Meet At City Hall For Prayer May 6

On Thursday, May 6, America will observe her annual National Day of Prayer. In conjunction, the Kiwanis Club of Cross Plains is sponsoring a time for prayer at the Cross Plains City Hall from 12:20 p.m. until 12:40 p.m. on that date (May 6). Concerned citizens are encouraged to join together and pray for a moral rebirth for America—beginning at home.

II Chronicles 7:14 reads: "If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from Heaven, and will forgive their sin and heal their land."

As we live from day to day and look around, both near and far away, we

should recognize that the need for God-directed morality is as great today as it was in the days of Solomon. Just as "charity begins at home," so must any rebirth of God-directed morality.

Since Kiwanis' first constitutional objective is "to give primacy to the human and spiritual, rather than to the material values of life," the club believes it is only appropriate to be the sponsor of "Meet at City Hall for Prayer" on this year's National Day of Prayer. Again, the club asks for and invites community-wide participation, and help in promoting this time for fervent prayer.

LOCAL BLOOD DRIVE FOR MONDAY, MAY 3

Meek Blood Bank will have a mobile unit on the parking lot of Village Market on West Highway 36 on Monday, May 3, from 2 to 6 p.m. to help replenish the community blood supply, according to Rolan Jones, Chairman. The Cross Plains Kiwanis Club is sponsoring the Blood Drive.

The local supply is currently very low

and everyone who can give blood is encouraged to participate in this worthy cause. Many individuals from Cross Plains have benefited from the gift of life in the past and it is hoped that it will remain available for those in need.

Any resident in the Cross Plains area who needs blood may contact Rolan Jones at (817) 725-7456 for free units.

Pioneer Baptist Church Schedules Revival May 2

Pioneer Baptist Church has scheduled Revival Services for May 2 through May 7. Sunday services at 11 a.m. and 7 p.m. Monday through Friday services at 10:30 a.m. and 7 p.m.

J.B. Wascom of Beaumont, Texas will be preaching. Wascom is a Church Planter with the Golden Triangle Baptist Association. He works with starting new churches in the Beaumont—Port Arthur area.

Jerry and Sharon Lewis, gifted music evangelists from Midland, will provide inspirational and uplifting music. Jerry and Sharon are Cross Plains natives.

Pastor, Dwaine Clower, reports, "We are privileged to have this fine evangelistic team in our church. We want all our friends and neighbors to join us in outstanding Gospel music and Bible preaching."

Pioneer Baptist Church is located

between Cross Plains and Rising Star. Everyone is invited to attend.

Work Day Set For Little League And Pee Wee Baseball Fields

All parents of youth participating in either Little League or Pee Wee Baseball are urged to attend a work day to prepare the grounds for the upcoming season on Saturday, May 1, at 1 p.m.

Please bring rakes, hoes, and shovels. Your assistance is greatly needed to make the program successful.

Garage Sale For Pageant Contestant

There will be a Garage Sale Saturday, May 1, at 9 a.m. at the Webb Store ("the B.W. Adams' place") near Burkett.

This is a fund-raiser for Brandi Adams to assist with expenses to the state "Our Little Miss" Pageant to be held in June at the Marriott Hotel in Irving.

Brandi will go to state as an Ideal Miss after competing in the "Our Little Miss" Pageant held on April 3 in Winters.

Winning the title Ideal Miss, she also won most photogenic, best portfolio, and two fashion awards for sportswear, and party dress.

To get to the garage sale take Highway 206; 15 miles toward Coleman, turn right on F.M. 2806, and proceed 4 miles, house is on right. Household items of all kinds, clothes, etc. will be sold.

Cottonwood Historical Association Meets Sunday, May 2

The Cottonwood Historical Association will hold its annual meeting on Sunday, May 2, in the Cottonwood Community Center. The business meeting will follow a noon lunch.

The Cottonwood Post Office and the Cottonwood Methodist Church will be open to the public for viewing during the day.

Everyone is invited to attend. Ladies are asked to please bring a covered dish for the noon meal.

On Saturday, May 1, there will be a spaghetti supper for all residents of the Cottonwood Community, former residents, and families. It will be a time of sharing the history of Cottonwood through pictures, memorabilia, documents of yesterdays, and memories of earlier days in the community.

The Community Center, the former school house, will open at 5 p.m. with serving beginning at 5:30 p.m. Spaghetti, salad, dessert, and a drink will be \$3, and festivities will continue until 9 p.m. Come join the fun!

Athletic Banquet Tickets Available Next Week

Athletic Banquet tickets will be available for purchase next week. If you wish to attend the banquet, tickets may be purchased at the following locations: West Texas Utilities, Dal-Mar Energy, Higginbotham's, and at the high school office.

The banquet will be held at the Community Center on May 11, 1993 at 7 p.m. The meal will consist of shrimp, baked potato, salad, dessert, and a drink for \$6.50 a plate.

Everyone is encouraged to come help support the athletes and cheerleaders for all their hard work and accomplishments.

Remember To Vote Saturday, May 1

Voting in the General Election and two local elections will take place on Saturday, May 1, at the Cross Plains Community Center from 7 a.m. until 7 p.m.

The Cross Plains I.S.D. Board of Trustees has two places up for election with Rex Beggs, Monty Richards, and

David Holmes seeking terms. Beggs and Richards are both incumbents.

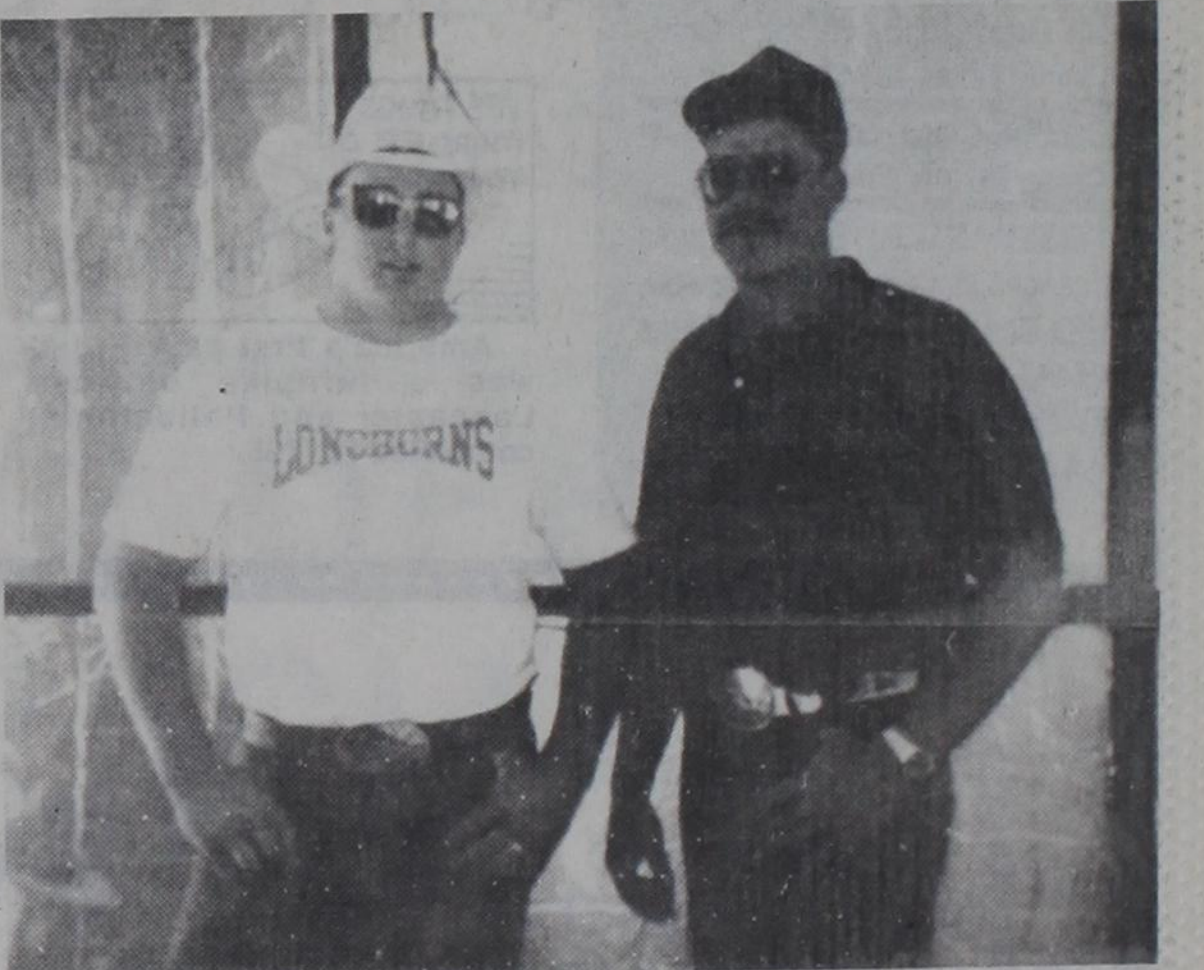

Three City Councilmen will be elected from a field of five candidates including Ray Purvis, Donald Beeler, Gary Childers, Lester Wyatt, and Leon Nixon. Childers is the only incumbent.

See sample ballots inside this issue.

Chamber Of Commerce Appreciates Cooperation On 9-1-1 Project

The Chamber of Commerce would like to thank Project Pride, Kiwanis, and the Garden Club for helping put up 9-1-1 numbers and also for providing lunch for the workers this past Saturday.

Our joint efforts are proof that we are "A CARING COMMUNITY LOOKING TOWARDS THE FUTURE."

Colonial Oaks Services

Believer's Fellowship will conduct worship services at Colonial Oaks Nursing Home on Sunday, May 2, commencing at 3:30 p.m.

Post Office Survey

Postmaster Norma Evans would like to announce that there has been a survey compiled and mailed this morning to every resident with a Cross Plains delivery address. Postmaster Evans hopes everyone will participate and return the completed survey to the Post Office, in order to better serve the customers in her jurisdiction.

Automation is already beginning to affect the mail received here in our community and it is extremely important that you use complete and correct addresses to assure that your mail will be delivered promptly and without the possibility of the mail being returned to sender. It is true, they know most of you by name, but the machine that now sorts your mail in another facility does not read anything but a delivery address; therefore, returning improperly addressed mail.

Any problems that you may be experiencing need to be brought to the post office's attention, and hopefully this survey will give you the opportunity to do that. Also, it should give them an idea about the things that are going smoothly as well. Postmaster Evans would like to thank you in advance for your participation and looks forward to improving your service wherever possible.

Little League Registration Deadline May 8

Any parents who have kids playing Tee Ball or Little League who have not paid their registration fees, please do so by May 8 or before.

Many businesses in town and individuals have been very faithful in their contributions in order to keep the baseball program going in the community. As you can see by the number of kids coming out, there is a great need of the program continuing.

As parents it is our responsibility to see the registration fees are taken care of. The fee helps go towards payment of insurance and suits for the child.

Rural Health Committee To Visit Eastland May 5

Robert DeLuca, D.O., of Eastland, will host the next meeting of the Executive Committee for the Center for Rural Health Initiatives on May 5 at the Eastland Memorial Hospital Conference Room. Dr. DeLuca has been a member of the committee since 1992. The meeting is set for 1:30 p.m. and is open to the public. The hospital is located at 304 South Daugherty Street in Eastland.

The Center for Rural Health Initiatives is the state's office for rural health. The Center operates a physician recruitment program called HealthFind, which brings together primary care physicians interested in rural practice with rural communities needing physicians. The Center also helps rural communities with grant writing, provides technical assistance in the establishment of rural health clinics, and operates the Outstanding Rural Scholar Recognition Program, which encourages communities to "grow their own" health care professionals.

Executive committee members from across the state and Center staff members will tour Eastland Memorial Hospital and Dr. DeLuca's clinic the morning of May 5. The hospital auxiliary will host a luncheon for board members, Center staff and invited guests before the meeting. The meeting's agenda includes consideration of 22 applications to the Outstanding Rural Scholar Recognition Program. Among the applicants is a student from Jones County. There are currently 20 Outstanding Rural Scholars in the program, including students from Comanche and Stephens counties.

"One of the most exciting and gratifying things the Center does is to help outstanding rural students pursue their dream of a health career," says Claudia Siegel, executive director of the Center.

For more information, contact the Center for Rural Health Initiatives in Austin at (512) 479-8891.

Texas State Soil And Water Conservation Board Member Election Slated For May 4

TEMPLE — The regular election of a member to the Texas State Soil and Water Conservation Board to represent State District Five is scheduled for May 4 at Stephenville High School, Stephenville. The election will begin at 6 p.m.

The Texas State Soil and Water Conservation Board, an agency of government, was created in 1939. Unlike many state agencies and commissions whose policy making bodies are gubernatorial appointees, the State Board consists of five elected members.

State Board members are elected in a convention type election by delegates from soil and water conservation districts within the state district the member is to represent. Qualified delegates voting in the election must be landowners, reside in the soil and water conservation district he or she represents at the convention, and be actively engaged in farming or

ranching. Each soil and water conservation district in State District Five selects one delegate to attend the election.

Each State Board member serves a two-year term and represents one of five State Districts. Each member must own agricultural land and be actively engaged in farming or ranching.

State District Five, which consists of 51 counties in the Central to the North Central region of the state, has 40 soil and water conservation districts within its boundary. Collectively, Texas has 212 SWCDs within its statutory five state districts.

The Texas State Soil and Water Conservation Board's chief responsibility is to coordinate the programs of Texas' soil and water conservation districts and assist them to develop and carry out local conservation programs.

3 Incumbents And 2 New Members Elected To Texas Wheat Producers

The eleventh biennial election of the Texas Wheat Producers Board ended with the canvassing of ballots Friday, April 2, according to Keith Spears, Chairman.

Newly elected to serve six-year terms were: David Moore, Dumas, District I (North Plains); and Gary Murphy, Dawson,

District IV (all other counties in Texas). Incumbents re-elected were C.L. Edwards, Panhandle, District II (South Plains); W.R. Moore, Jr., Munday, District III (Rolling Plains); and Foy Gibson, Lometa, District IV (all other counties in Texas). All names on the ballot were requested by the applicant with support of ten other producers. Ballots were sent to over 41,000 commercial wheat producers in the state, with available space for write-in candidates. Of the write-in names on the returned ballots none garnered a high enough number of votes for election.

Wheat producers fund TWPB with one-cent self-assessment on their deliveries of wheat at commercial handlers, principally at country elevators and feedyards. Proceeds from such participation supports programs of foreign and domestic market expansion, food and wheat technical service, insect control, research and demonstrations, and other activities are designed to strengthen wheat producers income. In addition to the five elected, other TWPB members are: Jack Norman, Howe; Keith Spears, Vernon; Otis Harman, Tulia; Frank Zinser, Hereford; Cagle Kendrick, Stratford; Ben Scholz, Wylie; Scott McGarraugh, Perryton; Ralph Sides, Childress; Bob Beakley, Ennis; and Billy Vinson, Abilene.

The Texas Agricultural Commodity Referendum Law directs the makeup of and requires the appointment of a ballot canvassing committee. Those appointed by Chairman Spears were: Arthur Ware, Potter County Judge, Amarillo; Bedford Forrest, Texas Department of Agriculture, Amarillo; Mr. Paul Gross, District I Extension Service Director, Amarillo; and C.L. Edwards, Panhandle.

Results of the election vote have been certified, by the Canvassing Committee as required, to the Texas Commissioner of Agriculture, Rick Perry.

The new and re-elected board members will be seated at the organization's next meeting May 19 in Vernon.

Outgoing board members who did not seek re-election are Kenneth Keisling of Dumas; and Dennis Rabbe, Crawford.

American Horse And Cavalry Review

On May 1 the American Horse and Cavalry Review, an event previously known as Sabers, Saddles, and Spurs, will be held on the grounds of Fort Concho National Historical Landmark. As has been the custom for the past four years, an exciting day of special programs is planned.

On Friday night, April 30, from 6:30 to 9 p.m., the festivities, free to the public, begin with an equestrian art exhibit and the opportunity for charitable bids to be placed on a favorite horse and rider who are scheduled to compete and perform on Saturday, May 1.

Saturday morning, an opening ceremony and parade at 10:30 a.m. will be followed by polo, jumping, performances by the San Angelo Saddle Club, side-saddle demonstrations, a presentation by the Tom Green County Sheriff's Posse, an historical overview and drills by Fort Concho Cavalry, and dressage, and more jumping before the closing ceremony at 4:30 p.m.

This year's review is dedicated to the memory of the late Major General Otto Scherz, a stalwart and primary supporter of the restoration of Fort Concho National Historic Landmark. The events are organized by The San Angelo Museum of Fine Arts and Fort Concho National Historical Landmark with the generous support of Dora and Walter Pfluger, Donna and Cal Sugg, Suzanne and Joel Sugg, Mary and Andy Sugg, the law firm of Smith, Carter, Rose, Finley and Hofmann, Bank of the West, Trend Furniture, Holland Jewelry Company, Town and Country Food Stores, Coca Cola Bottling Company, Amity Furniture, San Angelo JayCees, and Shannon Medical Center.

Local Youths Exhibiting In Annual Spring Show At CJC

The Art and Photography Departments, under the direction of Mrs. Sue Mullinax, are pleased to announce the Annual Spring Show in the Manor Memorial Library during the month of April and the first week in May.

The students' work is of exceptional quality and diversity this year, and many of them are for sale.

The Design I class is showing collage, pastel, pen and ink, markers, watercolor, acrylic, and tissue paper.

In the Design II class Calvin Champion of Cross Plains is showing an abstract painted wood assemblage named "Marilyn Monroe: Press Conference, 1962." He is also showing a trio of pencil drawings: Patsy Cline, Marilyn Monroe 1957 and 1953. During last semesters' Design I class he painted a watercolor entitled "Time and Change: 1812 Overture" which shows the flames of war behind a southern mansion and the same mansion reflected in a pool in a burned, ruined state. This was inspired by Tchaikovsky's 1812 Overture.

Becky McKeehan of Cross Plains is exhibiting photos entitled "Reflection," "Clay Bank," a close-up of "Falling Water," a waterfall "From the Top," "Tree Bark," "Pillars of the Dam," a portrait of "Starla," "Palmetto," "Green Canopy," a sunset called "The End," a close-up of "Ribbon," and a photo of a curved angel over a grave called "Someone to Watch Over Me."

The student exhibit will be on display until after graduation ceremonies in May. Library hours are 8-4 a.m. Monday through Friday, 6-9:30 p.m. Monday through Thursday, and 6:30-9:30 on Sunday evening.

C.P. STUDENT REVIEW

Lady Buffs To Run At Regional This Weekend

By COACH BILL BOYD

This Friday and Saturday at ACU's Elmer Gray track and field stadium the best track athletes in Region II will vie for the team title. Any individual who places in the top two places in their event qualifies for the state track meet held May 14 and 15 in Austin.

We have qualified a large group of athletes and I can see us finishing anywhere from sixth all the way up to first. I see Lindsay, Valley View, Roscoe, Rock Springs, Jayton, and Cross Plains in no particular order being the top six teams. It all comes down to two days of who is the most competitive and determined group.

This past weekend we ran at the regional qualifiers meet at Breckenridge and had some good performances. We competed against schools from all classifications. The competition and experience was good for us. The results are as follows:

- 400 Relay: 52.23, new school record, Stover, Dallas, Welch, Flippin
- 100: Strickland, 13.43
- 400: Dallas, 64.62, Potter, 69.81
- 200: Potter, 28.98

1600: Steele, 5:46.66, 6th, 78/90/91/87
3200: Phillips, 13:37.46, 6th, 2:50/3:27/3:45/3:35

800 Relay: 1:54.13, Stover-30.11, Dallas-27.94, Welch-28.24, Strickland-27.84

1600 Relay: 4:26.55, Welch-65.49, Phillips-64.08, Steele-71.26, Flippin-65.72

Shot Put: Sowell, 37'7", 3rd
Triple Jump: Flippin, 33'7", 5th; Welch, 32'1/2"

Long Jump: Flippin, 16'1"

Regional Qualifiers

400 Relay: Stover, Dallas, Welch, Flippin, Strickland

800 Relay: Same as 400 Relay.

1600 Relay: Welch, Phillips, Steele, Flippin, Dallas, Potter

April Students Of The Month

By CA

Four more Cross Plains students have been selected by the faculty as C.P.'s Outstanding Students for the Month of April. The two high school students selected were Brock Walker and Rhonda Swift.

Rhonda (a senior) is the daughter of John and Connie Swift. Rhonda, according to the nominations turned in by the faculty, exhibits "good citizenship, effort, leadership in G/T, and a good attitude." She has been involved in a variety of activities this year, including track, OAP, the Gifted/Talented Program, band, and is a member of the National Honor Society.

Brock (a freshman) is the son of Randy and Vickie Walker. The faculty selected Brock on the basis of his "consistent hardwork," and "leadership," and "interest in learning." During his freshman year, Brock played football, basketball, participated in OAP, and is a member of the Gifted/Talented Program.

The middle school students were Chris Wood and Jolena Fleming.

Jolena's parents are Jim and Charlene Fleming. The middle school faculty felt she deserved the recognition because of her "excellence in academic work as well as citizenship." Jolena is a sixth grader this year and is a member of band and participates in U.I.L. academic competition.

Chris is the son of Cindy and Leonard Wood. He is an eighth grader, involved this year in football, basketball, and track. The faculty selected Chris because he is "well mannered, consistent, and shows great effort and is conscientious."

BURKETT NEWS

By TERRI BUSHNELL

The Burkett Bible Study Class held a day of inspiration on Tuesday, April 20, at the home of Yuna V. Burkett. The leaders were two ladies from San Angelo, Mrs. Amalia Gibson and Ernestine Scott. Mrs. Gibson is active in Christian groups in her city, and Mrs. Scott is owner of the New Life Book Store in San Angelo. In both morning and afternoon session the topic was conversions in prayer. The pianist was Mrs. Hazel Moore of Brownwood, who led the group in lively songs and choruses throughout the day. Christine Long contributed several original songs. Lottie Grunski made a very interesting talk on her travels to Israel. Twenty-two ladies were in attendance, including those from San Angelo, Brownwood, Cross Plains, and Burkett. Special thanks are extended to Yuna V. Burkett in being hostess to the group. A retreat such as this may grow into an annual occasion.

Melba Walker attended the Baptist Association meeting at Valera Tuesday evening. Everyone enjoyed an interesting supper, followed by a delicious supper. Melba returned home around the 16th of April after an extended visit in Ft. Collins, Colorado with her daughter and son-in-law, Mr. and Mrs. Ned Pickett and daughters, Hannah and Hillary Leigh. The new baby's birth was the occasion for Melba's visit. Hillary Leigh was born April 1, 1993, weighing 8 pounds 7 ounces. She is doing well, and the family is adjusting to their new addition. Hannah says the new baby is hers and she loves her. Melba is proud to be a grandmother for a second time around.

Virgil Burkett and his sister, Lucille Cross, spent Saturday in Snyder with their sister and brother-in-law, Emma and Delbert Boyle. It was Delbert's birthday and Lucille celebrated her birthday the following day. They both celebrated together at the home of Tommie and Bonnie Strickland. Freeda was unable to attend, because she has been feeling bad for several weeks. Freeda visited her doctor Friday and was given antibiotics for serious congestion in her lungs and head, and she is feeling much better.

Those visiting Freeda Burkett Tuesday were Mrs. Betty Klinders of Camdenton, Missouri and her sister, Mrs. Tom (Evelyn) Cowan of Nacona, Texas, and their aunt, Mrs. Byrd. They stopped by to leave a donation for the Cemetery Fund and expressed their appreciation for the cemetery being so clean and beautiful.

Clairene Edgar of Millersview spent Tuesday of last week with her sister and

brother-in-law, Freeda and Virgil Burkett. She stayed overnight and left for home the next day.

Eureta and Jody Whitley of San Saba and Jack and Lovera Strickland visited with Lat Mountain. Lat has been on the sick list for several weeks. He is home after spending a few days in Brownwood Regional Hospital. He is not able to be out and about, but enjoys the company of family and friends.

Beverly Strickland has not felt well for awhile. She is in Hendrick Medical Center in Abilene. We wish all those who are not feeling well a speedy recovery.

Janette Burns visited her sister and brother-in-law, Gerry and Bill Young in Lubbock, over the weekend.

Pat DeBusk visited his parents, Jack and Zora, over the weekend.

Montie Jennings' visitors were Glenda Hutchins of Bangs, Jo Davee, Wilda Tomlinson, and Lois Garrett.

Doris and Andrew Walker's visitors were their daughter, son-in-law, and grandchildren, Merle and Gene Amos, Michael, Scott, and Toby. Paul left with them to go to Longview to visit with Gene's mother who wasn't feeling well. The Amoses are from Yellow Pine, Idaho. Andrew and Doris attended the Annual CCC Reunion at Lake Brownwood.

Parvovirus Diagnosed In This Area

There has been an alarming number of parvovirus infections diagnosed in this area since the first of the year. Canine parvovirus is a viral disease of dogs which is capable of causing two different sets of clinical problems. The first to be recognized, and the most common, is the "intestinal form" which is manifested by bloody diarrhea, vomiting, loss of appetite, depression and often death. The second to be recognized is the "cardiac form", which occurs in very young pups and is manifested by an acute inflammation of the heart muscle.

Any age, breed or sex of dog can be affected by parvovirus. Several factors such as age, environment, stress, parasites and general health status of each individual dog infected could affect the severity of illness. The disease is usually more severe in young dogs (less than 6 months of age) or old dogs. Early, vigorous treatment of the illness is imperative since vomiting and diarrhea can lead to dehydration and chemical imbalance in the body.

Control of parvovirus by sanitation measures alone is extremely difficult because the virus is such a resistant, hardy organism and because it is so easily spread. Parvovirus is transmitted through contact with the feces of an affected dog. The virus can be carried on the dogs hair and feet, as well as on contaminated cages, shoes, or other objects. Isolation of infected dogs is one method of control, although moderately effective. Just as any other virus, only vaccination of susceptible animals will control the actual source of infection.

A properly immunized dog will have circulating protection in the blood that will destroy parvovirus following exposure. It is important to begin vaccination at an early age and repeat every 2-3 weeks until the puppy is at least 14-16 weeks old. Adult dogs should receive two doses of vaccine given 3-4 weeks apart for maximum protection. All dogs should receive an annual booster vaccination to assure an enduring immunity.

Comparing the dog population in this area to the number of parvovirus infections that have been diagnosed, we have an infection percentage comparable to any other area in the state.

'Raise The Roof' Sale May 7 And 8

Plans for the sale of the year are nearing completion, and the date is Friday and Saturday, May 7 and 8, from 8 a.m. to 6 p.m. in Higginbotham Center, Rising Star.

Sales Tax Rebates Up In Cross Plains

The City of Cross Plains is reporting 1993 one percent city sales tax payments running 0.18 percent ahead of the 1992 payments of the tax. Cross Plains 1993 sales payments have amounted to \$15,730.21, while the 1992 sales tax rebates were \$15,702.17.

The city's monthly sales tax check for April 1993 was \$2,166.18, a 37.65 percent decrease from the April 1992 tax payment of \$3,474.04.

Other Callahan County towns reporting sales tax payments include:

— Clyde's retail sales this year are running 9.50 percent ahead of last year's sales, according to city one percent sales tax rebates announced by the State Comptroller's Office, Monday, April 12.

John Sharp, State Comptroller, said that 1993 sales tax payments in Clyde are running 9.50 percent ahead of tax payments made to the city in 1992. He said that the sales tax rebates for the City of Clyde have amounted to \$29,224.38 so far in 1993, a 9.50 percent increase in sales taxes payments compared to the same time period last year. The 1992 payments to the city during the same payment period were \$26,687.76.

The city's monthly payment for April 1993 was also higher than the same payment in April of 1992. Sharp reported a check to Clyde for April 1993 amounted to \$5,664.91, while the April 1992 sales tax payment was \$5,397.52, a 4.95 percent increase from last year.

— The City of Baird reported that sales tax payments in 1993 are 23.79 percent ahead of 1992 payments. The city had received \$13,194.40 so far in 1993, while the 192 tax payments to the city were \$10,658.93.

The town's monthly payment for April 1993 was \$2,372.23, a 48.34 percent increase from the April 1992 sales tax payment of \$1,599.18.

— The City of Putnam is reporting that the 1993 payments to the town were \$3,284.06, down 3.14 percent from the 1992 payments to the city in the amount of \$3,390.36.

Putnam's tax payment for April 1993 was \$627.23, down 25.00 percent from the April 1992 payment of \$836.27.

Countywide, sales tax payments in 1993 for Callahan County are running 8.85 percent ahead of the 1992 payments in the county. Callahan County towns have received sales tax payments in 1993 amounting to \$61,433.05, while the 1992 payments to the county towns totalled \$56,439.22.

The rebates in Callahan County for the month of April 1993 are \$10,830.55. That amount was 4.21 percent below the April 1992 payments of \$11,307.01.

Statewide, sales tax payments in 1993 are 9.69 percent ahead of 1992 rebates, according to Sharp's figures. The state has sent out checks totalling \$461,315,326.62 in 1993, while the 1992 payments to the state's cities were \$420,557,706.44.

Merchants collect the state and local sales tax and send it to the Comptroller's office with their tax returns. The state keeps its 6 1/4 percent share and returns the local one percent sales tax each month to local governments. Cities and counties may levy a combined tax of up to two percent above the state's sales tax, however all Callahan County towns only levy a one percent city sales tax, Sharp said.

The April checks include taxes collected on February sales and reported in March by businesses filing monthly sales tax returns with the state. Businesses file either monthly, quarterly or annually depending on the amount of sales tax they collect.

All local sales taxes must be approved by local voters and may be used for any legal city or county expenses. Most areas put the money in their General Fund and use it for normal operations like fire fighting, maintaining roads and law enforcement, Sharp said. Some cities use an additional 1/2 percent city sales tax to help fund local economic development and to reduce property taxes.

Propositions One, Two, And Three Translated Before May 1 Election

On a statewide level, the May 1 election will feature a race to fill the U.S. Senate seat vacated by Lloyd Bentsen and currently held by Bob Krueger.

A total of 26 candidates met the Wednesday, March 31, deadline for a place on the statewide ballot. The large field of senatorial candidates includes Krueger, Kay Bailey Hutchinson, Jose Angel Gutierrez, Joe Barton and Jack Fields.

Also, Texas voters will decide on the "Robin Hood" constitutional amendment on public school finance.

The proposal would allow statewide and countywide redistribution of property taxes from school districts with high property values to those with lower values.

Two other amendments will be on the ballot. One would exempt school districts from the obligation of complying with unfunded state education mandates and the second would authorize the issuance of \$750 million in state bonds to assist school districts in partially financing facilities.

PROPOSITION ONE:

As it reads on the ballot:

"The constitutional amendment allowing limited redistribution of ad valorem taxes for schools, authorizing the legislature or local districts to set a minimum tax rate in county education districts, and placing a cap on the ad valorem tax levied by county education districts."

Translation:

This amendment would allow Texas lawmakers to pass a school funding plan that redistributes property taxes raised in school districts with vast property wealth among other school districts within the same county and statewide. It also permits grouping of school districts within County Education Districts. State lawmakers could set property tax rates within CEDs and school districts or leave the rates up to local boards. The CED tax rates could not exceed \$1 per \$100 valuation, unless local voters approved an increase. The amount of money annually redistributed within CEDs could not exceed 2.75 percent of state and local education spending, about \$407 million at current spending levels.

PROPOSITION TWO:

As it reads on the ballot:

"The constitutional amendment exempting a school district from the obligation to comply with unfunded state educational mandates."

Translation:

Except for mandates imposed in compliance with the Texas Constitution or federal law, or those approved by two-thirds of the Texas House and Senate, a school district may not be required to comply with a state requirement unless the requirement is fully funded. The amendment requires lawmakers to devise a method of determining whether mandates are fully funded. If no method is devised, then school boards could bring individual complaints to the state comptroller, who

would have the power to make a determination.

PROPOSITION THREE:

As it reads on the ballot:

"The constitutional amendment authorizing the issuance of \$750 million in state general obligation or revenue bonds to assist school districts in partially financing facilities, authorizing the state to forgive payments of loans made to a school district for partially financing facilities, and repealing the authorization of \$750 million in state revenue bonds guaranteed by the permanent school fund."

Translation:

This amendment would repeal a constitutional provision allowing the state to guarantee state revenue bonds with the state's dedicated fund for education. Instead, state lawmakers would be authorized to issue up to \$750 million in state-backed general obligation or revenue bonds for the purpose of making loans to, or purchasing the bonds of school districts

for the acquisition, construction or improvement of instructional facilities, including furnishings. The amendment also allows the state to forgive payment of principal and interest on all or part of a loan made to a school district for facility needs.

Santa Anna Funtier Days May 1-2

The first weekend in May will be an historical occasion for both Texas and the Comanche Nation. The Tribe will camp at Santa Anna's Peaks for the first time in more than a century. The Peaks were once the home of Santa Anna, a powerful Comanche War Chief of the Penatuhkah Comanches in the late 1840's.

The festival will begin with a parade on Saturday, May 1, and continue through the weekend. The Comanche Pow Wow will be the featured event, including tribal dances, tipis, art, and other activities important to Comanche cultural heritage.

In connection, Sam Houston and other friends of the Comanche of the 1840's will be portrayed by the Texana Living History Association. Plans also include for the "Comanche Little Ponies," a group of school-age dancers to attend the Santa Anna public schools on the Friday prior to Funtier Days.

Join them for a weekend of both history-in-the-making and history-in-

the-retelling. For more information call Santa Anna City Hall, (915) 348-3403.

Census Bureau Report

Callahan County ranks third among Big Country in median family income, according to 1990 Census Bureau data released last week.

Only Taylor County (Abilene) and Scurry County (Snyder) had higher family income among the counties in this area of the state.

Callahan County had median income of \$25,479, which placed the county exactly at the halfway point among the state's 254 counties in the rankings.

Taylor County had a median income of \$29,316, which ranked it 65th in the state. Scurry County's income was \$28,113, which ranked it 80th.

The number one ranking was held by Collin County, at \$52,987, and the lowest was Starr County, with \$10,903, which was also the lowest income of any county in the nation.

Big Country counties ranked lower than Callahan were Stonewall, Haskell, Brown, Nolan, Shackelford, Fisher, Runnels, Stephens, Jones, Knox, Mitchell, Comanche, Eastland, and Coleman, which ranked lowest among the area counties with a median income of \$19,728.

Local Tiger Cub Scouts Hold Picnic And Fun Day

By BRENDA NELSON

Tiger Scouts held their Den Meeting April 23 with a picnic supper following. Boys opened with a flag ceremony, then made plans for next month. They practiced a skit to perform for the Pack and took turns sharing the various Family Activities each did at home all month. Our Big Idea for April was "Making Your Family Special." By doing Family Activities, Tigers and their Adult Partners explored the things that make their family unique, and strengthened family bonds, which is one of the main goals of the Tiger Cub Program. We live in a fast-paced world nowadays and often without realizing it many families neglect spending quality time together.

With our Family and Tiger Group Activities, our aim has been to stop and take time-out to spend with the boys and their families doing new and exciting things while simultaneously building a closer relationship, sharing our own ideals, values, dreams, and building self-esteem and confidence in these boys.

Tigers are able to choose from a list of activities in the handbook or make up their own to go with each month's Big Idea and they receive awards based on those they have done. Awards for April were presented after sharing stories. The group then moved outdoors for our group picnic. After the meal we played nature and Easter games and formed a brotherhood circle for a closing Benediction. On their way home each boy received an Easter bag filled with treats. Members present were: Josh and Brenda Nelson, Jordan and Vicki Hataway, Andrew and Mack Taff, Marcus and Vicki Williams, Dusty and Bonnie Dickson. Also: Jonathan Nelson and Justin Dickson.

The following evening Tigers met again for an event they have eagerly awaited all year. We held a Fun Day for our Behavior Candle Victory Party. At the beginning of the year a behavior candle was introduced into all our meetings. It is lit after the opening each month and burns until three quiet signs are used up or until each meeting is closed. Boys were promised the Fun Day party when the candle burnt down. It was naturally quite a task for six first grade boys to keep this candle burning throughout the year. But after eight months and eight meetings, victory is theirs! Adults awarded their efforts with a make-your-own ice cream sundae party. Boys were allowed to create their own sundae masterpiece from a variety of toppings. Afterwards, each Tiger teamed up with his Adult Partner for several games together. A special time was had by all, and now we are refreshed and ready to begin our last month together as Tiger Cubs in May before promoting up to a new Den. Attending the party were: Josh and Brenda Nelson, Jordan and Vicki Hataway, Andrew and Mack Taff, Marcus and Vicki Williams, Dusty and Bonnie Dickson. Also: Jonathan Nelson, Jaron Hataway, Justin Dickson, and Jennifer Turner.

Input Sought On 2nd History Book

The Callahan County Historical Commission is asking the public to help it determine if there is sufficient material available for a contemplated second volume of Callahan County History. The first volume, called I REMEMBER CALLAHAN, was published in 1986 in conjunction with the Texas Sesquicentennial celebrations, with Hicks Turner as editor.

Like that volume, the second volume would focus largely on family history writeups and photos submitted by the public. Many individuals have stated

regret at missing out on submitting something for the first volume. This would be another chance.

The second volume also would permit expanding, updating or modifying earlier writeups.

If in the first book you wrote about grandpa's family, or papa's family, this would be the time to write about YOUR family, or for your grown children to write about their's. Photos of general interest, relating to Callahan, are also being solicited for publication.

Please express your interest now by using the information coupon below

and/or contacting one of the Committee Members listed on the coupon. (Bear in mind that writeups can be submitted in longhand if desired. A limit on number of words will be set later—probably between 500 and 1000 words per writeup.)

It is currently anticipated that the new volume would be the same size as the previous one, but only about half as thick, and perhaps in the price range of \$30-45 each.

The Commission hopes to make a decision on whether to proceed within the next few weeks.

Clip and fill in the information coupon below. Mail it, hand it, or call it in to one of the following Callahan County Historical Commission Members: **Baird:** Felix Manion, Box 1178, Baird, 79504, Tel. 915-854-1596; **Clyde:** Mrs. Alleen Briscoe, P.O. Drawer A, Clyde, 79510, Tel. 915-893-2782; **Cross Plains:** Susan McNeel, Box 505, Cross Plains, 76443, Tel. 817-725-6498; and **Putnam:** Ida Mae Waddell, Box 957, Putnam, 76469; Tel. 915-662-3665.

INFORMATION COUPON

Yes, I plan to contribute _____ (number) family writeups that were not covered in the First Volume of Callahan History.

Yes, I plan to contribute _____ (number) updates, expansions or modifications of writeups that appeared in the First Volume.

Yes, I plan to contribute _____ (number) articles of general historical interest relating to Callahan County (such as about people or organizations; persons from Callahan who may have been noteworthy in endeavors within or outside Callahan: politicians, athletes, coaches, professors, scientists, businessmen, writers, military achievers, etc.; noteworthy events, such as unique crimes and court cases, major accidents, natural disasters, the "big grass fire" etc.)

Yes, I tentatively plan to purchase _____ (number) copies of the Second Volume when it is offered for sale. (This is a non-binding estimate for planning purposes only.)

Farm And Ranch Estate Planning

Could you give them a bit of help? The Texas Agricultural Extension Service is sponsoring three, two-day Farm and Ranch Estate Planning Seminars for farmers and ranchers at the following locations:

Portland: May 13-14
Lubbock: May 20-21
San Antonio: May 24-25

The two days are designed to give a thorough analysis of relevant income and estate tax rules as they affect families and their agricultural businesses. It is designed for each married couple in that it discusses estate administration and tax reporting requirements for the surviving spouse. This same information is useful

for potential executors and trustees of estates and to all who want to make their estate settlement less of a burden to their loved ones. The goal is to give the participants knowledge sufficient to make an informed choice as to the best alternative for their family and financial situation.

If you have questions, please call Wayne Hayenga or Carol Sabo at (409) 845-2226.

MINUTE MUSINGS

By ESTHLOY S. DICKSON

Yesterday, on the 25th, someone asked me 'how many more shopping days 'til Christmas? Let's just take them, one day at a time, as the Good Lord wills.

This Monday morning looks great out there. A pair of quail in my front yard are a welcome sight. Not a leaf stirring at this time. There is also a little old 'stray mutt' out there — I don't need him — I don't want him (or her?) out there.

On Monday and Tuesday of last week, J.T. and Betty Beggs visited in Temple with Rusty Beggs and family. On Friday and Saturday, Nikki and Tony Beggs and Betty had a great time at the Buffalo Gap Art Festival.

There were twelve 'old' ladies in my class on Sunday with two visitors, Ms. Winfrey and Mrs. McCoy, Wimpy's mother. Louise Foster is our teacher and Minnie Swann is our leader.

A nice chat with Helen Tillotson gave me a lift this morning. They had a very successful gathering with their families on Sunday. It was John's and Donna's thirty-six wedding anniversary. Isn't that great!

I hope to talk to my kids this week — I don't hear from them nearly often enough. And I'm going to call my two sisters this week. I think it is important to keep in touch.

Rabies Was Comfirmed In Horse In Callahan County

A case of Rabies was confirmed by the Texas Department of Health on April 22nd, in a horse residing in Callahan County. The horse was presented to Callahan County Veterinary Clinic on April 18th with a rapid onset of neurologic signs. He showed no response to treatment and was euthanized and the brain sent to Austin on April 20th.

Rabies in horses can present a wide variety of signs and is often very difficult to diagnose. In any horse showing a rapid onset of neurologic signs or very abnormal behavior, Rabies must be considered.

Rabies vaccines approved for use in horses are available from your veterinarian and yearly vaccinations are recommended in this area.

MHMR Needs Membership Representing Callahan Co.

The Abilene Regional MHMR Center needs to fill two primary and three alternate memberships on its public Responsibility Committee. New members will serve September 1, 1993 through August 31, 1995. Applicants must reside in and be qualified voters of Taylor, Jones or Callahan Counties, must be capable of mature, objective judgment, must not be currently receiving services through the Center, and must not be related to staff and/or other affiliates of the Center.

Members are chosen without regards to sex, race, color, creed, national origin, age, or handicap, shall attempt to reflect the ethnic and geographic diversity of Taylor, Jones and Callahan Counties, and shall include representation of parents, guardians, consumer groups, and advocacy organizations.

Applications are available by writing to Robbye Plummer, 2616 S. Clack, Suite 160, Abilene, Texas 79606, or by calling (915) 690-5105. Deadline for applications is April 23, 1993.

TO THE VOTERS:

I would like to take this time to thank those who have supported me in my first term as a trustee of C.P.I.S.D. and ask again for your vote. The past three years has been a great learning experience for me, although sometimes very confusing and frustrating.

The teachers and administrators have a great challenge ahead of them, as does this board and community, with the things coming out of Austin today. These challenges cannot be met by the teachers and administrators alone, if parents don't start taking an active role in their children's lives, and be a part of the solution, not a part of the problem.

I'm concerned for your children as well as mine and will work for all of them as hard as I can. We have a strong school and community. Let's keep it that way! I would appreciate your vote.

Thanks,
Monty Richards

CJC Year End Concert April 29

The CJC Singers, directed by Wyley Peebles, will join the CJC Band and Belles in presenting their combined year end concert, Thursday, April 29, at 7:30 p.m., in Harrell Fine Arts Auditorium.

The Singers will be wearing their new royal blue formals and will present a variety of American music. They will open the concert with an Irving Berlin piece, "Say It With Music." A medley of Stephen Foster songs and a Wisconsin Folk Song will follow. Since the men outnumber the women in the chorus almost two to one, the male chorus will sing an arrangement of the Kentucky folk song, "Down in the Valley," accompanied by Steven Zell.

From the Moravians who developed settlements in this country in the latter

part of the 18th century, the Singers have chosen an anthem, "Go, Congregation, Go!" The soprano solo in this piece will be sung by Helen Chung, a native of Soul Korea. The final selection by the choir will be a medley of songs from the Walt Disney motion picture, "Beauty and the Beast."

The internationally famous Wrangler Band and Belles will follow the choir with some standard band music and a Civil War suite, "The Blue and the Gray," directed by Bill Swinney. The Wrangler Belles, directed by Debbie Baker, have choreographed a couple of numbers, which they will perform with the band.

There is no admission charge for the concert, and the public is urged to attend the concert.

G/T CLASS MEMBERS — Mrs. Pat Stephenson and members of the third, fourth, and fifth grade gifted and talented class from the Cross Plains Elementary School on the front porch of the Howard House.

INFORMATION ON HOWARD — Billie Ruth Loving, Howard House hostess, talking to a group of students from the third, fourth, and fifth grade classes from the Cross Plains Elementary School.

G/T Classes Visit Howard House

Members of Project Pride were hosts at the Howard House on Thursday afternoon for Pat Stephenson's third, fourth, and fifth grade gifted and talented students from Cross Plains Elementary School.

Billie Ruth Loving, hostess, briefed the group on the life of Robert E. Howard, fantasy writer and creator of "Conan, The Barbarian," and showed a number of his books and manuscripts, which are currently in the Cross Plains Library. Following a question and answer session a tour of the house was conducted by Miss Loving and Joan McCowen.

Pictures were made by Era Lee Hanke. Tours of the house may be scheduled at anytime by contacting a member of the organization.

Open house is planned for June 12 as a tribute to Howard. The public is invited. Any person who is interested in making Cross Plains a cleaner, more attractive place to live and preserving and documenting the history of the community is invited to become a Project Pride member. Tim Dill is current membership chairman. Dues are \$3 per person or \$5 per couple.

Locally Known Youth Honor Society Member

Zac Hinkle is a member of the Dickinson High School Honor Society. He maintained a 3.9 grade average, earned 35 points via school activities, and was approved by the faculty.

He is on the yearbook staff as a photographer; a yell leader with the band and also plays drums; and is a member of the Spanish Club. Zac is also the manager and statistics keeper for the basketball team, and sometimes plays ball. He

makes all soccer, volleyball, baseball, and other school activities covering the events with his camera, pen, and notebook.

The 16-year-old son of Jack Hinkle and the grandson of Tom Hinkle, he is a part-time checker at the Dickinson Kroger Store. His father reports that Zac has fond memories of being in Cross Plains, and wishes he could be there more often.

First Call Help, Then CPR

"CPR was taught to lay people... to save a lot of lives," says Dr. John Paraskos. "...it doesn't unless it's backed up by adequate emergency systems and advanced care." For crisis treatment, the American Red Cross recommends: calling 911, start CPR, then a defibrillator and advanced life support. In addition, it recommends filling the victim's lungs more slowly (1.5 to 2 seconds a breath) to prevent blowing air into their stomach and placing breathing victims on their sides not their backs.

THE PIONEER PATCHWORK

By IRMA MILLER

The ladies of the Pioneer Quilting Club enjoyed quilting on the Rose of Sharon and on the Lone Star bordered with Sampler blocks.

Lottie Sooter went to Louisiana on a nice trip with Gerie and Shorty Dunn to visit with relatives.

Novilia Barton's son, Cecil, was here visiting her from Waco. Novilia stopped by for a visit with Bob and Barbara Powell on Sunday.

Laverne Hutton and her sister, Betty Haslam of Clyde, were in Cristoval for the reunion of their mother's family, the Gurlays. On Sunday, Laverne attended the baby shower for Janiesia Hutton.

Nell Fleming visited Charlotte and son, Bryan Fleming in Amarillo. Glen returned home with them after spending a week here. Jerry Fleming of McLean came Tuesday and went back Friday. JoVeda and Bill Watson came up Saturday and went to the ball game in Rising Star with Jim and Charlene and family. Then, they all came home and had supper. Wanda Fay and Alvin Flippin visited Sunday morning.

Sandy Hutton reported that they had a nice baby shower honoring Janiesia, Jamie and Mary's daughter on Sunday.

Frankie and Oliver Smith went to Ranger on Wednesday. Jean Fore accompanied them. Mr. Vinson was O.K. All three went back Friday to visit and have lunch together with Frankie's sisters, Mrs. Evelyn Pidgeon of Weatherford and Mrs. Dorothy Rogers of Ranger. They browsed at a garage sale in the afternoon. Friday night, Jean, Frankie, and Oliver enjoyed the Rising Star musical and Saturday night the Echo musical.

Our community was saddened by the death of Mrs. J.R. Rector, whose funeral was conducted on Sunday afternoon. Dinner was prepared Sunday by the ladies of the Pioneer Baptist Church for the family, to whom we extend our heartfelt condolence.

ROWDEN NEWS

By MRS. N.V. GIBBS

April will soon be history with only five days to go. Wildflowers have not been as plentiful this year. Bluebonnets were in that group, but Indian Paint Brush can be seen alongside the highways, as well as buffalo clover. Edna Dye reported her yard was full of colorful Iris. These plants do not stay in bloom. They're here today and gone tomorrow, so to speak.

Winds this week are drying out the ground. Wheat shows some rust and also needs a good rain. Post oak trees in the Gibbs yard are shedding its blooms, which are on the ground. New leaves are taking their place.

Irene Masters of Snyder stopped by her parents, Gene and Vernie Belle Mauldin, enroute home from a visit with the Bob Manninger family in Weatherford Tuesday.

Visitors in the Robert Watson home during the week were Brad and Michal Watson of Arlington, Kyle Watson of San Antonio, and his friend, Tammie Culpepper of Plugerville.

Edna Dye attended the 50th wedding anniversary of her brother and sister-in-law, Frank and Mildred Sayre of Eastland, in the home of their daughter, Sharon and son-in-law, Joe Allen in Abilene.

Sunday visitors of Gene and Vernie Belle Mauldin were Kenneth and Cristal Mauldin of Stephenville, and also Roland and Faye Mauldin of Denton Valley. Gene and Vernie Belle have been attending the revival at the Baptist Church in Baird this week.

Bob and Kathy Dye made a business trip to Las Vegas this week.

A niece and her husband, Mr. and Mrs. Larry Johnson of View, visited Robert

and Dorothy Watson during the week. Joyce Odom's visitors this week were Charles and Nancy Palmer of Clyde, and Bob and Barbara Powell of the Pioneer community.

New Managers In Marketing Department At WTU

West Texas Utilities Company recently named three new managers in its Marketing Department, according to Billy Bemy, WTU Director of Marketing in Abilene. The new managers are responsible for supervising a wide range of marketing services WTU offers customers in its service area.

Gary Throckmorton is the new Manager of Residential Marketing for WTU. He came from Central Power and Light Company, a sister company of WTU, where he served eight years in various positions in the Marketing Department. A Richardson native, Gary and his wife, Liz, have one son, Clifford, age 2. Gary holds two degrees, a BS in Mechanized Agriculture and a BS in Agriculture Education, both from Texas A&M University.

Tom Patty has been named Manager of Commercial/Industrial Marketing for WTU. He came from WTU's sister company, Southwestern Electric Power Company, where he served 16 years in various positions, most recently as Senior Industrial Marketing Consultant in their southern division. Tom was reared in Shreveport, Louisiana and holds a BS in Industrial Engineering from Louisiana Tech University. Tom and his wife, Glennan, have three boys, Jeff 14, Mark 11, and Joseph 6.

Doug Shepherd is now Manager of Marketing Services in Abilene for WTU. Doug is a 13 year veteran of the company, having served in Marketing and Internal Audit. He is an Abilene native and holds a BBA in Finance from Southwest Texas University in San Marcos. Doug and his wife, Peggy, have a daughter, Alison 6, and a son, Scott 1 1/2.

WTU serves 178,000 customers in 52 Texas counties that stretch from the Red River to the Rio Grande. The company's headquarters is in Abilene, Texas.

Zinc Necessary For Healthy Pecan Trees

Zinc nutrition is a necessary ingredient in making a pecan tree profitable and healthy, says Greg Gerngross, County Extension Agent.

Zinc, nitrogen and water are the three keys to a healthy pecan tree and most commercial producers apply zinc several times a year to prevent zinc rosette and to maintain adequate growth. Pecan trees should grow 12-18 inches per year and pecans cannot make this growth without adequate zinc nutrition.

Zinc should be applied during the first two weeks of April and again in early May and June. Foliar application of zinc is the proven method of getting adequate

zinc to the tree. Various formulations of zinc and nitrogen combinations are available for foliar spraying of zinc on pecan trees. The addition of nitrogen enables the pecan to absorb more zinc than zinc solution alone.

Nitrogen should be applied in early April to maximize growth of the pecan trees. One to two pounds of Ammonium Nitrate per inch of trunk diameter is the recommended rate. A tree with 6 inch trunk should be fertilized with 6-12 pounds of 34-0-0.

For more information, contact the County Extension Office at (915) 854-1518.

Many Veterans Are Unaware They Can Get Benefits

Although over \$32 billion were paid out in veterans benefits last year, billions more went unclaimed in the past few years. Every year eligibility for benefits and the array of available benefits are changed and very few veterans or their survivors keep up with the latest rules. Because of this, and changes in their circumstances, many veterans, their families and survivors are now entitled to money and other benefits from the government even though they were not eligible in the past.

A study group of the Consumer Education Research Center, a 20-year-old national nonprofit consumer group found that over one-fourth of the money paid in veterans benefits goes to persons who never served in the armed forces of the United States. Most of these were related by blood or marriage to veterans but many were not. Others were members of the armed forces of countries who fought with us against our enemies.

Each year the Center compiles a book describing the latest rules on available benefits and how to qualify for those benefits. The 240 large-page "Complete Guide to Federal and State Benefits For Veterans, Their Families, and Survivors" with a foreword by Sen. Robert Dole is \$11.95 (plus \$3 p&H) from Consumer Center, 350 Scotland Road, Orange, NJ 07050 or by calling 1-800-872-0121 with credit card.

Mr. Robert L. Berko, executive director of the consumer group, says that many survivors of veterans are unaware that they might be eligible to receive money, medical care, educational assistance, help in buying a home or other benefits. In fact, eligibility and benefits change constantly and some people ineligible in previous years are now able to start receiving money.

The study found that many people are unaware that they are considered dependents or survivors of veterans. These include those involved in illegal marriages, those who remarried after the death or disability of a veteran, children born out of wedlock to a veteran, parents of a veteran and even dependent grandchildren. Any of these may be eligible for benefits.

Mr. Berko says that the study questioned veterans about benefits and found that the majority were unfamiliar with most of the benefits now being granted under Federal and state laws. Even veterans now collecting were unaware of other benefits for which they were eligible and could be collecting.

For instance, disabled veterans can receive apparel allowances if they use wheel chairs, artificial limbs or any prosthetic device that can wear or damage clothing and, if they have a spouse in need of care, they can receive an allowance to pay someone to provide that care.

Few knew that the Bureau of Veterans Affairs is required to send veterans any requests for bids on supplies or labor that are mailed to any other suppliers.

Other benefits the consumer found that were little known are:

A veteran (or dependent) can receive up to \$837 (40% in advance) if he or she will assist the VA in a work-study program while in an educational program.

Federal agencies are required to establish affirmative action plans to facilitate employment and advancement of veterans with any degree of disability. In fact, some job classifications must be filled by eligible vets.

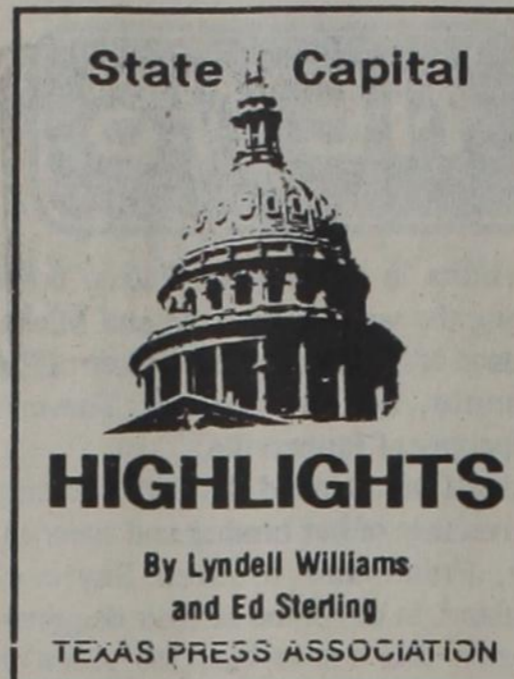

Families of veterans buried or mentioned or commemorated on Tablets of Missing overseas are eligible for free passports to visit these sites.

Disabled veterans can obtain extra compensation of hundreds of dollars per month in addition to their 100% disability if they have certain specified disabilities.

In addition, the book includes a complete list of VA facilities and help to secure the information needed with VA applications.

"Even though the Congress and the various state legislatures have provided for money and services to be given to veterans and their dependents," Mr. Berko states, "unless the people know they are eligible and apply they will not collect anything."

As Sen. Bob Dole, a decorated veteran and one familiar with the bureaucracy, says in his foreword, "Mr. Berko's book goes a long way in helping America's veterans cut through the red tape so they can receive the benefits they earned and deserve."

AUSTIN — A proposed constitutional amendment endorsed by Lt. Gov. Bob Bullock would prevent the Texas Legislature from getting a wild hair and passing a state income tax, without giving voters the final say-so.

Under the proposal, a simple-majority approval in a statewide election vote would be required before any income tax could take effect.

With anti-tax sentiment registering a "9" on the Richter scale, to put such a decision squarely in the hands of Texas voters would seem to absolve lawmakers of any blame, should an income tax be imposed.

The proposed amendment specifies that revenues from a state income tax would go directly into public education and enable some school property tax relief; it also would subject any income tax rate increase to voter approval in a statewide election.

Two-thirds Vote Needed

If the measure gets two-thirds approval in the Senate and House — and it appears it will — voters will find it among other proposed constitutional amendments on the Nov. 3 ballot.

Bullock scoffed at speculation by GOP members that his endorsement of a plebiscite is merely a smokescreen to take attention away from Proposition 1 on the May 1 special election ballot. Prop.

ASCS NEWS

ASCS Official Scott Odom says farmers are now weighing 1993 acreage reduction program benefits to their farm operations. The sign-up period is currently open and will continue until April 30.

Odom says producers are considering target prices, loan rates, deficiency payments, flexibility, and acreage reduction percentages before signing up.

Participating farmers will have the advantage of target prices to protect their income, and the opportunity to obtain loans while holding their crops for higher prices.

Acreage reduction requirements are zero percent for wheat, oats, and barley; 5 percent for grain sorghum; 10 percent for corn; and 7.5 percent for upland cotton.

Only farmers who participate in the 1993 commodity programs will be eligible for benefits on this year's crops.

Eligibility for participation in all programs administered by ASCS is established by law without regard to race, color, religion, sex, age, national origin, marital status, physical or mental handicap, political affiliation, or sponsorship club.

Veterans Conference May 7-8

PointMan International Ministries will be hosting a Veterans Conference on May 7th and 8th, at the Harvey Hotel-Los Colinas, in Dallas-Ft. Worth.

The Conference-Healing the Wounds of War, will address unresolved issues stemming from war-time experiences and is open to veterans of all wars. Seminars will also be held for the spouses of veterans.

This conference will offer responsible solutions to resolve grief, encourage recognition and integrity, stress reconciliation, provide hope, and offer insight, resolution, direction, and purpose for veterans and their families.

Conference speakers include Mary Garrison (Vietnam veteran nurse who served with the 24th EVAC Hospital), Karen Duncan and Helga Phillips (wives of Vietnam veterans), and veterans (Frank Hawkins, Bob Lowry, Larry Lyons, Ron Creelius, Jim Ammerman, Don Duncan, Howard Olsen, Steve Ammerman, and Larry Flenniken).

Individuals and veteran's organizations may contact PointMan Headquarters at 4401 Atlanta Dr., Plano, TX 75093 or call (214) 618-2222 for information and registration. Early registration is encouraged for discount rates.

1 is the constitutional amendment known around the state as "The Robin Hood Amendment," which would allow the state to transfer ad valorem revenues from property-rich districts to property-poor ones.

Ford Endorses KBH

Still reeling from accusations that she once pummeled an employee with a loose-leaf notebook, state Treasurer Kay Bailey Hutchison received the blessing of former President Gerald Ford last week.

Ford endorsed Hutchison for the U.S. Senate race. Hutchison, a Republican, served in the Ford administration as vice chairman of the National Transportation Safety Board in 1976.

As the May 1 special election nears, polls show Hutchison leads GOP candidates, U.S. Reps. Joe Barton of Ennis and Jack Fields of Humble, but trails the governor's appointee Sen. Bob Krueger, D-New Braunfels.

Meanwhile, Hutchison said last week she took (and passed) a "demeaning" lie detector test to dispute allegations that she hit a former employee.

Mauro Heads Task Force

President Clinton has appointed Land Commissioner Garry Mauro to head a national task force on converting the federal vehicle fleet to natural gas and other alternative fuels.

Mauro said the task force's goal is to demonstrate that using such fuels will save money, reduce pol-

Plan Shifts Callahan, Coleman Cases Out Of Taylor Dist. Court

By KIRSTEN DIETZ
Harte-Hanks Austin Bureau
(Abilene Reporter-News)

AUSTIN — Four district courts would hear only cases filed in Taylor County under a judicial redistricting proposal released Monday by a Texas Senate committee.

Currently, one of those courts, the 42nd District Court, also accepts cases filed in Callahan and Coleman counties.

Under the proposal, the two counties would be moved under the jurisdiction of other district courts.

The changes in district court boundaries are the first ever to be considered by the Legislature, said Chris Sharman, assistant director of the Senate Committee of the Whole on Redistricting, Ethics and Elections.

In 1985, the Texas Constitution was amended to require reapportioning judicial districts three years after a U.S. census.

The plan was scheduled to be presented to senators on Monday, but was delayed because of a Republican filibuster on the Senate floor over a system to elect state district judges in eight urban counties. The current at-large system has been challenged in a lawsuit filed by the League of United Latin American Citizens.

Those eight counties were not included in the statewide redistricting plan, Sharman said, because the urban election system will have to be settled before a statewide plan can be considered.

He said it is not known when, or if, district court lines across the state would be redrawn. Any statewide plan will require bi-partisan support, Sharman said. Republicans oppose the system suggested for the urban counties.

"I think the first step is to get a map out there and get the district judges and who ever is interested to the table," Sharman said.

Testimony will be taken on the proposed redistricting plan on April 15. Other proposed changes in Big Country courts include:

— 51st District Court would add Coleman and Rannels counties; lose Irion, Schleicher and Tom Green counties; and keep Coke and Sterling counties;

— Rannels County would be removed from the 119th District court;

— Callahan County would join Jones and Shackelford counties in 259th District. District courts were created by the Legislature as needed when populations changed, Sharman said. As a result, some district courts fall in more than one administrative district or cross other jurisdiction lines, he said.

The preliminary plan abolished three courts but created two new courts in Central and West Texas, said another committee member, who asked that his name not be used.

Once a plan is in place, other components of the criminal justice system will have to be restructured to conform, he said. For example, district attorney jurisdictions will have to be altered, he said.

lution, cut dependence on foreign oil and pave the way for converting thousands of private and public vehicles nationwide.

In appointing Mauro, Clinton cited Texas' efforts to convert school buses and other public vehicles to alternative fuels.

Vaccination Bill Passed

Gov. Ann Richards is expected to sign legislation that would require preschoolers to receive immunizations against childhood diseases. The Senate gave final approval to the bill last week.

"This bill is very important

because in some parts of the state, the level of immunization is lower than in Third World countries, said the bill's sponsor, Sen. Judith Zaffirini, D-Laredo. She said the bill would help prevent outbreaks of measles and other preventable diseases.

Zaffirini said the vaccinations will cost \$55.6 million, a fraction of the expense of treating the diseases.

Bills Salute Veterans

Under legislation passed by the House and sent to the Senate:

■ Children of U.S. Military personnel killed or missing in action wouldn't have to pay tuition or fees at state universities.

■ State agencies must continue to give veterans preference over equally qualified job applicants.

Other Highlights

■ The state's public utility counsel, Luis Wilmot, has recommended that Texas Utilities Electric Co.'s proposed \$760 million rate increase be slashed by 83 percent. He recommended a \$129 million, or 2.5 percent rate hike. TU's request would increase rates 15.3 percent.

■ The Senate put to rest an earlier controversy and confirmed the reappointment of Amy Johnson to head the Office of Public Insurance Counsel, which represents Texas insurance consumers. Earlier, several senators said she was too aggressive against insurance companies. The vote was 27-2.

■ The House has passed legislation that allows Texas agricultural products and seafood producers to sue people who make false and disparaging remarks about their products. The 103-35 vote came over the objections of Rep. Al Granoff, D-Dallas, who called the bill a "gold mine for lawyers."

■ President Clinton's choice for secretary of the Navy is San Antonio investment banker John Dalton. A graduate of the Naval Academy, Dalton, 51, said he will be "firm, fair and sensitive" in handling reports of sexual harassment at the 1991 Tailhook convention.

More Medicare Beneficiaries May Qualify For Cost-Sharing Payments

"More low income Medicare beneficiaries may get help paying out-of-pocket medical expenses because of recently announced changes in national poverty guidelines," said Glyn Hammons Social Security manager in Abilene. The help is available through two government programs called the Qualified Medicare Beneficiaries (SLMB) programs. The QMB program requires States to pay Medicare's Part A and Part B premiums, deductibles, and coinsurance expenses. "These are the expenses usually paid by the beneficiary," said Hammons, "and could all up to savings of several hundred dollars per year."

Under the SLMB program, the States pay only the full Medicare Insurance Part B monthly premium. "Because the monthly premium is \$36.60, even this limited help means a savings of almost \$440 annually," Hammons said.

Both programs are administered by the Health Care Financing Administration in conjunction with the States.

The rules vary from State to State; but in general, to qualify you:

* Annual income must be at or below the 1993 national poverty guidelines of \$6,970 for one person or \$9,430 for a family of two for the QMB program; for the SLMB program, your annual income must be 110 percent or less of the 1993 national poverty levels. Under both programs, \$20 in monthly income will not be counted toward the limit.

* Resources—such as bank accounts or stocks—may not exceed \$4,000 for one person or \$6,000 for a family of two. (Resources generally are things you own. However, not everything is counted: The house you live in, for example, doesn't count, and, in some circumstances, your car may not count either.)

Education Benefits For Gulf Vets

The Veteran's Benefits Improvement Act of 1992, (Public Law 102-568) contains important improvements in veterans education programs. The law extends the period of completing the requirements for a General Education Development (GED) diploma for Persian Gulf War veterans. Under previous law, individuals had to complete the requirements for GED before leaving active duty in order to be eligible for the Montgomery G.I. Bill. Some service members were nearing completion of their GED when they were sent to Southwest Asia during the Gulf War and, as a result, were unable to finish their GED requirements before discharge from active duty — thus, losing their G.I. Bill eligibility. This legislation corrects this situation and enables those individuals to complete the GED within 12 months of the law's enactment (October 1992). This is the case whether or not these individuals were still on active duty to establish eligibility for their education assistance benefits.

Public Law 102-568 also provides that individuals who are discharged from service after less than 12 months on active duty, and who later reenlist are eligible to participate in the Montgomery G.I. Bill. In addition, the law extends eligibility for the death benefit established under section 3017 of Title 38 to the survivors of Chapter 30 participants who die of service-connected causes within one year of discharge from active duty. Previous law provided this benefit only in the case of death while on active duty.

GED Test Scores

For those who previously completed the GED and are in need of the scores, write to the appropriate address listed below:

Tested prior to 07/01/74: GED Correspondence, P. O. Box CN 6605, Princeton, New Jersey 08541-6605;

Tested after 07/01/74: GED Office, *Texas Education Agency, 1701 North Congress Ave., Austin, Texas 78701;

Tested after 07/01/74 Overseas: GED Testing Service, 1 DuPont Circle, Washington, D.C. 20036-1193.

*If tested in state other than Texas, contact the Education Agency in the state where tested and ask for the test scores. The scores should then be sent to Austin to obtain GED Certificate.

Attention Vietnam Veterans: Further to last week's column, you may receive an "Application for Payment Kit" by calling 1-800-225-4712. The Agent Orange Veteran Payment Program will end on December 31, 1994, thus all Vietnam Veterans are urged to get on the roster before that date.

People eligible for payments under the Agent Orange Veteran Payment Program are:

Vietnam Veterans who were exposed to Agent Orange while serving in or near Vietnam at any time between January 1, 1961, and December 31, 1971, and who became totally disabled before their 60th birthday.

Surviving spouses or dependent children of deceased Vietnam Veterans who were exposed to Agent Orange while serving in or near Vietnam during that same period, and who died before their 60th birthday. **NOTE:** The Program will not make payments for disabilities or deaths caused by accidental, traumatic, or self-inflicted injuries.

The Agent Orange Veteran Payment Program is separate from the Department of Veteran's Affairs, thus any Veteran that is PRESENTLY disabled should file a VA claim based on Agent Orange Exposure. This would seem confusing and it is. For questions, call (915) 854-1520 on Mondays and Thursdays.

For your information: It is not generally known that the surviving spouse can begin drawing Social Security at age 60 from the account of the deceased spouse. Then, at age 62 or 65, at the survivor's choice, benefits may be switched to the survivor's own account if it is larger. If the survivor is disabled, benefits may be started when the survivor reaches age 50.

Vietnam Veterans: If you were ever exposed to Agent Orange while on duty in Vietnam you should ask to be placed on the roster of Veterans filing for ben-

COTTONWOOD NEWS

By BEVERLY BROWN

The Cottonwood Historical Association will hold their annual meeting on Sunday, May 2, in the Cottonwood Community Center. The business meeting will follow a noon lunch. The Cottonwood Post Office and the Cottonwood Methodist Church will be opened to the public for viewing during the day. All persons of the area and community are invited to attend. Ladies are asked to please bring a

covered dish for noon meals.

On Saturday, May 1, there will be a spaghetti supper for all residents of Cottonwood, former residents and families. It will be a time of sharing history of Cottonwood through pictures, memorabilia, documents of yesterdays, and memories of earlier days in Cottonwood. The Center, the former Cottonwood schoolhouse, will be opened at 5 p.m. The dinner for \$3 a plate will consist of spaghetti, salad, dessert, and drink. It will be served at 5:30 p.m. The evening festivities will last until 9 p.m. Everyone is invited to attend, meet former Cottonwood residents, and to get to know more about our community.

Mr. Turner Simpson has returned home, on Saturday after undergoing heart surgery at the Abilene Regional Medical Center several weeks ago. We wish you a speedy recovery, Turner. Glad to have you and Ellen back home.

Mr. Glenn Champion, Jr., Cassidy and Caleb of Potosi were at his parents', Mrs. and Mrs. Glenn Champion, Sr. and Calvin over the weekend.

Mr. Dennis Kelly of Abilene visited with his parents, Mr. and Mrs. Bill Kelly, over the weekend.

Nathan Creamer had his one-year-old birthday on Saturday, April 24. His parents, Mr. and Mrs. Lee Creamer and brother, Forrest, hosted a birthday party at their home. Family members and friends attending were: Mrs. Isla Stroud, Mr. Bill Smith, Mr. and Mrs. Eddy Albrecht, Carl, Emma and Andrew, Mrs. Wesley Morris and Dee Dec of Clyde, Mrs. Alton Haston, Cole and Landon of Jackshoro, Mrs. Lydia Williams, and Mrs. Judy Luder, Melissa and Cole.

Guess who celebrated his 40th birthday on Friday with family members and friends gathering at Zetner's Daughter's Restaurant in Abilene? Happy Birthday, J.B.!

On Thursday, Mrs. Jessie Wilcoxon and Mrs. Violet Edwards of Cisco were at Mr. and Mrs. Blanton Childers. On Saturday, Arnold Childers and Kane of Brownwood visited with his parents.

Next week, we will have the follow-up of items needed for our Cottonwood Volunteer Fire Department in this column.

May Activities Featured In Oakdale Park At Glen Rose This Week

Oakdale Park, located in the scenic town of Glen Rose, will host a full slate of activities for its guests during the month of May.

Splash Days Celebration, scheduled for April 30, May 1, and 2, marks the beginning of the Tourist Season. The olympic-sized pool, built in 1925, will open with a "free" first swim of the season on Friday, April 30, from 4 p.m. — 8 p.m. On Saturday, guests will enjoy a Children's Talent Show, Free Bean Supper, and Bluegrass Jam Session.

On May 7, 8, and 9, dulcimer enthusiasts will gather for the 12th Annual Lone Star State Dulcimer Festival. Professional

musicians will headline the stage performances to be held Friday night, all day Saturday and Sunday. Performances, competitions, and workshops will be held in both the hammer and mountain square dance Friday and Saturday nights, and a Texas Liar's Contest Sunday morning.

Although admission to all performances, competitions, and workshops is free, a fee will be charged for overnight camping and on site parking. The 22nd Annual Bluegrass Jamboree will be held May 27-28-29-30 at Oakdale Park's outdoor stage facility. The show will feature top bluegrass bands including The Lewis Family, Charlie Sizemore Band, Goldwing Express, and Twice As Nice, as well as other popular bands from Texas and surrounding states. In addition to the stage show, there will be guitar, banjo and band contests as well as informal jam sessions scattered throughout the tree-shaded park.

Oakdale Park is a campground resort offering the finest in clean, family entertainment. Cabins and camping sites are available for overnight guests year round. Information on any of Oakdale's events may be obtained by calling the park office, (817) 897-2321, or writing for a free May Events Calendar at P.O. Box 548, Glen Rose, TX 76043.

Heart Of Texas Cow/Calf Clinic To Focus On Income Development

By M. DAVY VESTAL
County Extension Agent —
Eastland County

BROWNWOOD — Cattlemen throughout the Central Texas area will converge here on Thursday, May 6, for the annual Heart of Texas Cow/Calf Clinic. This year's focus will be on developing income through incorporation of new industry and management of raising "the right type" of cattle.

The event is scheduled to begin at 8 a.m. at the Brownwood Coliseum with registration, agri-business exhibitions and a new twist this year the first of three thirty-minute computer workshops for the cattle producer. Dr. Ashley Lovell, Extension Economist with the Texas Agricultural Extension Service in Stephenville, will conduct the three different computer workshops. These workshops will be held just after registration and during the two scheduled breaks.

Dr. Dale Rollins, Extension Wildlife Specialist from San Angelo and Dury Menzies, Retired County Extension Agent from Fredericksburg will focus on wildlife potentials in a ranching operation. Both of these men have been very instrumental in planning and implementing successful wildlife strategies for producers in South Central Texas.

Beef Quality Audit, a review of where we are and need to be, will be the topic discussed by Texas Agricultural Extension Meats Specialist, Dr. Dan Hale. Quality is the single most important issue in the beef industry today. In order to maintain the quality assurance environment the beef consumer has come accustomed to, the industry must strive to eliminate problem factors.

"Panic In The Cow Patches: Science By Press Release" will be the title of the first afternoon session presented by Ms. Floy Lilly J.D. Ms. Lilley is currently the program manager for the Clint W. Murchison Chair of Free Enterprise, a

part of the College of Engineering at the University of Texas. Ms. Lilley's legal career has centered around environmental issues: Global Warming, Ozone Depletion, Water Quality and Pesticide Use.

Dr. Bill Meise, Ph.D., Animal Science Texas A&M University, will wind up the program with information over "Types of Cattle For Today's Industry." Incorporating the feeder, packer and retailer needs to meet the consumer demands will be the focal point of Dr. Meise presentation.

The Clinic is coordinated through the Extension Beef Cattle Sub-Committees in Brown, Eastland, Comanche, Callahan, Mills, San Saba, Coleman and McCulloch counties.

The Clinic is sponsored by T.U. Electric, the Brownwood Chamber of Commerce, the Federal Land Bank Association, and the Texas Agricultural Extension Service.

The Morning Moderator of the program will be Roddy Peebles with the VSA Radio Network. Mr. Peebles will present his Voice of the Southwest live during the noon luncheon. Harry Holt, Farm Director from KRBC-TV in Abilene, will serve as the Afternoon Moderator.

The purpose of psychology is to give us a completely different idea of the things we know best.

VOTE FOR DONALD BEELER FOR CITY COUNCIL

SATURDAY, MAY 1, 1993

Having served on the City Council previously, I feel I could make a contribution to the Community in several ways: (1) I recognize the need for support for our major organizations in our community — The Senior Citizens Center, The Library, Project Pride and last but certainly not least The Little League Organizations.

There are several areas in which monies could be cut in order to support these much needed organizations and yet maintain the quality of services provided to the city.

(2) Others money being spent to have services provided outside City Hall could be cut and allow city employees to perform those duties, therefore saving the city thousands of dollars each year.

(3) Search out new ways to increase revenues without adding new expenses to the Citizens of Cross Plains.

As concerned citizens, make your vote count on May 1, 1993.

Fandangle Membership Picnic/Sampler Planned April 30

ALBANY — The picturesque banks of the Clear Fork of the Brazos River will once again be the site of the picnic and sampler for members of the Fort Griffin Fandangle Association on Friday, April 30.

The Fort Griffin Fandangle is the yearly summer musical staged in an amphitheater near Albany. The production depicts the history and western heritage of Shackelford County and nearby Fort Griffin through music and narration.

Only association members may attend the annual event at Reynolds Bend on Lambhead Ranch north of Albany.

Fandangle members are invited to bring a picnic supper or purchase a barbecue dinner catered by Tom Perini of Buffalo Gap. Meals are available for \$6 for adults and \$4 for children under age 10. Gates open at 6 p.m. A "sampler" of the Fort Griffin Fandangle will begin at dusk.

Three types of memberships are available in the association. Regular memberships are \$25, and pioneer memberships for those age 65 and over are \$10. Patron memberships are available for a donation of at least \$125. Patron members are entitled to reserved parking at the Prairie Theater and are recognized in the summer souvenir program.

Another advantage of becoming an association member, attending the membership picnic and sampler and advance ticket orders, call the Fandangle office at (915) 762-3642 or 762-3838. Information may also be obtained by writing Fandangle, P.O. Box 155, Albany, Texas 76430.

The Fandangle office is located at 608 North Main.
