## VETERANS NEWS

### PROPERTY TAX EXEMPTIONS

On November 7, 1995, Texas voters approved a constitutional amendment to increase the amount of exemption from property tax for disabled Veterans. The exemptions have now been published and range from \$5,000 for no less than 10% disability to \$12,000 for 70% or more disability. A Veteran of 65 years of age or more and with not less than 10% disability qualifies for the \$12,000 exemption also. Provisions are also made for widows and dependent children of deceased Veterans.

The Callahan County Appraisal District (915-854-1165) advises that Veterans who were already receiving the exemption have been upgraded to the new rates. If you have a rating of at least 10% you might want to contact the Appraisal Office and discuss the exemption.

**KUWAIT LIBERATION MEDAL**—The Department of Defense has recently approved the Kuwait

Liberation Medal offered by the Government of Kuwait. To be eligible, a servicemember must have served in the Southwest Asia Theater between August 2, 1990 and August 31, 1993.

To obtain the medal, Veterans should submit a request including full name used during service, Social Security number, dates of service, and their current address along with a copy of their DD 214 to: National Personnel Records Center, ATTN: VSE, 9700 Page Blvd., St. Louis, MO 63132-5200.

The medal bears the Coat of Arms of the state of Kuwait with the inscription "1991 Liberation Medal" written at the top in Arabic letters. The reverse side is the map of Kuwait on a rayed background. The ribbon is patterned from the flag of Kuwait and consists of red, white, and green strips with a black trapezium centered on the top of the three stripes.

**RUNNING LATE!!!**—The American Cotton Museum is engaging in an oral history project over the next year and needs assistance in locating Texas World War I Veterans. The goal of the project is to locate and interview as many of the Doughboys as they can within the next year. Since there are only a few hundred left in the State and their average age is right at 100, time is of the essence. They are especially interested in combat Veterans, but anyone who served from 1914-1919 falls within the scope of their project. The goal of this project is to accumulate as many interviews as possible in the next two years and use that information as the raw material for a book and possibly a documentary film.

If you can give them names, address, phone numbers, or any other information, please call them at 903-450-4502 and ask for Lewis Smith. Act quickly!!!!

**HOMELESS GRANTS**—The Department of Veterans Affairs is accepting, from public and non-profit private groups, applications for funds from the department's Homeless Providers Grant and Per Diem Program to develop programs that help Veterans recover from homelessness. Grants awarded under the program can provide up to 65 percent of the cost of acquiring, constructing or renovating facilities to be used for housing or as service centers. Vans needed in support of these groups may also be acquired with grant funds.

To request an application, write to Veterans Industries, 10770 N. 46th St., (A400), Tampa Florida 33617-3465 or call 813-228-2871 8:00 a.m. - 4:00 p.m. EST, Monday through Friday. For more information, call Theresa Hays at V A's Homeless Providers Grant and Per Diem Program, 202-565-7235/7313.

## West Texas Rehab Club Lamb & Meat Goat Sale June 15

"An excellent offering of market lambs and meat goats!"

That's the prediction being made by organizers of West Texas Rehabilitation Center's Club Lamb and Meat Goat Sale scheduled Saturday, June 15 at the Wylie FFA showbarn in Abilene. The caliber of donated livestock will be superb since many of these participants are known for their champion wins at nationally respected stock shows.

WTRC has conducted a lamb sale

since 1990 and decided to add the meat goats since many ranchers are diversified in that area as well.

Lambs and goats purchased at the June 15 sale will be eligible for competition in the Rehab's Jackpot Show set for December 14.

Anyone wishing to donate lambs or goats or needing more information may contact John Kearney at (915) 378-6881, WTRC-Abilene (915) 691-7290 or WTRC-San Angelo (915)949-9535.

### Avoid Sharing Eye Makeup

Sharing eye makeup can transfer bacteria from one person to another, this includes sharing with family members. The bacteria in one person's makeup may be harmless to her, but not to you. When you purchase eye makeup in a store, test the shade on your hand. One survey found that over half of the samples were contaminated with bacteria. Stores want you to try their products, but remember to use caution.

Your better health is our concern.

### "Uses for Herbs"

Herbs have a variety of uses. Normally the first one people think of is as food. This writer has included in this column several times recipes, using herbs. Herbs can be used either fresh or dried. If your recipe calls for dried spices such as sage, marjoram, rosemary, oregano etc., etc. and you plan to use fresh herbs instead, you must greatly increase the amount of fresh herbs. i.e., if the recipe calls for one tablespoon of dried, you need to use a cup to a cup and 1/2 of fresh herbs to maintain the right flavor. Mint leaves may be used to decorate cakes and other desserts; can be used to compliment drinks such as iced tea, lemon or orangeade, mixed drinks etc. and used decoratively both in the drink or on the glass.

...Another use for herbs is as a room freshener. Several herbs may be gathered such as basil, mint, peppermint, rosemary, fennel and many others, tie them into a bundle, enclose in cheesecloth, add a dainty bow or ornament and hang. They can be hung in the kitchen, hall, entrance way, or bedroom and your house will smell so good and fresh. Another way is dry some of the herbs, mix the dried leaves of the herbs with some rose petals and other dried flowers

such as alyssum or any sweet smelling flower and you have created your own potpourri. Sometimes you may want to add a cinnamon stick or so or dried sliced fruit to your potpourri. Display in a tiny basket or other decorative receptacle. It'll be lovely in any room in your home.

A local restaurant makes use of some of the herbs this writer grows by creating fresh, sweet smelling bouquets from them and placing them on each table; creating a lovely table decoration as well as being aromatic. They also use some of the herbs in cooking. They have also made use of some of Rolan Jones herbs also, i.e. cilantro. Rolan has several herbs in his garden which I do not have.

Herbs produce lots of flavor allowing persons to cut down on the amount of salt in their diets. Cutting down on salt intake lowers blood pressure, thus reducing the risk of stroke or heart attack.

Many herbs can be used medicinally which we will discuss in next weeks column. That is to say, it will be discussed as many old-timers used to express it, "If the spirit is willing and the creek don't rise!"

Until next time.....

## PIONEER NEWS

By PIONEER QUILTING CLUB

School is out. June is here! It's time for vacations, reunions, homemade ice cream and Vacation Bible Schools. The first 6 months of 1996 will soon be gone. Where has the time gone? A few days ago it was so very dry, but the Lord has blessed this area with soaking rains. Now everything is so green and lush. May we give God the praise!

We finished quilting Lou Grider's blue and white Bears Paw last Tuesday and Novella Barton put her membership quilt (a beautiful Eccentric Star) in the frames and some quilting was done on it. We also have another pay quilt in the frames with some quilting on it done. We try to keep at least two quilts in frames and most of the time we have three. Every second Tuesday of each month the ladies eat lunch out at one of the local eating establishments. We voted to eat at West Side this month.

Jean Fore's visitors during the week were Grasson and Myrtle Harlow of Arlington and their daughter, Amy Wright and her daughter from Bullard. They and Jean left Thursday morning for Lovington, New Mexico. There they visited Jean's brother Paul and Juanita, Janet Harlow and her friend Julie and Jean's sister Vi Harlow and Ryan Harlow of Clovis, New Mexico. They were joined there by another sister Bessie McDaniel and daughter Doris Hunter of Alamogordo, New Mexico.

In the home of John Budingfield they enjoyed other relatives and several nephews and nieces from other places in New Mexico. They had a cook-off Friday afternoon where about forty people enjoyed being together and visiting; with a musical Friday night. Everyone returned home by Monday.

Oliver and Frankie Smith went to

Sipe Springs musical Saturday night. Saturday morning they traveled to Ranger to see her Aunt Ruby Ainsworth, then visited Oliver's cousin and family, Robert, Myrtle and David Martin. Sunday they enjoyed the company of Henry and Barbara Fynns and daughter. Monday night their guest was Wayne and Dorothy Calloway of Rising Star.

Tabitha and Michael Jordan and Shelby visited the J.D. Hutton's this weekend. They live in Eastland.

Saturday, June 1, Cowan and Laverne Hutton attended the Gurley Reunion at Christoval. Laverne's mother, Ella Dean was a Gurley. Only one sister, Maggie Gurley McMillan of San Angelo is still living. She was unable to attend the reunion, but cousins and their offspring enjoyed visiting and seeing one another. Laverne did her "Sally Mae skit for the group.

Wednesday, Jean Alexander, Eurlene Burge, Sandy Hutton, Lottie Sooter and Laverne Hutton attended the Pleasant Hill graveside services for Ola Berreth, the mother of Shirley Smith.

Friday morning Cowan and Laverne went to Fort Worth where Cowan had an appointment with his eye doctor. On the way home they met their friends, Sara and Lee Widner of Mineral Wells, in Weatherford for lunch together.

On Memorial Day weekend, Betty Beggs' visitors were her son and granddaughter, Rusty Beggs and Jordan Jones from Canyon. Kim Beggs of Denver, Colorado, and Rex and Edith Beggs and children of Pioneer, she enjoyed being with them all. During the past week Betty Beggs' brother Floyd Russell from Fort Worth visited. They took a trip to Waco, and had a good time.

## GREETINGS FROM YOUR SENIOR CITIZENS

By THELMA LONG

Esther Kerr, Gladys Barnes, Joe Howser, and Carl Edington have all been here recently. We would sure like to have them more often. They would be an asset to our center.

Pauline Switzer is back looking good. She and O.B. had two great-grandchildren with them one day. It's nice to have young one visit.

Vicky's two boys were here one day. Thanks to Eula Webb for the beautiful piano music.

Roger Watson spent some time visiting his sons in the Houston area. He reports that Max has made much improvement and is back at work.

I had a good time in Austin and San Antonio, but was glad to get home again.

Vicky was in Abilene one day at a CPR meeting. Now if any of us pass out, she can revive us.

Hub Freeman remains in the Brownwood hospital. We are anx-

ious for him to start feeling better. June Hickman is in ICU at the Brownwood hospital. Keep her in your prayers. We miss her. She is such a busy little lady.

O.B. and Pauline Switzer and Mary Bates will be attending a family reunion at Coleman Lake this weekend.

Wasn't the rain nice? Did we thank God? Everything is so green and fresh. I have little baby squash and green tomatoes. I'm watching them closely.

The pool table, Skip-Bo and Chicken Foot games are still going strong. Lucille Callaway, Maurine McCuin and Elva Woody were the winners on Friday. We won't mention the losers.

The truth is that life is delicious, horrible, charming, frightful, sweet, bitter and that it is everything.

### Revival Services At Cottonwood Baptist

The Cottonwood Baptist Church will host a Callahan Baptist Association sponsored revival for Spanish speaking people in Callahan and Eastland counties. Everyone in the area is invited to come to the services which will be held at Cottonwood Baptist Church at 7:00 p.m. each evening June 17 through June 23.

The evangelist will be Rev. Danny Gonzales, a recent graduate of Hardin-Simmons University. He has a powerful testimony to share on how people can turn to Jesus Christ to relieve tension and problems of today. Rev. Daniel Castro will be leading the music for the revival. He serves as the Hispanic missionary for both Callahan and Cisco associations. The theme for the revival is "Traigos A Ti Ho Dios" - "Bring them to the Lord."

An effort is being made to create an interest among Spanish speaking people in the area to establish a Hispanic mission at several strategic locations. It should be noted that the Hispanic people are the fastest growing group within the United States and especially among the border states.

Your support for this very worthwhile effort to reach and enlist as many of God's Spanish people as possible would be appreciated. Everyone is invited to attend, whether you speak Spanish or not. Prayer support and physical presence is very, very important.

There are some other "facts of life" that need to be taught and learned in addition to "the birds and bees." Murphy's law, "If anything can go wrong, it will," has become a famous one of the pessimist, but a number of less famous ones have been drafted to explain some of the harsher facts of life: 1) Ade's Law (George Ade, author) - "Anybody can win -- unless there's a second entry"; 2) Andrew's Canoeing Postulate -- "No matter which direction you start, it's always against the wind coming back"; 3) Dieters' Law -- "Food that tastes the best has the highest number of calories"; 4) Eltorres' Observation -- "The other line always moves faster -- and don't change lines for the one you just left will move fastest then!" 5) Johnston's First Law of Auto Repair -- "Any tool dropped while repairing an automobile from under the hood will roll under the car to the vehicle's exact geographic center."

Now even though these simple man-found laws are quite true -- and a bit humorous -- these, stated by the Galilean, are truer, much more helpful, and more serious:

1. "To save your life, you must lose it; to live you must die," John 12:24-25.
2. "The first shall be last, and the last shall be first," Matthew 19:30.
3. "Whoever exalts himself shall be humbled, and whoever humbles himself shall be exalted," Matthew 23:12.
4. "You cannot serve God and money; no man can serve two masters," Matthew 6:24.
5. "I came not to call the righteous, but sinners," Matthew 9:13.
6. "Whoever would be great shall be a servant -- even as the Son of man came, not to be served, but to serve, and to give His life a ransom for many," Matthew 20:26-28.

These are some of the REAL "Facts of Life." Come grow with us toward incorporating them in our lives -- learning others...

## Pioneer Reunion Well Attended By Ex-Students & Guests

The 76th Reunion for Pioneer, Liberty, Cook, Gunn, Peak, Hickman, Sabanno, Curtis and Crocker Schools was held Saturday, June 8, in Cross Plains Community Center. A total of 103 ex-students and guests gathered for a wonderful time.

Everyone was welcomed by President, Vernon Phillips. Opening prayer was given by James Alexander. The minutes and treasurers report were read by Secretary/Treasurer, Jo Veda Watson. Mrs. Earlene Burge gave the Pioneer Cemetery Report. All reports were approved as read.

The oldest man attending was Mr. Vister Carey, age 94, from Brownwood, and the oldest woman was Mrs. Ruby (Curry) McCowen, age 95, from Cross Plains. The person traveling the farthest distance was Mrs. Nell (Grant) Schmidt from Hamilton, Ohio.

Two former teachers from Pioneer were in attendance, Mrs. Jean (Cash) David from Fort Worth and Charles Rutherford of Rising Star. Mr. Beryl Lusk from Cisco, was a former teacher for Sabanno.

Mrs. Jean Fore and Mrs. Jo Veda Watson led in the Memorial Service and the names were read of friends and loved ones who have passed

away since our last reunion. This year seventeen (17) had passed away since June, 1995.

The door prize was won by Henry Walton of Wilmer, and was a hand-crafted mesquite pen made and donated by Jo Veda and Bill Watson.

The date for the 1997 reunion will be June 14, 1997, at the Cross Plains Community Center. The hat was passed and \$346 was collected to help with expenses.

For 1996-97 the following officers were elected: J.W. Fore as President, Bobby Jack McCowen as Vice President, and Jo Veda (Fleming) Watson as Secretary/Treasurer.

Black and Gold decorations were used on the tables and on the walls. These were the colors for Pioneer schools. God candles and streamers were placed on the tables. Decorations were done by Charlene and Jolena Fleming. The ex-students and guests were delighted with the decorations.

The day passed quickly with lots of visiting and remembering. The noon meal was catered by Homestead of Rising Star. We want to take this opportunity to encourage everyone to try and come next year. If you were absent - you were missed very much.

## Brown-Harris Reunion Set For June 30

The annual Brown-Harris reunion will be held on Sunday, June 30, at the Cross Plains Multi-Purpose Center.

All descendants and friends of these early pioneer families, of the Burkett area, are encouraged to come. Bring food for a noon meal and share this day of visitation and remembering.

## Dennis Reunion Scheduled For June 15

Descendants of Heber Emmett and Mary T. (Warren) Dennis will meet in reunion this Saturday, June 15. The reunion will be held at the Multi-Purpose Center in Cross Plains beginning at 10 a.m.

Mr. and Mrs. Dennis were parents of five children, Ervin, Rita, Wayne, plus twin daughters Ila and Iva. Of the five Wayne, Ila and Iva now survive.

The two sons married sisters. The sisters were Iris and Wilda Meador. Consequently any descendants of John (Jack) and Lillie Bell (Forbes) Meador are also included in the reunion.

Any family or friends, in-laws, outlaws, or descendants of Heber and Mary Dennis or Jack and Lillie Meador are invited to attend.

Lunch is potluck so bring your potful of edibles (enough for your family) paper plates, cups, forks, etc., drinks, ice and bread and join other relatives and friends in reunion.

## Professional Auto Racing Returns To Abilene June 15-16

More than 200 racing teams from around the nation have signed up to participate in the 6th running of the Abilene Sunburn Grand Prix.

Set for June 15-16 at the Abilene Regional Airport, Mike Dohrse, vice president of the Abilene Motor Sports, Inc., said this grand prix will be the best ever.

"With Sports Car Club of America (SCCA) racing teams arriving from Washington state, Florida, California, Nebraska, North Carolina, and Canada to challenge teams from Texas and neighboring states, the stage is set for this to be the biggest and best ever Abilene Sunburn Grand Prix," Dohrse said.

Spectators can enjoy six grand prix races each day. Saturday, June 15, will showcase regional races while the Sunday, June 16, races will feature the nationals.

Gates to the Abilene Regional Airport west side will open at 7:30 a.m. each day with races beginning at 8 a.m. According to race officials, out of town visitors can reach the race track, located on the east side of Abilene, by getting on Loop 322, taking the airport exit and following the signs.

Gate prices are: General admission - adults, \$6, one day pass, or \$10 for both days; children under 12 (must be accompanied by an adult), \$1 each day; and paddock passes, \$3 per day.

For those who would like to be on television, this just might be their opportunity Dohrse said. "Prime Sports Network will be filming the event for a delay televised program. Time and date to be announced later."

Bleachers will be provided for spectators as well as ample free parking. Handicap parking is also available. "Just inform the parking attendants and they will direct those individuals to the appropriate area," Tim Propst, parking supervisor, said.

Also, exhibits and food and beverage vendors will be available and located near the bleachers for the convenience of the spectators.

"Don't forget to bring a hat, sunglasses, suntan lotion and possible an umbrella," Robert Cagle, race chairman said.

"After all, this is the Sunburn Grand Prix!"

Race officials request that racing enthusiasts leave their pets at home. It will be too warm to leave them in the car and too loud for them to be comfortable around the race track.

The Abilene Sunburn Grand Prix is presented each year by the Abilene Motor Sports, Inc., with proceeds benefiting local Abilene Rotary Club charities.

For additional information, contact the Rotary Club at (915) 675-6329, or Mike Dohrse at (915) 676-2176.

## New Law Affects Social Security Benefits For Stepchildren

Beginning July 1, 1996, a stepchild can receive Social Security benefits on a stepparent's earnings record only if the child depends on the stepparent for at least one-half of his or her financial support. This dependency requirement is the result of a law enacted on March 29.

The new law also requires that the stepchild's benefits end if the stepparent becomes divorced from the child's parent after June 30, 1996. The child's benefits terminate in the month following the month the divorce becomes final.

The divorce must be reported to Social Security as soon as it becomes final. Each year, the Social Security Administration will notify stepparents who have a child (or children) receiving benefits on their record to remind them that benefits will be terminated in case of divorce.

If you need to report your divorce, call or visit any Social Security office, or call the toll-free number 1-800-772-1213 between 7 a.m. and 7 p.m. on business days. The lines are busiest early in the week and early in the month, so it's best to call at other times.

## CARD OF THANKS

## TO GIVE AWAY

### Card Of Thanks

The support we received after Steve's death was unbelievable. We would like to say thank you to all our friends and relatives who provided prayers, cards, flowers, and a whole lot of help. We give special thanks to the Sorority and Cottonwood Baptist Church. This past week, our families from Dallas came to understand why we love this community so much. You are all very special indeed. We ask that you continue to remember us in your prayers as we try to heal the pain of missing Steve.

Judy, Cole & Melissa Luter

### Card Of Thanks

Thank you to all that remembered us during Volley Joe's surgery and since we returned home. Thank you is very little to say but it has a big meaning to those who brought food, visited, were in the hospital with me, and also to the drivers who so graciously drove me to the hospital. This town is the most caring place I know of. May each of you receive the Lord's blessings you so deserve. Our prayers for everyone who were so helpful in this time of need.

Thanks to all,

Volley Joe & Exa Williams

# Mediplex Announces New LVN's

Mediplex Home Health Care Companies is pleased to announce the association of Donnie Dillard and Lovey Nichols as full-time LVN's for the Cross Plains branch.

Donnie Dillard works as a visiting LVN and provides nursing services to patients in their homes. He began his nursing career in January 1993 after graduating from the LVN program at Cisco Junior College.

Donnie and his wife, Barbara, have four children, Lori, Donnie Jr., Amanda, and Joseph. He has served the Cross Plains Community as a school board member, EMS volunteer, member of the EMS Board of Directors, and Little League and Pee Wee basketball coach. He is a member of the First Baptist Church in Cross Plains.

Lovey Nichols joined Mediplex as Office LVN for the Cross Plains branch. She received her LVN from Cisco Junior College in 1980 and began her nursing career at an area hospitalization. By teaching the patient, family member or friend how to care for a sick or injured person, home health care can serve as an alternative to nursing home care. Mediplex will care for an elderly loved one who is recovering from an accident, heart attack, or stroke, and can also assist the terminally ill and his/her family.

Ms. Nichols lives in Cross Plains with her husband, James, and granddaughter, Tawni. They have one son, Darby, who lives in Houston. Ms. Nichols is the daughter of Fae Bishop and the late John (J.W.) Bishop of Rising Star and the daughter-in-law of the late T.T. (Nick) and Doris Nichols.

Mediplex Home Health is located at 233 North Main and provides home health care in Cross Plains and surrounding counties. Mediplex, a Medicare and Medicaid certified company, offers a wide range of in-home medical services including professional nursing care, personal care, physical therapy, and pharmacy and medical supplies. A well-trained staff of LVN's and home health aides are available to provide professional health care in the comfort of the patient's home.

Home health care can be used following a hospital stay or for an illness or injury which does not require hospitalization.

If you are 65 or over, Medicare pays the full cost of home health visits. With a physician's order, there is no limit to the number of visits which can be received. Most importantly, home health visits do not count against your allowable hospital or nursing home days. Medicaid, Worker's Compensation, Veterans Administration, Champus, and most private insurers also cover home care benefits provided by Mediplex.
