Rules Of The Road

By VANDA KING

The State Department of Highways and Public Transportation recently completed a survey which indicated the usage of safety belts in Texas has dropped. Fourteen cities were surveyed to obtain the percentage rate for the state of 55.7 percent. Corpus Christi has the highest compliance with 77.3 percent and Laredo the lowest with 32.4 percent.

Major law enforcement agencies have vowed to increase citations for not buckling up. Traffic fatalities and serious injuries can be expected to increase.

The wearing of seat belts is after all, a law. We all know that seat belts scratch your neck, squeeze your tummy, and wrinkle your clothes, but that is a small price to pay for your life.

Some were concerned that the return to 65 miles per hour on rural interstate highways would increase traffic safety, but after analyzing accident data Texas motorists were not greatly affected by the increased speed.

The fatality rate peaked in 1983 and has dropped annually since.

The additional speed allowed is very beneficial to residents of Texas where the distance between cities is lengthy. The road time can now be reduced.

The National Highway Traffic Safety Administration sponsored a study which indicated that female driver involvement in fatal crashes has been increasing.

The number of male drivers in fatal crashes who were drunk has historically been almost twice that of female drivers, but now the gap seems to be narrowing.

Changing social roles of women seem to be affecting the survey results. More women work and more drive. Unfortunately, the statistics show more women drinking, and the effect of alcohol resulting in higher blood alcohol concentrations (BACs) is obvious.

One bit of good news is that the role of alcohol appears to be decreasing for both male and female drivers in fatal crashes in recent years.

Drivers 18-20 years old have the highest alcohol involvement rate in fatal crashes per mile traveled, almost twice that of the average driver. Next is the 16-17 year olds, followed closely by 21-24 year old drivers.

The highest alcohol involvement rate per licensed driver and per capita is for 21-24 year olds.

Drivers 16-17 years old have by far the highest fatal crash involvement rate per mile driven when they are NOT INTOXICATED, almost 4 times that of the average driver. Older drivers (65 and older) and 18-20 year olds have twice the average rate when NOT INTOXICATED.

Although 16-17 year olds, and particularly 18-20 year olds, continue to have high rates of alcohol involvement in fatal crashes, their rates decreased from 1982 to 1985 more than any other age group according to the National Technical Information Service.

Now let's talk about all terrain vehicles (ATVs). You may not be aware that effective January 1, 1988 a new state law went into effect which requires any ATV operated on public property to be registered with the state and have attached to it a current numbered decal stating so. In addition, drivers must have completed a safety

City Council Seat Draws One More

Robert (Bob) Harrell has filed for candidacy for councilman for the City of Cross Plains. Harrell is the local funeral director for Higginbotham Funeral Home. He has been a resident of the city for six years. Harrell grew up in Richland Springs and has lived in small towns most of his life.

Incumbents Ray Purvis and Lester Wyatt are seeking re-election as councilmen. Scott Taylor is seeking a first term on the City Council.

Frank Robertson, incumbent mayor, is asking for re-election for a second

term, while Ross R. Gerking is campaigning for mayor, first term.

The School Board Trustee race has received no new filings. Randy Montgomery and Donnie Dillard are seeking re-election to the Cross Plains I.S.D. Board.

The final filing date in the city and school election is 5 p.m. on March 23. Candidates should contact the City Hall for council filings and Donnie Dillard for school board trustee filings.

Silver Haired Candidates Campaign

Candidates for the second Texas Silver Haired Legislature, scheduled to meet this fall in Austin, have entered into the official campaigning period.

The campaigning period will last until April 30. Absentee voting will be during the first three weeks and the regular election will be conducted on May 24.

The West Central Texas Area covers nineteen counties including and surrounding Taylor County. This region will send four candidates to the Legislature. The region has been divided into three districts of nearly equal populations.

One representative will be chosen from each district and one representative will be elected at-large, representing all nineteen counties. These candidates are 60 years of age or older and will be elected by individuals who are registered voters 60 years of age or older. The following individuals have filed as candidates:

AT-LARGE: (All nineteen counties)
Jerome V. Ray* — Comanche (Comanche)
Gordon Wood — Brownwood

(Brown)
DISTRICT 1: (Taylor and Jones Counties)
Henry F. Nease — Abilene (Taylor)
Fred C. Sandlin* — Abilene (Taylor)

DISTRICT 2: (Eastland, Rannels, Coleman, Brown, Comanche)
Mina L. Green — Brownwood (Brown)

DISTRICT 3: (Knox, Kent, Stonewall, Haskell, Scurry, Nolan, Mitchell, Throckmorton, Fisher, Stephens, Callahan, Shackelford)
Delbert D. Downing* — Snyder (Scurry)
*These are incumbents seeking a second term.

The Silver Haired Legislature was authorized by the 69th Texas Legislature. It is an elected non-partisan body of senior Texas who will meet in Austin in the fall of 1988 to discuss matters of concern for Texas senior citizens.

For more information about the Silver Haired Legislature, contact Jimmy Walls at the West Central Texas Council of Governments, Abilene, Texas, (915) 672-8544.

Savings Bonds Sales In Texas Total \$44.5 Million

Sales of United States Savings Bonds in Texas amounted to \$23,223,419 during November 1987 for a two-month total of \$44,504,322. T.J. Morrow, District Director for the U.S. Savings Bonds Division in Texas, announced today. These sales represent 12.7 percent of the state's Fiscal Year 1988 assigned dollar goal of \$350 million.

Sales of Series EE Bonds amounted to \$2,575 during October-November 1987 in Callahan County, James Eubank, Volunteer County Chairman, said.

Nationally, Fiscal Year 1988 began with total sales of \$1,029 million for October-November 1987. The amount outstanding in United States Savings Bonds as of November 30, 1987 topped \$100 billion — a milestone, the highest total in the history of the Bond Program.

All Series EE Bonds purchased on or after November 1, 1982 — and held at least five years — will earn 85 percent of the average market yield on Treasury marketable securities. The average yield for Bonds held since the beginning of the market-based interest rate on November 1, 1982 is 8.75 percent; the rate for the period November 1, 1987 through April 30, 1988 is 7.17 percent. Outstanding Series EE and E Bonds and Savings Notes held for at least five years after November 1, 1982 are also eligible for this market-based yield. Bonds held less than five

years earn interest on a fixed, graduated scale.

For current rate information, please call 1-800-US Bonds — TOLL-FREE.

Local Fire Department Needs Assistance For Rural Equipment

The Cross Plains Volunteer Fire Department is appealing to all area residents in their effort to replace two rural fire trucks. The Fire Department has three rural units, but presently the four-wheel drive truck is out of service due to an engine, and the other two consist of a 20-year-old and 30-year-old truck.

"The Fire Department has a city pumper and rescue unit that is in good shape, but an upgrade is needed for rural booster trucks," stated Mike McClure, Jr., Fire Chief.

Over the past year the fire calls in the area have doubled and calls to assist neighboring communities have tripled, due to the extremely dry con-

ditions and heavy foliage. Rural units handle grass, brush, oil and gas, and house and structure fires out-of-town.

The three rural trucks respond to all calls, regardless of city or rural. The area they serve includes Cottonwood, Sabanno, Romney, Pioneer, Nimrod, Atwell, Admiral, Scranton, Cross Cut, Williams, Rowden, Denton Valley, Burkett, and Echo.

McClure remarked, "The mileage covered by the Fire Department vehicles takes its toll with so many calls. With the trucks being considerably aged, the cost of repairs soon exceed the cost of replacing them with two good trucks."

Approximately \$15,000 will be needed to replace two units. This cost is estimated with the consideration of many donated hours by local firemen, which dramatically lowers the price. The department functions solely by donations to cover their expenses.

The Volunteer Fire Department and the Ladies Auxiliary are planning several fund raisers to obtain the needed revenue. The Fire Department has also set up a special account at the Citizens State Bank entitled "Cross Plains Fire Department Rural Truck Fund." Any donations would be helpful in maintaining adequate fire protection in the rural areas.

Lakewood Fees Temporarily \$20 Per Month

L.E. Allen, president of Lakewood Recreation Center on State Highway 36, midway between Cross Plains and Rising Star, announces that during March and April there will be no initiation fee for new members. The usual \$50 down payment is being temporarily suspended.

"Just begin paying the \$20 monthly dues is all that's required," he says.

All facilities of the club, including golf, fishing, picnicking, and ladies activities are offered in the two-month deal.

Persons interested in becoming members are being invited to visit Lakewood, view numerous recent improvements, and leave the first month's fee with either Mr. or Mrs. John Roberts at the clubhouse.

Local Methodists Look To St. Louis

Local and area Methodists will have their eyes on St. Louis and ears open to proceedings of the 1988 United Methodist General Conference as it meets in St. Louis, Missouri April 26 — May 6.

The General Conference, which convenes every four years, is the top law-making body of the church. Decisions made at this Conference will affect the way United Methodists live out their faith over the next four years.

Approximately 920 delegates from United Methodist's world-wide parish, elected by 105 Annual Conferences and representing 9.7 million members, will convene for the St.

Louis meeting.

Issues already scheduled to come before the General Conference, and certain to ignite controversy, are such matters as the church's stand on homosexuality, a missional priority for the church that will direct its emphasis for the next four years, and matters of finance.

Other issues that will draw attention and spark activity are ones centered around apartheid in South Africa, the rural crisis in America, AIDS, and reports from study committees mandated by the 1984 General Conference.

Coleman Country Club's 2-Man Scramble Upcoming

The Coleman Country Club will be hosting a 2-Man Scramble March 19-20, teeing off at 8 a.m. and 1 p.m. Entry fees are \$100 per team and in-

cludes an evening meal on Saturday. Entry deadline is 5 p.m. Friday, March 18.

A Texas Shootout will be featured Friday at 4:30 p.m., and the Long Drive and Closest-to-the-hole Contests will be held daily.

Prizes include a Spalding Tour Edition irons, woods, and bags. Contact the Pro Shop (915) 625-2922 or Brett Autry (915) 625-4246 after 5:30 p.m. for more information.

Jaws Of Life Donation

The Jaws of Life Fund has recently received a donation from Kenneth Jordan. Contributions may be made at the Citizens State Bank. The Cross Plains Volunteer Fire Department is very appreciative of each donation.

Commodities March 17

Commodities will be distributed Thursday, March 17, at the Cross Plains Multi-Purpose Center from 9:30 a.m. until 10:30 a.m. Butter, rice, cheese, and honey will be distributed.

EMS February Calls

The Emergency Medical Service transported the following people during the month of February:

Methodist Youth Attend Midwinter Retreat In Glen Rose

Six local junior high and high school youth of the First United Methodist Church attended the 1988 Midwinter Retreat at Glen Lake Camp in Glen Rose on Friday and Saturday, February 26 and 27.

The theme for this year's retreat was "The Price Is Life." Youth were asked to determine the "value" of their lives and their daily activities. Then they made "notes of investment" as to what part of their lives they would be willing to invest to become better Christians.

There were some 225 junior and senior high youth attending from the Central Texas Conference of the United Methodist Church.

Those attending from Cross Plains were Pam Helms, Sheila Sibley, Brian Sibley, Randy Stephenson, Gary Hargrove, and James Reed. Sponsors attending were Terry Nixon and Terry Jane Wyatt.

Know When To Contact Social Security Tips Given

It is important that the people in the Big Country area know when they should get in touch with Social Security, Glyn Hammons, Social Security manager in Abilene, said recently.

Not knowing when to contact Social Security could mean lost benefits which would never be recovered, Hammons said.

A person should contact Social Security:

- Before getting his or her first job to get a Social Security number, which is required to get proper Social Security credit for earnings. People who change their names should also contact Social Security to get a new card. A person should allow at least 2 weeks.
- After a death in the family to see if survivor benefits can be paid.
- When someone in the family is disabled to find out if disability benefits can be paid.

- At retirement — at 65 for full-rate benefits, or as early as 62 for reduced benefits. A person should sign up for Medicare 2 or 3 months before 65, even if there are no retirement plans.
- Any time there is a question about Social Security.

When a person calls Social Security, the people there can tell:

- How much work credit is needed to be insured for benefits.
- Who can receive benefits.
- How to replace a lost Social Security or Medicare card.
- How to get a free statement of the earnings reported to the person's Social Security record.
- What documents a person needs when applying for benefits.

Most all Social Security business can be conducted by telephone. The number for the Abilene Social Security office is (915) 698-1360. The office is located at 142 S. Pioneer.

OBITUARIES

Tom S. Estes

CISCO — Tom S. Estes, 81, died Tuesday, March 1, at a Dallas hospital.

Services were held at 2 p.m. Thursday at the Calvary Baptist Church with the Rev. Ronnie Shackelford and Rev. Franklin Moore officiating. Burial was in the Nimrod Cemetery, directed by Kimbrough Funeral Home.

Born in Cottonwood, he moved to Cisco in 1950.

A farmer, he was a member of the Calvary Baptist Church, a U.S. Army veteran of World War II and was the widower of Maggie Mae Estes and Katherine Lee Estes.

Survivors include his wife, Velma Scott Estes of Cisco; six daughters, Sandra Mitchell of Mineral Wells, Tommie Seals of Azle, Jackie Ray of Wylie, Edith Martin of Shallowater, Jo Morris of Amarillo, and Linda Marrs of Grand Prairie; four sons, Bill Dawson of Garland, George Dawson of White Settlement, Jimmy Don Dawson of Bridgeport, and O.D. Marrs of Grand Prairie; two foster children, Bill Mitchell and Sharon Mitchell, both of Fort Worth; a sister, Jewett Estes of Brady; 27 grandchildren; 35 great-grandchildren; and a great-great-grandchild.

Alma Edna Morris

RISING STAR — Alma Edna Morris, 83, died Wednesday at a local nursing home.

Services were held at 3 p.m. Friday at Higginbotham Funeral Home Chapel with Rufus Wilson officiating, assisted by Don Longoria. Burial was in Rising Star Cemetery.

Born in DeKalb County, Ala., she lived in Eastland County most of her life. She was a Baptist and a farmer.

Survivors include a sister, Emma Kent of Cook community; and 13 nieces and nephews.

John W. Barr, Sr.

John W. Barr Sr., 92, died Sunday at a Rising Star nursing home.

Graveside services were held at 2 p.m. Tuesday at the Wheeler Cemetery in Wheeler, directed by Higginbotham Funeral Home of Cross Plains.

Born in Wheeler, he moved to Eastland county in 1980.

He was a farmer, member of the First Baptist Church in Wheeler and a U.S. Army veteran of World War I.

training course as approved by the Texas Parks and Wildlife Department, carry proof of completed certification, and also wear a safety helmet.

These requirements have resulted from increasing public awareness of the dangers inherent in ATVs. As of September 21, 1987, a total of 883 deaths and 86,400 injuries were attributed to ATV accidents since 1982. The most alarming fact is that more than half the accidents involved children under 16 years of age. Now children under age 14 must be under the direct supervision of a parent or authorized guardian.

Wearing a helmet greatly decreased the likelihood of serious injuries, as the Texas Department of Health stated that nearly three out of every four persons killed in an ATV mishap suffered a devastating head injury.

It is also a known fact that a large percentage of donor organs are retained from motorcycle and four-wheel ATVs victims.

I didn't mean for this information to be depressing or disturbing, but we need to be aware of the risks, and be considerate of other drivers and protect yourself.

MINUTE MUSINGS

By ESTHLOY S. DICKSON

This has been a beautiful week — it is so dry! We surely need a rain. I'm going to have to do some watering around here, if we don't get some rain soon.

I visited Lucile Callaway in town on Thursday. I missed her on her birthday — she was with all her kids — they had a big day. I'm glad she had that birthday — now she is as old as I am.

Another dear friend of mine is NOW as old as I am. Tommie Jewel Hefner Power of Breckenridge was honored by her family and friends on Sunday, with an "affair" in the Gold Room of Citizens National Bank. I was invited, but didn't get to attend.

I met a sweet lady in the grocery store one day last week — I had not seen her in a long time — Mrs. Carroll Westerman. She told me that Carroll is in very poor health. Bless his heart! I'm so sorry.

As I sat down at my telephone this Monday morning, I caught sight of a covey of quail between the house and the highway — counted at least twenty. I'm also enthralled with the beauty of my daffodils — all over the place — the only things blooming this early, except the apricot tree.

J.T. Beggs' father, David Beggs of Morton Valley, was visiting them Monday morning. Rex and Tony Beggs of Cross Plains visited them last Friday. J.T. and Betty visited with Kim Beggs and son, David, in Stephenville last Sunday afternoon. Betty will be attending the Week of Prayer at First Baptist Church in Cross Plains this week.

A niece and her daughter of Seattle, Washington spent last Sunday night with Mr. and Mrs. Cole Tillotson.

Sally and Bobby Roady visited a couple of times last week with Ms. Nettie Roady in her home in the Pioneer community. Joe and Beverly Roady of Brownwood visited the family on Saturday. A friend of theirs came by to get some "evergreen" onion sets.

Mrs. Jewel Foster's daughter went home last week, earlier than she had expected to. She had recovered rapidly from her recent illness. Mrs. Foster attended the A.A.R.P. meeting on Monday.

George Mack and Marianne Taff went to Mason on Friday last week to visit her parents, the E.F. Starks. They visited in Junction with George Mack's mother. They were in San Caba recently on business.

Being the "bird watcher" that I am, I have to mention the huge orange-breasted robins which scampered over my lawn one day last week. I hope to see them often. Several meadow larks have been around recently. I hope to be able to have my hummingbird stations up real soon. According to my records, I saw the first one in early April last year.

PERSONALS

Mr. and Mrs. M.F. Dill's visitors this past week were Wanda Walker, Mr. and Mrs. A.L. Breeding, Mike Cunningham, Blanche Moore, and Mr. and Mrs. Leo Thompson, all locally.

Those visiting from out-of-town were Charles Morton and son, Trey of Scranton, Mr. and Mrs. Fred Dill of Irving, and Mrs. Hazel Coppinger of Abilene and her granddaughter of Arlington.

Mr. and Mrs. E.F. Odom visited in Sequin over the weekend with her sister, Mrs. Fritz Hartman, and other relatives.

VA Follow-Up Clinic

The VA Follow-Up Clinic at Dyess Air Force Base, Abilene, will be held March 10 from 8:30 a.m. to 2:30 p.m., according to Conrad Alexander, Big Spring VA Medical Center Director. Veterans will be seen by appointment only.

To make appointments, veterans should contact Dan Garcia, Taylor County Service Office, (915) 677-1711, Ext. 328 or 329, or Peter J. Pegan, Chief, Medical Administration Service, at the VA Medical Center at (915) 263-7361, Ext. 312 or 314. Veterans are requested to report at the time of their scheduled appointment in order to prevent unnecessary waiting time.

To enter Dyess Air Force Base, veterans must use the VA shuttle, located at the old entrance on Military Drive. Parking is available at this site. Veterans will be taken to the clinic by the shuttle 15 minutes prior to their scheduled appointment.

Only one family member may accompany the veteran to the clinic in order to reduce congestion in the area. If you should need to contact any of the VA staff the day of the clinic at Dyess, please call (915) 696-4722.

Peanut Growers Short Course Friday

An Eastland County Peanut Growers Short Course has been planned for Friday, March 11, at the Senior Citizen Center in Gorman. All peanut growers and wives are invited to attend, says County Extension Agent, DeMarquis Gordon.

Registration and viewing of exhibits will begin at 9:30 a.m. A free barbecue lunch will be served at noon. Extension Home Economist, Janet Thomas, will have a booth on the nutritional information of peanuts.

The short course will be filled with timely and important topics for peanut growers. Extension Service Specialists, Experiment Station Scientists, and peanut industry personnel will discuss topics that address prob-

blems of peanut growers. Among the topics to be discussed will be peanut soil fertility needs, weed control with herbicides, seed supply and seed quality, peanut varieties and planting rates, peanut insects, peanut diseases, chemigation regulations, and alternate crops for rotation. There will be reports from the Texas Peanut Producers Board and the Southwestern Peanut Growers Association.

He is the brother of several local residents: Syble Worthy, Zelda Long, and Anse Barr.

National Girl Scout Week March 6-12

March 6-12 is Girl Scout Week and this year's celebration focuses on the theme, TAKE THE LEAD!, emphasizing an important objective of Girl Scouting — to prepare young women to become tomorrow's leaders. This commitment to the development of leaders comes at a

time when there is cause for concern; when many young women are disturbed by world events, are involved in self-destructive behavior, and are insecure about what the future holds for them.

The Girl Scouts are taking the lead to help young women become positive contributors to society. Career and life planning programs, activities that focus on contemporary issues, and an emphasis on girl-adult partnerships are helping Girl Scouts develop the values, self-confidence, and leadership skills to make sound decisions about their lives and on issues that will affect all of us.

According to Janice Smith, president of Heart of Texas Girl Scout Council, "Girl Scout Week offers an opportunity to impress on our young women, and youth in general, the challenges and responsibilities they face as tomorrow's leaders."

Heart of Texas Girl Scout Council serves 74 members in Cross Plains.

Many girls attended church services, as a group, on March 6, which was Girl Scout Sunday.

As a part of the local celebration of Girl Scout Week, all Scouts and their families are invited to attend a program on Camp Wood Lake. Kay Hutton, Program Services Director of the Heart of Texas Girl Scout Council,

will present a slide show and explain the opportunities the camp has to offer Scouts of all ages.

The program will be held in the Fellowship Hall of the United Methodist Church at 7 p.m., Tuesday, March 15. Refreshments will be served following the program.

Outsider Volleyball Tourney Scheduled At Rising Star

The Rising Star Senior Class is sponsoring an Outsider's Volleyball Tournament March 21 through March 26. There will be women's, men's, and mixed divisions. Each division will be awarded six (6) individual first, second, and third place prizes.

Entry fee is \$36 per team. Deadline for entry is March 16. To enter contact: Joy Harris, (817) 643-7142 or Debbie White, (817) 643-3543.

LETTER to the EDITOR

Dear Editor:

My letter is in reference to the article in *Clyde Journal* on Thursday, Feb. 25 "Time to Look at Redistricting".

We live in Pct. 2 (Clyde, Eula, Oplin) off of county road 283. County road 283 is a 5-mile road between 604 and 603. The east end connects with 2700. I am giving you directions to the road because I would like for you to drive on it. There are many county roads in precinct 2 near Clyde and Eula in very poor condition. Oplin does have good roads.

Landowners on county road 283 wrote a petition in 1984 requesting the road be paved. Approximately 65 residents on 283 and residents using the road to their homes signed the petition. We presented the petition to the commissioners and attended four monthly meetings. A representative from the State Highway Dept. met with us at the last meeting. The state agreed the road needed to be paved and the state agreed to pave it. The county would have to acquire the right of way to widen the road. I was told by our commissioner, Mr. Johnson, that four landowners, whose property is on 283, would not donate the right of way of their property for the road and the county did not have the money to purchase the land. If our pct. commissioner and other official would do their job properly, the landowners usually donate the right of way because of the benefits received in having a paved road. One benefit is the elimination of wear and tear on automobiles. A survey showed a cost of \$200.00 a year more on cars driven on rough roads. There are more benefits and a county commissioner can tell you what they are.

In 1985 we had approx. \$200,000.00 in pct. 2. There are at least 100 residents on 283. That adds up to a lot of taxes. Since there is only \$192,032.99 in pct. 2, I wonder what happened to the tax dollars taken in since 1985. Money was wasted last year on road 283 by putting loads of coarse rock on it. Most of the rock ended on the side of the road the first time it was graded. The rest of the rock became powdered and caused more misery and dust to the residents living on the road.

The reason we have so much money in pct. 2 is because our roads are not taken care of properly. If we just had a base and topping on our road it would help. Grading the road does not help because the traffic is too heavy.

I noticed in the *Journal* our commissioner, Mr. Johnson, voted "No" to charge \$5.00 per car per year to be used for road service, and another official broke the tie by voting "No". These two county officials live on 604 which is a paved road. That seems to say they are not concerned about our road conditions in Callahan County.

I feel the county commissioners should publish a quarterly financial statement in the *Clyde Journal* as some other counties do. It is our tax dollars being spent and citizens have the right to know how they are spent.

I am pleased you wrote the article, Mr. Tabor. I feel more citizens need to express their views for the betterment of our county for our future generation.

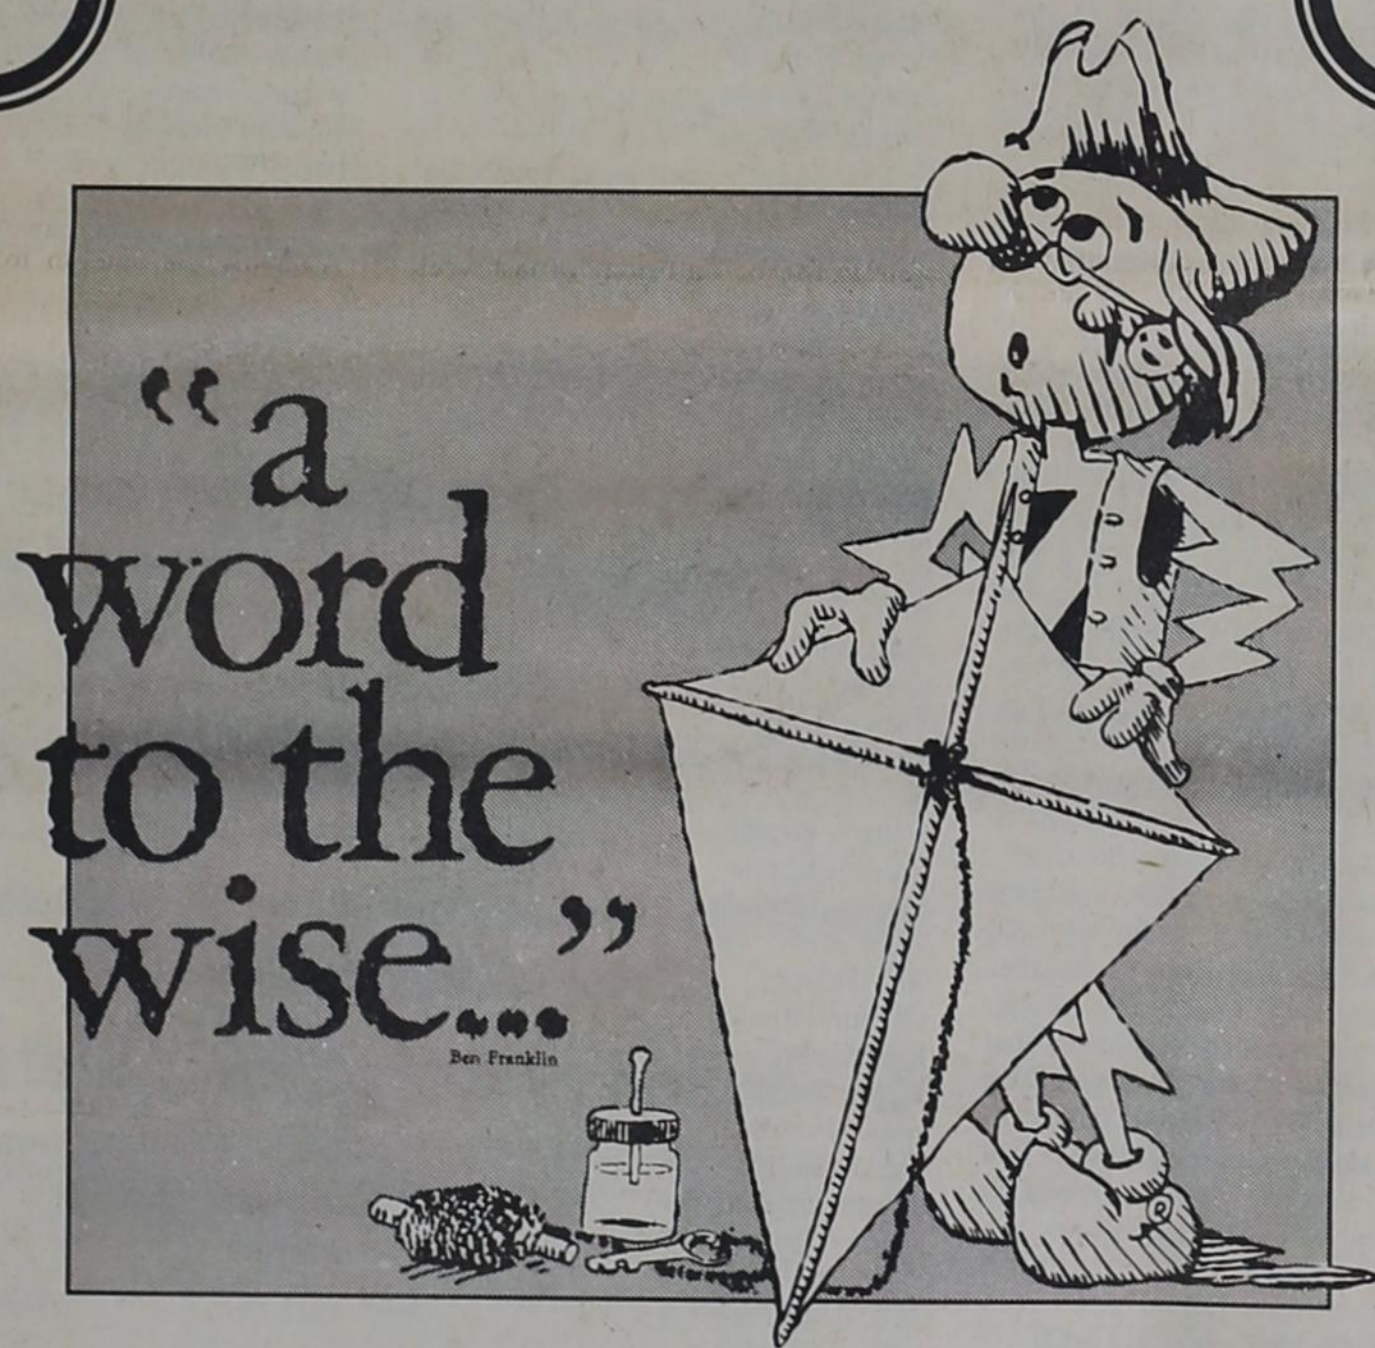

Sincerely,
Helen Beeman

C.P. Student Review

By Mass Media Class Carol Atchley, Instructor

Pioneer Relays

Over the last couple of weeks at school, a common complaint of many of the students, both junior high and high school, has been that of sore muscles — it's track season.

They are all getting over it and getting used to the hard preparation for what they all hope will be a good year.

At the junior high level, Coach Stover will be working with the girls, and Coach McConal will be working with the boys.

With their first meet scheduled for Friday, March 11, and here at Cross Plains, both coaches have been working on who is going to be competing in which event.

There are 7 schools scheduled to participate in the junior high meet, which will also be the first meet to be

held at Cross Plains' new track facilities.

Among the schools participating, there will be kids from Baird, Rising Star, Hawley, Jim Ned, Santa Anna, and Ranger.

The junior high meet will begin at 4 p.m.

On Saturday, February 12, Cross Plains will be hosting the high school Pioneer Relays. The high school girls coach is Diane Stover, the junior varsity boys is Coach Permenter, and the varsity coach is Tim Layman.

The varsity meet will begin at 8:30 a.m., with the field events and the running preliminaries beginning after that. The finals will start in the afternoon.

There will be 11 teams competing, including Winters, Baird, Goldthwaite, Ranger, Jim Ned, Hawley, Santa Anna, Rising Star, May, and Bangs.

As of yet, the coaches have not completely decided who will be in what event. Events scheduled are as follows:

- 100 Meter Dash
- 200 Meter Dash
- 110 Meter High Hurdles (Boys)
- 100 Meter Hurdles (Girls)
- 400 Meter Relay
- 300 Int. Hurdles (Boys)
- 800 Relay (Girls)
- 3200 Meter Run
- 1600 Meter Run
- 1600 Meter Relay
- 800 Relay (Boys)

There is no admission charge for the preliminary or field events, but there will be a \$1 charge for the finals.

The high school tracksters are scheduled to compete in 3 other track meets prior to district, including:

- Santa Anna — March 19
- Comanche — March 26
- Rising Star — April 9
- District — April 15

The junior high will be in two other meets prior to their district competition. They include:

- Santa Anna — March 18
- Rising Star — March 25
- District — April 9

Junior High U.I.L.

After competition among some of the junior high students, a list was released by language arts teacher, Sandra Crockett, naming those students that would be competing in the upcoming U.I.L. literary events.

Girls Doubles Team Takes A Second

By CA

Coach McConal has reported the results of the Breckenridge Tennis Tournament in which Cross Plains participated the weekend of February 4th and 5th.

In the girls doubles division, the Cross Plains team of Cindy Engle and Trudy Newman won 4 of their 6 matches, which resulted in their winning a 2nd place medal.

In their second round of competition, they defeated one team 8-2, a Wyle team 8-3, and Breckenridge 6-2 and 6-4.

They were defeated in the final round by Wylie 6-4 and 6-2.

Also playing in girls doubles were Sharon Walker and Jeannie Barclay. They were defeated by Wylie 8-0 in the first round. In the consolation division, they won one game 8-2 and lost their next one 8-4.

In the boys doubles, Chad Bagley and Scotty Cupit lost their first round match 8-4, won their next game in the consolation bracket 9-8, and lost their next match 8-4.

In girls singles, Candy Williams lost two matches 8-5 and 8-2.

Don't forget the Cross Plains Tennis Tournament to be held at Cross Plains on Friday and Saturday, March 11 and 12. Teams scheduled to participate are Bridgeport, Breckenridge, Wylie, Jim Ned, and Bowie.

SHORT NOTES

1. The Junior High California Achievement Test is scheduled for the week of February 7-11. They (the 7th and 8th grades) will test in the cafeteria from 8:30 to 10:30 and from 1:30 to 3:30. The sophomores will test in the library on Tuesday, Wednesday, and Thursday mornings.

2. Total results of the "Save the Battleship Texas" campaign was unavailable at this time. Each student was asked to bring a quarter on March 2 to be sent to the statewide fund raising effort.

3. March 15 is the last day of the attendance count at both the high school and elementary school.

4. Sign up for varsity cheerleader tryouts has begun in the high school office. Practices will begin March 14 and tryouts are scheduled for March 24.

5. Cross Plains will be hosting a tennis tournament on Friday, March 11, and Saturday, March 12.

6. Cross Plains golfers are scheduled to compete in a tournament on Monday, March 14, at Gordon.

Students 'Grow' Into

The Science 'Fields'

A few students from the various science classes at Cross Plains High School left for Texas A&M, College Station, last Saturday. The group, chaperoned by Kim Childers, science teacher, and Larry Crockett, went to Texas A&M to attend several lectures and tours scheduled for the Saturday.

The lectures and tours spanned various science fields, including such things as meteorology, nuclear energy, geology, and archeology. There were a number of students that attended from Cross Plains. They were Glenn Webb, Scott Crockett, Tammy Lane, Regie Brown, Bill Johnson, Alicia Kirkham, Wesley Brown, and K-Trina Meador.

TOOTHBRUSH BACTERIA

Bacteria living in our toothbrushes may prolong throat and mouth infections, deduced an oral pathologist who compared bacteria on toothbrushes of 10 healthy people and 10 people with throat and mouth infections. The infections promptly cleared when they used new toothbrushes every few weeks. Not surprising, as toothbrushes are usually moist, kept in warm bathrooms, and food particles may be added with each brushing.

Your better health is our concern.

ROWDEN NEWS

By MRS. N.V. GIBBS

Spring and winter weather is exchanging places every day or so. Some fruit trees are in bloom so the Friday morning below 32° may have hurt some orchards. The Gene Mauldins gauged about two hundredth of an inch of moisture Monday morning.

Lee and Jean Jernigan of Lake Proctor visited in the Tony Steele home Saturday afternoon.

Relatives visiting in the Robert Watson home were his twin sister, Peggy, and her husband, Bill Beck of Jacksboro. Also his mother, Glenneth Watson of Oxan Hill, Maryland, who will spend a few days in the Watson home.

Sterling and Joyce Odom visited with their daughter and family, the Ralph Treveys in Snyder last Sunday.

Tonya Steele, along with a friend, K-Trina Meador of Cross Cut, spent Friday night with Tresha Albrecht, where they attended the Youth Lock In at the Cottonwood Baptist Church.

James and Dorothy Reynolds returned their grandson, Drew Flippin, home to his parents that they met in Stephenville at the Novice-Grayford basketball tournament Friday night. Drew's parents, Janet and Tan Flippin, were there to meet them. Drew also spent two days last week with his other grandparents, Mr. and Mrs. Eddie Flippin of Pioneer.

Linda Schreiber and children, Erin and Brad of Austin, arrived Wednesday for a visit with her cousin Maryana Harrell and family. The group were in Abilene Thursday to visit other relatives and to eat out.

Edna Dye was the guest speaker and demonstrator of the Big Country Porcelain Art Club meeting at Zentner's Daughter Restaurant in Abilene Saturday morning. Edna's painting was double roses. From that meeting, she drove to Breckenridge to spend the night with Ed and Betty Sayre. The group met Sunday in the Frank Sayre home in Eastland for a family visit. Mary Sayre of Breckenridge also attended.

Leigh Harrell spent Friday night with her friend, Susan Cameron in Abilene.

Robert and Dorothy Watson visited Ima Gibbs in Baird during the week.

Clyde Mauldin and his sister, Fran of Abilene, and Thurston and Wilma Nell Carter of Abilene visited in the

Gene Mauldin home Friday.

When Emma Johnson was contacted Saturday, she reported no company in their home this week. Her nephew, Bobbie Burks, took her to Cross Plains one morning on a short shopping trip.

Those visiting in the Gene Mauldin home Thursday afternoon were children of Margie and Danny Brown of San Antonio; Stanley and Patty Zwermenan and children, Eric and Curtis of Magnolia; and also with them were Stanley's sister and her husband, Darrell and Tricia Shaw of Magnolia. The two families were enroute home from a skiing trip to New Mexico. Roland and Faye Mauldin of Denton Valley were there to visit and eat with the family. The Mauldins' pastor, Rev. Robert Sutton of Baird, visited in the home one day this week.

Ten Free White Flowering Dogwoods

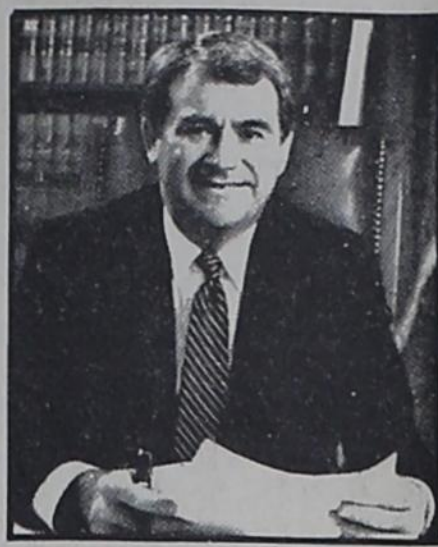

Ten free white flowering dogwood trees will be given to each person who joins The National Arbor Day Foundation during March, 1988.

The free trees are part of the non-profit Foundation's efforts to encourage tree planting throughout America.

"The White Flowering Dogwoods will add year-round beauty to your home and neighborhood," John Rosenow, the Foundation's executive director, said. "Dogwoods have showy spring flowers, scarlet autumn foliage, and red berries which attract songbirds all winter."

The trees will be shipped postpaid at the right time for planting between March 1 and May 31 with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

To become a member of the Foundation and to receive the free trees, send a \$10 membership contribution to TEN DOGWOODS, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by March 31, 1988.

CONSUMER ALERT

by
Jim Mattox
Attorney General

Making Funeral Arrangements

The task of arranging a funeral for a loved one is not a typical consumer transaction, but it is an area in which consumers need protection. A grieving widow or child is often pushed into buying services the deceased would not have wanted and the survivors can ill afford. For this reason, both the Federal Trade Commission (FTC) and the Texas legislature have enacted laws to protect consumers buying funeral services.

CHARGES MUST BE ITEMIZED

In many instances, funeral homes have sold "package deals" to consumers without explaining the cost of each item. Under FTC regulations funeral providers must disclose the specific price for each of these services: embalming, transportation of remains, use of facilities, caskets, outer burial containers, immediate burials and direct cremations. State law requires many of the same disclosures. Funeral directors must present consumers inquiring about funeral costs with an itemized retail price list for most services.

DISCLOSURES REQUIRED BY LAW

In some cases, funeral homes have failed to disclose to consumers that embalming is not generally required by state law. My consumer protection attorneys have sued funeral homes failing to make this disclosure, and failing to inform consumers about lower-priced caskets.

Federal law requires disclosure of retail prices of all outer burial con-

tainers offered. In addition, funeral directors must make the following disclosure concerning cremations: "if you want to arrange a direct cremation, you can use an unfinished wood box or an alternative container. Alternative containers can be made of materials like heavy cardboard or composition materials (with or without an outside covering) or pouches of canvas."

SEALER CASKETS A CONCERN

Sealer caskets, which are designed, when used properly, to prevent rapid deterioration of the body, present another area of concern. Texas consumers have complained that they were sold sealer caskets but not informed that the particular cemetery or mausoleum would not provide an opportunity for sealing. It is a deceptive trade practice for the funeral provider to fail to disclose that the sealer will not be used, if he knows that fact, before the sale.

DON'T GO ALONE

One of my employees who has investigated the funeral home industry has this advice for those faced with arranging a funeral: "Don't go alone. Take along a friend who is not so emotionally involved with your deceased loved one. He or she will be able to help you make decisions. If you know that a loved one is terminally ill, ask him what type of funeral he would like to have. Chances are, he won't want you to spend a lot of money on the funeral."

Your next grocery shopping trip could make you \$100,000 richer—and provide a wealth of opportunities for the youth of America.

Visit the supermarket for discount coupon booklets that cut your costs and help young people.

A \$1.00 coupon book, with savings of up to \$11.00, plus the chance to win \$100,000 cash or valuable Sweepstakes prizes are all part of a new fundraising program for Boys Clubs and Boys & Girls Clubs across the country. "Coupons for Kids" features a book of coupons and refund offers from 19 different popular products, to be sold by Club members at supermarkets nationwide during National Boys Club Week, April 10-16, 1988. You can also find a coupon to send for the booklet in the April issue of Reader's Digest. For each book sold, the Club will get 80 cents. The remaining 20 cents will go to Boys Clubs of America.

By contributing to this fundraising effort, you can make a difference in the lives of a million boys and over 300,000 girls between the ages of six and 18. Each coupon book you purchase can help lower your shopping bills while supporting youth programs in fitness and health, career guidance, cultural enrichment and much more. It's a chance to do good and do well at the same time. To order coupon books in advance, send a check or money order and a stamped self-addressed envelope to: Coupons for Kids, Box 3906, Stamford, CT 06905.

CARD OF THANKS

Card Of Thanks

Thank you so much for the cards, phone calls, and words of encouragement we received during Chancy's stay in the hospital. We are very blessed to have such good friends in Cross Plains.

A special thank you to all the school teachers and classmates for the messages sent to Chancy. You really brightened her day.

Chris and Rhonda West
Nicky, Cory and Chancy

Card Of Thanks

Thanks to the E.M.S. for promptly getting to the house Thursday morning after midnight in the cold weather and taking Hubert to Humana.

Special thanks to Sandy Jones, Cathy Permenter, Alvin Hutchins, and Ted McKeehan. You were so nice to us both.

Hubert and Celia Belew

CARD OF THANKS

Card Of Thanks

The Cross Plains Ladies Auxiliary wishes to express their thanks to the AARP for their generous donation. They put a lot of hard work into their Chili Supper and without each and everyone of them it would not have been a success.

Also thanks to all the ladies who made and delivered pies. We'd also like to thank the Girl Scouts for helping at the supper.

A special thanks go to everyone who came out to support our local organizations.

Thank you,
The Cross Plains
Ladies Auxiliary

Card Of Thanks

We want to thank everyone for the beautiful cards, flowers, telephone calls, visits, and especially your prayers before and after my heart surgery.

A special thank you to the Cross Plains E.M.S. It is really great to have this service in our community.

Buying Out a Business? Consider This..

Dear Commissioner Nabers: I am in negotiations to buy out an existing but failing business. I would first like to know what the 1988 range is for unemployment tax rates. Then I would like to know how, if at all, this acquisition could affect my own tax rate under these possible scenarios: (a) the acquired business comes in under my existing corporation which already has an experience rating; (b) I set up a new corporation for the acquired business.

— P.P.
Midland, Texas

COMMISSIONER
Mary Scott
Nabers

TEXAS BUSINESS TODAY

rate, your existing corporation can probably expect to have its rate adversely affected by the acquisition.

If you set up a new corporation for the acquired business, the new corporation will not enjoy the entry level rate of 2.7% for new businesses. Instead, your new corporation will inherit the experience rate of the predecessor business. This can obviously be good or bad depending upon what the predecessor's rate is.

It is wise for you to inquire into these matters before closing

your deal. Not only should you have the business you are buying provide you with current rate and chargeback information that it can get from the TEC Tax Department, you should also find out from them if unemployment claims have been filed in the last two quarters. Such claims represent potential charges which have not been used to calculate the current rate but which would affect your future rate. Likewise, you need to assess how many, if any, of the existing employees will be laid off when you take control because claims from those employees will also affect your rate.

Ms. Nabers represents 336,000 employers throughout Texas. If you have any questions you want answered, please write Commissioner Nabers at: TEXAS BUSINESS TODAY, 614 Texas Employment Commission Building, 15th and Congress, Austin, Texas 78778.

Dear P.P.: The unemployment tax rates in 1988 range from a minimum of 1.41% to a maximum of 8.77%. Entry level rate for a new business remains at 2.7%.

Under scenario "a", your existing corporation is going to inherit all of the reported wages and chargebacks from the acquired business. If the acquired business currently has a high experience

Men Turning 26

In 1988 Reach An Important Milestone

The Selective Service System has announced that men who will reach their 26th birthday in 1988 and who have not registered with Selective Service may forfeit their eligibility for some federal programs.

Men who were required to register with Selective Service in 1981 will be turning 26 this year. The law requires that young men register with Selective Service within 30 days of the day they turn 18. Although tardy registrations are usually accepted, Selective Service does not have the authority to accept registrations after a man reaches age 26. By failing to register before turning 26, a young man may permanently forfeit his eligibility for federal student aid, job training, and most federal employment. Likewise, some states require registration for state student aid, entrance to a state supported college or university, state employment and permission to practice law.

Many of the men who have still not registered may be unaware of the requirement or do not understand the importance of the obligation to register. Some may even have served in the military, but failed to register either before entering the Armed Forces or after leaving active duty. Others may have been institutionalized or incarcerated at the time of their 18th birthday and not realized that they were required to register within 30 days if released prior to age 26.

For those men born in 1962 who have registered, 1988 also marks the year that ends their eligibility for selection for induction under present law should there be a return to the draft. Nearly 20 million men, age 18 through 25 have registered with Selective Service since registration was reinstated in 1980. These men comprise over 98 percent of those required to register.

Men who have not yet registered should do so at any post office. Failure to register is a felony punishable by a fine of up to \$250,000, up to 5 years in jail, or both.

BURKETT NEWS

By LOVERA STRICKLAND

Donations to the Burkett-Adams Cemetery Association during the month were as follows: Mattie Webb Estate, \$38.10; Bevo and Dorothy Webb in memory of Veda DeBusk, \$25; Mr. and Mrs. O.W. Harbour in memory of her granny Iva Smith, \$20; and one anonymous gift of \$20.

Virgil and Freeda Burkett returned home Sunday from a trip to South Texas and Old Mexico. Maybe Freeda will share some of their experiences with us in the near future.

Birdie Helms honored her cousin, Eula Hunter, and others who had a birthday recently with a good lunch. (Alvin, the smoked turkey was delicious.) Those present were Grace Green, Virgie Adams, Jo Davee, Annie Golson, Wilda Tomlinson, and Gill. She also sent Delbert and Emma Boyle their lunch.

Mark and Marsha Turney and Jon of Santa Anna visited Mr. and Mrs. Lat Mountain, Mr. and Mrs. Richard Pope, and Mr. and Mrs. Jack Strickland Sunday.

On Sunday week before last, Bransford and Elouise Eubank called Lois Garrett and Jo Davee to come and climb on the big rock located by the Brownwood highway near the Pecan Bayou. Jo went half way up, but the others went to the top. Lots of names had been inscribed on the rock in the past. Some were put there eighty-five years ago.

Kathy Jones Promoted To Weekend Anchor

Kathy Jones was recently promoted to weekend news anchor at KAMR TV-4 in Amarillo.

She graduated from the University of Texas at Austin in May and started working for TV-4 in July as a reporter.

Jones is the daughter of Rolan and Sandra Jones of Cross Plains.

Eric Robertson Named To Honor List

Eric Robertson was recently named to the President's List at Texas State Technical Institute in Sweetwater.

Robertson attended Cross Plains School and is the son of Rena Robertson and the late Oliver Robertson.

the Quilting Club in the home of Mrs. Ethel last Thursday. One quilt was finished and another was partially done. Those in attendance were Iola Terry, Addie C. Rhodes, Cleo Porter, Doris Walker, and Lucille Cross. A pot luck lunch was the highlight of the day. The club will meet again Tuesday to finish the quilt.

Raymond and Lucille Cross received word last evening from their son, Kenneth, that the Lady Mustangs of Ingleside had won their Regional basketball games and will be playing in the State play-offs in Austin, beginning this Thursday at 2 p.m. Their record for this year has been 34 wins and no losses.

The only thing a kid should be getting in school is smarter.

Unfortunately, what too many of them are getting instead is drugs. With your help, it doesn't have to be this way.

There is a program called "Schools Without Drugs: The Challenge" that can help you deal with the drug problem in your community or school.

Find out about it. The smarter you are about what works against drugs, the better chance our kids will understand how dumb it is to take them.
