Undeclared Brady Bulldogs Here Friday Night

PROPOSE BUFFALOES IN DISTRICT GAME STARTING AT 8 P.M.

Coach Russ Holland's undeclared Brady Bulldogs invade Cross Plains Friday night in quest of their sixth straight conference triumph for the current season. The McCulloch county lads, champions for the past two successive years, have bowled over their league opponents without once extending themselves.

Not since the present set-up, which include Cross Plains, Coleman, Ballinger, Winters, Brady, Anna, Bangs, Mozelle, and Rising Star, was organized three years ago have the Bulldogs suffered defeat.

Every angle of comparison between the two teams favors the Brady athletes decisively, however, Coach "Doc" Walker's thundering will attempt to furnish at least a portion of the noise from cheering blocks and tackles and racing feet toward pay dirt. Should Cross Plains by some quip of fate meet the Bulldogs tonight it would be the most sensational upset in history of district S.A.

Kick-off is set for eight o'clock. The Mozelle game which was originally scheduled here last week was postponed due to the death of James Underwood, co-captain of the local team, will be played here the night of November ninth.

Red Cross Roll Call Begins November 11 Says Mrs. W. Wagner

Mrs. Walton Wagner, chairman of the Cross Plains chapter of American Red Cross, announces that an extensive drive will be made in this trade territory beginning November 1, to enlist members in the nation-wide Roll Call.

Mrs. Wagner points out that one half of the funds derived from the annual Roll Call in Cross Plains remain here and are used for local needs.

"The Red Cross has for years done more to comfort suffering humanity than any other organization. After every great catastrophe the Red Cross is first on the scene to administer relief and first aid. No organization of this kind is more deserving of our financial help and moral support," said Rev. S. P. Collins, a committeeman in Cross Plains for this year's Roll Call drive.

Within the near future ladies will make a canvass of the citizenship to enlist members and distribute buttons. A ready response to their efforts is urged.

CITY MOURNS DEATH OF POPULAR YOUNG ATHLETE LAST WEEK

Friends and patrons throughout the Cross Plains school district were grief stricken last week to learn of the tragic passing of James Underwood, 16 year old high school student and captain of the football team, in a Gorman hospital early Friday morning. James, the son of Mr. and Mrs. Jim Underwood of Cross Plains, died of blood poisoning and pneumonia, caused from an infection from a carbuncle on his arm.

Two blood transfusions were given, with Helen Lasater, formerly a business partner of Mr. Underwood here, and the Rev. Mr. Sanders, Baptist minister at Gorman, serving as donors. The boy's condition grew steadily worse, however, and he expired 10 minutes before six o'clock Friday morning.

Friends by the hundreds journeyed to Gorman Saturday afternoon for the funeral service which was held from the First Baptist church there, with Revs. C. E. Poe, S. P. Collins, of Cross Plains, and Sanders, of Gorman, officiating. Interment was made in the Gorman cemetery.

Pall bearers were eight Cross Plains high school athletes, with whom James had carried the colors of his school. They were: Bill Epton, "Randal" Wiken, Billy Mae Smith, Vernon Huntington, Teddy Walker, Jim Hutchins, Ray Smith and Horace Smith.

Flower girls were: Verda Marie Gray, Johnnie Frances Baldwin, Doris Jean Barr, James Clyde Lane, Adon Miller, Lynette Womack, Gracie Lou Helms, Juanita Burks, Ernestine Foster, Katharine Brum, Leona Plumlee, Billie Ruth Loving, Cozette Parker, Jimmie Kate Howell, Norma Frances King, and possibly others whose names the Review was unable to learn, for the floral offerings were banked high about the last remains of the youthful athlete, who was so widely and favorably known.

Born in Gorman and moving to Cross Plains with his parents a few years later, James entered the first grade in the local school system and was a student here all but about five of the remaining years, during which time the Underwood family had moved back to Gorman. Aside from being one of the most versatile athletes on the high school campus, James was active in curricular affairs and enjoyed a wide circle of friends, who join the bereaved parents and relatives in mourning his untimely passing.

Mr. and Mrs. Mark Adair were visitors in Dallas Tuesday and Wednesday.

Mr. and Mrs. V. A. Underwood and son, Billy, were Ranger visitors Monday afternoon.

Miss Nancy Henkel of Brownwood spent Saturday and Sunday here visiting with friends.

Dr. and Mrs. J. H. McGowan spent the week end visiting friends and relatives in Baird and Clyde.

Mrs. Joe Long and son, Charley Stone, of Brownwood were visitors here Sunday.

Leo Baum And Miss Ann Lee Cannaday Are Married Friday

Coming as a surprise to their many friends was the marriage Friday evening of Miss Anna Lee Cannaday and Leo Baum, both of Cross Plains. The single ring ceremony was solemnized by Rev. Loyd Sanders, Methodist pastor of the Pioneer circuit, at his home in Pioneer.

The bride is the sister of Mrs. L. O. Crook, of Cross Plains, with whom she has made her home the past several years. The groom is the eldest son of Mrs. George Baum, and a member of one of this section's oldest families.

Immediately after the marriage ceremony the couple left for a short bridal trip to Temple and other Texas points, where they were to spend a few days visiting with friends and relatives before returning here to make their home.

Former Local Man And May Girl Wed Here Last Sunday

Miss Iona Stewart, of Rising Star and Robert Rutledge of Abilene, were united in marriage here Sunday afternoon at the Baptist parsonage by Rev. C. E. Poe, Baptist pastor. They were attended by Miss Nancy Henkel, of Brownwood, and Leland Straley of this place.

The bride is a graduate of the May high school having finished with the class of '36. The groom graduated from the Cross Plains high school in 1937, and is the son of Mr. and Mrs. Roy Rutledge of this place. He had been employed here until last month when he accepted a position in Abilene, where they will make their home.

Mrs. Joe Long and son, Charley Stone, of Brownwood were visitors here Sunday.

O. T. LAWS LAID TO LAST REST HERE ON FRIDAY AFTERNOON

Ollie Thomas Laws, 67, who was found dead in bed at his home in the Northeast part of town last Thursday morning, was laid to final rest in the Cross Plains cemetery Friday afternoon. Services were conducted from the family residence with Rev. Floyd W. Thrash, local Methodist pastor, officiating.

Burial was in charge of the Cross Plains Knights of Pythias lodge, of which Mr. Laws was a veteran and faithful member. He had filled all chairs in the local K of P order and was regarded as its most enthusiastic worker.

Ollie Thomas Laws was born in Morilton, Arkansas, January 11, 1872. He had been in Cross Plains the past 14 years, having come here from Santa Anna to accept the position of Water Superintendent for the city, which post he held for nine years. Since then he has devoted his time to diversified orcharding and operating a school bus. Mr. Laws' experiments with berries has done much to encourage that type of farming in the deep sandy belt.

Although he had been slightly ill for a few days, news of his passing which physicians attributed to heart attack, came as a shock to the many friends of the Laws family throughout the Cross Plains trade territory.

Survivors include the widow, a grand daughter, Mary Jane Stafford, who made her home with Mr. and Mrs. Laws, and a host of friends throughout this section.

Mr. Laws was a member of the Methodist church, having joined in 1915.

Pall bearers were: Travis Foster, Curtis Strickland, Olan Mitchell, Marion Rutledge, Vernon Barclay and O. L. Clark.

Free Lunches Will Be Served Students At Pioneer Schools

Bottom floor of the home economics building on the Pioneer school campus is being converted into kitchen and a spacious dining room. The project will be operated on a 12 months basis workers caring for a three acre garden during the Summer months and canning the harvests for future consumption.

Every student in the Pioneer system will be eligible to receive his noon meal at the school dining room, the Review was told.

It has been estimated that expense of feeding the students will run between \$500 and \$600 monthly. Plans call for feeding the children in three shifts, beginning at 11:20 each morning, and allowing 20 minutes for each meal. It is pointed out that an experienced dietitian will have charge of the arrangement of each meal, and that students will be required to remain in the dining room at least 20 minutes, however, more time may be used if necessary.

Cities represented at the hearing included: Cross Plains, Abilene, Temple, Houston, Comanche and Hamilton.

Hearings for 57 delegations were scheduled during the day, and it was after five o'clock in the afternoon when the highway 36 group was granted interview with the commissioners. Due to the fact that 27 more delegations were to be heard all remaining groups were asked to be as brief as conveniently possible. Speakers from Hamilton, Abilene, Houston and Temple, talked briefly, elaborating upon the urgent need for the immediate completion of the important artery of traffic.

Highway Commissioner Gentry assured the delegation that all members of the commission were thoroughly "sold" on highway 36 and favored its completion as soon as humanly possible. WATCH THOSE CLEATS DIG IN!

SEIBERLING SAFETY TIRE DIGS INTO THE ROAD

BUILT ON 3 ENTIRELY NEW SAFETY PRINCIPLES

1 New "Saw-Tooth" Tread grips like a halfback's cleats. The instant you touch the brakes, the sharp "saw-teeth" of this unusual tread dig into the road—stop you quickly and safely.

2 New "Heat-Vents" expel dangerous blowout heat—make tire last longer. Even in cool fall and winter driving, tires rolling at high speeds or under-inflated generate destructive internal friction heat. Patented vents found in no other tire actually pump out that heat. See diagram at right.

3 New "Self-Flex" Cord protects you against stone bruises and internal carcass ruptures. Because it has twice the elastic strength of ordinary cord, "Self-Flex" gives you maximum protection against road hazards and makes the new Safety Tire ride easy as a cloud.

2,144 Times More Light than a Penny Box of Matches

WHY TAKE CHANCES with matches when Electric Service is cheaper and safer? Remember that it is dangerous to strike matches to light dark places such as closets, stairways, or basements where it might cause explosions by igniting trapped gases. A small bulb gives better light—costs less.

Remember that "The Electric Way Is the Safest Way to Live." It also is the most economical way and the most comfortable way. You can safely depend on Electric Service for Light, Cookery, Refrigeration and the many odd jobs around the home. The average daily cost is LESS than the tax on two packages of Cigarettes!

The full horror of Fire resulting from matches frequently is related in the daily press. In the interest of safety, use Electric Service to dispense with unnecessary fire hazards.

CITY TO BE Home Town Gossip

For the very first time in history Cross Plains schools are to have a homecoming. The event is set for November 11, when the Coleman Bluecats come here for a conference with "Soe" Walker's underling herd.

Plans for the occasion are not yet complete, however, a meeting is to be held in the high school auditorium Friday evening 7 o'clock to make arrangements, all former students of Cross Plains high are urged to be in attendance.

A couple of weeks ago this old story quoted John Burchfield, editor of Cottonwood, as saying J. A. Joy was about to move his community to Cross Plains due to the fact that for so many years Mr. Joy has forced to sit at the tail end of the "information bench" in front of the village store, and that the Mr. Joy feels that by virtue his seniority he is deserving of a promotion.

Now comes Mr. Joy's well worded reply aimed at Mr. Burchfield. It says: "To my dear friend John Burchfield and readers of the Cross Plains Review: With my heart and with sympathy for the blind, forgiving spirit and an abounding love for the truth, I pencil these lines to our editor hoping that my friends and my friends who know what an awful mistake he made about my occupying the tail end of the "free information bench," my friends, please forgive our old John."

"I will herein give one or two real reasons for his honest mistake. Everyone knows that "Uncle" Henry, Henry Robinson and I wear gay mustaches, and I could forgive a man with two good eyes for mistaking one of us for the other. Another reason I point out is that it was John's falling eyes that used him to think it was me sitting on the tail end of the bench, when in reality it was not, it is that John on the streets of Cottonwood the other day and with due respect I said, "Hello, Carmelitte," and he said to me, "Hello, horse shit."

Now I forgive him because I know that he mistook me for some one else, and I beg you readers to rebuke his mistake. I never was satisfied, even when was a boy, to remain at the tail end of the class, so I want you to know I just won't sit on the tail end of any bench. Now I certainly thank you Mr. editor for notifying me of friend John's erroneous statement and for clearing this matter up through the columns of your old newspaper, in order that his friends and my friends may forgive him as I have done.

(Signed) J. A. Joy. Three weeks more and the curtain will ring down on the present football campaign in this district. If Cross Plains Buffaloes can triumph over Mottels, Bangs, Coleman and Rising Star, they are virtually assured of third place in the final standing.

Only Bangs appears to be a breeze for the local athletes, however, if they play as they did against Brady last week, Cross Plains should win all four of the games by two and three touchdowns margins.

It's a little early to begin picking all-district teams, but there are a few having seen all teams in the district but the aforementioned Coleman and Mottel.

Col. 150 Ballinger back, is by far the loop's most elusive runner... Beecher Huff, Brady's big back field gun is the most powerful runner in the league this year and offers real possibilities for some glory... Bill Upton, Cross Plains captain, has been a defensive stalwart in every game this season... Anna Anna has a better club than the Mountaineers' season record in districts.

Funeral services for James William Johnson, grand-father of Miss Ethel Manning of this place, who died at the home of his daughter Friday morning in Cisco, were held at two o'clock Saturday afternoon at Levita, Texas, in Coryell county. Mr. Johnson had been in ill health for some time.

Cornelius Elliott of Abilene was a visitor here Saturday and Sunday.

V. C. Walker and C. R. Cook were Dallas visitors Friday.

EXPECT BULK OF THE BIRDS TO BE BOUGHT BY LOCAL CONCERNS

Local produce men began buying turkeys last week for the "Roosevelt Thanksgiving" market, however, few birds had moved up to Wednesday at noon. The present market is expected to close Saturday night, however, buying for the "old Thanksgiving" may be resumed Monday morning.

The market opened here at 11 cents, the same as the Brownwood cooperative, however, Monday the price was hiked to 12 cents.

Produce men say that the quality of birds they have bought has been good, however, in most cases the turkeys are somewhat lighter than last year.

No one in Cross Plains was able to shed any light yesterday as to whether a stronger market might be expected for the "old Thanksgiving" and Christmas markets. One buyer opined that if there was any change at all it would probably be a slight drop.

Callahan county is one of the principal turkey counties in this section of Texas. 25,000 marketable birds are expected to move from Callahan ranges before the first of the year. Of this number between 10,000 and 12,000 will probably be handled in Cross Plains, the Review was told yesterday.

COUNTY GRAND JURY TO DIRECT CRUSADE AGAINST VIOLATORS

The 42nd grand jury, which was in session last week makes the following report, and directed that peace officers of the county of Callahan have a three pronged crusade against the sale of beer to minors, against the operations of punch boards, and against operation of dance halls after Saturday midnight.

They reported the law was being frequently violated on each point, which was cited by the grand jury. Cross Plains has been the site of most Sunday morning dances, as reported by the grand jury.

There were fifteen indictments returned. In custody are the following defendants: Boyd L. Carson, under a charge of drunk driving E. R. Brown, child desertion; A. W. Dillard burglary; Joseph Gotch, burglary; D. Pruitt and W. H. Evans each indicted on two cases of passing forged instruments.

Sheriff Nordyke said, "I propose to adhere strictly to the finding of the grand jury, furthermore this will not be compliance for a few weeks; I expect to keep it so 12 months in the year from now on."

SWEET POTATOES WILL SELL LIKE HOT CAKES IF C OF C IS ADVISED

Truck farmers who have sweet potatoes they wish to market are urged to contact Clyde D. Sims, president of the Cross Plains Chamber of Commerce, at soon as possible. Mr. Sims points out that several trucks have been here this week looking for sweet potatoes, and that he has been unable to secure loads on two occasions.
