Barbecue King All Set For Big Feed

Plans are just about complete for the serving of the barbecue on the Fourth of July, says County Agent H. M. Breedlove. The cooking of the beef will start at ten o'clock on the morning of the third and will be cooked all day and probably come off the pits about one A. M. on the morning of the 4th.

Breedlove says that the new peach and bean king, J. B. Melton, will cook the peaches on the second of July and start the beans on the third so they will be ready for the fourth.

The menu for the Fourth will consist of 4500 pounds of beef, 450 pounds of beans, 300 pounds of peaches, 350 pounds of onions, thirty-five pounds of pickles, 525 loaves of bread. Boy Scouts will sell cold drinks, and cold ice water will be served free.

Breedlove says that the serving of the meal will start about 11:30 A. M. on the morning of the Fourth on the court house lawn. All the beef, and trimmings were furnished by ranchers, business men and individuals in the county. The beans were furnished by Gunn Brothers of Amarillo, and the bread by Meads, Cook Book and Bunny. The onions were donated by Juniors Food Store. The donations of cash will be used to buy all the eating equipment, pickles and other supplies.

The committees set up to get ready for the barbecue are: Peaches, beans — J. B. Melton; Setting up tables for serving — Glenn Hall; Hauling wood, Cudd Bros., Hommel, Morgan and Naylor; Lights for barbecue pits — Bill Williams and West Texas Utilities. The captains of two chow lines each who will have charge of fourteen servers and four butchers each are: Red Estlack, Ruth Richerson, Basil Smith, Rev. Vanderburg, Rev. Ryan, and Jack Clifford. This will give twelve chow lines for the white people and two chow lines will be set up for the colored people, making 14 chow lines in all.

The barbecue committee will be headed by H. M. "Flip" Breedlove and his helpers will be Pete Land, Sid Dodson, John White, Hubert Rhoades, Bob Rowland, Lloyd Reid, Orval Hill, and Lacy Nobles. More will be contacted after the publishing of this paper to help. All helpers on the barbecue will meet at Breedlove's office on the morning of the third at 8:00 A. M. Others who would like to help are asked to be there.

All servers and butchers, on the fourth, will report to the court house lawn to their respective captains at 10:30 A. M. on the morning of the fourth.

Two chow lines will be set aside for old timers and everyone is urged to cooperate and help to see that only old timers are in these lines.

The serving will start around 11:00 or a few minutes after, and the chow lines will remain open until 12:30.

Celebration Boosters To Be On TV

Boosters of the Big Celebration in Clarendon, starting on the 2nd and ending on the 4th of July, will be on a television program as guests of Cotton John Smith on Monday the first of July at 12:30 noon. Everyone scheduled to be in this program is urged to be at the KGNC television studios at twelve noon so things can be arranged before the program starts. Bob Head, president of the outdoor entertainment association says that this will be a big publicity move for the celebration to be held in Clarendon. Mr. Head also stated that all persons who knew they could be there for the short program at noon to contact him and give him their names so that he will have an idea of about how many will attend.

Leader To Be Published Early Next Week

Due to the big rush next week and the fact that there will be no rural delivery service on Thursday, July 4th, the Leader will be published a day early and will be our annual Celebration edition.

Your Leader will be in the mail Wednesday morning instead of Thursday, so this will necessitate receiving all news copy and advertising copy a day early.

All rural correspondents are urged to bring their items in Monday morning if at all possible and all others with general news items are urged to turn their news in as early as possible following this issue of the Leader and not later than Monday afternoon. We will need your cooperation in order to make this early publication possible and want to thank each of you in advance for your consideration.

NOTICE TO ALL OLD TIMERS

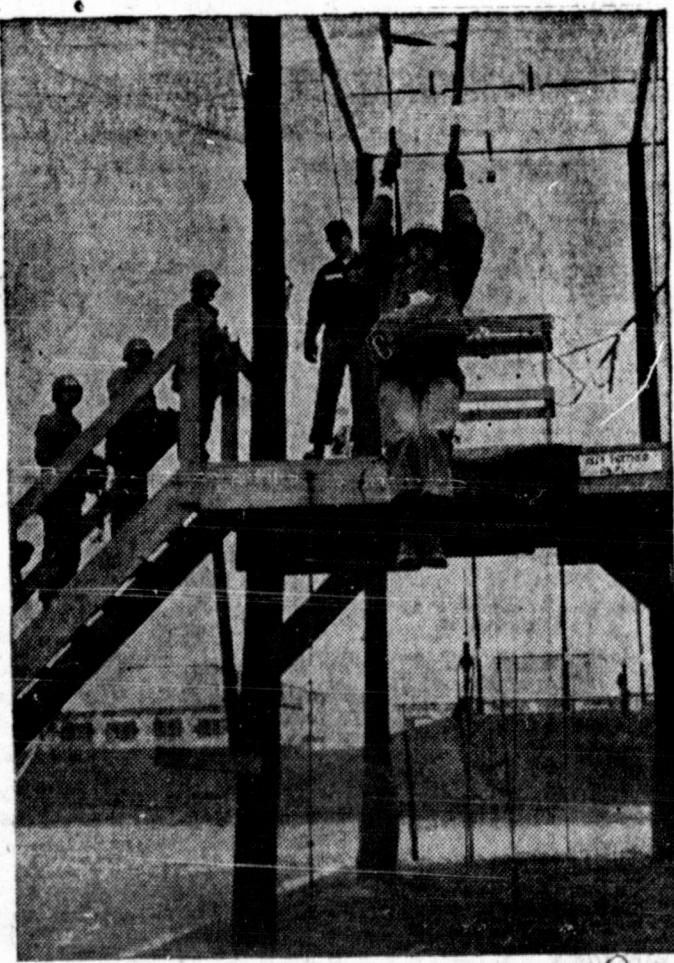

"We want to urge all old Timers to be with us July 4th," was the foremost statement made by Ernest Kent this week in getting ready to entertain this group during the celebration.

W. W. Taylor, H. T. Burton, W. G. Word and Odos Caraway have all consented to make short talks along with other entertainment. Bob Head, president of the Entertainment Association and all the directors are doing everything possible so all you old timers will have a grand time.

Mrs. Hubert Heatherly and Mrs. T. W. Heatherly will be in charge of the registration which will begin at 9:00 at the Mulkey Theatre, the morning of the Fourth. Special arrangements have been made to feed all the old timers in one group at the noon hour and Kent says there will be no mix-up this year. Prizes for the oldest old timer present and other awards will be made at the close of the meeting. Kent added.

VACATION BIBLE SCHOOL CHILDREN VISIT PAYMASTER GIN

Twenty-one Vacation Bible School children from the First Methodist Church of Panhandle, Texas, visited the Paymaster Gin on Thursday of last week. Their sponsors were Mesdames Ralph Metcalf, Paul Daver, Bill Surath, and Miss Vanece Osborne. After the children had made a tour of the gin they were served soda pop by the gin manager.

FIRST JUMP NURSE—With men now commissioned in the Army Nurse Corps, nurses are training as members of jumping medical teams. First to win his wings is Captain Patrick J. Ferry of Freeland, Pa., member of the 101st Airborne Division, shown practicing proper landing procedures at Fort Campbell, Ky.

New Attraction Added For Celebration

A new attraction has been added to the 4th of July Celebration. A dunking board is being sponsored by the Clarendon High School Pep Squad during the celebration. The Cheer Leaders have all submitted themselves at designated hours for the dunking board. The money raised will be used to help pay the cheer leaders' way to Cheer Leaders school. Come to the Dunking board on main street the 3rd & 4th and try to dunk your favorite Cheerleader.

The schedule for the dunking board is as follows:

July 3rd — 4 p. m., Sharon Smith; 5 p. m., Beth Lamberth; 6 p. m., Jo Ann Bennett.
July 4th — 10 a. m., Beth Lamberth; 11 a. m., Sharon Smith; 11:45 a. m., Lavonne Patterson; 5 p. m., Sharon Smith; 6 p. m., Beth Lamberth; 7 p. m., Jo Ann Bennett.

FIREWORKS WARNING ISSUED

Sheriff Bill Cornell, along with City officials, issued a strong warning this week in regard to exploding fireworks within the city limits of Clarendon. They pointed out that violators would be fined according to law and all parents should impress this warning on their children at home, for it is usually the parents that have to dig up the fine money.

Fireworks are dangerous, and will be especially so during the celebration period. They are dangerous to those handling them as well as exploding and injuring an innocent bystander.

We are asking all citizens to report any exploding of fireworks, take car numbers, etc. and call either the Sheriff's office or the City Hall. We hope everyone will cooperate and that no one will be injured, the officials stated.

FORMER RESIDENT VISITS HERE

Rev. Russell Morris and family of Samona, Calif. visited recently in the homes of Mr. and Mrs. C. B. Morris and Mr. and Mrs. H. A. Green and family. Rev. Morris, a son of L. O. Morris, grew up here. He has been pastor of the Baptist Church at Samona for several years.

He and his family have been to Waco to complete arrangements for assignment to the mission field. His work will be abroad.

FARM NEWS

from the County ASC Committee

WHEAT MARKETING QUOTA RESULTS

The results of June 20th election in which wheat growers voted for or against Wheat Marketing Quotas; there were 52 people who voted, and there were 41 who voted for marketing quotas, and 11 votes were cast against marketing quotas. At least two thirds of the producer's voting must approve quotas before they can be put into effect.

1957 COTTON PERFORMANCE

Cotton measurement started June 24th in Donley County. The reporters who will be measuring cotton this year are: Charles Bates, Wes. O'Neal, Winfred Self, C. H. Long, Gene Moore, Tammie Saye, and Jack Quisenberry.

One of these reporters will be visiting your farm soon, and every farmer should assist the reporter in order that your cotton may be plotted accurately on the photograph.

After your cotton has been measured in the office, you will receive a notice as to the measured acreage, and a statement as to whether you are over-planted or in compliance. You will have 20 days after you receive this notice to destroy your excess cotton.

Every farmer should keep in mind that in order to have an area within your field deducted it must be at least four rows wide and be at least one tenth of an acre.

CONTROL OF WEEDS

Adequate top moisture over our entire county indicates a high weed infestation hazard. Land placed in acreage reserve and conservation reserve should be free from weed infestation, especially as to sun flowers and cockle-burs.

FACTS TO REMEMBER

Again we wish to remind you that land placed in Acreage Reserve can not be grazed. Also land placed in Conservation Reserve Can Not be grazed.

With more good rains reported over our County this week end, we are sure the farmers are all busy and very happy with prospects for good crops with such a wonderful growing season.

Legion To Sponsor Three Dances

As has been the custom in the past, the local Legion Post will sponsor three big dances on the nights of July 2nd, 3rd and 4th at the Legion Hall.

Emmett Allen and his Sunset Ramblers will furnish the music for all three dances. Allen's band will also play in front of the Legion Hall following the afternoon performance of the Rodeo July 4th, offering additional entertainment for those who have nothing to do between the two performances on that day. We understand that his band will furnish music at the Rodeo also. The dances will begin at 9 p. m. each evening.

Cotton Shower Sunday Nets .35 Inch

Showers dotted the area over the week end with some parts of the county receiving a nice shower Saturday afternoon and the county in general received around .35 inch of moisture Sunday morning. The official report here in town was .35 and Ashcraft reported .20 Saturday afternoon and .35 Sunday morning for the Goldston area.

Crops in the area are looking mighty good and need lots of this good warm weather we are having, although we could easily do without the strong winds that have damaged some small crops in sandy areas.

Mrs. W. K. Kysner of Borger is spending a few days in the home of her granddaughter and husband, Mr. and Mrs. Basil Smith.

One Week Left To Vote For Rodeo Queen

The votes for the 4th of July Rodeo Queen were counted again on Friday, June 21, with the following results:

Glenda Borden, Clifford's Grocery, 360.

The votes will be counted again on Friday morning, June 28, Tuesday morning, 10:00, July 2, Wednesday afternoon, July 3 at 5:00 o'clock and the final count will be on Thursday morning at 10:00 o'clock, July 4th. The Queen will be announced immediately following the final count and will be crowned at the afternoon performance on July 4th.

Since most of the stores will be closed on the 4th, the boxes will be put on tables in front of the Rodeo Headquarters on the morning of the 4th, and the results of Wednesday afternoon's count will be placed in the window of the Headquarters.

All of the Queen contestants who wish, will appear on Television on Monday, July 1 on "Double Trouble" at 12:30. Those who wish to go to Amarillo to appear are asked to be at Flip Breedlove's office at 10:30 on the morning of the first of July.

Celebrate Golden Wedding Anniversary

Mr. and Mrs. Odos Caraway celebrated their golden wedding anniversary with a chicken barbecue at the Country Club Saturday evening. Helping to make the occasion a happy one was the presence of their girls and all the grandchildren. Two son-in-laws were unable to be here. The Caraways were married at St. Patrick's Cathedral in Ft. Worth, June 25, 1907.

Youngsters enjoyed swimming before the picnic lunch was served.

Attending were Mr. and Mrs. Caraway, Mrs. Bob Land, Pat and Judy of Brownfield, Mrs. Clarence Heironimus, Walter and Charles of Andrews, Betty Heironimus and a friend, Lois Operly of Oklahoma City, Mr. and Mrs. Mike McCully, Tan, Melissa, and Mikey, Mr. and Mrs. Shelby Bell, Shelby, Richard, Robert, and Stephen, Mrs. Eva Rhode, Mr. and Mrs. Flem Caraway, Mrs. J. W. Evans, and Miss Katherine Ross.

SERVICES AT MISSIONARY BAPTIST CHURCH

Eld. John W. Reynolds of Tyler, Texas will conduct a series of services at the Missionary Baptist Church beginning Friday night, June 28 thru Sunday night June 30th. The services are scheduled as follows: Night services at 8 o'clock; Saturday morning service at 10:30; Sunday School at 10 a. m. and regular service Sunday at 11 a. m. The public is cordially invited to attend every one of these services.

Greenbelt Dam Data Revealed At Lions Meeting

Judge Otha Dent, member of the State Board of Water Engineers, was guest speaker at a meeting of the Lions Club Wednesday night and explained the Greenbelt Dam project in every detail to the group.

Judge Dent visited the proposed site of the dam yesterday and is meeting with all the towns concerned with the project.

The dam is being sought by member towns of the Greenbelt Water Authority — Wellington, Childress, Clarendon, Memphis, Quanah and Hedley. Shortly after Dent's tour, plans will be drawn for an election in the various towns that constitute the water authority to determine if they want to stay in the program or get out.

The proposed dam on Salt Fork north of Hedley would be for municipal and industrial use, for recreation, wildlife propagation and a limited amount of irrigation. The Greenbelt Water Authority rights extend to September, 1958 and are not renewable.

We understand that Altus and Mangum, Okla. are mapping plans for a dam on Salt Fork 8 miles west of Mangum if the Greenbelt Authority does not use its rights before their expiration date.

Services Held Thursday For J. W. Moffett

Funeral services were held Thursday afternoon at the Church of Christ for John Wesley Moffett with E. L. Dennis officiating.

Mr. Moffett, 77, died in an Amarillo hospital last Wednesday morning. He was a retired farmer, and had been a resident of Donley County 42 years.

He is survived by his wife, Euls Lee Moffett of Clarendon; three daughters, Mrs. Ruby Adams of Lockney, Mrs. Lois Seaton and Mrs. Nadine Mulanax, both of Amarillo; six sons, J. C. Curtis, Royce and Hubert Moffett, all of Clarendon, Claude Moffett of Borger and Troy A. Moffett of Dumas; two sisters, Mrs. A. B. Hamby and Miss Alice Moffett, both of Amarillo, and 17 grandchildren.

Palbearers were Bryan Armstrong, Walter Clifford, A. T. Jefferies, Bob Hay, Carl Saye and Tom Sullivan.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Big Celebration One Week Away

According to a report from Bob Head, president of the Outdoor Entertainment Association, everything is shaping up nice for the big three day celebration which will get underway here next Tuesday evening with the first Rodeo performance.

Rodeo Headquarters at the City Gas building was opened this week to take entries for all Rodeo events and entries will be accepted until 1 o'clock the afternoon of the 2nd. There will be four Rodeo performances, one each night of the 2nd, 3rd and 4th and one the afternoon of the Fourth.

The night performances will begin at 8 o'clock and the afternoon performance will begin at 2 o'clock. Ray Palmer reported that he still had a few box seats left. Each box of six seats sells for \$18 which is good for all four performances. General admission will be in addition.

W. J. Adams was named Arena Director this week and all other arrangements for the rodeo have been made. A new attraction has been added for the rodeo. Miss Sally Skelton of Hereford will put on her trick horse act at each performance and from what we can learn, she puts on a good performance.

Flip Breedlove reports everything tip-top for the Free Barbecue and is just awaiting time to begin with the chore of barbecuing nearly 5,000 pounds of beef. The western parade will begin right after the serving and the old timers will begin their registration at 9:30 at the Mulkey Theatre.

The Rodeo Queen contest is picking up momentum with the voting getting stronger each day. The final votes will be cast the morning of the Fourth, and we understand that the queen contestants are preparing a big float for their accommodation this year.

"We will be calling on a large number of helpers next week to make this celebration one of the most successful ever held and your willingness and cooperation will be greatly appreciated," Mr. Head concluded.

LOCALS ATTENDING LIONS MEET IN FRISCO

Mr. and Mrs. Frank Phelan Jr. and Homer Estlack boarded a plane in Amarillo last Friday night with San Francisco as their destination. They will take in the Lions International convention there this week, returning home there this week end.

AUSTIN—It's vacation time in Texas. During the next three months millions of people will stream to every corner of the state in search of relaxation. But a lot of home folks will stay home. They make a living catering to the tourists. Vacationing is big business in Texas. And it promises to get bigger. Last year nearly 8 1/2 million out-of-staters visited Texas—only 12 per cent on business. They spent \$350,000,000 for food, lodging, gasoline and entertainment. Next year voters will decide whether to try to hustle in even more visitors and money through nationwide advertising. A proposed constitutional amendment

to remove the ban on spending state funds for advertising was passed by the last Legislature. It will come to a vote at the November, 1958, general election. Meanwhile, several state agencies and a host of municipal and private organizations give out information on how to have fun in Texas. State Highway Department has just issued a brand new map telling how to find your way over the state's 100,000 miles of roads. It includes 20 full-color pictures and a warm welcome to the "land of hospitality." Available free from the department. State Parks Board, housekeeper for 49 state parks, plans many

new camping, swimming and picnicking facilities. It got a "generous appropriation" from the Legislature, said the Board. Texas Game and Fish Commission has help and advice for the one in every four Texans who hunts or fishes. Its numerous publications give guidance ranging from where the fish are biting to what to do for snake bite.

YEAR'S WATER SUPPLY Without another drop of rain. Texas' 35 major reservoirs now have enough water stored to last a year.

Heavy spring rains poured 6 million acre feet of water into the reservoirs filling them to 92 per cent capacity, reports the State Board of Water Engineers. Storage is about twice that of a year ago.

FLOOD SURVEY SOUGHT But the unprecedented rains brought problems. State Water Board wants money to make an emergency survey of what the floods did with a view of learning how to prevent future destruction.

Both the Board and Gov. Price Daniel requested an appropriation for this from the last Legislature. But it didn't go through, so now the Board has asked donations from the state's five water districts and river authorities.

It wants several thousand dollars from each totaling \$17,000. NEW INSURANCE COMMISSION

A district judge, a federal Justice Department attorney and a former commission member will take over reins of the re-organized Board of Insurance July 1.

As chairman for the new board Gov. Price Daniel appointed Dist. Judge Penn J. Jackson of Cleburne. Serving on the bench since 1944, Judge Jackson is former president of the State Bar of Texas judicial section.

Other new member will be David B. Irons of Fort Worth, former assistant attorney general under Daniel, now with the Justice Department in Washington. Joe P. Gibbs of Seguin, retired board member who returned last spring at the governor's request, fills out the new board. An acting commissioner of insurance is to be named by the board to serve until Sept. 1 when legislation for a permanent commissioner takes effect. He will receive \$20,000 a year, and be

charged with administration of the department.

Present board members John Osorio and Mark Wentz will continue to serve until the new appointees take office.

GOODBYE TO CHIPS Texas gambling has got to go, says Atty. Gen. Will Wilson. An all-out effort to shut down the multi-million-dollar empire in Galveston was called just the beginning.

Wilson and Department of Public Safety Director Homer Garrison Jr. cooperated in planning a massive raid on Galveston's illegal establishments. But the gamblers got word, closed up and cleared out ahead of the raid.

Wilson's staff followed up by fling padlock suits—boxes full of them—to try to prevent the places from re-opening.

Wilson and Garrison said they would follow the same pattern in other areas. First, local officials will be called on to suppress gambling and state cooperation offered. But, said Wilson, "if local officials fail to do this job, we will do it from the state level."

Gov. Daniel gave his full backing to the crackdown, hailed it as the "beginning of a new era in law enforcement."

PRESCRIPTION PRICES

How are prescription prices determined? We have a policy in this matter, the only one we can follow. We do not offer bargains in prescriptions—there is no cut-rate way to health. Nor do we pretend to under-sell. Prescription prices simply are determined by the cost of the ingredients and operating expense. The prices we charge are as low as satisfactory service and effective drugs will allow.

poorer in yield as the years went on. However, it has been learned that it is unnecessary to leave the field fallow or bare for a year in order to improve the yield or productivity of the crop commonly grown on the land.

Legumes are valuable as food for animals and man and have the quality of adding to the nitrogen in the soil that cotton and grain sorghums require. Nitrogen is one of the most important food elements which plants require. There is a group of plants called legumes which have the power of obtaining free nitrogen from the air. Certain bacteria invade their root-hairs and set up an irritation so that growths, called nodules, form, and in these nodules the bacteria live. The bacteria are able to take nitrogen from the air. When the plants die, the nitrogen-bearing bacteria enter the soil. Farmers that have not planted all of their sorghums can plant strips of guar or other summer legumes to increase the yield of crops grown the next year.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

ALASKAN STATEHOOD

The bill for Alaskan statehood has been reported favorably by the Committee on Interior and Insular Affairs. The vote was 24 to 6. My vote was included among the 6 opposed to statehood.

This will undoubtedly prove to be a highly controversial issue again this year as it has been each year in the past. One of the amendments that barely escaped adoption in the Committee because of a tie vote will probably be the subject of more debate in the House than any other portion of the bill. The amendment was offered in Committee by Mr. Pillion, of New York. Its purpose is to provide for an election to be held in Alaska on the question of "statehood" or "no statehood", as a condition precedent to Alaska becoming a state when, as, and if the present bill is passed. One of the best arguments in favor of such an election is the fact that in a recent poll taken in Alaska, the vote was more than 2 to 1 against statehood. It has always been my position that under any and all circumstances, the people of Alaska should have the opportunity to approve or disapprove the issue.

THE BUDGET

The budget continues to be a number one conversation item in Washington, and among the top subjects in the mail. To date, the House has considered and acted on 22 separate measures concerning the appropriation of funds for this government and its departments and agencies. It has not acted on the Public Works bill, which is sometimes referred to as

the "pork barrel" bill, nor the Mutual Security (Foreign Aid) bill. As of June 3rd, 1957, the Senate had acted on 14 of these measures. Four had been signed into law by the President, while 6 were awaiting the President's signature. Four of the measures were subject to the action of a Conference Committee between the House and the Senate. The 4 that have already been written into law are appropriations for the Treasury Department, Post Office Department, U. S. Tax Court and the Second 1957 Urgent Deficiency bill. The Presidential request was for approximately \$87 million more than the Congress allowed him in these 4 appropriation matters. The other measures, now on the President's desk for his signature, authorize expenditures of approximately \$100 million less than the President asked. These cuts were very carefully weighed and it was the intention of the Congress to cut only those things that appeared to be in the nature of waste or budgetary fat. There are more cuts to come on the other appropriations. These cuts will be weighed in the same careful manner.

The mail is bringing in many letters both for and against the President's budget. These are running about 50 per cent for and 50 per cent against. Many concern

the Mutual Security (Foreign Aid) program. This is one of the bills we have not yet considered. It will be one of the most controversial measures because of the very nature of the program. Many feel that projects in this country which should be developed are being delayed because of the high cost of the foreign aid program. In keeping with this general thought, one of the newspaper columnists in this country, Mr. H. I. Phillips, wrote a poem entitled, AMERICA SPEAKS, which is as follows: To meet both ends I seldom can (But I'm a help to Pakistan); It's hard to keep my shirt and pants (But after all, I'm fond of France) I guess I'll have to break my lease (I must cooperate with Greece); Hedged in by debts quite cast I am (But I must not neglect Siam). The wolf from door I can't repel (Still I must help keep Burma well); By Tuesday I am out of dough (Malaya's feeling better, though); My dollar very little buys (But Egypt's safer, I surmise); My own financial outlook's murky (But still my heart belongs to Turkey). I'm busted flat, and feeling blue (But I'm a pal of Timbuktu); We're adding breadcrumbs to our

hash (Who cares? Ain't Tito short of cash?); The sheriff's knocking on my door (However, England's asking more); I'm in a hole, but feeling noble (I wish things are not quite so global!)

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

There has just been the regular routine of issuing books to the children this week. Two small Wonder Books were purchased at a local store, and some replacement books for the girls were shelved. They almost wear Carolyn Keene's and the Cherry Ames nurse copies out during a season. These are popular with each group.

A friend gave us several copies of Double Day Dollar and other book of the month copies this week. Unless you were struggling to keep reading material in readiness as I do, you can't possibly realize the value of this gift, as they even possess their original jackets, and are copies of the last few years. They will be ready for issuing soon.

We are quite delighted to have so many members from the Lelia Lake district read with us. They had a teacher the past year who was an excellent patron of the Library and very progressive, so she likely influenced them. Reading is such a broadening influence. Good literature develops the vocabulary and lends contact with other influences, if one selects their reading material carefully.

We have some memorial copies ordered and several other interesting facts to reveal to you soon.

Duhon - Landers Vows Exchanged

In a candlelight service Wednesday, June 12, at the First Methodist Church, Winnie, Texas, Miss Lola Janelle Duhon, daughter of Mr. and Mrs. W. M. Duhon, Sr. of Winnie, became the bride of Mr. Don Alvin Landers, son of Mr. and Mrs. Alvin Landers of Clarendon, Texas.

Rev. Bill Oliver III, pastor of the Methodist Church at Devers, Texas, read the double-ring ceremony before an altar decorated with tiered candelabra footed with greenery. White satin ribbon marked the family pews. Paul Grooms, nephew of the bride, lighted the tapers.

Miss Linda Jones, Winnie, Texas, organist, played a nuptial prelude and the traditional wedding marches, and accompanied Miss Nancy Stobart, Winnie, Texas as she sang "The Lord's Prayer"—Malotte.

Attending the bride as maid-of-honor was Miss Rosemary McAdams, Winnie, Texas and bridesmaids, Miss Deanna Heartfield, Winnie, Texas, and Miss Lillian Arrendell of Cleveland, Texas. Their dresses of pink crystalline were fashioned with a full, ballerina length skirt and fitted bodice. Shoes, headpiece and cumberbunds were in a darker shade of pink. They carried bouquets of pink carnations.

Mr. Alvin Landers was his son's best man. Serving as ushers and groomsmen were Francis Duhon, brother of the bride, and

Donald Spencer of Winnie, Texas.

The bride, given in marriage by her father, wore a ballerina length gown of tulle and lace. The fitted bodice was designed with long sleeves terminating in points over the hands, and a scalloped neckline. Ruffles of tulle cascaded from the waistline to the hem forming a bustle to the back of the bouffant skirt. Her finger-tip veil of illusion fell from a tiara studded with pearls. Her only jewelry was a strand of pearls. She carried a bouquet of an orchid and stephanotis on a white Bible and observed all of the traditions of something old, new, borrowed, blue, and a penny in her shoe.

For her daughter's wedding, Mrs. Duhon chose a dress of blue lace accented by white accessories. Mrs. Landers, mother of the bridegroom, wore a dress of beige lace complemented by beige accessories. Both wore a corsage of orchids.

Immediately following the ceremony a reception in the church parlor honored the bridal party. Miss Katherine Franzen, Winnie, Texas presided at the registrar.

Refreshments were served from a table laid with a floor length cloth of net over a pink underskirt. An arrangement of white daisies flanked by pink tapers in crystal candelabra centered the table. The three tiered wedding cake topped with a miniature bride and groom and decorated with pink rosebuds was served by Miss Marjorie Devillier while Miss Valarie King poured punch.

For the wedding trip, Mrs. Landers chose a two piece dress of silk and cotton in a pink check accented by white accessories.

Mrs. Landers is a graduate of the Winnie High School and Clarendon Junior College. Mr. Landers graduated from Clarendon High School and has attended

Clarendon Junior College and Texas Tech at Lubbock. The couple will make their home in Clarendon, Texas for the summer and in the fall will move to Amarillo so that Mr. Landers may attend West Texas State College through the fall school term.

Among the out-of-town guests attending the wedding were Mr. and Mrs. Alvin Landers of Clarendon, Mr. and Mrs. Robert Duhon of Thibodeaux, La., and Mrs. Ray Groom of Orange, Texas.

Elliott - Stout

Miss Otha Dean Elliott of Clarendon, daughter of Mr. and Mrs. Othel Elliott, recently became the bride of David Stout, son of Rev. John Stout in a double ring ceremony read by Rev. Harold Elliott of Amarillo, brother of the bride and Rev. John Stout, father of the groom at the Martin Baptist Church.

Mrs. Harold Elliott, pianist, played traditional wedding selections and accompanied Miss Harlene Smith who sang "Always" and "Because."

The couple exchanged vows before a candelabra with greenery and white carnations. Matron of honor was Wilma Elliott, sister of the bride, and Jimmie Stout, brother of the groom was best man. The bride was given in marriage by her father.

After the wedding, a reception was held at the church. Presiding at the table were Miss Wanda Elliott and Miss Nelda Tims. Miss Barbara Darnell was at the registrar.

W. T. Elliott and Melvin Housden were ushers.

Following their wedding trip to New Mexico, the couple will be at home in Amarillo where Mr. Stout is employed at the Western Electric Co. He is a graduate of Clarendon High School and Mrs. Stout was a Junior in Clarendon High School.

BARKER—TOZER

Miss Thelma Carol Barker, daughter of Mr. and Mrs. A. P. Jackson of this city and George R. Tozer, son of Mrs. W. M. Bearden of Amarillo were married June 19th in Barstow, Okla.

After a wedding trip to points in California, they will reside at 818 Bolton St., Amarillo.

ASHTOLA NEEDLE CLUB

On June 19th the Ashtola Needle Club met at the home of Hazel Brandon in Clarendon. The meeting was opened with a prayer by Lillie Knox.

We drew names for Pollyannas for the next six months. Pollyannas for the past six months were revealed, each receiving a gift.

The committee on the cake sale reported they brought \$33.50. Each member is to make a big bib apron for the club.

These will be no club meeting the first Thursday in July but on the night of the third Thursday will be family night, and each member is to bring a freezer of ice cream or a cake. No meeting that afternoon.

Had one new member. The hostess Hazel Brandon served delicious refreshments to 22 members and several children.

GARDEN CLUB

Members of the Garden Club met at Patching Club House Thursday morning, June 20, for a 9:00 A. M. coffee. Hostesses were Mrs. Pete Kunz and Mrs. C. E. McDowell. Beautiful garden flowers were used in decoration.

Meeting was called to order by the president, Mrs. John Goldston, and Mrs. Lee Holland led in prayer.

Coffee, tea, a fruit plate and orange rolls were served from a beautifully laid table with Mrs. John Goldston presiding at the silver service.

Program for the morning was a garden pilgrimage. Beautiful gardens and yards visited were those around the J. L. McMurry home, the J. D. Swift home, the John Swinney home, the Bertha Benson home and the hospital grounds.

Attending were one visitor, Mrs. R. Y. King, and members: Mesdames Bill Greene, Walter Taylor, J. L. McMurry, Lena Antrobus, M. C. Rampy, H. T. Warner, O. C. Watson, Lee Holland, John Goldston, Misses Ida and Etta Harned and the hostesses, Mrs. Kunz and Mrs. McDowell.

H. D. CLUB

The Senior H. D. Club met Friday afternoon in the home of Mrs. William Payne. Beautiful bouquets of roses decorated the entertaining rooms.

Mrs. Bertha Benson called the meeting to order for the usual order of business. Mrs. C. H. Darling read Club Collect. Roll was called and the secretary's report given.

The following officers were elected for the coming year: President, Mrs. Clyde Butler; Vice-President, Mrs. R. C. Bingham; Secretary-Treasurer, Mrs. G. L. Green; Reporter, Mrs. O. C. Watson.

Refreshments of cake, ice cream, and a fruit drink were served to Mesdames C. H. Darling, C. D. McDowell, Clyde Butler, O. C. Watson, Claude Darden, G. L. Green, Virgil Pool, and W. L. Jordan by the hostess, Mrs. Payne.

This will be the last club meeting until September. —Reporter.

CHAMBERLAIN SOCIAL

The social at the Chamberlain Community Center Friday night, June 21, 1957, was enjoyed by all present. We wish to thank Mr. Frank Thomas for his kindness in giving us a refrigerator for the Community Center. The next community get-together will be July 5. We are having an ice cream social and everyone is invited. Just bring a freezer of ice cream or a cake and enjoy an evening of friendship with us.

Chamberlain Community Center

When Chamberlain Community Center was organized last year we didn't know that we would be honored with an award for our community work, but that is what took place June 19, 1957. At noon the neighbors all gathered for a covered dish luncheon. After an enjoyable lunch, our president, Mrs. J. C. Heathington, welcomed our special guests, neighbors, and friends, and gave a brief account of how we had entered the Rural Neighborhood Progress contest. This contest is sponsored by the Farmer Stockman Magazine in cooperation with the Texas A&M College Extension Service.

Mrs. Heathington introduced Mr. Regan Brown of the Texas A&M College Extension Service. He gave an interesting talk encouraging us to set our goal for more improvements during this year. Mr. Brown then introduced Miss Lois Wilson, the District 1

Supervisor of Home Demonstration Service, of Amarillo. She congratulated the Community and presented us the "Certificate of Award", for outstanding achievements this year. Mr. Brown then introduced Miss Katherine Randall, Home Editor for the Farmer Stockman Magazine. After a very interesting congratulatory talk, Miss Randall presented the Community with a check for fifty dollars from the Farmer Stockman Magazine for winning fourth place in the Rural Neighborhood Progress contest.

Our most sincere thanks go to Mr. Brown, Miss Wilson, and Miss Randall, and especially do we thank our County Agent, H. M. Breedlove, for his encouragement and untiring efforts in helping us with our Community Center. We, of the Chamberlain Community Center, appreciate and thank each and every one who has helped make this Center possible and extend an invitation to everyone to come and enjoy our social get-togethers.

We wish to express our sincere gratitude and thanks for the gifts, food, flowers, and many other expressions of sympathy during the illness and death of our husband and father.

John W. Moffett Family.

We wish to express our thanks and appreciation for the lovely flowers and beautiful cards, visits and all the nice things that was done for me while in the hospital. May God bless each of you.

Mrs. M. P. Hamblen.

Homemakers Field Trip

The Homemaking Dept. of Clarendon High School has continued to be a busy place on through the month of June. Twenty-eight girls are taking the summer course for one-half credit. Highlighting the course was a field trip to Amarillo June 20th. The tour included Southwestern Public Service Co., Pinkney Packing Plant, and Meade's Bakery, with lunch at the Silver Grill and swimming at Thompson Park just before the return trip home. This tour was arranged through the courtesy of Mr. Garford Wilkinson, director public relations, Amarillo Chamber of Commerce.

At the Southwestern Public Service, Jimmie Brown, Home Economist, explained in detail the operation of the Electronic Range. She explained that this range must have a short warm up period; the cooking is done by a magnetron tube; there is no heat in the oven, but in the food. Food is cooked on paper plates, glass or your serving dishes provided they are not metal trimmed. In ninety seconds you can fry bacon with no curling or spattering. Miss Brown cooked a one layer cake in three minutes. The girls could watch this process through the oven door. Cake cooked in this oven does not brown but will have color of batter, and the volume is one layer higher than when cooked in any standing range. This range sells for \$1195 at this time.

At Pinkney Packing Plant they were processing hogs. The killing, curing and packaging for market was explained.

At Meades Bakery, we were privileged to see the huge machinery used in bread making that we had seen on film. Eleven hundred pounds of dough was worked at one time. The only

work done by hand was the twisting of the dough before placing it in loaf pans and the actual placing of the pans in the ovens and taking them out again.

Those making the trip were Jacquie Bell, Ann and Wilma Elliott, Glynnell Hoggatt, Judy Johnson, Betty Parker, Sharon Smith, Ann Weatherly, Jo Ann Wood, Elaine Behrens, Georgia Harmon, Robbie Lou Johnson, Barbara Keontz, Beth Lamberth, Georgia Robertson, Pat Schull, Beth Bourland, Lynn Bourland, Linda Kay Hardin and Betty Graham. They were accompanied by Mrs. Hall Hardin and Mr. and Mrs. Fred Bourland. —Reporter.

RETURN FROM VACATION

Mr. and Mrs. M. L. Pittman and Mr. and Mrs. Dewey Hendrix and Martin recently returned from a ten day visit with Mr. and Mrs. E. W. Means at Rockport, Texas. They report fishing poor but a most enjoyable trip.

Mrs. Gail Ledbetter and Gary of Conroe, Texas and George Watson of Dallas came Friday to help their father, O. C. Watson, celebrate his birthday. George returned home Monday but Mrs. Ledbetter and Gary remained to visit a few days.

Mr. and Mrs. Jack Matthews of Amarillo announce the arrival of a daughter, Cheryl Jeanine, at St. Anthony's Hospital Friday, June 21. The little Miss weighed 7 lbs. 4 oz. Mrs. Matthews will be remembered here as Jeannie McAnear.

Mr. and Mrs. Walter Warner of Iowa Park, visited the weekend in the home of his parents, Mr. and Mrs. H. T. Warner, and returned their son, Haverde, home with them. Haverde had visited the past week with his grandparents.

Mrs. H. T. Warner and grandson, Haverde Warner of Iowa Park, Mrs. J. I. Spurgeon, and Mrs. Victor Smith and grandchildren visited the museum at Canyon Friday.

Our sad-faced friend is Bill McGoo,
 Who thought he'd bought a car brand-new;
 And while he got a "special deal"
 His disappointment he can't conceal!

While others drive in Swept-Wing style
 Poor Bill just mutters curses vile:
 "They got new styling, features, too—
 "I bought a 'deal'—boo-hoo, boo-hoo!"

Moral: Yesterday's looks and features are no bargain at any price!

No car is a bargain if it's obsolete in styling and engineering features. And the Swept-Wing Dodge actually *obsoletes* other cars in its field with its low, low look of tomorrow and revolutionary advances like Torsion-Aire Ride, Push-Button TorqueFlite and Total-Contact Brakes. So don't get "bargain-talked" into yesterday's styling and features. The *same money* buys the car that's years ahead. See your Dodge dealer. Join the swing to the Swept-Wing Dodge.

FROM WARM SPRINGS FACT & FANCY

THE DOGHOUSE

by Bob Bartos
Prominent Dog Authority

A home of his own can be as important to a dog as it is to a human. It gives him a refuge from the hustle, bustle and noise of man's world. It is his castle.

An indoor doghouse may be a simple crate that can also be used in transporting the dog.

Dog of the Week:
CHOW CHOW
Average weight: 60 pounds; Height at shoulder: 20 inches; coat: soft, woolly undercoat and dense, coarse outercoat that stands away from the body; color: any solid color.

Or it may be located in the basement, with an entrance through the basement window, or in a garage with a special door for the dog.

In most areas, an outdoor dog house is ideal, since insulation and heating can be added in cold climates. A lightbulb, from 40 to 100 watts, can be installed (protected by a shield) and a simple thermostat in the power line will turn it off and on to provide even heat in the house.

Whether plain or fancy, a doghouse should be of proper size and be correctly ventilated without draftiness. If made portable, it can be placed in a shady area in summer and a sunny area in winter. A removable roof will make it easy to clean.

Unless it is intended for warm climates where airiness is vital, it should not be made too large. A good working formula is to allow 36 square inches of space for each inch of shoulder height in the sleeping quarters. The inside height should accommodate the dog in a sitting position with his head up.

The general plan of a doghouse should consist of an entrance passageway on one side of the house, and sleeping quarters on the other side. Access to the sleeping quarters is thru an opening in the inside wall of the passageway at the rear. In this way, the sleeping quarters get maximum protection.

Feeding Tip: There may be times when your dog is not getting enough fat in his diet—particularly if he is using up a lot of energy. Safest and easiest way to be sure he gets the proper amount of fat is to use an all-purpose dog food such as Friskies.

It isn't generally known as yet, but word has reached me that the Bureau of Internal Revenue has halted an advertising program by the liquor industry designed to boost "curative and therapeutic" value of whiskey.

I had, on occasion, been inclined to refer to this agency as the "Infernal" Revenue Bureau, but this turn of events has thrown a new light on the word "Internal" in the title. It is now quite apparent that these people are actually concerned with what happens in your tummy.

Of course, if the news gets spread around—as it's sure to—there are a lot of old geezers who will be right smart shook up over the stand the Bureau has taken. Mama has been telling them all these years that they really can't help that snuffle very much by guzzling 100-proof Old Vulture. And while Mama carries a lot of weight, she can't hold a candle to the power of the Bureau.

But I can tell you right now that some of the boys who claim that the liquid of joy juice can cure anything from ptomaine poisoning to ingrowing toenails aren't going to give up without a struggle. The "toddlies for tummies" set is bound to come up with a tome of testimonials and carloads of case histories of miraculous cures that have been wrought by their time-honored alcoholic medications.

I can just see them quoting Mark Twain who observed: "An Irishman's stomach is lined with copper, and beer corrodes it. But whiskey polishes the copper and is the saving of him." Those defending the therapeutic properties of liquor are bound to quote Mrs. Louisa Thomas who wrote: "How odd it is that a little

Scotch can raise Dutch courage to highest notch."

In fact, if these lads should ever get organized, the Bureau might well wish it had left corn-squeezings alone and stuck to squeezing delinquent taxpayers.

The Gonzales Warm Springs Rehabilitation Foundation is proud to announce that a vacancy on our medical staff has been filled by H. W. Gaddis, M. D., of Corpus Christi, who assumed his duties on June 1.

Dr. Gaddis will be responsible for the general health of the patients, which is a very important function at the Foundation. Many patients are in a weakened condition as the result of their involvement and therefore quite susceptible to colds, viruses, and the like.

By keeping up the general health of the patients, the vital program of physical medicine can be administered for maximum benefit in a minimum of time.

Indians in the United States were given citizenship on June 2, 1921.
