This program is to teach children about drugs, alcohol, and gangs, among many more things. They teach different ways to say "No" to all of these.

Former Cross Plains Pastor Passed Away At Age 94

Austin Carl Halsell, age 94, died Tuesday, October 12, 1993 at Colonial Oaks Nursing Home in Cross Plains.

Services were held at 2 p.m. Wednesday at Higginbotham Funeral Home Chapel with Ronnie Newton, Don Roath, and John Swift officiating. Burial was in the Admiral Cemetery.

Mr. Halsell was born in Caldwell County, Texas August 31, 1899. At age 8 his family moved to Hawley, Texas where he attended school. He obtained a teaching certificate through home study, but completed his college education attending a number of colleges in the Big Country graduating from Daniel Baker in Brownwood in 1947.

In 1918 he, his father and brother brought a herd of cattle from Hawley and leased the Woody place, North of Cottonwood where he fell in love with the area. Later he purchased land in the area.

Although he thought of himself as a cowboy, having started cowboying for the Eisenhower ranch at Putnam, his career consisted of teaching, coaching, and preaching with avocations as rancher and poet. He entered the ministry in the Methodist church with a five-point circuit in Erath County. After one year full-time preaching he returned to teaching in rural schools, where he would preach on Sundays to communities without a regular church. In the 1960's he joined the Evangelical Methodist Church where he pastored the new church in Cross Plains and later the church in Cisco. For a year he was a radio evangelist from the radio station in Coleman.

He taught throughout West Texas at schools in Cottonwood, Lucille (near Graford), O'Brian, Weinert, Central, Lueders, Kokomo, Romney, Pettit (near Morton), and Woodson.

As a coach, Rev. Halsell was particularly proud of his championship basketball teams at Kokomo and Cottonwood. The team at Kokomo has been recognized with a historical marker. The team at Cottonwood is remembered as beating an Abilene team coached by the legendary Pete Shotwell.

AIRMAN RECOGNIZED FOR DUTY — Airman Warren Parson is

Airman Warren L. Parson Awarded Achievement Award

The Department of the Air Force awarded the Air Force Achievement Medal to Airman Warren L. Parson for outstanding achievement from February 12, 1993 to April 10, 1993. He is the son of Mr. and Mrs. Homer Don Parson of Cross Plains.

Airman Warren L. Parson distinguished himself by outstanding achievement while deployed as a Load Team Member, 1st Mobile Aerial Port Squadron (Deployed), Mombasa, Kenya, and Mogadishu, Somalia. His

direct support to the multinational effort to prevent widespread starvation in Somalia, Operation PROVIDE RELIEF, resulted in the movement of 4 million pounds of critically needed food and supplies on 431 airlift missions from Kenya.

Redeploying to Mogadishu, Somalia, to support Operation RESTORE HOPE, he was responsible for the timely movement of 11,000 troops and over 11 mil-

lion pounds of cargo on 390 missions through Somalia's only strategic aerial port.

Airman Parson's efforts to provide assistance and restore order to Somalia went far beyond his normal duties, making the difference between life and death for tens of thousands of people in the region.

Warren noted that living conditions in Somalia were difficult with houses made of dirt clods or just Palm tree leaves. Over population and disease were prevalent.

He said the natives in Mombasa were friendly, but in Mogadishu or "Mog," as the military call it, negative emotions were obvious.

"The military can be a big learning experience," Warren remarked and he has already traveled to England, Germany, Spain, and Africa. He will be stationed in Japan for the next two years and is planning on starting to college.

WTU Supports Red Ribbon Week

October is Drug Awareness Month and the week of October 23-31 is Red Ribbon Week. West Texas Utilities Company employees will be observing this week by wearing red ribbons. "We encourage everyone to join us with their support. The red ribbon is symbolic of the individual and community efforts for drug prevention education and the elimination of alcohol and drug abuse," said Kit Home, Manager Public Relations.

The Red Ribbon Campaign was begun in 1986 in memory of Emrique Camarena. Camarena was an agent for the Drug Enforcement Administration who was killed by drug traffickers. The program has now expanded nationwide. The Texans' War on Drugs, founded in 1980, is a non-profit organization involved with drug prevention education, and has sponsored the campaign in Texas since 1988.

In addition to the observance of Red Ribbon Week, WTU is providing Drug Awareness Activity Books to all fifth grade students in its service territory. Other businesses, civic organizations, church groups and individuals are uniting to encourage community support in order to "win the war on drugs". Remember, wear or display your red ribbon October 23-31 to demonstrate your commitment to a healthy, drug-free lifestyle.

MINUTE MUSINGS

By ESTHLOY S. DICKSON

The sun is trying to shine out there this morning, but the moving clouds let it through only briefly. I don't intend to let the weather deter me this morning — I have too many plans already made.

J.T. and Betty Beggs were busy all week. David Beggs and Mr. and Mrs. Sam Beggs of Morton Valley visited them on Friday. I believe David is from Denver, Colorado. On Saturday Mr. and Mrs. Rusty Beggs of Amarillo visited the family.

Sally Roady stated that they visited Ms. Nettie at the Nursing Home nearly every day. Art and Bertie Roady of Abilene visited them the past week.

There were eleven 'old' ladies in my Sunday School class. Ms. Louise Foster is our teacher. There was good attendance for church. Dr., T.C. Melton of Abilene brought a good message.

On mornings like this, I'm strongly tempted to drop this column. It seems to become more difficult each week — and it is not worth the extra effort.

"She was a nice lady — everyone who knew her, loved her." That's what was said about a woman who was dead, by one of her neighbors. The lady didn't die a natural death, however — she was murdered. Evidently, someone didn't know her and hence didn't love her. The person who killed her couldn't have really loved anyone — even himself! An old saying states: "You only hurt the ones you love..." — and I think I understand what is meant by that. But from another standpoint, we shouldn't hurt anyone, much less those we love! And the Son of Man challenges us to love everyone — our neighbors as ourselves, and even our enemies. You see, love will destroy a lot of enemies in the right way — make friends of them! Jesus said further, "Pray for them who persecute you, do good to them who hate you, bless them who curse you." (And that doesn't mean to "bless them out!") This may all sound difficult but I know of at least two who did it, even in death. One was Stephen, the first recorded Christian martyr, Acts 7:59, 60. The other was none other than the One who had given the commandment — and stands at the heart of Christianity — Jesus Christ, Luke 23:34

What if you had been in the place of either one of these murdered ones? Could you have said, "Father, forgive them, for they know not what they do"? Let us love more and more — and hate less and less. And live in such a way that our neighbors can say, "Everyone who knew her/him, loved her/him."

Come worship with us the One who loved so much that He gave His only begotten Son... We really do care about you.

JUNIOR HIGH BUFFS WIN AGAIN

JUNIOR HIGH BAND PERFORMED AT THURSDAY'S GAME AGAINST GORMAN

Junior High Buffs Go 5-0

The Gorman Cubs seemed to move the ball fairly well against the Cross Plains Junior High Buffs, but in the end, it was the Buffs who came out on top 24-8 in a game played on Thursday, October 14, at Buffalo Stadium.

In addition to the good score, the good crowd, the ever enthusiastic cheerleaders, the Junior High Band also was there adding to the evening. They set up their chairs at the end of the track and presented their musical fare from a different vantage point.

The game itself moved along relatively quickly in what turned out to be a windy and cool evening. The Buffs had a total of 4 TDs, to the one made by Gorman.

In the first quarter, Justin Hopkins returned the kickoff for 30 yards. Then, on the second play from the Gorman 47 yard line, Hopkins took the ball from QB, Jarad Richards and headed for the goal for the first TD with only 29 seconds gone. Benji Blackstock, the usually dependable PAT kicker, had a rough night and missed all of his attempts.

Gorman took their first possession, and after making 2 first downs, they turned the ball over when they failed to convert on a 4th down play.

With Nathaniel Swift at center replacing an injured L.J. Boyd, the Buffs took their next possession down only to the Gorman 40. There were some good runs by Jody Fortune and Hopkins, but they gave the ball to Gorman on loss of downs.

Gorman, now into the second quarter, was forced to punt after 3 sacks in a row...by Blackstock, Benji Switzer, and Hopkins.

QB, Richards with a first and 10 at the Buff 47 threw a successful pass to Joseph Turner for a 47 yard TD with 5:50 left in the half. The score was now 12-0.

The Cubs used their next drive to move from their 40 down to the Buff 11 yard line before time ran out in the half. During the drive, Gorman had several good runs and a successful pass, but it was plays like the sac by Swift, Jeremy Pancake's causing a fumble when he sacked the QB (Gorman recovered), and the last play of the half when Carlton

Thomas got to the QB behind the line and broke up a pass attempt that kept the Cubs from scoring.

In the 3rd quarter, the Buffs kicked off to Gorman and their lead runner took the ball and returned it to the CP end zone, nearly untouched, giving the Cubs their only score. Their point after was good, making the score 12-8 with 7:48 left.

Gorman then used the onside kick successfully and regained possession of the ball. They were, however, unable to capitalize on that and the Buffs took over.

Hopkins, with 6:05 left in the 3rd quarter, ran the first play from scrimmage for a 65 yard TD. The score was now 18-6.

The Buffs then successfully used the onside kick also and Turner landed on the ball giving the Buffs another possession.

With the help of a 33 yard run by Blackstock, and a 16 yard run by Fortune, the Buffs made it down to the Cub 1 yard line. At that point, Richards recovered a CP fumble and Hopkins scored on the next play. On a PAT run attempt, Richards was sacked, but the score was now 24-8.

Gorman had two more offensive possessions in the game, the second one having 3 first downs and ending up at the CP 29 yard line before time ran out at the end of the 4th quarter.

Due to the fact that Gorman had only 12 players, the second team of Junior High Buffs didn't have the opportunity to scrimmage last week. The next game is scheduled for Thursday, October 21, at Santo.

Gorman Slip By Cross Plains, 22-21

By CHARLES CHESSHIRE

A large crowd of Buffalo fans traveled to our neighbor, Gorman, Friday night and watched an exciting game with a disappointing finish.

Jason Fleming hit Donnie Dillard in the first quarter for a 30 yard touchdown play. Fleming hit Rodney Rudloff for a 49 yard touchdown in the second quarter and finished off the half with another 30 yard pass to Dillard for the third touchdown.

The excitement dampened somewhat in the third quarter as Gorman mounted a long slow drive eating up most of the third quarter and part of the fourth before scoring their second touchdown and narrowing the Buff lead to 7 points.

The quarter proved more disturbing to the young Buffalo team as they came close to scoring a fourth touchdown, but lost the only fumble of the night deep in

Gorman territory.

The Panthers mounted another long slow drive and scored both touchdown and two-point conversion with 1:20 left in the game. This would be the final score and cliff-edge win for Gorman 22-21.

Dillard and Rudloff led the offense with receiving and rushing and Fleming and Jimmy Lee led the defense with a combined 32 tackles and assists.

Cross Plains 4th grade teachers, Dianne Stover and Kathy Purvis, recently took their students on an hour long trip to a nearby Emu farm for a close up look at the strange birds.

N.L. and Martha Dillard are the proud owners of these particular birds. They live on East Highway 36, and perhaps

The Dillards have between 15-20 Emus at the present time, each with their own individual pen. In addition to being able to walk between the pens for a good close look at the birds, the students were also able to see and handle the large emu egg.

Funniest Experience: (teaching or otherwise) Most children are curious about their teacher's family. I was explaining to a little girl that we had two older daughters. She knew our two younger children and knew they were adopted. Suddenly a grin lit up her face and she said, "I get it! You had two and you bought two!"

Local Cub Scouts held their monthly Pack Meeting Monday night. The Bear and Webelos Dens performed the opening and led us in singing the "Star-Spangled Banner".

Awards given were: Jordan Hataway and Josh Nelson, Perfect Attendance for 1992-93; Mack Taff, 2 Year Service Award; Debbie Wilson, 1 Year Service Award; Parents Pack Attendance Banner went to the Bear Den.

Business items discussed included various leader's meetings and upcoming training sessions; popcorn sales October 28 to November 17; and food drive November 6 (Look for further articles in weeks to come for additional information); and a hot dog cookout and clean-up day at the Scout Hut November 6.

Door prizes were drawn with Sean Trussell winning a Tiger Cub pencil, Chris Slinger-Cub Scout pencil, and Lurene McNutt-box of Trail's End Popcorn.

The popcorn was also served as refreshments after the meeting.

There was a good turnout and we hope to build that up even more. Pack meets are usually held the third Monday of each month. Each Scout is encouraged to attend and bring family and friends. These meetings are where Scouts learn of upcoming activities and are recognized for outstanding achievements.

We play games, sing songs and have skits. The boys are learning valuable lessons to help them throughout life and having loads of fun at the same time. Your support is needed. Hope to see you there November 15.

CARD OF THANKS

CARD OF THANKS
From the family of Georgia Graham. Once again the warmth of a small town comforted our great loss. Saying "Thank You" can not express our feeling of gratitude. May God bless all of you.

CARD OF THANKS

Words are at least an effort to express our thanks to everyone who so graciously contributed to making our great sorrow more bearable; all of the staff and administrators at Colonial Oaks Nursing Home, all visits, telephone calls, letters, cards, flowers, prayers, memorials, attendance at funeral services, ministers, and musicians. We wish to also, express our thanks to the undertakers and pallbearers; all a testimony to our motto, "A Caring Community." May God bless each one of you,

Class Of 1939 Celebrated Their 54th Anniversary

By EVELYN FRAME

The Class of 1939 of Cross Plains High School met for its "54th" Anniversary at the Comfort Inn in Brownwood, October 8 and 9. Fifteen members of the Class came back for a weekend of fun and games and lots of reminiscing of years gone by. They were joined by spouses and friends.

Friday, the group spent the time visiting and browsing through members' photo albums. They attended dinner, as a group, later in the evening.

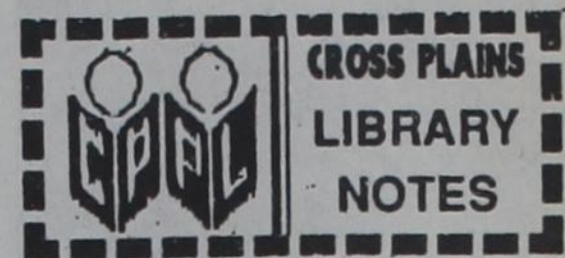

Saturday, the group gathered for the purpose of discussing some projects for the ensuing year. It was noted that 1994 was Homecoming for Cross Plains High School and the "39ers" would try to have an entry in the parade.

After the group was called to order by Frenchy Bennett, a moment of silent prayer was observed for the following deceased classmates: Bobby Pyle, Laverne Ogelsby, Harold Stephens, Maudie Mae Seals, Tom L. Arrowood, Nadine Copeland, Basil Lusk, Colvin Lackey and most recently, Flora (Wilcoxon) Thornton.

Games, prizes and other entertainment was provided by some of the members. The refreshment table was available throughout the afternoon.

Class members and spouses attending the reunion were Annette (Erwin) and Charles Ege, Smithville; Frenchy and Maisie Bennett, Bryan; Granvel and Nola Van Pierce, Dallas; Harold and Mary Jane (Foster) Barclay, Brownwood; Paul and Juanita (Foster) Harlow, Lovington, New Mexico; Evelyn (Pethel) and Frank Frame, Jal, New Mexico; Burnett and Oleta Porter, Fort Worth; J.N. and Maurine Varner, Clyde; Patti (Coburn) Dolgener, San Angelo; Myrtha (Westerman) Strain, Monroe, Louisiana; Ida (Hudson) DeRan, Conroe; Katherine (Hall) Harris, Emory; and Ted "Jr." Ivy, Lake Havasu City, Arizona. Visitors were Billie (Porter) McBee, Brownwood; and Wallace Bennett, Arlington.

Tentative plans were made for the class members to meet again next year and attend the 1994 Cross Plains High School Homecoming.

City Council Meeting

Submitted by the Cross Plains City Council

October 5, 1993

This was a regular meeting of the Cross Plains City Council. Members present were Mayor Gene Dillard, Ray Purvis, Gary Childers, James Nichols, Tom Clark, and Leon Nixon.

Gary Childers moved to accept the minutes as read. Ray Purvis seconded and motion carried.

Bob Harrell met with the council concerning the financial statement for the fire department. He informed the council of the balances of the checking and savings accounts. He also informed the council of some of the expenses the department has been experiencing. Mr. Harrell talked with the council about some of the fires the department had responded to and asked if the council had any questions. No questions were asked and the Mayor thanked Mr. Harrell for coming.

Chuck Messer, BFI representative, met with the council for the annual rate increase. He went over all the figures used by BFI to help compute what the annual rate increase will be. He informed the council that BFI was not asking for the full increase but instead was asking for a total increase of 20 cents per residential pickup and slightly less than \$1.00 for the commercial rate. Residential rates will increase from \$9.47 to \$9.67. Mr. Messer discussed with the council the fact that in the future, BFI would be offering recycling to Cross Plains if they wanted to participate. This would be something that will not be mandatory, but will be an option to the city. Gary Childers moved to allow BFI the increase they are requesting. Leon Nixon seconded and motion carried.

Dale Bishop met with the council concerning the new pickup he has ordered for the city. Mr. Bishop stated that he did not know why we have not received the pickup as yet. It normally takes 4-6 weeks for delivery, and he could not explain why it has taken so long, but was informed from his boss to explain to the council that if we have not received the new pickup by October 18, 1993 that he will send a used pickup for the city to use until November 5, 1993. At that time if we have not received the new pickup, Bayer Chevrolet will relinquish their bid to the city and the city can go out for bids again. The council thanked Mr. Bishop for coming.

Tom Clark moved to allow Reba Lane to install a water line to her property and tying into the city line at the city limits. A meter will be installed at the closest existing city main with the stipulation that she must conform to any and all plumbing requirement now existing and any future requirements imposed on the city. Greetings From Senior Citizens Of Cross Plains

By THELMA LONG

Another week of beautiful weather. It seems that the cooler weather is making all our members feel better.

We do still have some on the sick list - Gladys Smith is having a rough time. We are all anxious for her to start feeling better. There are others out due to illness - Louis Vaughn is improving but still not able to meet with us; Adean Winfrey received a good report from her checkup, but went home with her daughter for a visit.

Sympathy is extended to Mabel Halsell and her family on the death of her husband. We feel your sadness.

We have just learned of the death of Wilda Dennis. Our deepest sympathy is also extended to her family.

Arnold and Marie Horton spent the last weekend in Oklahoma. We are glad to see you back.

Eunice Pointer and Ora Breeding are visiting in Austin.

Your reporter is spending a few days in Round Rock, Austin and San Antonio visiting her sister and other relatives. It was an enjoyable trip, but she is glad to be back in a town that is more her "size".

There really are some talented people among our members. Vernie McMillan writes beautiful poetry and Lois Vaughn is an artist. Some of her paintings are hanging in the center.

Delores Garrett and Vicky Worley are quite talented in quilt making. Congratulations girls on winning ribbons at the fair, on your pretty quilts.

Then there is beautiful piano and organ music by Pearl Greenwood, Vera Pearl Bunnell, Eula Webb and Ruby McCowen. There seems to be more gathering around to sing: Earnestine Watson, Delores Garrett, Vernie McMillan, Helen Freeman, Mrs. Fred Dill, Clyde Linker and August Garlitz.

Not many stayed to play games on Friday. Those who did had fun. We kept Lucile Callaway in the chicken yard quite a bit. Mary Bates and Faye Jackson were the winners.

It would be nice if more members

would stay and join us on game day. "The more the merrier," as the saying goes.

Plans are still underway for Halloween. Keep watching for more on this activity.

Be of good cheer!

Hismanal and Heart Rhythm

A commonly prescribed non-sedating antihistamine also known as Astemizole has been found to interact with some antibiotics to cause dangerous heart-rhythm problems. Similar warnings were issued for Seldane, another non-sedating antihistamine. It is important to let your doctor and pharmacist know all the medications you are taking.
