Some of the criticisms to the band were as follows: "For marching contest, you retained a little too much of your half-time specials, which were very cleverly done." "Watch content of show that you retain more of traditional marching contest elements." "Your show is very nice, band, but marching we didn't see much of - can't grade too much on something you didn't do. Try for balance of good playing and marching also." These were only a few of the criticisms of the three contest judges.

The Clyde band members were very disappointed, but they all (except one senior) have another chance to make a I next year, and they plan to it.

UNDERSTANDING THE SCRIPTURES

(continued from last week)

Taking away from or leaving off something which God has said is just as misleading as adding words into the Bible which are not there. Some do not have an understanding of the scriptures because they have left off part of which is the divine word of God.

One of the most abused scriptures in this way is Mark 16:16. Jesus said, "He that believeth and is baptized shall be saved. He that believeth not shall be damned." It is not at all uncommon to hear people say that they believe that baptism is not essential to salvation. In view of the above scriptures, such a statement is calling "non-essential" a plain statement of the Lord Jesus Christ. No wonder people do not understand the scriptures! If we can use such butchery as this on the scriptures, and still call it Christianity, we don't need the scriptures anyway. Man could just believe whatever he wanted to about salvation and be saved without so much as even having a savior.

Baptism is so that man may have the remission of his sins (Acts 2:38). Baptism puts one into Christ (Gal. 3:27). Baptism brings one into contact with the cleansing blood of Christ (Rom. 6:3,4). In baptism the cleansing blood of Christ (Rom. 6:3,4). In baptism now saves us (1 Pet. 3:21). Baptism brings one into spiritual union with the body of Christ (1 Cor. 12:13). How can anyone mutilate the words of Christ to read, "He that believeth is saved without being baptized, because baptism is not essential?" If people will handle the word of God so carelessly (or permit it to be handled so carelessly), no wonder there is so much confusion and misunderstanding!

 TEXAS PRESS ASSOCIATION

AUSTIN — Gov. Preston Smith's decision to run for a third term drew sharp now attention to an increasingly-crowded and complex 1972 political scene.

Smith said he would seek vindication in stock-loan scandals. He plans to seek "over and over" that he killed (by veto) the bank deposit legislation urged by Houston banker Frank Sharp which the Legislature passed in 1969.

Meanwhile, former U. S. Sen. Ralph Yarborough said odds are now 10 to one he will be a candidate -- either for governor or the senate -- next year. But he declined to indicate which race is most likely to attract him.

State Sen. Wayne Connally, youngest brother of U. S. Secretary of Treasury (and former Governor) John B. Connally, jumped into the lieutenant governor's race. Connally is a conservative Democrat.

Harold (Barefoot) Sanders of Dallas reportedly is getting set to run for the U. S. Senate as a Democrat.

Sen. Joe Christie of El Paso indicated he will reveal at a dinner in his home town Dec. 7th whether he will enter the lieutenant governor's race or stand for re-election.

Republicans, calling for a "top to bottom cleanup" in state government, began recruiting preliminaries, concentrating on the governor's race. (They already have a U. S. Senate candidate, incumbent John Tower).

The Republicans, in an informal statewide poll of gubernatorial preferences, came up with S. Ross Perot, wealthy Dallas businessman, who is a political independent, as their favorite.

Lt. Gov. Ben Barnes and Dolph Briscoe, Uvalde rancher-banker, continued full-fledged campaign for governor. Sen. Ralph Hall of Rockwall and Houston newspaper executive William P. Hoby Jr. have been in the lieutenant governor's race for months.

COURTS SPEAK — Texas Court of Criminal Appeals upheld a new law which allows those accused of crimes to waive rights to a grand jury indictment before trial in cases where the death penalty is not applicable.

In other recent cases the Court of Criminal Appeals held: That photographs of a bloody death scene are not automatically prohibited from consideration in murder trials.

That a court is not to look beyond a bill as passed by the legislature to consider if the act creating a new trial court was duly submitted to a special legislative session by the governor.

COURT COST "SURTAX" PROFITABLE — Some 716 cities and the 254 counties collected \$335,348.70 during September from a new "surtax" on court costs earmarked for improving criminal justices.

Comptroller Robert S. Calvert reported on first collections under the law. Money will meet state and local matching fund needs for federal grants under the Omnibus Crime Control Act.

The new law provides an additional court cost assessment of \$2.50 for a misdemeanor case conviction in a court where jurisdiction is limited to a \$200 maximum fine and specifically includes traffic violations. It also directs a \$5 additional charge on other misdemeanor convictions and \$10 for felony convictions, to be collected as other fines or costs in cases.

AUTO LICENSE OBJECTION WITHDRAWN — A new Texas Motor Vehicle Commission member withdrew his protest to licensing of a competitive auto dealer in Corpus Christi.

Jack McKenzie pulled down his objection to TWVC's granting a regular license to Barton-Grubbs Volkswagens, which be-

gan operations in Corpus Christi three months ago. McKenzie, who operates a VW dealership, said he remains convinced he proved that a competitor in the city was not needed for several years. But he conceded, "reasonable men may differ on the facts presented . . ."

December 1 was the deadline set by the new Motor Vehicle Commission act for new car dealers, distributors, manufacturers and factory representatives to get required state licenses. McKenzie said the hearing before the Commission November 4th was "vital" and served a purpose in "forcing the factory to justify its actions."

HOSPITAL PLAN AVAILABLE — A draft of the 1972 Texas state plan for construction and modernization of hospitals and related medical facilities is available for public review at the State Health Department here.

The plan is the basic document on which the State Board of Health will make recommendations for federal Hill-Burton grants and subsidized loans.

Fifty applicants are requesting \$44.5 million in Hill-Burton grant funds and \$58.5 million in mortgage insurance. The requests are aimed at providing financing for construction in excess of \$215 million. Hill-Burton provides both grant and loan programs to build and modernize general hospitals and long-term care facilities, outpatient centers, tuberculosis hospitals and public health centers.

The Texas plan also contains a complete inventory of most health facilities in the state, a delineation of 134 service areas, determination of area needs and methods of administration.

BOLLWORM WARNING ISSUED — Unless the pink bollworm is controlled within the next few weeks, heavy losses, if not complete ruin, can be expected for the cotton crop in North and North Central Texas, the state agriculture department warns.

Commissioner John C. White said farmers must take immediate steps to destroy cotton stalks and plow under debris as quickly as rains will permit. End of November was the plow-up date for more than 40 counties in the North-North Central area.

Corinne Blackburn Club Has Game Night

BAIRD — The Corinne Blackburn Club met Monday evening, Nov. 20, in the home of Mrs. Sybil Diekey in Clyde, with Mrs. Bethel Cox of Abilene as co-hostess.

Games of 42 and canasta were enjoyed and refreshments were served to Mary Holley, Frances Dunlap, Eulala Ault, Mary Martin, Robbie June Price, Viva Peek, Florice Robbins, Beatrice Deal, Euleas Corn and Juanita Danielson.

The next meeting will be on Dec. 13 in the home of Mrs. Viva Peek. The subject will be Christmas in Our State, and a gift exchange will be held.

Junior High Girls Win 3rd Game

CLYDE — The 8th grade girls won their 3rd game of the season by defeating Albany Monday night by a score of 32-5. The defense held the Albany girls scoreless until the 3rd quarter.

Forwards scoring for Clyde were Diane Joy 3 points, Christy Smith 4, Lisa Benson 8, Lou Ann Eoff 6, Melynda Turner 2 and Katrene Davidson 2.

The Junior High girls have two games scheduled here next week - Monday with Merkel and Thursday night with Eastland.

— FROM THE COURT —

By MELINDA BYNUM

CLYDE — The Bulldogs showed they can overcome the height of the opposing team by winning the last two games. On Tuesday, Nov. 23, the team traveled to Anson and came home with a 67-61 win. Terry Rosinbaum was high scorer with 29 points.

Nov. 30th, the Bulldogs hosted Wylie. This was a low-scoring game with Clyde coming out on top 46-33. The alert Bulldog kept the Wylie Bulldogs from scoring in the 3rd quarter. John Bonline, a 5'7" Junior led the scoring with 11 points. Endgate Hawk was close behind

with 10. Jerry Anderson was chosen as Player of the Week because of his outstanding work in the full-court press. Since Anderson was moved to the front, the Bulldogs have won both games. He leads the team with 29 rebounds.

The Bulldogs are now 2-2. Clyde will play Stamford, the district choice, at 9 p. m. on Thursday in the Clyde tournament.

Clyde B Girls Lose To Wylie

CLYDE — The B' team girls lost their 3rd game of the season to Wylie with a score of 34-18. Clyde's leading scorer was Glenna Chrane with 10 points. Karla McKee of Wylie had 14 points.

Even though Wylie scored 34 points, the defense did a good job rebounding and working the ball up the court.

Their next game will be on Dec. 7th at 4 p. m. as they host the Merkel B team.

CLYDE — Navetta Gale Phillips and Joe Ray Lincecum of Baird were married Monday in the First Baptist Church.

The bride is the daughter of Mrs. Wanda Phillips of Brownwood and T. W. Phillips of Odessa. Mr. and Mrs. G. E. Lincecum of Baird are parents of the bridegroom.

The Rev. Gary Lawrence officiated. Organist was Mrs. Harold Holden.

Presented in marriage by her uncle, Guy Saunders, the bride wore an empire gown of organza embroidered with roses and designed with bubble sleeves and full length train.

Attending the bride were Mrs. Ted Saunders, matron of honor, and Diane Swofford and Nancy McGinnis of Abilene, bridesmaids.

They wore empire gowns of shades of lavender lace and crepe with bubble sleeves of re-embroidered lace.

Jimmy Doyle Lincecum of Baird was his brother's best man. Groomsmen were Bobby Phillips, brother of the bride, and James Anderson of Abilene.

Mrs. Clark F. Kreidler was reception hostess.

The bride is a senior at Clyde High School.

Boosters To Buy Band Instruments

BAIRD — The Baird Band Boosters met Wednesday, Nov. 23 in the new junior high library, to discuss proceeds from recent projects, and expenditures.

It was decided to purchase two French horns and a baritone saxophone. These instruments are needed by the band for better balanced instrumentation.

A color film of the band, with sound, was also purchased. This film was made as the band performed its routine during the marching contest held at Brady recently.

Clyde 8th Splits Two Games

CLYDE — The 8th grade won over the Merkel team by a score of 52-29, but then lost to Albany 34-13. All the traveling team saw action in the Merkel game, with a number of players scoring: David Self 11, Fred Lipham 10, Jay Hurley 9, Curtis Chiappone 9, Miller Scott 2, Robbie Spurgers 2, Billy Holley 3, Brent Hock 2, Keith Morton 2 and Greg Welch 2. Very few mistakes were recorded for the Bulldogs.

The 8th had a very cold night from the field at Albany. A number of scoring chances were not taken advantage of by the Bulldogs. Albany has a tall, strong team. High scorer was Miller Scott with 7 points.

Their next game is Monday night with Merkel here, for the first home game.

BAIRD — Thanksgiving guests in the home of Mr. and Mrs. C. C. Billingsley were Mr. and Mrs. D. C. Gandy, Mr. and Mrs. Royce Smith and family of Ft. Worth, Mr. and Mrs. Michael Gandy of Irving, and Mr. and Mrs. R. B. O'Brien of Breckenridge.

A CHRISTMAS CAROL - 1971

'Twas the night before Christmas and there in his chair, father was cursing and tearing his hair. The children were upstairs asleep -- far away, dreaming of gifts they would find Christmas day. The money was paid, the gifts had been bought . . . all was well with the world . . . so father had thought. Then out to the car, and back to the store for some good things to eat . . . he returned to the car and what did he find? Some lousy sneak thief had stolen him blind!

A sad tale, but too often true. The National Automobile Theft Bureau (NATB) points out every year hundreds of people are victimized by thieves who steal Christmas packages from parked cars . . . often taking the car that the packages are wrapped in. Some shoppers in their haste even leave the keys in the ignition as an added Christmas surprise for the thief.

NATB urges motorists to "Theft-Proof" their automobiles and offers these tips:

Don't leave packages or other possessions up for grabs by leaving them on the seats or the floor of your parked car. Put them in the trunk.

Roll your windows up tight, and lock the car doors.

Don't forget to remove your ignition key when you remove yourself from your parked auto -- even for a moment. You may not only find your car gone when you return, but also get a Christmas present from the police in the form of up to a \$200 fine for leaving your keys in the ignition. That is now against Texas state law.

Don't park your car in a remote or dimly lit spot. Thieves enjoy the opportunity to do their foul deeds where they are not in the limelight.

Take these precautions. I'll help you have what the NATB wishes for you: A MERRY CHRISTMAS.

CLYDE — Mr. and Mrs. B. Tucker spent Thanksgiving in the home of Mr. and Mrs. W. M. Newton in Burkett.

Lola Reeder, 64, Rites Held In Big Spring

BIG SPRING — Funeral services for Mrs. R. B. (Lola) Reeder, 64, were held Friday, Nov. 26, at 3 p. m. in Big Spring. Officiating was the Rev. Kenneth Patrick. Mrs. Reeder was a sister-in-law of Mrs. Claude Johnson of Baird.

She died Wednesday, Nov. 24 in Shephard Memorial Hospital after a brief illness. She was born Dec. 4, 1906 in Big Spring. She married Roy B. Reeder on March 15, 1930 in Baird. They

made their home in Big Spring since September, 1934. They established Reeder & Associates in Big Spring, and Mrs. Reeder was active in the business until 1958. She was a member of the First Baptist Church of Big Spring.

Survivors include her husband; one nephew, Bill P. Johnson of Big Spring, and Mrs. Johnson of Baird.
