

Brother White was united in marriage to Martha J. Barnes and continued to make his home in their home until 1930. At that time they moved to Christoval, lived here for eleven years. In 1908, both Brother and Sister obeyed the Gospel during preaching of W. P. Skaggs. They moved from Christoval in 1911 to Miles where they lived one year then moved to the Valley where they spent two years. They moved from the Valley to Cross Plains in 1914 where they made their home until Brother White's death on September 8, 1939.

Home Town Gossip

All the world loves a hunter like that of a fishermen like Annie Cates. When their luck was good these gents remember to share with a portion of the catch. Brother White and his wife were at Prayer Meeting, as is usual custom, when he passed away. He had finished teaching a lesson and had taken his seat when he called him. There could not be more beautiful setting for one to be taken from this earth.

When Cross Plains high school Buffaloes tangle with Rising Star's Wildcats Thursday afternoon of next week in the annual turkey day grid game, the thundering herd will be confronted by an inspirational ball club. The kittens will be out to present their coach Eddie Hunter with an all-important victory on the eve of his wedding.

Bodie has wooed and won the lovely Miss Josephine Richards, of Brownwood, and the couple will make their trek to Hyman's altar shortly after the conclusion of the Cross Plains-Rising Star game. Congratulations, Bodie, and good wishes to your bride. Our hope is, however, that the team presents you with an easy chair rather than a victory over Cross Plains for a nuptial gift.

Possibly the largest crowd to see a football game in Cross Plains since the Stephenville-Cross Plains conflict here in 1933 is expected here Friday night, as hundreds of fans return to the old home town for the first homecoming of former students ever held here. Coleman will furnish the opposition.

It is interesting to note that just once in the past 15 years have the Buffaloes ever been able to defeat Cross Plains. That victory came last year, when Coleman won 10-0. Scores of games since Cross Plains and Coleman shared the same district appear hereunder: 1935, Cross Plains 0, Coleman 0; 1936, Cross Plains 33, Coleman 0; 1937, Cross Plains 6, Coleman 0; 1938, Cross Plains 0, Coleman 7.

Before we get off the subject of the homecoming scheduled here this week end, it seems fitting and proper that a verbal bouquet be heaped upon the many shoulders of Lewis C. Norman who gave birth to the idea of making former students honored guests at the Coleman game. It was a splendid thought and will prove its worth when the gate receipts are counted. And incidentally, Misses, Helen Grace Gray, Clara Nell McDermott and Bobbie Lee Westerman are entitled to the plaudits of the populace for their untiring efforts in arranging a suitable program and handling all arrangements incidental to the occasion.

EXPECT THROGS OF OLD GRADS BACK TO SEE COLEMAN CLASH

Hundreds of students of Cross Plains high school from former years will be guests of honor Friday night as Coleman possibly a few points stronger than Cross Plains, however, inspiration of the thundering herd is expected to balance the accounts.

Cross Plains is one up on Coleman in the all-time standing of league play. The locals having won two games, tied one and lost one, since conference competition between Cross Plains and Coleman was inaugurated in 1935.

Preceding the game and between the halves former students are to have charge of the program. One time grid greats will be presented with brief accounts of the services each rendered the purple and gold in bygone years. In charge of the program is a committee composed of: Misses, Helen Gray, chairman, Bobbie Lee Westerman and Clara Nell McDermott.

Coleman's starting line-up was not available as the Review went to press. Cross Plains' probable starters are: Longbotham and Hutchins at end, R. Smith and Upton at tackles, Aiken and Clark at guards, Smith at center, and B. Smith, Huntington, Huckaby and Pillans in the backfield the Review was told.

Lucille Newton and J. C. Pierce marry in Abilene on Saturday. Miss Lucille Newton of Cross Cut and J. C. Pierce of this place were united in marriage Saturday night at Abilene by Rev. V. W. Tatum, Baptist pastor, and former pastor here.

Mrs. Roy Rutledge Laid To Last Rest In Local Cemetery

Last rites for Mrs. Roy Rutledge, 50, who died at her home here early Friday morning after an extended illness, were conducted Saturday afternoon at one o'clock from the family residence, with Rev. C. E. Poe, Baptist pastor, officiating. Burial was made in the family plot at the local cemetery.

Mrs. Rutledge had been in declining health for several years and her condition took a decided turn for the worse about 10 days ago. Despite untiring efforts of physicians and members of the family she grew steadily weaker. Death occurred in the early hours of Friday morning.

Mrs. Rutledge was born March 15, 1889, and was 50 years, eight months and one day of age at the time of her death. Survivors include the husband, Roy Rutledge of Cross Plains, a daughter Mrs. New of Rising Star, and three sons, Marion and Raleigh, of Brownwood, and Robert, of Abilene.

Friends of the family crowded the Rutledge residence far beyond capacity Saturday afternoon for the funeral service in tribute to the deceased and bereaved survivors, all of whom are held in high esteem by neighbors and friends. Arrangements were in charge of Austin-Morris Company, Brownwood.

ELIC THATE GETS TWO BUCKS IN HOUR FIRST DAY OF DEER SEASON. E. E. (Elic) Thate returned Saturday morning from Mason county, where he hunted deer the first two days of the season with his brother Willie Thate, of Comanche, and three men from Santa Anna.

All Time Record Shows Cross Plains Has Whipped Rising Star 7 Times In Past 10 Years While Losing Three

Cross Plains high school Buffaloes worked themselves into the first division of district 8-A Friday afternoon with a 26 to seven victory over Bangs. The official standing is now as follows:

TEAM	W	L	T	Pct.
Brady	8	0	0	1.000
Ballingier	6	1	0	.857
Coleman	5	2	0	.714
Cross Plains	3	2	1	.583
Winters	3	3	1	.500
Mozelle	3	5	0	.375
Rising Star	2	4	0	.333
Santa Anna	0	6	0	.000
Bangs	0	7	0	.000

Thursday afternoon of next week, November 30, Cross Plains Buffaloes play Rising Star on the Wildcats field. Starting line-ups, weights and positions for the game are as follows:

Cross Plains: Longbotham, 145 pounds, end; R. Smith, 170 pounds, tackle; Huckaby, 155 pounds, guard; H. Smith, 135 pounds, center; Aiken, 130 pounds, guard; Upton, 205 pounds, tackle; Hutchins, 145 pounds, end; B. Smith, 130 lbs. Huntington, 145 pounds, Pillans, 130 pounds and Henson, 135 pounds, backs.

PLAY TO BE STAGED HERE ON NOVEMBER 28. Cross Plains High School Band and Pep Squad take the spotlight next week with their production of 'M'Liss (My Western Miss)', one of the biggest little dramas ever staged by a high school cast, to be presented in the high school auditorium, Tuesday evening, November 28, 7:30 p.m.

Mrs. Neeb Is Laid To Rest At Dressy Sunday Afternoon

Funeral services for Mrs. William Neeb, 81, were conducted here at three o'clock Sunday afternoon in the Higginbotham funeral parlor with Rev. Baker, a former pastor of the deceased, officiating. He was assisted by Rev. C. E. Poe, Baptist pastor, Rev. Floyd W. Thrash, Methodist pastor, and Rev. S. P. Collins, pastor of the Presbyterian church, all of this place.

Mrs. Neeb died at her home here early Saturday morning, November 18, after an extended illness. Pall bearers were: Fred Stacy, Wilbur Stacy, W. A. Williams, Leo Baum, Merlin Garrett, and A. Oliver.

Several hundred fans, the high school band and pep squad will accompany the Cross Plains team to Rising Star for the next Thursday afternoon, kick-off for which is set for two o'clock.

LOCAL COUPLE MARRY IN ABILENE SATURDAY. Miss Lee Mae Anderson and H. L. Frasher both of this place were united in marriage Saturday night in Abilene by the district Judge. They were accompanied by their parents, Mr. and Mrs. Joe Frasher of Abilene, and Mrs. O. S. Perry.

First tests were received Monday and the local boys began immediately preparing their replies.

STORES WILL CLOSE AS PEOPLE OBSERVE QUIET THANKSGIVING

In observance of Thanksgiving nearly all Cross Plains business institutions will be closed Thursday of next week, November 30. Mayor C. S. Martin has officially decreed the last Thursday in November as Thanksgiving day in Cross Plains this year.

High spot of Thanksgiving day for Cross Plains people will in all probability be the game at Rising Star that afternoon at two o'clock. The game, a conference contest, will be the last for both Rising Star and Cross Plains and will ring down the curtain on the 1939 schedule.

UTILITY COMPANY TO HELP IN DECORATING HOMES FOR CHRISTMAS. Many people are asking about lighting decorations for the home during the Christmas season, according to the local manager of the West Texas Utilities, who said that descriptive folders, illustrating attractive and economical methods of lighting both inside and outside of homes, were available at his office.

NEW AGE RULING WILL COST PIONEER 3 GOOD ATHLETES NEXT YEAR. The age limit of 17 years which goes into effect next season will cost Pioneer high school the services of three seasoned gridmen, all of whom would have had another year of competition before them.

More tidings from California, the through-the-looking-glass" land: In Los Angeles, you drop a penny a slot and out comes one cigaret; then you buy a whole package; a salesman places the pack in a machine, pulls a lever and hands you back to you, with the corner neatly torn to enable you to remove your smokes.

Newsboys aren't numerous; you buy yourself a paper and drop the money in a container. "Don't write to the folks back home; send them a record of your news—only 20 cents," says a sign, and you can hand the home folks more of a thrill by spending a quarter and having any headline you want set up and printed at the top of what looks like a front page of a Hollywood newspaper, one such "streamer" as "Joe Schick—that's you—Elopes with Rita Garbo."

Romance? Here's a sign. "I make millions." Reality? A few blocks away, another sign, "We sell bullet-proof shoes."

Attention, Fort Worth: Los Angeles has a Casira Manana Little House of Tomorrow.) There are theaters that show nothing but news-reels—(What, no Mickey Mouse) and other theaters that stay open all night. (When they sweep out and find the lost gloves?) And most of the theaters show double features, the times sometimes producing surprising results as: "Our Leading Citizen," "The Man They Couldn't Find."

And, in between features, the lights come on and, apparently from the sky, voices boom, giving the latest news flashes. Also audiences applaud a particularly good act of acting or singing on the

screen. More queer names of California brands of gasoline: Nitro, Silver Gull and P.D.Q.

There was no booing whatever at UCLA California game. That was news; all the papers made special mention of the fact.

Traffic in Los Angeles is fast—even faster than in Austin, where they make—even if they do not always observe—the laws.

The pedestrian is always right, though sometimes dead—in which case, he is dead right.

Traffic signals at the most important corners are a bell, lights and a semaphore—all three. It's like the man who wore suspenders and a belt, too—he wasn't taking any chances.

It's quite a thrill to ride on top of a bus. You climb an unbelievably narrow and twisting stair, then make your way on the swaying top to a seat. The rush of the air and the gleam of the sunshine and the view of trees, buildings and sky are worth the extra effort and the risk of a sprained ankle—especially if there are no seats below.

The transportation system is highly complicated; like Gaul, it is divided in three parts—interurbans, buses and street cars.

Interurban fares depend on distance. Street car fares are 7 cents and bus fares a dime, except I've found one street car which charges a dime and one bus which charges 7 cents. Nobody knows when you can get a transfer and when you can't. You just ask the conductor for one. But even if he issues one, it is quite likely that the next conductor won't accept it. It is all delightfully informal.

Swinging back to Texas topics: The State Land Commissioner is asking bids for oil leases on submerged land belonging to the State School Fund. He is asking a flat price of a certain number of dollars per acre and the lease then goes to the company that offers the most royalty. Royalty is not cash; royalty is paid out of the soil—"if" and "when" found. And the Commissioner isn't even requiring the company that gets a lease to drill at all. What good is high royalty if a well isn't drilled?

But suppose that the company is kind enough to drill and the well turns out to be a dry hole, what good is high royalty in a duster?

Let's Be Thankful for Electric Service, too!

"I am thankful for my electric range. It's so much easier to prepare Thanksgiving Dinner"

ELECTRIC SERVICE is something we've all come to accept without much thought. That's because it's so very, very good and dependable. We simply needn't worry about it at all. So it's fitting and proper that we pause at Thanksgiving time to give a moment's thought to the marvelous value—nay, bargain—we get in return for the few pennies a day that we pay for Electric Service. Light is only one of the many items of service included in the monthly statement. Refrigeration, Coolery, Radio, Sweeper, Coffee-maker, Washer, Iron—all these and more cost less today than our grandparents paid for light alone! To use this Service, we need only turn a switch. And behind the switch are a thousand men and women whose constant labor and re- search make Electric Service both dependable and economical. Jobs thus are created—a \$1,300,000 payroll in this West Texas area. Taxes are paid—almost a half million dollars annually for the support of local, county, state and federal governments. We can well be thankful for modern Electric Service.

ONE OUT OF EVERY SIX IN TEXAS RECEIVING AID FROM FEDERAL GOVERNMENT

The survey made by International News Service discloses that nearly one out of every six citizens in Texas, is receiving aid from the federal government.

Here are the approximate figures for the various relief agencies: Certified by WPA 580,490 CCC enrollment 14,700, National Youth Administration in school 22,000, out of school 15,000, Old-age pensioners 121,640, social security recipients 147,921 state ephemerary institutions, 19,685. This makes a total of 925,000 who are receiving aid in some way from the federal government, not including farmers ranchmen and others of that class, who are receiving benefit checks.

DISTRICT RURAL LETTER CARRIERS TO MEET AT ABILENE NOVEMBER 25th

The announcement has been made that the annual business meeting and dinner of the 17th congressional district rural letter carriers meeting will be held November 25.

The meeting will be held at the Hilton Hotel, speakers will be representative Clyde L. Garrett of Eastland, E. E. Smith of Colorado City, state president of the rural letter carriers and W. L. Fletcher of Rotan treasurer of the national association.

Mr. and Mrs. J. C. Garrett were in Millersview. Mr. Garrett reports crops in that vicinity greatly benefitted by recent rains.

Three-eighths or five-eighths of nothing is still nothing. And the taxpayers are the losers.

On one tract, for example, the Land Commissioner is asking \$100 an acre in cash and if a fellow comes in and offers \$1,000 an acre in cash, the Commissioner will not accept it. Does that make sense?

Under the circumstances, wouldn't it be better to lease the land to the company offering the most cash on the barrel-head for the State School Fund?

Otherwise isn't the commissioner "gambling" with the taxpayers' land?

Food Sales Here Return \$251.94 In Hidden Taxes

Families in Callahan County pay an estimated \$251.94 in hidden taxes annually through their purchases of food, a National Consumers Tax Commission survey showed today.

"Nearly eight per cent of the total food bill represents shifted taxes buried in the price of every purchase," the report stated. "These unseen levies, for example, take 11 per cent of butter costs, 6 1/2 per cent of bread costs, 10 1/2 per cent of sliced bacon and 14 1/2 per cent of the cost of coffee."

The report was made public through Mrs. Kenneth C. Frazier, of Dallas, chairman of the board, who leads NCTC study groups in about 810 Texas communities in the educational crusade against "unnecessary consumer—penalizing taxes." The report added:

"Chief offenders, and those that fall most heavily on lower income families, are hidden taxes. These are levied originally against the producer, manufacturer, shipper and distributor. Unable to absorb the load, each must pass on a share of its taxes and the consumer ultimately pays them, usually without knowing it."

The commission, in whose non-partisan crusade groups in approximately 5,100 communities have launched tax study programs, said the hidden tax figures does not include the many other hidden and direct taxes families here have to pay.

The food tax estimate was computed from NCTC averages based on last available U.S. Bureau of the Census figures which placed 1935 food sales in the county at \$323,000. Government estimates of total sales in the country last year approximate the total in the 1935 study, the NCTC said.

Achievement Day To Be Held Soon

Plans were made in a regular meeting of the local Home Demonstration club last week for their Achievement Day program to be held at the home of Mrs. Jim Barr November 29.

They are looking forward to a fine display of achievement projects, and have arranged a very interesting Thanksgiving program to be rendered from three until four o'clock. Every one is cordially invited to attend.

Let's Be Thankful for Electric Service, too!

"I am thankful for my electric range. It's so much easier to prepare Thanksgiving Dinner"

ELECTRIC SERVICE is something we've all come to accept without much thought. That's because it's so very, very good and dependable. We simply needn't worry about it at all. So it's fitting and proper that we pause at Thanksgiving time to give a moment's thought to the marvelous value—nay, bargain—we get in return for the few pennies a day that we pay for Electric Service. Light is only one of the many items of service included in the monthly statement. Refrigeration, Co.,ery, Radio, Sweeper, Coffee-maker, Washer, Iron—all these and more cost less today than our grandparents paid for light alone! To use this Service, we need only turn a switch. And behind the switch are a thousand men and women whose constant labor and research make Electric Service both dependable and economical. Jobs thus are created—a \$1,300,000 payroll in this West Texas area. Taxes are paid—almost a half million dollars annually for the support of local, county, state and federal governments. We can well be thankful for modern Electric Service.

"I serve all the people."

TWO OLDEST PEOPLE IN COUNTY LIVE AT CLYDE; ONE 102, OTHER IS 100

Rev. G. B. Ely of Clyde started on his second century September 25, when he reached and celebrated his one hundredth birthday. He is in good health, and in full control of his faculties.

Rev. Ely is probably the second oldest man in Callahan County, as Mr. Konzack is 102 which is the oldest man reported in the county. He is also of Clyde.

Perhaps one of the happiest moments in the Rev. Ely's life was a short time ago when he assisted in the service of ordaining R. E. Kaykendall of Abilene, one of his grand sons as a deacon in the University Baptist church at Abilene.

LIBERTY BOOKS "GOOD GIRLS GO TO PARIS"

Like iced champagne, "Good Girls Go to Paris" is a bubbly, sparkling concoction pleasant to the eye and to the taste. Like champagne, too, the Columbia comedy which opens here Thursday at the Liberty Theatre with Melvyn Douglas and Joan Blondell co-starred packs a punch of no mean quality. Its ingredients are many—a basically sound and humorous story; scintillating dialogue; deft direction and thoroughly human characteriza- tion.

Douglas is ideally cast as an English professor of Greek, whose despairing difficulties with the free- and-easy life of a midwestern campus are made the more compli- cated by his sudden and unwilling role of confidential adviser to a pert, blonde young waitress with big ideas.

The waitress, who is Miss Blondell, romps, through "Good Girls Go to Paris" with a gay abandon. She wants to see the Eiffel Tower, and that takes money. College stu- dents have money and she has ever intention of using one for breach of promise.

Her escapades on the campus finally culminate in a scandal, and she is sent home by her pedantic adviser. Instead, the young woman journeys to New York, where she becomes involved with the family of the Englishman's fiancée.

"Good Girls Go to Paris" is a

streamlined comedy which proves that joyous laughter may be aroused without resort to slapstick, and hokum due to the naturalness with which the professor and the waitress meet and vanquish such miscellaneous problems aroused by an irascible, hypochondriac mil- lionaire, a gangster, a gigolo, a flut- tery society matron and a debau- chee who is in love with her but- ler's son.

Douglas, in a portrayal far dif- ferent from anything he has hither- to attempted, and Miss Blondell, in a tailored-to-pattern characteriza- tion, give the comedy that extra polish so essential to important pictures.

Walter Connolly, with a reserved and understanding characterization of an eccentric millionaire, makes the man real. Isabel Jeans, a flut- tering, scatter-brained woman; Alan Curtis, too-rich playboy; and Joan Perry, gorgeously gowned and extremely attractive, add sparkle to the production. Alexander D'Arcy, Stanley Brown, Richard Fiske, Robert Sterling and Henry Hunter are others who help make "Good Girls Go to Paris," a show worth seeing.

H. D. Club Meets On Wednesday

* WITH OUR WILDLIFE *

By JOHN R.WOOD State Game Warden Germany's Wildlife Conservation

There was called to my attention the other day about the new Ger- man wildlife conservation pro- gram, and at the rate she is going now, may God help her when her war problems are settled. At the present time Germany is paying men \$2.50 per day to go into the German woods and kill all the wild- life species that can be eaten. All the birds and all the game animals, and on down to the little skunks will go under German fire, for food for the people of that country.

I would like for you to think of the picture of that country after the war is over, if it ever ends, and just imagine the dreadful con- dition that will exist there. No birds in the fields to fight insects, no animals in the woods to furnish sport to the nature loving indi- viduals and other resources will be affected directly by this act. All generations to come must suffer in this country because of the act of a few men. Surely this is a condition that we never want to happen in this country.

The many hunting seasons that are about to open in this state will give many persons several hours or maybe days of enjoyment that have been looked forward to for many months. There will be many who will take part in nearly all types of hunting and there will be a chance for nearly every one to get by with game law viola- tions, such as over bag limits on game species taking advantage of the devices used in taking the game birds or animals, and many others. We do not like to see people cheat at the big game of hunting because this is a sport that we want to see continue through the generations that are to follow us and not exterminate them all at one time like the German government is doing. It will take the unlimited sup- port of all persons in the state to help us in this great task.

Don't Waste Game
It is a sad thing to me to see the large number of game birds and animals that are wasted every year. About a fourth of the game that is killed every year by the hunters is wasted. I have seen a number of times in checking ice houses and other places where game is stored, the great waste that occurs every year. Don't kill game just for the fun of kill- ing it. Be prepared to care for the game that is taken and never take more than you can use, because more than half of the game that is given to your friends is just dumped in the trash can when you leave, and is seldom appreciated.

Consider this item while on your hunting trip: Kill that which you can use, use that which you kill.

Pavement Being Co

TRAFFIC TO STATE PARK SHOULD HAVE IMPROVED HIGHWAY

A Brown county delegation appearing before the State Highway commission recently was "led to believe" that the Highway Commission will in good faith see what can be done about paving Highway 279 from Brownwood to Cross Plains.

No action was taken at the hearing by the commission, which took all matters under advisement. Secretary Flynn of the State Parks board joined the Brown county group in requesting that the Cross Plains road be paved. He pointed out that of some 12,000 visitors to the Lake Brownwood State Park, reached only by Highway 279, more than half came from the North and had to make a circuitous trip, many miles out of their way, to reach the park and lake because the highway from the park road turnoff northward has not been paved by the State.

Former Brown County Judge E. M. Davis reviewed the history of the project and told the commission that while he was Brown county wherey arrangements were made whereby Unit I construction work was done with county bond funds with the agreement that the State would take over the road and pave it.

26 AWARDS ARE GIVEN WILLIAMS GRID TEAM

Awards were given to 26 members of the Williams high school football team last week, according to work received from Superintendent Leo Varner.

First string numerals went to: Orville Anderson, Oren Anderson, James Howell, Phillip Campbell, Van Williams, Vandoil Byrd, Mike Smith, Bynum Reddick, Jack Pitzer, L. B. Lancaster, Don Looney, Verma Grady, Sid Pittman, Glenn Hubbard, Truitt Loyd, Talmadge King, Gerald Martin, Herschel Hawkins and Eldon Goelcher, manager.

Reserve numerals: Haynes Sanders, Walter Holmes and Merle Woods.

Bronze footballs were awarded the following squad: Julius McCartney, Charley McCartney, Melvin Sead and Earl Fortner.

Captain Austin Newton was presented a wrist watch and numeral jacket.

Only four lettermen at Williams will be lost by graduation.

DON DALE SWAFFORD BURIED HERE MONDAY

Funeral services for Don Dale infant son of Mr. and Mrs. Norman Swafford if Abilene, and formerly of this place, were held here Monday morning at eleven o'clock with the Rev. C. E. Poe, Baptist pastor officiating.

The baby was born Sunday at the Hendricks Memorial hospital in Abilene, but only lived a few hours.

Burial was made in the local cemetery.

LOCAL GIRLS SEXTET MAKE SPLENDID START

Considered more than a mild upset was the defeat handed Cross Plains girls basketball team last week by the Cross Plains high school sextet. Final score was Cross Plains 20, Cross City 18.

In a scrimmage at Pioneer this week the local girls beat the Pioneer sextet 31 to 30. And at the Denton tourney last week Cross Plains girls were runners-up, bringing home a nice trophy.

H. D. Club Holds Achievement Day

The Cottonwood H. D. club held their Achievement Day Friday afternoon, November 17th at the home of Mrs. Byron Bennett, bedroom demonstrator, at 2 o'clock. An interesting program was rendered then guests viewed her bedroom where she had painted the wood work, papered the walls and re-finished her bed-room suit. She had new curtains and a bed spread made of cheese cloth with the ball fringe that they visited Mrs. O. D. Strahan, pantry demonstrator, viewing a complete home food supply. Her pantry being a new cellar walled with rock with two ventilators and shelves on one side and end. She had 57 varieties on display. Canned fruits, vegetables, meats, jellies, preserves, pickles, relishes, potatoes, tomatoes, dried beans, peas, peanuts, pecans, and apples. She demonstrated it pays to live at home. They went from there to the basement of the Baptist church, where a number of club ladies displayed their work which consisted of candle-wick, spreads and curtains, cheese cloth purses, crockets, quilts and several pieces of needle work, canned fruit, vegetables and meats and cookery such as hot rolls, sponge cakes, jelly rolls and custards, which were served with punch to the ladies. 42 club ladies and visitors registered. Visitors from Cross Plains were Mmes. Luke Westerman, B. W. Everett, Don McCall, H. C. Williams, Jim Barr. From Putnam: Mmes. W. W. Everett, Jim Hespil, Charley Davis, and W. A. Beckman. From Cisco: Mmes. John Hart and Neal Moore. Miss Clara Brown, Baird and a number of visitors from our own community.

METHODIST CHURCH

A special installation service will be held for the stewards of the Methodist church Sunday morning at 10:50. Young people's meetings will begin at 6:30 p.m. and the evening sermon will be at 7 p.m.

Annual Thanksgiving Service

The annual Thanksgiving service will be held at the Presbyterian church on Wednesday evening of next week at 7 o'clock. Such a service has been the custom for a number of years with all the churches with resident pastors co-operating. Rev. C. E. Poe is scheduled to preach the sermon this year. Everybody in the community is urged to attend the service.

Burnt Branch

Rev. Floyd W. Thrush will preach at Burnt Branch Sunday afternoon at 3 o'clock. Plans are being made to have services on the second and fourth Sunday afternoons of each month. All persons in that locality are invited to attend the meetings on each of these days.

ing the strained expressions around her, the young lady remarked: "I know I can't sing but I'm willing to pay for the time if you'll let me sing on Tuesday nights."

"Just why are you so anxious to sing over the air," asked the announcer.

"Well, my husband and I have quarreled," the young lady explained. "He always listens to this station on Tuesday nights and I just want to ruin the evening for him."

CARD OF THANKS

We take this means of extending our thanks to friends and neighbors, who were so thoughtful during our bereavement caused by the passing of our beloved wife and mother. Words fail miserably to express the gratitude that is on our hearts. Your beautiful floral remembrances, words of sympathy and countless acts of friendship shall ever remain in our memories like a ray of sunshine through the clouds of gloom. May the giver of all good and useful gifts bless each of you abundantly.

OUR DEAR ONE

By Eddie White

When our dear loved one was laid to rest.

The Lord, our saviour, knew it was best.

Although it was sad to see him there,

We all loved him dearly with utmost care.

But in the last day, when our troubles are o'er,

We shall see him then as we did before.

And may the Lord bless us as we did him.

When in that great day we sing our last hymn.

He lived a true life, fought a good fight.

And, won in the end by giving his life.

The things that he did, the things that he said,

Will not be forgotten although he is dead.

He was a good father, and companion dear.

And now he is gone, but we should not fear.

For he was ready and willing to stand.

Before God Almighty! in the promised land.

TO WHOM IT MAY CONCERN:

We, the bereaved of the death of our beloved husband and father, Marion A. White, extend our heartfelt thanks to all friends who, in the hour of grief extended their help by consoling God's words and flowers.

Words can not express the thankfulness that we have for this assistance. And we pray that blessings may fall on each and every one for their deeds.
