CITY TO TAKE HOLIDAY 11TH

Faculty Resignations Give Board Extra Work

4 TEACHERS LEAVE LOCAL SCHOOL FOR LUCRATIVE PLACES

Vacancies Being Filled As Rapidly As Possible And No Interruption Expected

Cross Plains schools suffered another epidemic of teacher resignations this week as one teacher left Monday morning, another Wednesday and two others tendered their resignations to take effect as soon as possible. Replacements are being made rapidly, however, and superintendent Leo Varner anticipates no interruption in classes.

Betty Sue Pitts, teacher of Speech and high school English, left first of the week for Big Spring where she assumed a place in Christian Educational work.

Then Monday morning Mr. and Mrs. Socrates Walker tendered their resignations to accept positions in the Haskell school system. Mr. Walker taught history and coached athletics here and Mrs. Walker was instructor of home making. Mr. Walker left for Haskell Wednesday morning and Mrs. Walker is to take over her duties there Monday morning.

Still another resignation on the local faculty was that of Miss Geneva Sims who has asked to be released to go to North Park school in the Abilene system. Miss Sims has been teaching junior and senior English.

To fill the vacancy of Miss Pitts the local board will shift Miss Jean Cash to high school work taking over the classes formerly taught by Miss Pitts. Mrs. Leo Varner will take over classes formerly taught by Miss Cash.

Miss Hallie Peters, of Olden, has been elected to replace Mrs. Socrates Walker as home making teacher. Miss Peters is a teacher with six years of experience in the instruction of home making. She has a double major in the work and holds a Smith-Hughes certificate.

Until a teacher is chosen to replace Mr. Walker, Jack Scott, local newspaperman, will continue his classes in high school history, teaching until 2:30 each afternoon.

Still no teacher has been chosen to replace Miss Sims, who is going to the Abilene school system. Trustees expect, however, to be able to fill the vacancy within the near future.

Luncheon Club To Entertain Ladies With Supper Soon

A committee was named Tuesday at the regular bi-weekly meeting of the Chamber of Commerce Luncheon Club to arrange for a ladies night observance some time within the near future. The committee is to make plans and submit them at the next meeting of the group in the basement of the Baptist church November 17.

The club also took under advisement the matter of lighting the streets of Cross Plains during the Christmas holidays, as has been the custom here for a number of years. M. E. Howell, George R. Neel and W. D. Smith were appointed to discuss the matter with businessmen and learn whether or not the lighting program would be followed again this year.

PIONEER SCHOOL WILL RE-OPEN MONDAY MORN

After a two weeks recess to permit students to help harvest pumpkins, Pioneer school is to re-open Monday morning. Classes will be resumed promptly at nine o'clock and buses will observe the usual schedules.

Army Sergeant

JACK ASHLEY

Pictured above Sergeant Bernie (Jack) Ashley, formerly of Cross Plains, who is stationed at Fort Sam Houston. He is the son of Charley Ashley, who lives near Dudley. He is the nephew of Tom Ashley and Mrs. Ben Odum of Cross Plains.

Coleman Man And Former Local Girl Wed Saturday Night

Miss Helen McKinney, daughter of Mr. and Mrs. C. R. McKinney, of Echo, formerly of this city, became the bride of Clifton Rider, of Coleman, Saturday evening, October 31, in a double ring ceremony. Rev. A. S. Gafford, pastor of the First Methodist Church in Coleman performed the ceremony.

Their only attendants were Mr. and Mrs. Owen Holder, of Coleman. The bride is a graduate of Burkett high school, however, she attended high school in Cross Plains previous to her graduation at Burkett.

The groom is a son of Mr. and Mrs. Henry Rider, of Burkett. He attended high school at Williams. The couple are making their home in Coleman, where he is employed.

Report False That Robert C. Livrett Missing In Action

A report which has been circulating here the past few days to the effect that Robert Curry Livrett, seaman second class and son of Mr. and Mrs. R. S. Livrett of Cross Plains, had been reported missing in action is unfounded. The Review learned in a check-up Wednesday.

It is possible that the report of a ship sinking, the name of which corresponded with the S. S. Portland on which the local youth is stationed, may have given rise to the rumor. Mr. and Mrs. Livrett say that they heard from their son last month and that he was in fine health and happy.

It is pointed out that if the report of Robert Curry had been true his parents would have been the first to be advised, and since they have received no such information their son is believed to be quite all right.

JACK WOOD NOW IN IOWA STATE COLLEGE

Jack Wood, who has been stationed at Great Lakes Naval Training Station in Illinois, was recently transferred to Iowa State College, where he is taking a course in electrical engineering.

Jack is the son of Mr. and Mrs. J. E. Wood, of Odessa, and is a grandson of Mr. and Mrs. Daniel S. Greene of Cross Plains.

Mrs. Travis Foster has returned to her home here from San Angelo.

Bullock Winner In State Senate Race

With the bulk of the votes counted in the special election to choose a State Senator from the 24th district to succeed John Lee Smith, who is to become Lieutenant-Governor, indications Thursday morning were that Pat Bullock, of Snyder, a member of the Texas lower house, would be the eventual victor.

Bullock was being closely pushed, however, by Frank S. Roberts, of Breckenridge, who at the last counting was less than 500 votes behind. Running a strong third was Howard C. Davison, of Rotan and one of three candidates in the race from Fisher county.

Fourth place in the race was being contested by Cleve Callaway, of Cross Plains, who carried Callahan county decisively, and Charlie A. Jones, Fisher county farmer and widely known political and lawyer.

Cecil A. Lotief, also from Rotan, trailed Callaway and Jones.

Early returns indicated that Bullock was carrying four counties, some by scant margins. They were: Jones, Mitchell, Scurry and Shackelford. Roberts was likewise the headman in four counties: Eastland, Haskell, Shackelford and Throckmorton. Davison was carrying three counties: Fisher, Nolan and Taylor. Callaway had Callahan county cinched, whereas Jones and Lotief were leading in none of the 12 counties.

More Data On Gasoline Rationing Released By Callahan County Board

Application forms on which passenger car owners may register under the mileage rationing program have now been received for Callahan County.

Beginning November 6, or after, automobile owners may obtain these forms from Baird office or at tire inspection stations and authorized garages and filling stations. The forms will be available at tire inspection stations in Clyde, Cross Plains, Putnam, Oplin, Denton, Enla and Cottonwood.

In order to obtain gasoline rations for a passenger car or motorcycle not classed as a commercial vehicle, each applicant should obtain one of these blanks. Form R-534 for the "A" or "D" ration books, with the tire inspection record attached.

It is necessary for each motorist to execute this application and the inspection record, and particularly the applicant should fill in the serial numbers of the five passenger tires he wants to keep. This is the application form which the motorist must take to the registrar at the school house nearest his home on November 12, 13, or 14.

The motorist should sell all more than five passenger tires to the Government through the nearest Railway Express Agency office.

If any applicant has more than five passenger tires for his car, gasoline rations will have to be deeded. On the three days an applicant should present the executed form to a registrar who will determine that it is properly executed. The passenger car owner whose form is properly filled out will receive the basic "A" book and the motorcycle a "D" book. Under the mileage rationing plan each passenger car owner who receives the basic "A" book can count on a maximum mileage of 240 miles per month or 2,880 miles per year.

Supplemental or necessary additional gasoline rations may be allotted by the Board for certain purposes, upon proof of need. Should an applicant believe he is entitled to more than the basic "A" book, he should ask the registrar at the time he receives his basic "A" book for the supplemental ration application form, but this should not be executed at the school house. This supplemental application must be mailed or delivered to the local board.

After this program goes into effect on November 22, we will be rationing tires and gasoline as a unit of mileage, and for that reason the Board will have to determine the applicant's necessary or essential mileage and the kind of a tire to meet his essential needs as set forth in the regulations.

It was expected Thursday morning that several days would elapse before the final tabulation of votes would be available, however, the trend was believed to be definitely established in most all counties with a decisive change of the final result very unlikely.

I DON'T INTEND TO QUIT BUSINESS SAYS M. E. (HAPPY) HOWELL

Rumors to the effect that he is planning to close his business in Cross Plains were emphatically denied yesterday by M. E. (Happy) Howell, owner and proprietor of the Red and White Grocery, who explained that he had been asked "if he intended to quit business" no less than 20 times in the past week.

"I simply make this statement in order that our friends and customers may know that we will still be doing business at the same old stand the next time they come to town."

Col. Lillian Russell and the other beauty boosters aren't likely to run out of raw material.

Sweet potatoes will furnish 50 per cent of the sweetening in a soon-to-be marketed candy.

Sometimes the self-made man does not show it, which is among his greatest triumphs.

N. Y. Yarbrough

CHIEF PETTY OFFICER

Pictured above is Chief Petty Officer N. A. Yarbrough, who is now in foreign service with the "Sea Bees". Mr. Yarbrough is doing rigging work in naval construction. He sailed from this country in September. He is the husband of the former Miss Ola McElroy, daughter of Mr. and Mrs. J. H. McElroy, of Cottonwood. Mrs. Yarbrough and little girl, Glenda Sue, are staying in Cross Plains and Cottonwood, during Mr. Yarbrough's absence.

Local Couple Have 3 Sons And Son-In-Law In Service Now

Mr. and Mrs. George R. Neel, of Cross Plains, now have three sons and a son-in-law under the nation's colors. All have been volunteers.

Harlin B. Neel, former local dry goods man, was the first of the Neel boys to enlist. He is now a mechanical technician in the ground corps of the U. S. army air forces.

R. W. (Dub) Neel, youngest of the Neel boys, is a Hospital Attendant second class and is stationed with the American fleet somewhere below the equator and across the international dateline, presumably in the vicinity of the Solomon Islands.

Kernell Neel, eldest son of the popular Cross Plains couple, recently enlisted in the navy and is now undergoing training. Until his enlistment he was auditor for the Higginbotham store in DeLeon, a position which he had held for about 10 years.

Donald M. Weaver, husband of the former Miss Bobbie Neel Neel, is an aviation cadet, now in training to become a pilot in the United States army.

FORMER LOCAL MAN REPORTS FOR ARMY IN MINERAL WELLS

Jess Parker, former resident of Cross Plains, reported for induction into the United States Army Wednesday afternoon, November fourth, at Mineral Wells.

For the past several months, Mr. Parker has been employed in O'Donnell. He visited friends in Cross Plains last week.

DON R. HELBERG IS AIR CORPS TECHNICIAN

Don R. Helberg enlisted in the mechanical division of the United States Army Air Forces Thursday afternoon, October 29, in Coleman.

MOST STORES TO BE CLOSED ALL DAY IN NOTING ARMISTICE

School Plans Full Holiday In Memory Of The End Of World War Number 1

Celebrating Armistice Day which brought to a conclusion World War number one 24 years ago, nearly all Cross Plains business concerns will close their doors for business Tuesday of next week, November 11. A petition was circulated this week and names of the firms agreeing to observe the holiday are listed further down in this article.

Cross Plains school will likewise celebrate the day with a full holiday. It has been announced by Superintendent Leo Varner.

The following respective places of business on Wednesday, November 11, in observance of Armistice Day: Higginbotham Brothers & Company, Piggly Wiggly, Mac's Variety, Cotton's Variety, Red and White Store, Foster Grocery, Calhoun Motor Company, Review Publishing Company, Citizens State Bank, Cross Plains High School, Autrey Tailor Shop, Cook Insurance Agency, J. Henry McGowan, New and Second Hand Store, S. C. Barr Insurance Agency, Cross Plains Hardware Company, Bond Brothers, West Texas Utilities Company, Marinello Beauty Shop, Butler and Son Grocery, City Office, S. C. Sipes, C. D. Westerman, E. C. Neeb, W. B. Baldwin Lumber, Rosies Beauty Shop, Coley Cleaners, Marie Sharrock Beauty Shop, W. L. Bryan, W. H. McMillan, Ideal Barber Shop, D. C. Lee, J. D. Conlee, Jr., Billingsly Shop, W. B. Williams Planning Mill, W. C. Freeman, D. O. Gautney, Red-Top Station, A. F. Harris, Elliott's Bakery, Blue Front Station, Sims Grocery and Market, Texas Milling Company, L. G. Jennings, G. M. Richardson, Monsey and Son, Dillard Brothers, J. C. Huntington, Ponia Worthy Station, Jinnie Baum and A. D. Smith Grocery.

Registration for gasoline rationing will get underway in Cross Plains November 12 and continue through the fourteenth, however, automobile owners are going to be asked to register the first day in so far as is conveniently possible.

The registration will be handled by faculty members at the local school, and since no recess from regular school work is being planned it is being hoped that registrants will try to present themselves the first day between the hours of nine and four p.m. It is pointed out that Porter J. Davis, a member of the county ration board, and Broocke K. Eubank, member of the special gasoline ration board, will be at the school building during these hours of the first day to assist and provide information on complicated points.

Auto owners will first go to a tire inspection place, which is most every service station, and get their blanks, have tires checked and the serial numbers written on the blanks. When this has been done they will proceed to the school building for completion of the registration process.

BYRON McANALLY IN U. S. ARMY AIR CORPS

Byron Jesse McAnally, who lives South of Cross Plains, enlisted in the specialists corps of the United States Army Air Forces last Wednesday, October 28, in Coleman.

Byron will be a mechanic in the air corps and will possibly receive training in San Angelo.

R. G. Milburn, who was recently inducted into the army, is now stationed at Camp Bowie.

Home Town Gossip

of funny things happened recent scrap metal drive among the school students here, might be expected in a campaign like this. The valuable items were picked up and carried off to the scrap pile. Weapons of war, S. F. gas canisters, some boxes and a pin-bar to walk down a bunch of junk from the second floor of the office building and laying it on the curb began loading. Mr. Bond's pin-bar was near-by and pitched in the rest. Before he could get out doors the bar was gone and scrap heap and by now is rolled into bullets to blast.

the fact that he lost the needed pin-bar, Mr. Bond tickled about the incident and much praise to offer for enthusiasm manifested by the school.

with a spirit can't be beat and another reason why America is declared.

from Harvey also missed a few from his warehouse after the but he too, took it good naturedly and confessed that he should never be so careless in layings around.

W. J. Gray, whose voice has been missing at the local office the past couple of weeks while she's visiting her son in California, sends this poem, which we think mighty good.

He called up the devil his telephone one day the girl at central listened all they had to say.

His Hitler speaking, old man Satan home? Tell him his Der Fuehrer he wants him of the phone the Devil, "Howdy, Adolph" tell Hitler "How are You?"

NEW BUYING RULES FOR '42 MODEL CARS

Under a change in rationing regulations, new automobile purchase certificates will not be granted hereafter to applicants who have disposed of cars adequate for their needs since January 1 of this year.

Jimmie Lankford, chairman of the Coleman County war price rationing board, announced recently.

"The test of the adequacy of such a car will be the same as it would be if the car were now owned by the applicant," Mr. Lankford emphasized.

Mr. Lankford also directed special attention to provisions of this amendment which change the conditions under which men in the armed forces may dispose of automobiles.

"Hereafter, unrestricted sale of a new car by an inductee into the armed forces will be permitted only when it becomes certain that the seller actually will enter the service," he said.

"Previously, an inductee with a 1942 model car could sell it, even to a buyer who could not qualify for a certificate under the rationing regulations, as soon as the seller received notice to report for induction.

If the seller was rejected on final physical examination but meanwhile had sold his car, he would have done so under a provision of the regulation that was intended only for those who actually go into the service."

This has now been changed, he explained, because of the greater number of rejections on physical examination at the induction point.

Another change, also, is that hereafter, members of the armed forces who acquire new automobiles after entering the service will be permitted to sell them thereafter only to certificate holders or to members of their own families.

TONY, TOM MIX'S HORSE GOES TO THE GLUE WORKS

A generation of men lost a childhood hero recently when one of filmland's most famous "actors" met death.

He is Tony, the late Tom Mix's horse, who partnered with his cowboy master in many films. Forty years old, lame and nearly blind, he was destroyed recently by a veterinarian.

NEWS from FOOD FOR VICTORY YOUR COUNTY HOME DEMONSTRATION AGENT TEXAS EXTENSION SERVICE

The week of November 7-14 has been set aside as National 4-H Achievement Week.

High point of the week nationally will be the coast-to-coast broadcast by the Secretary of Agriculture, Claude R. Wickard, on the National Farm and Home Hour, November 7.

This will be broadcast from Washington beginning at 11:30 A.M. Central War Time. Texas stations scheduled to broadcast the program are KXYZ, Houston and WACO, Waco.

On that same day Miss Omaha Jacks and L. L. Johnson, state girls' and boys' club agents respectively, will broadcast on the Texas Farm and Home program at 6:00 A.M. from Stations WBAP, WOAI, and KPRC.

4-H Club girls of Callahan County will lay the results of their work on the line for inspection along with 38,000 other Texas girls during National 4-H Achievement Week, November 7-14.

Their work has followed the aims of their Victory Demonstrator's pledge. The major efforts of the girls has been production and conservation of food, collecting scrap metals, rubber, and paper, buying war stamps and bonds, and performing extra labor on the farm to help relieve the labor shortage.

Texas 4-H girls earned a total of 1,782,850 quarts of food through September. More than 24,000 club members did field work through the year. They drove tractors, plowed and planted with teams, hauled cotton, grain, fruit, vegetables and other crops to market. Nearly 5000 cared for and repaired farm machinery.

In scrap collecting Texas club girls turned in 7,913,274 pounds of metal; 1,89,612 pounds of paper, burlap and rags; 1,636,580 pounds of rubber, and bought \$197,193 worth of stamps and bonds. About

4,500 took first aid and home nursing courses, and more than 13,000 are cooperating in some type of war or defense work.

4-H boys and girls are congratulated by Claude R. Wickard, Secretary of the Department of Agriculture, in the letter received by county agents Marjorie Brown and J. C. Shockey. The letter addressed to the boys and girls follows:

To The 4-H Club Members Of The United States

I want to congratulate you—one million five hundred thousand 4-H Club members—on your contributions during 1942 to the farm and home front and to the nation's war effort.

In a time of stress, you have helped substantially in enlarging the Nation's food and fiber supply, and in storing and preserving food. You have gathered thousands of tons of scrap metal, rubber, paper, and aluminum and turned them over to the Nation.

You have aided in rural fire control programs and helped to spread through rural areas the national nutritional program for the use of right foods and development of better health. Moreover, your work has helped make up for the loss of those who have left farms for the Army and Navy, and for war industries in cities.

All these contributions lead us to expect still larger things from you in 1943, not only in the production of food fiber, but especially in, helping to replace the manpower on the farms. More than ever before, the Nation needs the help of every one of you. I know that you are inspired by patriotism and have a deep faith in our Nation. I know that this Nation can depend on you to redouble your war efforts. You can do your part by producing and conserving food; taking part in salvage campaigns; helping on the farm and in the home; keeping well and strong; continuing your edu-

BAPTIST CHURCH NEWS

Next Sunday night the training Union will meet at 6:45 and will finish the program at 7:45. Church services will be in worship with the Presbyterian church. All Baptists are requested to attend and hear the new minister.

Trusting that we have a large attendance in Sunday School, preaching service at 11:00 A.M. and training union in the evening hour.

Cordially, C. E. POE, Pastor

COLLEGE STUDENTS HONOR LOCAL GIRL

Miss Madeline McAnally, of Cross Plains, a student in John Tarleton Agricultural College at Stephenville, has recently been signally honored. She has been appointed battalion sponsor for the second battalion of the J.T.A.C. cadet corps.

Madeline also enjoys the distinction of having been an honor student at the Stephenville College ever since enrolling. She is a graduate of Cross Plains high school.

and studying the meaning and significance of democracy; and purchasing war stamps and bonds.

In all this work, we want you to know that you are a definite part of your Government's organization for helping to win the war and establish a lasting peace.

Sincerely, CLAUDE R. WICKARD

IRON - IRON That's The Answer

Uncle Sam has informed Scrap Iron Dealers that complacency shown by holders of scrap iron in getting it moving to war production factories is no longer a matter to be taken lightly! The time has come when the matter of patriotism is connected with the matter of selling iron, because the one burning point is: We can never hope to match the Axis in needed war equipment until every available pound of waste material is rounded up and loaded into a car bound for a war material factory!

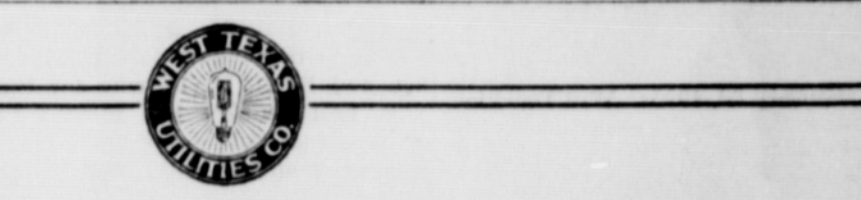

AND LOADING IS GOING ON CONTINUOUSLY IN CROSS PLAINS! SELL YOUR IRON TODAY!

NATIONAL DEFENSE Comes First!

This is a war of production... a war that will be won on the assembly lines! Our job is to keep our boys BETTER equipped and BETTER supplied than the enemy forces. Did the boys at Bataan and Corrigidor fail because they had no ability... no courage? Certainly not! They failed because they lacked the proper equipment! This MUST NOT happen again! Our factories are geared for maximum production... they cannot operate without our support. That's why it's so necessary to buy more and more bonds. Victory depends on each one of us!

Citizens State Bank

NO USE, ADOLF- You Can't Shut Out That Hum! Adolf: Dot humming—vot iss it? Reddy: That, Adolf, is the hum of power by which you will meet your doom. Power in the air... power afoot, on tap to build more planes, more tanks, more guns, more ships. It's the hum of American men and machines at work—twenty-four hours a day! Adolf: Ah, but I haff power, too! Reddy: Listen, Adolf! America has more power than you and all your stooges and conquered countries put together. Free men and women are using that power, turning out weapons of war in thundering quantities, because they want to stay free. Adolf: Yes, but I haff men and women working for me, too.

Reddy: Slaves, Adolf. They toil with bayonets at their back. They have no spirit for the work. They are slowed down by hunger. The machines they work are worn by years of war. Manpower can never do the work of electric power!

Adolf: Sure, but I got the jump on you! I command everything—

Reddy: That's where we differ, Adolf. Your system is based on state slavery and political control and operation of all natural resources, industry, religion and education. In West Texas... and in all America... we respect the rights of the individual and the institutions he has created. Over here, we believe in free enterprise under government regulation... a system under which men and women know they'll be rewarded for initiative, ambition and production.

It's a powerful incentive, Adolf, and it's helped make America power-full. Consider electricity, for example. It's helped give West Texas homes about twice or three times as much electric service for their money as they used to get ten or fifteen years ago.

American business management is behind that hum you hear, Adolf, and its success depends on giving more for less cost. It's a hum that will beat upon you until freedom is restored to the earth. It's the hum of fate, Adolf!

West Texas Utilities Company INVEST IN AMERICA! Buy War Bonds and Stamps!

NEWS BRIEFS OF BYGONE DAYS

Little Squibs Gleaned From Files Of Review

January 8, 1915: Mr. Bert Brown and Miss Clara Mountain, both of Burkett, were married at Cross Plains Tuesday. Rev. Ussery officiated. This young couple has been reared at Burkett, where they have many friends who wish them much happiness in their married life. The groom is the none other than "Rambler" and on this account the Review wishes him and his young bride life's best blessings.

January 15, 1915: January second the Bank of Cottonwood was reorganized, some of the old stockholders selling out and new people buying in. Paul Ramsey, the former cashier has moved to Tulla. As it now stands the stockholders and officers are as follows: W. A. Everett, President; George Coats, First Vice-president; Jim Coffey, Second Vice-president; W. Homer Shanks, cashier; W. P. Wilcoxon, I. C. Thompson, J. W. Scott; W. S. Hinds, Bob Norrell, R. L. Russell, Paul Ramsey, and perhaps others whose names could not be recalled.

January 15, 1915: There are several changes being made at the local telephone office. C. L. Stallings, local manager, will quit work on the first, his place being taken by W. R. Wagner. Mrs. Carrie Smith, operator, will quit. Misses Ellen, of Rising Star, and Iva Long, of Goldthwaite, to be the new operators. Mr. Stallings will move to a farm between Baird and Clyde. Mr. and Mrs. Smith will remain in town. Mr. Stallings has made an efficient manager and Mrs. Smith an efficient operator.

January 29, 1915: Will Dawkins, of the Cedar Grove country, was in town Friday. He says that his father was the first man to come to the county who depended on farming alone for a livelihood, he coming to the Adair country in 1876. He says also that he himself was the first native born American in the county, he being 39 years old. He is now farming near the Cedar Grove school house, the house being on his land. He taught school for several years in this county. He is now a member of the county board of trustees.

March 19, 1915: Mr. John Ford and Miss Reatha, daughter of Mr. and Mrs. C. E. Beiler, were married Sunday afternoon, with Justice Smith performing the ceremony. The Review wishes them much happiness.

August 6, 1915: A. M. Curry, of Pioneer, has had Wilbur Williams to build a combination bath tub and room, according to a model Mr. Curry furnished. Mr. Curry last January patented the idea and is now preparing to build bath tubs for the market. The bath room is portable, about four feet square and six feet high, and is supported by rollers, enabling one to move it anywhere in the house. The tub proper is attached to a door which when closed hides the tub, but opened and let down to the floor, it supports the tub which is then in a horizontal position ready for the water. A patent framework opens up and encircles the tub with a curtain, thus giving the privacy of the regular bath room. The water can be put in the tub either by a hydrant or by carrying it, and is let out of the house by a 15 foot hose. This combination should work well and if it is a success, it should be the

means of putting bathing facilities in a good many homes.

October 22, 1915: A Confederate camp was organized here Monday with D. M. Rumph as commander, James Hembree lieutenant, E. F. Bood adjutant and J. A. Wagner color bearer. The camp will meet every Trades Day at 2 p.m. There were sixteen present and five others authorized their names to be recorded as members: The members are as follows: J. L. Allen, Burkett; W. T. Daniels, J. T. Bespess, James Hembree, J. S. Ray and T. J. Norrell of Cottonwood; W. J. Morgan and J. J. Williams of Sabana; J. T. Wyatt, J. A. Wagner, William Matthews, H. L. McDaniel, J. A. Pyle, A. W. Booth, A. M. Martin, E. F. Bond, M. D. Rumph, J. M. Coffman, I. P. Scarborough, Bill King and J. L. Robbins, of Cross Plains.

December 14, 1915: Harp Coppinger and Miss Mary Varner both of Cottonwood, were married at Putnam Sunday. The particulars of the ceremony we are unable to give. The groom is the son of Mr. and Mrs. Coppinger, well known Cottonwood couple and the bride is the daughter of Mr. and Mrs. John Varner, old-time and favorably known couple of the Cottonwood community. They are at present living at Cottonwood, but will as soon as they can get possession move to the Reeder farm just Southeast of town. The Review offers its best congratulations.

March 3, 1916: Mrs. Mary Clark, mother-in-law of J. W. Golsen and E. H. Boyle, who for the past half century has resided in Brown and Coleman counties, except the last few years, last Saturday met her sister, Mrs. Nancy Armstrong, life-long resident of Tarrant county, for the first time in thirty-nine years.

The meeting occurred at the home of J. W. Golsen. Mrs. Clark is mother of nine children and Mrs. Armstrong is the mother of eleven children.

November 20, 1917: Tuesday afternoon a small dog bit little Virginia Anderson, daughter of Mr. and Mrs. Tom Anderson, two or three times, and after leaving the Anderson home was seen to bite a number of dogs before he was killed. Mr. Anderson has sent the dog's head to Pastner Institute for examination and if it develops that the dog had hydrophobia he can then send the child to Austin for the Pastner treatment. It is to be sincerely hoped that the dog was not diseased. At the same time, all dogs that are under suspicion of having come in contact with this dog should be closely watched, or better, be killed.

March 23, 1917: Claude Montgomery and Miss Helen Gilmore, of Waco, were married at Moody the home of Claude, and the former home of the bride, on Friday, March 9. They have been spending their honeymoon in New Orleans and Houston, arriving here Saturday for a visit with Claude's parents, Mr. and Mrs. Davis Montgomery.

The groom is well known in the Cross Plains community, having been reared North of town, and has a host of friends who wish him and his bride a life of happiness.

The couple plan to make their home in Moody, where Claude is agent for a railroad company.

MRS. JOE BAUM HOME FROM NEW MEXICO AND VISIT WITH TWO SONS

Mrs. Joe Baum has returned to her home four miles West of Cross Plains from a trip to New Mexico, where she visited in the homes of two of her sons and their families.

She arrived in Oil Center, New Mexico, at the home of Mr. and Mrs. Scott (Budge) Baum to be present for the arrival of a nine pound baby girl. The child was named Judy Ann, and Mrs. Baum reports both mother and baby were doing splendidly when she left.

Mrs. Baum also visited in Jal, New Mexico, in the home of her youngest son J. Browne Baum and family.

Both Scott and Browne are employed by the Continental Oil Company and hold responsible places of trust. They are planning to spend Christmas in Cross Plains if rationing does not prevent their making the trip.

Leonard and Benj Pillars, who are employed in San Antonio, spent the week end visiting their family at Atwell and with friends in Cross Plains.

Personals

Mr. and Mrs. Hadden Payne and Mr. and Mrs. Tommy Harris were business visitors in Dallas Friday.

Mrs. L. D. Long and Mary L. McLeod left Monday morning for Putnam where they are to make their home for several months.

Calvin Long, who is stationed at Camp Hood at Killeen, spent the week end with his mother and relatives in Cross Plains. Calvin is now a corporal in a tank destroyer division.

The swell shark found off the California coast, when captured has the habit of distending its stomach with air so that it can float upward on the surface of the water.

About all that tooting your own horn does is to make people keep dodging out of your way.

Mr. and Mrs. Owen Renfro, of Abilene, spent the week end in Cross Plains with friends and relatives. Mr. Renfro is employed by an automobile concern in Abilene and Mrs. Renfro by a garment manufacturing establishment.

Mr. and Mrs. Stanley D. Clark, of Lancaster, were guests in the home of his father, Jeff Clark and family here first of the week. Stanley has enlisted in the Sea Bees as a store-keeper and expects to be called into service within the near future.

Mrs. L. F. Foster and George B. Scott returned Saturday night from a week's trip to South Texas points. They attended the annual convention of the Eastern Star lodge in Houston. Other points visited on the trip included Galveston, San Antonio and Austin.

Mrs. Cora Anderson has as her guest here at present her little grandson.

Mr. and Mrs. Hulian Barr were business visitors in Dallas week end.

All America Knows Budweiser... but Few Know This

FROM GLACIERS TO GLIDERS

Thousands of retailers of ice cream and frozen foods are using equipment made by our Refrigeration Division—a manufacturing activity which was developed from our years of experience in making ice in glacier-like quantities needed for the brewing of Budweiser.

This equipment is helping to keep America's foods fresher and more nutritious. Today, however, orders for ice cream and food cabinets will have to wait, for this Division is working all-out on glider wing and fuselage assemblies for our Army Air Forces.

Year after year, we have striven with research and resources to better the methods and facilities for brewing Budweiser. To do this, a laboratory specializing in fermentation and nutrition was necessary. Discoveries made in the laboratory and in the progress. Some of these products would appear to have only a remote relationship to brewing, yet, they are the result of scientific research into many allied fields.

Endless research in making the world's leading beer has led to other products

VITAMINS, B COMPLEX—Our plant is one of the world's largest sources for manufacturers of pharmaceutical and food products.

VITAMIN D—Anheuser-Busch produces enough of the basic material for Vitamin D to supply the entire American market.

BAKER'S YEAST—We are one of America's biggest suppliers of standard and enriched yeasts and malt syrup used to make bread.

CORN SYRUP—many millions of pounds annually for America's candy industry.

SYRUPS—for food, table and confectionery uses and special syrups for medicinal purposes.

STARCH—for food, textile, paper and other industries—millions of pounds annually.

VITAMINS FOR LIVESTOCK—We are America's biggest supplier of yeast vitamins used to fortify animal feeds.

DIESEL ENGINES—Adolphus Busch, founder of Anheuser-Busch, acquired the first rights to manufacture this revolutionary engine in America and thus started our great Diesel industry on its way.

Budweiser

How Cross Plains Voted In General Election Tuesday

Only 185 votes were polled in the general election in Cross Plains Tuesday, the Review learned in a check-up with Hulan Barr, presiding judge.

In the special balloting to determine a successor in the State Senate for John Lee Smith, Lieutenant-Governor Elect, Cleve Callaway, of Cross Plains, led the ticket with 136 votes. Frank S. Roberts, of Breckenridge, was second with Cross Plains voters, polling 16. Others in the order of their support here were: Howard C. Davidson 10, Charlie A. Jones 9, Pat Bullock 8, and Cecil A. Lotief 5.

Only one of the five proposed amendments to the state constitution was favored by Cross Plains voters. It was the first on the list, the amendment which would place the state on a cash basis. The vote on the amendments was as follows: number one, 53 for and 38 against; number two, 32 for and 63 against; number three, 28 for and 67 against; number four, 29 for and 65 against; number five, 31 for and 63 against.

167 of the voters polled a straight Democratic ticket, 3 voted straight Republican and 15 split their ballots with choices from one party or another. The People's Unity Party ticket and the independent candidates went begging in Cross Plains.

CARD OF THANKS

We wish to thank friends and neighbors for the innumerable kindnesses shown us following the loss by fire of our household and laundry effects. Words fail utterly to convey the gratitude that is on our hearts.

Jim Jones and Family

Mrs. W. J. Gray, who has been visiting her son Billy, who is stationed in California, is expected to return to her home in Cross Plains next week. During her absence the local telephone office is being handled very commendably by her youngest daughter, Miss Verda Gray.

PERSONALS

Mrs. Don Helberg and sons visited relatives in Burkett Tuesday.

Benton Jones was a business visitor in Baird Tuesday afternoon.

Mrs. John Westerman had as her guest last week, Mrs. F. M. Gwin, of Fairfield, Ohio.

Mrs. F. M. Gwin and Mrs. John Westerman visited relatives and friends in Woodboro last week.

Miss Katherine Anderson visited friends in Brownwood Tuesday afternoon.

Junior Weeks, of Baird, is visiting in the home of Mr. and Mrs. Dave Hargrove this week.

Mr. and Mrs. Garrett Fomby, of Brownwood, visited relatives and friends here last week end.

Mr. and Mrs. Don Helberg and sons, of Cisco, visited relatives here the latter part of last week.

Mrs. Wayne Gilliam and Mrs. Mammie Swafford visited Mrs. Don Helberg in Cisco Friday night.

Orville McNeiss and Jack Higgins, of Cisco, visited friends in Cross Plains Monday evening.

Harold Browning and Tom Arrowood of Brownwood, spent the week end in Cross Plains visiting relatives and friends.

Mr. and Mrs. W. J. Cross and daughter, Billie Jean, visited Mr. and Mrs. Frank Cross in Brownwood Sunday.

Armond Mitchell, who is in the Navy and was formerly stationed at Great Lakes, Illinois, is now stationed in San Francisco, Calif.

Mrs. Walton Wagner is visiting in the home of her daughter, Mrs.

H. D. CLUB MEETS IN HOME OF MRS. LUKE WESTERMAN THURSDAY

Cross Plains home demonstration club met Thursday afternoon, October 23, in the home of Mrs. L. W. Westerman. The county agent, Miss Marjorie Brown, gave a very interesting demonstration on the care and cultivation of roses, also how to cut them out and how to plant cuttings. She explained ways and means of fighting the various diseases that are common to roses.

The club ladies discussed old and new business, also heard a council report. It is pointed out that the club now has thread on hand for the knitting of sweaters for members of the armed forces. The thread is to be distributed among the ladies and it is hoped that a number of sweaters will be completed within a short time.

After discussion and comments on various phases of the club work for the ensuing fiscal year, pumpkin pie and coffee was served to the following: Miss Marjorie Brown, Mrs. Jim Barr, Mrs. Jess Dunlap, Mrs. H. C. Williams, Mrs. Bill Davidson, Mrs. Frank Williams, Mrs. Ira Hall, Mrs. L. L. Houser, Mrs. H. G. Whitehorn, Mrs. Ida Graves, Mrs. Jeff Clark and the hostess.

Garland Lilly, who is stationed at Camp Hood, Bastrop, Texas, visited relatives and friends here the past week end.

Mr. and Mrs. Todd Newton had as their guests the past week end, Mr. and Mrs. Buck Edgar and daughter, of Lubbock.

Mr. and Mrs. Marvin Clark had as their guests the past week end, Mr. and Mrs. Weedy Joy and children, of Baird.

Mr. and Mrs. L. L. Howser spent the week end in San Antonio visiting their son, Jack, who is in the air corps.

Mr. and Mrs. Vernon Mitchell and Mrs. Dora Parker, of Artesia, New Mexico, visited relatives and friends here the first of the week. They returned home Wednesday morning.

FORMER LOCAL MAN DIES IN AMARILLO

George Swan, early day Cross Plains merchant, died in an Amarillo hospital Saturday morning after an illness of several days. Funeral services were conducted there Monday morning.

Mr. Swan was in the photography and furniture business in Cross Plains a number of years ago, leaving here about 1915 or 1916.

He was a brother of J. B. Swan, also formerly of this place who now lives at Santa Anna. Other local relatives include: Mrs. L. W. Westerman, Mrs. Doyle Neeb and Mrs. Clara Foster.

TO THE PEOPLE OF CALLAHAN CO.

I want to thank the people of Callahan county for their loyal support and confidence, voiced by their vote cast for me in Tuesday's election. I hope to be able to serve you, in the capacity of a private citizen, more in the future than I have in the past.

The Red and White Store M. E. [Happy] Howell CROSS PLAINS, TEXAS

The rumor that we are closing out is a mistake. We buy home grown Vegetables and Fruits. See Us Before Selling Your EGGS Will Be Closed All-Day the 11th In Honor of Our and Boys who have answered the call of our country.

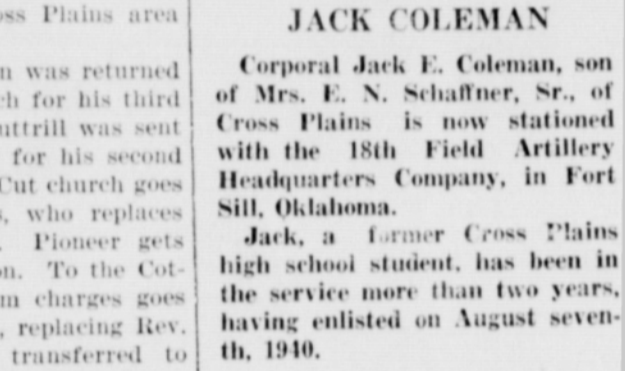

Come Town Gossip

We've no less than 15 years we've pecking out paragraphs for every description. But never today did we undertake the one of these "blind key-typing" rasals, the kind they use at students. But necessity was up at the high school, we're trying to pinch hit as a teacher. This is an effort, so we decided to try to put this column. The only writer around is one of those who understood that the mother of invention and of the most competent type operator Chase Adams.
