Crops Pour Money Into Cross Plains

BANK DEPOSITS TOP NEW HIGH; GIN RUNS NIGHT AND DAY HERE

Cotton, Peanuts And Turkeys Promise To Give Territory Best Fall In Recent Years

Money from the harvesting of crops is literally pouring into the pockets of farmers throughout the Cross Plains area. Gins are running night and day, peanut threshers are far behind schedule and turkey buyers have been working into the wee-small hours of the morning receiving birds for the Thanksgiving market. All these crops are bringing prices greatly above those paid a year ago.

Bank deposits in Cross Plains rose this week to \$352,654.36, the highest in the history of Citizens State Bank and a gain of \$73,811.70 over a year ago.

The Planters Gin Company announced Thursday morning that 820 bales of cotton had been ginned from the crop of 1941. E. I. Vestal, local manager, opined that approximately 200 more bales would be handled by the local gin bringing the 1941 total to well over 1,000 bales.

Strikes On Defense Jobs Are Treason Says Sam Russell In Asking Inciters Be Punished

Denouncing John L. Lewis as a traitor for calling the captive coal mine strike during the national defense emergency, Congressman Sam Russell of this district, recently introduced a bill to make the fomenting of defense strikes a treasonable offense.

Representative Russell took the floor during a short session of Congress that he thought John L. Lewis was a "miserable traitor to the cause which he pretends to represent" and that "he committed treason when he called some 53,000 miners and workers on strike recently in defiance of the pleas of the President of the United States and the will of the working men and women of the United States."

CHRISTMAS LIGHTS TO GO UP LAST OF MONTH

Christmas lights will be strung over the business section of town the latter part of this month, decorating the city for the yuletide holidays. The lights will likely be put up the last week in November and remain up until after January 1, 1942. The Review was told yesterday by L. E. Foster, manager of the West Texas Utilities here.

Mrs. B. Bishop, of Coleman visited her daughter, Mrs. G. M. Sims, here Sunday.

Mrs. Jack Scott and Mrs. O. B. Edmondson were visitors in Eastland Wednesday.

Local Girl Wed To Texarkana Man On Saturday Morning

Miss Ollie Brooks, of Cross Plains, and R. L. Brown of Texarkana, were married Saturday morning, November first, in the home of Rev. Dyer Campbell, pastor of the Second Christian Church in Texarkana, who read the single ring ceremony. The couple was attended by Aubrey Brown, cousin of the groom, and Mrs. Dyer Campbell.

BAIRD STUDY CLUB OFFERS CITIZENSHIP PROGRAM ON SUNDAY

The Wednesday Club of Baird will present a "Citizenship Day" program on Sunday afternoon November ninth, at two thirty p.m., at the Methodist church in Baird.

Judge Clyde Grissom, associate justice of the eleventh court of appeals at Eastland, will speak on "Americanism," bringing information especially to young voters.

Mrs. L. L. Blackburn, president, and other members of the club urge all citizens of Callahan County to make an effort to attend this meeting.

Mrs. W. B. Baldwin was a Rising Star visitor Wednesday.

Steve Foster and Gene Adams were in Fort Worth Wednesday.

Most Stores Plan To Be Closed; Home - Coming Of Ex - Students And Football Game Scheduled

In observance of Armistice Day most all Cross Plains business concerns will be closed Tuesday. A full holiday was decreed in a proclamation issued last week by Mayor C. S. Martin.

Home-coming of former students of Cross Plains schools and a football game with Santa Anna on the high school gridiron at two o'clock Tuesday afternoon are to be features of the day.

The Chamber of Commerce luncheon club will postpone its regular bi-weekly luncheon from Tuesday at noon until the following day, Wednesday, November 12, at which time a meeting is scheduled in the dining room of the Baptist church.

Elaborate plans have been made for this year's home-coming of former school students here. Registration will begin at 10:30 in the high school auditorium, followed 15 minutes later by a mammoth pep rally.

Miss Ethel Pierce Laid To Last Rest Here On Thursday

Miss Ethel Pierce, about 48, a long time resident of Cross Plains died suddenly at Rising Star Tuesday night about 6:30 of heart attack. Funeral services were to be conducted from the First Baptist Church of Cross Plains Thursday afternoon, with Rev. C. E. Poe, pastor, officiating.

Survivors are four brothers and one sister; Ben, Joe and Elbert Pierce, of Cross Plains, and Lee Pierce, of Memphis, Tennessee, and Mrs. Burris Irvin of Cross Plains.

Funeral arrangements were in charge of Higginbotham, Cross Plains.

Due to the fact that the Review went to press Thursday morning and services were not to be until Thursday afternoon a more comprehensive account was unobtainable, however, this will appear in next week's issue of this newspaper.

Former gridiron-giants, class and pep leaders of other years will be recognized at this rally and called on for short talks.

The football game with Santa Anna, a district 8-A affair, which gets underway promptly at two o'clock promises to be one of the best seen on the local field this year. Santa Anna possesses a heavier team than Cross Plains, however, the Buffaloes are expected to overcome in ability whatever they lack in weight.

Comparative dope indicates the two teams are of about equal strength. Cross Plains was beaten by Coleman 12 points, whereas Santa Anna lost to the same team by 25 points, but on the other hand the Mountaineers scored two touchdowns against Coleman, whereas the Buffaloes were unable to tally against the Bluecats.

Following the football game will be a banquet in Kemper's Cafe here Tuesday night beginning at seven thirty for all former students. Committees in charge of the function point out that a very inviting menu and program has been arranged and that the event should be one of the most enjoyable on the home-coming program. At the banquet special recognition is to be given the oldest ex-student and the one coming the greatest distance.

Banquet tickets should be purchased early in order that orders can be placed for the number of plates desired, announces Wilburn Barr, chairman of the ticket committee for the feed.

Officers of the ex-students association are: Melvin Placke, president; Mrs. Wilburn Barr, secretary; Committees in charge of the home-coming program include the above officers and: Mrs. O. B. Edmondson, Tom Bryant, Jr., Mrs. George Hayes, Leo Varner, Billy Davidson, Jr., Cornelious Elliott, Earlene Smith and possibly others whose names the Review failed to learn.

Pioneer Farmers To Hear Defense Program Explained

The new Food for Defense Program in connection with the 1942 farm program will be discussed with Pioneer farmers at the high school auditorium on Thursday evening, November 6, at 7:30 p.m.

According to Ralph R. Bradshaw, chairman, Eastland County defense board, the new food program has two immediate objectives:

- 1. To supply America with food for her own needs.
2. To supply food to nations at war with the axis powers.
It is pointed out that the food needs of the nation have been broken down to state goals, the state goal divided into county goals, and these county goals will be distributed to individual farmers. It is therefore necessary that each farmer do his best to meet or exceed his goal—otherwise America cannot keep her promise to deliver food to Britain and other countries resisting aggression.
Two immediate steps should be taken by every farmer in the interest of national defense: First: look over the farm plan sheet now in his hands and decide how he can increase his food production, and second: attend the USDA defense board meeting nearest him.
At this same meeting important changes in the 1942 AAA program, especially as regards peanuts, will be discussed with its relation to the defense effort.

Mrs. Fred Heyser and Miss Lavada Standridge, of Putnam, visited Mrs. C. R. Cook Wednesday.

Mr. and Mrs. W. B. Baldwin had as their guest the first of the week, Alton Sellers, of California. Alton left Wednesday for Stephenville, where he will visit friends and relatives.

Home Town Gossip

Home town has been busy the past few days with peannts, turkeys and sweet corn visitors Monday. They are all moving to market in the city. 1941 will likely be recalled by farmers as one of the agricultural years—from both a price standpoint—since they are high.

Mr. and Mrs. M. F. Dill, Fred, visited in the home of M. L. Shook, in Crocker Street, here Sunday.

Mr. and Mrs. Broocks, Ed and Mrs. J. L. Womack, daughter, Lyndette, were here on visitors Monday. They are all moving to market in the city.

Mr. and Mrs. M. F. Dill, Fred, visited in the home of M. L. Shook, in Crocker Street, here Sunday.

Home-coming program gets Tuesday morning at 10:30 in the high school auditorium, followed by a pep rally at 10:45. Then at two o'clock the Buffaloes collide with Santa Anna Mountaineers in the district 8-A game.

The last week's paper came off the press 56 Review subscribers that brought in their renewals for another year. Many have had enough to express appreciation of the fact that there is no advance in the price for review, whereas, most other papers have hiked their charges.

Winners included: Mrs. Worthy, most abused wife; McDermett, most hen-pecked; Hubert Kelley and Miss Green, most devoted couple; Estime, Miss Earlene Smith.

Funeral services for Mrs. Noah Johnson, 73, who died at her home in West of town early Tuesday morning after a prolonged illness conducted from the residence Wednesday afternoon at 2 o'clock. Burial was made in the plot of the Dressy cemetery beside the grave of Mr. Johnson who expired November 1, 1940.

Johnson was 73 years, four and 28 days of age at the time of her death. She was born in Victoria, Texas in 1867.

DRIVING ENERGY ABETS MIGRAINE

CHICAGO.—The "sick headache," one of mankind's commonest ills, stems from the hard-driving, perfectionist personality and can best be relieved by relaxation, according to a study of the ailment by Dr. Harold G. Wolff, a neurologist.

Writing in the Archives of Neurology, Dr. Ward said a recent investigation of patients suffering from migraine or sick headache showed that treatment through almost any form of relaxation reduced attacks from one every two weeks to as few as three or four a year.

The reason why games, short holidays, literature, music or love-making relieve sick headache, Dr. Ward said, is that migraine literally is an outgrowth of personality—the nervous, ambitious and energetic type.

He found that a number of his patients overcome their susceptibility to attacks by changing their "nose to the grindstone," bent, but that others preferred headaches to changing their ways.

In an analysis of the "perfectionist" personality subject to migraine, Dr. Ward found:

- 1.—The tendency to drive on to a goal, once one has been set. 2.—Extreme sensitivity to attacks if interfered with. 3.—Frequent studied poses with tense facial expression, furrowed forehead, quick-moving eyes and uneasy laughter. 4.—Inclination to repeat routine acts frequently to be sure they were done. A business executive was found to be extreme in this regard, performing many of his acts in three, including tying of his tie, combing his hair and turning the pages of a book.

Explaining the physiological reasons for migraine, Dr. Ward said the pressure of a driving personality tends to increase blood vessel diameter and contract muscles of the neck and scalp, affecting the arteries of the head in both cases and causing the headache.

SOLDIERS GOOD CREDIT RISKS SAYS TRAVELERS SOCIETY

The Travelers Aid Society rates those men in the Uncle Sam's uniforms as glib financial risks. Mrs. Anna Tregamba, executive secretary of the organization which helps distressed travelers, reports that of more than 100 loans made to men in the military service in the last few months, all have been paid in full.

Some even included interest, although the society doesn't ask it.

Mrs. Alton Barr had as her guest the past week end, her sister, Marie Bancum of Cross Cut.

Miss Pauline Fortme, of Abilene, is visiting friends and relatives here this week.

STATES ASKED TO REQUIRE MOTORISTS TO SURRENDER THEIR 1941 LICENSE PLATES

State motor vehicle authorities throughout the country have been requested by the Office of Price Administration and Civilian Supply to require motorists to surrender their 1941 license plates upon receipt of new 1942 tags. The announcement came with a program providing preferential allocation of minimum tonnage of sheet steel to produce next year's license plates.

Opas explained that the request was issued because of insufficient time to find substitutes for steel for license tags and because many states already have procured their steel requirements.

States are being warned that in all probability, no sheet steel will be available for the manufacture of 1943 license plates if the present emergency continues.

It is expected that the surrender of old license plates will add a sizeable tonnage of scrapped steel to national supplies.

The limited allocation program will be administered by the Office of Production Management.

AMERICAN IS BEST!

It makes an American feel warm all over to read an article like one in this Week magazine for October 19, about James Cambuzzi, who happened once to be Corporal Benito Mussolini's sergeant, but who prefers to be a good American garbage man to being a Fascist big shot in Mussolini's Italy.

Eve H. Taylor, who writes the story of James Cambuzzi, relates that during the World War, Cambuzzi went out in No Man's Land, and dragged Mussolini, seriously wounded, to safety.

Fate is such a strange thing. If Hitler had kissed a good American soldier during the World War, think how different the world would be today.

HOME IS PLACE WHERE YOU BREW YOUR OWN AND WHERE MORTGAGES STAY YOUNGER

By Henry Mount

The incipency of a home is when a young man secures a diamond at the five-and-ten counter and asks some poor, innocent young lady to back up into some harness and trudge the hard and rocky road with him to a downstairs laundry where the power comes over the wires and the water comes through some rheumatic piping.

Most mortgages are young and happy long after the home has grown long gray whiskers and is walking on crutches.

Homes are places where you can make your coffee strong enough to carry double and kick up behind, or weak enough to go to the hospital; where you can be your own biscuit burner and chief grunt and be as contented as a puppy looking for files.

Homes are the Elysian Isles where love lingers and not out on dress parade. Love is the alcohol that makes the world go round.

PORTALES FAIR HAS SYSTEM; SOUNDS NUTTY PORTALES, N. M. — At the other fair gatemen and mechanical gates are used to control the attendance, but not so in Portales—peanuts are used.

Taylor McCasland, one of Roosevelt County's biggest peanut farmers, had a system of his own to count attendance at the Roosevelt County Fair, New Mexico.

"I know how many peanuts are in the barrel and when the fair is over I'll know what the attendance was by subtracting the number in the barrel from the original number," McCasland said.

Gasoline is sufficiently powerful to propel a car 450 miles to the gallon, petroleum technologists say, if means could be devised to obtain complete efficiency of consumption.

With 14 gallons of gasoline a new model of any popular make could go 6,300 miles at 20 miles per hour on a perfectly level road provided there were no power losses, through friction, heat radiation, wind resistance and a few other factors.

Scientific progress will do much to improve operating efficiency of the motor vehicle, and also will improve the highway, it is believed, but the complete elimination of power losses cannot even be imagined at the present time—and probably not in the future.

LITTLE MARIE SMITH PAINFULLY INJURED

Little Miss Marie Smith, eight year old daughter of Mr. and Mrs. Earl Smith, who live in the North part of town, sustained a painful elbow fracture while playing on the school campus Monday.

Under the Wool products Labeling Act, which went into effect in July, all manufactured products containing wool, except rugs and upholstery fabrics, must bear a label telling what kind of fibers the product contains and how much of each kind.

Here are some suggestions she makes for judging quality in wool. First, look for a firm weave.

Second, look for some "give" or "spring" in the cloth. Woolen fabrics have a soft wavy nap over the surface, but for good wear they must have a firm weave as a foundation underneath, she says.

The specialist cautions that it does not always pay to buy the best quality woolen goods. This depends on the use to be made of the fabric.

NEWS BRIEFS OF BYGONE DAYS

Little Squibs Gleaned From Files Of Review

February 24, 1933; When three men entered the State Bank at Arp, Texas, shortly after three Saturday afternoon and commanded employees to "lift their hands", Thurman Armstrong, of this place, who is employed in the bank, dashed outside and gave the alarm. As a result of the warning one of the bandits was mortally wounded and very little money was taken.

The robbery that afternoon was the second in six months at the Arp bank.

March 21, 1933; Five knockouts featured the Cross Plains American Legion's boxing card held in the Electric Theatre building here Wednesday night. In the main bout, Billy Pancake, of Pioneer, kayoed C. T. Wickham of Oklahoma City in the first round. Wickham won favor with fans however, when he displayed sportsmanship, by returning for two more rounds after he had been knocked out giving Pancake the decision.

Other scrappers to secure decisions by the knockout route were Leonard Davidson, Bill Barton and "Cotton" Davidson.

April 7, 1933; A book 103 years old is owned by Mr. and Mrs. J. K. Gafford, of this place. The book is entitled "Conversations of the Young", and was published in 1830. The book came into the possession of Mrs. Gafford at the death of her grandfather, John W. Burns, a direct descendant of Robert Burns, the famous Scottish poet. Despite its age and time worn pages, the book is yet perfectly bound and the print is as legible as if published yesterday.

April 21, 1933; Rumors to the effect that Herbert Gary, of Cottonwood, had found \$5,000 in gold on his farm, 11 miles North of here, were unverified in a check-up made with him by the Review Tuesday afternoon.

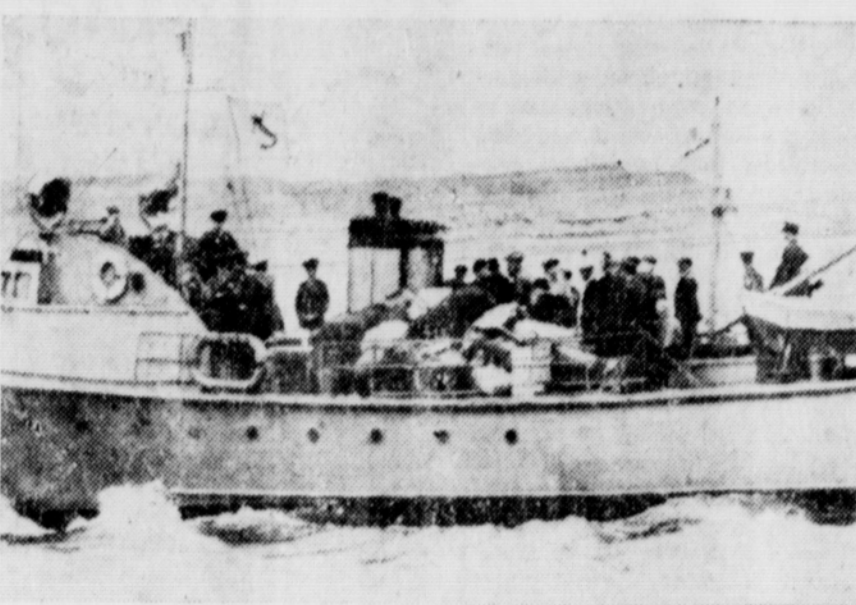

Word was received in Cross Plains Saturday that Mr. Gary, while cutting posts on his farm, had accidentally dug into a buried treasure. An investigation of the incident revealed that he actually cut the post and actually found some money—but it was less than a dollar. Funny how things get started.

May 12, 1933; Moltin Sims returned home Wednesday from the Seely Hospital, Santa Anna, where he underwent a shoulder operation to adjust broken bones sustained in a fall on a skating rink floor in Baird Friday night. His injuries were not considered dangerous at first, but when taken to a hospital, x-ray pictures revealed that a point of one of the breaks was very close to puncturing an artery. It was necessary to make incisions to set the bones correctly, attending physicians said. Mr. Sims was on the operating table more than two hours. He was convalescing normally Tuesday at noon.

May 12, 1933; Twelve boys from Cross Plains precinct have made application for entrance into the national re-forestation camps. The quota for Callahan County will permit only seven from this precinct being accepted. The boys will be called to Fort Worth for physical examination.

Those who have made application are: Lewis E. Gray, Charles R. Lovell, Sam Gray, Terrill (Pete) Robbins, J. B. Graham, Ewell C.

Nazi Spy Ship Prisoners Brought Ashore

With their duffle bags, 22 Norwegian Nazis and Gestapo agents are being taken to the immigration station in East Boston, Mass., aboard a coast guard patrol boat, after the German radio supply ship, Busko, was brought to Boston, following its seizure in Greenland waters. The Busko sought to establish a radio station in Greenland.

Marvin Dill, of Abilene, visited his parents, Mr. and Mrs. M. F. Dill Saturday night and Sunday.

Jack Martin and Miss Madeline McAnally attended the Halloween Carnival at Burkett Saturday night.

J. C. Merryman, of Oklahoma, visited his mother, Mrs. E. C. Mayes last week.

Miss Maxine Hise, student in A-C.C., spent the week end here with her parents, Mr. and Mrs. C. F. Hise.

Edwin Neeb, Jr., and Cpl. Stock, students in John Tarleton Agricultural College, were the week end guests of Mr. and Mrs. E. C. Neeb.

Raymond Strackbein, who is in the U. S. Navy and stationed at Seattle, Washington, visited Mr. and Mrs. E. A. Calhoun the first of the week.

Mr. and Mrs. Earl Smith and daughters were Coleman visitors Saturday afternoon.

Mrs. John Russell of Baird visited her son, Bill, here the past week end.

Mrs. Hiley Johnson has returned to her home in Artesia, New Mexico, after a weeks' visit with her sister, Mrs. W. J. Gray.

Vernon Mitchell of Brownwood, spent the week end here with his parents. He also visited Miss Cozette Parker, who has been very ill.

METHODIST CHURCH

C. D. WOOTEN, Pastor

Last Sunday, November second,
was the last Sunday of this confer-
ence year, and we are happy to re-
port that this has been a good year
for the Methodist church of Cross
Plains. Much progress has been
made because of the spirit of sacrifi-
cial service that has been found
this year in the splendid member-
ship that has responded in a great
way to a challenging program that
has carried us forward in the Lord's
work.

Rev. C. D. Wooten goes to Con-
ference Wednesday, October 5, in
Fort Worth, with a full report. 33
members have been received this
year, making the present member-
ship of the church 240. Some of
these are non-resident members, this
makes the total of resident members
204. Besides the paying off of the
debt and the improving the property
every item in the budget has been
paid in full as follows: Pastor's
salary \$1,200.00, District Superint-
endent \$150.00, Bishop \$17.00, Re-
tired Ministers \$90.00, World Ser-
vice \$7.00, General Administrative
fund \$9.00, Jurisdictional Confer-
ence \$2.00, Rally Day \$7.00, Race
Relation \$3.00, Golden Cross \$12-
45, Orphanage at Waco \$53.50, Com-
passion offering \$33.00, Minimum
Salary Fund \$12.00, Incidentals
\$183.00, Insurance Premiums \$29-
36, Interest on Debt \$68.00, Total

**LOCAL PEOPLE TO ATTEND
BAPTIST CONVENTION**

The Baptist State Convention
is to be held in Abilene at the 1st
Baptist Church, next week, with
Dr. Millard A. Jenkins, pastor in
charge of the visiting messengers.

Elected messengers, to attend the
convention, from the local Baptist
church, are Rev. and Mrs. C. E.
Poe, Mrs. A. J. Mathis, Mrs. C. R.
Cook, Mr. and Mrs. Henry Will-
iams, Mr. and Mrs. Jeff Clark and
Mr. and Mrs. Ray Jones.

About the things which may be
braced to dirty or worn sparkplugs
are difficult starting, high fuel
consumption, loss of power at high
speed and missing at low or idling
speed.

**GIRL FRIENDS IN CANYON
REMEMBER 142nd INF. BOYS**

The girls back home have not
forgotten the boys in Company F,
142nd Infantry — even while in
Louisiana.

A club, "From Us to You", has
been organized by soldiers mothers
and girl friends at Canyon, Texas,
to see that every soldier in the com-
pany gets a package and several
letters regularly. When they were
in Louisiana, the company received
several huge boxes marked for
Company F, "From Us to You".

The best is yet to come, say the
Canyon soldiers. The club is char-
tering a bus to visit Camp Bowie
soon. Who will ride the bus? One
chapman and thirty West Texas
State College co-eds.

**MEMPHIS SOUTHPAWS GETS
LEFTHANDED CHECKBOOK**

MEMPHIS, Tenn. — A Memphis
bank introduced lefthanded check-
books recently to its southpaw pat-
rons.

The stub is on the right side of
the check, so the harried lefthander
won't have to cross hands in order
to hold other stubs out of the way
while he fills in one.

Officials said two or three other
banks in the United States use the
lefthanded books.

About \$7,000,000,000 worth of new
life insurance is written in the United
States annually.

**CHILDREN BUY BONDS
AND SAVINGS STAMPS**

If given \$100 "all his own", one
out of every three youngsters in the
United States would invest the en-
tire amount in United States De-
fense Savings Bonds, results of a
nation-wide poll just made public
indicate.

William T. Reed, Chicago manu-
facturer, informed the Treasury
that ten thousand children between
the ages of eight and thirteen were
included in the poll conducted by
his organization with the coopera-
tion of the YMCA and other groups
sponsoring summer camps. Children
from families of all income groups
were included in the poll.

Thirty-five per cent of the boys
and twenty-eight per cent of the
girls, representing thirty-three per
cent of all children in the poll said
they would invest the \$100 in De-
fense Bonds. Forty-seven per cent
said they would put the money in
the bank, one per cent would buy
toys, seven per cent would purchase
clothing, and two per cent would
take "special lessons."

Barber Totals 54-Year Work

SAN FRANCISCO — Martin Hal-
loran, 76, just retired after 54 years
of barbering, had the fore-right to
see that tonsorial statistics might
one day have a certain value. So he
kept them. During the 54 years, he
gave 356,400 shaves and 105,600
hair cuts.

The Club will meet November 13, in the home of Mrs. Loy Hayes. All members are urged to attend", announces Mrs. L. H. Hall.

The Cr HOME - C Rev. C. D. W FEW CHANGES MADE BY METHODISTS IN CROSS PLAINS AREA Burckett Church Is Switched From Cisco District To The Brownwood District Society fifth annual session of the Central Texas Methodist Conference was brought to a close at Fort Worth Sunday afternoon with the reading of postmoral appointments for the ensuing year by Bishop Ivan Lee Holt. Relatively few changes were made in ministerial assignments, however, Bishop Holt stated that only 16 of the 250 pastors in the conference are still occupying the same pulpits they held when he was assigned to this jurisdiction four years ago. Of particular interest to the people of Cross Plains was the re-appointment of Rev. C. D. Wooten to the Cross Plains pulpit for a second year. Rev. and Mrs. Wooten and family have made many friends in and around Cross Plains, who were extremely elated with news that they would remain here another year. The board of stewards of the church had petitioned that Rev. Wooten be again assigned to the Cross Plains charge. The Burckett Methodist church was transferred from Cisco to the Brownwood district and Rev. L. M. Lawhon was returned there for his second year. May and Byrds were shifted from the Brownwood to the Cisco district and Rev. Loyd Sanders, of Winchell, was transferred to the field as pastor. Rev. J. D. Walker was assigned to the pastorate of the Cross-Cut Methodist church, in the Brownwood district. To the Pioneer circuit from Hockley goes Rev. W. C. Ferguson. Rev. Milton Stayden was returned to Cottonwood and Putnam for the second year. Rev. C. M. Buttrill, of Weatherford, was shifted to the Rising Star pastorate succeeding Rev. J. O. Whittaker, who was transferred to Grapevine. Rev. H. J. Sanders was returned to Scranton for the second year. District officials are to be: District Missionary Secretary, F. L. Willshire; District Director Evangelism, R. A. Langston, district superintendent. Leo Renfro returned Wednesday from Zephyr, where he visited friends and relatives. Mr. and Mrs. J. C. Champion, of Lawn, visited Mr. and Mrs. T. Y. Woody Sunday. Mention Review
