Beer Will Go On Sale Next Week

5 APPLICATIONS TO SELL BEER WILL BE HEARD MONDAY MORN

Beer sales will become legal in Cross Plains about the first of next week, the Review was told yesterday by a reliable source. Hearings on five applications for permits are to be held at Baird Monday morning, and the foamy suds are expected to go on sale shortly thereafter.

Application for permits have been filed by W. A. (Red) Huckaby, Claude Mayes, R. E. Wilson, Joe Sharrock and Buck Shirley. Wilson and Mayes will dispense the brew at their present locations, Shirley is moving his cafe to South Main Street and will open there. Huckaby and Sharrock are remodeling buildings and installing fixtures in former cafe locations. Huckaby has taken the Robertson building next door to Davis Grocery and Sharrock the place just North of Sims Drug Company.

The Review learned from attorneys yesterday that it would probably be Tuesday morning before beer sales would become legal, however, there is the possibility that authority to open may be received from Austin as soon as hearings are concluded in Baird.

Mr. Clark told the Review that he planned to make a thorough campaign, seeing every voter. His official letter appears on another page of today's Review.

LOCAL BOY CHOSEN BEST ACTOR FOR 9 COUNTIES WEDSDAY

Cross Plains high school's reputation as a proverbial winner in district competition was strengthened Wednesday when the one act play, under the direction of Miss Dolores Tanner, returned with second place laurels. The locals were nosed out by Breckenridge in the nine county competition.

Most gratifying feature of Cross Plains achievement, however, was the distinction awarded F. H. Anderson, Jr. for his portrayal of Jaegerlin in the play "Lovers in a French Kitchen". Young Anderson was acclaimed the most outstanding boy actor in the district. His ability had already been recognized at the county meet and was said to be the deciding factor in bringing Cross Plains the county championship.

Young Anderson played the part of a poor husband, continually nagged and commanded by his wife and mother-in-law. In the closing scenes he became the master of his household. Critics also paid high tribute to the type of play chosen by the local school.

Others principals in the cast included Louise Graves and James Clyde Lane.

BE AT YOUR PLACE IN CHURCH SUNDAY.

Easter—a day in which we commemorate the resurrection of Christ, is one of the two most inspiring days in the life of man. The other day is Christmas, when we observe the anniversary of the birth of the Christ Child.

Easter is always particularly inspiring because all nature seems to be in accord as life bursts forth in every form to teach the omnipotence of Divine Love. So, go to church Sunday—your favorite church.

Be inspired by what you will hear in word, in poem, and in song. Hear again, refresh memory and instill faith within your heart of your oneness with our Creator.

The power that rolled the stone away is still eternal, and still effective today for the sons of God who rely upon Him.

Cross Plains Churches Welcome You

The couple will leave the latter part of this month for a bridal tour to Michigan. Upon their return they will make their home at the Mrs. F. R. Lane residence, in the North part of town.

When Peter Maguire of Philadelphia ripped up the flooring beneath his bed to discover the cause of the buzzing noise which kept him awake, he found thousands of bees and 100 pounds of honey.

"Viva Villa" Depicts Stirring Life Of Pancho Villa, War Lord Of Old Mexico

"Viva Villa!" Metro-Goldwyn-Mayer's spectacular epic which opens Wednesday at the Liberty Theatre, is the fictional story of Pancho Villa, the great Mexican revolutionary leader who was the outstanding figure in the world's history in the decade preceding the World War.

Opening in the bills of Chihuahua, it shows young Villa watching his father flogged to death. He stabs the hussard who holds the reins in virtual slavery, and flees to the mountains.

When he emerges some years later, a man, he is leading a band of wild savages who amuse themselves by pillaging the great haciendas, robbing the rich, befriending the poor.

Villa's career of banditry ends when he meets Francisco Madero, a gentle visionary who gives Villa his "great dream" of a free Mexico. Villa organizes an army and begins the spectacular conquest of the country. He drives the tyrant, Diaz, from the throne and proclaims his friend, Madero, President.

Returning to a life of peace, he is involved in a bank robbery and murder and is almost executed by the enemy, General Pascual Madero saves Villa, but exiles him. He goes to El Paso, Texas.

Sabanno Woman, 29, Despondent Because Of Health Suicides

Despondency over a long period of ill health was blamed by relatives for the death of Mrs. Walter Laminack, 29, at her home 14 miles Northeast of Cross Plains on the Pioneer-Nimrod road.

Justice of the Peace Joe Wilson returned a verdict of death by self-inflicted gunshot wound.

The body of Mrs. Laminack was found prone on the floor of her bedroom, a 12 gauge shotgun lying across it, with the top of her head blown by a single charge. Death was believed to have occurred between the hours of two and six a.m.

Mr. Laminack, partially deaf, said he heard no shot during the night and was not aware of his wife's death until he discovered the cold body when he arose early that morning.

Mrs. Laminack is survived by her husband, a son about eight years old, and a baby daughter.

McADAMS MOTORS, INC. MOVES TO SOUTH MAIN

GRAIN PROSPECTS BRIGHTEN AS SKY BEGINS SLOW DRIP

Damage to grain crops throughout this section as a result of an unseasonable freeze last week, were believed yesterday to have been minimized by Wednesday night's heavy mist and Thursday morning's light showers. Immediate moisture is believed to be the most effective remedy for the ailing crop.

Snow and sleet and high, cold winds which dropped the mercury to 28 degrees here Thursday night of last week took a heavy toll from crops throughout this section. Virtually all fruit prospects were destroyed, corn was killed and grain damaged.

Livestock losses were also reported. Tom Harris and W. P. Armstrong, well known farmers Northeast of town, both lost many recently shorn goats. Mr. Armstrong is reported to have had 60 die Thursday night. Many newly born lambs also succumbed to the extreme weather, said to be the coldest on record for April.

It was first thought that the grain crop was mostly lost, however, the consensus of farmers yesterday was that moisture would revive the ailing crop and that only grain which was already in the "boot" would be severely hurt. It was explained, however, that there is no definite way of checking the damage until grain goes through the thrasher several weeks hence.

Dripping skies Wednesday night and Thursday morning brought an optimistic smile to the faces of farmers and stockmen throughout this vicinity. The moisture gave promise of reviving vegetation. Townspeople also welcomed the drizzle, for many are replanting gardens.

A depth of 1,000 feet had been reached up to yesterday at noon on the deep test on the E. I. Vestal tract, two miles North of town. Bruce farm, and it is reported filling with creek water which will be piped to the well.

Do you want to SAVE MONEY? The Standard Ford V-8, with 60-horsepower engine, gives you a lot of car for a little money. 300,000 new owners acclaimed the "thrifty 60" last year. Hundreds a day are buying it in 1938. Why? Because it is priced low—includes essential equipment without extra charge—and goes farther between filling stations than any Ford car ever built. Owners all over the country report averages of 22 to 27 miles on a single gallon of gasoline. But economy isn't all the story by any means. The Standard "60" is built with the same precision as the De Luxe "65," and has the same 112-inch wheelbase chassis. It is easy to look at and ride in—as well as easy to buy and run.
