Hope to see everyone come out and support the 1995-96 Buffalo teams.

MINUTE MUSINGS

By ESTHLOY S. DICKSON

This Monday morning is more than just beautiful—it is 'breezy' and very pleasant. I wish I had some rare and exciting items to report—I don't know where to start. Our pastor's message topic just fits my 'train of thought' today ("What To Do When You Don't Know What To Do"). There were only 160 in Sunday school—there surely should have been at least two hundred. Church attendance was only fair.

My good neighbor, Ms. Jewel Foster sounded good and strong this morning.

She didn't have any special news; however, I always enjoy our chats. We are in Sunday School class together and I'm glad she continues to enjoy good health.

The telephone was not answered at the Ruddy home this morning. I surely want to hear from them—they are very dear to me! I did not get the Tillotson's either—only a recording at the Burseson's.

I didn't get the Beggs' families this morning. I do so want to include them in my report—they have many friends who want to hear from them.

Cholesterol Drug

The first study shows that the cholesterol-lowering drug Zocor can prolong the lives of heart disease patients and even help them avoid bypass surgery and angioplasty. This could profoundly change the way doctors treat heart disease, making these medicines a front-line therapy for millions of Americans. The drug has shown it can reverse or stop progression of coronary blockage over time. While the cholesterol-lowering drugs have been available for several years, some doctors have been reluctant to prescribe them because of doubts about whether they do any good.

Your better health is our concern.

BREAKTHRU
 By Bob Pipes, preacher
 Cross Plains Church of Christ
 433 N. Main At 12th

One excuse some give for not being a member of the church is that "there are hypocrites in the church." While it is disturbing to me that anyone could even use this as a reason or excuse, to throw up in their defense for not being a Christian and assembling with others of like mind, one has to admit that it is a flimsy and illogical one! It's like saying, "I'm not going to be an American nor live in America anymore because there are some who live here who are not democratic and patriotic to the republic." Perhaps it is suffice to remind such a one that in order to hide behind a hypocrite, you must be smaller than the hypocrite...

Now, as ridiculous as it is to hide behind a hypocrite, it is a crying shame that there are hypocrites in the church to be used as an excuse by some for not being a part of the church themselves. Peter says for Christians to conduct themselves in a manner so far above reproach -- to live such good lives -- that though they accuse them of doing wrong, they (seeing their good deeds) will know their good deeds came from God working through them. (1 Peter 2:12, 15)

One may be falsely accused of being a hypocrite -- and that's bad enough -- but for the charges to be true? -- of a Christian?! No wonder Jesus denounced the scribes and pharisees so severely; He knew they were hypocrites -- "Play-actors" -- vile sinners in disguise. Let us never be correctly so accused -- by God or man. By the way, You're not hiding behind a hypocrite, are you?

P.S. There is a difference in being a hypocrite and being imperfect. Come strive with us toward perfection, and rid ourselves of any hypocrisy in our lives...

CARD OF THANKS

I wish to extend my deepest gratitude to the Cross Plains Community in its outpouring of love on my Mother's 90th birthday. No greater uplift could have been given to her than this. She has said it was the happiest birthday of her adult life. I am especially appreciative of the time and efforts of Kathy, Charles, Melanie, and John Chesshir and Billie Ruth Loving in planning and coordinating her party and of all those who prepared dishes and sent cards and wishes.

In addition my special appreciation is due to all those who have helped in anyway during my Mother's recent illnesses. Particularly do I wish to thank Charles Stephenson, his nurses and staff and Deidre Switzer, Linda Payne and their staffs for their loving attention to my Mother.

With Heartfelt Thanks,
Robert Eubank

LAKWOOD NEWS

By MILLIE OWEN

Another week has passed and after all the rain the grass has really grown. I know a lot of you are wondering why the fairways haven't been mowed yet. It's because the mower broke down and we have been waiting on the part. It finally came in, and mowing has begun. So come on back out, and I promise you will be able to find your ball, that is if it is in the fairway.

The 3-person scramble scheduled for the 19 and 20 has been moved up one week to the 26 and 27 due to so many other tournaments in the area. So if you are interested in playing, give us a call by Thursday, August 24.

Our Thursday afternoon scramble is

having more people every week due to the cattle drive. Still no winner last week, so the carry over on cash is \$99. It should be up to \$125 today or more if a bunch of you bring a friend with you. Entry fee is only \$7 and that includes closest to pin on #8 hole and also the cattle drive.

Now that school has started, the pool will be open, Tuesday through Friday, 4-7 p.m. only. Cost will be \$1.50 per person. On Saturday and Sunday, hours will be 1:00 to 6:00 with the cost being \$2.50 per person. Children 3 and under, free admission. As long as the weather permits, the pool will remain open.

Once again we would like to thank each and everyone of you who has helped make the pool a success.

Reading my cards will give me much pleasure. I shall treasure them as long as I live and leave them to my family to enjoy.
