School Building Burglarized Last Wednesday Night

On Wednesday night, Feb. 6th, the High School and College building was entered and robbed of approximately \$230.00. Supt. W. W. Pinkerton reported. The robbery was reported to Pinkerton about 7:00 A. M. Thursday morning by Kenneth Newman and Jay Wilson, two college students who have taken over the care of the building while the school is temporarily out of a custodian. Pinkerton immediately phoned Sheriff Bill Cornell and the law officers were in the building in a matter of minutes. Entry was gained into the building through a window in the Biology laboratory. Since the door of the lab was locked from the hallway, the door was broken down to gain entrance to the hall. The offices of Principal K. D. Vaughan and Supt. Pinkerton were broken into and ransacked thoroughly. The money was taken from a safe in the Superintendent's office. It is estimated that there was approximately \$30.00 in silver taken along with about \$180.00 in bills. The money was in several different funds, among them the athletic fund, the college book fund, the college transportation fund, and the college annual fund. The Coca-Cola machine was also severely damaged and about \$9.00 in nickels and dimes taken from it. Two filing cabinets in Vaughan's office were damaged almost beyond repair. At last report, the Sheriff's office was still working on the case but had not made any arrests.

Iowa Wesleyan Defeats Comets

The Clarendon College Comets suffered their worst defeat of the season here Tuesday night as the Iowa Wesleyan College rocked them with a 63 to 42 decision. It was the most points scored against the Comets in any game this season. The girls from Mt. Pleasant, Iowa, exhibited perhaps one of the most outstanding women athletes in the country in the person of Miss Barbara Sipes. Miss Sipes, who stands six feet, three inches in height, was a terror on both offense and defense. She led the scorers with 21 points, mostly on rebound shots and the Comets seldom got more than one shot at the basket as she would take the rebound. The Comets experienced a "cold" night so far as their shooting was concerned. The Iowa girls, who were ranked fourth in the nation prior to this game, took an early lead and were apparently never in danger. They held leads of 16-6 at the first quarter, 32-15 at the half and 51-24 at the three-quarter mark. Susie Jones, speedy little forward, set the scoring pace for the Comets with 19 points. Next home game for the Comets will be Feb. 22nd when they meet the strong Commercial Extension School of Business from Omaha, Nebraska. This is the team that knocked the Comets out of the National Tournament last year.

FORMER JA RANCH HAND DIES

Funeral services for W. H. Crawford, 85, former J. A. Ranch hand, were held Monday afternoon in Amarillo. Mr. Crawford died Friday afternoon in an Amarillo Clinic. He was an early day bronc buster on the J. A. Ranch. During the time he was employed there he broke about 400 horses for the ranch.

Judging Teams To Enter Plainview And Pampa Livestock Events

Livestock judging teams will represent the Clarendon F.F.A. Chapter in contests to be held at Plainview Saturday and at Pampa, Tuesday 19th, according to J. R. Gillham, local Vo-Ag Instructor. The contests at Plainview will be strictly a swine judging event, but the Pampa affair will be a full livestock judging event. Doyce Graham, W. T. Elliott, James Mahaffey, Harold Lindley, Carl Talley, Sam Wells, Milton Mann, and Bobby Longan are among the chapter members working for the contests. A team has not been chosen at this time, but the entire group will probably make the trips for the contests.

FARM NEWS

from the County ASC Committee

COTTON PREMEASUREMENT
 We want to remind everyone again that premeasurement services shall be made available to all farm operators requesting the service in connection with cotton acreages. We are taking applications now for premeasurement of cotton land and you have through March 15, 1957 to make application. The cost of this service is \$7.00 for the first plot and \$2.00 for each additional plot.

1957 WHEAT PERFORMANCE
 For those of you who have wheat or wheat Acreage Reserve a reporter will be visiting your farm soon, if he has not already visited it. They will plot your wheat and wheat Acreage Reserve on the aerial photo. It is important that you be with him so that you can help in plotting it accurately.

1957 COTTON ACREAGE RESERVE
 Applications for 1957 cotton Acreage Reserve contracts will be taken through March 1, 1957. The maximum amount of acreage that can be put under an agreement is 30% of the farm allotment or 10.0 acres whichever is larger. If more acres are requested at the time you sign a contract, you will be allowed to put this acreage in if the county's budget is not exhausted after March 1. We will be glad to give you further details and information at the Donley County ASC Office.

HOSPITAL NOTES

Patients as of Wed., Feb. 13—Mrs. J. W. Davidson, Frank Whitlock, Mrs. Edward Dishman, Homer Jones, Sarah Jones, Kenneth Drake. Dismissals—Mrs. Pearl Terry, Essie Putman, Mrs. Chester Martin, Mrs. Robert Mills and son Ricky, John Allen, John Sommers, Deborah Rippetoe, and Mrs. Stella Phillips.

LOCAL FISHERMEN BRING HOME THE FISH

A group of local fishermen returned home Sunday afternoon from Guymas, Old Mexico where they had spent the past week fishing and they had a trailer load of fish to back up their word. In fact there was around 1,000 pounds of fish with the largest in the bunch weighing around 125 pounds. They had five fish that totaled over 500 pounds. Enjoying the trip were J. G. and James McAnear, Cap Anderson and H. G. Higgins from here and C. W. Richerson of Phillips. Leader—Local rate, \$3.00 a year.

Bulldogs Play Two Games This Week-End

Coach Buddy Travis and his CJC Bulldogs have their work cut out for them this week-end as they take on the Howard County Jayhawks and the Odessa Wranglers on foreign courts. Friday night the Bulldogs will play Howard County in Big Spring and Saturday night they will play Odessa at Odessa. The Bulldogs have won two and lost two in conference play and are currently tied with Frank Phillips and Howard County for second place. The Amarillo Badgers, with three wins and one defeat, are leading the conference. The Bulldogs have played both Howard County and Odessa at home and hold wins over both teams. However, in this conference, games are hard to win away from home. Frank Phillips is the only team to win away from home; that being an 85 to 84 decision over Odessa. Coach Travis' CJC team now has ten wins as compared to eight defeats. This is a commendable record considering the fact that he has only two sophomores who are seeing much service, that being Co-Captains Boyd White and Jay Wilson. Also, the Bulldogs are perhaps one of the youngest college squads in the country. Wilson is the only player who has reached his 20th birthday. Billy Schneider is the youngest at 17. Only four of the squad members ever played on a district championship high school team, and none of them are from high schools of higher than Class B athletics. Boyd White continues to lead the Bulldog scoring parade. He has made 92 field goals and 164 free throws for a total of 348 points. He also leads all players in this region in free throws. He has averaged 19.3 points per game so far this season. The team is averaging 75.9 points per game. Following is the way the Bulldogs have scored:

Services Held For Mrs. J. M. Hayter

Graveside services for Mrs. J. M. Hayter, 96, of Megargel in Archer County, were conducted there Sunday. Mrs. Hayter, the mother of the late W. T. and Silas Hayter, who were in the clothing business here in the 1920's died Friday in Lubbock. She is survived by two daughters, Mrs. Pearl Logan of Lubbock, and Mrs. Fay Brown of Megargel; a son, Cleveland Hayter of Compton, Calif.; 19 grandchildren; 13 great-grandchildren and two great-great-grandchildren.

MAYOR H. T. BURTON ANNOUNCES FOR RE-ELECTION

Mayor H. T. Burton broke the ice as far as local politics are concerned this year by filing for re-election as Mayor of our little city. The city election will be held Tuesday, April 2nd and to date Mayor Burton is the only candidate for the office. The deadline for the filing date is March 1st. The mayor is the only office which will be listed on the City Ballot as the two city commissioners are elected on alternate years.

L. E. Thompson attended the Hardware Convention in Amarillo the first of the week.

Today - 10 A. M. Thursday 14th

Starting at 10 A. M. at the Mulkey Theatre, H. M. Breedlove, County Agent in charge of the program, says that every one in the county interested in farming and ranching should attend this big educational meeting. The program is as follows:
 10:00 A. M. — Mr. Norris F. Schroeder, Farmer-Rancher of Fort Morgan, Colorado, talking on "American Free Enterprise and Conservation."
 11:00 A. M. — Mr. Jack King, Agronomist, Texas A&M, talking on "Hybrid grain sorghums and new crop possibilities."
 1:00 P. M. — Mr. Tom Prather, Farm management specialist, Texas A&M, talking on "Economics of Irrigation."
 2:00 P. M. — Mr. Bob Cherry, Agricultural Economist, Texas A&M, talking on "Soil Bank practices and possibilities."
 3:00 P. M. — Mr. Charlie Fisher, Superintendent of Spur Experiment station, Texas A&M, talking on "Livestock feeding practices and mesquite control".

Accident Takes Life Of W. H. Vanderburg

William Haynes Vanderburg, father of W. F. Vanderburg, pastor of the First Baptist Church here, died from injuries sustained in a car accident near Childress around 11 o'clock Wednesday morning. Grover C. Heath, driver of the vehicle and only other occupant received a broken arm and was in the emergency room of a Childress hospital at last report prior to the Leader going to press Wednesday afternoon. As near as we could learn upon short notice was that Mr. Heath and Mr. Vanderburg were on their way to Corpus Christi on a fishing trip and the accident occurred somewhere between Esteline and Childress where a strip of highway 287 is under construction. It was reported that a dump truck had dumped a load of dirt ahead of the car and that it rolled out on the road. Mr. Heath lost control of the car when he was unable to miss the dirt and the car overturned. Mr. Vanderburg, 77, had been a resident of Clarendon since August 1955. He made his home here with his son, W. F. Vanderburg. Prior to moving to Clarendon, he had made his home at Pampa since 1927 where he followed the Barber profession. He is survived by one son, Rev. W. F. Vanderburg; one daughter, Mrs. Kenneth Irwin of Franklin, La.; one sister, Mrs. Lula Stein of Pampa; two brothers, Cox Vanderburg of Odessa, and John Vanderburg of Choico, Texas; also four grandchildren. Funeral arrangements are pending with the Murphy Funeral Home.

Services Held Wed. For Pioneer Lady

Funeral services were held Wednesday afternoon in St. John The Baptist Episcopal Church for Mrs. Marcella Phillips Gentry with the Venerable Claude E. Canterbury of Amarillo officiating. Mrs. Gentry, 94, died at her home here Tuesday morning. She was a member of the Order of the Eastern Star and a charter member of the Pathfinder Club. Mr. and Mrs. Gentry were married March 10, 1884 in Old Clarendon. They were the second couple to be married in Donley when the area became a county. Mrs. Gentry moved to the present site of Clarendon when the old town moved, and she was considered as one of the oldest pioneer ladies of the Panhandle area. Survivors are one daughter, Mrs. Emily Ryan of Clarendon; two sons, Meredith P. Gentry and Phillips B. Gentry, both of Amarillo, two grandchildren and five great-grandchildren. Pallbearers were Arnold Atteberry, Houston Bell, Phillips B. Gentry, W. Seldon Bagby, Clyde Slavin and Lawrence C. Neece. Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Sheriff Issues Warning

Sheriff Bill Cornell issued a warning this week in regard to the breaking out of window lights, street lights, etc. The latest complaint received by the sheriff was from officials in charge of the County Fair Barn. A number of window lights have been broken in this building which is actually a community building serving everyone in this area. Anyone caught doing such an act as this will be punished according to law, stated the sheriff.

Donley County F.F.A. Youths Sweep Honors At El Paso Swine Show

Members of the Clarendon and Lelia Lake F.F.A. Chapters swept all major honors in the swine division of the Southwestern Fat Stock Show at El Paso last week. Ten of the twelve first place awards, all breed champions, and grand champion and reserve grand champion barrows were exhibited by members of the Donley County Group. Sixteen head of barrows were exhibited and ten firsts, four seconds, and two third place awards were won by the local youths. This is the only time in the history of the event that any one county has completely dominated the show. Carl Talley exhibited his Poland China to the grand championship; Bob Longan exhibited the reserve grand champion barrow, a heavyweight hamshire; Wayne Mann and Dennis Bradshaw had the champion berk, and James Mahaffey the champion duroc. Other Clarendon and Lelia Lake F.F.A. members were strong contenders in every class. Bobby Lee, Lelia Lake Vo-Ag Instructor, and Genoa Goad, Lelia Lake Chapter member cared for the pigs through the week. Milton Mann made the trip with them but returned to Clarendon Tuesday night with Instructor J. R. Gillham, Carl Talley, Bobby Longan, and Sam Wells who drove to El Paso Monday night and returned home Tuesday night after the showing. Mrs. J. R. Gillham accompanied the group. Following the completion of the showing Tuesday afternoon the group made a two hour tour through Juarez and drove back late that afternoon by the entrance of Carlsbad Cavern. Over thirty deer were seen near the entrance to the cavern.

College Bulldogs Take Conference Win From Howard County, 69-65

The Clarendon Junior College Bulldogs evened their conference record at two wins and two losses here last Saturday night when they defeated the powerful Howard County Jayhawks by a score of 69 to 65. It was only the fourth defeat of the season for the Jayhawks as compared to 15 victories. The Bulldogs went in front on two free throws by Boyd White in the opening minute of play and were never behind, although the visiting Howard County team pulled to within two points of them late in the last half. Buzz Bailey, greatly improved Bulldog forward, was high point man for the home team with 18 points. However, the Bulldogs showed a well balanced scoring team with four players hitting ten points or more. The other three were Boyd White with 16, Jay Wilson with 11 and Steve Jarnigan with 10. Wilson, Jarnigan and Jimmy Adams along with dependable Boyd White, played a great defensive game in holding the Jayhawks to one of their lowest scores of the season. Billy Schneider, Layne Cushenberry and Norman Killough also saw service in the game. Kenneth Powell, Jayhawk guard, topped the scoring parade for the game with 24 points.

Frank Phillips Defeats Bulldogs In 79-72 Tilt

The Bulldogs of Clarendon Junior College journeyed to Borger last Thursday night and took a 79 to 72 trouncing from the Frank Phillips College Plainsmen. It was the second conference defeat for the Bulldogs. Boyd White, Bulldog forward, paced the Clarendon scoring attack with 19 points, followed by Buzz Bailey with 13. Jerry Hall led the Plainsmen with 22 points. The Borger team jumped into a quick lead and held it all the way, although the Bulldogs were never more than 12 points behind. Frank Phillips led at the half 42 to 30. Those who would like to send cards to Jarrett David may do so by mailing them % C. H. Rowan, 4614 West Purdue, Dallas 9, Texas. Jarrett has been in Dallas for about four weeks where he is receiving medical treatment. P. C. Messer of this city, Pete and Dude Messer of Hedley visited their uncle, Curtis Messer who has been quite ill at Temple, this past week end.

Clarendon Bonchos Split Two Games

By JOHN PAYNE
 SC Sports Reporter
 The Clarendon Bronchos, winners of District 2A and headed for the bi-district honors, split two games with strong opponents, losing to Groom Friday 50-46 and defeating Silverton Monday night 70-53. In the Groom game, the Bronchos trailed 16 points in the third quarter but nearly caught up before the game was over. John Payne and Eddie Baten were high with 14 points each. In the Silverton game the score was tied 49-49 going into the fourth quarter but the Bronchos pushed ahead with an additional 21 points to Silverton's 4. Jerry Behrens was high with 21 points. The Bronchos will probably play Wellington Friday, so let's see one come and support them.

THE DONLEY COUNTY LEADER

us the following clipping from the Amarillo Air Force Base Publication. The author is unknown. The article is called
A THOUGHT FOR TIME IMMORTAL
 "I've heard it said that the world is a dismal place. But I know better—For I have seen the dawn, and walked in the splendor of the morning's sun—Blinked at the brilliance of the dew, and beheld the gold and crimson of the autumn landscape.

"I've heard it said the world is sad, I can't agree — For I have heard the cheering songs of feathered masters, heard the low laughter of the leaves, and the everlasting chuckle of a mountain brook.

"I've heard it said that the world is a dusty, sordid thing. It can't be true. For I have seen the rain, watched it bathe the earth, the very air. I have seen the sky newly scrubbed and spotless blue from end to end. And I have watched the winter snow drape tree and brush to look like Nature's freshly laundered linen hung to dry.

"I've heard it said that the world is evil, but they are wrong. For I have known its people, watched them die to save a freedom, bleed to save a life. Spend of themselves to stem disaster, of their wealth to save distress. And I have watched them live, love, and labor; watched them

hope, dream and pray side by side.
 "I've heard them say all these things, but I would disagree. Because, for every shadow, I have seen a hundred rays of light. For every plaintive note, I have heard a symphony of joy. For every penny-weight of bad, I have found a ton of good; good in nature, in people, and in the world. And I am thankful that I belong."
 We would add our Amen a thousand times to the above; especially are we glad that we are a part of this people, this world, this creation.

Had you ever thought; Evil is one letter short of Devil. Ills is one letter short of Pills. Anger is one letter short of Danger.

Do you think of other words that have this same relation? Send us your own thought along this line.

Come try the **BIG BUY**
 (You can boss this Buick Special for little more than the price of a smaller car!)

ONE LOOK at that price figure and you'll know that—again in 1957—if you can afford a new car you can afford a Buick.

And look what you get for so little extra money. You get the most completely new Buick in years. Not just brand new in styling and brand new in body design.

But new in features that make this the dream car of the year to drive.

You get brand-new performance because the engine is literally new from the crankshaft up.

You get a brand-new instant response because we engineered brand-new torque into Variable Pitch Dynaflo.*

And to give you the new sure-footed safety of a lower center of gravity—we built a brand-new frame—which lowers the car, but keeps the headroom, legroom and footroom that a big car should have.

Fact is, there are more than 150 other chassis changes in this '57 Buick—waiting for you to try them. Do that soon—at your Buick dealer's.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Have you had this happen to you?
 "To start the phone a-ringing. At almost any hour; The surest way I know is to start to take a shower.

Actually, this is little worse than to be just ready to drop off to sleep. To be sailing right into the billowy pillow, dreamy dreamland and then be suddenly brought back to reality by the ring of the telephone. My, my my.

Then too, is there anything in the world half so bad as to have the alarm clock go off right in the middle of your best last snooze?? Why did they ever make such things? The trouble with me is, I can't trust myself to wake up at any certain time without one. Then, on the other hand, I can't hardly sleep at all if the things are set, for fear that they will or won't go off depending on whether it's nearly time or not. Anyhow, Mama says that alarm clocks going off are about her worst pet peeve. We nearly sometimes agree.

Write and tell us your pet peeve. For the most unusual one we will give a free subscription to our favorite farm magazine (name on request). Write us real soon.

If we, my friends, could analyze Our real selves we'd be surprised; Just happen in some time, some place, And meet our selves once face to face; 'Twould be a phase in life quite new, To see us as our neighbors do; I wonder if such thing could be, If I would know my self was me.

INTERNAL REVENUE SERVICE
 UNITED STATES TREASURY DEPARTMENT

No longer can an able-bodied wage earner walk up to the desk at Internal Revenue and order, "Fill 'er out."

Even greater emphasis is being placed on Revenue's "Self-Help Program" this year, Mr. James Z. Pearce explains.

This marks the third filing period that taxpayers are being asked to be self-reliant whenever possible. Under this successfully tested set-up most taxpayers are filling out their own returns, unless they are incapable of doing their own with the assistance provided by the self-help IRS methods.

Revenue, nationally, through the "self-help program," cut the total taxpayer assistance cost by almost \$3,000,000 in 1956.

"In an effort to keep as many of our collection officers and auditors on their regular jobs, emphasis again this year is placed on group instruction and self-help techniques rather than on individual assistance," Mr. Pearce explains.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

This week we are announcing some recent novels. First, "Charmed Circle" by Susan Ertz. It has been several years since we had purchased one of her editions, but this has a fascinating appearance. Her first novel appeared in 1923. Next, "Rachel Cade" by Charles Mercer.

For children we have a copy that is slightly advanced to one previously announced—"All About Dinosaurs" by Roy Andrews, and "All About Volcanoes and Earthquakes" by Fred H. Pough.

There are three memorials that were recently added to Ben Prewitt's list. These are first, Albert Schweitzer Man of Mercy by Jacquelyn Berrill.

There are three memorials that were recently added to Ben Prewitt's list. These are first, Albert Schweitzer Man of Mercy by Jacquelyn Berrill. We have two other biographies of different phases of his work and teachings.

Lowell Hall exhibited James Mahaffey's Lightweight Spotted Poland China Barrow to first place and championship in his division at the Ft. Worth Show. The barrow was also champion spot at the Amarillo Show and the Donley County Show.

by Mrs. Louie Merrill of Memphis, Texas. "The Story of Gabrielle" by Catherine Gabrielson is one of three memorial books from the memorial fund given by Ben's sisters—one at Childress, the other Washington, D. C. The others were "Fireside Book of Folk Songs" and "The Chyenne Autumn".

Our generous local friend contributed five popular editions for the fiction shelf. They are some from her book of the month collection. First, "Another Pamela" by Upton Sinclair—1950 edition—"The Trouble In Thor" by Jo Valentine. This is a 1953 edition.

Bosphorus, the center of the Eastern Roman Empire. "The Magic Lantern" by Robert Carson, 1952, Hollywood environment. These books have not been on my shelves previously, so they are all new to my readers and greatly appreciated.

A check from the Ex-students of Clarendon College was transferred to the Library this week. The organization is not active any more I presume as no explanation was made of the transfer of the \$11.50 to the Library.

PATHFINDER

Pathfinder met at Patching Club House Friday afternoon, February 8, with Mrs. Forest Sawyer and Mrs. Wm. S. Greene hostesses. Entertaining rooms were decorated with brass containers of Ivy and brass candle holders with red tapers, adding beauty to the rooms.

The invocation was led by Mrs. C. E. Bairfield who asked members to turn to and read in unison the poem written by Mrs. J. T. Patman and printed in the year book. Miss Ruth Richerson, president then led the group in reading Club Collect. The Pledge of Allegiance to the Flag was led by Miss Mable Mongole.

During the business session a card was read from Mrs. J. T. Patman expressing her appreciation for the flowers and the luncheon sent her the previous meeting date. A letter of thanks from Mrs. Mae Prewitt was read in which she acknowledged the annual contribution made by Pathfinder to the City Library. It was also voted during the business hour to send Mrs. C. T. McMurtry as the Pathfinder delegate to the Federation Convention to be held in Amarillo in March. Mrs. Bill Greene announced that the Dale Carnegie meeting would be open to the public again February 12 and urged all who could to attend.

The program was titled "An Afternoon of Opera" and was presented by Mrs. John Bass, Mrs. Frank Phelan, Jr. and Mrs. Millard Word. The program was delightful and was enjoyed by

all.

Mrs. Bass played a medley of piano selections from "Il Trovatore"—Verdi, and "Last Rose of Summer" from the opera Martha—Flotow.

Mrs. Frank Pnecian, Jr. accompanied at the piano by Mrs. Millard Word sang several songs, giving a short story of the opera from which each was taken. Included were "The Flowers That Bloom In The Spring" from Mikado—Sullivan; "Habanera" from the opera Carmen—Bizet; "Where The Wild Roses Grow" from The Queen's Lace Handkerchief—Strauss; "Lullaby" from Jocelyn—Godard; and "Evening Prayer" from Hansel and Gretel—Humperdink.

Following the entertainment the hostesses invited guests to the dining room for refreshments. The table was laid with a red linen cloth and centered with a beautiful arrangement of white Chrysanthemums interspersed with miniature Valentines. Mrs. Heckle Stark presided at the silver service.

Attending were one guest: Mrs. Frank White, Jr.; and members Mesdames Carl Allmond, C. E. Bairfield, John Bass, George Benson, Ed Dishman, Bill Greene, Wm. S. Greene, J. H. Howze, Clyde Hudson, Pete Kunz, Wm. J. Lowe, C. B. Morris, Frank Phelan, Jr., Forest Sawyer, Heckle Stark, Lena Antrobus, Fred Patching, Jr., and Misses Mable Mongole and Ruth Richerson. —Reporter.

DUMAS—HELTON

Miss Beverly Dumas of Andrews, Texas became the bride of Frankie Gene Helton in a ceremony read February 3rd in the home of the bride's parents. The couple will make their home at Andrews.

The groom is the son of Mr. and Mrs. J. H. Helton of Clarendon.

Bridal Shower Honors Mrs. Clarence White

A shower, honoring Mrs. Clarence White, the former Norma Tolbert, was given in the Clubroom at the Ashtola school house Thursday afternoon. The valentine motif was carried out in the decorations. The centerpiece for the serving table was a large red meline heart surrounded by red roses and greenery. Misses Jeanne Gray and Velma Murphy ladeled punch and served cookies as guests arrived. Miss Linda Gale Tolbert registered the guests presiding at the brides book.

Mrs. Horace Green gave an appropriate reading, then the honoree opened her gifts and passed them around for all to see. She thanked everyone in a charming manner.

Hostesses for the courtesy were Mesdames Vance Gray, Burk DeBord, Hubert Rhoades, Warren Hardin, Horace Green. Many unable to attend sent gifts.

The following were present: Mesdames Willard Marshall, Dnae Perdue, H. S. Mahaffey, Lloyd Reid, Robert Partain, John White, Burk DeBord, Horace Green, R. R. Riley, Grady Nelson, Vance Gray, A. T. Tolbert, W. A. Poovey, Doyce Graham, Harold Graham, Scottie Tolbert, and Hubert Rhoades, and Misses Linda Tolbert, Velma Murphy, and Jeanne Gray; also Ruby Partain, Mike Graham, Beth and Jerry Green.

The bride, a junior in Clarendon High School at the time of her marriage, is the daughter of James Tolbert at Ashtola. The groom is an airman at Amarillo Air Force Base. The couple lives in Amarillo. —Reporter.

Council Executive Board Members Named

The Adobe Walls Council, Boy Scouts of America, has placed additional men on the Council Executive Board. The Council Executive Board is the operating body of the Local Council. The Institutions who sponsor Scouting units elect the members to represent the various communities.

Several of these additions have come from the Comanche District. Those men from our localities who have joined the Executive Board are: Gordon Stiles, Kelton; Granger McIlhane, Wheeler; Harild Teegerstrom, Shamrock; Dr. Carter Holcomb, Wellington; Mills Roberts, Memphis; Homer Estlack, Clarendon.

Past members of the Board from the Comanche District who remain on the Board are: Cap Morris, Clarendon; Sandy K. Parsons Jr., Wellington; D. E. Scott, Wellington; Gerald Mayfield, Shamrock; Virgil Jamison, Wheeler.

The addition of these willing and capable men to the Adobe Walls Council Executive Board gives the Comanche District the representation that it has long needed in order to bring to the boys of our District a successful program of Scouting. Even though this is a big step towards

FROM WARM SPRINGS FACT & FANCY

by W. H. Ricketts

[Wherein the director of public relations at the Gonzales Warm Springs Foundation tells of Texas' own physical rehab center and also throws in a little tongue-in-cheek palaver for which, incidentally, the management is not responsible.]

I can't help myself and I wish I could because I like to go along with the crowd as a rule. But I must admit that I take a rather dim view of all the furor that has been created over Princess Caroline Louise Marguerite Ranier.

Of course, it has been established that this is a truly remarkable child. Her very own doctor has been quoted as saying that she "began life with a lusty howl" which all of us plain common people have to admit is highly extraordinary.

And it has since been rather well established that the new heiress of the royal roulette circuit is a "strong" crier.

However, I suspect that the doctor has put out some of these highly favorable reports just to butter up the papa who, after all, will have to pick up the check.

I note that the doctor stated immediately that the princess looks like her old man—with the "expression of the Grimaldi family." This convinces me that this is a salve job because only a parent, grandparent, or a liar will say that there's anything attractive about a day-old baby.

Come to think of it, however, the doc didn't say the baby was attractive; he merely stated that she looks like the Prince and his ancestors. A sly chap, that doctor.

In any event, the li'l gal-princess has created more of a stir than Dr. Salk did with the discovery of the polio vaccine. And this convinces me that most Americans have never forgiven George Washington for whipping

the English. Let's face it; we're just plain rabid on royalty. We're crown crazy.

Of course, it's not a closed corporation, and several of our girls, as you know, have made the grade. Wallie missed the monarchy but nailed the monarch, and Rita picked up a princess as a consolation prize.

But if you can swing the deal with an honest, ham and eggs name like Kelly, there's a measure of hope for most anyone.

A Laredo businessman, Joe Richards, is working hard to get some action on the matter of improving and extending the very limited State program for providing care for crippled children and adults.

His initial step is simply to encourage the legislature to create a committee to make an independent survey of the needs. The findings, then, could be translated into legislation.

If you agree that the formation of this committee is a good idea, you can help by writing your State legislator and senator.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Because of the Agricultural Clinic being held today, the Donley SCD Board of Supervisors held their regular monthly meeting for February Monday afternoon, Feb. 11, 1957. The regular time for the Board meeting is the second Thursday of each month. The primary business of the Board at this meeting was to complete the annual report for 1956.

Mr. C. B. (Cap) Morris, who is Chairman of the Board attended the Sixteenth Annual State meeting of the Texas Soil Conservation District Supervisors at Tyler, Texas, Jan. 16, 17 & 18, 1957. He was accompanied by Mrs. Morris. From the account that Cap gave of the meeting, he and Mrs. Morris were very much impressed. Mr. Morris expressed the thought every supervisor should attend these annual meetings as they inspire a supervisor to give more freely of his time in accomplishing Soil Conservation in his District.

At the convention Mr. W. C.

Howard of Quanah, Texas was elected President of the State Association of Soil Conservation District Supervisors for 1957. The Association also voted to work to get proper laws passed by the present session of the Texas Legislature to give Texas the kind of water Conservation program needed.

Because irrigation is increasing so rapidly in the District, the Board has decided to post a map of the District locating each irrigation well (or irrigation project). Different colored pins will be used for different size wells. There are so many new wells in the District that those having new wells within the boundaries of Donley County could help in this project by writing a card to C. B. Morris, Chairman, Donley SCD Board of Supervisors, Clarendon, Texas, telling the name of owner, operator, location of well, size of pump installed, and type of irrigation (whether row irrigated or sprinkler). This information will aid in making this map locating the wells within the District complete, and will be appreciated by your Board of Supervisors.

Noah Webster began writing the dictionary in 1807 and finished in 1828.

AUSTIN — Even in a water-minded legislature, passage of a statewide conservation program apparently faces some rough sailing.

First hitch came when the House conservation committee voted to hold the \$100,000,000 Texas Water Development Fund measure for 14 days study. Senate Water Committee had given it unanimous recommendation in less than an hour and a half.

Rep. Leroy Saul of Kress, House sponsor, was sharply critical of the delay. He said it could be "fatal."

Rep. A. R. Schwartz of Galveston, author of the delaying motion, said he thought a \$100,000,000 fund required some safeguards on investments.

As now proposed, the development fund could later be increased to \$200,000,000 by a two-thirds vote of the Legislature. Another \$100,000,000 bond proposal to buy water storage in federal reservoirs could likewise be doubled. It means a potential of \$400,000,000 under the two plans.

As designed by its sponsors, the development fund would be self-financing, even show a long-range profit. They anticipate the state would receive more interest on the bonds it buys from cities than it has to pay on the bonds it sells.

But some legislators have pointed out that if a deficit should develop, it would drain money from the General Fund, straining the state's tax sources.

TWO REVENUE BILLS
Despite the Legislature's early "wait and see" attitude on new taxes, two plans for new revenues have been introduced.

Rep. Jerry Sadler of Percilla proposed a "manufacturing tax" with an estimated yield of \$52,000,000 a year. It would levy one-eighth of one per cent on gross receipts of manufacturing over \$25,000 a year, including goods brought into Texas.

Two bills were introduced for higher tuition at state colleges. One, by Rep. Murray Watson of Mart, would double fees at state colleges, bringing in some \$5,000,000 more a year. Another, by Rep. Harold Parish of Taft, would allow the college governing boards to set tuition. Basic fee now is \$25 a semester for Texas students.

"ETHICS" PROGRAM UP
State Bar-recommended bills to curb influence peddling have been introduced in the Senate.

Sen. William Fly of Victoria sponsored the measures which would (1) prohibit a legislative member or candidate from representing a client before any state agency except the Industrial Accident Board and (2) abolish the mandatory continuance in trials where a legislator has been retained as counsel.

Sen. Searcy Bracewell offered a bill with stiff penalties for a state official offering or accepting a bribe.

IN THE MILL
Other measures dropped on the legislative assembly line would:

1. Prohibit offering for sale any merchandise at less than cost if the number of units is restricted or the merchant refuses to sell to any "willing customer." By Rep. Reuben Talasek of Temple and Sen. A. M. Aikin Jr. of Paris.

2. Require lobbyists to register with the Secretary of State. By Rep. R. H. Cory of Victoria.

3. Request the Texas Legislative Council to investigate the small loan business and report in 1959. By Rep. Criss Cole of Houston.

4. Create a state municipal planning board to assist smaller cities in getting federal aid for slum clearance. By Sen. Henry B. Gonzalez of San Antonio.

5. Set aside 11,000 square feet of space for state archives in the soon-to-be built State Courts Building. By Sen. Charles Herring of Austin.

6. Revamp the law to put into effect a paid adult probation and parole system. By Sen. Crawford Martin of Hillsboro.

7. Give Texas citizens and businesses preference in receiving state contracts. By Sen. Ottis Lock of Lufkin.

8. Provide for regulation of brake fluid sales by the Department of Public Safety. By Fly.

9. Create a new license that DPS could issue to 14 and 16-year olds for riding motor scooters. By Sen. Jarrard Secrest of Temple.

10. Allow life insurance companies to own branch offices if the companies occupy 50 per cent of the space. By Sen. George Parkhouse of Dallas.

11. Broaden field of authorized investment by life insurance companies. By Parkhouse.

12. Provide for treatment of narcotics addicts at state mental hospitals. By Rep. Richard C. White of El Paso. (Opposed by state hospital officials.)

13. Give Board of Control supervision over design of new state buildings, aimed at preventing costs exceeding appropriations. By Martin.

Program means an organized massacre of a group or class.

DELBERT ROBERTSON RECEIVES EMBALMERS LICENSE

Delbert Robertson, an employee of the Murphy Funeral Home here since 1950, has received his Embalmers License from the State of Texas.

In order to receive his license, Mr. Robertson attended the Embalmers school for nine months and has completed two years of apprenticeship. Since the time he started work with the local Funeral Home in 1950, he has attended the above mentioned school and also served two years in the armed service. Delbert is a graduate of the local schools and was an outstanding football player during his high school years.

Family Reunion

Mr. and Mrs. A. O. Hefner had all of their children together for the first time in ten years when they met in the home of Mr. and Mrs. Lloyd Hefner and Holly in Amarillo Sunday. The occasion was Mr. Hefner's 78th birthday. The beautiful birthday cake was baked by Mrs. Hefner and the meal was a turkey dinner with all the trimmings.

Present were Mr. and Mrs. A. O. Hefner of Clarendon, Mr. and Mrs. Leslie Dawe and Mrs. Hazel Lusk and Mike, of Walnut Creek, Calif., Mr. and Mrs. Ray Hefner and Patsy, and Mr. and Mrs. Lloyd Hefner and Holly. Other relatives to enjoy the day were Mr. and Mrs. B. M. Wood of Pampa, Mr. and Mrs. B. R. Wood and Mr. and Mrs. C. F. Hefner, of Amarillo.

Mr. and Mrs. Dawe are enroute home from South America where they have been since November.

Mr. and Mrs. Hefner had 1000 more a year. Another, by Rep. Harold Parish of Taft, would allow the college governing boards to set tuition. Basic fee now is \$25 a semester for Texas students.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

AID FOR GRASSLANDS

The bill that was recently introduced by a large number of the Texas Delegation in Congress, designed to establish a deferred grazing program and a protein feed program to supplement the relief available to drouth stricken areas, was reported favorably by the Committee on Agriculture yesterday morning. However, the provisions requiring the Secretary of Agriculture to include protein feed concentrates in the drouth feed program, was stricken from the bill. This means that the bill is now confined to the deferred grazing program which is, in effect, a soil conservation soil bank. Grazing lands can be laid out for a period of not less than 12 consecutive months, and the rancher or farmer will receive payment at a rate not less than the average grazing rental value of the land. We had hoped that both the grazing program and the inclusion of protein feed concentrates

in the drouth feed program could be included in the same bill when it was acted on by the Committee, but the Committee decided to separate these items and approve only the deferred grazing program at the present time.

It can be expected that separate legislation will be introduced concerning the inclusion of protein feed concentrates in the drouth feed for livestock program, and every effort will be made by those of us whose districts have been stricken by the drouth for early action on such legislation. In the meantime, we shall, of course, push forward for passage of the deferred grazing program and will probably have it through the House of Representatives before this letter reaches you.

AGRICULTURAL LABOR PROBLEMS

Trouble is again brewing on the use of Mexican Nationals as agricultural workers in this country.

Certain numbers of Mexican Nationals are allowed to work in this country under an agreement between this Government and the Government of Mexico. Each year, controversies seem to arise with reference to this program. The need of these workers in agriculture in this country is readily admitted by all who are

familiar with the circumstances involved. However, the Department of Labor, each year, seems to want to engraft additional rules, requirements and regulations on American farmers using this type of labor. The unreasonableness of some of these proposed rules and regulations in past years certainly emphasizes the lack of understanding on the part of some of the Labor Department officials charged with administration of the program.

However, the new rules on housing and other matters which the Labor Department is now advocating are so unreasonable that they make the former unreasonable proposals seem sound. The requirements for housing of these people who come over from Mexico to do work in this country, are nothing short of making American farmers provide hotel facilities, including maid and yard service. It is the opinion of many that these unreasonable requirements that have been increasing each year are designed to be so rigid as to render completely impractical the use of Mexican Nationals for agricultural labor purposes in this country. If this is the underlying design of anyone connected with this government, it should be brought out into the open. The truth is that American

labor is not injured by the importation of these workers to do seasonal agricultural work. The workers are paid a wage agreed upon between this Government and Mexico, and are not in any manner cheated or defrauded. Actually it provides, or should provide, if the workers take the money home, a stimulation to the very poor general economy of these workers. This work provides a source of revenue for these workers that they could not obtain in any other place.

The farmers, in most instances, require their services because the crops are seasonal and must be harvested when they are ripe. For some strange reason, Nature has never seemed willing to submit to man-made laws or regulations of the Department of Labor.

No one should want to be unfair in the operations of these programs. With a sound, sensible approach, this program can be worked out to the benefit of all concerned. However, it could hardly be expected for the farmers, who have been the tragic victims of cost-price squeeze, to provide better living facilities for foreign nationals than they themselves will be able to enjoy if something isn't done about the agriculture picture in this country.

STOP HERE FOR VISIT

Mr. and Mrs. Lee G. Allen of Portland, Oregon visited with Mr. and Mrs. Jerome Stocking Tuesday. The couple were enroute to points in Tennessee and Florida. Mrs. Allen was an early day parishioner at the local Catholic Church in 1907, but moved away a year later with her parents, Mr. and Mrs. Henry Besaw and family of twelve children. While in the city Mr. and Mrs. Allen paid a visit to the Catholic Church and made an effort to locate the grave of her sister Bertha Besaw who was buried in the Catholic Cemetery fifty years ago. The Besaw family settled in Clarendon from New York about 1905.

Mrs. Kenneth Sams and children of Brownfield are visiting this week with her parents, Mr. and Mrs. A. D. Estlack.

Guests in the home of Mr. and Mrs. Howard Hensley Sunday were Mr. and Mrs. Bill Thompson and boys of Memphis and Mr. and Mrs. Leon Hensley of Amarillo.

Mrs. Hazel Lusk and Mike of Walnut Creek, Calif. visited Wednesday and Wednesday night with her parents, Mr. and Mrs. A. O. Hefner.
