central square within the theme park that will feature brick pavers engraved with the names of all 5,000-plus towns, cities and counties in Texas.

The Fiesta Texas team is traveling all across the state — over 22,000 miles — to visit all 254 counties in Texas within a three-month timeframe. The campaign is sponsored by Chevrolet/GEO, Coca-Cola and Diamond Shamrock.

"This type of schedule takes an heroic effort, so we called upon two great heroes of Texas history — Davy Crockett and Gregorio Esparza — defenders of the Alamo," Hoelscher said. "As our ambassadors, they will

help spread the word about Fiesta Texas, and make sure that we have a little part of every county in Texas to include at the theme park."

Scheduled to open next spring, Fiesta Texas will feature the history, culture and music of the Lone Star in four themed villages — Los Festivales (Hispanic), Crackaxle Canyon (Western), Rockville (Nostalgic 1950's rock 'n roll) and Spassburg (German).

The 200-acre musical theme park will highlight more than 60 live musical productions daily on seven theater stages — three totally enclosed and air-conditioned and four open-air and shaded — throughout the park. A wide variety of rides, children's attractions, restaurants and retail shops will join the theaters in reflecting the theming for each of the park's main areas.

Fiesta Texas is a partnership between the La Cantera Group Ltd., a subsidiary of USAA, the nation's fifth-largest private auto and homeowner insurer; and Hospitality and Leisure Management Co. Inc., a subsidiary of Opryland USA Inc., whose best known components include the Grand Ole Opry and the Opryland theme park.

MINUTE MUSINGS

By ESTHLOY S. DICKSON

This Monday morning is cold!! I discovered when I went to the highway to pick up my Abilene paper that the 'white stuff' out there is frost, not snow as I first had thought.

Right off the top — my birthday was on Friday last week — but when I went to my hairdresser's shop on Thursday, there was a 'celebration' already begun — 'Happy Birthday' signs were all over the shop, and a lovely card with many signatures, and others followed on Friday. There was cake and punch for everyone. My Sunday School Class came in later — Cliff and other fellows came in. I'm deeply grateful!

My Sunday School Class sent me a beautiful plant. I'm sorry to admit that I lost some cards from other gifts — I'll get them straight soon, I'm sure. I had several cards from my family.

I talked to my sister, Opal, about our brother, Wayne. She states that his condition is 'stable' — I hope that is a good sign. He is passed 77 years of age — has been over-weight — but he is working on that problem — I just know he is going to be alright!

There are ten 'obits' for women listed in today's paper, and at least forty on the hospital lists. Oooh, that frightens me!

Betty Beggs worked at the school on Friday of last week helping to hang the material for the Art Show. Then on Saturday, she and Mrs. C.T. Barton attended the art exhibit.

Sally Roady and her family were very busy this week, but she managed to visit Ms. Nettie every day (at the nursing home). Their daughter, Cindy, and Jim Meyer came by on Tuesday evening. Their son, George, spent last weekend in October with them. The grandson went 'trick-or-treating' on Thursday evening. He went to the nursing home and visited his grandmother. Sally's brother, Gene Hicks, married one day last week.

Ms. Jewel Foster had a quiet week last week. Her sons visited several times. She is preparing to attend the AARP meeting later on.

We had only 190 present in Sunday School on Sunday. We had 225 the Sunday before. Church attendance was only fair — fewer than usual. I'm sure the weather had something to do with the attendance.

NURSING HOME
NEWS**

By LINDA EDINGTON
Activity Director

We all woke up to a frosty morning Monday. When I got to work the residents had already had their breakfast and were back in their beds. Not that I blame them if given a choice on a morning like that. One call for bingo and that's all it took and they were up and at 'em. They do like their bingo games.

Our housekeeper, Betty Baxter, is proud to announce that she is a new grandma. Her daughter had a 6 pound 10 1/2 ounce baby girl. Congratulations, Betty and Harold, on your new granddaughter.

Midge McCall was honored with a fried shrimp supper in celebration of her 89th birthday. This special occasion was given by her nieces, Barbara Young, Sandra Jones, and Alma Illingworth.

Dorothy Reynolds from Baird was here visiting Ronnie Walton and Lucille Stone.

Daisy King was here visiting her sister, Inez Ingram.

Sally, Bobby, and Charlie Roady were visiting Nettie Roady.

Rosalea Bonner was here visiting H.H. McDermott. Also visiting daily is Clara Nell Spencer.

Zora DeBusk from Burkett was here visiting Clara Coburn and H. McDermott.

Barbara Young, Sandra Jones, and Alma Illingworth were here visiting their aunt, Midge McCall.

John and Marlene, Suzanne and John Paul Cowen from Midland were here visiting W.M. Stansbury. Visiting daily is his wife, Mildred Stansbury.

Activities during the week:

Monday: Bingo winners were E.K. Coppinger, Madie Chambers (2), Lucille Stone, Vera Belyeu, Annabel Vaught (3), Ressa Glover, Clevia Ringhoffer (2), and Midge McCall. Exercise class and in room activities.

Tuesday: Art class. Popcorn and domino games.

Wednesday: Sing-a-Long with Vernie McMillan, Clyde Linker, Pearl Greenwood, Vera Pearl Bunnell, and Ruby McCowen. Exercise class.

Thursday: Linen folding. Domino games.

Friday: Bingo winners were Ressa Glover, Vera Belyeu, Midge McCall (2), Madie Chambers, Bertha Hoyt, Lucille Stone (2), Helen Wood (2), and Clevia Ringhoffer (2). Afternoon singing with Sister Ruby and Daisy King.

Faith is the substance of things hoped for, the evidence of things not seen.

ROWDEN NEWS

By MRS. N.V. GIBBS

We can truly say this has been an unexpected week, with Monday being a perfect warm fall day. Then about the middle of the week a severe cold spell hit. The mailbox had icicles hanging from it and the door was frozed to the box. Saturday morning you look at 25 degrees on the thermometer, and tell yourself that winter is here. Also, the Cross Plains Band had to compete with other schools in competition in Abilene this morning at Shotwell Stadium. It was impossible to keep warm.

Cross Plains residents were there in Abilene to cheer the Buffalo Band. This writer accompanied her daughter, Judy Steele, to the competition. The band was not judged as a winner this time, but there's always the spirit to continue.

Charles, Nancy and Michael Palmer of Clyde were out at Joyce Odom's place to cut wood for their fireplace.

Joyce Odom and this writer attended the funeral of Mike Cunningham in Cross Plains Sunday and also visited with Exa and Volly Joe Williams.

Those from here attending the Baird-Rising Star game Friday night were Robert and Dorothy Watson and sons, Wyatt and Cody. Blan and Jessie Odom and the Miller Scott family.

Family members of Gene and Vernie Belle Mauldin home for the weekend were Carl and Mable Mauldin of Rogers, Arkansas, Marjorie Brown and her daughter and granddaughter, Teresa Tiller, and baby Marjorie of San Antonio, also

Roland and Faye Mauldin of Denton Valley, and the Willie Masters family of Snyder.

Tony Steele and his brother, John Steele of Clyde, returned from their hunting trip to New Mexico this week.

This weekend was the opening of deer season. Several vehicles were out early Saturday morning and for sure it was a cold day hunting.

Sunday morning's cold dropped to 21 degrees. Could that be a record for October and November?

**Saver Pages
Help Make
Stamp Collecting
Fun And Easy**

Beginning a stamp collection can be difficult and confusing, but with the introduction of the Save-A-Stamp program and its Saver Page approach, stamp collecting just got as easy as 1-2-3.

This new product, developed as part of the Postal Service's Olympic Games sponsorship, adds ease and convenience to economy for sports fans or new stamp collector and helps make it fun to save, display and protect stamps. The Save-A-Stamp promotion features a clear, plastic pouch, called a Saver Page, as a means of storing full pages of Olympic, or other commemorative stamps.

The Saver Page is sturdy and holds a full sheet of postage stamps. An Olympic sport design is printed on each Page, along with the legend "Put your Stamp on the Dream - Save Stamps." A portion of the purchase price goes directly to the United States Olympic Committee to assist America's Olympic hopefuls.

Saver Pages will be available for \$1 in most post offices beginning now through the end of the 1992 Olympic quadrennium. A series of 10 designs will be produced with a new sports image introduced every six weeks. An attractive, companion binder which can accommodate pages for all 10 Saver Page designs also will be available by mail order for \$8.95.

Developed as part of the Postal Service's sponsorship of the 1992 Olympic Games, the Saver Page offers a dual opportunity for buyers. It makes saving Olympic sports stamps easy, and it helps support America's Olympic athletes.

The Saver Page is just one element of a broader philatelic program the USPS has developed in its role as an Olympic sponsor. Other aspects include the issuance of Olympic-themed commemorative and definitive stamps and an international stamp art contest.

"Each of these efforts offers employees and customers an opportunity to enjoy unique postal products while demonstrating support for America's athletes," explains Postmaster Norma Evans.

Kathleen Hope Terstegge

Mr. and Mrs. Joe Terstegge and son, James, announce the arrival of Kathleen Hope, born October 28, 1991 at 4 a.m. at Humana Hospital in Abilene. She weighed 6 pounds 10 1/2 ounces and was 18 1/2 inches long.

Maternal grandparents are Mr. and Mrs. Harold Baxter of Cross Plains. Paternal grandmother is Mrs. Florence Terstegge.

Great-grandmother is Elsie Porter of Cross Plains.

**Deadlines Announced For
Overseas Holiday Airmail**

International and military mailing deadlines to ensure delivery of airmail packages and greetings by Christmas have been announced by the local post office. The chart below shows mailing deadlines by destination and service option.

Parcels destined for military personnel and families can be sent by air most economically by Parcel Airlift Mail (PAL) and Space Available Mail (SAM).

Packages weighing up to 30 pounds and measuring 60 inches in combined length and girth may be sent to military addresses by PAL. These packages are airlifted domestically to a U.S. gateway facility, then sent by air on a space available basis to an APO (Army or Air Force Post Office) or an FPO (Fleet Post Office) for delivery to the addressee. The mailer pays only the regular domestic parcel post rate to the gateway postal center, plus airmail postage of 30 cents for parcels weighing up to 2 pounds, 60 cents for 2 to 3 pound parcels, 90 cents for 3 to 4 pounds, and \$1.20 for those weighing 4 to 30 pounds.

SAM may be used for mailing parcels of up to 15 pounds and 60 inches in combined length and girth to military addresses overseas at regular parcel post rates. SAM mail is transported domestically to gateway facilities by surface vehicle, then

flown to its destination abroad on a space available basis.

Deadlines by destination and service option are:

Africa: Air Parcels - November 18; Air Letters - December 2; PAL - November 8; SAM - October 25.

Alaska (APO): Air Parcels - December 6; Air Letters - December 9; PAL - December 2; SAM - November 22.

Australia: Air Parcel - December 2; Air Letters - December 2; PAL - December 2; SAM - December 2.

Caribbean: Air Parcels - December 6; Air Letters - December 6; PAL - November 22; SAM - November 18.

Europe: Air Parcels - December 2; Air Letters - December 2; PAL - November 22; SAM - November 11.

Far East: Air Parcels - December 2; Air Letters - December 2; PAL - November 15; SAM - November 11.

Greenland: Air Parcels - December 2; Air Letters - December 2; PAL - November 22; SAM - November 11.

Hawaii (APO): Air Parcels - December 9; Air Letters - December 16.

Middle East: Air Parcels - November 15; Air Letters - November 25; PAL - November 11; SAM - November 4.

Southeast Asia: Air Parcels -

South America: Air Parcels - December 1; Air Letters - December 6; PAL - November 23; SAM - November 1.

Mailers in Puerto Rico, the Virgin Islands, Hawaii, Alaska, and the Trust Territories should ensure that Christmas mail en route to other countries is available in the continental United States by the above dates for dispatch to destination addresses.

Garden Club Meeting

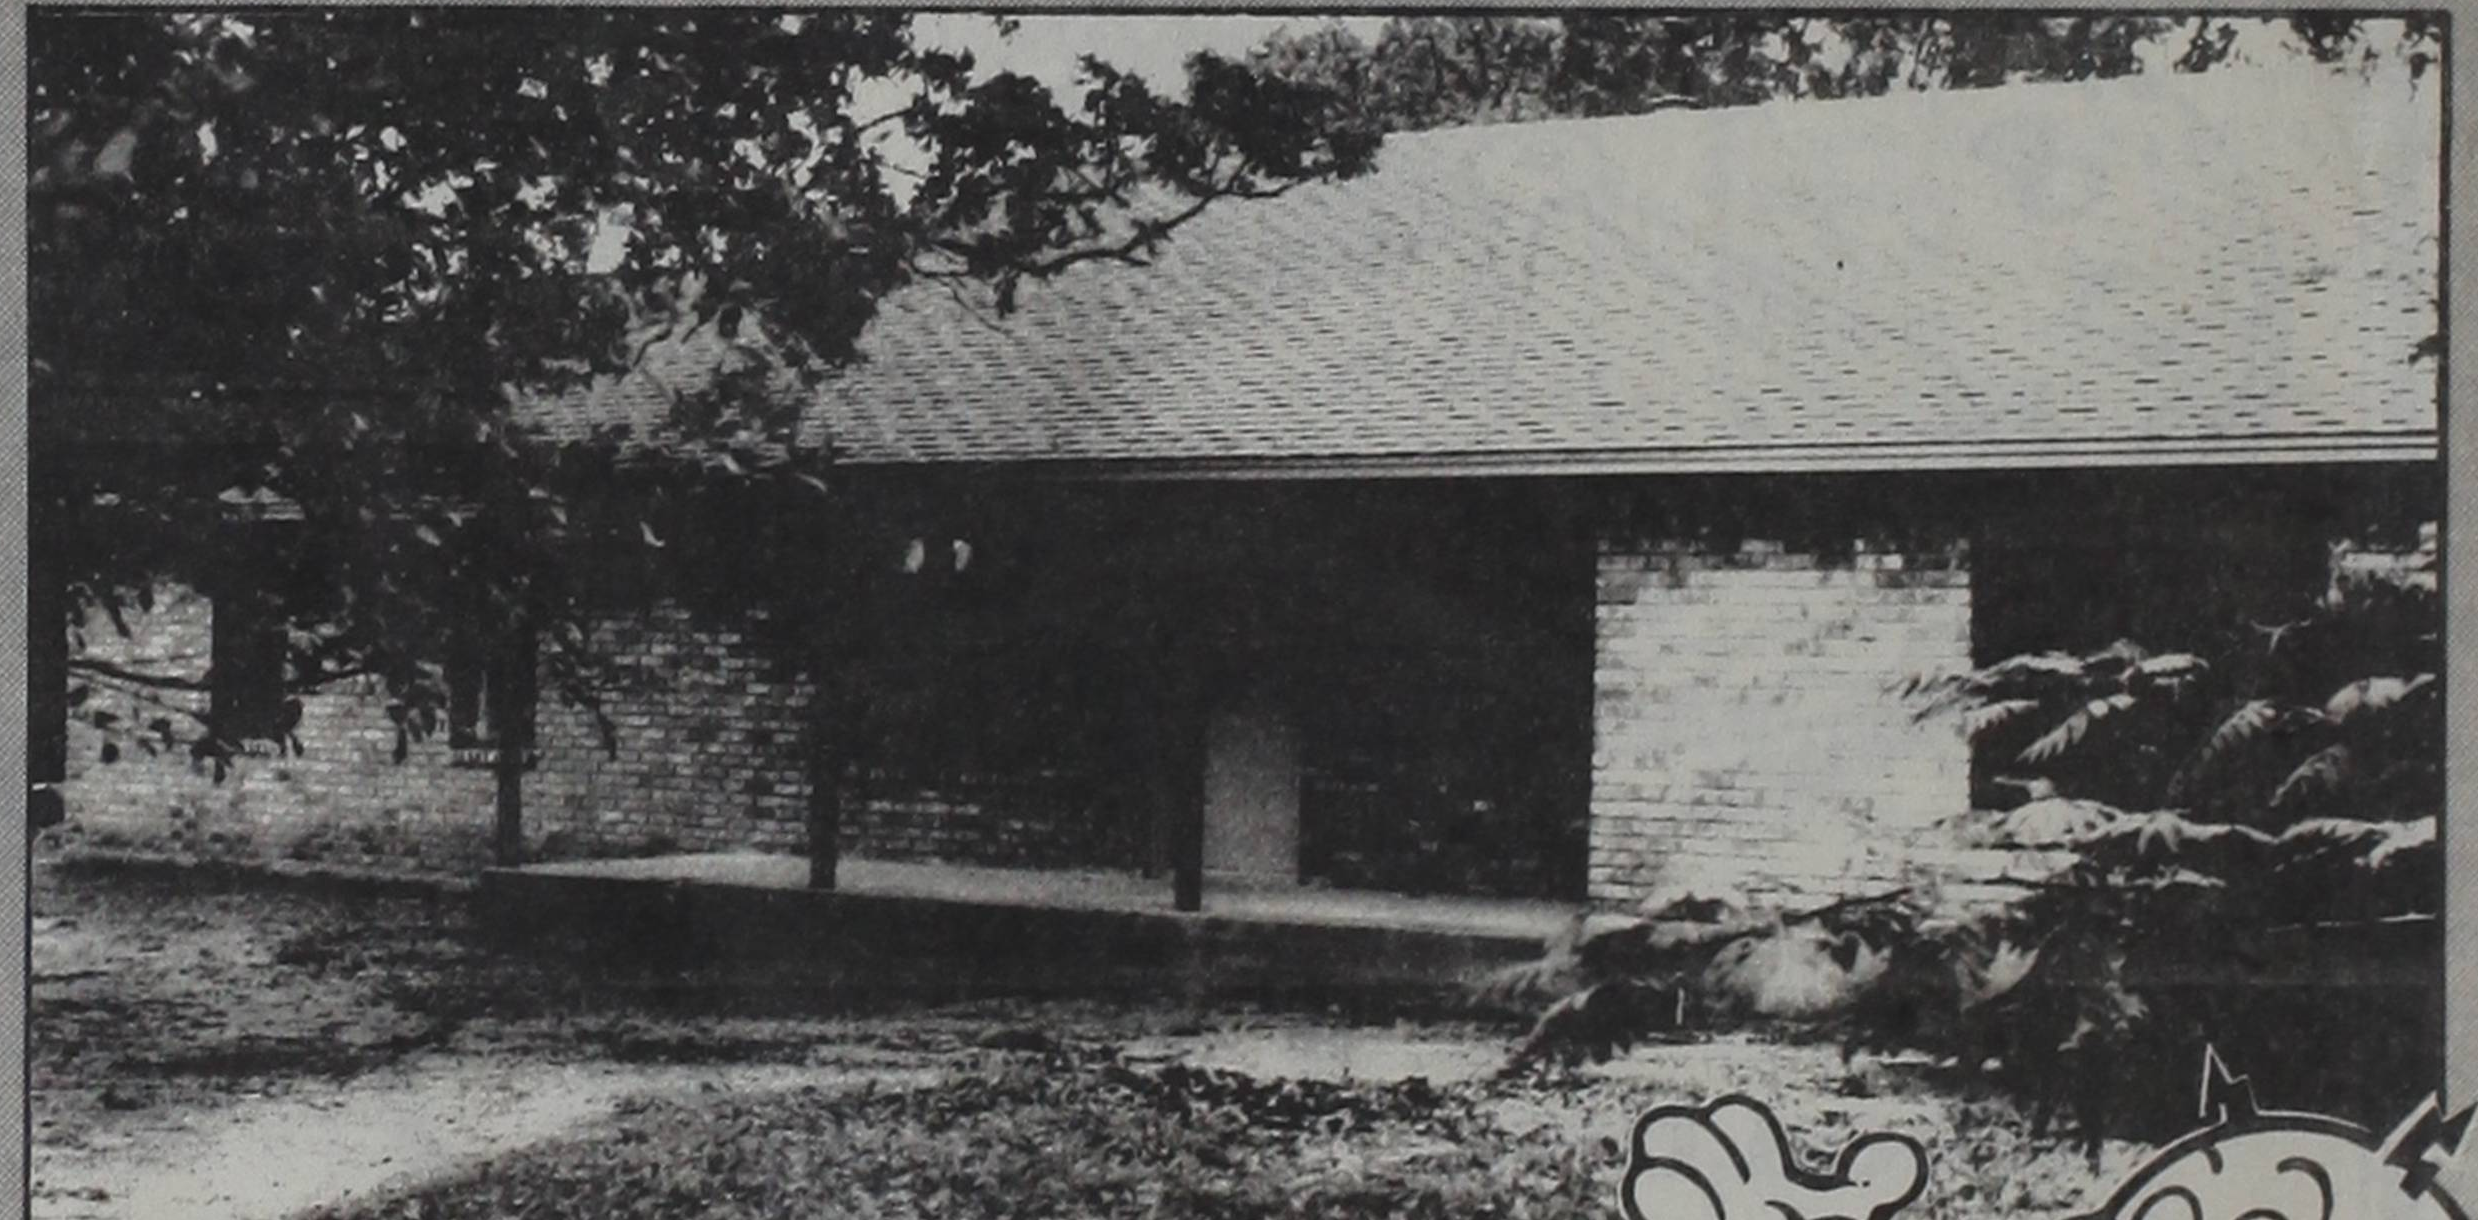

Members of Cross Plains Garden Club will meet at the Garden Center at 2 p.m. on November 8, 1991. The theme for the meeting will be "It's Our World, Eat, Drink and Be Merry." Roll call will be answered by naming a favorite Thanksgiving dish.
