Agriculture Clinic Scheduled Here At Mulkey Theatre, February 16th

The biggest agriculture clinic ever held in Donley County will be staged on February 16th at the Mulkey Theatre in Clarendon. Soil fertility and irrigation and ranching will be big features of the program. The first part of the program will start at ten in the morning and end at four in the afternoon. H. M. Breedlove, county agent in charge of the program, says that this will be one of the biggest educational programs ever held in the county. The Fort Worth and Denver Road agriculture department is assisting in the program. A committee of farmers helped to work out the program. This committee consisted of E. S. Ballew, Frank Murray, Henry Moore, J. R. Porter, Rex Wood, John Head and H. M. Breedlove. Assisting the committee was Knox Parr, district agent for the Texas A&M College Extension Service and Mr. M. K. Orman, agriculture agent for the Fort Worth and Denver.

JOHN McHANEY

Mr. John McHaney, economist for the Texas A&M College Extension Service, will appear on the agricultural program at the Mulkey Theatre at 3:00 P. M. on February 16th. He will discuss the agriculture outlook. This is one part of the agriculture clinic being held in Clarendon which starts at 10:00 A. M. and ends at 5:00 P. M. on February 16th.

Top specialists and individuals appearing on the program are some of the best in the nation in their respective fields. The program for the day is as follows: February 16th--Mulkey Theatre Clarendon, Texas

10:00 A. M.--Jack Barton; Soil and Water Specialist, Texas A&M College Extension Service, College Station, Texas.

11:00 A. M.--Jay Taylor; Discussion on the Beef cattle industry, local and national level, Amarillo, Texas.

1:00 P. M.--Doug Wythe; Beef Cattle improvement program, Texas A&M College Extension Service, College Station, Texas.

2:00 P. M.--Dr. Schrunck, Irrigation specialist, Denver, Colo.

3:00 P. M. -- John McHaney, Economist - agriculture outlook, Texas A&M College Extension Service.

4:00 P. M. -- U. A. Randolph; Grapes for a commercial crop in this section, Grape Experiment Station, Montague, Texas.

Every one is urged to attend this all day program and take a part and learn all that is possible from these specialists and speakers who are well versed in their respective fields. Remember the dates and time and make your plans to attend the program.

JACK BARTON

Jack Barton, soil and water specialist who will talk on this important subject on Feb. 16th at the Mulkey Theatre at 10:00 A. M. This is a part of the agriculture clinic to be staged as an all day affair with 6 top speakers.

Doyce Graham Wins Showmanship Award At Ft. Worth

Doyce Graham, a Junior in Clarendon High School and vice-president of the local FFA chapter, was selected as the outstanding showman in the swine division of the 1956 Ft. Worth Fat Stock Show. He was awarded a new hat and a beautiful trophy by the show. Four of the five finalists in the showmanship contest were from Clarendon. Claude DeBord, Dannis Gibson and Jimmy Gattis were the other Clarendon FFA members selected for the final contest.

Jr. High Boys And Girls At Top of District

The Jr. High boys and girls basketball teams head the list in district standing at the present time with another round of play before the winner of the north zone is declared. Neither team has lost a conference game to date.

Last Friday the Colts grabbed an early lead over Alancree in a conference affair at the local gym to go ahead and win 34-20. Leading the scoring was W. N. Elam with 8 points. All of the team was able to score at least two points in the game with the bench cleared two times. The Colts have averaged 25 points in their nine games so far.

Thursday night the Colts defeated Lakeview 37-17. The boys and girls were scheduled to play their first games in the Lela tournament yesterday.

FFA MEMBERS ATTEND STATE FFA DAY

Twenty-five members of the Clarendon F.F.A. Chapter left Clarendon for the Ft. Worth Show Friday, January 27th at 1 p. m. They arrived at the show about 9 p. m. and spent three hours viewing the stock. They spent the night at the Arlington Heights High School gym. Saturday, the boys participated in the swine show and a number attended the rodeo Saturday afternoon. Sunday morning, the boys were guests of the First National Bank of Ft. Worth at a special breakfast for FFA and 4-H members. The group returned home Sunday afternoon.

Ray Moore Is New Acting Postmaster

Ray Moore, head coach of the Clarendon Public Schools, gave up his coaching position here to be sworn in as Acting Postmaster of the Clarendon Post Office Wednesday morning of this week. At the same time the official resignation of J. C. Estlack was accepted. He retired from active duty with the post office over a year ago and L. N. Cox has been serving as acting postmaster. Estlack had been postmaster here since 1942.

Moore, who has been head coach here for seven years, is a native of Munday, Texas and received his degree from West Texas State at Canyon.

Poll Tax Receipts Under Par

Sheriff Truett Echrens kept the tax office open until midnight Tuesday in order to give everyone an opportunity to pay their poll tax before the deadline but this last valiant effort failed to produce the usual number of poll tax receipts for a general election year. The grand total was 1577 which is some two hundred under the number issued four years ago.

The last two days of rushing business brought the sagging total up considerably from what it was last week. In fact, over 500 poll tax receipts were issued during the past week. The next possible rush at the tax office will be the issuing of new car tags which went on sale February 1st.

March of Dimes Talent Show And Dance Friday Nite

G. W. Bradshaw, local March of Dimes Chairman, has announced that a Talent Show and Dance would be held at the Legion Hall Friday night beginning at 8 o'clock. Price of admission will be whatever amount you wish to donate to this worthy cause. Bradshaw stated that contestants were expected from Shamrock, McLean and other points around as well as from this vicinity which will afford lots of entertainment.

The Legion is donating the Hall and the Caprock Valley Boys will furnish the music for the dance free of charge. The dance will follow the talent show. Don't forget Friday, Feb. 3rd and be sure to make your plans to be present, Bradshaw added.

Funeral Services For Hedley Lady Held Tuesday

Funeral services were held Tuesday afternoon in the Hedley Baptist Church for Mrs. Rose Lee Barclay with Rev. J. S. Tipton and Rev. M. G. Upton officiating. Mrs. Barclay, 72, died Sunday at the home of a daughter, Mrs. Reuben Thomas in Sunray. She had been a resident of Hedley the past five years, moving there from Quanah. Her husband, J. B. Barclay preceded her in death three weeks ago.

Survivors are three daughters, Mrs. Thomas, Mrs. Calvin Reeves of Sunray; and Mrs. W. R. Busby of Fort Worth; three sons, Earl Barclay of Bushland, J. B. Barclay Jr., of Kalama, Wash.; and T. S. Barclay of Plainview; and two brothers, John Cross of Brownfield; and Carl Cross of Olton.

Burial was in the Quanah Cemetery under the direction of Boxwell Bros. Funeral Home of Dumas.

CUB SCOUT BAKE SALE THIS SATURDAY

The Cub Scout Pack will hold a bake sale Saturday, February 4th at Jonics Food Market. Cakes, pies, and cookies will be sold. If you need a Sunday dessert, please remember our Scout Bake Sale as we are in need of some extra funds to buy some Scouting equipment for our boys, stated one of the Den Mothers.

WRESTLING MATCHES TONIGHT AT COLLEGE GYM--8 P. M.

To Wrestle Here Tonight

CATHY LEE

Two professional wrestling matches are on the card for the Lions Club sponsored event at the College gym tonight. The one drawing the most interest is the girls match between Joan Ballard and Cathy Lee. The other match is between Rip Rogers and Cowboy Carlson. The event begins at 8 p. m. and it will be a first come, best seat affair with a low admission charge of \$1.00 for adults and 50 cents for children.

These matches are of the highest calibre with these same wrestlers appearing on the regular wrestling program at Amarillo this week.

Both matches will be a two out of three fall affair with a one hour time limit. There will be plenty of action in both.

Hundreds of people in this area thoroughly enjoyed good, high class wrestling but it is inconvenient to drive 60 miles to see a good wrestling card. The Lions Club is sponsoring this event tonight in order to afford this pleasure to sport fans right here at home and at a very nominal admission charge.

Local 4-H Club Steers Rate High At Amarillo Show

Donley County 4-H Club members gave a good account of themselves and brought Donley County to the front in the steer show at the Tri-State Fat Stock Show at Amarillo last week.

Troy Harrison of Hedley, 4-H Club member, showed the reserve champion hereford of the show.

The placing of these steers in each class were as follows: Heavy steers of nine hundred pounds, Troy Harrison second and Gene Floyd ninth; middle weight steers over 825 pounds, third was Gene Floyd of Hedley; Light steers under 825, Troy Harrison of Hedley was first; in the showing for the grand and reserve champion steer, Troy Harrison's light steer was judged reserve champion hereford. In the Angus division, Chuck Cosper of Clarendon took fourth place. Troy Harrison won the champion group of two calves fed by one boy over all breeds of the entire show and Gene Floyd placed fifth in this same class.

Gene Floyd of Hedley is a first year feeder and first year as a 4-H Club member under county agent H. M. Breedlove was judged the seventh best herdsman and showman in the entire Amarillo show. Breedlove says that seven steers will be shown in Houston on Feb. 27th and that only two steers were sold at the Amarillo show and the top placing steers were returned home to show in Houston.

Boys taking steers to Houston will be Troy Harrison of Hedley, two steers; Gene Floyd of Hedley, one steer; Ted Shaller, Clarendon, one steer; Jim Gattis, Clarendon, one steer; Chuck Cosper, one steer. The steers will leave on February 26th.

Funeral Services Held Monday For Mrs. Hood

Funeral services were held Monday afternoon at the First Christian Church for Mrs. Linnie May Hood with J. I. Brimberry, local minister, officiating.

Mrs. Hood, 72, died Sunday in her home here following a lengthy illness. She had been a resident of Donley County 25 years and was a member of the First Christian Church.

Survivors are two daughters, Mrs. Bernice Morgan of Clarendon, and Mrs. Ethel Hulse of Estelline; three sons, Herman Hood of Amarillo; Sammie Hood of Waco; and D. E. Hood Jr., of Wichita Falls; 10 grandchildren and five great-grandchildren.

Pallbearers were Joe Hall, Bob Head, A. W. Harris, G. A. Anderson, C. E. Flowers and Roy Clappitt.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Large Group Attends Childress Water Meeting

The meeting in Childress of the Salt Fork Dam Association last Thursday night looked like a Clarendon Town Hall meeting. The Mayor and both city commissioners were accompanied to the meeting by some forty local citizens so they might learn first hand the status of this association.

The group voted unanimously to petition the State Board of Water Engineers to call a confirmation election within the next ninety days. This election will be called in the cities concerned by a special election and all property owner taxpayers shall be eligible to vote.

Clarendon FFA Dominates Ft. Worth Fat Stock Show Barrow Exhibit

A lightweight Berkshire barrow bred by J. D. Duggins and fed and exhibited by Kenneth Littlefield was selected as grand champion barrow of the 1956 Ft. Worth Fat Stock Show. A Poland China barrow exhibited by Carl Talley was selected as reserve grand champion, and the Clarendon F.F.A. group won first place over all 4-H and F.F.A. groups competing at the show. In addition to these honors, Dannis Gibson exhibited the champion Hampshire barrow.

Claude DeBord showed the reserve champion Berkshire and Hampshire barrows and Milton Mann exhibited the reserve champion Duroc. Clarendon swept seven of ten places in lightweight Hamp, first four places in light weight Poland Chinas and seven of first ten places and won 11 of first 14 places in light and middle weight Berkshire classes.

Littlefield and the chapter was awarded a large beautiful trophy by the Texas Livestock Commission Co. for exhibiting grand champion barrow. The chapter was awarded two large trophies by the Berkshire Swine Association for exhibiting the grand champion barrow and the grand champion FFA and 4-H group. The exhibition was one of the most successful in the history of the local chapter in livestock shows. Each of the forty head of barrows entered in the club show

by the Clarendon youths placed high enough to win a cash award.

January Nets .13 Inch of Moisture

The month of January didn't produce much moisture as Tommy Saxe, official weather observer, recorded only .13 inch, mostly in melted snow. We had plenty of moisture in the atmosphere but nothing to set it off. The same situation set back in Tuesday night but the prospects of moisture is pretty slim.

Temperature variations for January were as follows with the readings being for a 24 hour period: The high daytime reading was 78 on the 28th and a low high of 20 on the 18th; the coldest night was the 19th with a low of 6 degrees and the high low was on the 28th with 36 degrees.

'UP TO 60 HP...'

POWER-CRATER

The same 226-cu. in. Allis-Chalmers POWER-CRATER engine that gives such outstanding performance in the WD-45 Tractor is now available as a stationary power unit.

With this engine you get up to 60 hp at 1,800 rpm; more than 50 hp at 1,400 rpm, the standard engine speed of the WD-45 Tractor.

Concave cylinders, "center-fire" combustion, removable "wet" cylinder sleeves help develop more brawn with less bulk in Allis-Chalmers engine design.

If you want an engine good for thousands of trouble-free hours... pumping, grinding, any work requiring stationary power... why not investigate the Allis-Chalmers W-226 POWER-CRATER engine?

Four Elections In 1956

There will be an extra election in 1956 as the result of a legislative boner. The error will cost the state and some counties \$200,000.

Nine constitutional amendments will be voted on in November. Eight were drawn properly. One, however, calls for a vote on the second Tuesday in the month. General election day is Nov. 6th—the first Tuesday. Therefore the state must call an election the following week in order that the ninth amendment may be legally voted upon. That will be Nov. 13.

The troublesome amendment would permit the state to spend up to \$1,500,000 a year in aid to dependent persons over 18 years of age who are mentally or physically totally disabled.

Pooch Is Better Fed Than Mother-in-Law

A taxpayer, called into the district office to explain two of his listed dependents, revealed finally that one was his mother-in-law and the other was his dog.

A further check revealed—after he had been advised that the animal could not be claimed—that he had spent \$50.00 more on support of the dog than of the mother-in-law.

**Highlights and Sidelights FROM your State CAPITOL**

By VERN SANFORD

AUSTIN—Talking to some 250 newspaper people, Sen. Price Daniel took the spotlight in Austin when he made public his current thinking about the race for Governor.  
Senator Daniel said it was the largest press conference he ever had held. It followed his talk on

the program of the Texas Press Association's Mid-Winter Meeting.  
Anticipating the first question, he began the conference by stating that he intended to complete his first term in the Senate—unless the people of Texas "call me home to take a more important job."

He set March 1 as his deadline for disclosing his decision on a possible race for governor.

Should he decide to run for governor, Daniel said he would not resign from the Senate until after his nomination. But he would resign in time to give the people the "freest possible choice" in selecting his successor.

In reference to rumors that a job "trade" was being considered between him and Gov. Allan Shivers the junior senator said that he never had and never would consider a political trade-out.

In further reference to his political future Daniel said he will not run for re-election to the Senate in 1958, unless pressing and unfinished business demands that he do so. He drew considerable applause when he stated that "I would rather be governor of Texas than President of the United States."

Daniel's appearance in the Capital City temporarily drew some of the interest away from the currently involved insurance investigation.

It still goes on, however. Some good news made the headlines when it was announced that, according to present estimates, US Trust depositors, policyholders and other creditors may receive from 70 to 85 cents on the dollar.

Meanwhile both the Senate and House investigating committees were at work.

Making a strong start, the House committee planned to continue its four-point investigation: 1. How to help US Trust victims get back the most possible as soon as possible; 2. Inquiry into charges of influence for and against legislation; 3. An attempt to trace over \$50,000 in US Trust checks issued to "cash" about the time A. B. Shoemaker, US Trust president, was lobbying on insurance legislation; and 4. How to prevent recurrence of similar situations.

A parade of Senators has testified before that group. One upshot has been an increasing clamor for passage of lobbying regulations next session.

Insurance Commission Chairman J. Byron Saunders told the House committee that the blame for conditions should be shared three ways. The insurance industry wasn't sufficiently alert; the Legislature was partly to blame; and previous insurance commissions had been "derelict" at times. Later he qualified the "derelict" to say he meant no particular individual or commission, and certainly not the present commission.

present insurance laws, no compensation predicted that under pany could set up an operation similar to US Trust.

Life Insurance Commissioner Garland Smith, apparently under tension of recent developments, went to the hospital with stomach trouble. His condition was believed not serious.

First trial on criminal charges resulting from the insurance investigations is expected to get under way early next month.

Travis Co. Dist. Atty. Les Procter said he hopes to bring to trial three Beaumont men under indictments for perjury. All were connected with the now-defunct Texas Mutual Insurance Co. of Beaumont.

**Austin Mother Cited**  
Mrs. Eugene H. Bird, a polio victim, and mother of five small boys, has been named Texas polio mother of the year for the 1956 March of Dimes. Her husband is an Austin city policeman. She

was selected from a large group of nominees submitted to Maj. Gen. K. L. Berry, state March of Dimes chairman.

**Death Was Sacrifice**  
George C. Menzies, state health department entomologist, did die of rabies, according to Dr. Henry A. Holle, state health commissioner. Menzies, who died several weeks ago, had been working, with others, on a bat-rabies study. Definite cause of his death was not immediately known, and postmortem examinations were made. As there were no signs of bites on his body, Menzies' death has provided scientists with the fact that one can contract rabies without having been bitten.

**From where I sit ... by Joe Marsh**

**New Future For Your Present**

How many ties did you get for Christmas? For once I didn't come up with any—could have used a couple this year, too. Instead I got three wool mullers. Never wear a muller.

Some people are determined to do something about the Useless Gift Problem—they're holding a "White Elephant Party" Saturday at the Community Hall.

Handy Peterson's the chairman. "Bring any presents you'd rather give than receive," he says. "Chances are you'll swap them off for something even worse—but it ought to be fun."

From where I sit, it's sometimes pretty hard to give a man exactly the present he wants. Other people so often have tastes and preferences that differ from our own—for example, think of all the people you know who claim coffee's the beverage, and all the others (like me) who'd rather have a glass of beer. Being able to make your own choice is the greatest "gift" of all.

Almost every time we get our mail there will be a card or letter from some one asking for a donation; asking for your sub-

scription to something; asking for your membership in some organization; perhaps even just to sell you this or that. Anyway, more than a hundred times to one the greeting begins; Dear Friend. One person remarked this week how much more convincing the Dear Friend would sound if along with the letter they would enclose a cash consideration and ask that we send them any bargain that we happened to be passing on to our friends at the time. Oh me, that would really be a new twist, wouldn't it?

Now and then we see a story that thrills our heart deep deep down inside. This week we received a newspaper clipping sent to us by Miss Naomi Ruth Field of 903 Alston Ave., Ft. Worth, Texas. This story had to do with the beginning of church services for the handicapped at the Crusader Chapel. The idea came from the mind of Ronald Ballard a 6 ft. 4 in. University of Houston basketball player who now lives at 820 Griggs St. in Cow Town. Ronald was injured in a car accident three years ago which left

him paralyzed from the neck down. The idea being to bring together many of the handicapped folks for a church service together; a service where no one would feel any sense of depression or of being pitied. The preacher preached his sermon on crutches; the singer led the group from his wheel chair. In the audience were over 25 blind folks. The place of worship is on the ground level with free ambulance and taxi service being donated to any part of the city. What a wonderful idea and may we all remember this church and Ronald and all the others in our prayers. We hope that we can have a report now and then from this church to pass on to you. How about it Ronald??

To everyone near enough to attend we would suggest that you not miss the big Farmer-Rancher day at Claude on Feb. 15th. The program along with some good eats is being sponsored by the Claude Lions Club under the supervision of County Agent Foster Whaley.

Also, cooperating in the affair and furnishing part of the program is the Burlington Lines.

Taking a long view of future business this railroad is to be complimented on its stand and full support of any Save The Soil movement. Their approach to this problem of advertising for business takes on something a bit unusual and rates our thanks and compliments. A year or so ago down at Clarendon we saw a program such as the one they plan to bring this year. It was at that time sponsored by the Burlington Lines and the Second National Bank of Houston. Anyway, in their support of Soil Conservation they are looking on down the road say 50 years from now. If we waste our soil there will be no business for the railroads as well as no income for the farmer. In helping promote the Saving of the Soil they are helping build a good future for our farmer who will continue to grow good crops to be shipped on the railroad. It's just simple two and two makes four, but many Big Businesses have failed to see this point and have kept on crying out against any subsidy being spent on the soil.

So, we take off our hats to this member of Big Business who has taken the Forward Look at our future. Too, we say thanks to hard working Mr. Whaley for his tireless efforts to make the day a big success. And thanks to the Lions Club for picking up the check. Everybody plan to come.

## DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

This is the season when most of the terracing is done in the Donley Soil Conservation District, and Soil Conservation Service technicians assisting the District have been kept busy running new terrace and diversion lines and checking out old ones which are being enlarged or rebuilt. The increase in the ACP assistance allowed, from 50% of the cost to 70% of the cost for terrace construction, has allowed more farmers to participate in the program than would have been able to otherwise. Also the larger type terraces being built now—which are large enough for 4-row equipment—and the fact that assistance can be obtained in enlarging old terraces to this new size, has increased the interest in terracing.

Some of those in this District who have recently built or enlarged their terraces, or intend doing so this season are: Guy Sibley, J. R. Brandon, Bufford Holland, C. A. Crow, J. H. Valance, F. O. Hodge, Oscar Moore, D. L. Vaughan, Graham Brinson, Tige Hill, L. D. Moore, L. A. Watson, Murphy Brock, C. L. Harris, Alton R. Webb, Lissa P. Webb, and G. M. Johnson. Those that have constructed diversions recently are: J. L. McMurtry, Burk DeBord, Bill Waddell, Roy Brock, Cap Morris and George Bulman.

The difference between a diversion and a terrace is that a diversion is designed to catch and handle outside water, where-

as a terrace is designed to handle only that water which falls between it and the terrace above—or the top of the hill. If for any reason a terrace cannot be built within a terrace interval from the top of the hill, then a diversion would be needed to take care of the extra drainage involved. The flatter the slope, the further apart terraces can be built without undue washing or too much drainage in between.

**SIZE OF FAMILIES POSES PROBLEM**

The size of many families poses a problem to agents of the Internal Revenue Service answering taxpayers questions. One agent asked a taxpayer to also enter the name of his youngest child in the exemption section.

"We haven't got around to naming him yet," he was told.

"Well," said the agent, "what do you call him?"

"We just call him 'Young Punk'."

And that's the name that went on the return for the official record.

## High School Girls Lose One, Win One

The Clarendon High School girls lost an overtime game to Memphis 60-55 last Thursday night but defeated McLean 53-48 in the local gym Monday night.

In the game with Memphis the local girls led all the way to the final minute of the game. Memphis went ahead at that time with a one point lead. Harlene Smith tied the score with a free pitch and the regulation game ended 55-55. In the overtime period the local girls failed to score and the contest ended 60-55. Harlene was high with 26, Elizabeth Smith had 24 and Nedra Hodge scored 6 points. Glenda Borden, Jo Ann Bennett and Joyce Hall played exceptionally well at the guard positions. Joyce Eddings and Barbara Darnell played well while they were in the game.

On Monday night the girls defeated McLean 53-48. McLean led 21-20 at half-time but the local girls took the lead in the third quarter and held it the remainder of the game. Harlene Smith again led the scoring with 24 but Elizabeth Smith was also hitting the goal consistently. She had a total of 23 points, Nedra Hodge had 6. Glenda Borden played an outstanding game at the guard position. Jo Ann Bennett and Joyce Hall also played exceptionally well at guard. Joyce Eddings and Barbara Darnell saw little action but played well.

Friday, Feb. 3rd, the girls play Wellington at Wellington. If they win over Wellington, they will win the right to play in the District meet in Lefors, Feb. 9-11. If they lose they will finish in a tie with McLean and a playoff will be arranged to determine which team will represent this half of the district in the tournament at Lefors.

Mr. and Mrs. Frank Tyler and boys of Lubbock visited the week end with their parents, Mr. and Mrs. G. C. Heath and Mrs. E. W. Tyler.

Mr. and Mrs. Charles Wood of Lubbock and Mrs. J. D. Wood were supper guests in the home of Mr. and Mrs. Jiggs Mann Saturday evening.

**THE LION'S TALE**

By Carl Allmond

The attendance is picking up, and chances are you won't get a place to sit, unless you are "on time." Boss Lion Lowe expressed his appreciation to the members who turned in their tickets and money for the show held last week. He reported about \$90.00 profit to the club. Lowe also reminded us of the wrestling matches to be held tonight at 8:00 in the College gym. There are no reserved seats, so first come, first choice. The proceeds from these matches will go toward worthy projects sponsored by the Lions Club. Your attendance will be appreciated!

Flip Breedlove reminded the club of an important day to remember, Feb. 18th is Educational Agriculture Day for the Community. This meeting starts at 10:00 A. M. at Mulkey Theatre. Some of the foremost men in that field, will be here to discuss their individual projects. Water and soil conservation, cattle, and irrigation will be among the topics discussed.

Lion Spier reported on the water meeting held in Childress last week, and Clarendon had the largest delegation present. He stressed the importance of forming a Water Authority within the next 90 days, if we expect to keep our rights to the water in Salt Fork.

Program Chairman Drennan announced good basketball games for Tuesday and Wednesday nights. The girls played one of the leading teams in the nation. By the time this gets out, they will have played—hope you saw the games, and that we won.

Lion Drennan presented Benny Benton, a student from the Col-

lege, who gave us a short and snappy talk on the "Agricultural Situation in Europe." Then Mrs. W. W. Pinkerton gave us an informative talk on "The Problems of T.V.," stating that T.V. can either be useful to, or master of, your home. She gave several illustrations, telling how it is handled in her home; what she likes and the children's preference. She didn't tell us which programs Mr. Pinkerton chooses. From observation, he hasn't a chance to watch his show, as the T.V. is probably on all the time, what with three children and a wife "spinning the knob".

We have a T.V. problem we would like for her to solve for us. We had our favorite nephews down the other night for one of those "fairy tale" shows. Frank III was up near the screen when one of the little boys in the play came up close and sat down near the fairy. Frank said "Mommie, that boy's breath doesn't smell good." It so happened that we had just lighted one of our aromatic cigars.

Dr. G. W. Smith and his wife of Dallas were here Saturday and Sunday, and finished checking requirements for opening the hospital. Dr. Smith has not made a definite decision as to his moving here, however he and his wife are favorably impressed. He is checking, in Dallas, on the necessary equipment, to see how far the money will go, which is now on hand. We think they are coming—due to a little trap we set. Before their arrival, we took a plastic Coca-Cola cooler filled with Coca-Cola, to their room at the Bagby Motel, with this note attached: "For your enjoyment and refreshment while in Clarendon. If you plan on returning to Clarendon for good, please accept this cooler as a gift from the Memphis Coca-Cola Bottling Co." We

checked the room the minute they left town; no cooler, no bottles. Everyone get ready to help when called on for time and money! This must be a community project, and we are confident the majority of Donley County Citizens are ready and willing to do their part.

Here is something we think will work. If every business operator will sweep up the dirt in his own gutter into a nice little, (or big) pile, we have been assured it will be picked up. It may take a little while for it to be collected because of the quantity. Some of the curbs may have to be plowed the first time, but once cleaned, it would be easy for each merchant to sweep his front and keep the streets clean. Let's try it!

Guests for Tuesday were: Dean Cook, Amarillo; Colonel Pierce, Virginia Wallek, and Joan Crawford, Clarendon; Ted Brock and Royce Davis, Wellington.

**TO THE PEOPLE OF THE 18TH DISTRICT**

By Congressman Walter Rogers

**ARE THE PEOPLE LEAVING THE FARM?**

The Department of Commerce has recently released the 1954 census of agriculture. Significant changes in the agricultural picture are obvious. In the United States from 1950 to 1954 the number of farms decreased by 600 thousand. There was a decrease in every state except Florida. This was a decline of 11.1 per cent in the number of farms. This census reflects that there are fewer farms in 1954 than for any census since 1890. The largest portion of this decrease was in the family-sized farms of from 10 to 100 acres. Farmers in that category declined 49 thousand or 17.8 per cent between 1950 and 1954. In 1925 there were 63,328 farms of 1 thousand acres and over in the United States. By 1954 this number had increased

to 130,463. Farms consisting of 500 acres or more have increased 55 percent during the last 30 years. It might also be pointed out that there has been an increase in the number of farms of less than 10 acres resulting largely from the purchase and use of small acreage plots by city dwellers near metropolitan areas. The total area of all farms in 1954 was almost the same as in 1950 and comprised over 3/5's of the total land area of this nation. These figures simply mean that human beings left the land and moved to the cities. Although land in farms from which crops were harvested decreased 12 million acres below the 1949 total, the irrigated acreage of farm land increased almost 3 and 3/4 million acres during the same period. The total acreage of irrigated land is now over 29 million acres out of approximately 333 million acres of farm land from which crops are harvested. The figures seem to indicate that many of the people leaving the farm were tenants, either cash or share.

In Texas the decrease in family-size farms between 10 acres and 260 acres was approximately 43 thousand. The decrease in farm tenants in Texas was about 23 thousand. The decrease in farmers who owned their own farms was about 15 thousand. The census shows among other things that there are 111 thousand farms in Texas having telephones, 269 thousand with electricity, 90 thousand with television sets, 199 thousand with running water, 93 thousand with home freezers and 117 thousand with artificial ponds, reservoirs and earth tanks. These figures indicate that even though life on the farm now includes many of the modern day conveniences, the people are leaving the farm in great numbers. This leads to the conclusion that this migration must be caused by the instability of the agricultural economy and the spasmodic declines in farm income. I do not like to see people moving from the land. History records that this has always spelled tragedy for nations. Our job in this generation is to stabilize the farm economy and put it on an even keel with the other segments of our economy so that our people will have an incentive to remain close to the land.

**ANOTHER INCIDENT IN KIEV**

As I pointed out in a previous newsletter, the Russians are very proud of having mastered the art of making ice cream. This pride is in full evidence from the Finnish border to the Black Sea. The manager of the hotel in Kiev was a young man about thirty. He was most solicitous of our welfare and most anxious to please us. At lunch the first day in Kiev we ordered ice cream for desert which pleased him very much. However, he undertook to explain something in a mixture of Russian and English. It sounded like he was saying "mit gem" or "mitout gem". We finally decided that he was trying to say "jam" and was referring to some kind of sauce or topping for the ice cream. After much badgering back and forth one of our group, an affable fellow from Minnesota, said to him in a most conciliatory tone, "Bring some with jam and some without jam, we like it both ways." The manager then left the room in a hurry and came back with two interpreters. We explained the situation to the interpreter in English and the

**TOO LATE TO CLASSIFY**

FOR SALE—Two 16 mo. old registered Hereford bulls. Bill G. Thornberry, Brice, Texas. (52-p)

manager explained it in Russian. The interpreters laughed heartily. They explained that what the manager was trying to do was to make us understand that he didn't have any ice cream "with jam" or "without jam". We found out the next day that the manager was very much disturbed and hurt because he thought we were laughing at him and that it might get him into serious trouble. We immediately got in touch with him and some officials and explained in detail that we were

laughing at each other and not at the manager. This seemed to settle a situation that was a perfect example of "much ado about nothing."

Mrs. E. W. Bromley had as her dinner guests the past week Mrs. Clint C. Small, Austin; Mrs. Aubrey Hillburn, Childress; Mrs. Emma Burnett, Mrs. Harold Dexter and son Bob of Ardmore; Mr. and Mrs. J. D. Riley, Jan, Jim and Vickey, Amarillo, and Mr. and Mrs. Bill Bromley.

Mr. and Mrs. Johnnie Blocker and Jonna Lee moved Sunday to Hereford where they will make their home.

Mrs. Eula (Dick) Chunn has been visiting the past week with her sisters, Mr. and Mrs. V. E. Hagerty and Miss Ina Naylor at Odessa.

Mr. and Mrs. L. T. Shelton and Mr. and Mrs. Douglas Shelton attended the stock show and rodeo while on a business trip to Fort Worth the past week end.

**37 Servants!**  
to help you LIVE BETTER ELECTRICALLY

The average home employs thirty-seven servants — and all of them are Reddy. He is at your beck and call 24 hours a day, 7 days a week all year long — fair weather or foul. He'll run any of those 37 appliances — or ALL of them — whenever you say!

The beauty of it is, that Reddy does all these jobs for real low wages... about 3¢ an hour. That's a lot of work for a little money!

Next time your electric service bill arrives, take a good look at Reddy's wages — you'll find that electricity is still today's biggest bargain.

MYSTERY FARM NO. 38

This farm home was identified by fifty two persons last week as the Will Kennedy place 3 1/2 miles northeast of Lelia Lake. Mrs. Kennedy came in to make positive identification and received the free picture.

There are 320 acres in the farm with 100 acres under cultivation. The principal crops are cotton and feed. Mr. and Mrs. Kennedy were married in 1898. They came to

Donley County in 1914 and purchased the farm and built the home where they are now living, in 1918. They are members of the Lelia Lake Baptist Church.

**Penalty Begins After Feb. 15th**  
 Farmers who passed up the January 15 deadline for filing estimates of 1955 income need to file their final 1955 income tax return by February 15, 1956 to avoid penalty, says Mr. H. R. Hamil of the Amarillo Internal Revenue Office.  
 For income tax purposes, a farmer is one who derives two-thirds or more of his gross income from farming.

**CHAMPION BARROW** — This Berkshire, owned by Kenneth Littlefield of Clarendon, was shown to the championship in the junior swine show at Ft. Worth by Doyce Graham of Clarendon Saturday. Graham also won the outstanding showmanship award.

**RESERVE WINNER** — This Poland China barrow shown by Carl Talley of Clarendon took reserve honors in the junior swine show at the Southwestern Exposition and Fat Stock Show Saturday at Ft. Worth.

**College Teams Win Double Header Saturday Nite**

The Clarendon Junior College basketball teams won a double-header here last Saturday night when the Comets easily defeated the Ft. Worth Motoretts by a score of 68 to 20 and the Bulldogs won a close one from the tall West Texas College Freshmen 75 to 72.

It was an uphill battle all the way for the Bulldogs. They got off to a good start and held a 10 to 2 lead early in the game, but the young Buffaloes rallied behind the sharp shooting of Billy Bob Tilson and held a 37 to 30 advantage at the half. The visitors led all the way until about one minute before the game ended when the Bulldogs took the lead on Sherman Cosper's two foul shots.

Billy White, veteran guard, kept the Bulldogs in the game with his accurate shooting, both from the floor and from the foul line. He connected for 10 field goals and nine free tosses for a total of 29 points. Boyd White made 16 points, Cosper 14, Gary Kunka 10, Don Reeves 4 and Carol Stepp 2. The Bulldogs were playing without one of their regular starters, Bob Garton, who suffered a painful leg injury in

the Garden City game on Jan. 20. For the visitors, Tilson was high scorer with 22 points. Hatcher had 19, and Sims 100. This was the second victory of the season for the Bulldogs over the West Texas Freshmen. They defeated them 90 to 84 on Dec. 15 at Canyon.

The Motoretts from Ft. Worth were no match for the tall and smooth Comets. The Comets jumped into a quick lead and were ahead 22 to 4 at the end of the first period and extended their advantage to 48 to 10 at halftime.

Jo Ann Crawford, Rosilyn Range, and Louise Short carried the attack with 18, 17, and 16 points respectively. Claudette Green had 14 points, Susie Jones 9, Dianne Templeton 9, Barbara Holub 3, Dorothea Starker 2 and Lola Duhon 1. Other girls seeing action were Marjorie Irlbeck, Aleta Coleman, Vernie Ford and Genell King.

Clarice Brown and Carol Smith were high scorers for the visitors with 8 and 7 points respectively.

Mr. and Mrs. Charles Wood of Lubbock visited the week end with his mother, Mrs. J. D. Wood.

Mr. and Mrs. Wm. J. Lewis Jr. are visiting in Pasadena, California this week.

**ANOTHER WINNER** — Dannis Gibson, Clarendon F. F. A., showed this Hampshire to the championship barrow title in the junior pig show Saturday at Ft. Worth.

**Comets Win Opener From NBC 36-34**

Tuesday night the Clarendon College Comets won a thrilling basketball game from the Nashville Business College of Nashville, Tennessee by a score of 36-34.

The NBC team led at the end of the first quarter by a score of 10-9. At half time the Comets were leading by a score of 20-16. With NBC playing a pressing game in the third quarter, the Comets failed to score from the field and scored only two free pitches in the quarter. The quarter ended with NBC in front 30-22.

In the fourth quarter the Comets came back and held NBC to two free throws. The Comets picked up 14 points in this quarter. Jo Ann Crawford led the fourth quarter scoring with 8 points; She was also high point girl for the game with 17 points. Katherine Washington and Nera

White each scored 12 points for NBC.

Dianne Templeton was second high for the Comets with 9, Louise Short scored 4; Rosilyn Range 3, Barbara Holub 2 and Dorothea Starker 1 point.

The starting team for the Comets was Louise Short, Rosilyn Range and Jo Ann Crawford at forwards and Marjorie Irlbeck, Patsy Vincent and Dianne Templeton at guards. Barbara Holub and Dorothea Starker also saw action for the Comets.

A second game between these two teams was scheduled to be played last night.

**SERVICES SUNDAY AT EPISCOPAL CHURCH**

At 11 a. m. on Sunday, Feb. 5th, the Venerable Claude Canterbury, Archdeacon of the Missionary District of North Texas, will celebrate Holy Communion and preach in the Episcopal Church of St. John Baptist, Clarendon, Texas. After service, buffet luncheon will be served in the Mission Hall.

**FARM NEWS**

from the County ASC Committee

**SEARCY M. FERGUSON, DALLAS, NAMED TO TEXAS ASC COMMITTEE**

Secretary of Agriculture Ezra Taft Benson January 9 announced the appointment of Searcy M. Ferguson of Dallas as a member of the Texas Agricultural Stabilization and Conservation Committee. Fred C. Chandler of Pecos is retiring from the Committee under the rotation policy now in effect for State ASC committees.

Mr. Ferguson has farmed since 1930 and now produces cotton, grain, and forage crops. In addition to his own operations, he manages a ranch for an absentee owner. He is a graduate of the University of Texas.

Other farmer-member of the Texas State ASC Committee are: Robert G. Shrauner, Chairman, Dumas; Christopher O. Moser, DeKalab; Gaylord F. Osborn, Harlingen; and Clarence A. Danklefs, Rosenberg. G. G. Gibson, College Station, State director of the Agricultural Extension Service, is ex-officio member of the committee.

**AGRICULTURAL FILLERS**

Texas cotton producers can plant more cotton in 1956 than was harvested in 1955 if they make full use of the State's allocated acreage. Producers who have received a cotton allotment and do not intend to plant the entire acreage are urged by the Texas ASC to return the acres not to be planted to the local county ASC office for reallocation to other producers in the county.

Farmers last year used 16 billion gallons of crude oil — more than any one industry. They spent \$300 million for pesticides and a billion dollars for fertilizer and lime. In recent years they have bought 4 1/2 million tractors and almost 700,000 corn pickers.

Will Kennedy, pioneer Lelia Lake farmer, who suffered a heart attack Monday, is reported critical at this time. He is in Odom Hospital in Memphis. His many friends wish him a speedy recovery.

Mr. and Mrs. Homer Smith of Weatherford announce the arrival of a son born January 27th in a Weatherford hospital. He was given the name Euden Lee. The grandparents are Mrs. Della Smith of Clarendon and Mr. and Mrs. Andy Collins of Memphis.

**CARD OF THANKS**  
We wish to thank the City Fire Department and each and every fireman who assisted in fighting the recent fire in our store. Their efforts were heroic and prevented the spread of fire which would have done great damage. We will remain forever grateful.  
Jerome D. Stocking
