Cal Farley To Speak To Baptist Brotherhood

The Brotherhood of the First Baptist Church of Clarendon will be addressed by Cal Farley tonight. All men and boys are invited to attend. Cal Farley will speak following a chicken dinner to be served at 7:30 p. m. in the upstairs Fellowship Hall of the First Baptist Church.

Cal Farley, the founder of Boy's Ranch, a Minnesotan by birth and a Texan by desire, has one daughter and more than 1,200 "sons." Gene Howe, "Old Tack", former publisher of the Amarillo Daily News made this statement—"So the people may know, 'Cal Farley is the greatest humanitarian I've ever known.'" During his lifetime Farley has enjoyed many honors. He's been past president of the Amarillo Rotary Club and a past District Governor of the Rotary International. Three times he was asked to run for mayor of Amarillo, twice for Congress and once for Governor of Texas, all of which he declined because his only interest has been in helping homeless and unfortunate boys and not in politics. He has been chosen as a "Texas Outstanding Citizen" in recognition for his service to you and the Texas State V.F.W. honored him with their Silver Citizenship Medal. He has received the "Man of the Year" award from the Amarillo Rotary Club and the Boy's Clubs of America presented him with their Coveted Bronze Keystone Medal. In addition to all this, Cal Farley is often referred to as "America's Greatest Foster Father." Fitting as all these awards are, they don't mean half as much to Farley as a greeting extended to him not too long ago while he was visiting Boy's Ranch. He was walking across the area from one of the dormitories to the dining room to share a meal with the boys, when a young shaver, just about 10 years of age, walked up to him, looked up and said: "Thanks a lot, Mr. Farley." With that the youngster continued on about his business and Farley resumed the walk to the dining hall. "That was a moment I'll never forget as long as I live," remarked Farley.

The tickets for the dinner are fifty cents. Bring a boy and a friend. Tickets will be on sale in various business houses, or you may purchase yours at the door.

ROYCE E. WOOD

Royce E. Wood, New Minister At First Christian Church

Royce E. Wood recently became the new minister of the First Christian Church here. He comes to Clarendon from the East Side Christian Church of Pine Bluff, Ark. He is a 1957 graduate of Dallas Christian College of Dallas, and holds a Bachelor of Arts Degree. Mr. Wood's home town is Iran, Texas. His wife, Georgia, is from Murphysboro, Ill. She also attended Dallas Christian College. The new minister would like to extend a cordial invitation to all the citizens of Clarendon and surrounding communities to visit at the First Christian Church. Members of the church gave the new minister and his wife a surprise party at a fellowship hour following evening services Sunday evening, May 12th.

Senior Class Night Friday, May 17th

The graduating class of 1957 is having their class night program in the college auditorium on Friday, May 17 at 7:30 P. M. The Valedictory address will be given by Walton Crain; the Salutatory address will be given by Elizabeth Smith. The will, prophecy, and history will also be given by other members of the class as well as the High School Quartet which is composed of Catherine Dinger, Nedra Hodge, Glenda Borden and Joyce Eddings. The public is invited and urged to attend the years-end senior activities.

Another activity of the graduating class will be an all-night party on graduation night, May 23rd. This party will be sponsored by the parents of seniors and the class sponsors. The faculty and school officials have given their approval for the entertainment. It will be a night of games, dancing and fun for the seniors and their dates. A midnight snack will be served, and the night will end with an early morning breakfast.

Lindley Named Star Lone Star Farmer Of Area I

Harold Lindley, son of Mr. and Mrs. D. R. Lindley of the Chamberlain Community, was chosen as Star Lone Star Farmer of Area I at a meeting of that organization at Amarillo, Saturday, May 11th. This is the highest honor that the area organization, composed of 4000 boys from 93 schools in 33 northwest Texas counties can bestow. The award is based largely upon the supervised practice program of the individual.

Harold is a junior in Clarendon High School. He has been one of the most active members of the Clarendon Chapter for the past three years. He has developed an outstanding herd of hampshire hogs and has carried on an extensive crop and livestock improvement program. He was a member of Clarendon's winning poultry team at the Area I and Texas State contests this year, and in 1956 he won the plaque for the most valuable member of the Voc. Ag. II class.

In addition to Harold's winnings at the area convention Doyce Graham was selected as the area candidate for the Santa Fe College Scholarship; James Mahaffey was second place winner in the Area farm electrification contest, and the chapter was selected as the winner in the chapter safety contest. Lindley will compete with the winners of each of the other nine areas in Texas for the Star Farmer award of the Texas Future Farmer organization at the State Convention that will be held in Fort Worth July 17-19th.

Services Held Sunday For W. H. Tate

Funeral services were held Sunday afternoon in the Murphy Memorial Chapel for William Henry Tate with Rev. Louis Stoncipher and Rev. W. F. Vanderburg officiating. Mr. Tate, 81, died Saturday morning in an Amarillo hospital. A retired farmer, he moved to Amarillo from Clarendon three years ago. He came to the Panhandle in 1903.

Surviving are three daughters, Mrs. T. L. Shumate and Mrs. O. E. Wilson, both of Amarillo and Mrs. Clyde F. Wilson, Indio, Calif.; three sons, Clarence E. and Jesse H., both of Amarillo and Ernest D. Wellington; a sister, Mrs. Nora Woods, McKinney, Texas; two brothers, Robert, Graham, Texas and Archie, Wichita Falls; 14 grandchildren and 15 great-grandchildren. Pallbearers were Bryan Armstrong, J. G. McAnear, Ernest Tipton, Bill Todd, Joe Ritter and Joe Woods. Interment was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

More Showers Boost Moisture Totals

More and frequent showers since our last publication date have raised the moisture totals at all of our reporting stations—and most farmers are still unable to do much work in their fields. If it stops right now, it will be several days before they can get any seed in the ground but more rain is forecast for the current period. According to our official weather observer here, we have received a total of 2.24 for the month thru Wednesday morning, and 12-71 for the year. Our total for May last year was 6.74 and our entire years total was only 13.28. We need only .57 inch equaling that total with 7 1/2 months to go.

Ben Lovell reported an additional 1.16 since last week to bring the total at Ashtola to 13.42. Willard Knox reported a total of 3.13 for the month and 15.37 for the year at Lelia Lake. J. C. Ashcraft reported 1.49 for the week and a grand total of 13.55 at Goldston.

Dusters To Play Amarillo Here Sunday

Weather permitting, the Dusters plan again to open the baseball season here this coming Sunday afternoon in Duster park with their opponent being the team from Amarillo. They have made three previous attempts to play ball with Hedley and Groom but rain and mud postponed each of them.

The game Sunday afternoon will begin at 3 o'clock and all Clarendon fans are invited to come out for this opening game and give the Dusters your support. The probable starting pitcher for the Dusters will be Fate Breedlove or Don Newman. The club reported that four or five parking spaces were still available at the park and anyone interested may contact Billy Bradshaw.

Time To Sign Up For Soft Ball

Postmaster Ray Moore announced yesterday that plans were underway to get the soft ball program started for the summer months and all interested should turn their names in by May 24th.

All in the Jr. High bracket are asked to turn their names in to Stina Cain along with their first and second choice positions. All in the high school and adult group are requested to leave their name and positions desired at Gordon's Hardware. After all the names have been turned in, the group will be divided into individual teams and a schedule of games will be set up.

EDITH LITTLE

Assembly of God Revival May 19

The Assembly of God, where Rev. A. W. Harris is pastor, opens a revival here May 19th with Evangelist Edith Little from Fort Worth. Mrs. Little is a former newspaper woman and is comparing world situations with Bible prophecy in a most unusual manner. Some topics to be used are: "The Woman Clothed in the Sun," "Mystery Babylon," "The Mark of the Beast," "The Symbol of Egypt on our Dollar Bill," etc. Everyone is cordially invited.

25c Up To Watch Gillham Run Belt Line

At a meeting of members of the local F.F.A. Chapter Wednesday morning, it was voted by the group to charge admission for the general public to watch J. R. Gillham, local Ag teacher, run the belt line. Gillham publicly agreed to run the belt line at the Father-Son-Businessmen's banquet Tuesday night. This spectacular event will take place on the football field at 10 o'clock Friday morning. Approximately 75 boys will line up to take a whack at Gillham, something they have been wanting to do all year. One man stated Tuesday night that he would give \$5 to see this take place so we have set 25c or whatever above that amount it is worth personally to see Gillham run the line, stated Jimmy Philley, president of the F.F.A. group.

NOTICE TO CUB SCOUTS AND PARENTS

The last Pack meeting for the summer will be held for Cub Scouts, parents and visitors of Clarendon Pack No. 37 at the City Park as a picnic, on Monday evening, May 20th at 7:00 p. m. All cubs, parents, Den Mothers, assistant Den Mothers and Pack Committeemen are urged to attend.

Leader—Local rate, \$3.00 a year.

School Closing Activities To Begin Friday With Class Night

With the end of another school year just around the corner, the school administrators have announced the closing activities.

Senior Night is scheduled for Friday night, May 17, at 8:00 o'clock. This program is presented by the seniors with the assistance of the juniors. The class will present the valedictorian and salutatorian along with the class history, the class prophecy and the class will. This event will be held in the College Auditorium.

On Sunday, May 19, at 8:00 P. M. the Baccalaureate Services for the three graduating classes, the college, the senior high school and the junior high school will be held in the gymnasium. Rev. W. F. Vanderburg, pastor of the First Baptist Church here in Clarendon, will deliver the sermon.

The Junior High School will present their graduation exercises on Wednesday night, May 22, at eight o'clock in the Junior High Auditorium. The students themselves will present this program and will not have a visiting speaker.

The Senior High School Graduation Exercises will be on Thursday, May 23, at 8:00 p. m. in the gymnasium. Dr. James P. Corneette, President of West Texas State College will be the guest speaker.

College graduation Exercises will be on Friday night, May 24, at eight o'clock. Rev. John Jones, Pastor of the Pampa Church of Christ, will be the guest speaker. School will be dismissed on Thursday, May 23, to allow teachers to complete their paper grading and make out report cards. Students will be brought back on Friday, May 24, to check in books and receive report cards.

Controlled Soliciting Inaugurated By Chamber of Commerce

In a meeting of members of the Chamber of Commerce Monday night it was decided to set up a system of controlling solicitations in the city of Clarendon. The control system will effect all Chamber members and non-members may do whatever they desire.

Before any person or group may solicit a donation of any type from any Chamber of Commerce member, they must have a signed card giving them the Chambers sanction or member business firms will turn them down.

To obtain this card of permission, persons desiring to make a solicitation may contact Bob Moss at Bob Moss Pharmacy. This new agreement effects all solicitations regardless of importance or need. All worthwhile projects will be considered by the committee in charge.

New Assistant To The Pastor At The Methodist Church

The Methodist Church would like to report to the community that the official Board has employed Rev. Gene Moore of Lelia Lake to assist in the work of the church. Gene has been trained in the work of the church and he will be fine help in the work of the Kingdom in our community. We are sure that he will be glad to help in any community service where he can help, stated C. M. Ryan, pastor of The Methodist Church.

Record Number Attend F. F. A. Banquet

Approximately 270 Clarendon Future Farmers, their fathers, and their farmer and businessmen guests attended the annual F.F.A. Banquet at the Donley County Fair Barn, Tuesday, May 14th, at 7 P. M. Jimmy Philley, chapter president, presided over the annual event. A barbecued chicken banquet topped with home made ice cream was served to the many attending the outing that is sponsored each year by the members of the local chapter in appreciation of the help given them by their fathers, the businessmen, and farmers and ranchers of this area. Representatives of almost every business firm in Clarendon attended the meeting.

The program opened with the regular F.F.A. opening ceremony. Following the invocation which was given by Rev. C. M. Ryan, pastor of the local Methodist Church, the meal was served. At the completion of the meal, the members introduced themselves and their guests, and Bobby Longan gave a resume of the fall shows and fall activities; and Carl Talley gave a resume of the participation in the spring shows. The officers selected for the 1957-1958 year were introduced and R. E. Drennan, Bill Todd, and Gene Moore presented two vocal numbers. James Mahaffey continued the program with a report of other activities of the organization for the year.

The program was concluded with the presentation of the chapter's awards to outstanding members and to Honorary Degree Certificates to men who had made outstanding contributions during the year in helping promote the work of the F.F.A. Chapter. Dennis Bradshaw was presented the plaque as the most outstanding member of the Voc. Ag. I Class; Don Hudgins was runnerup for the award. Bobby Longan won the award for Voc. Ag. II with Milton Mann as runnerup (the second year in a row these boys have been the top two in their class), and James Mahaffey was announced as the top winner in Voc. Ag. IV class with Harold Lindley as the runnerup. In the overall chapter contest, Longan won the chapter plaque as the most valuable of the organization for the second consecutive year. Mahaffey was second, Mann third, and Lindley fourth in overall ranking.

Dr. C. E. Deyhle, G. W. and A. D. Estlack were presented Certificates of Honorary membership by the chapter for outstanding contributions to the organization.

The 1956-1957 edition of the Clarendon Future Farmer Chapter is the largest in the history of the school. With 75 members, it is the largest chapter in Area I with only one teacher. The record it built this year in show and activity participation has never been closely approached by any other chapter in the history of the Texas Future Farm organization which is composed of some 40,000 members from 900 schools.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

THE IMPORTANT ISSUES YET TO BE DETERMINED

Although Congress has done a great deal of work this year on various and sundry matters, it has yet to tackle the really tough issues. Of course, the leading one of these is the Civil Rights bill which is now pending in the Rules Committee of the House. It has been pending in that Committee for some time and efforts are being made now to have it reported out. In fact, one Member of Congress has introduced a discharge petition to discharge the Rules Committee from further consideration of the bill so that it may come before the House of Representatives forthwith. This discharge petition will require the signatures of 218 Members before it will be effected. Chances are the bill will be reported out of the Rules Committee before a sufficient number of

Members sign the discharge petition.

A number of Members have asked to be heard on the bill before the Rules Committee finally acts on it. Most of these are in opposition to the measure.

In any event, it is anticipated there will be a hot fight on the Floor of the House when it comes up. It is a bill on which there is no middle ground. Those who are opposed to it are at one extreme while those in support of it are at the other. The reason for this is that the bill has been advertised by the proponents as a "Civil Rights" bill. The people generally have never been given information explaining the various whys and wherefores in the measure. This situation places many Members of Congress who hail from districts populated by various nationalities, on somewhat of a spot. They are not asked to discuss and explain the bill but are merely asked the question, "Are you for or against Civil Rights?" Of course, everyone is for the right of each American citizen as guaranteed under the Constitution, but it is impossible to assume that the bill in question would serve to protect or preserve those rights. In fact, a statute does not have the effect of a provision of the Constitution. Therefore, if the rights guaranteed under the Constitution are not protected by the Constitution, how in the world could such rights be protected by a statute? The truth is that the rights due every American citizen are guaranteed under the Constitution and are so protected and so preserved. There is no need for a bill such as that now pending before the Congress as the "Civil Rights Bill". This bill was designed in the minds of those who are intent upon prying into the personal affairs and business of others, to invade the right of privacy of more. Al-

though I would not charge the proponents of these measures were prompted by desires to bring about federal dictatorship in this country, I would hasten to warn that one of the necessary tools to an effective dictatorship is the right to invade the privacy of the home and to encroach upon private and business affairs of free people. I would warn these advocates that they weigh very carefully the tools with which they profess to save so-called minority groups, lest they destroy the rights of all people in this country.

Other matters yet to be decided include housing legislation which may prove highly controversial but which must be forthcoming at an early date if many segments of our economy are to be stabilized. Also to be considered will be the highly controversial federal aid to schools program. Of course, the appropriation bills that have been passed by the House, but not acted upon by the Senate, will be returned to the House after Senate amendments have been added. This will undoubtedly cause much controversy in the closing days of this session of the Congress. Most of the controversial issues which require the expenditure of money (and practically all of them do) always come up for double treatment. First, they are hotly debated on the authorization legislation; secondly, on the provision of funds to administer them. We are also without agricultural legislation this session, but hope that something can be worked out to correct this. Several veterans bills of importance are yet to be heard and the Congress has not yet faced the perennial Alaska-Hawaii statehood matter.

The bombshell that was dropped into this session of Congress, and slowed things down considerably, was the President's \$72 billion dollar budget.

PRESCRIPTION PRICES
How are prescription prices determined? We have a policy in this matter, the only one we can follow. We do not offer bargains in prescriptions - there is no cut-rate way to health. Nor do we pretend to under-sell. Prescription prices simply are determined by the cost of the ingredients and operating expense. The prices we charge are as low as satisfactory service and effective drugs will allow.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

"The Cattleman" published another article of "Cowboy Collision" this month. The setting for the Buffalo Hunt in Fort Griffin. A few weeks ago I announced the book relating the story of Fort Griffin. This book is by Car Coke Rister, a native Texan of nearly forty years and an ardent student of history. He too tells of the Buffalo Hunters when Fort Griffin was a boom town.

We purchased a paper back of "Andersonville" by McKinley Kanter since we possessed only the abridgement in the Reader's Digest edition. You know this book is a civil war story that rated the Pulitzer prize this year.

Another of the Phelan memorials selected from the children's fund is "The Wailing Octopus" by John Blaine. He has written a series of adventures for boys. This is a selection chosen with the fund provided by the children of Sue's class.

For several weeks I have tried to attract the interest of those choosing memorials to the fascinating story of Mr. Edward R. Hewitt told in "Days From Seventy-five to Ninety." He is one of the most distinguished of America's senior citizens and is the grandson of Peter Cooper, founder of Cooper's Union, and the son of Abram Hewitt, New York's "notable reform mayor." He is a remarkable writer at ninety, and his discussion would be worth while to the younger generation who rather scan the usefulness of a person on the shady side of fifty. Mr. Hewitt can look back over Life's Journey with pride. I purchased this in memory of my mother for Mother's Day. She appreciated usefulness, and had a very clear mind until her death. You will enjoy it.

Membership of the children is coming in and we are short on material as so many of them read

from here all winter. Our donation for books beside memorial gifts has been much less than \$80. You can imagine how we scheme to mend and keep books intact. Children's books are as expensive as some adults. Our memorial fees have given us an opportunity to purchase several \$5.00 non-fiction books.

NOTICE

The week of May 27, through June 1, has been designated by the City Commission as clean up week. Everyone desiring to participate in this must have trash stacked in the alley by the 25th of May, and the trash must be of the size that one man can handle. The City will not go over any territory the second time.

PATHFINDER TEA

Members of Pathfinder met Friday afternoon, May 10, at Patching Club House for the annual Anniversary Tea paying tribute this year to pioneers. Receiving hours were from 3:00 P. M. to 5:00 P. M.

Entertaining rooms were decorated with bouquets of Iris, spirea and greenery. Greeting the guests were Miss Ruth Richerson, Mrs. C. T. McMurry and Mrs. Clyde Hudson.

A musical program was presented at the beginning of each receiving hour, with Mrs. John Bass program chairman. Mrs. Lena Antrobus read for the group one of her original poems and Pamela Hicks accompanied at the piano by Mrs. J. N. Weaver presented a musical reading. Mrs. Gene Moore and Mrs. W. W. Pinkerton accompanied by Mrs. John Bass sang two songs, tributes to pioneer days; Miss Naomi Allison and Sandra Pinkerton each gave a musical reading with Mrs. Bass providing the accompaniment.

Guests were invited to the dining room where they were presented a miniature corsage of Iris. Mrs. W. H. Cooke III pinned the corsage for each guest.

The refreshment table was laid with a cutwork cloth. A floral arrangement of pink carnations, Iris, Spirea and cornflowers marked the center of the table. Mrs. C. E. Bairfield presided at the crystal service the first hour and Mrs. J. L. McMurry the second hour. Adding to the at-

tractiveness of the table were mints in the shape of spring hats and cookies shaped as butterflies and rosettes.

Hostesses for the afternoon were members of the social committee composed of Mrs. H. T. Burton, Mrs. Gary Barnhill, Mrs. Wm. J. Lowe, Mrs. C. T. McMurry, Mrs. W. H. Cooke III, and Mrs. Dick Shelton. Approximately eighty attended. —Reporter.

JR. H. D. CLUB

The Jr. H. D. Club met Thursday, May 9, at Patching Club House with a luncheon. Hostesses were Cula Jo Trout, Helen Land, and Eddith Spivey.

After a delicious luncheon, Leona Henson, president, opened the business meeting. New officers were elected for the coming year: President—Sadie Head; Vice-President—Ruby White; Secretary-Treasurer—Ona Tatum; Reporter—Cula Jo Trout; Program Chairman, Polly Schull; and Corresponding Chairman, Nora Decker.

Present for the luncheon were one guest, Stella Spurgeon and members, Leona Henson, Eddith Spivey, Mary Belle DeBord, Sadie Head, Jeanette Thompson, Cula Jo Trout, Ruby White, Ona Tatum, Polly Schull, Nora Decker and Helen Land. —Reporter.

GARDEN CLUB

Slides of Pacific Northwest Gardens will be shown by Mrs. Jones Christian. "Flowers on Parade" will be the theme of the meeting and each member is asked to bring a prize bloom or flower arrangement. —Reporter.

MOTHERS CLUB LUNCHEON

Members of Mothers Study Club and their guests met at Patching Club House Tuesday noon, May 14th, for their annual spring luncheon. Entertaining rooms were decorated with bouquets of Iris and other spring flowers.

Lunch was served buffet style from the dining table which was laid with a linen cloth and centered with an arrangement of Iris in several lovely colors. The menu consisted of salads—chicken, potato, jello, fruit, and mixed vegetable, assorted crackers, toast, strawberry cake topped with whipped cream and ice tea. Members and guests were seated at quartet tables laid with red and white checked cloths and centered with bud vases and Iris.

Following the meal, Mrs. E. S. Ballew gave a splendid review of Dale Evans Roper's book "Angel Unaware" which is a story of the Rogers' daughter, Robin. Mrs. Ballew also commented on the mentally retarded child and told of several experiences at the school for the mentally retarded at Lubbock.

Before adjourning Melba Edwards presented Mrs. Ballew with a gift in appreciation for the interesting and informative program. Cherry Shade presented the retiring president, Melba Edwards, with a gift in appreciation for her work with the club this year.

Approximately thirty-six members and guests attended. Hostesses were Cherry Shade, Melba Edwards, Wanda Moore, and Gladys Turner. —Reporter.

BETTING TOPS CANCER

In 1955 the American Cancer Society raised \$26,000,000 for its fight against man's cruellest disease. Yet in that same year two and a half billion dollars was spent on legal betting on horse racing, 100 times as much as that spent on the cancer fight.

Local Youths Attend Soil Conservation Awards Banquet

Five students from Mrs. Cox's senior English class in Clarendon High School received recognition at the Twelfth Annual Ft. Worth Press "Save the Soil and Save Texas" Awards Banquet held in the Hereford Coliseum at 7 P. M., May 9th. The awards were for placing in the first ten in Area I in the Essay Contest written on the subject, "Youth's Stake in Soil Conservation." Area I includes 51 counties of the Panhandle and South Plains part of Texas. Mr. Walter R. Humphrey, Editor of the Ft. Worth Press, in presenting the awards stated that over 5000 essays were entered in the state. Silver loving cups were presented to the first three place winners, namely: Carolyn Sanderson, Dimmitt, first; Teddy Carruth, Tulia, second; and W. T. Elliott, Clarendon, third. Those from Clarendon placing in the top ten and receiving medals were: Walton Crain, Elizabeth Smith, Glenda Borden, and Don Pitts. The Essay Contest was the only part that the Donley Soil Conservation District entered this year, but plans are being made to enter more phases of the annual contest next year. It was estimated that more than 400 people were present at the Banquet.

Others attending from Clarendon were: Ed Mahaffey, member of the Donley Co. SCD Board of Supervisors, and Mrs. Mahaffey, and Jay Gould, Work Unit Conservationist of the local Soil Conservation Service office.

FARM NEWS

from the County ASC Committee

CONSERVATION RESERVE PROGRAM

There are still several producers with Conservation Reserve contracts who have not made application for the practice they are going to carry out on the land. You should come into the Donley County ASC office and attend to this immediately, if you have not already done so. We have a list of the approved permanent grasses in the office for you to choose from. We want to remind you again that in order to qualify for any Soil Bank Payment, you must be in compliance on all allotment crops on the farm.

1957 ACREAGE RESERVE

Producers who have an Acreage Reserve agreement must not harvest or graze the acreage during the term of the contract. The State Committee has approved the following crops for protective cover on the designated Acreage Reserve in connection with the 1957 Program. The approved crops, methods of disposition, and the disposition dates are as follows: (a) All common, well adapted legumes, pasture grasses, sweet sorghum, Sudan and Broomcorn, not harvested in any manner or form. If the crop matures and a seed crop could be harvested or would normally be harvested in 1957, the crop must be disposed of by natural deterioration or mechanical means not later than November 30, 1957, to such an extent that seed could not be harvested from such acreage after December 31, 1957. (b) Grain Sorghum, not harvested in any manner or form. Where grain sorghum would mature a grain or seed crop in 1957, it must be disposed of by plowing it under clipping or otherwise disposed or in a manner to prevent maturing approximately 30 days prior to maturing but in no event later than August 1, 1957. The producer is responsible for controlling the spread of sunflowers and cocklebur.

1958 WHEAT QUOTAS VOTE SET FOR JUNE 20

On June 20 farmers in Donley County will vote on the 1958-crop wheat marketing quotas. At least two-thirds of the producers voting in the referendum must approve quotas before they can be put in effect. Should quotas be approved, Donley County wheat growers who comply with their allotments will be eligible for price support on their entire production. Wheat growers who exceed their farm acreage allotments will be subject to marketing quota penalties on their excess wheat if they have more than 15 acres. The penalty will be 45 per cent of the May 1, 1958 parity price. If quotas are not approved, there will be no restrictions on wheat marketings. Allotments will remain in effect, however, and wheat farmers who comply with their allotments will be eligible for price supports at 50 percent of the parity rate, as required by law when quotas are disapproved.

Three Local Men Enlist in Army

Three local men enlisted in the regular army the last of April and first of May. El Ray Pyeatt, son of Mr. and Mrs. Owen Pyeatt and Bobby Holland, son of Mrs. C. W. Martin enlisted under the Buddy Enlistment program. They will receive their basic training at Fort Chaffee, Ark. Harold Holland, brother of Bobby enlisted for training in the Army Anti-aircraft command and is taking his basic training at Fort Ord, Calif.

After basic training, Pyeatt will go to Fort Belvoir, Va. for eleven weeks of technical training in construction drafting and Bobby Holland will go to Fort Monmouth, N. J. for 33 weeks of technical training in Radar Repair.

There are a number of courses in the army available to high school graduates on "Choice not Chance" enlistment program. Additional information may be obtained from SFC John C. Dills, army recruiter who is in Clarendon every Tuesday.

Guests in the home of Mrs. J. L. Bain Sunday were Mr. and Mrs. J. L. Bain of Pampa and Mr. and Mrs. Gordon Bain and son of Turkey.

Mr. and Mrs. Harper Scoggins and children of Borger visited Thursday and Friday with her parents, Mr. and Mrs. J. R. Bartlett.

Clarendon Teachers Receive Service Pins

The Clarendon School Board presented service pins to all teachers who have been in the Clarendon School System five or more years at a Teacher-School Board Banquet held in the gymnasium last Friday night.

The pins were presented by Supt. W. W. Pinkerton on behalf of the board to the following teachers with the number of years service to the Clarendon School System indicated: Mrs. Nova Mears, Mrs. Velma Weaver and Kenneth D. Vaughan, five years; Miss Naomi Allison, five and one half years; Mrs. Evelyn Guy, six years; Mrs. Joan Davis, Business Secretary, eight years; Mrs. Mildred Hendrix, nine years; Mrs. Claudine Todd and Mrs. Virgie Johnson, 10 years; Mrs. Anne Kennedy and Mrs. Clara Gillham, 11 years; John Gillham, 12 years; Tullus Davis, custodian, 14 years; Mrs. Annie Thomas, 16 years; Miss Lucile Polk, 19 years; Mrs. L. N. Cox, 20 years; Miss Edgar Mae Mongole, 28 years, and R. E. Drennan, 29 years.

Colored teachers who will receive pins are Mrs. Ethel Green,

8 years; and Mrs. Beatrice Chavers, 11 years.

Cancer Fund Crusade Here Behind Goal

Progress in the American Cancer Society Crusade was reported here today as "falling behind our goal," according to Mrs. W. J. Lewis, Jr., campaign chairman.

Contributions for Donley County amounted to \$652.99. "This is 81% of our total goal and indicates how much further we have to go to top our quota," Mrs. Lewis said.

The chairman pointed out that this is the first time in the past five years that our quota has not been reached by this time.

"There is no room for complacency in this campaign to save lives. If all of us do our best, I'm sure we will finish this job with a record that this community can be proud of.

"The number of deaths from cancer is increasing despite the fact that more lives also are being saved than previously. It is imperative that more and more funds be made available to combat man's cruellest enemy."

If you have not contributed yet,

please leave your donation at one of the banks or mail your contributions to Mrs. W. J. Lewis, Jr.

The local residents who carried on the drive were praised by Mrs. Lewis, who said "These wonderful people are certainly helping to save lives. They will help to raise for research. At least one quarter of the money will go toward research that one day will solve the cancer problem. So the Crusade volunteers are, in a very real sense, life savers."

FORMER RESIDENT WINS GOOD NEIGHBOR AWARD

Mrs. Curtis Galloway of Truth or Consequences, N. Mex., was recently named Good Neighbor of the Year by the Rio Grande Chapter of the Dale Carnegie Club, Inc. She was selected from a group of 50 nominees.

Mrs. Galloway is an ardent worker in the Women's Society of Christian Service of the Methodist Church and in the Sunshine Valley Garden Club, T or C, N. Mex. She was cited for her exemplification of good human relations, for the good she does for her friends, neighbors and her community in general. She is a daughter of Mrs. W. B. Webb of Clarendon.

Local Student Receives Reader's Digest Award

Walton Crain, valedictorian of the graduating class at Clarendon High School, has been given the Annual Award of The Reader's Digest Association for students who by their successful school work give promise of attaining leadership in the community, it was announced today by K. D. Vaughan, principal.

Mr. Crain will receive an honorary subscription to The Reader's Digest for one year and an engraved certificate from the Editors, "in recognition of past accomplishments and in anticipation of unusual achievement to come."

The Reader's Digest Association has presented these awards yearly in senior high schools throughout the United States and Canada to the highest honor student of the graduating class.

The award to Mr. Crain who is the son of Mr. and Mrs. W. M. Crain of Goodnight, was made possible through the cooperation of Mr. Vaughan and his teaching staff. They selected Mr. Crain to receive the award, designed to stimulate scholarship, citizenship, and continued contact with good

a big Thank You. It is a new one to us.
"It takes half of my time to tend to my own business and I spend the other half trying to keep my nose out of the other fellows."

Most recent Jiner ti our Ain't Smoking Right Now Society is Judge C. E. Haynes county Judge of Roberts County. We are so glad to have the Judge as a member and we'll bet that right now for the first few weeks of his quitting that he feels there is no justice left in the world. Was talking with a good friend recently about the value of each of us doing our very best to bring up our children to be the very best citizens possible from a moral and Christian standpoint. We have heard a lot of expression along this line but he gave us a brand new one.

"A peach never falls too far from the tree."
Isn't that just about the truth? They may sway in the breeze and slip and bump around a bit but it is almost for sure that they will stay pretty close to the tree.

We wish to thank Mrs. Gertrude Ashworth, Cleve and Fredna Bennett, Mrs. John Goldston, and all the others who have spoken or written us a kind word or note lately about our little corner in the paper. Thanks to

every one that takes the time to read our part month after month.

Some fellow was complaining on the radio that it was so wet in his county that the folks couldn't get in to get their drouth relief benefits. I thought the joke was funny but for the life of me I had never seen any drouth relief. Where has it been all my life?

Heard of the man who wanted his son to marry a West Texas girl because that no matter how bad times got she would have always seen it much worse. You know he might have something at that.

If saving time means greater speed, You're far more wise to waive it. For what on earth Can time be worth To those who die to save it.

The above we dedicate to those of us who can hardly keep our cars below sixty.

It is better to undertake a large task and get it only half done, than to undertake nothing and get it all done.

We cannot do a kindness too soon because we can never know when it will be too late.

Mostly when we pray we try to tell God what to do. It would be better just to report for duty.

Finer, Faster Texas Zephyr

Finer, faster all-stainless-steel streamline service on the Texas Zephyr will be inaugurated Sunday, June 16, between Denver-COlorado Springs and Fort Worth-Dallas on the Colorado and Southern and the Fort Worth and Denver railroads. Schedules are one hour faster. Accommodations include varied private rooms, standard berths and deluxe reclining-seat coaches. Feature cars are a coach lounge, a mid-train dining car and a full length parlor-observation lounge car.

without planting a crop for the soil—or making a deposit. The poorer the soil (like most of the sandier soils) — the smaller the bank account and the more often a crop for the soil has to be planted—or a deposit made. If a farmer will think of his land in this light, he will realize that planting crops to maintain and improve the soil is just as important in the long run as making deposits in the bank. Both the soil and the bank account will eventually play out if everything is taken from and nothing added to.

NOW is the time. Contact the Soil Conservation Service Technician assisting the Donley District if more information is desired.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Cotton planting time is rapidly approaching in the Donley SCD, and decisions on the planting pattern will have to be made. The District Board of Supervisors think that consideration should be given to a strip crop pattern in making these decisions. Of course strip cropping will not fit some farmers operations, but on most of our sandier soils it has proven to be a good practice.

In 1956 Steve Fedric, whose place is one mile north of Clarendon, strip cropped all his cotton—4 rows of cotton to 4 rows of guar. This year, because he now has irrigation, Steve is planning to plant his cotton in solid blocks. It will be interesting to note the difference in the cotton on the strips where cotton was grown last year and where guar was grown. Harold White of Hedley also planted his cotton in 4 row strips last year, but instead of planting 4 rows of guar in between, he left one blank row next to the cotton with 2 rows of guar between the blank rows. Hall Hardin used still a different pattern, and planted two rows of feed and two rows of peas, but did not strip his cotton.

No matter whether crops like guar and peas are planted in

strips or in blocks, the important thing is that they, or another soil improving crop, are planted. Any farmer who is interested in his land and in keeping it productive should plan crops for the soil the same as he plans crops to make money from the soil.

In fact, a piece of land can be compared to a bank account. The better the land—the bigger the bank account and the more crops harvested — or checks written

"Come on try it...
there's nothing
like a **J2 Rocket!**"

Olds Owner: Let me show you. This J-2 Rocket* is like two engines under the hood.
Friend: Neat trick—how does it work?
Olds Owner: It's a new progressive carburetor system: Gives you more economy . . . or extra power for safety. Take your choice.
Friend: Economy sounds swell . . . but with a big car like this . . . ?
Olds Owner: You bet! They engineered the J-2 Rocket Engine for our kind of driving . . . top efficiency at normal driving speeds because it's fueled by one carburetor.
Friend: How about that extra power?

Olds Owner: Give it ¾ throttle and two extra carburetors cut in. It's mighty reassuring to know you've got that extra power in the bank.
Friend: I get it. Economy when you want it—power when you need it.
Olds Owner: Correct. But talking about it won't give you the whole story. This one you've got to drive. Climb in—let's go.

PERSONAL NOTE: Your Olds dealer would like you to try J-2, too! It's available now on all models, including the Golden Rocket 88, lowest-priced Rocket Engine car. Be his guest for America's newest driving experience.

Your State CAPITOL

By VERN SANFORD
Texas Press Association

AUSTIN — Texans will be a long time cleaning up from one of the greatest flood disasters in the state's history.

Nearly 10,000 persons were forced out of their homes and some 35,000 square miles were affected, according to official estimates.

State, national and private agencies are cooperating to help the flood victims. At the request of Gov. Price Daniel, Pres. Dwight D. Eisenhower designated

the flooded counties a "major disaster areas." It brought an immediate flow of funds, equipment and supplies to aid State Disaster Relief Headquarters.

Governor Daniel also asked the Legislature for \$20,000 to replenish the National Guard's fund for emergency work.

As waters receded in most areas, people began to take stock of the future. Though crop damage was estimated as high as \$30,000,000, most farmers took a long range view.

Many missed the corn planting season and will have to switch to sorghum or some other crop. Others have put cattle back on dry feed after seeing the best pasturage in years ruined by floods. "But," they say, "at least

it's wet."

Water conservationists point to the flood-ridden areas as "Exhibit A" in the case for more dams and lakes. Rampaging rivers could be held in check, they say, saving top-soil and water for future use.

IT'S GOVERNOR LOCK NOW

Sen. Ottis Lock of Lufkin became Governor for a day and received all the honors customarily paid on such occasions.

May 3 long will be remembered by the 46-year-old lawyer who has served 18 years as a state official.

He issued a proclamation designating the day as Texas Interscholastic League Day; addressed the high school journalism assembled in Austin; served coffee and cake in the reception room of the governor's office; and attended a banquet given in his honor by his many Lufkin friends.

As president pro tem of the Senate, Lock became Governor for a day when Governor Daniel and Lt. Gov. Ben Ramsey left the state on official business.

LONG TALK

Longest filibuster in Texas Senat ehistory brought only a "moral victory" for opponents of school segregation bills.

Sens. Abraham Kazen Jr. and Henry Gonzales teamed up to talk 36 hours and 2 minutes against a bill to allow school boards to assign pupils to certain sehools. When they finally quit, their colleagues passed the measure and sent it back to the House for concurrence on a minor amendment.

Proponents agreed to delay for a few days taking up other segregation bills.

Previous filibuster record was 31 hours and 25 minutes set in 1949 by opponents of a medical

bill.

Kazen and Gonzales were aided by prolonged questions from other anti-segregation minded senators. Those who opposed the bill included Sens. R. A. Weinert, Bruce A. Reagan, Hubert Hudson, Charles Herring, Carlos Ashley and Frank Owen III.

INSURANCE REORGANIZATION

Governor Daniel is riding a crest of triumph after House passage of his plan to reorganize the Insurance Commission. After weeks of wrangling and nip-and-tuck committee votes, final approval was by a dopsided 109 to 25.

House version calls for a three-man, full-time board all to be appointed by the governor. Senate already has passed a similar bill calling for a part-time board.

Both versions would remove from office John Osorio, the present commission chairman, and Member Mark Wentz. Opposition by their friends in the Legisla-

Committee made 20 recommendations for tightening laws to prevent future ICTs. One would make insurance company officials criminally liable for false statements. Another would place insurance securities under supervision of a securities commission.

ture was one of the main obstacles to reorganization passage. Joe P. Gibbs, the third member of the commission, was appointed recently to serve temporarily.

HERE'S WHERE THE COOL COMES FROM

THIS IS THE GRILLE OF A PARAMOUNT EVAPORATIVE Air Cooler

Multi-Directional Grilles Air Volume Control

The dramatic lines of these new air conditioning grilles are enhanced by truly functional construction. In Capri models, eight adjustable plastic directional grilles allow the user to instantly select any one of scores of different combinations of air direction control to suit the most exacting comfort requirements. For added convenience, all models are equipped with push button controls that insure immediate ease of change from stop to start through cooling and ventilating.

For the most complete possible control of air volume, all coolers feature the new fingertip air volume control. In a split second, this remarkable control will adjust cooling or ventilating in any desired volume from a soft whisper of air to full capacity. Whether you choose the glamorous Capri 4043-S or the skillfully crafted model 4042-S and 3035-S coolers, you're assured quality and design established with years of cooling experience. All package models come complete, equipped with factory installed water recirculating pump and float valve. All electrical connections are complete.

HERE'S WHAT MAKES THE COOL

TWO SPEED MOTOR - Controlled Cooling

Full cooling capacity for hot torrid days to a soft caressing whisper for moderate days or late evening is at the user's command with fingertip control of the special two-speed motors on all Essex-built coolers with a "2" following model number. Depending upon temperature conditions, with two-speed motors, the cooling can be varied to suit the personal desires and requirements of the individual user and provides the last word in modern comfort.

The use of two-speed motors will increase the use of cooling equipment as much as 50%, as there are many days when full capacity of the cooler is not required and, unless the cooler is equipped with a two-speed motor, the cooler is turned off and the users are deprived of many hours of comfort.

Be sure and ask us to show you the advantages of the two-speed motor.
