### 'United Fund Drive Friday'

By VANDA KING  
Editor

The annual United Fund Drive will kick off Friday, October 6. All volunteers are reminded to be at Odom's Restaurant by 8 a.m. so the crusade may begin by 8:30 a.m.

Dedicated workers have donated their time and energy to collect donations to sponsor many projects. Most of the funds will remain in Cross Plains to benefit local residents. Even those supported out of town are available to everyone in times of need.

The Red Cross would be provided should a disaster occur, and the facilities of the West Texas Rehabilitation Center have come to the need of many already. Just knowing its service is there and close at hand is a comfort.

M.D. Anderson Institute has served patients from Cross Plains, and the Southwest Diabetic Foundation and Salvation Army are worthy causes.

On a local level, the Cross Plains Library and Scouting groups will use the funds in ways of promoting and encouraging our youth.

The Christmas Care Program and Local and Transient Relief will provide Yuletide gifts for children and temporary support for those in distress.

It is hoped that everyone will have their donation ready when volunteers come by. This year an envelope will be left at your home or business if the volunteer misses you, and you may mail your contribution to the Citizens State Bank or drop it into the night depository.

Willing workers have always been a plus in the United Fund Drive and generous donors have allowed the drive to meet its goals. This year a \$4,550 goal has been set, so let's push past the mark.

## Annual Coleman County Fair Saturday, October 7

The Annual Coleman County Fair will take place Saturday, October 7, in downtown Coleman. The Chamber of Commerce representative stated that there was something for everyone.

A gigantic Arts and Crafts Fair and Fajita Cook Off are just two of the attractions. A Parade, Car Show, Pet Show and exhibit building provide more entertainment.

Bands will perform all day with continuous musical pleasure for all. A Street Dance will begin at 8 p.m. and continue until midnight.

Games and contests for every member of the family will be available. A bubble gum blow-off, diaper derby, stick horse rodeo and team roping are just a few events that you may enter.

Come join in the fun. See you at the Coleman County Fair! For further information contact the Chamber of Commerce at (915) 625-2163.

## 4th Annual Library Rummage Sale Friday And Saturday

Tomorrow morning will find the 4th Annual Rummage, Book and Bake Sale, sponsored by the Friends of the Library, opening for business in the old C.P. Discount Store. The sale will run through Saturday afternoon.

Since so many of the Friends of the Library also walk in the United Fund Drive, the doors will not open until 9 a.m. United Fund walkers are invited to drop in for a free cup of coffee after they turn in their envelopes at the bank.

Many interesting items have been donated for this sale; but the gigantic pink stuffed whatever has to be the most noticeable. Other eye-catchers include a recliner chair, a carpet shampoo machine, lamps, some really nice clothes and the usual run of knick-knacks.

A lot of goodies like Italian creme cakes and pecan pies have been offered for the bake sale section.

Several boxes of books no longer usable in the library will be up for sale — individually or by the lot. Indeed — something for everybody — see you there!

## 2 Local Women's Works Published In A Literary Reflection Of Abilene

"Mesquite," a new literary venture for Abilene, has recently been published, the first of a hoped-for annual series of journals of poetry, fiction and non-fiction, plus photography. Only 19 contributions were accepted out of 150 submitted.

Dr. Lou Rodenberger's essay entitled, "Two Texas Schoolteachers," was among the elite. The essay gives a history of her parents, Mr. and Mrs. A.C. Halsell, as old-time

school teachers.

Rodenberger is an associate professor of English at McMurry who has edited a book of women's writing and is working on a history of Texas women writers. She lives in the Cottonwood Community.

Clara Hanke's poem entitled, "Poet in Winter," earned a prestigious page in the issue. She recently moved back to Cross Plains from Abilene.

Homage is paid to the mesquite tree in the introduction of the book, and the mesquite sculpture, "Sliced Seed," by Abilene artist Arthur Williams. Black and white photography by Bill Wright of an old mesquite symbolizes the rugged endurance of the species of tree.

Although about half the contributors are academic types — college professors, high school teachers and graduate students — Dr. Delores Washburn, editor for "Mesquite," stated that it was no highbrow publication. She said it was not design-

ed for the intellectual academic world but for everyone in the Abilene area.

## Former Callahan County Resident Shot

Billy Self of Throckmorton, formerly of Baird, was shot in the chest at the intersection of Highway 36 and 283 early Thursday morning, September 28. Self stated that he was in the process of changing a flat tire on his trailer when two men in a car stopped.

The driver got out and offered assistance, while the other man on the passenger side of the car remained in the vehicle. When the passenger got out of the car, he opened the door to Self's pickup. Self told him to get out of the pickup, and the next thing he knew the man had Self's pistol, coming toward him. He took out his billfold and offered it to them. The man took the billfold and shot him anyway.

The first person on the scene was Jan VanHoose, a nurse and paramedic from Clyde. She remained with Self until a man from Albany came by. The Clyde E.M.S. was called and Self was transported to Hendrick Medical Center in Abilene. His condition is reported to be improved at this time.

The Callahan County Sheriff's Department is investigating the incident.

## Roping Club Schedules Trail Ride

Members of the Cross Plains Roping Club have planned a trail ride for Sunday, October 8, at the McClure Ranch. Everyone is to meet at the ranch gate at 1 p.m. A chili supper will follow the ride.

## LAP

By BILLIE LOVING

We hope that you will bring your child to the "Learn About..." Program at the Cross Plains Public Library. Each year we refine materials and methods to try to make the experience of the children meaningful and memorable.

To do that, we have talented and caring people. Again, Connie Swift and Barbara Barnett will be primarily responsible for the program for the younger children (3-4 yrs.) Bettye Greenwood and Kathy Chessir will plan for and teach the children who are kindergarten bound.

Keeping the book and refreshment departments going will be Juanita Shaw, Beverly Ross, Linda Gibson, Shirley Davis, and other recruits and/or volunteers. (We need volunteers!)

The first day of the program will be November 1. Registration, however, must be before that date. Tell your friends that we never register children at the meeting time, as everyone is busy with the activities of the day. Parents may register their children any afternoon before October 23 between 1-5 p.m.; on Thursday morning, October 19 between 9:30-11 a.m.; or Thursday night, Oct. 19 between 6-7:30 p.m. We need some planning time after children are registered.

We look forward to having your child in our "LAP..."

## CTO USDA Commodities Distribution

Central Texas Opportunities, Inc. will distribute USDA commodities in Callahan County:

**Baird:** VFW — Wednesday, October 11, 9:30 a.m. to 11 a.m.

**Clyde:** Senior Citizens Center — Wednesday, October 11, 1:30 p.m. to 2:30 p.m.

**Putnam:** City Hall — Wednesday, October 11, 3 p.m. to 3:30 p.m.

**Cross Plains:** Cross Plains Multi-Purpose Center — Thursday, October 12, 8:30 a.m. to 9:30 a.m.

CTO has no control over what items are available or the quantity of the items. Allocation of all commodities depends on the availability of food items from the USDA. All eligible persons will receive emergency food assistance without regard to race, sex, political beliefs, age, national origin, or handicap.

Shut-ins are encouraged to designate an authorized representative to pick up for them. Commodities will be distributed on a first come, first serve basis. Volunteers are greatly needed and appreciated to help with this much-needed program.

## Charges Dismissed On Cruelty To Animals Case

**CLYDE** — Twelve horses seized by the Callahan County Sheriff's office have been returned to their owner, who was charged with 11 counts of cruelty to animals.

As part of a settlement, the charges against Sue Smart of Clyde were dropped, and the seven adult horses and five colts were returned last Wednesday, said Callahan County Attorney Brad Harris.

Smart agreed to follow a nutrition plan to return the horses to health, Harris said. Also, Smart moved the animals to another location where they would be safer.

To insure the horses are taken care of, they will be monitored by the sheriff's department, Harris said.

Along with the settlement, some mistakes were made in the paperwork used to confiscate the animals, and that won't happen again, Harris said.

"If we don't like what's happened, we can certainly go out there and do it again and not make the technical mistakes," Harris said.

Veterinarian Joe Bob Stricklin of Abilene Equine Care said of the 12 horses, 5 adults and one colt were badly undernourished and would not survive through winter unless they were fed well.

"They were not being taken care of properly," Stricklin said.

The animals were under Stricklin's care from Sept. 13 until they were returned to Smart.

However Smart said the animals are being fed.

"I'm not starving my horses. I don't know what the deal is," Smart said.

Her attorney, Bob McCool agreed, saying, "The agreement was she'd feed the horses and care for them like she's always done."

"If they had any evidence she wasn't (feeding the horses), it would have proceeded in another fashion," McCool said.

The return of the animals to Smart, has angered Callahan County Sheriff's Deputy Rod Waggoner, who said he seized the horses on Sept. 13 after receiving a complaint the day before.

Waggoner vowed to keep an eye on the animals. "We're going to start watching them very closely," he said.

### Firemen Appreciation Dinner October 14

October 8-14 is Fire Prevention Week and the Cross Plains Volunteer Fire Department Auxiliary has planned a Firemen Appreciation Dinner to honor local fire fighters. The event will take place on Saturday, October 14, at the Cross Plains Community Center beginning at 7 p.m.

The Ladies Auxiliary would like for this to be a time for residents of the Cross Plains area to express their appreciation to the firemen for their time spent.

Even if you have not needed the service of the department, they have helped you through lower fire insurance rates. If it were not for the Fire Department, the insurance rate would be much higher.

Plan to spend the evening and support the local department.

Jack Scott, a long-time resident, will be the guest speaker for the dinner.

Tickets will be \$4.50 for adults and \$2 for children under 12 years of age. The menu will include baked ham and trimmings.

You may purchase tickets at the Western Auto Store, Cross Plains Frozen Food Locker, K.L.H. Oil and Gas office or at the door that evening.

Support your local Fire Department and honor them on this special night.

### Greenhouse Conference To Be Held In College Station

The greenhouse industry is among the fastest growing segments of Texas Agriculture. With an annual value of over \$600,000,000, this industry has more than doubled in size over the last 10 years. As a result, the Texas greenhouse industry has established itself as one of the largest producers of ornamental plants in the U.S.

The increased demand for greenhouse crops is one of the primary reasons that this area of horticulture has experienced such a steady rate of growth. Foliage, flowering and bedding plants have become a commodity that many Texans have grown to appreciate on a daily basis. These purchasing habits have not gone unnoticed, and now most supermarkets sell chrysanthemums and roses along with milk and bread.

To provide clientele with more information about the greenhouse industry, the Texas Agricultural Extension Service is sponsoring the annual Texas Greenhouse Grower's and Interiorscaper's Conference. The program will be held on November 14-16, 1989 at the Hilton Hotel and Convention Center in College Station, Texas.

A special Beginners Shortcourse will be conducted on Wednesday morning, from 9:30-11:30, for individuals interested in learning more about commercial greenhouse production. For information about this educational activity contact your County Extension Agent or call (409) 845-7341.

They also toured the Houston Museum of Natural Science and experienced the IMAX Theater, which showed various activities of astronauts, in which they circled the earth while performing many experiments.

## LETTER TO THE EDITOR

We feel the Sheriff's Office should place smaller emblems on their vehicles if they are going to dump a hog carcass in the creek on a public road right of way. This area had a previous problem like this so the no dumping signs posted at this area were easily visible.

This is a poor example for the two youths in the vehicle at the time of the dumping.

However, after several phone calls, we do appreciate a week later the removal of the hog carcass that was contaminating the water in Little Brushe Creek.

Because of the closing of many local dump grounds, examples like this will make it difficult for the Sheriff's Office to do their job to prevent dumping on our public road right of ways.

Callahan Divide SWCD Director Election Set

An election for a director to serve in Zone 5 on the Callahan Divide Soil and Water Conservation Board is scheduled for October 10, 1989 in the Callahan County Courtroom in Baird, Texas announced A.H. Ringhoffer, chairman of the board. The election will be held at 1:30 p.m.

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the district where the election is being held. The person must also live in the county of which all or part of the county is in the district and the voter must be 18 years old.

Legal qualifications state a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the

district. Soil and water conservation district directors serve four-year terms of office.

Zone 5 of the district includes an area generally described as the area southeast of the intersection of Hwy. 283 and Hwy. 36, land northeast of county roads 209, 211, 212 up to Cottonwood, east of FM 880 and south of FM 1864 (Scaranton Road).

## Cattlemen's Round-Up For Crippled Children

ABILENE — Livestock buyers and area donors contributed \$175,700 to West Texas Rehabilitation Center Monday during the 30th annual Cattlemen's Round-Up for Crippled Children cattle sale. The figure, which is approximately \$22,000 below last year's total, includes both sale receipts and cash donations.

Conducted annually at Abilene Auction, the sale is the third in a series of eight livestock sales which benefit WTRC's out-patient treatment facilities in Abilene and San Angelo.

The first of 141 animals to go through the ring, five fat heifers donated by the J. Willard Vinsons, sold for \$3 per pound. Buyer was R.W. McDonnell.

In addition to cattle and cash, specialty items put up for bid included pups, roosters, boots, wheat seed and a New Mexico deer hunt.

Next in the CRCC series is the horse sale, Coleman sale, Oct. 4; Stephen-ville sale, Oct. 4; Junction sheep and goat sale, Oct. 9; San Saba sale, Oct. 12 and Brownwood sale, Oct. 24.

## Close...But Not Quite

By DANIEL CROCKETT

The Cross Plains Buffaloes met the Bronte Longhorns in Bronte last Friday night, September 29, at 8 p.m. Although Bronte defeated the Buffaloes with a score of 20-8, the Buffaloes showed many improvements over last week.

Returning after being absent last week was quarterback/defensive back Deron Duffey. Deron did a good job of running the ball, as well as completing several passes to receiver, Donald Sibley, and running backs, Jody Brown, Billy Brown, and Colby Walker.

Jody Brown, who ran for 175 yards Friday night, scored from eight yards out for the Buffaloes in the second quarter. He also scored on the two-point conversion.

Senior wide receiver/defensive back, Donald Sibley, was injured in the game with a dislocated right elbow and shoulder. Donald is out for the season and will be missed by the Buffaloes. Replacing Donald on defense was junior, Roger Rudloff. Roger performed well and will probably start next week.

Overall, the Buffalo defense held well, only getting scored on with a few big plays. Although the Buffaloes are inexperienced, they are learning fast. Some junior varsity players who moved to varsity for the Bronte game were Roger Rudloff, Daniel Crockett, and Brandon Smith.

This week, Friday, October 6, at 8 p.m. the Buffaloes will face the Tolar Rattlers in Tolar. See you there to support the Buffs!

## Pictures Rescheduled

By BECKY McKEEHAN

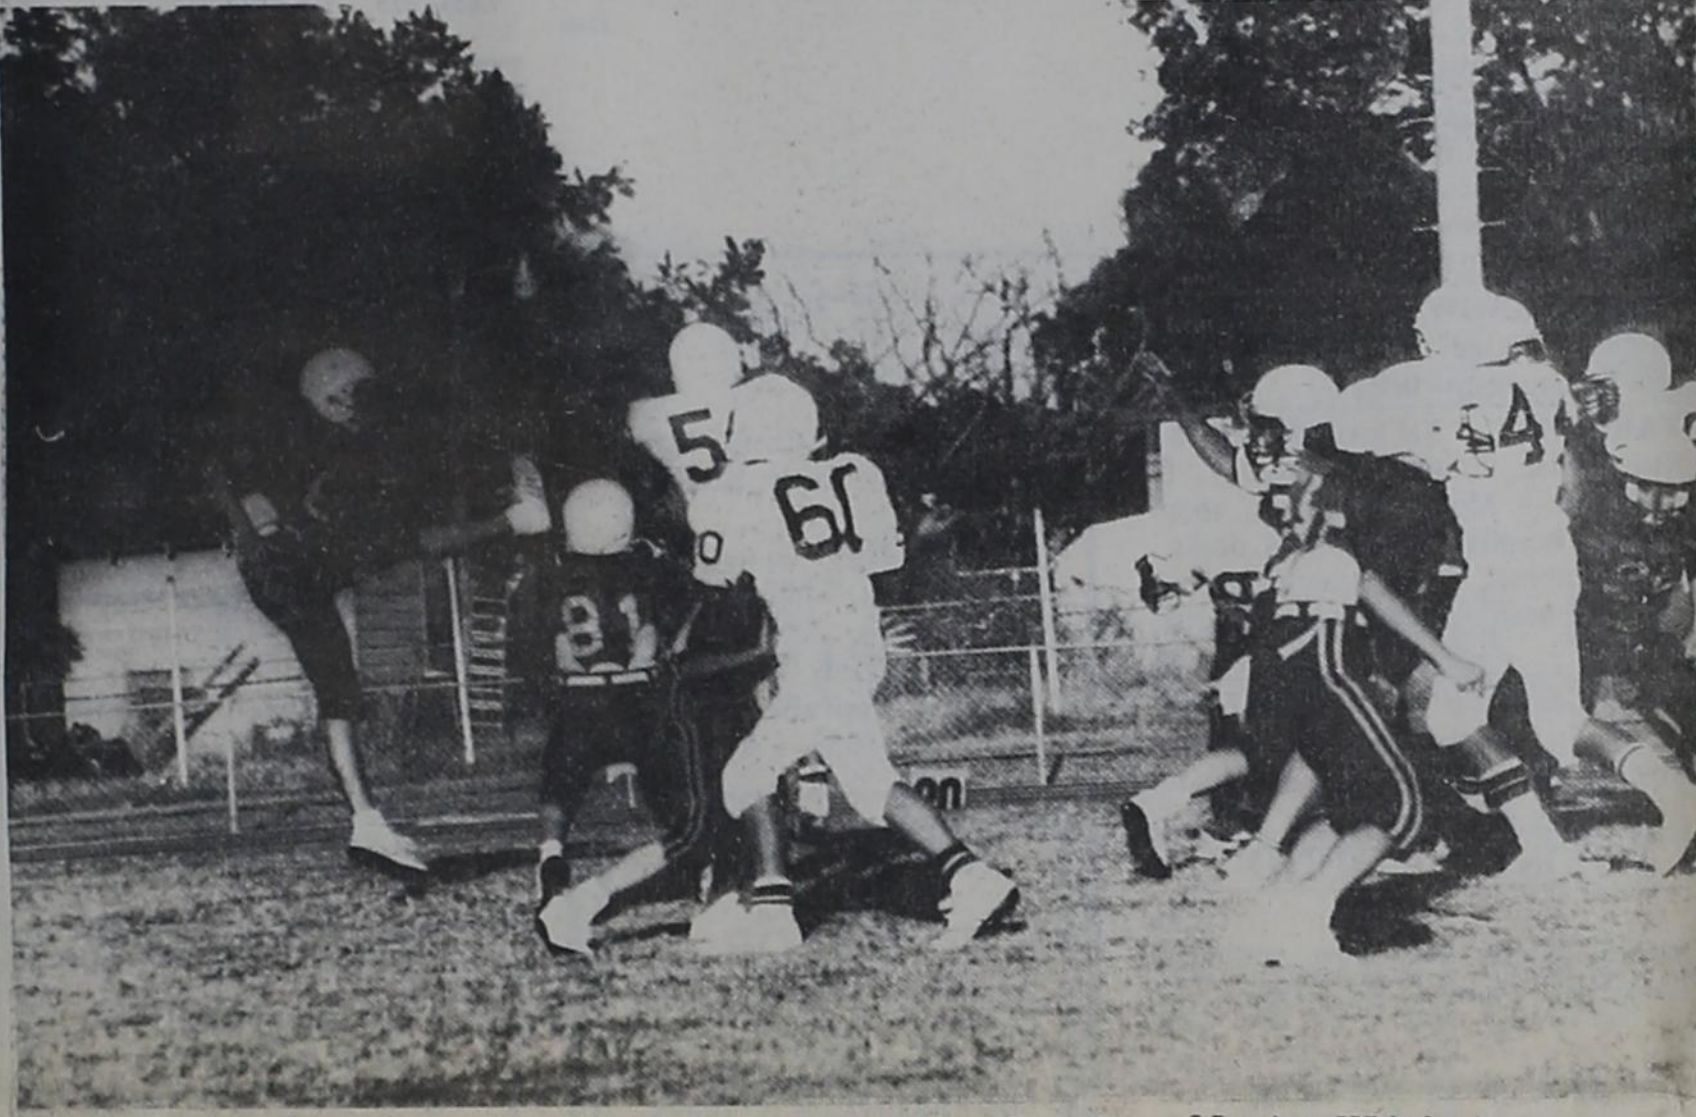

Due to some timing problems, certain school pictures have been rescheduled for a later date. As reported last week, Cross Plains Junior High football pictures, high school personality, and class officer pictures were set for October 3. The new date is Wednesday, October 11.

Also, on that day, Miller Studio will be taking orders for senior pictures. Students and parents may talk with them about their orders. Those seniors who did not have their pictures taken earlier are scheduled for October 11.

The score came in the third quarter, and the Mites' defense dug in to hold on to victory.

Boys playing in the game were Kevin Switzer, Jimmy Lee, Chad Coker, Jarred Harris, Jason Fleming, Billy Walker, Tim Yates, Scott Cheshier, Josh Harrell, Rusty Duke, Matt Reed, Cody Childers, Robert Lee, Rigoberto Rodriguez, Rodney Rudloff, and Kelly Barclay.

The Mites host Tolar next Thursday night.

Permanent captains are Kevin Switzer, Billy Walker, Jason Fleming, and Kelly Barclay.

The Junior High Football Sweetheart will be presented at the Tolar game.

### SENIOR BLUES

By KRISTY GIBBS and LEEANN WHITELEY

The Cross Plains I.S.D. School Board met Thursday, September 21. Among the topics they discussed were senior trips. It was decided that the overnight, after graduation senior trips, as the students are used to, would be eliminated. In its place, there will be a "Senior Day."

The Senior Day will be a one-day trip to a place of the seniors' choice. This trip will be taken before the end of the school year, on a weekend or school holiday, so as not to miss classes. It will be school sponsored, and the students will be accompanied by four teachers. Staying overnight will not be permitted.

Beginning next year, seniors will not be allowed fund raising projects, unless their funds become depleted after the expenses of the Junior/Senior Banquet. Students will have their freshman, sophomore, and junior years to raise enough money to put on the Junior/Senior Banquet and to go on their "Senior Day" the following year.

Because the Class of '90 exhausted their funds on last year's Junior/Senior Banquet, they will be allowed two fund raisers this year to earn money for their Senior Day.

The traditional "Senior Halloween Carnival" will also be effected by the new policy. Seniors will no longer put on the carnival. Because this year's juniors are not allowed fund raisers next year, they have been given the carnival in order to raise money for the Banquet.

When talking with the seniors, opinions were expressed about the new policy. The consensus was in favor of the Senior Day, but they were upset about not being able to sponsor the Halloween Carnival.

The high school teachers were polled by secret ballot during one of the faculty meetings as to their opinion of senior trips. The results were 14 against, 1 for, and 4 did not have an opinion either way. This survey was presented to the school board at their September 21 meeting. Four faculty members attended the meeting, acting as representatives to answer any questions and suggest solutions or alternatives. This was the basis for the new policy set by the school board on senior trips.

**BASKETBALL GIRLS CAR WASH** — Saturday morning was a great day for the junior high and high school girls to wash cars as a fundraiser to purchase traveling suits. Coaches Elaine Shedd and Debbie Bacon supervised all procedures.

**INSIDES CLEANED, TOO** — All vehicles were vacuumed, windows waxed, and Armor All'd the vinyl. (Car wash photos courtesy of Leah King.)

## Free Lunch...Be There!

By BECKY MCKEEHAN

It's that time again...ATTENDANCE COUNT...Twice a year every public school in the State of Texas is required to send in to the state their Average Daily Attendance (ADA) count. This count is used to determine two major aspects that affect the school system and Cross Plains is no exception. For one thing, the attendance count is used to determine into what classification (IA, IIA, etc.) a school is placed in order to determine U.I.L. districts.

The other important use of the ADA figure is financial. Each school district receives state money based on that figure, which is approximately \$2,000 per student. In speaking with Superintendent, Mr. Lee Thompson, he gave me the following examples: If a student is here 100 percent of the time, the school receives the \$2,000. If a student is here 95 percent of the time, the school receives only \$1,900. If a student is here 75 percent of the time, the school receives only \$1,500.

For the past 5 years, C.P.I.S.D. has been using an attendance contest to encourage students to come to school everyday during October, which is the month the state uses for the ADA count.

This year, due to the decrease in high school enrollment, the school is offering two prizes, as opposed to the one prize last year.

One prize will be a free hamburger lunch at P.K.'s, for the class with the highest percent of attendance in grades 7 through 12. For this prize, 2nd period is designated as the counting period.

The other prize will also be a free hamburger lunch at P.K.'s, for any student, grades 7 through 12, that attends all of their classes (including

zero period) for the full 22 school days in October. This prize is not limited to just the winning class.

The elementary grades will be awarded a free trip to Dairy Queen as their incentive to be here during the count. The elementary grades have been divided into two divisions for this prize. One class out of each division will be awarded the trip. The divisions are kindergarten through third and fourth through sixth.

PARENTS AND STUDENTS, please note the following dates for this attendance count, October 2 through October 27.

It is important that all students attend school everyday, not just during ADA counting periods, but financially it is very important for the school district to have the highest ADA possible.

### Most This, That And The Other

- Every year, the students at Cross Plains High School choose their "Personalities." This year, there were a number of "Personalities" the students could vote on; 15 choices to be exact. They ranged from some of the old familiar ones such as "Most Handsome" to some new ones like "Typical Cowboy and Cowgirl."
- The students voted on these "Personalities" during an activity period after lunch on Wednesday, September 27. It took a couple of days for all the ballots to be counted, but the results are as follows:
- Most Witty:** Daniel Crockett and Tracy Erwin.
- Most Spirited:** Kyle Foster and Stephanie Walker.
- Most Friendly:** Warren Parsons and Holli Shalts.
- Most Talkative:** Daniel Crockett and Stephanie Walker.
- Most Flirty:** Chad Bagley and Jennifer Goble.
- Most Sophisticated:** Donald Sibley and Tina Evans.
- Most Handsome:** 1st, Chad Bagley; 2nd, Cody Odom; and 3rd, Colby Walker.
- Most Dependable:** Billy Lee and Pam Helms.
- Most Likely To Succeed:** Donald Sibley and Tina Evans.
- Most Preppy:** John Bright and Courtney Kirkham.
- Typical Cowboy and Cowgirl:** Regin Stover and Shana Strickland.
- Biggest Complainers:** Roger Rudloff and Melanie Maddox.
- Biggest Clown:** Aaron Spaulding and Angie Purvis.

## FFA

By JAMIE JONES

The Cross Plains High School FFA met on Wednesday, September 27, to discuss FFA business. Last week during class meetings, they elected officers. Donald Sibley was elected president, Shana Strickland vice president, Trudy Newman secretary, Machielle Upton reporter.

On Wednesday the group elected an FFA Beau. This year senior Deron Duffey was chosen by the 42 members that attended the meeting.

They also discussed the possibility of planting shrubs around the school campus sometime this year.

This year's dues were set at \$6. Also, an FFA Banquet is set for April. The details are to be decided later.

Remember the cookbook sales the FFA conducted a couple of weeks ago? Some prizes were given to different students for their sales efforts. During Mrs. Wheeler's FFA classes, they put names of the class members who sold at least 20 cookbooks into a bowl and drew names.

Jennifer Goble won first prize of \$20. There were two second places. Johnny Herridge and Cheryl Wellmaker won stationery. Third place went to Sharon Walker who won some coasters.

### Cross Plains Joins KERA Program

By KARMEN KEY

With the suggestion of Cross Plains school librarian, Vicki Johnston, the school board decided to participate in the KERA Educational Television Program for the 1989-90 school year. KERA is the public broadcasting station out of Dallas.

This program is available to all public schools, but this will be the first year for Cross Plains to use the program. KERA has a wide range of video taped material that is available to all teachers from Kindergarten through the 12th grade. It is designed to provide the teachers with another source for supplementing their teaching materials.

Subject matter ranges from social studies, to science, the language arts, geography, art, math, etc. Catalogues of the available material are separated into three different levels; K-6, 7-8, and 9-12.

The program is not free, however. There is a charge of \$1.50 per student, with the total payment being \$1.50 times the total enrollment, which the district pays to KERA one time during the year.

### Accreditation Team From T.E.A. At Local School Oct. 18

Members of an accreditation team from the Texas Education Agency will be available Wednesday, October 18, 1989, to meet with parents and patrons who have an interest in expressing their views and opinions about the Cross Plains Independent School District, according to Mr. Lee Thompson, school superintendent.

Interviews will be conducted by team members beginning at 4 p.m. in the library of the high school located at 1464 North Main.

Every school district in the state is required by law to be visited by an accreditation team from the Agency to evaluate the quality of its educational programs and to determine what progress the school district has made since the last visit.

During the interviews, emphasis will be given to the quality of instruction and community support present on each campus in the district. Areas to be evaluated by the team include planning, curriculum, instruction, services to students, instructional resources, personnel, governance, community conditions, and physical facilities.

By MRS. N.V. GIBBS

Beautiful fall weather continues in this area without much needed rains. Farmers have sowed most of the grain fields and hoping for rain soon.

Curtis and Velma Springfield of Azle spent Sunday night and Monday with Claribel Gibbs. The three made a business trip to Abilene Monday morning. While in the east Wal-Mart store, met up with neighbors, Chief and Joy Horner. The short visit was enjoyable to all.

Visitors in the home of James and Dorothy Reynolds Saturday were Ellen Carpenter and son, Dalton of Azle, and the Jim Reynolds family of Midland.

Visitors of Robert and Dorothy Watson Monday night were friends, Mr. and Mrs. Roger Martin of Clyde. The Watson family attended games in Santa Anna and Baird this week.

Bob and Kathy Dye have made a vacation trip to Florida and Ohio. Kathy reported seeing a lot of pretty country, especially in Ohio where they had never been before.

Gene and Vernie Belle Mauldin had most of their children visiting this week. Carl and Mable of Rogers, Arkansas; Majorie Brown of Bryan; and Irene Masters of Snyder. Also, Roland and Faye Mauldin of Denton Valley and Kenneth Mauldin and friend, Johnny Hamilton of Stephenville.

Leigh Harrell had to miss two days of school this week due to a cold.

Visitors last Sunday in the Tony Steele home were Lee and Jean Jerinigan of Lake Proctor and Opal Steele of Clyde.

Joyce Odom spent Tuesday with her husband, Sterling Odom, at the Anson Road Place II in Abilene.

Chief and Joy Horner visited in the Gene Mauldin home while their children were home this week. The Mauldins and Chief and Joy all attended school at Bayou.

David Trevey, son of Ralph and Ginny Trevey of Snyder, visited his grandmother, Joyce Odom, Saturday afternoon. He was on his way home to Snyder.

## WHAT ARE THE GUIDELINES ON DRUG TESTING? HAVE THE LAWS CHANGED?

Dear Commissioner Nabers, Please explain the law governing drug testing for businesses. I know that there are certain standards regarding polygraph testing. Isn't the same true for drug testing? Our company has been in existence for several years but recently the ownership changed. New management informed us that drug testing was going to be done and any employee testing positive would be terminated immediately. I thought drug testing was legal only if there was already a policy in effect, all employees knew about the policy, and the company had probable cause to suspect an employee of using drugs before requiring him to take a test. Was I wrong or has the law changed?

K.L. Seguin, Tx.

Dear K.L., There is no federal law or Texas statute which regulates private sector drug testing. At this point in time an employer can devise whatever type of policy it wishes. A company does not have to limit drug testing to situations involving probable cause to suspect drug usage.

Having a written policy that all employees understand well in advance of actual testing is more a matter of good judgment and sound personnel relations than of law, but there are situations where an employer could be at a legal disadvantage if it does not provide such notice. The unemployment insurance claim setting is one example. An employee who has been notified of a company's new drug testing policy but refuses to be tested when the time comes will, as a general rule, be disqualified from receiving unemployment benefits if he is fired for his refusal. Whether the same would hold true if an employer, without any notice of a policy, demanded that an employee be

tested, is questionable, although the Commission has yet to rule on a case involving this exact scenario.

There were some serious attempts by the 71st Texas legislature to pass legislation concerning drug testing in the workplace. Although none of the proposed bills passed into law, there will undoubtedly be continuing efforts to set standards and/or regulate to some degree private sector workplace drug testing.

Dear Commissioner Nabers, How does a person go about filing a discrimination complaint? Does the TEC handle such matters?

C.L. Garland, Tx.

Dear C.L., No, the TEC does NOT handle employment discrimination complaints. To file a discrimination charge, contact your nearest EEOC field office or call 1-800-USA-EEOC for more information.

Commissioner Mary Scott Nabers represents all Texas employers. If you have any questions you want answered, please write Commissioner Nabers at: TEXAS BUSINESS TODAY, 614 TEC Building, 15th and Congress, Austin, Tx. 78778.

## LAKEWOOD NEWS

By BETTY WESTERMAN

Saturday, September 23, West Texas Utilities hosted a golf tournament for its employees and teammates. They had 18 four-men teams entered from the Abilene District in this one day scramble. Everyone had a great time, even if the wind did blow.

The Ladies Association sold sandwiches at this tournament and had a good total at the end of the day. They have just purchased a new refrigerator for the clubhouse. We all want to thank them for their hard work.

On September 30 and October 1, Lakewood had the 3-Person Golf Tournament. There were 19 teams entered, with six local teams and one from as far away as Joshua.

Winners of the Championship Flight were Benny Nichols, Randy Harris, and Kent Mehaffey from Cisco. Second place winners were the Brownwood team of Derek, Kevin, and Darwin Boscamp. And finishing in third place were Clay Gray, Ruben Sunige, Jim Gerlack from Clyde.

In the First Flight, we had Jim Moran, Don Lester, and Jim Sneed of Abilene winning first. In second place were George Johnson, Rick Martinez, and Benny Muillro of Clyde. Winning third place were Les Strawn, Johnny Newhouse, and Sammy Marshall from Comanche.

The Second Flight winners were Jack Hickman, Ron Houghton, and A.M. Dycuss of Eastland. The only local winner was the team of Richard and Billy King of Cross Plains, and Brad Bowden of Buffalo Gap, who won second place. Third place winner was the team of Herb, Betty, and Rick McKee from Coleman.

Winner of the Longest Drive on Saturday was Randy Harris of Cisco. John Ely of May won the Closest to the Pin contest. It was a beautiful weekend for golf, and everyone really enjoyed it.

## MINUTE MUSINGS

By ESTHLOY S. DICKSON

These 'musings' just might be more 'minute' than usual this week. This is a 'first' Monday, and the A.A.R.P. meets about 11 a.m. — so I'm going to be compelled to 'get a move on'.

Sunday was a special day at First Baptist — starting of a four-day revival. Rev. Larry Sinclair was our special speaker. Prior to his message, Freida Sinclair performed with "Willie Jo" with an impressive message, especially for the young people.

I always check the odometer on my old car nearly every time I drive it. On Sunday, it registered 89,898.9 miles. Now, that's a bunch of miles! I'm grateful that the 'Old Olds' drives very smoothly.

Mrs. Jewel Foster's daughter, Golda Huston of Abilene, visited her during the weekend. They went to Clyde and visited other family members.

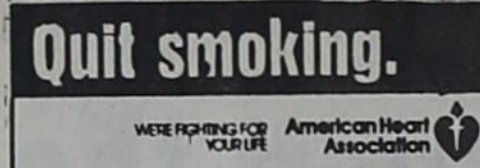

Kim Beggs of Stephenville spent the weekend with his parents, J.T. and Betty Beggs. Rex Beggs of Cross Plains joined them — they went 'dove hunting'.

David Beggs of Morton Valley visited on Monday. Visitors last week, also, were Mr. and Mrs. W.D. Beggs of Austin.

It was good to see Bobby and Sally Roady in our church on Sunday morning. They visit Ms. Nettie in the nursing home nearly every day. They have taken Cindy Roady to the doctor three times this week — she fell and hurt her back — a chiropractor is treating her. Their son, George, called them on the telephone several times recently.

Mack Taff answered the 'phone at their house this morning. Marianne had gone to Stephenville. Mack's uncle, Mart Boldt of Fort Worth, has passed away. He was ninety-eight years of age.

Mrs. Norman Lee's line was busy early — but I did get her just before I closed down. They didn't have any news, but they are all well, and that is good news.

### Weekly Health Tip

VITAMIN B2 — RIBOFLAVIN

Riboflavin is essential to visual health; a deficiency can cause itching and burning eyes, sensitivity to light, and headaches. Riboflavin acts to maintain the structure and color of the lips; if deficient, the lips split at the corners of the mouth and become pale. Overall growth also depends on riboflavin. Milk is rich in riboflavin, also found in eggs, organ meats, green leafy vegetables, and whole grain breads.

Your better health is our concern.
