School Board Agenda

The Muleshoe Independent School District will meet in regular session Monday, September 9, at 8 p.m.

The board will hear the current financial report and will hear a final report on repair of the irrigation well on the Muleshoe High School campus.

They will also consider the approval of employment of school personnel to fill vacancies and also consider the approval of requisitioning new school buses for 1975-76 school year, through the State Board of Control.

The current enrollment report and comparison with last year's enrollment will be heard and the board will discuss the high school band trip for 1974-75.

The board will consider approval of adult classes in night school for the first semester and approve preliminary application for Foundation Funds for 1974-75 if it arrives from the Texas Education Agency.

CLASSROOM TEACHERS HOST SUPPER . . . The Muleshoe Classroom Teachers Association honored the new teachers, administrators and board members with a Salad Supper Tuesday evening, September 3. Pictured left to right are Carl

Barnert, Ernest Ramm, Aubrey Heathington, Mike Richardson, president of the Classroom Teachers Association, and Neal Dillman.

Commissioners Will Meet On Monday

The Bailey County Commissioners Court will meet in regular session on Monday, September 9, at 10 a.m. in the courthouse and the meeting will continue until 5 p.m.

The following items are on the agenda: approve the minutes of the previous meeting; receive bids for the purchase of a new implement trailer; receive bids for the purchase of a new automobile for the Sheriff's Department; choose a representative and alternate to the General Assembly of the South Plains Association Governments; and other minor items that might need attention.

The public is invited to attend this meeting.

US 84 Construction Will Commence Soon

On September 3, 1974, the Muleshoe City Council awarded the initial contract relating to the widening of U.S.

Highway 84 through Muleshoe. The first phase of construction will commence within two weeks and will involve the relocation of city water lines from East Sixth Street to West Eighth Street.

MHS Band Will Begin Magazine Sales

The Muleshoe High School Mighty "M" Band will begin its annual magazine sales on Monday, September 23.

Due to trouble with the company used last year, the band

was awarded the contract on the basis of a low bid of \$53,652.20.

New Vet Practicing At Animal Clinic

Dr. Jerry Gleason at the Muleshoe Animal Clinic now has a new assistant. He is Dr. Jim Dockrey, DVM.

Dr. and Mrs. Dockrey have recently moved to Muleshoe from Bryan, Texas where he was a student at Texas A&M University.

Boosters Have First Meeting

Muleshoe Athletic Boosters hosted a get-acquainted supper Monday night, September 2.

Football players, basketball girls and the cheerleaders were introduced to those present. David Sudduth, vice-president

of the Muleshoe Animal Clinic now has a new assistant. He is Dr. Jim Dockrey, DVM.

Dr. and Mrs. Dockrey have recently moved to Muleshoe from Bryan, Texas where he was a student at Texas A&M University.

Church Of Christ Will Sponsor Lectures

Persons of this area are invited to attend a series of lectures on the subject of "The Christian Home" September 8-11 at the Muleshoe Church of Christ, 2201 West American Blvd.

Schedule of services are Sunday, 9:30 a.m., 10:20 a.m. and 6 p.m. and weekdays, 8 p.m.

Speakers and their subjects are: Tex Williams, a former missionary, now an instructor at the Sunset School of Preaching in Lubbock, will speak Sunday morning on "The Christian as a Parent."

Sunday evening, Jim McGuigan, a native of Ireland, will speak on "The Child in the Christian Home." Following this lecture, there will be a fellowship gathering for area youth.

On Monday, Bob Barnhill of the Central Church of Christ, Amarillo, will speak on "The Christian as a Mate."

Tuesday, Joe Barnett of the Broadway Church of Christ, Lubbock, will speak on

regulations require that all utilities be relocated prior to the bid-letting on the actual highway construction. It is anticipated that bids will be awarded in November or December and that actual construction of the road surface and curb and gutter will begin in late December or early January.

During this entire process there will be some inconvenience to motorists and to Highway 84 businesses as well. However, every attempt will be made to hold such inconveniences to a minimum.

Once the widening project is completed, it could remain a serviceable facility for at least 20 years.

Evening Classes To Begin September 9

Approximately 47 persons registered for evening classes at the Muleshoe Community College Center Thursday night.

Late registration will be Monday, September 9, at 7 p.m. at Muleshoe High School. There will be no registration after September 9.

The classes are being sponsored by the South Plains College Division of Continuing Education.

Classes will begin September 9 and final exams will be held December 12-17, 1974.

The cost of the classes will be \$58.00 for three semester hours; \$61.00 for six semester hours; and \$75 for nine semester hours. All credit courses will be held in Muleshoe High School.

A minimum enrollment of 12 persons is required for a course.

Admission requirements

specify that persons must be a high school graduate or possess the GED certificate. Persons without the GED may apply for probationary enrollment to the Dean of Continuing Education at South Plains College.

Steps for admission include complete application for admission with a social security number required; an official transcript from high school or college; college transfer students are required to submit transcripts of all previous college work (a transcript from each college attended); and each person must file an immunization certificate as required by State law.

All of the above steps can be accomplished during registration as forms will be furnished.

Classes to be held this year if minimum enrollment is acquired will be English 132-45 Composition and Literature (prerequisite: Eng. 131); Introduction to Sociology; Basic Accounting I; General Psychology; Elementary Typewriting (two nights per week); Drawing II (two nights per week); Principals of Management; and History of U.S. to 1865.

For more information concerning these classes, contact Tom Jinks, Muleshoe Ind. School District, Muleshoe, Texas, Phone 272-3911.

Ag. Committee Will Sponsor Farm Tour

The Agriculture Committee of the Muleshoe Chamber of Commerce and Agriculture will sponsor a Businessman's Farm Tour on September 11.

Participants of the tour will leave the Chamber of Commerce office by bus at 8 a.m. and return to the Chamber of Commerce office around noon.

There will be approximately six stops on the tour. This year the tour is featuring primarily the processing or handling of farm products.

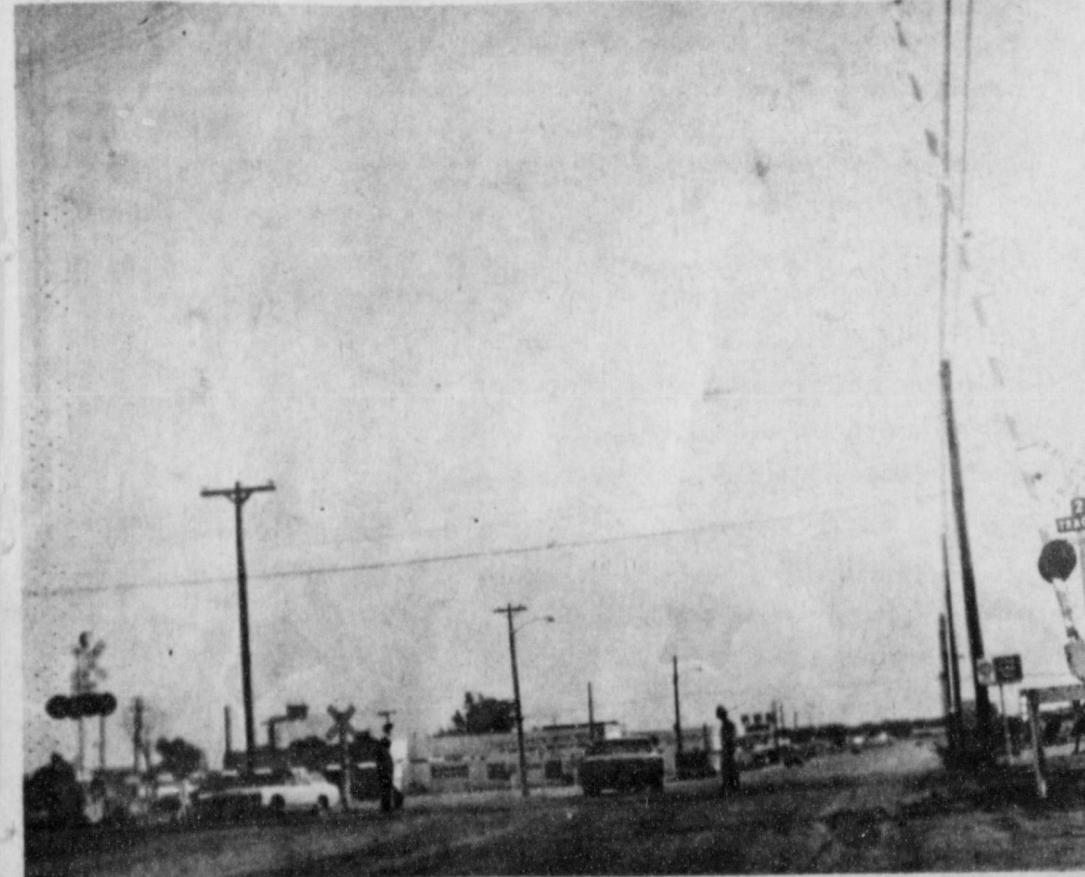

Stops on the tour include Protein Processors, Carl Barnett Seed Processing Farm,

Gene McGlaun's Paint Horse Farm, Don Mays grape farm and Beck Allen's Calf Creep Feeding operation and possibly other stops.

Refreshments will be served on the tour and farmers and ladies are also invited to go along on the tour.

The Agriculture Committee is made up of 18 farmers and businessmen consisting of Myron Pool II, Max King, James Wedel, Harold King, Doyce Turner, A.R. McGuire, Leslie Harris, Kenneth Nesbitt, Weldon Timms Jimmiv

RAILROAD ADDS GATES TO CROSSING. . . Horace Hoel, Santa Fe Station Agent in Muleshoe, has announced that the railroad has completed putting up gates at the railroad crossing on North First Street in Muleshoe. As soon as the flashing lights come on the gates will go down across the highway, blocking traffic until the train passes. He reminds motorists to be extremely careful and not forget that these new gates are in operation. Construction was completed on the gates Friday afternoon.

CTA Honors New Teachers At Supper

The Muleshoe Classroom Teachers Association honored the new teachers, administrators and board members with a Salad Supper Tuesday evening, September 3, at 7:30 p.m. in the Muleshoe High School cafeteria.

Mike Richardson, the local C.T.A. president, welcomed the guests, and Wayland Ehtridge, Muleshoe Junior High principal, gave the invocation.

Con't on page 2, Col. 8

Friday night in its opening game Muleshoe was shut-out by Dimmitt 14-0. The Mules played well but allowed Dimmitt to break two long plays, a 55 yard touchdown pass from Dimmitt's quarterback, Brad Sanders to split end, Travis Hampton coming in the second quarter and a 50 yard punt returned by Dimmitt's Cliff Veal which led to a one yard touch down plunge by Leon Sandaval in the third quarter. Both PAT's were good.

Muleshoe had many opportunities to score, the best of which came when the mules took the opening kick-off and drove the ball some 70 yards

to the Dimmitt five only to be thwarted by the Bob Cats defense. Muleshoe also had the ball several times inside Dimmitt's 40 but could not advance it across the goal line. In the game Muleshoe had

Young Farmers Elect New Officers

The Muleshoe Young Farmers met Tuesday night to reorganize and elect new officers.

Officers for 1974-75 will be Carroll Kelton, president; David Pitcock, vice-president; David Byrd, secretary-treasurer; Barry Wilson, program chairman; Ricky Hardage, reporter; Bill Bickel and Keith Bray, Chapter advisors.

Meetings are scheduled for the first Tuesday night of each month at 8:30 p.m. in the Muleshoe High School Agriculture Department.

Jaycees Rest Stop Termed Successful

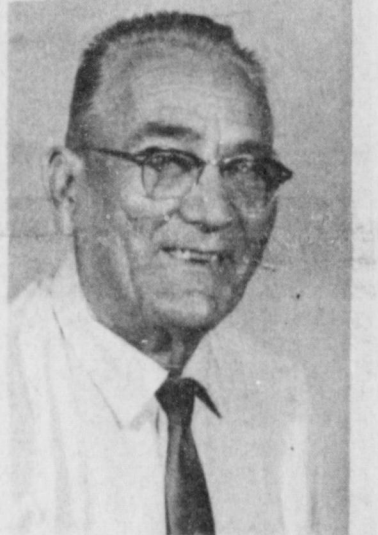

The Muleshoe Jaycees met Monday at noon for their general membership meeting. The president, Charles Moraw, called the meeting to order. Butch Duncan gave the invocation, Jack Hysinger led the Pledge of Allegiance and Bob Tinney led the Jaycee Creed.

Bob Finney reported that Youth Football would get underway this Sunday. Everyone is urged to get out and support these kids as they start this football season.

The Labor Day Holiday Rest Stop was a success as travelers were greeted by the Muleshoe Jaycees and given free coffee, cokes and donuts. This project, along with the Texas Department of Public Safety and "Operation Motocycle" is of benefit to the public in helping to keep down deaths due to car accidents during this long holiday season. Terry Fields was chairman of the rest stop this year.

Charles Moraw reported that there would be a Regional work forum at Perryton on October 11, 12 and 13. Several members from the Muleshoe Jaycees are

Field Day Set At Experiment Station

Final preparations are underway for the 65th Annual Field Day of the Texas Agricultural Experiment Station north of Lubbock, set for Tuesday, Sept. 10, according to County Extension Agent Spencer Tanksley.

Highlighting the occasion will be special interest tours of research plots and machinery display.

Members of the Texas Agricultural Experiment Station, ARS-USDA, National Weather Service and the Texas Agricultural Extension Service will be on hand to explain and demonstrate research efforts being conducted on the sprawling 275-acre site known as the Texas A&M University Agricultural Research and Extension Center, Tanksley says. These agencies are based at the center, except for NWS whose agricultural meteorologist is officed there.

The site is located seven and one half miles north of Lubbock on Hwy 87, just north of the

Lubbock Regional Airport. Field tours will begin at 1:00 p.m. with special evening tours from 5:30 - 5:30, says Tanksley.

Stops along the 35-minute tractor-trailer ride around the Station's research plots will include discussions about new developments in soil water research, soil fertility, short season, narrow row cotton, weed control research, and sorghum insect pest management.

The tours will depart from the station headquarters every 15 minutes throughout the afternoon, allowing visitors to get on or off at any of the five field stops, Tanksley explains. A five-minute talk will be presented at each of the five stops.

Weather equipment and farm machinery will be added attractions for the public viewing. The ARS-USDA research gin just down the road also will be open to visitors.

Special evening tours from

LEADING RUSHER . . . Tommy St. Clair, No. 40, was the leading rusher for the Muleshoe Mules in their game against Dimmitt Friday night, September 6, in Dimmitt. Although the Mighty Mules played a good game for their season opener, the Bobcats also played well to take a 14-0 win over the Muleshoe Mules. The Mules' next game will be Friday, September 13, at Olton.

Breath Of Life Campaign Will Begin

Cystic Fibrosis is not a vague, obscure or rare disease. It affects one in every 1,500 babies, and results only when both parents carry the gene for C/F. It affects the entire body -- particularly the lungs and digestive system. So far, it's incurable.

When a group of parents of C/F children formed the National Cystic Fibrosis Research Foundation eighteen years ago, they knew very little about cystic fibrosis. Even the name "Cystic Fibrosis" was new, the disease wasn't recognized medically until the late 1930's. What those parents did know was terrifying -- C/F children usually died before they were old enough for elementary school. Today that beginning has grown into a national organization which raises funds through the Breath of Life Campaign in many communities. There are over 300 chapters and branches of the Cystic Fibrosis Foundation to advise and help parents, administer local programs, and engage in fund raising.

There are more than 100 C/F Centers where not just C/F patients, but children with asthma, chronic bronchitis, bronchiectasis and childhood

empyema can be diagnosed and treated using the most sophisticated methods known. The National Cystic Fibrosis Research Foundation supports the research of scientists throughout the world, who seek a cure or control for C/F.

Today C/F infants have a good chance at longer and more productive lives -- for many are living into young adulthood, and beyond into improved medical care and expanded research. Children with other lung diseases whose symptoms are similar to C/F respond very favorably to much the same treatment. Their suffering is alleviated, and many times cures are effected.

Though there is still no cure for cystic fibrosis, today there is real hope, based on the realities of more public understanding, more public support, more advanced research and better care. Interest in the study of genetic diseases has grown to significant proportions in

the scientific community, and C/F research can only benefit from this heightened interest.

The need of six million children who struggle to breathe grows larger, and with it, the need for more volunteers and more funds.

Everyone can help. The job cannot be left solely to dedicated parents of C/F and lung-damaged children. The cause is great enough to engage the attention and support of men and women everywhere who care about children -- and lung diseases.

Kerry Moore is the local chairman and the Blackburn-Moore Future Teachers Chapter are Volunteers for this campaign and will have a house to house drive on Sunday, Sept. 22.

2201 W. American Blvd.

Miss Torres, Garcia Exchanged Vows

Miss Pauline Elenor Torres became the bride of Jabier Garcia, Saturday, August 24 in the Immaculate Conception Catholic Church of Muleshoe, Rev. Hoffman, officiated the double ring ceremony.

Mr. and Mrs. Lupe DeLeon, of Muleshoe and Mr. and Mrs. Julio Garcia, also, of Muleshoe are the parents of the couple.

An altar arrangement of yellow gladiolas and light blue carnations surrounded the couple as they knelt before the altar. Cynthia Issac was the organist for the occasion.

The bride given in marriage by her stepfather wore a floor length empire waist gown of organza over bridal satin designed with a standup collar, and sheer organza sleeves accented to the wrist with lace.

A crown of lace enhanced the floor length veil trimmed in lace. She carried a cascade bouquet of white carnations, baby's breath and accented with blue and white ribbons tied in love knots.

To keep the bridal tradition, the bride wore her gown as something new, something old was her watch given to her by Jabier Garcia, something blue was her garter and something borrowed were a pair of gloves given to her by her mother.

Rosalinda Garcia sister of the groom was maid of honor and Lawrence Torres, brother of the bride was best man. The bridesmaids and their escorts were Diana Lucero and Billy Balderas, Fether Lucero and Ray Garcia, Elizabeth Torres and Danny Lucero of Hereford, Judy Valdez, Abernathy and Jesse Duran, Jr., Abernathy, Debra Glass and Tony Perez, and Anna Castorena and Hector Posadas. The sponsors were Mr. and Mrs. Luis Mata, Mr. and Mrs. Charlie Vela of El Paso, Mr. and Mrs. John DeLeon, Jr., of Lubbock, Mr. and Mrs. Ernest Lucero, Mr. and Mrs. John Ortiz, Mr. and Mrs. Cesario Torres of Guadalupe, Mr. and Mrs. Victor Arzola, Mr. and Mrs. Jayme Garcia, Mr. and Mrs. Joe Martinez. The flower girls were Cristine Lucero, cousin of the bride and Beatrice Garcia, sister of the groom.

The maid of honor wore empire waist, halter floor length dress of white crepe with silver metallic. The bridesmaids wore empire waist, halter floor length dress of yellow double knit. To enhance their attire they wore hats and yellow carnations fashioned in a wrist corsage. The flower girls wore yellow double knit dresses enhanced with a white pinaflore. Their bouquet of yellow carnations was fashioned in a wrist corsage. The women sponsors wore light blue double knit floor length dresses with a round neckline and puff sleeves. They wore wrist corsages of light blue carnations.

Dean Alfaro was ring bearer, and the ushers were Paul Torres, brother of the bride and Johnny Dean. A reception following the ceremony was held in the Parish Hall of the Catholic Church. The table was decorated with a white table cloth with three tiered wedding cake as the centerpiece. The cake was highlighted with yellow and light blue flowers. The brides traveling outfit was a gold halter jumpsuit. Her corsage, was a white orchid which was embedded in her bouquet.

Mr., Mrs., Roy Atchison Honored At Reception

Mr. and Mrs. Roy Atchison were honored with a reception recently for their 44th wedding anniversary, celebrated September 2, 1974. Hosts for the reception were their children, Mrs. Gail Hoover of Seagraves, Mrs. Char-

Alpha Zeta Pi Receives Top Rating

Alpha Zeta Pi Chapter of Beta Sigma Phi met Tuesday, September 3, in the home of Mrs. Spencer Tanksley, Co-hostess for the meeting was Mrs. Danny Noble.

Mrs. Reagan Cox, president, presided over the business meeting. Committee chairmen discussed plans for a cookout Saturday night for rushees, and told of plans for the Bingo Carnival. The new parliamentarian of the chapter is Bob Binney. Mrs. Reagan Cox also announced that Alpha Zeta Pi won a three star rating for 1973-74. This is the highest rating a chapter can receive. For receiving this award the chapter is graded on a yardstick on giving so many International programs, giving money to different Funds and Community, giving social parties, helping with parties for the Special Ed. students, having the most rushees and pledges.

Mrs. Hugh Collis and Mrs. Reagan Cox presented a program on "Parliamentary Procedure" and "The Body Beautiful" was given by Mrs. Monty Dollar and Mrs. Tommy Black. Following the programs, refreshments were served to Mrs. Mike Miller, Mrs. Monty Dollar, Mrs. Garry Shipman, Mrs. Kearney Scoggin, Mrs. Reagan Cox, Mrs. Wayne Gregory, Mrs. Hugh Collis, Mrs. Bob Finney, Mrs. Eugene Howard, Mrs. Jerry Wenmohs, Mrs. Jerry Gleason, Mrs. Tommy Black, Mrs. Danny Noble, and Mrs. Spencer Tanksley.

Eastern Star Plan Friendship Night

Mrs. J.H. Clay, Worthy Matron and Wyle Bullock, Worthy Patron of Muleshoe Chapter # 792, Order of the Eastern Star, presided at the Stated meeting of the Chapter, Tuesday evening, September 3rd, in Masonic Hall. Routine business was transacted and plans completed for the annual Friendship Night, to be held Saturday evening, Sept. 7th, in the banquet room of Masonic Hall, with a salad supper at 7:30. All area Chapters have been invited.

An invitation was received from Canyon Chapter No. 105, to a Tea, honoring Mrs. Cortez Dowlen, Grand Organist of the Grand Chapter of Texas, Sunday, September 22nd, from 2:00 to 5:00 in the afternoon, at the Community Center, 300 16th Street in Canyon. Also, invitations to Friendship Nights in Lubbock, Sept. 17th at 6:00 p.m. Friona, Sept. 21, at 7:30 p.m. and Earth, Sept. 23, at 6:30 p.m.

Grateful appreciation was expressed for the kind and thoughtful contribution, of the lovely and much needed linoleum in the kitchen and rest rooms, by Frank Hinkson.

The annual Memorial service was observed. The refreshment hostesses were: Mrs. Elbert Nowell; Mrs. John Thomson and Mrs. Charles Mayhugh.

ries Compton of Irving, Leon Atchinson of Brady, and Mrs. Jim Shafer of Muleshoe. The affair was held in the home of Jim Shafer.

The registry highlighted with a rose candle and candle ring. A white cake decorated with blue and white wedding bells and stephanotes were served for a table covered by a white cloth. Blue daisies and carnation arranged on a silver candleabra, crystal punchbowl and crystal silver appointments completed the decor. The punch was served by Mrs. Donnie Hoover, of Seagraves, granddaughter-in-law of the honorees and cake was served by Mrs. Loyd Perkins of El Paso, sister of Mrs. Atchinson.

Preceding the reception, relatives honored Roy Atchinson with a 75th birthday lunch. Out of town guests attending were, his brother and wife, Mr. and Mrs. Sam Tapper of Paducah, his sister and husband, Mr. and Mrs. Loyd Perkins of El Pa-

Slaughter Hog Marketing Program Established

AMARILLO -- Texas Agricultural Marketing and Development Association, marketing arm of the Texas Farm Bureau, has established a slaughter hog marketing program here for members, according to an announcement by J.T. (Red) Woodson of Gober, president of the state farm organization. The marketing program, which is now operational,

was established by the TFB at the request of county Farm Bureaus in the Panhandle area, Woodson said. He explained that producers in the area felt they needed additional market outlets. The old Sunray Packing Company facility, located two blocks west of the Amarillo Livestock Auction, has been leased and is serving as a collection point for hogs coming from a 12-county area in the Texas Panhandle. Hogs are weighed and graded and offered to packers within a 500 to 700-mile radius. Bids are taken on lots according to grade, Woodson said. Employed to operate the TAMDA hog marketing service is Ron Davis, former vocational agriculture teacher at Canyon. Davis is a native of Hale Center and has both BS and MS degrees from Texas Tech. Main benefit of the service to producers, Woodson said, is that they are paid according to the quality of hogs they sell. Packers like the program because they know exactly what they are purchasing, he explained. Tuesday and Thursday of each week are to be regular sales days, Woodson said. A marketing fee of \$1.00 per head is being charged. Projections indicate a volume of about 6,000 hogs per month will be marketed through the program, the TFB leader said. Counties participating include Castro, Carson, Childress, Deaf Smith, Donley, Hall, Moore, Ochiltree, Potter, Randall, Sherman, and Swisher. Two other marketing programs have been organized under the guidelines of an expanded program adopted by TFB delegates in 1971. One is a fowl (spent hen) program which is now a part of a national marketing program operated by the marketing af-

filiated of the American Farm Bureau Federation. The other is the TAMDA Livestock Purchasing Division which was organized to buy stocker-feeder calves for producer-members in a number of Panhandle counties. This program, organized last year, is now inactive, primarily because to recent adverse market and weather conditions.

State Fair Promises Great Entertainment

The local entertainment forecast for October promises cowboys in the Coliseum, Mustangs in the Cotton Bowl and Debbie Reynolds on stage at the Music Hall. Fair and fun is the prediction when the gates of the 1974 State Fair of Texas swing open corral-style for a 17 day "Exposition of the West," October 4-20, at Fair Park in Dallas.

Bronc-busters and bull-riders break from the chute October 5, in the first of nine State Fair Rodeo performances in the Coliseum. Top cowboys from the national rodeo circuit will compete for individual championships and more than \$50,000 in prize money. Colorful college football headlines Cotton Bowl events during this year's Fair. SMU-Oregon State, Prairie View-Grambling, Texas-Oklahoma and SMU-Virginia Tech, are scheduled for the 72,000 seat stadium.

A sparkling production of the recent Broadway hit, "Irene" starring Debbie Reynolds and Patsy Kelly, marks the second anniversary of the new Music Hall in Fair Park. Bright songs, dazzling choreography and a charming Cinderella story highlight this musical revival. The popular Pan-American Livestock Exposition will offer fair-goers a look at prime beef on the hoof as champion beef cattle parade past the judges' stand. Horses, swine, sheep, goats, rabbits and poultry combine for a barnyard symposium attracting breeders, buyers and curious spectators of all ages. Free outdoor entertainment includes marching bands, high-wire acts, versatile musical groups, parades and fireworks. Booths, shops displays and demonstrations will garner attention in six mammoth exhibit halls. Multiple performances of an old fashioned three-ring circus are scheduled daily. The matchless Midway, alive with State Fair tradition and excitement, will glisten with new lighting, paving improvements, re-designed game stands and attractive landscaping features from Big Tex Circle to the Cotton Bowl Plaza. The carnival atmosphere, carefree attitudes, Indian summer weather, contests and exhibitions, outdoor picnic opportunities and toe-tapping music for three million people add up to a one-of-a-kind October extravaganza . . . the 1974 State Fair of Texas.

"For where your treasure is, there will your heart be also"

An Added Touch of Beauty

Robert Louis Stevenson said:

"The world is so full of
a number of things,
I'm sure we should all be
as happy as kings."

God's world is filled with loveliness, but we need to add our own touch of beauty, so that we might be builders of a better world with Him. Each of us was given talents which would enable us to contribute to the world and mankind something great and lasting and beneficial. May each of us use these talents to the Glory of God. Add a touch of beauty to your life this week by attending church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

1974 Cotton Crops Show Sharp Decline

Upland cotton production in Texas in 1974 is estimated at 3,050,000 bales according to the Texas Crop and Livestock Reporting Service. This year's prospective crop of 3,050,000 bales indicates a significant decrease when compared with last year's excellent crop of 4,673,000 bales.

Harvested acres are set at 4,800,000 compared with 5,200,000 acres harvested in 1973. Acres abandoned from all causes at 800,000 are at the highest level since 1956 when acres abandoned reached 1,040,000. Some abandonment has already occurred on the Southern High Plains where moisture has been extremely short and dryland stands are very poor. Yield is expected to average only 305 pounds of lint per acre compared with last year's record yield of 431 pounds.

Harvest started in July in the Lower Rio Grande Valley and has progressed northward into the Coastal Bend, Upper Gulf Coast and Southcentral Texas. Yields from early fields in the Lower Rio Grande Valley and Coastal Bend have been good to excellent. Prospects in the Blacklands and Southcentral Texas have declined because of hot, dry weather which caused heavy shedding. Both bollworms and boll weevils have caused problems from the Blacklands to the Lower Rio Grande Valley and control measures have been underway since the crop started fruiting in late spring. Irrigated cotton on the High and Low Plains is making excellent progress and is fruiting heavily. Dryland cotton is making fair progress in some

localities but the overall outlook is poor and declining. Recent rains have relieved the pressure to water the irrigated crop and will help revive some of the better established dryland stands.

On Wall Street
By Bob Hill
Lentz, Newton & Co.

For those motorists who were pleased and happy when the House recently voted 339 to 49 to discontinue the installation of buzzer-interlock seat-belt systems, get ready for an expensive alternative; the air-bag.

The Transportation Dept. announced it would go along with the Congressional demands to eliminate the annoying seat-belt interlock system which is now required by law. But, the Transportation Dept. has taken a determined attitude toward driver safety devices by insisting that it would strongly resist efforts to eliminate mandatory installation of the expensive airbag system beginning with the 1977 model cars.

The Transportation Dept. has published statistics which analyze the cost and benefits of passive restraint systems, such as airbags. The figures estimate that between 1977, when airbags are required equipment, and 1985, airbags in conjunction with seat-belts could save 85,000 lives compared to 47,000 lives using only the seat-belt interlocking system. The cash value for saving productive human life would total \$9.8-billion for airbags vs only \$3.9-billion for seat-belts, says the Transportation Dept.

The present legislation now in Congress, which would completely eliminate the seat-belt interlock system, leaving only a warning light as a reminder to fasten seat-belts, makes an even better case for the passive airbag system, in other words, if Congress insists on doing away with an important means of requiring drivers to use their seat-belts, then it is even more imperative to require airbags to become standard equipment in order to save as many lives as possible, not that the fastening of the seat-belt is no longer necessary to start the car.

Three Way News
By Mrs. H.W. Garvin

Three Way school was out Friday for Labor day.

Several men from the Community spent the past week fishing.

The community has had rain the past few days with amounts ranging from three inches west of Goodland to up to 10 inches in the east part of the community.
