3 STARS MAKE "WIFE, DOCTOR AND NURSE" AN OUTSTANDING PICTURE

The talents of three grand stars, Lorenia Young, Warner Baxter and Virginia Bruce are brilliantly blended in "Wife, Doctor and Nurse," gay and penetrating Twentieth Century-Fox drama with a catch in its heart and a twinkle in its eye, which opens Sunday at the Liberty Theatre.

Two modern women who thought they could reason about love, and a man who wouldn't listen to reason, are the high-lights of one of the year's most exceptional pictures, a gay romantic story in the mood of today, which features an important supporting cast including Jane Darwell, Sidney Blackmer, Maurice Cass, Minna Gombell and Margaret Irving.

LAST WARNING TO DOG OWNERS

May 10 is the deadline for buying dog license. When unlicensed dogs found the city limits will be impounded and if not out by owners in 24 hours will be destroyed.

The city does not wish to be harsh in this matter and has for this reason extended the time limit. The dog law must be enforced, however, and owners are urged to cooperate by securing tags once.

The Cross (SERVING THE) "When The One He Writes Not It" 29 June less than three weeks off the mating season is at hand and as usual the city promises to present a full of home brides. A prisoner held in jail at Baird for questioning in connection with the Frome murders near Van Horn late in March, was believed by officers yesterday to have had no part in the crime. The suspect arrested at Clyde April 16 shortly after he left a Greyhound bus has been subjected to questioning day and night for more than a week by Sheriff Edwards and Deputy Clarence Nordyke, State Policeman, A. L. Barr, Sheriff Anderson of Van Horn and others. Officers traced his movements. He was discharged from a Phoenix, Ariz., jail four days before the Frome arrived at El Paso, found to have been in El Paso simultaneously with them. A few days after the murder he showed up at Temple, where his mother lives. Officers declared he professed to have mailed his mother a letter from Odessa the day the murders were supposed to have been committed. Officers have discovered that no such letter was posted, they state. The youth drove a black square backed car to Abilene where he disposed of it. Officers who have been investigating him for the past ten days have been making frequent trips to Van Horn, El Paso and Temple to check up on the legal case. A woman's robe he had in his possession was recovered. Los Angeles police notified and the garment described. Frome, husband of the murdered wife and daughter, wired local officers the robe was not that of his daughter. When the report came visiting officers gave up the investigation, but propose holding the youth for further investigation. When the garment was exhibited to the suspect he showed agitation. He said he had gotten it from a hitchhiker at Odessa. The prisoner carried a zipper bag when arrested at Clyde containing order blanks for safety matches, an assortment of picture postcards, including one of Judge Roy Bean's store at Langtry. "Everything in connection with this case concluded until we got that the woman's garment was not that of Miss Frome," Deputy Nordyke said today. "It looked like a perfect check-up until then." Nordyke expressed belief the suspect is trying to cover up some part of his place to the other, Pass and Odessa. He has denied everything until proof has been obtained and he confronted with it, when he has nonchalantly admitted it. An 80 year old farmer who stopped work on highway 27 in the North part of Callahan county this week at the point of shotgun, had been pacified yesterday and straightening out of an unnecessary crutch was reported progressing normally. The aged man declared that his contract for sale of the land for right-of-way called for an underpass permitting his cattle to pass from one part of his place to the other, separated by the new roadway. Highway officials declared otherwise. To build the underpass would cost several thousand dollars. County Judge L. B. Lewis went to the scene early this week and arranged a peaceful settlement. All concerned are now satisfied and road work is progressing at a rapid clip. Mr. and Mrs. C. W. Barr had as their guests Sunday their daughter and family of Sipe Springs. Bill Kennison of Mason was a visitor here Saturday. Mary Beth Langston was a visitor from Cisco over the week end. Walter Westerman was a visitor Monday.
