ONLY 2,000 IN COUNTY PAY POLL TAX

Home Town Meetings Set at Cottonwood and Sabanno

Gossip

Through the ages mules have been known as beasts of burden. Very few, if any, tributes have been paid to their intelligence. It now comes J. F. Coffey, Cottonwood merchant, whose integrity has never been questioned, with the statement of his friend George Coats owns a mule smarter than a dog, horse, or any other like animal ever seen in this section.

George's mule is not only smart but he's sympathetic and understanding," Mr. Coffey says. "On that day when he's plowing in the field, George often stops and lays down in the shade of his mule for an afternoon siesta. The faithful mule not only stands quietly by without disturbing his master's slumber but he will fan the sleeping George with timely swishes of his tail; and as the sun lowers in the horizon the old mule will move sedulously to keep his owner in the shade."

Yes, sub, that must be a right remarkable mule.

A boy seldom realizes what a well fellow his father really is, until he becomes a man himself. Most any man will tell you that his admiration for his parents increased with leaps and bounds after he reached maturity.

Melvin Placke, stamp licker at the local post office, is just about one of the finest boys the old home town has turned out in a great many years, and the following yarn concerning him and his dad serves to prove the point mentioned above.

Melvin was making a business transaction this week. His father, W. Placke, who also gets our vote for being a right guy, rendered his son a very unexpected service. Melvin was so dumbfounded he hardly knew what to say. In fact he even failed to thank his dad. But after the father had gone the son turned and remarked to a man who had been standing nearby and overheard their conversation: "You know that's the sweetest fellow I ever knew."

What better tribute could a son pay his father?

Now that the proposed transaction tax is attracting so much comment, it seems timely to mention that the federal government already has a tax of this nature imposed on the following articles: tobacco in all forms, wines, beers, whiskies, matches, lubricating oils, gasoline, electricity, tires, inner tubes, toilet preparations, furs, jewelry, automobiles, trucks, motorcycles, radios, phonographs, records, sporting goods, cameras, candy, chewing gum, soft drinks, telephone calls, theatre admissions, imitation butter, and a number of other articles which limited time prevented our checking up on.

Date for the annual F.F.A. fat stock show here has been set, February 28. Indications are that the show will surpass all previous endeavors. Circle the last Saturday in February on your calendar and plan to be here for this educational live stock exposition.

Basketball coaches are planning to arrange a more accurate schedule for 1940. Instead of matching games all through the year, their plan would call for coaches' meeting at the same time and schedules simultaneously.

The plan has the hearty endorsement of this column. Planned schedules would permit the contests to be advertised several days ahead and fans would be kept informed of who was playing who and at what time. Attendance at games should be increased materially by the plan.

Mrs. Amy Dodson of Abilene visited friends here Wednesday.

Mrs. Sam Windham of Byrds visited friends here Thursday.

T. S. Rush of El Paso is visiting Cross Plains at present.

TRUCK CROPS WILL BE MAIN TOPIC OF TALK BOTH PLACES

Meetings to explain the chamber of commerce's program of truck farming will be held at Cottonwood and Sabanno Monday and Wednesday nights. The high school band will make each of the trips and render brief concerts.

Clyde D. Sims, president of the local chamber of commerce, visited each of the communities Tuesday and made arrangements for the meetings, the purpose of which is to inform farmers what the plan is and endeavor to list their cooperation.

The Cottonwood meeting will be held in the gymnasium there Monday night beginning promptly at seven thirty.

The Sabanno meeting Wednesday night will be in the Presbyterian church there. It too is to begin at seven thirty.

The local chamber of commerce is endeavoring to establish a market in Cross Plains for watermelons, fruits, all types of vegetables etc. Farmers are being asked to cooperate in the movement by planting sufficient acreage to assure that there will be enough of each of these commodities to attract truckers and jobbers here to make their purchases.

Sims urged yesterday that merchants and professional men plan to make the tours to Cottonwood and Sabanno, as transportation will be provided for bandsmen.

Meetings will probably be arranged at several other nearby communities within the near future, in the hope that all sections of this trade territory may be enlisted in the program.

BAY BROWN NAMED LIBERTY MANAGER

B. K. (Bay) Brown, of Brownwood, was this week named manager of the Liberty theatre in Cross Plains. He will assume duties Sunday, relieving Elmer E. Gordon, who has been "pinch-hitting" for several months. Mr. Gordon will return to his former duties with the Lutz theatre chain.

Mr. Brown is no new comer to the show business, having been connected with the Dickinson circuit in Kansas until a short while ago.

CROSS PLAINS BREAD REDUCED 1 FULL CENT

A one cent per loaf reduction in bread prices was announced Tuesday by Barr's Bakery here and became effective immediately.

The Cross Plains baked bread is enjoying wide popularity by housewives of this section, and a greatly increased volume is responsible for the reduction, the Review was told.

The local bakery is one of the most modern in this section of Texas.

RIGGING-UP BEGINS ON CAVANAUGH LEASE

Rigging-up began early this week for an outpost test and operated by T. S. Holden of this place and George B. McCamey of Fort Worth.

Plans call for the drilling to a depth of about 1,450 feet where the sand is expected to be topped.

FORD AGENCY TO OPEN IN CROSS PLAINS SOON

A Ford dealership is opening in Cross Plains, the Review learned authentically Thursday morning from Bryan Bennett, who will be associated with the firm. No announcement was available as the Review went to press as to where the dealership would be located.

It was understood that at least two buildings are being considered.

Herd Is Runner-Up In Baird Tourney; Get Nice Trophies

Cross Plains' Buffaloes were runners-up in the annual Baird high school invitation event Saturday night. The locals lost to the Hamlin Pipers 23 to 18 in the final contest.

Cross Plains led at the half way mark by a count of 10 to seven, however, in the latter stages of the game Max Carleton, Hamlin guard, began a scoring spree that out-distanced Coach "Beans" Morris' charges.

New team trophies went to both Hamlin and Cross Plains. Players receiving individual awards for outstanding performances were: Lackey, Cross Plains; Sovell and Nicholson, Hamlin; Evans, Oplin, and Blakely, Baird.

TEXAS TALLEST GIRL BASKETBALL TEAM TO PLAY CROSS PLAINS

Arrangements were closed this week for a four game series between Highland and Cross Plains girls basketball teams, believed to be the strongest feminine sextets in West Texas.

The first two games will be played at Cross Plains the nights of February 24 and 25. Then on the nights of March third and fourth the two teams will meet in the Highland gymnasium.

To date Highland and Cross Plains have met only once. That was at the Baird girls tournament, and Highland won 14 to 11.

Highland's season record is impressive. The girls averaging five feet and 11 inches compose the tallest high school feminine combination in Texas. In six tourneys entered to date they have emerged victorious six times. Perhaps the only blemish on Highland's record is a one point loss to Meadow, last year's A.A.U. winner, however, on the following night Highland came back to defeat Meadow by nine points.

Cross Plains girls have enjoyed the most successful season in history of the local school. Tournament winners include: Cross Cut, and Cross Plains, both of which presented some of the strongest girls teams in Texas. Cross Plains girls are coached by Leo Varner.

ELECTRIC SERVICE MAY BE EXTENDED TO DRESSY HOMES

Applications were filed this week by a number of residents of Dressy section for connections with the Coleman Rural Electric Cooperative. At least 15 families are reported to have asked the service.

It would probably be seven or eight months at least before the lines would be built and service inaugurated, due to the fact that construction is that far behind, the Review was told.

FORMER LOCAL MAN IS FEEDING 2,000 LAMBS

Seaborn Collins, eldest son of Rev. and Mrs. S. P. Collins of Cross Plains, who is now Farm Security Administrator at Lamesa, is feeding out 2,000 lambs. Reports from Dawson county are that Collins' feeding project is attracting wide attention and may be instrumental in causing that section to enter commercial feeding on a large scale.

LOCAL COUPLE MARRY HERE FRIDAY NIGHT

William Nelson Stephens and Miss Wilda Mae Scott, both of this place, were united in marriage Friday evening with Rev. Floyd W. Thrash, pastor of the local Methodist church, solemnizing the rites at his parsonage.

Accompanying the couple were: Misses, Claude and Opal Shipp and their brother Marvin Shipp.

BEST GRADE IN HIGH SCHOOL HERE MADE BY ANNETTE ERWIN

Seventy nine students made an average of 90 or better at Cross Plains schools during the third six-weeks period, according to the honor rolls released yesterday from the office of Superintendent Lewis C. Norman.

Highest average in high school was made by Annette Erwin, whose average is 94 and one fourth.

Honor students by grades follow:

High school: Tom Arrowood, Harold Barelay, Mosel Baum, Mildred Browning, Noel Ike Childs, Beatrice Clark, Annette Erwin, Maxine Hise, Brownie Lou Lancaster, James Clyde Lane, Toody McDermott, Edwin Neeb, Jr., Billy Mack Smith, Mary Jane Stafford, Jack Tunnell, Virginia White and Madeline McAnally.

First grade: Roylene Arrowood, Alona Huntington, Johnnie Mae Meadow, Peggy Jean Haughton, Guy Nell Westerman, Wanda Gary, Lattie Sue Huntington.

Second grade: John Clayton Baum, Malton Dillard, Doll Kellar, Robert Smith, Marthel Bell, Margaret Hobbs, Janet Harlow, Bobbie Lucille Shipp, Clara Jean Thrash, Neva Vestal.

Third grade: Billy Anderson, Bailey Wayne Barr, Marion Parker Baum, Billy Gene Boles, Mary Brown, Wanda Browning, Evelyn Coulter, Jo Nell Dunlap, Bonnie Huntington, Verna Lee Montgomery, Earlene Pemberton, Clara Fay Ray, Mary Helen Stroug, Billy Joel Underwood.

Fifth grade: Lucile Arrowood, Della Davis, Zelma Faye Davis, Marjorie Nell Hudson, Erna Lee McMillan, Dorothy Ripper, Lucille Smith, Maxine Strong, J. D. Conlee, Jr., Etzel Henson, R. B. McGowen, Jr.

Fourth grade: Billie Jean Barr, Morris Barrington, Margaret Pralcey, Jack Lacy, Joyce McMillan, Doris Jean Marshall, Reba Jo Price, Juakana Youngblood.

Sixth grade: Neal Smith, Alvin Kemper, Clint Taylor, Betty Jo Kupperwood.

Seventh grade: Emily Gray McDermott, Cleo Powell, Paul Smith, Wynola Thate, La Juan Henderson, Jimmie Kate Howell, Madie C. Edington, Paul Campbell.

MISS CLARA BROWN WILL LECTURE HERE AT SCHOOL SATURDAY

The mothers of Cross Plains and surrounding communities and any one else who is interested are invited and urged to attend a lecture by Miss Clara Brown, Callahan Home Demonstration Agent on foods, at the local high school building on Saturday afternoon, February fourth, at two o'clock.

There will be a lady to entertain the children so that the mothers may give their undivided attention to Miss Brown.

ANDERSON BARR IS HURT IN EXPLOSION

Anderson "Anse" Barr was painfully burned about the face Friday by a carbide explosion, while helping Roy Arrowood clean out a well in the Blake field. He was taken immediately to a Coleman hospital, and barring complications is expected to recover with only a few minor scars.

Arrowood's face was also burned, however, his injury was not at all serious.

M. F. DILL BUYS 100 ACRES OF GRASS LAND FROM LOCAL DRUGGIST

P. Smith, local drug merchant, last week sold 100 acres of grass land, three miles North of town, to M. F. Dill, who lives nearby. Considerations of the transaction were not made known.

The purchase of the 100 acres of pasture with that he already owned gives Mr. Dill one of the more desirable farms in this locality.

CROSS PLAINS MEETS BURKETT IN DOUBLE HEADER FEBRUARY 13

A double header basketball game between Burkett and Cross Plains boys and girls teams will be played in the local gymnasium the night of February 13. It was decided by officials of the two schools this week.

Burkett boys have lost only once this season, and that was to Abilene, high; touted as the most likely state champion. Cross Plains boys are smarting under their recent defeats by Burkett and will be out to spring an upset.

In contrast with the boys, Burkett girls are believed weaker than the Cross Plains sextet. They are highly capable, however, of springing an upset themselves, opine local critics.

BAND PARENTS MEET NEXT TUESDAY NIGHT

Band Parents members are urged to be present at a meeting in the high school auditorium Tuesday night, February seventh, at which time several important matters are to be discussed and a program rendered.

BABY BOY IS BORN TO FORMER LOCAL COUPLE

Mr. and Mrs. Parker Baum, of Big Spring and formerly of Cross Plains, are parents of a baby boy born first of the week. The child has been named Harrell Clark Baum. Both mother and child are reported doing nicely.

Cage Tourney Here To Select Best Girls Team In West Central Texas

Four teams will play a round robin basketball tournament in Cross Plains the third week end in February to determine the best feminine cage combination in West Central Texas. Competing will be Rising Star, Cross Cut, Pioneer and Cross Plains.

These four teams have compiled a season record probably superior to that belonging to any other quartet in this section of the state. Repeatedly they have met in tournaments but always scores have been close and the winner varying from time to time.

Coaches of the four squads went into a huddle last week and agreed upon a time and place for the tournament, after they had been besieged by fans to bring the four combinations together for an extended setto. Play will begin Thursday night, February 16, and continue each evening through the following Saturday night. All four squads will play each night.

A feature of the last night of the tourney will be a game between the all-tournament team of 10 players, against a second all-tournament team of an equal amount. In this game school colors will be abandoned and individual excellence is expected to be at its best.

A 20 inch trophy will be awarded the team compiling the highest percentage in the round robin play. 20 more awards will go to members of the first and second all-tourney teams. Then individual awards are to be presented; the best sport, best girl athlete, and the most beautiful girl athlete. The group of trophies will be the most handsome ever presented at a Cross Plains tournament. Leo Varner said this week.

2 YEAR OLD SON OF H. M. GARYS EXPIRES

H. M. Gary, Jr., infant son of Mr. and Mrs. Howard Gary, of this place, was laid to final rest in the Cross Plains cemetery Saturday afternoon. Services were conducted from the local Baptist church with Rev. C. E. Poe, pastor, officiating.

The child, two years, seven months and 25 days of age, succumbed Friday afternoon. The attending physician said that death resulted from pneumonia.

Survivors include both parents and a brother and a sister.

Pall bearers were: Wes Everett, E. A. (Bill) Calhoun, Claude A. Burns and Buster Richardson. Funeral arrangements were in charge of Higginbothams, Cross Plains.

SUNDAY NIGHT SHOW IS SCHEDULED HERE

Because of special interest, and good moral instruction contained in the picture Boy's Town which is coming to the Liberty Theatre Saturday night previous and Sunday and Monday, the Liberty will run a special Sunday night show. The box office will open at 12:45, and the first show will start at one o'clock on Sunday afternoon with continuous shows through until eleven o'clock Sunday night.

This picture has been highly recommended by both laymen and church leaders all over the country. It not only contains entertainment and moral instruction for young people, but every parent and adult in Cross Plains and vicinity should see this splendid picture, says Bay Brown, new Liberty manager. Boy's Town is a story of Father Flanagan's boy's home which is located just out of Omaha, Nebraska. The cast includes such prominent stars as Mickey Rooney and Spencer Tracy.

F.S.A. MAKES LOANS IN CALLAHAN COUNTY

J. S. McKnight, Callahan supervisor for the Farm Security Administration, is preparing to go in to the heavy lending season with an expanded office force, he revealed today, with the appointment of Miss Mary Mae Tyson, of Baird, as clerk stenographer in his staff.

"We expect our heaviest number of loans to be completed within the next 45 days," Mr. McKnight, said. "We have a much larger list of applications than last year, but the regional office has assured us that there is no prospect at this time that funds will be lacking for any eligible borrower. However, complete plans of farm and home management and sound rental agreements must be worked out with each individual family before a loan is made."

LOCAL CONGREGATIONS PLAN UNION SERVICES

Three congregations, Baptists, Presbyterians and Methodists, under the leadership of the pastors, have planned a series of union services to be held on the three Sunday nights preceding Palm Sunday (April 2). One such service will be held in each of the co-operating churches. Beginning April 2 each church will begin a revival and carry on for one week closing Easter Sunday. Further details of the plans will appear in the Review from week to week.

RENT HOUSE GETTING REPAIRS AND PAINT

The residence just across the street South from the Presbyterian church is now undergoing a remodeling process which is to include the rearrangement of rooms, installation of bath fixtures and painting both inside and out. The house is owned by Fort Worth parties.

L. W. Westerman has the contract for repairing and remodeling the structure.

It is at present unrented, but has just been vacated by Mr. and Mrs. J. C. Watson and family.

Mr. and Mrs. C. A. Stuesser of Fort Stockton visited by friends and relatives over end.

FEW ELECTIONS ON DOCKET DURING '39 SLACKENS PAYMENTS

Poll tax payments in Callahan county this year were at least 800 short, according to information received yesterday by Assessor-Collector Olaf Hollingshead. 1954 receipts had been issued at the time the deadline was passed Tuesday night, however, several payments are possible yet in the mails. If the envelopes are postmarked in January receipts will be issued.

The decrease in payments this year as compared with last is due largely to the fact that this is an off year for elections both state and nation. School, city and possibly county referendums, however, will probably come up.

Probably first on 1939's political calendar will be the city election in Cross Plains, at which time two aldermen are to be chosen. The city vote comes the first Tuesday in April. Then Saturday of the same week, election will be held to name trustees for Cross Plains independent school district.

Rumors from the state capital at Austin have it that several proposed changes to the state constitution will probably be placed before the electorate before late Summer, however, as yet this information is unconfirmed.

Other tax payments: county and state, city and school, are reported coming in about normally.

\$28.95 RAISED HERE FOR PARALYSIS USE

Cross Plains raised \$28.95 for the fight on infantile paralysis, in celebration of president Roosevelt's birthday and from the sale of "March of Dimes" buttons.

The game tournament in the high school gymnasium Tuesday night grossed \$22.75, and \$6.20 was taken in from the sale of buttons.

One half of the above amount will go to the Warm Springs Foundation, and the remainder will stay in this county to be added with funds from other Callahan communities for future use in infantile paralysis medication or prevention.

TYPING IS ADDED AT BURKETT SCHOOL

Typing is being offered this semester for the first time in the Burkett school. Georgia Ferrel, who is teaching the course, has 17 pupils enrolled. To receive one-half credit each must make a speed of 30 words per minute. Those taking the course include: Hollis Adams, Burl Baker, Nola Fae Brink, Henry Burkett, Louise Burkett, Aleta Chambers, Arthur Edwards, Maurine Evans, Theda Evans, Verla Gaines, Essie Grey, Princy Lou Henderson, Willard Holman, C. V. Johnson, Jack Martin, Bryon McAnally, and Fieldon Strickland.

Katherine Hall Is Honored At Party

Miss Patty Sue Coburn entertained the senior class at her home Wednesday night of last week honoring Katherine Hall, a popular member. Miss Hall is planning to leave and make her home in Winters. The affair was a farewell courtesy.

Baptist Ladies Entertain Monday

Ladies of the Baptist Missionary Society entertained members of the Missionary Societies of the other churches in a fifth Monday meeting at the church Monday afternoon.

Dressy H. D. C. In Meeting Thursday

Mrs. Wallace Jones was hostess when she entertained members of the Dressy Home Demonstration club at her home Thursday afternoon of last week.

Mrs. C. D. Lane Is Hostess To Club

Members of the Sully Quilting club met in regular session Thursday afternoon of last week in the home of Mrs. C. D. Lane. Two quilts were finished during the afternoon.

voice of a stranger at the wheel inquired whether I wasn't getting into the wrong car. I was so flustered that I opened every car door in sight before I remembered that mine was still obstructing traffic.

And only yesterday I drove to Cisco to return to Mr. Ben Butler, Editor of the Cisco News, a book the girl friend had borrowed for me last November. Mr. Butler glanced at the book. "This isn't mine," he said. I insisted that it was. He examined it more thoroughly. "Well, I never say it before," he declared. I maintained that Mrs. Gracey had told me she got the book from him personally.

Mr. Babitzer's girl friend wants to know if the transaction tax will be exempt on marriage licenses because entering the state of matrimony ought to make wedding come under the head of interstate commerce.

That Mr. State Press is the flatterer's man! Writing just my given name in his paper like that. Me and Garbo! Lawzes!

The Book Shelf ventures to predict that the autobiography of Edith Bolling Wilson, wife of the late President, Woodrow Wilson, will reach the list of best sellers soon after its publication in March by the Bobbs, Merrill Company. It is now appearing serially in the Saturday Evening Post with the title, "As I Saw It." Mr. Wilson writes with simplicity and sincerity of those intimate details in the lives of Kings and Presidents which never find their way into the newspapers.

It may be the January spring weather but something has gone haywire with my so-called thinking apparatus this week. First, in trying to remove a coffee stain from my favorite evening slipper I sopped them liberally with furniture oil instead of the dry-cleaning fluid I thought I was using.

Next I left my sedan illegally stopped in the middle of Main Street one evening while I dashed into a drugstore for a minute; hurrying out I climbed into a green coupe parked at the curb and never realized my mistake until the city icily amused

RATES:
By riding in a coach, a New Yorker could travel to Calicut for the small cost of \$6. That if the "Postalized transport rates" were in effect. This is of Mr. John Hastings, a former member of the N.Y. State Senate has been suggested that Congress authorize the ICC to invest this proposal.

GINGER ROGERS STAR AT LOCAL THEAT

Should a girl with a good marry the man she loves who is unable to support her?
This modern social problem faced by Ginger Rogers and I las Fairbanks, Jr., in RKO's "Having a Wonderful Time" comes to the Liberty Theatre on Tuesday and Wednesday.

With most of the action in place at a picturesque summer camp for city working people the comedy-drama presents Rogers as a stenographer who is battling with a nagging father who is studying to be a waiter.

These two are immediately to each other, but the nature of their relationship is handicapped by the student having no prospect position, and the pretty seductive long engagements circumstances, the young man comes intensely jealous with good camp privileges which the city show attention to.

Other important players cast include Peggy Conklin, Bill, Richard "Red" Lee Bowman, Ann Miller and Al McKean.

TRADE AGREEMENTS:
Secretary of State, Cordell Hull's reciprocal trade agreement policy will run a severe test. Not only will the test come in Congress but in the markets of the world. The British-American trade agreement that went into effect on January 1 will be watched closely to see if it will result in an important expansion of demand. Trade relations at present between this country and Argentina are not entirely satisfactory, especially to that government, and this will probably result in a trade agreement between the two countries to iron out differences, at least for the time being. This will also be likely to apply to Brazil.

CASH FARM INCOME:
Farmers receiving a total cash farm income, including Government payments, of \$7,632,000,000 in 1928. The 1928 income compares with the revised estimate of \$8,574,000,000 for 1927 and with \$7,944,000,000 received by farmers in 1926. The estimate includes receipts from sales of farm products, Government payments, and loans minus redemptions, on wheat, corn and cotton. Cash income from farm marketing and unredemmed loans on cotton, wheat, and corn totaled \$7,150,000,000 in 1928 and \$8,208,000,000 in 1927. Income from crops declined from \$3,846,000,000 in 1927 to \$3,100,000,000 in 1928. The crop income was lower than the \$3,457,000,000 received in 1926, but higher than for any year from 1921 to 1925.
