CROSS PLAINS, CALLAHAN COUNTY, TEXAS

OLD ADAGE UNTRUE

AS DELUGE COMES

Brings Total Rainfall For The

Year To 20.70 Inches; All

Disproving the old adage: "It

never rains at night in August,"

nearly four inches of rain fell in

Two and a fourth inches were

received on August 15, and the fol-

inches, making the total for the

two days 3.93 inches. Two days

prior to these precipitations a light

shower here netted .05 of an inch,

making the August total thus far

The moisture, the first of any

consequence received since June 23,

brought relief from an extreme

heat wave which had gripped this

section for days and most of all

was a "life saver" for crops throu-

ghout this locality. Peanuts had

already begun to suffer noticeably

moisture, as well as late feed crops,

Every stream in this immediate

vicinity ran virtually bank full.

Tanks caught quite a bit of water:

Brownwood Lake has been pouring

over the spillway for days since.

Philpeco country club lake is near-

ly as high as it has been in recent

The 3.98 inches of moisture for

August thus far, brings the total

received in Cross Plains this year

to 20,70 inches, indicating that the

normal rainfall of about 26 inches

will probably be surpassed here this

year. Rainfall by months is as

follows: January .29; February

2.22; March .42; April 4.74; May

CHANGES MADE BY 3 LOCAL DRUG STORES DURING PAST WEEK

Clyde Sims Sells To Brother: City Drug, Smiths Drug Switch Their Locations

Last week was a historic one for three Cross Plains drug stores. Two of them swapped locations and management of another passed into new.

Sims Drug Company, on South Main Street, passed into the hands of G. M. (Moulton) Sims, who bought Clyde Sims', his brother, interest in the establishment.

Smiths Drug and the City Drug, as a result of a change in locations, are now in different buildings from which they formerly occupied. J. Peyton Smith moved his business into the building between Caton's Variety Store and the Cross Plains Hardware Company, formerly occupied by the City Drug. Mr. Smith purchased this building more than a year ago. The City Drug Store was moved into the Ogilvy building on North Main Street, between Jim Settle's Clothing Store and Kemper's Cafe, which was vacated by Smiths Drug.

Offices of Dr. J. A. Gregoire and Dr. Eli Powell were likewise moved with the two drug stores. Dr. and Dr. Gregoire with the City

Announcement of the change in ne ownership of Sims Drug came as a surprise. Clyde Sims and Moulton Sims have operated the

business for more than 14 years. Mr. and Mrs. Moulton Sims will operate the business hereafter. No announcement has yet been made friends that he's going to take a few weeks rest and vacation, before | COMPLETE FACULTY entering another line of endeavor.

FERTILIZER PAYS "DOC" TENNISON ON CHAS. NEEB PLACE

Seeing is believing and a skeptic eeds one look at an experiment on in regular meeting Monday night. Chas. Neeb place, one mile West of town, being worked by I. M. (Doc) Tennison, to see that it pays to fertilize land.

In the experiment are nine acres. Three of these were planted to peanuts with no fertilizer whatsoever. Just to the West are another pounds to the acre. Then to the East of the unfertilized tract are three acres which were given 100 pounds to the acre. The unfertilized tract is making peanuts but the vine is small and there are not a fifth as many nuts on the unfertilized roots as on those where the peanuts are growing in the land given 100 pounds to the acre. The heavier fertilized tract showns an

even greater contrast. It is pointed out by Higginbotham Brothers & Company, who furnished the fertilizer for the experiment, that all of the peanuts were planted at the same time and have been worked alike.

Anyone interested in the possibilities of fertilizing is invited to visit the experiment, the Review was

NEW BANDMASTER TO ASSUME JOB MONDAY

8 AND CLOSED AT 7 CHAIRMAN DECLARES

Returns To Be Received Here Saturday Night; Board To Be Placed On Bank Awning

Due to warm interest in the congressional race and three county commissioner contests, voters of Callahan county are expected to turn out in more than normal numbers Saturday to cast their ballots in the second Democratic primary. In Cross Plains voting will take place at the Cross Plains Motor Company, Inc., building, with Edwin Baum, precinct chairman, serving

as judge. Polls will open at eight o'clock Saturday morning and close at seven that evening. Political observers here predict that 70 percent as many ballots will be cast Saturday as in the first primary, when 461 were polled in Cross

"We will not take ballots out to the homes Saturday as we have often done in the past," Mr. Baum stated. "We will, however, come out to the car and let people wote who are unable to get in and wit of their automobiles and come inside the polls. We are forced to discontinue the practice of carrying sons, due to the fact that too much

Returns from all boxes over the county will be received here Satarday night and tabulated on a large blackboard, to be stationed on the awning of the Citizens State expected that all returns will be available by 10 o'clock, due to the fact that the ballot is short and can be tallied by the various election officials much faster than was the case in the first primary, four

weeks ago. A sample ballot of that to be resented voters Saturday may be

Races to be settled are: Representative in Congress from the 17th District, Rail Road Commissioner, Chief Justice of the Supreme Court. State Senator from the 24th District, County Judge, County Treasurer. County Commissioner from precincts number one, two and four. The Baird precinct is also to vote

TOMATOES GROW IN CLUSTERS OF FIVE ON HARDEN PLACE

Old mother nature breaks the monotony of sameness in many and varied ways. The most recent of which is an oddity plucked from her tomato patch by Mrs. Jim Harden, who lives 12 miles West of town, in what was formerly known as the Hillside community. Five tomatoes were found grow ing on one stem; quintuplets, if you

please. The "quint tomatoes" are slightly smaller than normal size but that bear no other imperfection. Their shape, color and general appearance is good. Mrs. Harden reports that tom-

atoes in her locality were just a bout gone until last week's rains, however, they have since been revived and are "putting on" again.

A 22-foot four-section tractor har row now on the market is so built that it will go through a farm gate 11 feet wide. The two outside sections may be folded in on top of the two center sections.

How many miles is it from the house to the well on the average

An engineer for the United States Department of Agriculture recently found that a farm woman who was born and who died on the same farm after an active 50 years

of operating the place had been obliged to make on an average of four trips a day from the house to the well to provide water for the household. The well was 20 feet from the house and was 10 feet lower, so that a walk down hill and up was necessary.

The engineer calculated that during 50 years this woman had carried 7,000 barrels of water from the distance equivalent to that from New York to San Francisco and back, and had climbed up a distance equal to 100 trips up and down Pike's Peak.

Home demonstration agents and other workers of the A. and M. College Extension Service are constantly urging farm people who are financially able to install home conveniences, providing they do not already have them. According to Mrs. Bernice Claytor, extension specialist in home improvement. there is no household labor-saving convenience of more value than a farm water system and sewage disposal. Literature on probable cost and how to install water systems is available from the Extension

TO THE CITIZENS OF CALLAHAN COUNTY

I had hoped to contact each voter during the runoff campaign, in the interest of my candidacy for County Treasurer, but time will not permit another house to house canvass, therefore, I am asking that you accept this as my personal appeal to you, and I will sincerely appreciate your consideration.

I am indeed grateful to the People of Callahan County for their loyal support, and for the splendid vote given me in the July Primary. I believe in Rotation in Offices and will thank you to go to the Polls again on August 24th and cast your Ballot.

Respectfully,

MISS JENNIE HARRIS

Announcement

I wish to announce to friends, customers and the general public that I have purchased my brother's interest in the SIMS DRUG COMPANY and that I will deeply appreciate your continued patronage and good will. It will be my purpose and ambition to render the type of service you have a right to expect at prices you will appreciate.

Trusting that we may have the opportunity of serving your drug and sundry requirements and that you will remember us for delicious Banner Ice Cream and wholesome fountain drinks, I am.

CROSS PLAINS,

TEXAS ·:· ·:·

THANK YOU, FRIENDS

In the haste of covering the entire county during the four weeks campaign of the runoff primary, I have been unable to see many of the people in the interest of my candidacy for County Judge.

I wish, however, to thank each and everyone of you for the support tendered me in the first primary and solicit your continued assistance in Saturday's run-off.

If elected, I wish to assure you that I will work untiringly to the end of making you a competent public servant.

County Judge

FINAL WORD From Sam Russell

To the Voters of the 17th Congressional District:

I am ending this campaign in the same manner in which I began it-clean and above board. I have not engaged in mud slinging or dirty politics; but have carried my program to the people in whom I have always had complete confidence; believing that I had a program which would be for the best interest of the public as a whole in this great district.

I was, and am, of the opinion that during these perilous times, the district needed a man to represent them who had the ability, courage, and fighting spirit to work and fight for the best interest of America. To that end, I have not only dedicated my service, but my life as well.

I have made no rash promises. I have not promised to work or vote for me. I have no positions to offer for the purpose of securing political preferment. But I do have a burning desire to render ardent and faithful service to my people, and this, I promise to do.

I ask you to not be misled by last minute personal attacks that are being made against me. The district is literally covered by hirelings of my opponent, and large sums of money are being spent to over-persuade the voters.

I am a poor man and have paid every cent of my expenses out of my own pocket, but I am meeting these unfair attacks, the best I can, with the voluntary aid of my friends.

In answer to such attacks, I have served my home people, where I was born and grew to manhood, and have lived all my life, for over twenty-one continuous years in an official capacity, without a single defeat, and on July the 27th, they gave me the largest majority that my candidate received in his home county. This vote of confidence of my home people, who know me best, answers all charges made, or to be made, against me.

If you believe in clean politics, if you believe in honesty, and faithful representation, and feel that I can give you such representation, may I have your vote and influence on the 24th day of August, for which I shall be eternally. Respectfully yours, SAM RUSSELL, Candidate for Congress.

(Paid for ty Erath County friends of Sam Russell)

WITH OUR WILDLIFE

Pasture Fire and Its Affect On Game

John Lee Smith

Of Throckmorton for State Senator

I am making this race on my own merits and at my own expense supplemented by the small contributions of friends, ranging from 50c to \$10.00. I am not obligated to any special interest, corporation or group. My hnads and my heart are free and unfettered to represent and serve the great common people of this district. I have but one allegiance—that is to my fellow citizens and their welfare.

I URGE:

1. Full payment of pensions by performance, not promises. Fair and equal tax levies on all forms of wealth-(no sales

tax.) Favoritism and special privileg-

Raise truck load limit to not less than 12,000 pounds.

Reduction of state salaries not less than 10%, and abolition of all unnecessary boards, bureaus, and commissions.

6. Honest co-operation with the governor to solve the state's perplexing problems in these critical times

Lead the ticket by more than 2,000 votes in the first primary-WE COMMEND JOHN LEE SMITH

We, the undersigned citizens of Throckmorton County commend to you John Lee Smith as our next State Senator. He has lived among us for more than forty years. He is honest, courageous, and possesses outstanding ability. He places men and their interests above money and its power. He has never shirked a duty and has the courage to fight for his convictions. He will make you a Senator that can and will properly represent you. He is always on the right side of every
