DUSTERS LOSE TOSS; LAST GAME OF SERIES TO BE AT GROOM

The Clarendon Dusters hit their usual stride Sunday afternoon and beat Groom 16 to 8 in the second game of the Caprock League three game play-off. The game was played at Groom where the home run fence is usually found by one or more Duster players. Groom won the first game of the series here Sunday week ago by a one run margin.

The Dusters led throughout the game with the exception of the fourth inning when Groom tied the score up at 4 all. The Dusters went ahead in the fifth with 2 more runs and then had a regular picnic in the eighth inning at which time Don Loyd hit a home run with two men on and Skinny Putman repeated the act a few minutes later with one man on. This gave the Dusters a total of six runs in the 8th. Groom came back with a little scare in the last of the eighth by knocking in four runs. The Dusters were only four runs ahead when the ninth started and broadened their lead by adding four more runs and then held Groom scoreless in the last of the ninth.

Frank Pilcher went all the way on the mound for the Dusters, allowing runs to be made in only three innings. He did a very good job of pitching all the way

through and worked his way out of several situations when the going looked quite rough.

The third and final game of the Caprock League series will be played at Groom next Sunday afternoon beginning at 3 o'clock. A neutral field could not be agreed upon so a coin was tossed to see whether it would be played here or at Groom. The Dusters lost the toss.

The game last Sunday was well worth the trip over to Groom to see and the final game this coming Sunday is expected to be even better with the Dusters putting forth their very best to win the Caprock League title this year. Clarendon was well represented at the game Sunday with eight out of every ten cars being from the vicinity of Clarendon or Hedley. The Dusters appreciate this support and are looking forward to seeing a larger group of boosters at the game next Sunday.

Seeing action in the game for the Dusters at Groom last Sunday were Billy Roy Blackman, Don Dorman, Gene Putman, Don Loyd, Jimmy Jenkins, Skinny Putman, Junior Spier, Gene Bulman, Frank Pilcher, and John Richey.

Drouth Conditions Fail To Dampen Spirit of Donley Fair Exhibitors

The Donley County Fair, Horse Show and Races will be held in Clarendon on September 19th and 20th. H. M. Breedlove, secretary and manager of the fair says in spite of the drought it is going to be a big fair in the county. There are eleven departments in the fair and nine hundred dollars will be given in prize money for the winners of the different departments. C. L. Lewis, president of the fair, says that all departments are functioning in good shape and that a big crowd is expected both days of the fair. All exhibits will be set up on the 18th so that they will be ready for judging on the 19th.

The different departments of the fair are the community agriculture exhibits with J. Gould, H. M. Breedlove and Doyle Messer as superintendents; Poultry department with E. V. Quattlebaum, Tom Seay and Frank White Jr. as superintendents; Rabbit show, Tommy Saye and Carl M. Bennett, superintendents; Home Economics department, Ruth Richerson, superintendent; Flower Show, committee, Mr. Kunz, Chairman, Mrs. W. W. Taylor, Mrs. W. J. Lewis Jr., Mrs. Frank White Jr., Mrs. Tom Seay, Mrs. Bill Thornberry, Mrs. Homer Glascoe, Mrs. Charlie Seeds and Mrs. Carroll Knorrp; Horse show, superintendents, Harry Brumley, Joe McMurtry, Fontayne Elmore, Bob Head, Dairy Show, John Gillham, G. W. Bradshaw, R. Cannon; Boys Swine show, E. S. Ballew, Tom Seay, Jack Ballew; Sheep show, Tom Seay, Jack Ballew; Races, Pat Slavin, Bob Head, A. W. Howard, Joe McMurtry, Fontayne Elmore, Alfred McMurtry; Merchants department, superintendent, R. E. Drennan.

The Clarendon Press is printing the catalogs and will be off the press this week. The fair is financed by the business men and individuals who buy ads in the fair catalog. People all over the county are working on the different departments getting ready to set up their exhibits on the 18th. The board of directors of the fair ask you to make your plans now to attend the county fair. The horse show will be held the afternoon of the 19th at the rodeo grounds at 2:00 P. M. and the races the afternoon of the 20th at the rodeo grounds at 2:00 P. M. The dairy show the morning of the 20th and all other exhibits will be in place for both days of the show at the fair ground buildings on the Brice highway.

Much Needed Moisture Falling Over State

According to the weather report at noon Wednesday, it looks like the drouth over the state has been broken with showers to good rains being reported from the Gulf northward. The light showers which began falling here early Wednesday netted out a total of .15 inch of moisture at noon according to official measurement by Joe Goldston.

A good rain at this time will be beneficial in many ways other than just helping the morale of everyone in general. Some grain has already been dry planted and others are waiting to plant, in hopes of growing quick pasture. We all hope for a good soaker which will lessen the possibility of another dust bowl.

Services Held Sunday For Pioneer Lady

Funeral services were held Sunday afternoon at the First Presbyterian Church for Mrs. Bertha Warner Kent with Rev. Howard E. Scott officiating.

Mrs. Kent, 75 years old, died Friday morning at the home of a son, Fayne Kent, in Phillips. She had been making her home there for the past seven years and prior to that time had been a resident of Donley County for 60 years. She was born in March 1877, in Kentucky and was teaching in Clarendon in 1899 at the time of her marriage to J. W. Kent. Mr. Kent, who died in 1945, had been superintendent of the JA Ranch for 40 years. She was a member of the Presbyterian Church.

Survivors include three sons, Van Allen Kent, Amarillo; Jarrett Fayne Kent, Phillips; and Ernest Warner Kent, Clarendon; two nephews, Allan Jefferies and H. T. Warner and a niece, Mrs. Joe David of Clarendon. Other nieces Mrs. Hazel McDonald, Fayetteville, Ark., and Mrs. Melba Rowan, Dallas.

Pallbearers were Bill Weatherly, Bill Thornberry, John McClellan, Boy Blackwell, Joe Ritter, John Rhea, Wylie Morris and Joe McMurtry.

Interment was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

Miss Jessie Ingram of Amarillo visited friends here Saturday.

MRS. JENNIE V. WYNNE

Cooking School To Be Held Here Thurs., Sept. 18

How would you like to cook your family's meals simply by turning a switch? Today, the homemaker can accomplish just that - - - cook a complete meal by just turning a switch. Mrs. Jennie V. Wynne, widely known Home Economist, will demonstrate the most recent and proven developments in modern cooking at the demonstration which will be held Thursday, September 18, in the Lions Club Building at 2:15 p. m.

Mr. A. D. Walker, West Texas Utilities Company Local Manager, has issued an invitation to all the housewives in Clarendon and the surrounding area to be his guests at the demonstration which is planned as one of the best ever conducted here.

The demonstration, sponsored by the West Texas Utilities Company, will be conducted by Mrs. Jennie V. Wynne, a senior Home Economist for Frigidare Sales Corporation. Mrs. Wynne will be assisted by Mrs. Doris Moore, Home Economist for WTU Co's Clarendon-Childress district.

Mrs. Wynne, who will present the very latest in food preparation and time saving methods, is a graduate Home Economist with years of practical experience. She has had special training in food preparation, preservation, and quick-freezing techniques at the nationally famous Frigidare Home Economics Department at Dayton, Ohio.

Recipes and favors will be given to homemakers who attend the demonstration. All the food used in demonstrating the modern electric way of food preparation will be presented to women attending the school.

Graveside Rites For W. S. Cloyd To Be Held Sunday

Graveside services have been set for William S. Cloyd at 4 p. m. Sunday afternoon at Citizens Cemetery. Rev. I. E. Biggs, pastor of the Methodist Church, will officiate.

Mr. Cloyd, a former fry cook at a local cafe, died from what officers described as foul play sometime around August 10th. His body was found in northwest Clarendon August 21st by Olan and Oscar Castleberry. Officers are still investigating the case.

Survivors include two sons, Loy Wayne of Plainview and Dewey Edward Cloyd who is serving with the army in Korea; one brother, Loy Cloyd, Eddingberg; three sisters, Mrs. Garland Wright, Eddingberg, Mrs. Louie Heltz, Dallas, and Mrs. Edward Sullivan, Pilot Point, Texas.

Pallbearers will be Alva Devers, Marshall Harp, Hershel Thompson, Kennard Davis, C. E. Flowers, Doyle Phillips, Wesley McCrary, Sid Endsley, Walter Green and Raymond Martin.

Funeral arrangements and burial will be under the direction of Murphy-Spicer Funeral Home.

Mr. and Mrs. Jeff Baker and children of Pampa were guests in the Clyde Butler home Sunday.

Gillham Jersey Herds Sweep Honors At Colorado State Fair

Entries of the J. R. Gillham Jersey Herd swept all the top honors of the Colorado State Fair at Pueblo last Monday. Gillham's entries won the blue ribbon in every class in which they were entered provided the junior champion male and female, the senior champion male and female, and the grand champion male and female. The competition was limited largely to herds from Colorado.

Aim's Noble Prince was selected as grand champion bull of the show and Aim's Oxford Marie, a two year old, was selected as grand champion and best uddered Jersey cow at the annual exhibition.

Gillham's herd will be exhibited at the Oklahoma, Texas, and Louisiana State Fairs later in the season. A number of the top herds in the United States will be exhibited at these fairs. A three year old cow and a yearling bull from the Gillham herd will be sold in the Texas Jersey Cattle Club Sale at Tyler, Friday, September 12th.

"Faith Mission Off To A Good Start"

Last Sunday morning we had 38 present and 39 Sunday night with \$150 offering. We appreciate our friends who are standing by. Some friends have given one half block of land in Clarendon for this Mission to build on, for which we are deeply grateful.

We are meeting for the time being in the Mulkey Theatre. We want to express our gratitude to Mr. Lee Bell for making this building available to us.

Rev. W. H. DeBord will preach Sunday morning and evening, Sept. 14th. Bro. Fitzgerald will be the preacher for Sunday, Sept. 21. Services will begin at 10:30 a. m. and 8 p. m. Everyone is welcome. "The Mission where every body is some body."

Ernest Phillips, Pastor.

John and Seth Swinney took in the annual community gathering at Boonville in Wise County last Sunday. John reported one of the swellest picnic lunches he has ever tried to overstuff on. Boonville is the Swinney's boyhood stomping ground. They reported a very enjoyable visit with their many friends there.

Mr. and Mrs. Olace Hicks were in Amarillo Saturday on business.

Property Owners Being Contacted For Street Paving

Indications are that the first area in Clarendon to have paved streets as a result of the Paving Election held on June 21st will be Fourth Avenue beginning at Jefferson Street for four blocks west to the Koogle Street intersection and the two blocks on Koogle Street between Third and Fifth Avenues.

"We have had more requests for paving from property owners in this area than from any other part of town", Jimmy Faulkner, C. of C. manager told a meeting of the Civic Improvement Committee Wednesday morning. "There are a few of the people in this area that will still have to be contacted but we feel that they will not hinder the progress of street paving in Clarendon by holding out," he said.

It was pointed out that at this time money is to be collected and put in an escrow account so that when all property owners are signed the contractor can be notified and the work commenced. If this area should fail to be signed solid, then the funds collected, will be returned to the property owners.

All property owners in the area are being contacted by committee members this week and they will report the progress of their collections at a breakfast meeting next Monday morning at 7 o'clock.

Members attending the Civic Improvement Committee breakfast Wednesday morning at the Donley Hotel Coffee Shop were Rayburn Smith, Odos Casaway, W. W. Sandifer, Barcus Andros, Chairman J. G. McAnear, Miss Ruth Richardson and Jimmy Faulkner.

Other groups of the Civic Improvement Committee of the Chamber of Commerce will meet in the near future to work on other areas to be paved. After the funds are collected and deposited the responsibility of the Chamber is fulfilled and the City and Contractor are responsible for completion.

BAND PARENTS NOTICE

The first regular meeting of the Band Parents will be held in the Band Hall, Monday evening, Sept. 15, at 8 o'clock.

All parents of students participating in band work are invited to meet with this group Monday evening, and get some idea of the purpose of this organization.

BRONCHOS IN SEASON OPENER AT CHILDRESS FRIDAY NIGHT

Broncho B Team Defeats Dumas B's 13 to 0

The Clarendon Broncho B squad opened the season last Friday night against the B team from Dumas and came out victors by a score of 13 to 0. The first score came in the first quarter when Jimmy Thompson plunged over from the one. The second touchdown was made in the fourth quarter when Hubert Kidd took a nice pass and skirted on over for the counter. Thompson plunged over for the extra point.

Coach Tom Herrell reported that he was well pleased with the way the boys showed up in this game as a number of them had very little experience. Several of the boys showed up exceptionally well and have a good opportunity to see quite a bit of action with the first string, Herrell stated. Two linemen, Glenn Wallace and Bill Noblet, were mixed up in practically every play that was within their range. Philley showed up exceptionally well in the defensive half position. A good crowd was out to see the game and local fans are looking forward to seeing more of these boys in action throughout the season.

REBEKAH LODGE TO HOLD BAKE SALE

The Rebekah Lodge will have a cake sale in the old post office building Saturday September 13 from ten until one. The ladies invite you to come by and pick up a delicious cake to take home for your Sunday dinner.

Mobile Unit For Collecting Blood Will Be In Clarendon October 3rd

AMARILLO AIR FIELD HOSTS TO REGIONAL PRESS MEET

Mr. and Mrs. G. W. Estlack and Jackie attended the Regional meeting of the Panhandle Press Association Saturday morning at the Amarillo Air Force Base.

Guests registered in the Officers Club, where they were greeted by Major Porter L. Oakes, Information Service officer, and were then taken on a tour of the base, beginning with a parade of some 3,500 airmen honoring the newly named brigadier general, Ray H. Clark, AAFB commander. Following the review, members of the press were briefed on the base mission and its growth by General Clark, before being conducted on a tour of the base schools and training facilities.

The convention's business meeting and general session began at 2 P. M. after luncheon at the officers' club. Guest speakers at the meeting were J. C. Phillips, editor of the Borger Herald, W. A. Rutherford of the Dumas News and Wilson Still, representative of the National Cotton Growers Association. President Allen Hodges of Littlefield presided.

President Hodges spoke for the group in congratulating their host, General Clark, upon his promotion and expressed the association's appreciation for his courtesies and hospitality.

SIMS P.T.A. TO MEET NEXT THURSDAY

The Sims P.T.A. will hold their first meeting of the present school year Thursday afternoon, Sept. 18. The meeting will be held in the Junior High School Auditorium at 3 o'clock.

Mrs. Lawrence Necece, president, announces that the eighth grade will be in charge of the program, "Discussion 66." All parents of students attending either the Elizabeth Stevens Ward or the Junior High School are invited to attend.

The Clarendon Bronchos will open the 1952 football season in grand fashion Friday night when they meet a reportedly superior Childress Bobcat team on their own field in Childress. The game time has been set for 8 o'clock.

Coach Tom Harrell reported that the Bronchos were in good condition for the game and should be able to give the Bobcats plenty of opposition. The Bronchos have been working hard since the start of school and are better balanced with more reserve power, he added. Jack Clifford is the only casualty so far and he will probably be out most of the season with an injured leg which was received during practice last week.

The probable starting line-up for the Bronchos will be Mike Murff and Robert Bain at ends, Fred Clifford and Bobby Holland in the tackle positions, Donald Smith and Clifton McNabb as guards and Jimmy Lamberth at center. Making up the backfield will be Bobby Johnson as quarterback, Cotton Hall and Earl Morrow at the half-back positions and Lovell Myers at full.

Mike Murff and Lovell Myers have been chosen as the co-captains for the Bronchos and will act in that capacity.

Coach Ray Moore reported that a pep rally would be held tonight at 8 o'clock on Main street. All Broncho boosters are invited to take part in the rally and give the Bronchos an inspiring send-off. He also stated that season tickets for home games were now on sale at Glenn's Jewelry, the Donley County State Bank and also may be purchased from any of the volunteer fire department personnel.

A mobile unit for collecting blood will be in Clarendon October 3rd and at least 150 pints will be set as the goal. Blood will be used as whole blood and plasma and will be sent directly to Korea. This program is being sponsored by the Red Cross of which Miss Charlotte Molesworth is chairman.

Mrs. Charlie Seeds is taking over the duties of blood program chairman and has already lined up her committees. Mrs. Brack LaGrone will head the volunteers for the downtown campaign. Mrs. L. P. Moore is in charge of the personal contact committee. Mrs. Wm. J. Lowe is publicity chairman. Chairmen for various communities are being selected and will be announced later.

The donor center is to be set up in the Canteen and the hours for October 3rd will be from 10 a. m. until 4 p. m. The schedule will work by appointments only says Mrs. Seeds. These appointments will be made on Sept. 22 and 23 when citizens are contacted by volunteer workers.

Persons from 18 to 60 years are eligible to give blood if physical health permits. Donors under 21 must have permission of their parents with the exception of married women eighteen or over. Trained technicians, nurses, and doctors will accompany the bloodmobile here and will be assisted by Dr. Ben K. Humphrey.

Billy Bradshaw Is Polio Victim

Billy Bradshaw, son of Mr. and Mrs. G. W. Bradshaw, was brought home Tuesday from an Amarillo hospital where he had been receiving treatment for polio. Mr. Bradshaw reported Tuesday afternoon that Billy was getting along nicely and that no paralysis was indicated at this time although his case was diagnosed as being of a serious nature but received proper attention in time. Billy's many friends wish him a speedy recovery.

HOT MUSIC BOX—This electrically heated clothes dryer gives with a wall when wet wash is dry, thanks to inventiveness of William A. Wasemann of Mansfield, Ohio. The 30-year-old laundry-equipment creator rigged up the device that plays "How Dry I Am" at the end of each drying cycle. Wasemann earned his mechanical-engineering master's degree with a thesis on harmonics of vibrating strings, was assigned development of the musical attachment at Westinghouse's Electrical Appliance Division.

HESS-STAVENHAGEN

Mr. and Mrs. Lee Hess of Claude announce the marriage of their daughter Joyce Lee, to Edward Lee Stavenhagen, son of Mr. and Mrs. John Stavenhagen of Lelia Lake.

Bro. Maddox of the First Baptist Church of Clovis, New Mexico, read the double-ring ceremony on August 22, 1952 at 2:45 P. M. Her only attendant was her sister Corinne Hess. Best man was Mack Stavenhagen, brother of the groom.

The bride wore a dawn gray faile suit with black and white accessories. Her corsage was of white carnations.

Joyce was graduated from Claude High School in the 1950 class. She graduated from San Jacinto Beauty School in 1951. Mrs. Stavenhagen worked in Claude and Amarillo. She is now employed in Pauline's Beauty Shop in Clarendon.

Ed attended school at Lelia Lake. He served four years in the U. S. Air Force in the 14th Division. He is attending Clarendon Junior College.

They are at home in Clarendon.

JR. H. D. CLUB NOTICE

The Jr. H. D. Club will hold their first meeting of the club year Thursday afternoon, Sept. 11, at 3 o'clock in Patching Club House. All members are urged to be present as the president-elect has found it necessary to resign and a new president must be elected.

LEGION AUXILIARY TO MEET

The American Legion Auxiliary will hold their regular meeting in the Legion Hall Monday night, Sept. 15. The meeting will begin at 8 o'clock. All members are urged to be present.

T.E.L. S. S. CLASS

The T.E.L. Sunday School Class of the First Baptist Church met for a luncheon on Tuesday at 1 o'clock.

A covered dish lunch was enjoyed by members of the class and four visitors. The visitors were Rev. and Mrs. Howard Scott and Mr. Scott's mother, and Mrs. Cole.

Members present were Mesdames Heath, Naylor, Goin, Rumpy, Lane, Gibbs, Butler, Dawkins, Barten, Davis, Ray, Darden and Bingham.

The group sang two songs and Mrs. Gibbs gave the devotional. An hour of visiting and fellowship was followed by a business meeting conducted by Mrs. Darden, President of the class.

A box was packed for the Children's Home at Round Rock. Another box was sent to the girl living at the Round Rock Home who is sponsored by the Class.

The next meeting date is the second Tuesday in October. All members are asked to remember this date.

HOMEMAKERS CIRCLE

The Homemakers Circle of Women's Society of Christian Service, Methodist Church, will resume regular meetings fourth Wednesday of each month at 4 o'clock. Theme of the programs is the study of missions maintained by the society and articles from "Christian Home" magazine. A nursery is provided for mothers of young children.

About 30 members and families enjoyed a picnic at the Country Club in August, the only meeting of the summer.

First meeting will be in the home of Mrs. Frank Phelan, Sept. 24th at 4 o'clock. Anyone interested is invited to be present.

STITCH AND CHATTER CLUB

The Stitch and Chatter Club of Lelia Lake met in the home of Mrs. Mattie Laura Hill, Sept. 2. The afternoon was spent quilting. Much was accomplished for the hostess and was enjoyed by everyone.

During the business session it was decided to have the ice cream party which had been postponed earlier. The social will be held in the gymnasium and volleyball games will be played. It was also decided to have polyanthas and names were drawn.

Delicious refreshments were served to Mesdames Sue Shields, Jo Ann Leathers, Dean Woods, Vida Shields, Mary Jane Smith, Yelive Miller, Hazel Noble, Seretha Morgan, Dorothy Helms, Ruth Hutson and Glendora Gilbreth.

The next meeting will be held in the home of Mrs. Ruth Hutson, Sept. 16.

Reporter, Yelive Miller.

STUDENTS AT JR. COLLEGE ELECT OFFICERS

Students enrolled in Junior College met Sept. 4, 1952 in the Auditorium for the purpose of organizing and electing officers. The following officers were elected: President, Don Dorman; Vice President, George Stephens; Secretary-Treasurer, June Star Allred; Reporter, Blifie Blair; and Canteen Representative, Billy Carl Pittman, and Shirley Barker.

One committee, the social committee was appointed. Those serving are Duane Reynolds, Guy Alden Wright, Glenda Sue Davis, Shirley Morris and Vivian Newberry.

Mr. Vaughn also met with the group.

Leather in Fashion Spotlight

Here's a girl whose whole appearance spells style. Her green tweed suit with boxed jacket is straight from the pages of Harper's Bazaar. And her accessories point up the editor's report that "leather is big fashion news." The zippered bag and cord-seamed gloves are made of tan pigskin—a perfect leather in color and texture to go with rugged tweeds.

CIRCLE I. W.S.C.S.

Circle No. 1 of the W.S.C.S. met in its regular social meeting in the home of Mrs. J. L. McMurtry, Mrs. C. C. Powell being co-hostess with Mrs. McMurtry. The business was in charge of the Circle leader.

Mrs. E. P. Shelton was leader of the program which was on the theme for the year, "Let Thy Light Shine." Mrs. Shelton gave a very interesting talk. She was assisted on the program by Mesdames Lee Holland, Jim McMurtry, J. R. Bulls, Bain, Ritter, King and Hillis. There were 21 members present.

Lovely refreshments of lime sherbet and cake were served during the social hour. There was a report of 40 visits, trays, and flowers for the month.

BIRTHDAY DINNER

Mr. and Mrs. W. M. Pickering entertained Mr. and Mrs. W. J. Williams with dinner in the Pickering home Sunday, the occasion honoring Mr. Williams' birthday which was Friday. A lovely meal was served at the noon hour.

Friends are wishing Mr. Williams "Many Happy Returns of the Day."

MOTHERS STUDY CLUB

The Mothers Study Club met in Patching Club House, Tuesday afternoon, Sept. 9, with Mrs. Carol Lane Phillips and Mrs. Delene Tyler as hostesses. Mrs. Jo Copeland opened the meeting with "The Parents' Prayer."

Those voted on the associate roll were Mesdames Lucille Swinney, Louise Wiley, Pauline Heath and Edith Seay. Plans were made to see about a baby sitter for each meeting.

Delene Tyler gave an interesting talk on "Why We Need a Mothers Study Club" and read the constitution and by-laws. Allie Mae Maxey gave a reading entitled "The Nervous, Jittery Mother."

Those present included the following guests: Mesdames Melba Ruth Vaughan and daughter, Jeannie McKee and son, and Doris Loyd; also members Mesdames Thelma Forest, Nonie Cudd, Jo Copeland, Allie Mae Maxey, Edith Seay, Carol Lane Phillips, Delene Tyler, Anness Bennett and Lie Tyler.

LES BEAUX ARTS CLUB

A breakfast given at the Patching Club House, Friday, Sept. 5, opened the new club year for the Les Beaux Arts Club.

Oriental Art is the theme for the year and this theme was carried out in arrangements and table decorations. In the center of the serving table was a Chinese statue surrounded by greenery. At one end of the table was an attractive display of fruit and at the opposite end was a tray of doughnuts and sweetrolls. Hot biscuits, ham and coffee were also served.

Following the regular business meeting, Mrs. Homer Glascoe gave an extensive analysis of the "Golden Stairs" by Burne Jones, a club room picture. Mrs. C. T. McMurtry gave an original party roll call.

Hostesses were Mesdames Bill Thornberry, Carroll Knorrp, C. C. Powell, Emmett Simmons, and Frank Bourland.

W. S. C. S. MEETS

The regular monthly business meeting of the Women's Society of Christian Service was held at the Methodist Church, Wednesday, Sept. 23. Mrs. C. W. Bennett, vice-president, presided in Mrs. Bairfield's absence. The meeting was opened with the group singing, "Have Thine Own Way."

Mrs. T. M. Caldwell, secretary, read the minutes and Mrs. C. B. Morris gave the treasurer's report. Mrs. Bennett reported that the new linoleum was down in the kitchen. The different committee chairmen made their reports.

Mrs. R. Y. King brought the first in a series of programs entitled "Proclaim the Good News." Mrs. Chas. Lowry gave a part on the program also. Rev. Biggs spoke to the Society on the evangelization program for our church.

There were twenty-five members present and two guests.

F. H. A. CLUB NEWS
by Belva Smith

The Clarendon F.H.A. girls had their first meeting of the season last Monday night at 7:30 in the Homemaking Department.

Some new club officers were elected. Plans were discussed for the initiation of the new members into the club. Also, plans to attend the Dallas Fair, October 4, were discussed.

We elected our club mothers. They are Mrs. Schollenbarger, Mrs. Edgar Talley, Mrs. N. Richardson, and Mrs. Leo Wallace.

The old members had a meeting afterward to discuss in full the initiation of the new members.

MARTIN QUILTING CLUB

The Martin Quilting Club met with Mrs. J. C. Gibbs, Sept. 4, with 7 visitors. As we had not met in two months everyone seemed to enjoy being together again. At noon we enjoyed a bountiful feast served buffet style.

Visitors present: Mesdames W. E. Hastings, Reeves, Adcock, Maggie Hastings. Members present: Willie Roberts, Rosie Birmingham, Emma Davis, Eunice Land, Dorothy Sullivan, Blanche Higgins, Margaret Waldrop, Montie Kidd, Eula Butler, Pearl Terry, Della Barker, Lizzie Morrow, Ruby Jordon, and the hostess, Ruth Gibbs.

The next meeting will be with Dorothy Sullivan, Friday, Sept. 17th. The club voted last year to help exhibit a booth at the Fair this year, so each member who has anything to help, let someone know about it, please. Hope to see everyone at Mrs. Sullivan's.

Reporter, Ruby Jordon

America's Biggest Fair Will Present Whopping Program

More major attractions than ever before have been booked for the State Fair of Texas, Oct. 4 through 19, and they all add up to a fair that's a lulu in '52, General Manager James H. Stewart has announced.

America's biggest fair for its 67th annual exposition will present a whopping program that will include:

1. Entertainment highlighted by the lavish Dean Martin-Jerry Lewis revue in the Auditorium; the brilliant Ice Cycles of 1953, the daredevil Aut Swenson Thrillcade in front of the Grandstand; the tuneful Music Circus version of Jerome Kern's beloved "Show Boat"; the three-ring Variety Club International Circus and the Stan Kramer Puppets.

2. The Pan-American Holstein Show, Oct. 10-17, feature of a livestock exposition embracing 27 breeds of beef and dairy cattle, horses, sheep, swine and goats. Premiums total \$80,374 for livestock and poultry.

3. Exhibits reflecting everything that's new—100,000 square feet occupied by farm implement exhibits, a huge Electric Show featuring the "House of Magic", the Story Book of Texas Agriculture, the all-new Science-Engineering Show.

4. The biggest Automobile Show ever held in the Southwest, with displays of antique "horseless carriages", futuristic experimental models, and the latest models on the market today.

5. An action-packed Cotton Bowl gridiron program of big-time college and professional football: SMU vs. Georgia Tech; the professional Dallas Texans vs. the San Francisco 49ers; Austin College vs. University of Mexico; Texas vs. Oklahoma; and the Dallas Texans vs. the Green Bay Packers.

HIGH HOPES FOR ROCKET-MAIL—Prof. Albert Puellenburg, standing at switchboard on left, watches his rocket make the first of five test flights from a 20-foot ramp near Bremen, Germany. He is experimenting on mail-carrying possibilities of the missiles, using experience gained as designer of Germany's V-bombs which blasted London during World War II. Allied security inspectors watched the experiment and saw Germany's first postwar rocket in action.

6. A number of unusual contests in the Women's Department include some typically Texan, like the chili-making contest, a big Dahlia show, many other events.

7. Special exhibitions by the Museum of Fine Arts, Museum of Natural History, Health Museum, Aquarium and Hall of State.

8. The million-dollar Midway, with the spectacular "Sky Wheels," dozens of other rides and sideshows, the Magnolia Sky Revue.

9. More than 200 free special events including fireworks, music festival, state baton-twirling contest, Koshare Indian dancers and free Cotton Bowl shows.

Giant Prehistoric Buffalo Bones Found Near Lubbock

AUSTIN—The bones of giant prehistoric buffaloes have been discovered near Lubbock by University of Texas geologists. The great beasts were nearly twice as large as the familiar buffaloes which later roamed Texas plains. **Glen L. Evans, Texas Memorial Museum associate director in charge of the project, announced.** Some weighed as much as two tons. Evans estimated the huge buffaloes existed in the latter part of the Ice Ages—about 10,000 years ago. Also found in the excavation, a lake deposit two miles northwest of Lubbock, were bones of prehistoric elephants and huge ground sloths; and spear heads, arrow points, and other tools of humans thought to be among the first eves to inhabit the Southwest. The University scientists said they hope to use the discoveries in reconstructing what happened in Texas during prehistoric times.

Eventually they hope to pot together a giant buffalo skeleton and display it in the Museum. **Mr. and Mrs. Roy Parish, De-loris, Mary Jane, Roy and Kenneth of Las Vegas, Nevada were guests Thursday and Thursday night in the home of Mrs. Bert Smith, Harlene, and Donald. Future Farmers Of America

Released by Texas Dept. of Agriculture

The future of Texas Agriculture is in good hands.

Fifty years ago, a prospective young farmer either followed in the footsteps of his father on the "home place" or he hired out on

a farm to learn his trade. His schooling probably was extremely basic and he had practically no formal training in agricultural methods.

But the picture has changed. And a nation-wide organization, the Future Farmers of America, is partially responsible.

The rising generation of young farmers has a background of more farming "know-how" than ever before and through the experience gained in such an energetic group as Future Farmers, he reaps the benefits of the "know-why" of soil practices.

The worth of any program can be partially determined by its record of growth. In the case of F.F.A., this record is excellent. Starting out with a few isolated youth groups interested in agriculture in the middle 1920's, the program has consolidated and spread over the entire United States and into the territories. In Texas alone, the 34th state to join, there are more than 35,000 young people engaged in this program to prepare themselves for a productive life in agriculture.

Texas membership in Future Farmer chapters accounts for about one-tenth of all the other states' combined. Investments of Texas youths in chapter work total more than 13 million dollars. They have over \$3 million invested in beef cattle and over \$4 million in swine and dairy cows. F.F.A. members are handling poultry projects valued at approximately \$700,000 and turkey projects at more than \$200,000. They are caring for sheep and goats valued at more than \$500,000.

Last year, young Texas farmers planted 14,000 acres of corn and 25,000 acres of cotton. Other projects included raising horses, rabbits, wheat, oats, forage, fruit, potatoes, melons, vegetables and peanuts. Their largest crop was 48,000 acres in forage and their biggest money maker was the fruit crop which was valued at nearly \$2 million.

This record appears to be clear-cut evidence of outstanding work that can be accomplished through youth training programs. And what is more important, it is devoted to training in Texas' largest industry—agriculture.

Health Notes

AUSTIN — Typhus fever continues to make its appearance in various counties of Texas, says Dr. Geo. W. Cox, State Health Officer. Like typhoid fever, most cases appear during the summer and fall and all citizens are urged to help control the spread of typhus by assisting in exterminating rats.

"There is only one way in which Typhus can be controlled," Dr. Cox said, "and that is by, as nearly as possible, completely exterminating rats in the State, since fleas from infected rats transmit the disease to man. We can begin to visualize the extent of the needed extermination campaign when we realize that there is estimated to be 13,000,000 rats in Texas."

There has been some confusion concerning the type of Typhus Fever which is occurring in Texas, but Dr. Cox pointed out that this disease is entirely different from the old world type which has followed some of the armies in Europe. Ordinarily the kind of typhus which makes its appearance in this section of the country is not a fatal disease, although there has been a death rate of about 2 per cent from Typhus this year.

The poisoning and trapping of rats throughout the State will help to control the spread of this disease although these are temporary measures. In order to permanently rid of rats they will have to be starved out, which means that buildings housing food supplies must be rat proofed.

It should also be remembered that rats cost the householder millions of dollars each year in the amount of food they either eat or spoil.

FARM NEWS
From the County PMA Committee

TIME TO STUDY CONSERVATION NEEDS

Looking ahead to the time when the local PMA Community Committeemen visits the farm, every farmer of Donley County is urged to be thinking about the conservation needs of his farm and how he may use the limited assistance of the Agricultural

Conservation Program to meet these needs. This suggestion comes from Ross Springer, chairman of the county PMA Committee.

Donley County is divided into eight (8) communities and in each of these communities the PMA Community Committeemen will visit each farm. Every farmer will have an opportunity to put the conservation program to work on his farm in doing what needs to be done to check erosion and deterioration and to make

the farm more productive.

Mr. Springer explains that cooperation in the program is strict voluntary and no farmer will receive assistance without requesting it. To qualify for assistance, practices must be on the approved list for the county and when carried out must meet the specifications established for the practice. The whole purpose is to protect and build up the land in farms so that the needs of the future may be met.

The list of approved practices will be published as soon as the practices have been selected for Donley county. See your community committeeman and tell him the practices you feel will do you the most good, for he will be one of the group to select the practices for this county.

Mr. Springer points out that ACP assistance will be limited to the amount allocated to Donley county. This means that assistance cannot be provided for all conservation practices that may be needed and therefore the assistance will be applied where it will get the most conservation for each dollar of the funds available.

The members of the county PMA Committee and the Administrative Officer will attend a meeting at Pampa on Friday the 12th, to study the new ACP program for 1953. A meeting of all the USDA Agencies and all the community committeemen and others who may be interested will be held soon to get the 1953 program under way.

ACP PRACTICES BEING CARRIED OUT NOW

Lloyd T. Shelton, Walter Fraser and Mrs. Margie Emery all have approvals for terraces.

C. A. Morgan, Richard Finch, William H. Cooke, Billie Cooke, D. F. Miller, and William F. Maddox all have deep plowing approvals. Some of the deep plowing on the above mentioned farms has been completed at this time. The fields that are being plowed now will be seeded to some small grain or to grass this fall.

A. Gerlack, C. P. Hamilton and T. C. D'Spain all are drilling, or will drill wells for livestock water.

J. T. Trew has just completed

an earthen dam for livestock water on his ranch.

John Gillham, Tige Hill, W. W. Farris, H. L. Morgan, R. H. Couch, J. T. Hill, J. F. Skaggs, Ike Rains, Kermit Evans, W. M. Snelson, Carman G. Rhode, Tom Tate, Rayburn L. Smith and V. C. Waddell have seeded or have indicated an intention to seed Austrian Winter Peas, Hairy Vetch or Madrid Clover this fall.

Tige Hill, Tommy W. Bain, Marvin Jones, Odell McBrayer, Ralph Alewine, Rayburn Smith, Harvey Skaggs, V. C. Waddell, Bud Hermesmeier, Will Kennedy, W. F. Maddox, W. M. Snelson, Ray Holland, O. L. Wilkinson, Ike Rains, R. H. Couch, H. L. Riley, V. T. McPherson, Richard Cannon, H. L. Morgan, J. W. Stephens, D. M. Cook and Wilson H. Gray all have indicated that they intend to seed rye for a cover crop.

There is still money in the budget for this county to assist producers who are interested in good soil and water conservation practices. Come to the office to get an approval for the practice you need on your farm.

1953 COTTON LOAN PROGRAM

The County Committee, the Administrative officer and the Loan Clerk for our county all attended a meeting in Amarillo on Thursday and Friday of last week to learn the details of the 1953 Cotton Loan Program. The changes in the Loan Program are going to make the program better for cotton producers. All loan papers will remain in this county during the loan period and any producer will be able to sell his equity in his loan cotton much faster. There are other advantages also. Come in to see about this new loan program and take advantage of the privilege you have in using it.

EMERGENCY HAY PROGRAM

Donley County is NOT listed as one of the counties approved to receive hay under the emergency Hay Program. Inquiries have come to all the four USDA Agencies concerning this Emergency Hay Program and the chances for our local cattle feeders to be assisted by this measure. The heads of the four USDA Agencies will do all in their power to help

the local producers who are in need of hay for feed.

AGRICULTURAL SHORTS

Every farmer in Donley county is to have an opportunity to cooperate in the 1953 Agricultural Conservation Program extended to him through a personal visit by a PMA community committeeman.

The 1953 Agricultural Conservation Program will aim directly at the most needed conservation on individual farms. Program assistance will be used to help the individual farmer meet this need.

GIRL SCOUT LEADERS NEEDED HERE

Mrs. S. M. Black, wife of Samuel M. Black, Vicar of St. John The Baptist Episcopal Church, and leader of Troop 1 of the Girl Scouts announced this week that additional leaders were needed to carry out the Girl Scout program here.

Troop 1 is composed of some 24 girls working on three badges, The Tenderfoot, second and first class badges. This group did not meet thru August and will have their first meeting this month immediately after school Monday afternoon, Sept. 15, at the City Hall.

It is possible that a Brownie group may be formed as there are a number in this age bracket who are interested in the work if a leader can be found.

Mrs. Black asks that anyone who is interested in helping out with this work as a leader or assistant leader contact her, phone 53.

Mrs. Laura Lewis of Fort Worth visited several days this week in the home of Mrs. Homer Mulkey. Mrs. Lewis will be remembered here as Miss Laura Lodle. She lived in Clarendon 34 years ago and at that time played the piano at the Mulkey Theatre.

Mrs. Henry Chambers of Quanah was a week end guest in the home of her sister, Mrs. W. K. Wade.

CONCERT MEMBERSHIP DRIVE IN PROGRESS

The Donley County Concert Association Membership drive is being conducted this week with headquarters at Skelton's. Mrs. Leora Craig, organizer for the concert association headquarters, is in charge.

Artists for this season will be: Schulz Trio, Soprano, Harpist and baritone, coming on October 27. Cal Tinney, Humorist; Jean and Edward Dies, duo-pianist; Dream Dusters, male quartet, a repeat performance.

Mr. and Mrs. M. C. Wade of El Paso spent the day Tuesday with his mother, Mrs. W. K. Wade. They were enroute home after attending funeral services for her father, Mr. Hamburger, at Clinton, Okla.

Mr. and Mrs. Doyle Payne, DeLores and Lana of Grand Junction, Colo. visited from Tuesday to Saturday in the home of his parents, Mr. and Mrs. William Payne.

Mr. and Mrs. J. R. Cowan and children of Berger visited Mrs. J. R. Cowan and Mr. and Mrs. Clyde Butler last week.

Guests in the Olace Hicks home Sunday evening were Mr. and Mrs. Buck White and Sally, Mr. and Mrs. Chester Martin and Danny, all of Amarillo.

Mr. and Mrs. D. E. Leathers had as guests over the week end Mr. and Mrs. John C. McCraidy of Pittsburgh, Pa. The McCraidy's who had been touring the west coast were one of Pennsylvania's Typical American families of the New York World Fair in 1940.

Mrs. S. H. Hensley of Temple, Okla. visited in the home of Mrs. R. C. Weatherly last Thursday until Tuesday.

Mr. and Mrs. Charles W. Wood of Lubbock visited the weekend in the home of his mother, Mrs. J. D. Wood and Evelyn Jean.

Mrs. T. T. Butler of Skellytown and Mrs. W. C. Jones spent the day Friday with Mrs. Clyde Butler.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

As the drouth continues the agricultural picture looks darker day by day. There are thousands of acres of crops that have suffered to the point that moisture even now would be of little benefit.

Pastures have stopped growing and the forage that is left is dry and low in feed value. Many ranchers have already made drastic reductions in their herds. Others are making plans now to reduce their number of cattle.

The most serious consequence of this prolonged drouth, however, is not the immediate financial losses to farmers and ranchers but the danger of another "dust bowl" like we had in the thirties.

With the extreme feed shortage the temptation for every farmer is to harvest every pound of forage on the land and to leave no cover to protect the soil from blowing next spring.

Most all cotton land is clean of grass and weeds this year and the stunted cotton plants themselves will offer little protection to the soil against the strong winds that are sure to come.

Our brightest ray of hope lies in our winter cover crops program if we are fortunate enough to receive ample moisture in the next 30 days.

A number of farmers have already dry planted rye or wheat for cover crops. These farmers will be ahead if a good amount of moisture does come.

Every farmer should be making plans to seed winter cover crops on all land without sufficient cover to protect it from blowing.

The question of whether to dry plant or to wait for moisture is the decision for each farmer. It is no doubt a good bet to dry plant if the farmer is able to stand the risk.

This modern world has reached the point where a switch regulates everything but the children.

Annual Prison Rodeo Sunday, October 5th

HUNTSVILLE - When Rodeo Manager Albert Moore blows the whistle that signals the opening event, the Mad Scramble, Sunday, October 5th, the 21st Annual Prison Rodeo will be under way. The two hours of rodeo action that follow promise to be the fastest, wildest, most thrill-packed 120 minutes of whirl-wind action any rodeo fan could desire.

The wildest horses and meanest Gramma bulls are being rounded-up in the river bottom pastures throughout the Texas Prison System and are being shipped to Huntsville for the big show.

Inmates, who apply for a chance to ride in the rodeo, are being selected for a try-out rodeo to be held one Sunday this month. Rodeo Manager Moore says only the best riders and performers on that day will be selected for the appearance in the arena when the show begins.

Top-flight specialty performers of 'outside' rodeo circuits have been contacted and booked for appearance between convict riding events. Special guest performers for each Sunday's presentation, such as the University of Texas Longhorn Band which is scheduled to appear on Opening Day, have been invited to attend and execute their specialties.

No effort is being spared to make this year's annual rodeo the biggest and best, fastest and wildest ever to be presented in Prison Stadium in Huntsville.

Reserved seat ticket sales have begun and requests for reservations are coming in on every mail according to L. W. Wright, in charge of ticket sales this year. When ordering reserved seats by mail or wire patrons are requested to specify plainly the number of seats and the dates for which they are desired. Check or money order must accompany all requests for reservations.

All reserved seats are \$2.40 each, tax included. Mail orders should be addressed to L. W. Wright, Prison Rodeo Ticket Office, Huntsville, Texas.

From where I sit... by Joe Marsh

Narrow Town—Broad Outlook

The wife's cousin Ben, and Belle his bride are back from honeymooning in the Rockies. Took them to dinner last night at the Garden Tavern. Ben told about the trip: "Went through a town in Idaho that was only 100 feet wide. No kidding! Built into a long, narrow canyon. And it shares those 100 feet with a railroad track that runs right through the hotel!" "To get gas there we had to park right on the tracks. Suddenly Belle screams—"there's a train coming!" But the gas fellow just laughs and says we were there

first. Blamed if the engineer didn't stop the train and wait, too!" From where I sit, it's a good illustration of how people can learn to "think of the other fellow" so that the community benefits. Railroaders and townspeople, Democrats and Republicans, malted milk fanciers and those who prefer a temperate glass of beer—we all have to share the same space. Let's maintain our neighbor's "right of way."

YOU IN THE CHURCH

Character is a by-product of the church. It is here that young and old alike are showered with benediction that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. State-ment today declares that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good.

Copyright 1947 by Williams Newspaper Features Box 413, Fort Worth, Texas

FROM the beginning days of Adam and Eve, Home has been man's delight and pride; families have carried forward the real business of the world, the making of good men and good women. Church and state give their aid, but devout parents have loved growing life into beauty and nobility. It has never been quite the full life, surely not the abundant life, that man has lived in solitariness. Homes are our refuge and our castle and our playground and our world. Every family should own a house and make a home of it. The home is the practice ground for democracy, where every person has his rights and his duties, where a man has a den to which he may repair, where babies have their nursery, where women have

their boudoirs, and every child knows he belongs. Its walls are adorned with pictures that awaken the artistic scene and gratify the love of the beautiful. Its tables bear the books that feed the mind and more or less determine destiny. It is a "place to practice religion in a character clinic" (Fiske). It is a fellowship of living spirits where each is warmed and encouraged by the faith and confidence and the love of all the rest. It is a world in miniature, where lessons are learned in the atmosphere of understanding good will. Every family may be a Holy Family of love and loyalty and reverence and the lifting of a prayer to God bind the group together in mutual esteem.

Get more power at less cost with a Dodge truck!

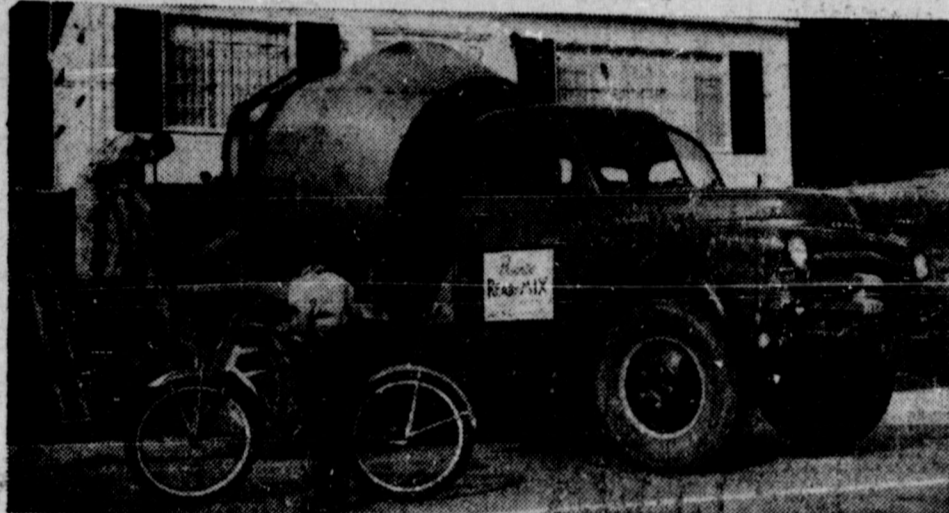

"Dodge power really puts out the work at low cost!"

"We use four Dodge 'Job-Rated' trucks in our operation—and Dodge power really puts out the work at low cost! Most of our work is off the highway over mud holes, ditches, and sloppy ground. But that means nothing to a Dodge, because Dodge power pulls us through anything!"

... says A. Keating, President, People Ready Mfg. Co., Pasadena, California

"A Dodge truck doesn't 'two-bits you to death' either. Rarely do we have any maintenance expense and when we do, it's legitimate wear and tear we can reasonably expect. Our Dodge trucks are ready to go 365 days a year!"

- ▶ There's a Dodge truck—1/2- through 4-ton—that fits your job.
- ▶ Dependable performance with ample power is assured by features like high-capacity fuel pump and two fuel filters.
- ▶ High-efficiency fuel systems on all 8 engines save gas. Heavier models offer twin carburetion and exhaust system.
- ▶ For extra-smooth, wear-saving power, you can get gyro Fluid Drive on 1/2-, 3/4-, 1-ton, and Route-Van models.
- ▶ See us today for a demonstration.

Power with economy! Powerful Dodge engines have compression ratios as high as 7.0 to 1. Dodge economy features like light-weight aluminum-alloy pistons help keep operating costs low.

Power with low upkeep! Dodge engines save on maintenance... keep your truck on the job. You get such famous Dodge advantages as exhaust valve seat inserts and chrome-plated top piston rings.

Power with long life! The Dodge truck you choose will be right for your job in every way. Deep frames, extra-sturdy axles and high-capacity springs are just a few of many long-life features.

IT'S THE LAW in Texas

A public service feature of the State Bar of Texas

HOME BUYER'S ATTORNEY PERFORMS VARIOUS FUNCTIONS

When the real estate sales contract provides that the seller is to furnish to the buyer an Abstract of Title, then it is up to the latter to employ an attorney who will examine the abstract. After the examination, the lawyer will give the buyer a written opinion as to whether or not the seller has a good marketable title. If the title is defective, then his opinion will state what action is necessary to bring it up to par.

In addition, the attorney usually advises on important matters not revealed by an abstract. He will ascertain whether any delinquent taxes exist against the property. He will check on the possibility of some third party being in possession, claiming the property as his own. He will determine whether a survey has been made so that the buyer may know that required footage is there and that the neighbors' fence, driveway, etc. is not encroaching upon the property being purchased. He will explain the practical effect of each legal paper which you sign or accept in closing the deal.

If the contract of sale provides that the seller is to furnish the buyer a Title Insurance Policy, then the latter should employ an attorney to examine the policy offered and advise him on other details in closing the transaction. The fact that an attorney designated by the Title Insurance Company examines the title is not sufficient to protect the purchaser in every respect.

A title insurance policy is similar in principle to a fire insurance policy. Just as you insure against damage caused by fire, so you can insure yourself against damage caused by failure of title. As is also common with fire insurance policies, you must be named as the insured in the policy, in order to collect the proceeds. You cannot recover more than the amount stated on the policy even though the damage caused by the fire or the title failure is greater than that amount. The property insured must be accurately described in the policy. There are exceptions to the coverage which may cause harm to a particular buyer who is not aware of their meaning, or even of their existence.

Insurance companies, in order to stay in business, cannot afford to accept too great a risk in proportion to the premium charged. A fire insurance underwriter decides whether your house is a safe fire risk for his company in view of the coverage provided by the fire insurance policy. An attorney hired by the title insurance company decides whether your property is a safe title risk for his company in view of the coverage provided by the Title Insurance Policy. Making such decision is the sole obligation of that attorney in the transaction. He is not in a position that enables him to advise you as to the quality of the title you are acquiring—his only duty is to his client, the title insurance company.

It might also be said, that an attorney who passes on the title

for the mortgage lender is in the same position. His main obligation in the transaction is to advise his client on whether your title is adequate security for the loan, which is for quite a different purpose than if his client was buying the place, as you are doing, for use as a home.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Youthful Stockraisers To Compete for Total Premiums of \$14,905 at State Fair of Texas

Youthful cattle, pig and sheep raisers—probably including some future cattle barons and baronesses—will compete for a total of \$14,905 in premiums during the junior livestock shows of the 1952 State Fair of Texas, Oct. 4 through 19. Livestock Manager, Ray Wilson has announced.

The premiums will be divided between dairy cattle, \$3,275; steers, \$3,085; commercial steers, \$3,000; junior pig show, \$3,327; and junior Negro pig show, \$893; sheep, \$993; and junior herdsman awards, \$290.

Dates of the show will be Oct. 11 through 18. More than 1,500 animals are expected to be entered.

"We are trying to give Texas youngsters a taste of competition in the show ring," Wilson said. "We try to offer a real incentive for the youngsters to exhibit their animals in a more attractive manner through the junior herdsman and showmanship awards."

The show is open to Future Farmers and Four-H Club members. They must enter through their county agents and vocational agriculture teachers. The State Fair is the only major show in the state that requires no entry or stall fees for junior exhibitors.

The state fair show is also the only major Texas show that permits Four-H girls to show their animals in the same contests with

Four-H boys and Future Farmers

Judging dates and judges for the junior shows will be: Dairy show, Oct. 13; C. L. Roussos, Lafayette, La.; steers, Oct. 14; A. E. Darlow, Stillwater, Okla.; commercial steers, Oct. 15; Carl Rappeto of Fort Worth and John H. Jones, of College Station; junior pig show, Oct. 16-17; and junior Negro pig show, Oct. 17. H. D. Elijah of Oklahoma City; junior sheep show, Oct. 15; Ray Mowery of Lubbock.

Breed associations will offer several special awards. The John Henry Dean Jr. Memorial Award of \$400, will be divided among the five exhibitors who display the best showmanship in the ring.

The junior livestock auction sale is also an important phase of the fair's youth program. Last year's sale brought a total of \$128,537 to 600 boys and girls.

Dear Home Freezer Owner:

You have bought a home freezer and we are sure you are going to have better things to eat at your house. Freezing is the finest way in the world to preserve food. No other method can preserve the freshness and flavor of your fruits and vegetables. It is the only way you can have fresh meat all the year except to go to the market and buy it.

Let us kill and dress your animals or furnish your beef and pork.

We will do your cutting and wrapping as it should be done.

Let us freeze your meats. We can do a much better job in our big plant. Lots of Frozen food is being ruined by trying to freeze too much at one time in your home freezer. We freeze it - - - You store it at home.

"Battle of the Bands" In Amarillo, Sept. 22

Delbert Dalby, President of the Tri-State Fair Association, said that more than 35 high school bands from Texas, Oklahoma and New Mexico have been invited to compete in a gigantic parade signaling the opening of the annual Tri-State Fair. The Fair—a six-day event—closes Sept. 27.

Cash prizes totaling \$750 will be given to the winning bands.

The parade will start at 10:30 A. M. at the corner of 14th and Polk Street in downtown Amarillo. A drum and bugle corps, merchant's floats, a National Guard unit, 750 Amarillo Air Force Base airmen and officers, a group of Air Force nurses and the Air Base band also will participate. The Ice Vogues of

1952. Two performances of the mammoth parade.

Feature attraction of this year's 'ice extravaganza' will be held daily. The Ice Vogues, with a cast of 75 figure-skating stars, last week completed its sixth successful season and has recently returned from a European tour, according to Rex Baxter, Amarillo Chamber of Commerce Manager.

Only high school bands will compete for the cash prizes. They will be judged by the Fair executive committee.

Prizes and the amount to the winning bands: Best dressed band \$200; Best marching band \$200; Best playing band \$200; Band traveling the greatest distance \$100; and the most popular girl baton twirler will receive \$50.

Winners will be announced at 2 p. m. Monday at the Tri-State Fair Grounds. Each winner will be asked to perform at that time.

The opening day parade will be dedicated to all high school bands in the Tri-State area.

What's the MOST SURPRISING THING about this BUICK?

4-door, 6-passenger Special Sedan.

WE'LL tell you the answer to that one — it's the figures on the price tag.

For some reason, lots of people just can't believe they can buy a Buick at a price so close to "the low-priced three."

Maybe it's because a Buick seems so much better and bigger.

Maybe it's because they think Buick has so much more power and room—which is true.

Maybe it is because so many distinguished people own Buicks—which is also a fact.

But the fact remains—if you can afford a new car, you can own a Buick — so let's see what you get.

You get the thrilling power of a Fireball 8 Engine, that's a gas-saving high-compression valve-in-head—as much power as you can get in cars costing \$300 to \$400 more.

You get as much room as you'll get in cars costing hundreds of dollars more.

You get a ride that cost an honest-to-goodness million dollars to develop.

You get the silken smoothness of Dynaflo Drive.*

You get big-car comfort, styling, durability.

Don't take our word for it. Come in and see for yourself why so many folks are stepping up to this great car this year.

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.
