Texas Youth To Win \$8,265 At Fort Worth Show

FORT WORTH—Texas members of 4-H Clubs and Future Farmer chapters are eligible to try for a share in the \$8,265 in prize money which is offered to junior exhibitors at the 1956 Southwestern Exposition and Fair Stock Show. Dates are January 27th through Feb. 5th.

Junior show contestants must have personally fed and cared for their own animals under the supervision of a county agent, vocational agriculture teacher or Extension Service Staff member for at least three months before the show. Also they must have kept a record on the animals during this period.

The cash awards for the youthful competitors are divided: \$3,097, steers; \$2,000, dairy calves; \$1,153, lambs; \$1,865, pigs; \$160, herdsman's prizes. The Fort Worth Junior Chamber of Commerce will give a plaque and a Western hat as showmanship awards in each of the junior steer, dairy calf, pig and lamb shows and Williamson-Dickie Manufacturing Company, Fort Worth, will give a total of 237 pairs of ranch pants to the first three prize winners in each single class of the junior livestock show. Besides the cash given by the show and by various breed associations, donors include: Armour and Company, Fort Worth, \$115; Fort Worth Milk Distributors, \$750; Fort Worth Poultry and Egg Company, \$250, and Swift and Company, Fort Worth \$115.

On opening day of the Stock Show, steers, barrows and lambs will be sifted and the junior show judging will take place next day, Saturday, Jan. 28, except the junior dairy calves, which will be judged Feb. 2.

Not only may a steer, lamb or pig owned by a boy or girl win honors and substantial cash awards in the junior competition

but champions qualify to meet the open show champions for the grand championship of the entire exposition. Then, in the "auction of champions," owners obtain a rich reward.

All junior show exhibitors are invited to the Sunday School breakfast at 8 a. m. Jan. 29 in Pioneer Palace with the the First National Bank of Fort Worth as host. This occasion, unique among expositions, has been observed for years, with an outstanding minister bringing the message and with an excellent musical program.

Whether a junior exhibitor wins or not, he or she will have the thrill that comes of showing at the nation's oldest major livestock show. Livestock entry deadline is Dec. 15th.

Holiday guests in the home of Mr. and Mrs. C. E. Underdown were Mr. and Mrs. Floyd Lewis, Don and Donna Lou, Mr. and Mrs. Troy Wiley, Carl Wayne and Bobby Glen, Mr. and Mrs. Leo Underdown and Cynthia Ann, Mr. and Mrs. Leo Underdown, and Lorna Dee Underdown, all of Amarillo; also Mr. and Mrs. Wayne Carroll of Lubbock.

Miss Alice Sims of Canyon was a guest in the home of Miss Janice Benson from Tuesday to Thursday.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

There are several books ready to release. A few romances are: "Shadow of Truth" by Alice Lent Covert, and "Danger In Eden" by Jennifer Ames are two that will appeal to the house-

wives who read to relax and our teen age girls. Jennifer Ames is our Maisie Greige who has written so many novels of simple romance type. Margery Sharp's "The Flowering Thorne" is another book of this type, and as most of the light fiction readers read "The Nutmeg Tree" they

will enjoy this. We have "Shorty At the State Tournament" by Caary Jackson that will interest the basketball fans. It is a 1955 edition.

The Reader's Digest Condensed Edition for Winter 1956 is ready for the Library patrons. The condensations are: "Island In the

Sun" by Alec Waugh, "The Long Ride Home" by Bonner McMillion, "Minding Our Own Business" by Charlotte Paul, "An Episode of Sparrow" by Godden, and a brief condensation from Kontor's "Andersonville."

We have material for most any type of reader.

Dodge presents...*"The TEXAN"*

Choice of this dashing Lancer Hardtop or the big, rangy 4-Door Sedan

The Texan by Dodge!

A handsome, rugged car big as all outdoors, with the surging power of a quarter horse, sweeping lines of a gull in flight, the relaxed touch of push-button driving!

The Texan is built for Texas driving. It skims swiftly along the big broad highways, it rips over hills like a hungry cougar, it takes the bumpiest, ruttiest, sandiest road and comes back for more. Powered by the mighty engine that busted the AAA record book wide open at Bonneville Salt Flats, it gives you the same superior engineering and design that made Dodge the greatest sales-gainer in the industry in 1955.

Plenty of special features, too... specially designed interior trim, special paint combinations, jaunty twin exhaust pipes, and other smart touches. The Texan's name is proudly blazoned on both rear fenders. And the brave crossed flags of the Lone Star State are right up front where your fellow-Texans can admire them!

Best of all, the Texan is priced right down with the so-called "low-priced three." Yet it's big and powerful and luxurious... rivaling cars costing as much as a thousand dollars more! Visit your nearest Dodge Dealer now and drive the Texan!

CHRISTMAS PARTY

Friday afternoon at 2:30 piano and voice pupils of Mrs. J. N. Weaver gathered at the Weaver home for a Christmas party.

Dana Estlack gave a Christmas story. Ann Martin, B. H. Cook and Barry Gray gave the Christmas scripture from Luke 2: 8-16. Then the group sang Christmas carols after which gifts were exchanged from the lighted Christmas tree.

Refreshments of cup cakes with Christmas motifs and orange drink were served by Mrs. Bray Cook, Mrs. Charles Blackburn and Mrs. Clyde Martin, co-hostesses.

Attending were Dana Estlack, B. H. and Drubette Cook, Francis Wallace, Sue Phelan, Ann Martin, Betty Richards, Pat Perkins, Clayton Ferris, Larry Stewart, Pauline Gillean, Pam Hicks, Barry Gray, Paula Jo Vanderburg, and Marie Blackburn. Pat Spurgeon, Mrs. Virginia Head, and Randall Goar were unable to attend the party but sent their gifts for exchange.

MYSTIC WEAVERS CLUB

The Mystic Weavers Club of Lelia Lake met recently with Mrs. D. M. Cook. One quilt was finished for the hostess' daughter Mrs. Leo Smith who was a guest. All members of the club were present and enjoyed the covered dish lunch and the gift exchange from a gayly decorated Christmas tree. Roll call was answered by each one giving a scripture passage or a short poem pertaining to Christmas.

A program of carols, the Christmas story from Luke's Gospel and other stories followed by prayer for the Peace of the World was given in the afternoon.

Due to the illness of Mrs. Cox the next meeting will be Jan. 11 with Mrs. Glen Williams.

Ducks Favor North Texas

AUSTIN—Reports to the Game and Fish Commission indicate that North Texas duck hunters have been getting a break this fall at the expense of the nimbros along the Upper Gulf Coast.

The Executive Secretary of the Game and Fish Commission said a combination of open weather and unfavorable water and food conditions in South Texas seems to be responsible.

Dried up marshes prompted Game Warden Supervisor Lewis Morris at Beaumont to describe duck hunting conditions there as "the worst in many years." However, Morris said a concentration of snow geese and blue geese was providing "considerable sport" for the gunners.

The duck scarcity also has been pronounced in the coastal bend area around Palacios and Port Lavaca but the Palacios sector has been taking up some of the shooting slack with a substantial goose population.

Meanwhile, north state reports reflect tremendous duck concentrations in some places, particularly at Muleshoe Wildlife Refuge in Bailey county on the Texas-New Mexico border and at Buffalo Lake, southwest of Amarillo.

Approximately one million ducks recently were counted on these two large fresh water locations.

Some population surveys indicate that there has been considerable north-south, as well as south-north traffic among ducks after arriving in Texas for the winter. Studies along the lower coast show that many redheads have been shuttling back and forth from the Laguna Madre area and the Tampico region of Mexico where vast areas still are inundated from the heavy rains incident to the early fall hurricanes.

The continued lack of rainfall in such areas of waterfowl concentrations as Colorado county has created an acute condition, according to Game Warden Tom Waddell of Eagle Lake. He expressed the fear that many of the 100,000 wild geese, and the huge duck population, would have to move farther southward in search of fresh water unless substantial rains come shortly.

The Executive Secretary said the present conditions, with the unusually heavy waterfowl count in North Texas, reverses the usual situation. "At least some North Texas areas seem to be getting good duck shooting now that the main migration has been caused by cold weather in the north," he observed. "From a North Texan's viewpoint, there is considerable justice in this condition because the seasonal dates and other phases have not always been favorable to that part of the state."

Road Shooting Trips Hunters

AUSTIN—Tired business men hunters stimulated considerable activity by Texas game wardens, according to the latest arrest report compiled by the Game and Fish Commission.

One hundred three cases charging shooting from an automobile were listed, plus eight additional cases for hunting from a public road.

The Director of Law Enforcement said the total represented no particular coordinated effort by the field forces.

"After all," he remarked, "it doesn't take a Sherlock Holmes to note that a man is sitting in or on his car and banging away at wild game."

The Director did note that air-ground teamwork helped produce some of the cases. Warden-pilots on routine patrol spotted some of the offenders and contacted carbome wardens and guided them to the scene of the violations.

He said most of the roadside charges involved shooting at game birds but that some did result from observing persons hunting deer at night.

Fifty-one cases were reported for either headlighting game animals or hunting deer at night.

The recent public hunts on the Wildlife Management Areas were reflected in reports of six persons charged with shooting buck deer when their permit called for only antlerless deer.

The arrest report contained a comparative rarity. An East Texan got a jail sentence on charges of killing deer in a closed season, trespassing and hunting without a permit.

The Navy has developed a new "miracle" dry lubricant in the form of easily applied plastic film only a few ten-thousands of an inch thick, which is serviceable from 75 degrees below zero to 500 degrees above.

FARM NEWS

from the County ASC Committee

REPORTING APPROVALS FOR 1955

If anyone has an approval issued to them for any kind of Conservation work in 1955, and has not started it please make your report to the Donley County ASC Office now or as soon as possible. If you have your work completed please report to the ASC office before or on January 16, 1956.

It is very important that the reporting of your approvals be done as soon as possible, because the 1955 year must be closed out. You must also remember no payment will be made to you until the work you have completed has been reported.

MAKING APPLICATION FOR APPROVALS IN 1956

We have a good selection of Practices for 1956 that any farmer or rancher in Donley County might be interested in. All practice in the County Handbook are based on 50% of the cost, therefore you won't have to be out the entire cost of the practice.

The best time to make application for Practice you want to carry out is just before you actually start the work. Applications will not be taken for practice that you are not sure will be completed within a month after you make application. This will keep application current through out the year and a lot of money will not be issued for practice that may not be carried out.

IT'S YOUR PROGRAM. COME IN AND TAKE ADVANTAGE OF IT.

Mr. and Mrs. Clyde Tamplen of Memphis are the parents of a boy, Randy Lee, born Dec. 13th. He weighed 4½ pounds. Mrs. Tamplen is the former Lillie Barker. The proud grandparents are Mr. and Mrs. W. G. Barker of Hedley and Mr. and Mrs. O. M. Tamplen, Memphis.

Mrs. W. W. Pulliam of Meridian, Miss. has returned home after spending the holidays with her sister and family, Mr. and Mrs. D. E. Stevenson and Juanelle.

FFA Chapter Farm Taking Shape

The school farm sponsored by the vocational agriculture department of Clarendon High School is rapidly taking shape. Through the cooperation of the City of Clarendon, the school board, the Clarendon Lions Club, and the Commissioners' court of Donley County the project has become a reality. The city leased 10.3 acres of land to the school board, and the city and the county cooperated with the future farmers of the Clarendon F.F.A. chapter in preparing the land for use. The vocational agriculture classes have constructed two large sheds for swine projects of the class members, have partially fenced the entire project and have plots seeded to alfalfa.

The project will furnish a means of providing facilities for boys living in town for livestock projects that can be carried on under a practical setup. Irrigation water for the project will be provided from the city sewage disposal system. Additional facilities to care for lamb and calf projects are planned for the near future. City water has already been piped to the project and electricity was already available.

The chapter members are especially grateful to the efforts of the city mayor, commissioners, the county commissioners, the Lions Club, and the school board members for their efforts to make the project a reality. Special thanks are due to Orville Housden and the city employees for their help in the project.

State Representative Elbert Reeves of Matador visited the project last week and stated he thought it to be one of the most worthwhile activities that he had seen anywhere and that he was going to use it as an example to show what could be done under similar circumstances with cooperation on the part of all concerned.

Mr. and Mrs. A. D. Stevenson and their daughter and husband, Mr. and Mrs. Max Allen of Starkville, Miss. visited with his brother and family, Mr. and Mrs. D. E. Stevenson and Juanelle during the holidays.

New Seed Protection For Texas

John White, Commissioner Texas Dept. of Agriculture

Texas planters will soon realize benefits afforded by new seed protection from the Texas Department of Agriculture.

A revised law enabling our seed division to strengthen controls and testing requirements for commercial seed will aid farmers to get better quality seed with less weed pollution than ever before.

Under present law, specimens of all seed offered for sale must be tested in a TDA seed laboratory once every nine months instead of annually as previously required. Further and probably more important provisions include prohibition of certain weed seed in commercial seed and reduce permissible rate of occurrence of other weed seed.

These noxious—or poisonous—weeds are divided into two groups: primary and secondary.

Of the primary noxious weeds, two—field bindweed and nutgrass—are totally prohibited in seed offered for sale. These two weed pests have spread across our state at an alarming rate during the last 20 years. Thousands of acres of once productive land have been rendered useless from infestation. We hope by prohibiting presence of these weeds—and that includes seed coming into Texas—to stop the spread of these menacing weeds.

Other primary noxious weeds include Russian knapweed, Johnson grass, wild garlic, wild onion, dodder, and Canada thistle. Commercial seed with more than 100 of any of these weed seed per pound is barred from sale.

Sale of seed with a higher Johnson grass seed content is permissible, however, when labeled "Pasture Mixture." Such pasture mixture would still maintain permissible allowance of other primary and secondary weeds.

Secondary weeds, or weeds that can be controlled by good cultural practice in spite of their objectionability, include Bermuda grass, bluwweed, bracted plantain, buckhorn plantain, chess or cheat, cocklebur, corncockle, darnel, dock, wild carrot, downy brome grass, goat grass, mustard, horse nettle, purple nightshade, wild oats, goathead, wild radish, red rice, and Russian thistle.

Seed which is offered for sale must not include more than 300 of these secondary noxious weed seed per pound. A combination of primary and secondary noxious weeds will not be allowed in excess of 500 per pound.

This tightening of Texas seed laws makes our seed restrictions conform in general with those of surrounding states and thereby prevents Texas from becoming a dumping ground for polluted seed.

STATE FAIR OF TEXAS

Checks totaling \$176,974.51 are in the mail to 1,074 Texas boys and girls who participated in junior livestock and poultry auction sales during the 1955 State Fair of Texas.

The total was the largest in the history of the junior auctions at the Fair, topping the previous high of \$166,052 in 1952.

The Future Farmers and 4-H Club boys and girls who took part came from 200 Texas counties, the most widespread participation ever in the auction sales, Fair Livestock Manager Ray W. Wilson said.

The number of buyers for the steers, lambs, pigs, turkeys and broilers which were auctioned off totaled 460. They paid a substantial premium over the market price to offer encouragement to the boys and girls who had raised their animals and fowl as Future Farmer or 4-H Club projects, Wilson said.

In the junior livestock auction sale, 824 boys and girls sold 409 steers for \$128,147.49, 389 lambs for \$12,563.43 and 635 pigs for \$24,961.22 for a total of \$165,672.14. There were 280 buyers.

The turkey auction sale brought in \$8,286.43 for 723 turkeys sold by 120 youngsters to 160 buyers. In the broiler sale, 1,295 broilers were sold by 130 boys and girls to 20 purchasers for \$9,015.94.

Local F. F. A. Members Plan Large Project Exhibits At Major Shows

Members of the Clarendon F.F.A. Chapter have made a large number of entries at the Amarillo, Fort Worth, and Houston Shows as a means of showing and selling their livestock projects. Thirty-one members have seventy head of swine entered at the Fort Worth Show. Nine members have entered eighteen lambs at the Amarillo Show and three at the Houston Show, and twenty members have entered two calves and 46 head of swine at the Houston Show.

Jimmy Phillely, James Mahaffey, and Bobby Longan are entered in the Calf scramble at Houston. Chuck Cosper and Jimmy Gattis won calves in the scramble last year. A major portion of the chapter membership plans to attend the State F.F.A. Day at the Fort Worth Show on January 28th. The group will leave Clarendon on the afternoon of the 27th and will arrive at Fort Worth that night. On the morning of the 28th the group will show their pigs in the club swine show, will attend the rodeo in the afternoon, and see the Show and Fort Worth the remainder of the day. On Sunday morning, January 29th, they will be guests of the Fort Worth National Bank for the annual F.F.A. breakfast sponsored by that firm, and following the breakfast will return home.

LOIS PUTMAN ANNOUNCES CANDIDACY FOR SHERIFF

In announcing my candidacy for Sheriff, Tax Assessor-Collector of Donley County, I wish to state that I am a native of Donley County and have spent the majority of my 45 years as a resident, farming in this county. I have never asked for or held any type of public office, but at this time, feel that I can be of service to the people of this area. I am asking for your consideration and support as a candidate for this office and if elected, I will serve everyone to the best of my ability, treating everyone alike.

Sincerely,
LOIS PUTMAN.

Ruth M. Richerson, County School Supt. Announces For Re-Election

I want to thank the people of Donley County for their cooperation in the past. I am again announcing my candidacy for the County School Superintendent's office. I have tried to serve you to the best of my ability and will continue to do so as long as I remain in this office. Each and every vote will be deeply appreciated.

RUTH M. RICHERSON

F. M. Murray Announces For Re-Election

I have authorized the Leader to announce my candidacy for re-election to the office of County Commissioner from Precinct 3, Donley County, subject to the action of the Democratic primaries in July.

Since I have had the privilege of serving you as Commissioner, I feel that I am much better qualified to serve you through gaining experience in the office, and promise, if again elected, to continue to devote my full time and best efforts to serving the best interest of the precinct and county.

I will try to see each voter in the precinct before election time, and will sincerely appreciate your influence and support.

F. M. MURRAY

ALLEN HARP

Allen Harp, District Attorney, Announces For Re-Election

Allen Harp, District Attorney for the 100th Judicial District, has authorized the Donley County Leader to announce that he will be a candidate for re-election. He states that he has enjoyed his work as District Attorney and feels that he is qualified to do a better job in the same fair and impartial manner. Harp says he appreciates the support and cooperation given him by the people of Donley County and hopes to continue to merit such confidence.

HUBERT RHOADES ANNOUNCES FOR RE-ELECTION

In making my announcement as a candidate for re-election as commissioner of Precinct 1, I wish to thank everyone for the cooperation I have received during the past. With the experience I have gained, I feel that I can serve the people of Donley County and this precinct better in the future. Your consideration in the campaign and election will be greatly appreciated.

HUBERT RHOADES

Mr. and Mrs. Lee Muse and Louise and Vela Tomlinson visited Mrs. F. T. Jarvis in Munday, Texas thru the week end.

Sheriff Behrens Announces For Re-Election

The Leader has been authorized to announce in this issue, the candidacy of Truett Behrens for re-election as Sheriff, Tax Assessor-Collector of Donley County.

"I wish to thank everyone for the fine cooperation I have received during the past year and will appreciate your continued support in caring for the duties of this office in the future," Behrens stated. "In asking for re-election to this office, I feel that with the additional experience I have gained, I am better qualified to serve you, and I will do my best to see each and every voter between now and election time," Behrens added.

CHASE INSTALLS ELECTRONIC SECRETARY

Rhodes Chase, owner and operator of Chase TV Service, has installed an Electronic Secretary to take care of calls coming to his business while he is out on service calls. The device is connected with his telephone. When he is out and his phone rings, a recorded voice answers the phone and tells the person calling to please leave their name, etc., which is recorded and Mr. Chase can play these records after returning to his business and get the information of all calls made. It's quite a gadget but to get proper results a person must follow instructions given by the recorded voice when the phone is answered.

Guests in the home of Mr. and Mrs. F. E. Caraway New Year's Day were Mr. and Mrs. Andy Stewart and children of Albuquerque, N. Mex., Mr. and Mrs. D. S. Smith, Mr. and Mrs. E. J. Another thing that we got educated on during our recent trip to Austin was the method used by most Chamber of Commerce in determining the population of their towns. We had always wondered. Cotton John and Frank Helvey please note the following quote from a Chamber Secretary:

"Mr. Mayor, please add five to our total population which is growing by leaps and bounds. Mr. and Mrs. John R. Smithers

and daughter Margaret, along with the girl's father and mother just moved into a house on Polk St. - - Oh me.

Senator Price Daniel, our junior U. S. senator from Texas told us in a speech that one half to one third of all crimes committed in our country is due to the influence of dope. Sen. Daniel has been conducting an investigation into this racket down along our southern border towns trying to head off any illegal traffic in the stuff, and all traffic is against the law except in whatever degree some of it is used as medicine. According to established facts sellers of the stuff go about seeking whoever that they may entice to become a customer; knowing that once the person has the dope habit he is in their grip from then on. It is next to impossible to redeem a life from the clutches of this terrible habit. They have uncovered plenty of evidence to confirm the fact that Red China is behind some of the activity in the dope traffic. We need to wake up as never before if we want to forever put this terrible evil beyond the reaches of our young people. Write your Senator today.

An old Judge who had held this office in his county for 33 years gave the following as his advice to those seeking long terms in office and he could well

most every town was a sign pointing the way to the Church of Christ. The latter undoubtedly leads the field in welcome signs along the highways.

We received the following, sort of a belated Christmas wish. It says:
To You:
Thank you for remembering me at Christmas time.
Christmas, 1954, I was riding the cactus covered ranches near Phoenix.
Christmas, 1955, I amble down moss-hung bridle-paths in Dixie, "Where I was born in".
I love Arizona and Alabama, but you do not have to sprain a brain to know where to find my heart always. You would never have to twist my arm to make me light out for the Panhandle of Texas, where strong winds send tumbleweeds tiptoeing across the prairies like gay vagabonds. That's home.
May 1956 bring you gentle mounts and good chuck and a kind wagon-boss.

Speaking of conventions and politics; we heard the story of the fellow that was about to be hung. He was told by the sheriff that he had just five minutes in which to make any final statement he might wish. Then man to be hanged replied that he had nothing further to say.
Just then up came a politician from the crowd and asked; "Here you have five minutes of time, you don't want to use it; you have a large crowd gathered, how about letting me make a speech?"
The sheriff replied that the five minutes belonged to the prisoner and the matter would be up to him.
"Let him have it," he said, "but go ahead and hang me first." Speeches anyway.

Someone remarked that the Baptists and the Johnson Grass were taking East Texas. It was true that even in towns almost too small to have a filling station, much less a post office one would see a Baptist Church. Also, in

INTERNAL REVENUE SERVICE

Taxpayers making quarterly installments on individual estimated income tax should mark January 16 in their date book.
This, according to Mr. H. B. Hamil of the Amarillo office of the Revenue Service is the deadline for paying the final installment on 1955 estimated tax. January 16 is also the last day to amend a prior declaration of estimated tax return to avoid possible penalties for under-estimation.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

L. E. (Jiggs) Bonkenschap, one of the first 16 farmers to sign an agreement with the Donley Soil Conservation District, reports that two years ago he made the mistake of deep plowing part of his land too deep, with the result that it runs together now and does not take water in like it should. He is going to try plowing it about 10 inches deep this winter to see if that will help. However, he agreed that a good application of burs or other organic matter, or a soil improving crop or two would do a lot more good.

Several years ago Jiggs planted about 15 acres of weeping lovegrass. For one reason or another by last spring he did not have too good a stand left. However now, according to Jiggs, the weeping love has volunteered and the young grass is "like a carpet." The seedling grass is small, and there is some doubt if it will survive a severe cold spell this winter. It is hoped that it will.

Red Couch, Verney Wade, Leroy Harris, L. D. Moore, Maurice Risley and Lloyd Risley are among the cooperators with the District who have taken advantage of the availability of cotton burs to put back on their land—both as a soil improvement and protection measure. Most all the burs from the Hedley gins have gone back on the land, but the farmers who gin at Lelia Lake and Clarendon did not use all the available burs.

Those who are interested in applying any conservation measures on their land can obtain the assistance of the Donley District by contacting one of the District Supervisors, or one of the technicians in the Soil Conservation Service office in Clarendon.

Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD
Texas Press Association
AUSTIN — Drew Pearson is drawing the wrath of Texans. The TV news commentator's financial advice to "Put your trust in U. S. Trust" led many Texans to invest life savings in the U. S. Trust and Guaranty Co. So says Garland Smith, chair-

man of the Texas Insurance Board, who along with Atty. Gen. John Ben Shepperd and Judge Charles O. Betts clamped the padlock on the firm's 14 Texas offices.

"I think Drew Pearson was responsible to a great extent . . . Mr. Pearson sitting in Washington, the Capitol at his back, telling people 'You can put your trust in U. S. Trust'. We've talked to these people. They think the U. S. Government was behind it—that it was safe," said Smith.

According to Judge Betts, the firms operations appear to have been "born in iniquity and sin and fraud, and would seem to have been conducted that way from the beginning."

A Texas legislator warned Pearson more than six months

ago that there were questions about his extravagant claims. Pearson flew to Waco and talked to the head of U. S. Trust. He decided that everything was fine and continued his TV chant "You can put your trust in U. S. Trust."

Now his gesture of hiring a lawyer, to help salvage what is left of the firm's funds, doesn't alter the fact that Texans who took his advice and sank their savings in the firm stand to get back as little as 15c out of every dollar invested. Many of the depositors and policy holders are bitterly criticizing Pearson.

Today, something like 128,000 people are feeling the sting of personal losses because of easy faith. Not all of the criticism is directed at Pearson, but he is getting his share of the blame.

Senate Inquiry Starts
Even while court hearing was underway, the Senate's investigating committee went to work to gather facts surrounding the failure of U. S. Trust and Guaranty Co.

Meeting in the Senate's committee room, the investigators named State Auditor C. H. Cavness as its watchdog to make certain that records of the company, and all of its affiliates, are preserved. He also was asked to

Aureomycin Keeps Poultry Fresh

There's less than a tablespoonful of Aureomycin in the container held by Dr. Wilbur Miller, American Cyanamid Co. scientist, but it's enough to keep more than a quarter-ton of poultry fresh twice the normal time. Aureomycin, first antibiotic to be accepted by the federal government for use in food preservation, is the basis for Cyanamid's recently announced Acronize process for poultry. The Aureomycin helps keep food fresh by holding back the growth of spoilage bacteria.

prepare a summary of expenditures of the company for 1954 and 1955. It was to include legal fees, public relations and advertising expenditures, with names of persons to whom they were paid.

Criticism was directed at the state insurance commissioners by Rene Allred, ousted last year as attorney for the liquidator-receiver of the commission. In a prepared statement he said there

was evidence of the company's insolvency as far back as last year.

A second meeting of the Senate committee is scheduled for January 11.

More Insurance Actions

Another insurance company, All American Home Lloyds of Dallas, was put in receivership last week. Hearings were set for Jan. 5th for four others to "show cause" before the insurance com-

mission why their licenses should not be revoked.

All American was shut down after the commission alleged it was insolvent to the tune of \$235,217.

Ordered to show cause were U. S. Life Insurance Co. and Southern Medical and Hospital Services of Waco, both affiliates of U. S. Trust and Dallas Fire and Casualty Co. of Dallas, and American Atlas Life Insurance

Co. of Dallas. Show cause order for the four did not necessarily reflect on their solvency the commission said.

Land Suits Filed

Although paling beside the new excitement of far-flung insurance manipulations, the old veterans' land scandal, was back in the news.

Attorney General Shepperd filed six new suits, seeking recovery of \$548,824 paid out by the state to block land operators.

Thirty-six such suits, asking for recoveries of \$3,500,000, are pending in court.

This new Buick SPECIAL 2-Door 6-Passenger Sedan delivers locally for less than some models of the well-known smaller cars. Come in and check!

If you think you can't afford a big-bodied, big-powered, big-muscled Buick like the one shown here—we'd like to set the matter straight.

If you can afford any new car, you can afford this strapping and stunning Buick SPECIAL Sedan—and no kidding.

For this Buick is tagged within a few dollars of the well-known smaller cars—and actually costs less than some models of those very same cars. The price we show here proves it.

So maybe you can understand why Buick—for two years running now—has outsold every other car in the land, except two of those well-known smaller cars.

But low price is just part of the picture.

Big reason for Buick's soaring sales sweep is that folks are finding here a lot more automobile for the money—more style boldness, more power thrill, more ride stability and more solid structure than the same dollars buy elsewhere.

*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Any state and local taxes, additional. Prices may vary slightly in adjoining communities. A wide variety of extra-cost equipment and accessories available at your option.

Just ask yourself: wouldn't you rather go traveling with the lift and life and pace and poise of a stunning new Buick—when it's all yours at just about the price of a smaller car?

If your answer is yes, then the time is now—right now.

Drop in on us this very week—tomorrow would be fine—and we'll seat you at the wheel of the biggest and most beautiful bundle of high-powered Buick ever offered in America's low-price field.

Best Buick yet

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

A RUSSIAN RECEPTION

The visit to Russia of the Honorable Lester Pearson, the Canadian Secretary of State for External Affairs, has been mentioned in previous newsletters. It was his official visit to the Soviet that was the occasion for a state reception to be given in his honor. When it was learned that we would be in Moscow about the same time, invitations were extended to us. These invitations were in Russian and had to be delivered to each of us by a person who could read Russian, because none of us could have recognized our own names. The reception took place in a very large and ornate house maintained by the Russian Government for that purpose. It was luxuriously furnished and immaculately kept. When we entered we ascended a flight of stairs into a large hallway and were then ushered into a medium-sized room. In the center of this room stood Mr. Molotov, the Russian Foreign Minister. He

greeted each of us with a smile and a word of welcome. There was no other receiving line. After shaking hands with Mr. Molotov, we were escorted into a large reception hall which was occupied by a great number of people talking every conceivable language. They were representatives of other countries. We were the only Americans present and very few people in the room could speak English. We were able to converse with a few from some of the embassies. We attempted to talk to several Russians thru interpreters. Some were very friendly and wanted to talk while others were very cool and obviously did not want to converse. Soon Mr. Malenkov and several Members of the Presidium of the Supreme Soviet came into the reception hall through another door. Mr. Malenkov and three others conversed at length with several of us through an interpreter. The interpreter was a young man of about thirty who spoke excellent English and did a splendid job of interpreting. Most of the conversation was with Mr. Malenkov. It was suggested that he visit Texas, and he replied that he thought there would be time for that and would like to make such a visit. I did not catch the names of the other Members who were with him and could not

pronounce them if I had. I did know that Mr. Bulganin, Mr. Khrushchev and Mr. Mikoyan were not present at the reception, so I am sure it was none of them. The members present were very gracious to us and made several references to hopes that the relationships between our two countries would be much better in the future.

The signal was given that the food was ready and that the guests were to partake of it. As it turned out there were several dining rooms in which there were a number of tables laden with all kinds of food and drink. Our party was supposed to go into the dining room where the Members of the Presidium were to eat. But, several of us got sidetracked and into another dining room where we saw firsthand evidence to confirm our conclusions that the Russians were great eaters. The tables were so arranged as to indicate that the service was to be buffet style. However, it was a case of first come, first served. Those who got to the table first firmly implanted their feet in place and proceeded to enjoy everything in reach. I stood by one man for about ten minutes waiting for him to move and then decided I had better try another table. I did get a bite of a few things that were very tasty, and then was told that I was supposed to be in another dining room. I went

to the other dining room where all of the high officials of the Russian Government and official representatives of other countries were gathered. As I started to enter the doorway, two fellows about five by five who were standing on each side of the door closed in to prevent my entering. Remembering some of my old football footwork, I side-stepped them and was inside before they knew which way I had gone. They made no effort to eject me but did get the gap closed so that another member of our party was not able to get in. He called to me over their heads and asked how I had gotten in. Seeing his plight, I went back over to the door and said to the two guards, "Let him in. He's all right." Whereupon the two guards parted and let the other member in, much to my surprise. We then visited with representatives of the Governments of Mexico, Canada, England, Sweden and others until it was time to depart about eight p. m.

It can be said that a Russian State Reception is not much different from the same type of party in other countries, including Washington, D. C.
