REGISTRATION FOR FALL Vernon STER 1943-44 SEPTEMBER 14 AND 15th

Daniel Baker College BROWNWOOD, TEXAS

Summer School Opens May 27th

Anyone interested in work of Junior or Senior rank should take advantage of our coming Summer session. We are offering our usual wide range of work leading to the Bachelor of Arts and Bachelor of Science in Education degrees.

Because of war conditions, beginning with the Fall Semester, 1943, Daniel Baker College will offer for the duration accredited courses of Freshman and Sophomore rank only.

We especially invite High School Graduates to begin college work this summer. Many Civil Service positions, with salaries ranging from \$1,600.00 to \$2,300.00 per year, are open to men and women having one year of college work including one year in certain specialized courses. Daniel Baker College is arranging its curriculum so that this year's work may be done during the summer term of 1943 and the Fall Semester of 1943-44.

The specialized courses: Mathematics, Physics, Geology, Chemistry may be done either during the summer session or the Fall Semester.

All work offered in Daniel Baker College is now and will continue to be fuly accredited by the Texas Association of Colleges and the Texas State Department of Education.
