The Library Needs You

By VANDA KING
Editor

Are you in need of improved reading skills? Well, the Cross Plains Library may have the answer. Maybe you could use some assistance in the area of reading? Some young parents may need to improve reading abilities to help their children with their homework.

The volunteers at the library are eager to tutor those who are interested in learning. The program will be based on a 1 to 1 or 1 to 2-3 ratio, depending on the response.

There is absolutely no fee involved in this program. The library would like for everyone to enjoy the pleasure of reading.

Some may feel ashamed that their reading skills are limited, but the real shame is in not improving them. Your entire world could change. The quality of your life and the improvement in your employment could hinge on this small challenge.

You have all seen the commercials on television where the man in his late sixties is learning to read and the young married man is acquiring reading skills. It took guts to admit their needs, but look at the respect they receive!

During the West Texas Fair and Rodeo I recall a man who was riding horseback across the country for the literacy program. His picture appeared in the Abilene Reporter-News, along with the story of his personal experience of learning to read as an adult. His bravery should be great motivation for others.

Please don't cheat yourself out of the joy of reading. A world of information is available to you if you can read. Let someone know your needs. The library volunteers will provide a personal tutoring program for you with individualized goals.

You may submit your name by contacting the library at 725-7722 in the afternoons, or call 725-7432, 725-6279, and 725-7478 at other times.

If you know of someone who might like to register, call the library or drop their name through the book drop. Everyone's privacy will be respected.

Smokeout Proclamation

Whereas, The American Cancer Society's Great American Smokeout is a lighthearted effort to encourage cigarette smokers to give up their habit for 24 hours on Thursday, November 17, and

Whereas, for twelve consecutive years, millions of smokers, including many in Cross Plains, Texas, have participated in this event, and

Whereas, the health benefits of not smoking are substantiated and well-known, and

Whereas, there are additional civic benefits such as a reduction of the risks of accidental fire and illnesses related to "secondhand smoking,"

NOW, THEREFORE, I FRANK A. ROBERTSON, Mayor of Cross Plains, do hereby proclaim Thursday, November 17, 1988 as the day of the Great American Smokeout in Cross Plains, and in so doing urge all cigarette smokers in the community to demonstrate to themselves and their friends, that they can quit if they wish by joining the American Cancer Society's 12th Annual GREAT AMERICAN SMOKEOUT.

IN WITNESS THEREOF,
FRANK A. ROBERTSON
Mayor, Cross Plains, Texas

Serving time is 5 p.m. and carry out orders will be available.

Country western music entertainment at the Cottonwood Musical will commence at 7 p.m. Local and area musicians are welcomed to attend and participate on the evening program.

There will be no musical held during the month of December.

Bonner Home On Tour Dec. 4

This lovely tan brick house belonging to Rosalea (Cutbirth) Bonner, will be featured on the annual Beta Sigma Phi Tour of Homes that will be held on Sunday afternoon, December 4.

The Bonner home is located on a ranch that has been owned by the Cutbirth family since 1885. This ranch consists of over several thousand acres.

It was built in 1942, the year that Rosalea's daughter, now Jean McWilliams, was born. Higginbotham-Bartlett out of Abilene built the house.

This spacious country home has around 3200 square feet. The house includes a kitchen, combination living and dining room, three bedrooms, two baths, an office, laundry room, den, and a dinette off of the den. There is also a double carport.

A special feature of the house is the rock fireplace that is located in the living room. Rosalea said that the

fireplace was built from cobblestones that were gathered from the ranch.

The members of Beta Sigma Phi Sorority invite the public to view the Tour of Homes on December 4. Other homes on display belong to Betty and John Adams, Marie and Roy Stambaugh, and LaVern and Elvis Scott. Refreshments will be served at the Bonner home.

Contact sorority members for tickets, or purchase them at the homes. More information on tickets will be released in future articles.

School To Dismiss Early On Friday

Cross Plains Schools will dismiss at 2:45 Friday afternoon in order to have buses back from their runs early to make preparations for the football game in Breckenridge at 7:30 p.m.

By COACH ELAINE SHEDD

The Cross Plains Buffaloes may not be the District Champs, but that just doesn't seem to matter when you're one step better — The Bi-District Champs.

Cross Plains' first score, a 36-yard run by Chris Brown, capped just a 3 play drive 5 minutes and 11 seconds into the game. The Buffaloes' second score came on a 1-yard run by Brown, approximately 2 minutes later when the Yellowjackets bobbled an attempted punt. The Buffs led 14-0 after the first quarter when Chris Brown ran in the 2-point conversion.

Punting problems then plagued the Buffaloes, helping Menard pull within 7. Attempting a punt deep in his own territory, Cross Plains' James Ames bobbled the snap and was tackled at the Cross Plains 2.

Two plays later the Yellowjackets pushed the ball over from the 1-yard line with 8:53 left in the 2nd quarter. The extra point attempt was good.

With 3 seconds left in the half, Menard scored its last points when they kicked a field goal, leaving the score 14-10 at half time.

Third quarter play was filled with lots of action, but no scoring.

In the 4th, Menard advanced to the 9-yard line, and then on 4th and 2 the 'Jackets were stopped short of the first down after opting not to punt into the wind.

Cross Plains regained possession on downs and 4 plays later Chris Brown scored from the 1 for his 3rd touchdown of the game. The Buffaloes led 20-10 after a two-point conversion failed.

The wind was both the Cross Plains Buffaloes' enemy and friend. The Yellowjackets used the wind to their advantage in the 2nd quarter, preying on 3 Cross Plains punts that traveled an average of 11.3 yards. However, Coach Permenter was most pleased with Ames' 68-yard punt that left Menard on their own 1-yard line.

Another big play in the second half was when Cross Plains stopped Menard on 4th and goal from the 3.

The Buffaloes were missing season-long starting quarterback Deron Duffey who broke an arm, but replacement Terrill Smith filled the vacant position admirably, Permenter noted.

The Buffaloes meet up with Baird Bears in an Area playoff game Friday at 7:30 p.m. in Breckenridge.

Coach Permenter has led the Buffaloes to their first playoff berth since 1956. Be sure to get out and back those Buffs!

MR. AND MRS. CARL HALSELL

Local Couple Celebrates Sixty-Fifth Anniversary

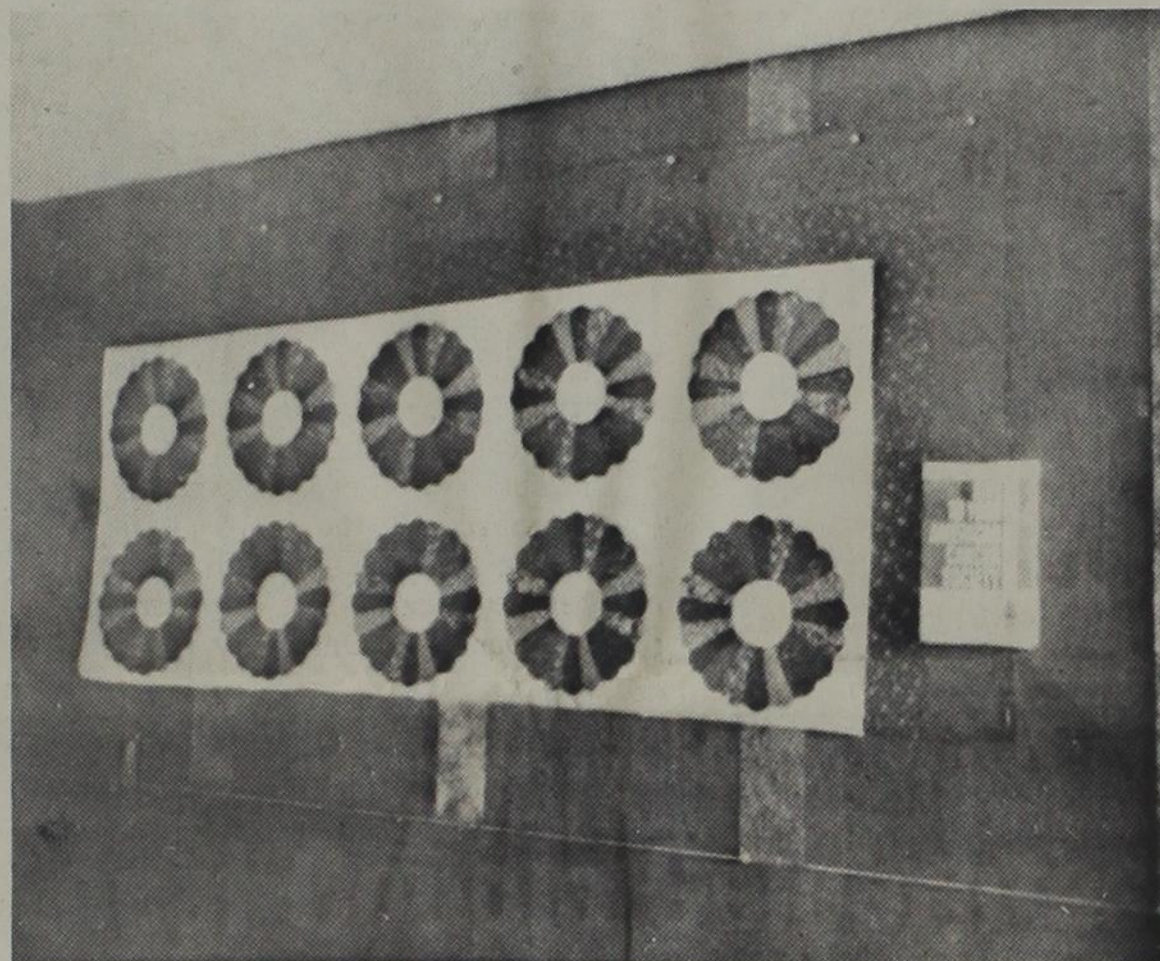

Carl and Mabel Halsell, who live near Cottonwood, will celebrate their sixty-fifth wedding anniversary on December 1. On Saturday, November 26, their children, Charles and Lou Rodenberger and Sue Taylor, will host an informal open house to honor the couple. The couple's friends and acquaintances in the area are invited to visit with them from 2 to 4 p.m. at the home of the Rodenbergers, located four and one-half miles north of Cottonwood on FM 2228.

The Halsells were married on December 1, 1923 in Rising Star, where Mabel was born on March 10, 1904. Carl was born in Whizzerville, now known as McMahan, near Lockhart in Caldwell County on August 31, 1899. He was reared at Hawley. At the time of their marriage,

the couple was teaching at Romney, a two-teacher school north of Rising Star. Both taught more than forty years in schools in Central and West Texas, including Kokomo, Cottonwood, Cedar Bluff near Cottonwood, Lucille near Graford, Central near Anson, Leuders, Cross Plains and Woodson.

Carl, a Methodist minister, also held pastorates in the area until he left the conference to become a full-time teacher. The couple organized union Sunday Schools wherever they taught. Carl continued to preach as a supply pastor. Before his retirement, he was pastor of the Cross Plains Evangelical Methodist Church for several years.

All of the couple's friends are invited to celebrate with them. No gifts please.

CALLAHAN COUNTY CANCER SOCIETY FUND RAISER — This beautiful quilt in browns, tans, and beiges is currently on display at the Citizens State Bank until November 23. It will be moved to Olney Savings where it will be exhibited until

December 2. You may purchase tickets at \$2 each, which will secure you an opportunity to win the quilt made and donated by two Clyde ladies. Proceeds will benefit the Callahan County Cancer Society in many capacities.

2 Taxes Repealed For Farmers And Ranchers

"On the last day of Congress,

farmers and ranchers got two big corrections in tax laws," reports Phil Williams, President of the Callahan/Shackelford County Farm Bureau.

One dealt with the diesel fuel tax and the other, the so-called "heifer tax," pertained to an income tax provision regarding production expenses, he said.

One correction restores a tax exemption on farm-used fuel at the retail level. The so-called "heifer tax" restores preproductive expensing of livestock.

"Both tax corrections are very important to the farmers and ranchers of these counties."

The Budget Reconciliation Act, passed by Congress last December, changed the collection point for the diesel tax from the retail to the wholesale level, forcing users to pay the tax and then apply for a refund. The change became effective April 1. In most instances, producers would have to wait for an entire year to get a refund.

Both taxes have now been repealed by the Technical Corrections Bills passed just before Congress adjourned, the local farm leader said.

The local county Farm Bureau received a letter from Texas Farm Bureau President S.M. True, congratulating local leaders for the two successes.

"Your hard work has paid off, and the Texas Farm Bureau's top legislative priorities have been accomplished for 1988," True wrote.

The American Farm Bureau Federation credits Texas producers with playing a key role in obtaining final passage of the Bills. AFBF reported that hundreds of letters were received by Texas members of Congress, he said.

NEW SLATE OF OFFICERS — The American Cancer Society of Callahan County would like to present its 1988-89 officers. Susan Sharpe — Treasurer (from left), Rosie Holden — Secretary, Aubrey Loper — President, and Ruby Weathersman — Vice-President will be serving for one year terms.

MINUTE MUSINGS

By ESTHLOY S. DICKSON

That south wind is cold this morning — I'm glad I don't have to be out in it for long. I was amused recently, when a cold 'spell' was on us. Several large bluejays were at the birdbath. With that cold wind blowing, those 'nin-nies' bathed in that cold water!

A few days ago, I discovered a flock of very small birds in my front yard — I don't think I'd ever seen that type here before. They were almost as small as my hummingbirds, more slender than a wren. They stayed here in my trees for awhile — I wish they would stay all winter.

One day last week, I stopped to chat briefly with my longtime friend, Mrs. Dale Gary. She was transplanting some flowers out near the highway. I had not visited with her in quite some time — she is a dear.

We had wonderfully fulfilling services at our church on Sunday. First, there were 21 'old' ladies in my Sunday School class — Mrs. Faye Purvis is a very interesting teacher. Then Bro. Michael preached a tremendous sermon. His topic was "Where Do We Begin in Christian Stewardship" with sub-topics: "Decision, Dedication, Design." Very interesting and thought-provoking!

Betty Beggs reports that grandchildren, Nikki, Ashley, and Tony, spent Friday night and Saturday with them while their mother enjoyed a shopping trip with her sisters in Dallas. They went on a fishing trip with son, Kim of Stephenville, also

son, David, and a friend. Rex Beggs and children are "camping out", also on a fishing trip.

Sally Roady reported that Art Roady is doing well. He was moved from the heart unit to a room on Thursday — he might get to go home on Wednesday or Thursday of this week. Sally's father, Howard Hicks, is better. He just might go home today (Monday). Billie Freeman kept Ms. Nettie part of the week. Art and Bertie took her to Abilene on Friday evening. Sally and Bobby brought her home with them on Sunday.

I chatted briefly with Helen Tillotson — she did not have any news to report. Jean Fore, Jewel Foster, and the David McGowens did not answer their phone.

November Singles Alternative Announced

There will be all kinds of folk and square dances, as well as board games, and refreshments. Please bring a small snack to share; lemonade will be provided. Bring your favorite board or card game, too.

To The Citizens of Callahan County

I wish to tell you how much I appreciate the voters of Callahan County who stood behind me and gave me their support in the November 8th General Election.

On behalf of myself and the Sheriff's Department, I am glad you did not believe or accept the false accusations that were said or published in our papers.

I do not think I have fooled any of you for the past 12 years and I have no intentions of starting now. I do not want to win any election by accusing or running anyone down. I like to think I run on my own merits.

I do consider myself a full-time Sheriff, not neglecting anyone or any part of Callahan County. Also, I know I can work with the newly elected County Attorney because I have worked and made good cases with the last three. I see no problems with either of our police departments or any other. All departments have operating rules and procedures we have to follow.

I am proud to be your Sheriff and I hold the position with great pride and integrity.

I invite any of you that have a problem with the Sheriff's Department, take time to come by and let's get it straightened out. There's no time like the present.

I have great love and concern for all of you.

Thanks Again,
Bill W. Skinner

GREAT AMERICAN SMOKEOUT

TAKE A BREATH

Join the Great American Smokeout on Thursday, November 19. Millions of smokers across the country will take a break and try not to smoke for 24 hours. How about you? Or, if you don't smoke, adopt a smoker for the day and promise to help that friend get through the day without a cigarette!

85-7MM-Rev. 4/87-No. 5680-LE

A FEW QUIT TIPS

- Hide all ashtrays, matches, etc.
- Lay in a supply of sugarless gum, carrot sticks, etc.
- Drink lots of liquids, but pass up coffee & alcohol.
- Tell everyone you're quitting for the day.
- When the urge to smoke hits, take a deep breath, hold it for 10 seconds, & release it slowly.
- Exercise to relieve the tension.
- Try the "buddy system," and ask a friend to quit too.

Garden Club Holds Monthly Meeting

The Cross Plains Garden Club met November 11 at the Garden Center with 19 members present. Refreshments were served by Maurine McCuin, Opal Jernigan, and Bobbie Johnston.

Following the call to order by president, Lucille Payne, minutes were read by Maurine McCuin and the treasurer's report was given by Exa Williams. Helen Tillotson read the correspondence.

Final plans were made for the Club's Thanksgiving bake sale which will be Tuesday, November 22.

A program on Landscape Design Planning was presented by Pauniece Oglesby. Claribel Gibbs won the door prize, a beautiful piece of hand painted china from Exa Williams.

Marie Stambaugh was named to head a Nominating Committee to select new officers for 1989-91. Others on the committee are Joyce Odom and Sarah Brashear. They will report at the January meeting.

The next meeting will be the Club's annual Christmas Dinner and Guest Night at the Garden Center December 16.

COTTONWOOD NEWS

By BEVERLY BROWN

The monthly musical and turkey supper night at the Cottonwood Community Center is Friday, November 18. Serving time begins at 5 p.m. Take out orders will be available. Prices are \$4.50 for adult plates and \$2 for children under the age of 10 years old. Food donations for the dinner may be brought to the Community Center on Thursday from 9:30 a.m. to 3:30 p.m. The country western musical program commences at 7 p.m. All area musicians are welcomed.

The Cottonwood Quilting Club will hold their pre-holiday bake sale on Saturday, November 19, at 9 a.m. at Village Market in Cross Plains. Do your shopping for the Thanksgiving desserts with the ladies.

The black panther sighted in the community several months ago is still roaming the area. Last sighting was west of Cottonwood on the McInnis Ranch during the opening of deer season. Ranchers are advised to be on the alert of keeping their stock watched.

We wish to express our sincere sympathy to Reverend and Mrs. Jesse

Bigbee in the loss of his brother, Grady Bigbee of Hobbs, New Mexico. Jesse and Hazel attended the funeral services in Hobbs on Saturday. Mrs. Lee Christensen of North Hollywood returned to Texas with her brother and is presently in May. She is staying with their sister, Mrs. Vera Jackson, who was released from the Brownwood Hospital on Sunday.

Mrs. Frances Van Zandt, Rachelle and Cole of Gardenville, visited with her mother, Mrs. Mary Knott, over the weekend.

PERSONALS

Visiting this past week with Mrs. M.F. Dill were Wanda Walker, Chester Cunningham, and Mr. and Mrs. Leo Thompson. Doke Pierce of Big Spring and Joe Howser of Tye were her out-of-town visitors.

LETTER to the EDITOR

Dear Editor and Residents of the Community:

The ravages of Diabetes is of special concern to many people in the country as one person in 20 is stricken with this disease and its serious consequences, and no one knows whose family will be hurt next.

Many have donated money over the years and much research has gone into finding a cure — but nothing really positive has come out of it since the discovery of insulin which controls but does not cure.

A grass roots movement began this summer in Omaha, Nebraska, and is sweeping the nation to declare November 20, 1988, as an Interdenominational Day of Prayer to call upon God with a united voice and pray in churches and synagogues, prayer groups, and individually that a cure for Diabetes might be granted to our research people.

The help of concerned individuals in your community is desperately needed to get the word out to friends and relatives in other areas that they might urge their churches or synagogues, relatives, and friends to participate. Remember, it is strictly a grass roots movement with no central organization which is relying on the help of many concerned individuals. PLEASE CLIP THIS LETTER AND SEND IT TO OTHERS TO HELP SPREAD THE WORD OF THE NOVEMBER 20, 1988, PRAYER DAY FOR THE CURE OF DIABETES.

Help us to spread the word — and join the many people from coast to coast on November 20 and pray for a Cure for Diabetes!

Sincerely,
Donna Holmquist

ROWDEN NEWS

By MRS. N.V. GIBBS

This is truly fall of the year weather, cool nights and warm days, but soon frost will be shining when the November sun comes up. Also, November is rushing by on the calendar and then Christmas will be here.

Veterans Day was observed over our Nation yesterday with a parade in Abilene honoring veterans of this area. Two World War I veterans are pictured in Saturday's *Abilene Reporter*. Also pictured is a Callahan County veteran, Joel Griffin, of World War II. Joel's wife, Shine, is a sister of Dorothy Reynolds of this community. Dorothy and James were in Big Spring for the awarding of the new Prisoner of War Medal to Joel. Joel's daughter, Julie Griffin of Abilene, was active in getting the Purple Heart, Air Medal, Good Conduct Medal, and Presidential Unit Citation. Joel served during the Japanese war.

James Reynolds is a veteran of the Korean War, serving about two years in that war which ended in 1953 after lasting three years. Many United States men and women were killed in that war. Congress has now approved a Memorial for the Korean veterans which will be situated across from the Vietnam Memorial in Washington D.C.

Can't Wait For The Sequel

By DON TABOR
Publisher

If you love Texas and its history, the next time you go to San Antonio, there's something you've just got to see.

You think I'm going to say "the Alamo", don't you. I'm not. I'm going to say "a movie about the Alamo."

No more than a hundred yards from the real Alamo is the Alamo IMAX Theatre which shows a 45-minute drama about the infamous battle of the Alamo on its 60-foot-tall screen.

It is breathtaking. Trite though that may sound, it is. The huge screen is curved slightly and there's a six-track stereo sound system that literally puts you in the action. When a cannon goes off, it sounds like you are standing next to it. When a cannon ball hits, you want to duck for cover.

But what I liked best was the way they portrayed the battle—simple, the way we read in school that it was, the way we want to believe it was.

We want to believe that Travis marked a line in the dirt with his sword and that all save one stepped across. That's the way it is in the movie. We want to believe that Davy Crockett could shoot the eye out of a squirrel at 100 yards. That's the way it is in the movie. We want to believe that Santa Anna was a low-life. That's the way it is in the movie.

We want to believe that 189 men chose to stand and die for freedom when they could have run. That's the way it is in the movie.

Some historians have tried for decades to debunk as myth much of what happened at the Alamo. I think they should shut up. I want my heroes. I want to believe it happened just like I read when I was a kid.

The fact is the men were there and they did die.

The giant screen makes the event and the men bigger than life. They are.

Many Mexican Americans have objected to the movie, saying it portrays their ancestors in a bad light. (As far as I could tell, there was not a single Mexican American in the audience of about 200 when I viewed the movie.)

I don't agree with their objection. After all, it was the Mexican army that was fighting to take the Alamo. There's no getting around that.

Also, the movie pointed out several times that there were a number of Mexicans fighting for our side and against their own countrymen at the Alamo.

All and all, if the movie doesn't put a lump in your throat, you don't have Texas dust in your craw.

I can't wait for the sequel and watch us kick you-know-what at San Jacinto.

Weekly Health Tip

BREAST FEEDING

Breast feeding within an hour after birth gives increased resistance to infection and averts a decrease in blood sugar that often occurs soon after delivery. Anti-infection factors in breast milk protect against such viruses as polio and herpes, and several bacterial infections. Breast feeding also helps the mother's figure, because suckling stimulates the release of oxytocin, which causes the uterus to contract.
