Democrats will go to the polls Saturday to make final selections in the matter of party nominees. Despite that fact that only five races are up for settlement, interest is quite keen; this is largely due to the contests in the United States senatorial campaign and that of county commissioner in three Callahan

"Official Ballot". In Cross Plains much interest is centered on the race between J. M. McMillan and J. W. Lacy for the dace of County Commissioner from precinct four, which comprises: Cross Plains, Atwell, Cottonwood, Dressy and Caddo Peak. Only 15 votes separated the two candidates in the first primary and George H. Clifton, who was eliminated polled 224, as compared with 227 for Lacy and 242 for McMillan.

Results of the election will be tapulated on the bulletin board over the Citizens State Bank Building awning on West 8th street Saturday night. It is expected that the results are to be known by nine o'clock in most all races.
