The Cross Plains Chamber of Commerce hosted its Annual Banquet on Thursday night, July 20. Approximately 135 people crowded into the Community Center for the gathering.

A silent auction of merchandise and gift certificates donated by local merchants preceded the Banquet. The auction raised a tidy sum for the Chamber and was enjoyed by everyone in attendance.

After enjoying a tasty Bar-B-Que dinner prepared by Collum's Restaurant with delightful entertainment, provided by Connie Swift on the piano, a special awards presentation ensued. The awards were presented to eight local businesses which have been in business

under the same name for at least 50 consecutive years. The awards recipients included: U.S. Post Office, City of Cross Plains, Cross Plains I.S.D., Higginbotham Lumber Company, West Texas Utilities, Cross Plains Review, Citizens State Bank and Cross Plains Frozen Foods.

Jack Scott prepared a beautifully written, brief history of each award recipient, which was read prior to the presentations.

Texas Tech Head Football Coach, Spike Dykes was introduced by hometown football hero, Jody Brown. Coach Dykes presented an extremely enjoyable, sometime humorous, but poignant speech on being successful in life.

ATTENTION: C.P. Athletes

It is the time of year for Athletic physicals. If you are in grades 10, 11, or 12, and have a physical on file with the Cross Plains Athletic Department, You do not need a physical! The only exception to this rule is an athlete who was under a

doctor's care within the last year. For students entering grades 7, 8, and 9 (male and female) please pick up a physical form at the field house. The Cross Plains coaching staff appreciates Charles Stephenson and the Cross Plains Medical Center staff's hard work in this community service. The Cross Plains Staff would like to ask our students to get your physical early. We look forward to an excellent school year.

CROSS PLAINS LIBRARY FUND-RAISER TONIGHT!

By BILLIE R. LOVING

Plan to eat on Main Street Thursday, July 27 from 5 - 8 p.m., on Dale Bishop's Bayer Used Carlot. KIX, a Brownwood radio station, is providing all the fixings for hamburgers (\$2.00) and sausage wraps (\$1.00), donating all proceeds to the automation and internet upgrading fund-raising project of the Cross Plains Public Library. Iced tea and lemonade will also be available.

While you eat, you can enjoy the music of Smokey Callaway and the Carl and Helen Whitely group. Come enjoy the music, bring your family for an easy supper, and support the Cross Plains Public Library.

It is crucial for the Cross Plains Public Library to make decisions in August about Automating the book checking procedures, processes for handling extension and interlibrary loan, and making Internet available to the community. To be eligible to apply for state grants available in December, a district must, through partial funding and commitments for funds, indicate a desire to update procedures.

Realizing that these procedures and processes are not a part of the everyday world, I cite some examples of what the

future holds without modernization: 1. Already, extension books (the

books Big Country Library supplies monthly) are coming in seemingly unprocessed. They have no card pocket, no card for borrowers to sign, etc. "But they are processed," we are told, "They have a bar code." We cannot put these books on the shelf because there is no way to check them out safely. We are simply outdated.

2. By next year, Interlibrary Loan books will be processed through E-mail. No E-mail, no Interlibrary Loan-our method for supplying books which we cannot otherwise provide. Again, no safe way to check them out, even if we could get them. The Cross Plains library has a large ILL business, providing books for both entertainment and professional help.

3. Finally, the library is a place where people who do not own computers could, through Internet, stay in touch with the whole wide world.

Come by to talk about it!

NOTE: Please feel free to designate donations for memorials, birthday gifts, or charities. All gifts to the Cross Plains Public Library are tax deductible.

NOTE: Because of the State's deadline, the Big Country has been able to extend our deadline from August 7 to August 17.

NEWS FOR VETERANS

JAPANESE POWS----Word has just been received from the Disabled American Veterans regarding payment by the Japanese government to former World War II prisoners of war. After a suit was filed against Japan by the Center for Civilian Internee Rights, Inc. earlier this year, Japan agreed to pay \$20,000 to military members and civilians held as POWs during the war. The Center has until August 10 to provide the Japanese government with names and POW history of people eligible to receive payment. If POWs are deceased, their spouse may collect on their behalf. If spouses are also deceased, surviving children can file.

Interested people may call Gilbert Hair, executive director of the Center for Civilian Internee Rights, Inc., at 305-864-2558. The Center's address is 6060 LaGorce Dr., Miami Beach, FL 33140.

KOREAN WAR----You will most likely be reading this column on the anniversary of the July 27, 1953 Korean War Truce. Please take time to remember the 54,000 American troops killed and the 8,177 missing in action from that black time in American history. Callahan County men lost in that war were Billy Wayne Cox, James K. Damon, Archie Parisher and Elvie P. Reed. At 2 p.m. July 25, 1995, Korean War Veterans will finally be honored with a national memorial in Washington D.C.. About time!!

OUTPATIENT CLINIC----All area Veterans are interested in the opening date for the Abilene V A Outpatient Clinic. In a meeting at the Big Spring V A Medical Center on July 14 it was learned that the opening is hoped for in October. There has been a problem in getting competitive bids for operation of the clinic and this matter has now been resolved. We will all look forward to the October opening.

GREETINGS FROM YOUR SENIOR CITIZENS

By THELMA LONG

Chuck and Elva Woody have been blessed with a visit form her son from Mississippi and her daughter from Tennessee, but they missed seeing each other. Tami and Dennis Torres and girls Terri and Allisa from Las Vegas visited their mother, Margaret, and grandmother, Elva Woody.

August Gartlitz is back and we are

Arnold and Marie Horton visited on Friday and played bingo with us.

Paul Harlow, his three beautiful ladies, Juanita and Vi and Jean Fore, were here. It's always nice to have them.

Frank and Frances Rone were in Kerrville on Thursday for Frank's check up and in Brownwood on Friday for Frank's out patient surgery.

Alva Key and her sister visited in

Carsicana with their brother who is ill. Helen Freeman's granddaughter is going to school in France. She was there for the big Bastile Day which is something like our 4th of July. It was quite a celebration. She is getting some practice in speaking French as she is staying with a family who speak only French. Your reporter visited Jake Green and

Vera Pearl Bunnell in Rising Star Rest Home. They were both in good spirits. Maurine McCuin spent a few days with her daughter in Stephenville.

Our straying Faye Jackson is back after a trip to Las Vegas. We are glad to have her home again.

We've missed Roy Tatom while he was ill at home. He was back with us on Friday. We are thankful our Garage and Bake sale was a big success. We thank all the cake bakers and everyone who donated items for the sale. Some of the best people in the world live here!

Laughter and Life

That is the prescription of a growing number of medical

researchers. It is the medical watchword of Joyce

Saltman, a teacher at Southern Connecticut State Uni-

versity. She doesn't believe in reducing stress, but rather

combating it with humor. "Life is meant to be stressful.

The only people who experience no stress at all are all

dead!" She says laughter helps oxygenate the capillar-

ics, the heart rate is reduced, it increases circulation and

even burns up calories. "A positive attitude with good

medical attention will get you farther than a negative

attitude with the greatest medical specialists in the

and Lowell Clark of Midland.

The more you read that, the more you wonder if a ten year old wrote it -- not only from the standpoint of its masterful construction and superb thought, but I just don't remember ten year olds being that interested in huggin' and kissin' -- maybe gigglin' and grinnin' and even winnin', but not a huggin' and kissin'!

Nonetheless, the idea is golden: when there's a tug-of-war, no one wins; when its a hug-of-war though, everybody wins. One problem with divorces is that it usually extends an already tug-of-war — between the ones getting the divorce, in settlements of property, in deciding who gets the kids... And then there's the tug-of-war between the children and their parents: It's a battle for them to not take "sides" - and then there's the rest of their emotional tug-of-war ...

I'm wondering if we could not take the ten year old's suggestion/advice of playing "hugof-war a lot more, thus eliminating, even preventing, many tug-of-wars. Paul wrote: "Therefore let us pursue the things which make for peace and the things by which one may edify (build up) another," Romans 14:19. It doesn't have to be a literal hug: try being more congenial, agreeable, understanding, patient, selfless, humble, cool-tempered, forgiving, trusting and persevering -- and throw in a kiss and a hug or two now and then for good measure (at least in the family)!

Come learn along with us, about God's "hugs and kisses".

LAKEWOOD NEWS

By MILLIE OWEN

There have been a lot of things going on at Lakewood since the last article. I feel sure a lot of you already know that on Monday, July 17, a person or persons unknown came out to Lakewood while my family and I were out of town on our day off and caused total destruction. They broke into the pro-shop and also into our home and stole several items. This did not satisfy them, so they went to the cart sheds, took out eight carts, and drove them across several greens, running over flag pins and breaking them. In addition, they tore up several sprinklers. This wasn't good enough yet either, so they played bumper cars with the carts. Estimated damages total about \$3500. We will offer a reward to anyone who has information about this crime that leads to an arrest and conviction of these criminals. Well, I guess that's enough bad news, so let's move on to the good news.

Golfing season has really come around. We had a two-person scramble tournament this past weekend. We only had ten teams entered but everyone had a good time. The winners were as follows:

First Flight:

1st-Jerry Owen and Amee Wingrove,

2nd-Mike and Karen Martinson, Albany, 138

Second Flight: 1st-Bud McCorkle and Greg Hutchins, 145

2nd-Larry Windham and Ricky Baker, Coleman, 149

We want to thank each one of you who

entered the tournament and invite you to come back again soon. The pool has really been a big success.

Seems like more and more people show up everyday. If you haven't been out, you should come and take a dip. We would also like to thank L. E. Allen and Les Thompson for their pool fund donation, and to let you know that one ladder has been purchased and another one has been ordered.

Don't forget our Thursday afternoon scramble which starts at 6:00 p.m. To anyone who is not a member, we will not charge you a green fee, so entry fee is \$5. Come on out and have some fun and win

Until next week, I ask that you all keep your ears open and hope we can find the people who vandalized our course and our property. Just remember, our club is

This is a clear windy day. We will enjoy the wind and hope it continues to blow. My yard will be mowed this week. It is very depressing as it stands

Sunday services were very interesting at my church as I'm sure they were at other churches. I appreciated a brief visit with Mr. and Mrs. L.W. (and Jeanette) Mitchell. They have been here quite a long time (as I've been here more than thirty years).

column. She and her neighbor, Novella Barton went shopping one day, in Brownwood. Rex and Edith Beggs had dinner (and a nice visit) with Betty one day last week.

Helen Tillotson is such a gracious neighbor. She is so sweet to help me with this column. This week her granddaughter, Katharyn Hutchins of Potosi visited her. They watched some very interesting hummingbirds out there. We have had those charming birds out here--I have spent a lot of time just watching their movements.

HUNTING SEASON TO BEGIN SHORTLY

By V ANCE WALLACE **GAME WARDEN**

Hunting season is just around the corner and will be here before you know it. Fortunately, the overall outlook of this season is better than last year's. All area wildlife has benefited from the timely rains of this spring and summer.

Quail especially have made a comeback. Of course, considering the poorness of last year's quail hatch, it wouldn't take much to make this year better. Quail populations are very dynamic. In years when the environmental conditions are poor, mainly lack of rainfall which results in less seed production for food and less vegetation for cover from predators, the number of quail is reduced dramatically. However, with favorable conditions, the quail population can rebound significantly in just one year.

Deer and turkey have benefited, too, although it usually takes several good or bad years in a row to significantly change their numbers. Last summer, the deer in this area had to survive on rangeland, most of which received no measurable rainfall during the summer

months. This year, having received adequate rainfall and thereby producing better forage conditions, I believe the antler development on buck deer will be

Although I am still optimistic about dove season, it seems like there have been fewer birds than even a few weeks ago. Usually, they stay around until at least the week before the season opens...then they disappear! Seriously though, there are many factors which determine how many birds there will be during the hunting season. One constant last year was that if you had a field with sunflowers and some bare ground to allow the birds a place to light, then you had a field with good hunting. Otherwise, sometimes you had birds, sometimes you didn't! If the vegetation in a field is grown up, it helps to mow strips through the field to allow the birds a place to land and feed.

Dove season opens September 1 in both the North and Central Zones. Bag limit this year is 15 per day. A complete

listing of all hunting seasons and shooting times, etc. will be published in my next article approximately two weeks from now. In the next write-up, I will also discuss Hunting Lease Licenses, their fees, etc.

If you have a question regarding hunting, fishing, or boating, please feel free to call me. Game Warden Vance Wallace, home: (915) 854-1135 or office: (915) 854-1538.

Take Part In America's **Night Against Crime!**

Tuesday, August first, Americans coast to coast will turn on their porch lights in recognition of National Night Out — a special night designed to raise awareness of crime prevention and take back the night. And you can join them.

Take the lead in your neighborhood. Organize a block party or barbecue. Encourage your neighbors to attend. It's a great chance to get to know them

Invite local police to come and talk about crime prevention and demonstrate safety procedures. Get your kids involved. Encourage them to make posters and yard signs.

Spend one night out for safety. You'll rest easier year-round.
