1878 A COUNTY-WIDE PUBLICATION, SERVING DONLEY COUNTY and ITS TRADE TERRITORY 1951 New Series—Volume 22 Number 15 CLARENDON, DONLEY COUNTY, TEXAS, MAY 24, 1951 A Common Paper for Common People

S.O.S

To Every Man, Woman and Child In Donley County:

If you haven't helped the World War I, II and Korean Theater Veterans with their new American Legion building project, please do so at once.

Here's the story—The Clark-Brock Post located in Clarendon, Texas is the only American Legion Post in this entire district which has not had a home or building of some sort to call their own. The boys have worked hard and made what money that has come into their hands really count toward buying a building for a Legion Home.

Many donations have already come in to help make this nice recreation hall possible, and of course, they will need more money in order to put it in first class condition.

Below is a donor list to show you how we are coming along with the fund.

- Commander Jack E. Gray. J. R. Porter \$350, Clyde Slavin \$106, Waymon Noblet \$100, Odos Caraway \$100, Farmers State Bank \$100, Donley County State Bank \$100, First National Bank \$100, Kelly Chamberlain \$50, W. H. Skelton \$50, Jack Gray \$50, Bob Moss \$50, F. E. Caraway \$50, W. W. Sandifer \$50, Greene Dry Goods \$50, Clarendon Furniture \$50, Frank White Jr. \$50, Estlack Machinery \$50, H. T. Burton \$25, Glenn Hoggatt \$25, Curtis Mears \$20, James D. Gouley \$20.

City To Give Storm Warning Signals

In cooperation with the State Department of Public Safety and the U. S. Weather Bureau, the officials of the City of Clarendon have arranged to give the people of this area storm warnings at which time cyclonic or other severe storm conditions arise.

The city officials reported that they were happy to have this opportunity to cooperate with the above departments in rendering this service and want every one to know that it will be a 24 hour service. Remember, when you hear two sirens blasts at the Fire Station it means a storm warning.

Contact Being Made For New C of C Mgr.

The Leader has been informed that contact is being made at the present time for a new manager of the local Chamber of Commerce. Mr. W. S. Whaley who has been manager here for the past year and a half has turned in his resignation due to ill health and at the present time he is in a Ft. Worth hospital following surgery on both legs.

SENIORS TO LEAVE SUNDAY FOR COLORADO

Clarendon High School seniors will leave Sunday morning for a week in Colorado. They will be accompanied by R. E. Drennan, Mrs. Rufus White, Mrs. Joe Ritter and Tom Seay.

Bennett, Jr., and Mr. and Mrs. Carl M. Bennett.

FUNERAL SERVICES HELD IN DUMAS

Funeral services were held in the First Christian Church in Dumas Monday afternoon for Mrs. Pearl Ann Bain with Rev. Leon Smith officiating. Mrs. Bain, mother of Patrolman Russell Bain of Clarendon, died Thursday at her home in Dumas. Burial was in the Dumas cemetery. Survivors include the husband, 4 sons, a daughter, three sisters, a brother and 9 grandchildren.

Attending the funeral from Clarendon were G. W. Bradshaw, Kenneth Dale, Mr. and Mrs. C. N. Brewer, Mr. and Mrs. Truett Behrens, Mr. and Mrs. Paul Schull, Guy Wright, and Mr. and Mrs. Noel Cudd.

Local Baseball Club Has Field Day At St. Francis

The Clarendon baseball club really had a field day at St. Francis last Sunday defeating St. Francis 32 to 7. After relieving Roy Stewart in the first inning Eddie Reynolds went all the way on the mound.

The locals racked up four home runs to their credit with Jr. Spier accounting for two and Skinny Putman two. The bases were loaded when Spier knocked his first homer and two men were on when he hit the second. Putman drove in two men with his second homer. Brooks hit two triples and three doubles.

The locals are building strength each week and are staying on the winning side of the ledger. They will play the Amarillo Sports in another Cap Rock League game here this coming Sunday.

VACATION BIBLE SCHOOL TO BEGIN MAY 28

Beginning Monday morning at 8:45 the Vacation Bible School of the First Baptist Church will get under way. The school will be from 8:45 to 11:15 each morning. The time will be May 28 to June 6. Boys and girls from ages 4 through 16 are included in this school. Also a Nursery will be provided for smaller children.

A special feature for the school on Monday is a moving picture for all who attend. The picture is entitled "In His Name." Every boy and girl in and around Clarendon is invited to attend this school.

Orchids For 750 Ladies

A large number of ladies, in fact 750 of them, will have the opportunity to wear a real, genuine orchid this coming Saturday, May 26, according to a statement being advertised by the Household Supply Company in a page advertisement in this issue of the Leader.

Mr. Bill Todd and Mr. J. G. McAnear, co-owners of the business, reported that the 750 lovely Aloha Queen Orchids would be flown from Hawaii to Amarillo and be here in ample time for their Open House showing of the Silver Anniversary Servel Gas Refrigerators Saturday morning. Turn to their advertisement in this issue of the Leader for full particulars regarding their Open House affair.

4-H CLUB MEMBERS MEET WITH COUNTY AGENT

Members of the 4-H Club met in the office of county agent H. M. Breedlove last Friday night and twenty members were present. Breedlove discussed the use of insecticides for the control of horn flies and stable flies. All 4-H club members will use DDT and lindane for the control of flies on livestock and around the farm buildings this summer. Bulletins were issued to the members on different types of farming, ranching and home gardening so that the boys can start them a library of farm publications by the A&M College Experiment stations. This will give them some good information at home to read in their spare time.

BAPTIST CHURCH HOMECOMING AT BRICE LAST SUNDAY

The Baptist Church at Brice observed homecoming Sunday with Sunday School at the regular hour and church services at 11 o'clock. Bro. Milton O. Evans of Skellytown was present to preach. Bro. Evans was formerly a pastor of the church. This was a community affair and a bountiful picnic lunch was spread at the noon hour.

Among those attending from Clarendon were Mr. and Mrs. W. M. Cross and family, Mr. and Mrs. J. G. McAnear and family, Mr. and Mrs. Bill Todd, Mrs. A. P. Todd, Mrs. M. L. Pittman and Mrs. Dewey Hendrix and Martin.

Mr. and Mrs. Claude Eudy and son and Mrs. Millican of Amarillo visited in the home of Mr. and Mrs. Bob Head Sunday.

Mr. and Mrs. Gordon Lee and son of Claude visited in the home of Mrs. E. W. Tyler Tuesday.

Last Rites Held Monday For Mrs. Boston

Final rites for Mrs. Sarah Georgia Boston, a pioneer resident of the Panhandle who died at her home in Amarillo Saturday, were held Monday afternoon in Boxwell Brothers Ivy Chapel with Dr. E. B. Fincher officiating. Interment was in Llano Cemetery.

Mrs. Boston, age 81, moved to Amarillo in 1939 after living for a long number of years on a farm near Hedley. She was the widow of J. R. Boston, who passed away in 1946.

Survivors include five sons, U. J. and L. C. Boston of Amarillo, W. M. Boston of Goodnight, P. T. Boston of Shamrock and Jerry Boston of Pampa; one daughter, Mrs. Otto Meyers of Childress, 17 grandchildren and 11 great-grandchildren.

GRADUATION EXERCISES AT CANYON MAY 28

Among those taking the traditional senior walk from the Panhandle Plains museum to the Administration building are a number of former Clarendon students. Mary Juanelle Stevenson is a candidate for a B. A. degree. Candidates for B. S. degrees are Anna B. Ballew, F. G. Crofford, Edna Lucille Dale, Weldon Eugene Day, Robert H. Naylor and Malcolm Darrell Proctor.

Notes from --- CITY HALL

Your city officials have been receiving several complaints in regard to livestock being allowed to run loose and roam over our city, and especially being allowed to graze in our City Park at night time. It has also been reported that some youngsters horseback riding, have been riding across lawns and flower gardens. The city ordinance prohibits livestock being allowed to run loose in our city. We are asking you people that have livestock to keep them in lots or somewhere on your own premises and not let them roam about as you are subject to any damage done and a fine, if and when found guilty of not complying with this ordinance. Let's be more careful and not allow this to happen any more. Thanks, Major B. Hudson, Mayor.

Youth Center News

Mr. Hinkle, age 83, passed away at his home here Saturday afternoon following a lengthy illness. He was a retired farmer and had been a resident of Donley County since 1907.

Survivors include his wife, six daughters, Mrs. Stella Goode, Mrs. Lloyd Reid, Mrs. C. C. Barker, all of Clarendon; Miss Ivy Dea Hinkle, Dumas; Mrs. Lawrence Watson, McLean; Miss Amy Hinkle, Muncie, Ind.; five sons, Jim, Raymond and R. V. Hinkle, all of Tahoka; Marvin of Portland, Oregon; Orville of Caldwell, Idaho; 28 grandchildren and 15 great-grandchildren.

Pallbearers were Al Dever, Roy Jenkins, Gordon Mann, Hollie Woods, L. M. Smith and H. G. Bobbitt.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

Cattlemen Meet With Congressman

By Lee Shaller, President Donley County Farm Bureau

In spite of the fact that it was impossible to obtain a definite hour with our Congressman, about 20 ranchers enjoyed a visit with him, from 5 to 6 o'clock Friday afternoon, in regard to meat roll back prices.

Mr. Rogers informed us just how firm DiSalle is in his belief in meat prices.

Mr. DiSalle as well as a number of the Eastern Congressmen, Senators and O.P.S. Committeemen, actually believe that all cattlemen, like all oil men, are wealthy, as the ones that have been to Washington to defend us are those that are able to pay their own expenses. That all we have to do, is go out and round-up the cows and calves in the fall, cut off the calves, and sell them. As an example, say they weighed 400 lbs. and brought 30c; of course every cow has a calf, with a good percentage of twins. That \$120.00 in their estimation is all profit. Take off 29% (\$34.80) which leaves \$85.20. It looks to DiSalle like any one could get along on that.

Mr. Rogers insists that he and other Congressmen and Senators need proof in figures, from cowmen, men who run yearlings, feeders, traders, small butchers; in other words, all phases of the cattle industry, showing how much it costs to produce the actual pounds per animal, in your particular case, in order to prove to those who have authority in O. P. S. what a 29% roll back in cattle prices really means.

Mr. Rogers also invites letters from housewives, expressing its effect upon their purchases.

He stressed that the purpose of his visit to the Panhandle was to gather facts, in order to properly present our problems.

He feels that too much time is being spent on the dismissal of MacArthur, while problems of more vital importance are being treated without proper investigation.

Congressman Rogers revealed that Representatives were anxious to slash economy; but when it diverted back to the area they themselves represent, some have been known to oppose.

Let's back our Congressman and give him the facts and figures of our individual problem. Address it to:

Honorable Walter Rogers Member of Congress 108 House Office, Washington, D. C.

Mr. and Mrs. John L. Norris of Midland visited the week end with her parents, Mr. and Mrs. H. T. Burton.

Mr. and Mrs. H. L. McElvany of Amarillo visited Sunday in the home of Mr. and Mrs. C. L. Benson and children.

Commencement Exercises Highlight Activities Tonight And Friday

ESTLACK SELECTED TO HEAD POSTMASTERS

The quarterly session of the postmasters and supervisors of the Texas Panhandle was held in the Federal building in Amarillo Saturday. This being the last meeting for the fiscal year, officers were elected for the coming year. Postmaster W. B. Weathered of Pampa presided.

J. C. Estlack, Clarendon postmaster, was elected president. D. V. Baker, supervisor in the Amarillo post office was selected as first vice president. Imogene Benton, Sunray postmaster was chosen second vice president. Arlo F. Kelly, supervisor in the Amarillo post office was chosen secretary-treasurer.

Post office inspectors are urged to attend these sessions where study and discussion is had of the problems that arise in the postal service. They also explain new rulings and changes recently made in the handling of postal matters.

These sessions are attended by practically every postmaster in the district for the knowledge to be gained, and for the fellowship. That includes both men and women in the service.

Following the sessions late Saturday, the gathering adjourned to enjoy a chicken fry at Myers Chicken Restaurant, a program of entertainment and fellowship.

Cryder Buys Skelton Drug

Announcement is being made in this issue of the Leader of the purchase of the Skelton Drug by Jimmie Cryder from L. H. Skelton. Mr. Cryder took over management of the business May 17.

Mr. Cryder was formerly with the personnel as a cook at Boys Ranch at Old Tascosa. He has been active in youth activities for a number of years and plans to cater to the younger set in his new business which will be known as the Sugar Bowl. He was employed as cook at Terry's Cafe prior to the purchase of the Skelton Drug. He will hold Open House at his new business this coming Saturday. For further particulars turn to his advertisement in this issue of the Leader.

H. M. BREEDLOVE ATTENDS COUNTY AGENT'S CONFERENCE

County Agent H. M. Breedlove attended a conference of county agents in district three at Wichita Falls from Monday through Wednesday of this week. J. A. Scofield, district agent, was in charge of the conference. Agents were brought up to date on the latest development at the experiment station of the Texas A&M College System and 4-H Club work was discussed and the district endorsement to be held in Wichita Falls in early August.

Farm labor appears to be a problem for this fall if we are lucky enough to make a big crop or even a normal crop. Many young men have joined the armed forces and most of our harvest labor will come from the lower part of the state.

Meetings are held of this type quite often to keep county agents up on the latest developments to take home to the people in their counties.

BAND AND ORCHESTRA PARENTS MEET

Members of the Band and Orchestra parents organization met at the Band Hall Monday night. Mrs. J. G. McAnear, president, presided. All pending business matters were taken up as this was the final meeting of the school year.

The following officers were elected for the school year, 1951-52: W. A. Riney, President; Mrs. W. W. Sandifer, Vice President; W. W. Sandifer, Secretary-Treasurer; Mrs. G. W. Estlack, Reporter.

The past week has been quite busy for both students and teachers in preparation for the various school activities that come at this time of year. The Baccalaureate Service was held Sunday evening at the gym with a large crowd in attendance even though a blustery cloud with a heavy downpour of rain blew in only a short time before the program was to begin. Next on the program was the Senior Class night which was held Wednesday night. Alice McCrary, daughter of Mr. and Mrs. Forrest McCrary, gave the valedictory address and Miss Mary Edna Elmore, daughter of Mr. and Mrs. Fontayne Elmore, gave the salutatory address.

Tonight, twenty-five Jr. College students will receive their diplomas during the commencement exercises which will be held at the gym at 8 p. m. The main address of the evening will be given by C. J. Humphrey of Amarillo. Mr. Humphrey has the reputation of being a very good speaker and many are looking forward to hearing him address this graduating group tonight.

Next on the program will be the Jr. High graduation exercises which will be held in the Jr. High auditorium Friday morning at 10 o'clock. There will be 58 in this class to receive their diplomas.

Friday evening at 8 p. m. in the gym, Mr. W. B. Weathered of Pampa will address the High School Seniors. Mr. Weathered needs very little introduction due to his former connections and frequent visits here. At the present time he is Postmaster at Pampa. There will be thirty-one to receive their diplomas at this commencement exercise.

Plan to attend all of the commencement exercises if you can. These will be great moments in the lives of our young people who will be graduating, and your presence will make each event mean more to each individual student of each graduating class. The receiving of their diplomas will mean that they have completed the prescribed school studies necessary for them to be able to pass on to a higher school of learning or out into the fields of every day life.

Sunshine Needed, But Very Few Fussing About The Rains

According to the official weather station at the airport, this vicinity has received 5.29 inches of moisture since Wednesday, May 16. The unofficial total here in town was 6.25 inches and other sections of the county have measured up to eight inches or over as the rain fell as spotted showers or heavy downfall causing the moisture total to vary within a mile's distance. Most of the above amount was received Thursday and Friday. The shower Sunday netted .30 inch and the rain and hail Monday totaled .60 inch. The total for the month of May stands at 5.42 and the year's official total is 7.95 according to Mrs. Edna Smith at the airport.

The shower Monday evening was accompanied by hail in some sections. The Brice area received a damaging hail and heavy hail was reported in the Ashtola vicinity.

Farmers and ranchers have rejoiced over this bountiful supply of moisture and even though they are being held out of their fields, very few are complaining about the additional showers. They are eager to see more sunshine so they can put in those long hours planting what everyone hopes will be a bumper crop.

GRADUATES AT SHERMAN

Mr. and Mrs. J. H. Howze will leave Saturday to attend graduation exercises at Austin College in Sherman Monday. Their son, Jimmy Dean Howze will be a member of the graduating class receiving his B. A. degree. He has a major in Commercial Art and a minor in Education.

Gabie Betts Burton Library Notes

By May L. Prewitt

This week has been over flowing with efforts to secure the books that have failed to be checked in when due. If these people who abuse the privilege of using Library books could pay for overtime the problem would not be so serious, for I've walked many blocks, driven to some places and used precious postage, and all of the books are not in.

We shall have to suspend some from the reading list as loss and carelessness has become a problem in dealing with quite a few.

The children's List is for the little tots - pre primers and primers that will be new to them.

"Grey Kitten and Her Friends," "Sing Canary Sing," "Elsie Elephant," "Three of Us," and "In Come Pinkie."

We received some complimentary volumes I and II of "Selected Writings of Bolivar." This work was conceived by Vicente Lecuna and is sponsored by the Bank of Venezuela. The translation is by Lewis Bertrand. This material is from 1810 to 1830. The books are attractive but I have not read them. They are 1951 publications mailed direct from the publisher.

Wilbur Shaw thinks so much of this new Chrysler, he has selected it as Pace Car for the 1951 Indianapolis 500-mile race.

WILBUR SHAW, AMERICA'S MOST FAMOUS DRIVER, DRIVES NEW 1951 CHRYSLER—REPORTS TO YOU ON REVOLUTIONARY FIREPOWER ENGINE AND HYDRAGUIDE POWER STEERING

Here are Wilbur Shaw's reactions—in his own words—as taken down by a recording machine in the car:

"The '51 Chrysler has it! With this new engine and power steering, the first on any U.S. car, it's a whole of an automobile.

"I'm completely bowled over by the ease of steering! "This steering combined with the automatic trans-

mission . . . is the nearest thing to an automatic pilot for a car I can possibly imagine.

"This engine . . . I can't get over the amount of power and snap in this engine . . . it's incredible! "I drove 111 miles with the feeling I had expended no more effort than in driving around the block.

"When Mrs. Shaw drove, her comments just about squared with mine. Here's what she thinks of the 1951 Chrysler . . ."

Mrs. Shaw: "At first I could hardly believe the ease with which I could turn the wheel. That's important . . . especially in the summertime.

"Often after I have parked a car in the average parking space, I feel I should taxi home, shower and get dressed again. But with Hydraguide Power Steering I parked it with one hand. It practically drives itself."

Wilbur Shaw: "It's hard to describe this new Chrysler without going off the deep end . . . it has it in every department.

"In fact, I think so much of this car, I've selected it as Pace Car of the 1951 Indianapolis 500-mile race!" (Mr. Shaw's comments are reprinted through the courtesy of Popular Science Magazine.)

Sybil Louise Head, Tom E. Hafer, Jr., United In Marriage

Mr. and Mrs. Bobbie Neal Head of Clarendon, Texas announce the marriage of their daughter, Sybil Louise, to Tom E. Hafer, Jr., son of Mr. and Mrs. Tom Hafer of Dallas, Texas on May 12, 1951 at 5:00 o'clock in the Park Cities Baptist Church of Dallas, Texas with Reverend Hugh Howard performing the impressive double ring ceremony.

Mrs. Grady Tyler of Clarendon, matron of honor, wore a brown sheer dress and white accessories complemented by a corsage of red roses.

Given in marriage by Grady Tyler the bride chose for her wedding a Baby pink linen dress accented with eyelet embroidery. White accessories complemented her ensemble. She carried a white Bible topped with a nosegay of white gardenias showered with cornations and satin streamers tied with lovers knots. She wore the traditional "Something old, something new, something borrowed and something blue with a penny in her shoe."

Royal Carpenter of Dallas served as best man.

Following the ceremony there was a Bridal Party at "Pappy's" of Dallas.

Mrs. Hafer is a graduate of Clarendon High School and Clarendon Junior College. She is now attending Southern Methodist University working on her B. S. degree and is a member of the Sigma Kappa Sorority, Women's Self Governing Board and President of Tower Hall.

Mr. Hafer is a graduate of Highland Park High School and attended Southern Methodist University before and after serving in the Armed Service for a

while. He is a member of the Delta Sigma Phi Fraternity.

The couple will make their home in Dallas where Mr. Hafer is manager of the Dallas Soda Fountain Company.

DAVIS-PORTER

Miss Carrie Davis and Mr. J. R. Porter were united in marriage Sunday, May 13 at the Methodist parsonage here with Rev. John A. English performing the ceremony.

Following the ceremony the couple left on a wedding trip which included various points of interest along the Texas Gulf. They returned home Sunday.

NORMA BOBBITT PUTMAN HONORED FRIDAY WITH BRIDAL SHOWER

A bridal shower was given Friday, May 4th in honor of Norma Bobbitt Putman, bride of Mr. L. M. Putman Jr. The shower was given at the Allen Hotel by the hostesses.

Refreshments were served from a table covered with an ecru lace table cloth and a centerpiece of pink asters. Pink napkins with navy blue letters spelling out bride and grooms names were used. Pink and navy blue were the brides chosen colors. Decoration was arranged by Miss Margie Harlan.

In the receiving line were Mrs. Norma Putman, wearing a pink orchid, Mrs. H. G. Bobbitt and Mrs. L. M. Putman Sr., wearing a corsage of white gardenias presented by hostesses.

Punch was served the guests by Miss Doris Crawford.

Presiding at the piano were Miss Fanchon Allred and Miss Shirley Morris who played favorite selections throughout the afternoon.

Many guests called or left gifts during the evening.

MRS. TOM E. HAFER, JR.

BIRTHDAY PARTY

Mrs. G. A. Lambreth entertained with a party honoring her daughter, Linda, on her 12th birthday. The party was given at the Canteen Friday night. The hall was decorated in orchid and white. Assisting Mrs. Lambreth with the party were Ronnie Lambreth, Alice McCrary and Betty Phillips. The group danced and played games.

Refreshments of coles, cake and ice cream were served to the honoree, Linda Lambreth, and Beth Lambreth, Joyce Crutchfield, Joyce Hall, Linda Borden, Nedra Hodge, Jinna Sue Bain, Joyce Eddings, Carolyn Thomas, Shirley Chilton, Kay Clemens of Amarillo, Thelma Hudson, Callie Rowe, Gene Alderson, Leo Luttrell, Navarre Bain, Donald Adams, Keith Pittman, Wesley Knorpp, Monty Imbordino, Spud

FARM NEWS

From the County PMA Committee

FAMILY FARM IMPORTANT IN MOBILIZATION

In the world struggle for men's minds, it is imperative that the American family farm system be built to its greatest strength. Under Secretary of Agriculture Clarence J. McCormick said recently. "It is one of the main exhibits of democracy and of the American way of life."

Pointing out that about 98 percent of our farms in this country are family farms, the Under Secretary stated that the opportunities for expanding production are particularly great among the smaller farming units which are producing less efficiently than is possible. This increased production can also be obtained during the defense emergency without too heavy a drain on scarce manpower.

Mr. McCormick said that a survey is now under way to find out how well or how poorly the various agencies of the Agriculture Department are now serving family farmers. When completed, this report will be submitted to the field for recommendations, which will ultimately be correlated into a national program.

"We know that we are undertaking a big job in trying to review on a national scale—the relation of our agricultural policies and programs to the family farm," the Under Secretary stated. "But we believe, in the light of the national emergency, that the effort will prove more than worthwhile. It is a program essential to our over-all economic mobilization and to the basic strengthening of democracy."

MORE OF BOTH GRASS AND GRAIN NEEDED

There is nothing inconsistent in calling on the farmers of Donley County to produce more feed grain and at the same time encouraging better pastures and hayland.

In support of this, a recent statement made by William A. Minor, Assistant to the Secretary of Agriculture is quoted below:

"In striving for abundance, there is no simple or single answer. It isn't a question which can be reduced to an either-or choice of grass or grain. We need both. Our goal, in fact, is to use every acre so that it contributes its full share."

"Grasslands offer a contribution which pays off twice—first, by making a net increase in livestock feed from pasture, hay and silage for meat, milk and other products, and, second, by guaranteeing richer yields for corn, cotton, and other crops by employing grasses and legumes in sound rotations."

"The first can ease the pressure which the growth in livestock number, particularly the forage consuming animals, beef and dairy cattle and sheep, is laying upon the Nation's supply of grain. Grasslands improvement, moreover, is one means of providing the feed supply essential to keeping cattle and sheep production on the rise. The second is fundamentally food and fiber insurance which will become increasingly valuable as the present emergency is extended into the future."

"Under these circumstances, there is nothing inconsistent in advancing a grasslands program at this time. Better grasslands for America will help lift farm production into more lasting balance with the present and future needs of the Nation—for an adequate diet at home and for a safe balance in food reserve to share with famine-stricken nations overseas."

IMPROVING PASTURES CONSERVES FEED GRAIN

"A penny saved is a penny earned." The old adage has a special meaning at this time for farmers of Donley County in connection with current feed reserves.

The big problem this year is to produce all the feed grain we can and at the same time make our reserves go as far as they will by making maximum use of our pasture and hayland. This does not mean cutting down on livestock production through reduced feeding but it does mean checking waste and using available feed efficiently.

Through improving pastures, a considerable saving in feed grain can be made. "Every pound of meat and quart of milk that can be produced from pasture is that much grain saved. In the face of increasing livestock numbers and stepped-up feeding operations, there is need for making the best possible use of all sources of livestock feed."

For this reason, pasture improvement practices are receiving special emphasis in Donley County this year in the Agricultural Conservation Program, both to provide feed and to protect the land.

Scout Troop 37 Will Attend Adobe Walls Council June 10-16

The Clarendon American Legion's Boy Scout Troop 37 will attend the Adobe Walls Council's Camp Ki-O-Wah for one week, June 10-16. To date, reservations for 14 Scouts have been sent to the Council Office.

Some of the parents of Scouts in Clarendon have expressed reluctance in allowing their sons to attend Camp, and the following information is offered as an attempt to answer some of the questions which may have caused doubt in the minds of these parents.

FOOD—The unwritten thirteenth Scout Law is: "A Scout is Hungry". The meals at Camp Ki-O-Wah are prepared under the most modern and clean conditions by Mr. Scofield, who has been cook at Camp for the past seven seasons. Perishable foods are stored under electric refrigeration, and menus are prepared with the highest nutritional values, and the appetites of young Scouts, in mind.

SHELTER—The Scouts camp, by Troops, in 8 x 10 wall tents which are pitched on wooden platforms. Three boys are quartered in each tent. The floors make it possible for the Scouts to keep off the ground when it is wet. In case of very bad weather the Scouts are kept in the Dining Lodge until the skies clear sufficiently to allow them to return to their tents.

HEALTH—Each Scout and leader is required to have a physical examination before he leaves for Camp, and then is given a re-check by a physician when he checks in at Camp Ki-O-Wah. Any recommendations made by the re-check Doctor are followed to the letter. In case of serious illness or injury the Scout is taken to the hospital in Canadian, and his parents notified immediately.

ACTIVITIES—Outdoors all of the time possible. Archery range, rifle range, activities yard (for Scouting advancement) and the waterfront area are under constant, qualified, adult guidance and leadership. All rules of safety are strictly adhered to.

ASSOCIATIONS—The finest. Each Troop is required to have an adult, approved by the Troop Committee (Scoutmaster or other), in attendance at Camp Ki-O-Wah during the whole time the Troop is in Camp. Scouts meet other Scouts from towns covering a 15-county area—eat in the same Dining Lodge with them, sit and sing around the campfire with them. The Camp Staff is headed by a corps of three Professional Scouters, especially trained for this work, and the members of the Junior Staff have been carefully screened before their selection. The Scout Oath and Scout Law are the Law of the Camp.

VISITORS—Parents and friends of the Scouts in camp are urged to visit Camp Ki-O-Wah on Thursday evening of each week, however, the camp will not be able to provide meals for the visitors, and suggests that they either eat in Canadian before coming out to Camp, or bring a picnic supper with them.

THE DONLEY COUNTY LEADER

PAGE FIVE

Camp Ki-O-Wah is the "high point" of a Scout's year. It is the culmination of all the overnight and weekend camping he has done during the year. It is the time when he can test all of the skills he has learned about living in the open. From the standpoint of sheer pleasure and enjoyment, to a Scout, it is tops. In the teaching of the skills of living with others, citizenship, and all the things that good Scouting stands for, it is the ideal.

Folks, don't disappoint your son—it's Camp Ki-O-Wah time!

HOW FREEDOM RINGS

America's 42 million telephones present overpowering evidence of freedom of speech in this country. Here is an immense highway of communication far greater than the combined telephone systems of the rest of the world. Here, too, is stirring evidence of what private enterprise, dedicated to public service can do.

Surely no other system should challenge our method unless it is prepared to do better. History has shown they can't, even at the cost of sacrificing human liberty. Surely, then, freedom, free enterprise and achievement go hand in hand.

PICK A DODGE "Job-Rated" PICK-UP

Prize Winner ON EVERY COUNT!

ONLY Dodge Trucks offer glycol Fluid Drive!

Before you buy any pick-up, let us give you a demonstration in a Dodge with Fluid Drive! You'll discover driving ease, convenience, load protection, and safety offered by no other pick-up.

Only Dodge has it! This Dodge exclusive—available on 3/4, 1-ton "Job-Rated" trucks—saves wear and tear on more than 80 vital parts. It reduces repairs... lengthens truck life. It makes driving easier... protects your load. It helps avoid wheel-spinning... increases tire mileage.

•FIRST in Load Space!

Haul more payload with a Dodge 3/4-ton pick-up. Take your choice of a low-side body with 31.41 cu.-ft. capacity or an optional high-side body with 44.16 cu.-ft. capacity—more load space than any other popular pick-up of comparable wheelbase. These trucks also have lower loading heights to save work, time.

WINNER in Visibility!

Drive in safety—with the biggest windshield of any popular make! Enjoy wide, clear, forward vision through an area of more than 900 square inches. You'll get a good close-up of the road—with the new, lower hood line. You'll have excellent side- and rear-visibility, too!

CHAMP in Easy Handling!

It's a cinch to maneuver, park, and drive these pick-ups in traffic! They turn sharper than comparable trucks—because Dodge gives you cross-steering, wide front tread, and short wheelbase. They steer easier, too, thanks to the worm-and-roller steering gears and a new, more comfortable steering wheel angle. Try 'em and see!

TOPS in Plus Features!

Only Dodge gives you all these extra-value features: Revolutionary new "Oriflow" shock absorbers for matchless riding comfort on any road. Four-ring pistons with chrome-plated top ring for dependability and economy. Exhaust valve seats insert to reduce valve grinding. Moistureproof ignition. Wide running boards for safe footing. 45-ampere generator. Independent hand brake. Two fuel filters. Heavy-duty radiator.

Come in Today FOR THE RIGHT DEAL AT THE RIGHT PRICE! EASY TERMS!

Sears-Roebuck & Co. Makes Possible Ten Scholarships to A&M College Next Year

COLLEGE STATION—Ten of the most promising 1951 graduates of Texas high schools will get their chance to study Agriculture at the A&M College of Texas next year as the result of a gift to the college from the Sears-Roebuck Foundation of Chicago. A check for \$2,000, representing the first of such annual gifts to be made on a continuing basis, was presented to the college scholarship funds by C. E. Roberts, Dallas, vice-president for the southwestern territory of Sears-Roebuck and Company, at a luncheon in the A&M College Memorial Student Center, May 16. It was accepted by Cancellor Gibb Gilchrist of the Texas A & M College System.

The funds were given to enable A&M to offer financial aid to outstanding Texas high school graduates who wish to study Agriculture and do not have sufficient money to enter college. Details of the awards are being worked out by college officials, along the lines of their established program of Opportunity Awards.

Sgt. 1/c R. A. Beverly and Pfc. Jiggs Mann arrived by plane in Amarillo Saturday afternoon and are spending a 10 day furlough with their parents. Both are stationed at Ft. Leonard Wood, Missouri.

Couple Celebrates Golden Wedding Anniversary

Mr. and Mrs. J. T. Patman celebrated their Golden Wedding anniversary with Open House and a reception in their home Sunday afternoon from 3 o'clock until 5 o'clock. The house was decorated with many beautiful floral arrangements.

In the receiving line were a part of the original wedding party, Mr. and Mrs. J. T. Patman, Mrs. Relva Vaughn Ingham of Texhoma, Okla., a bridesmaid; Crockett Taylor, a groomsmen; and Allen Beville of Amarillo, a flower boy. Others in the receiving line were James Patman, Mrs. Evelyn Price, Mrs. J. T. Patman, Mantie Graves, and Tom Patman.

Receiving at the door, the first hour was Bill Patman. Allen Patman received the second hour. Mrs. Bill Patman and Mrs. Milton Shaver presided over the guest book the first and second hours respectively.

A picture of Mr. and Mrs. Patman as bride and groom was displayed on the desk. Gifts of the present and wedding gifts of 50 years ago were presided over by Mrs. Walter Taylor and Mrs. A. G. Lane. For the reception Mrs. Patman chose a dress of plum colored sheer complemented with a purple orchid.

Guests were invited into the dining room by Mrs. Van Kennedy the first hour and Ardis Patman the second hour. The table was beautifully laid with a lace cloth. The centerpiece was made up of an arrangement of yellow roses, yellow daisies, and yellow jasmine, and was flanked with six golden candles. The napkins were yellow with gold, inscribed 1901—The Patmans 1951. Mrs. Allen Patman of Borger poured the first hour with Mrs. Ernest Kelly of Borger pouring the second hour. Both are nieces of the bride and groom.

Others assisting in the dining room were Mrs. Tom Murphy, Emily Engle of Borger, Mrs. Bob Word, Mrs. Maurice Lane, Shirley Price of Astoria, Ill., a granddaughter, and Bonnie Holt of St.

Louis, Missouri. The girls wore pastel dresses with yellow daisy wristlets. Assisting with the serving were Mrs. Crockett Taylor and Mrs. Phil Engle of Borger.

About 250 guests called in the afternoon. Out-of-town guests registered from Amarillo, Claude,

Borger, Pampa, Groom, San Antonio, Los Angeles, Canyon, Memphis, Carlsbad, N. Mex. and Lubbock.

Members of the immediate family, who do not live in Clarendon, present were Mr. and Mrs. James Patman and son, Tom, of

Hume, Mo.; Mrs. W. H. Price and Shirley Price of Astoria, Ill.; Bonnie Holt of St. Louis, Mo.; Mrs. B. O. McCreless, formerly Ruth Gage, of San Antonio; and Mr. and Mrs. Geo. Archer of Norwalk, Calif. Both Shirley Price and Bonnie Holt are students at

Linwood College, St. Charles, Mo.

Mrs. B. R. Flowers of Hereford who has been visiting in the home of her daughter, Mrs. G. W. Bradshaw, is recovering from a major operation in Goodall Hospital in Memphis.

Mrs. J. L. Allison returned home Saturday from McLean where she visited with her son, Clifford Allison and family.

Sgt. 1/c R. A. Beverly attended the Shriners spring ceremonial in Amarillo Monday.

Vol. 2 No. 33 LELIA LAKE SCHOOL NEWS May 24, 1951

JR.-SR. CLASSES TO LEAVE FOR COLORADO SATURDAY

The junior and senior classes will leave for their annual school trip Saturday, May 26th. Mr. and Mrs. Craig Johnson will sponsor the classes and Billy Hill will drive the bus.

much larger this year than last, but the group will also be considerably larger.

The bus will leave at 5 a. m. Saturday morning and providing there is no trouble, it will arrive in Colorado Springs, Colorado, Saturday afternoon.

This will make the third year for Lelia Lake seniors to go to

Colorado, but an entirely different schedule has been planned.

With exceptions of only a few all the group will be able to make the trip.

SENIORS MAKE PLANS TO ATTEND COLLEGE

Plans made by seniors do not always survive, but in hopes that the following do we print them for you to read.

Ralph Ayers, plans to spend the next year or two in college, later maybe after he has been to see his Uncle Sam, to settle down on a ranch of his own.

Shirley Aten plans to enter business college in the summer after completing her course there she hopes to establish herself with a job in Amarillo.

Bobbie Seago plans to enter college in the summer at West Texas State. After college in Canyon she plans to go to another college to prepare herself for religious work.

Keith Reed plans to start to school at the University of Texas next fall. After that he would like to do some kind of radio

work.

Benny Darnell's plans involve college in Clarendon next year. Then maybe Uncle Sam will be ready for his visit.

J. L. Williams plans to go to college, but as yet the place hasn't been chosen.

Kenneth Wilkinson already has a scholarship to Clarendon for basketball. After school in Clarendon, he wishes to become a farmer.

BACCALAUREATE SERVICES HELD SUNDAY AT GYM

Another school year has ended and another Baccalaureate Service was held Sunday night, May 20.

The Rev. Ernest Phillips gave the Baccalaureate sermon. The choir sang "Awakening Chorus," "Praise God From Whom All Blessings Flow," "Lord's Prayer," and "Holy, Holy, Holy."

Marilyn Butler and Harold Gerner escorted the seniors in the processional and recessional. The seniors were, Bobbie Seago, Shirley Aten, Ralph Ayers, Keith Reed, J. L. Williams, Kenneth

Wilkinson and Benny Darnell.

SENIORS HAVE BIG DAY BACCALAUREATE SUNDAY

Mrs. Nelson Seago and Mrs. Quinn Aten honored the seniors and high school teachers with a breakfast, in the Aten home, Sunday morning at 8:00.

This was the beginning of the Senior's Day for the seniors.

A delicious dinner was enjoyed by the seniors and high school teachers at noon Sunday, which was given by Mrs. Pete Darnell and Mrs. Clarence Ayers in the home of the Ayers.

Mrs. Wilkinson, Mrs. Williams, and Mrs. Reed then gave a dinner Sunday night at the Reed home.

COMMENCEMENT EXERCISES TO BE HELD FRIDAY, 8 P. M.

Commencement exercises for the 1951 Seniors will be held in the Lelia Lake High School Gymnasium, Friday, May 25, at 8 p. m.

A chorus of songs will be sung and the valedictory speech will be given by Bobbie Nell Seago. The salutatory speech is to be given by Shirley Aten.

High School diplomas will be presented to the following: Keith

Reed, Shirley Aten, J. L. Williams, Benny Darnell, Bobbie Seago, Kenneth Wilkinson and Ralph Ayers.

Everyone is cordially invited to attend.

AN EDITORIAL (Bobbie Seago)

We, the seniors of 1951, dedicate this to everyone concerned.

There comes a time in everyone's life when some changes have to be made. Now we are at one of those changes. This possibly will be one of the greatest changes we will ever witness.

For the last four years our lives have been centered mainly around our high school. Yes, we of course, have done many things that didn't concern school, but the greatest part of our time has been spent in school, or in some school activity.

On May 25, 1951, we will be stepping out of those glorious years, into a time that will be completely different. Most of us say we are very happy to be stepping out of the "hole" as we some times might call it, but when the first of September comes next year, I'm sure there will be a certain amount of loneliness. We may be entering college, but still college couldn't mean the same as does the place

we have been accustomed to. The first of September will not be the only time we will have a sort of left-out-feeling. When basketball season comes, and maybe we come back for a game, we will begin to have the same kind of feeling we did when Coach benched us during a game. A longing to be back out there once more. This time we would do certain things better. During our high school days Coach did put us back on after a while, but this time he won't. We will be playing a different kind of game.

Yes, our high school days have meant so very much to us. We can never say thanks to you enough — you the people who have worked in order that we might have the opportunities that we have.

Donley County Leader, \$2.50 a Year.

Clarendon Furniture Co.

Everyone should read the first article in the June Reader's Digest; entitled "The Moral Threat To America" by Senator Fulbright, Democrat from Arkansas, member of the committee looking

into the influence peddlers in Washington. The sad part of it is that much of the trouble is beyond the reach of a law if we had one. It is in the attitude and heart of so many folks from the lowest office to the highest, and the ones in office are not the only ones that are guilty. We, the man on the street are just as guilty as the one in office if we approach them with an offer to buy their influence. But what man among us has not heard someone say: "I knew the mayor in that town" or "I know the cop on that beat," or "I voted for him for commissioner; surely he will do that for me." If we will stop

and think we will know that this thing that we so many times "cuss" Washington for is being born daily in the hearts of so many of us here at home. Anyway, don't fail to read this impartial article written by one that is in on the investigation of crime in our government and among our people.

Last week I saw one of my friends coming down the street; he had a tooth pick in each corner of his mouth and was chewing gum, fit to kill, and I knew he must be a new member for my Club. Sure enough it was, and I am sending a card and a lot of best wishes along to Carl Neely. Glad to have you.

Uncle Jay seemed to fail to appreciate the beautiful poem that I so poured my heart into about him last week. That's gratitude for you. Anyhow, he threatened to write a sonnet about me and I will be looking forward to it, and will be glad to publish it in my column. Rather than being fussed at about it, a lot of my readers thought that I

should have received a box of candy from his Plov Co. Looks like I have been "Chiseled" out of something.

I think most merchants have just about finished marking up their wares to the point that the OPS rolled the prices back. In most stores it seems that about 7 out of 10 items were allowed to be marked up under the roll back. Of course this will not help the merchant for he will have to hire another clerk to keep up with all the red tape. It wouldn't help the consumer if the odds were reversed because the roll back experts that will be employed to enforce the order would eat up in taxes more than it would ever save.

You just have to hand it to the cattle men. On the whole they are fighters for what they think is right. We will have to admit that of the groups that have had their hands held out to Washington for a handout they have asked for the least. They have tried to fight their own battles and in the main have wanted the gov-

ernment to leave them alone. They have been willing to take the ups and downs along with the good. On the whole they are men that love to take a chance. They like to bid against each other for the cattle; feed them and care for them and try to bring back cattle that will out-sell their neighbor. Kill this spirit of sportsmanship and of "Trading" and you go a long way in killing the production so needed in this trying time. Anyway, hats off to a group of folks with the courage of their convictions, and

the "Stickability" to weather the storms and come out smiling and fighting for the things they think are right.

"Be good, get good, and do good. Do all the good you can; in all the ways you can; as often as you can; and as long as you can."—Spurgeon.

I find earth not gray, but rosy—Heaven not grim, but fair of hue. Do I stoop? I pluck a posy Do I stand and stare? All's blue. —Browning.

Anyway, if we can look with

real love upon the world it is beautiful. Boys and girls, friends, flowers, work to do, loved ones, and above all else a Creator who loves us.

Don't worry, Mary, pop doesn't really give the bride away. If he did, none of the girls would ever get married.

How can you Tell till you Try It?

THE days and weeks are slipping by—and what have you done about it?
What have you done to find out how it feels to handle a high-powered and high-spirited '51 Buick?
We'll tell you this. In all the years that Buick has been building fine automobiles, there's never been the match for this one.
This is a car that likes to be compared—for power, for performance, for ease of control, for ride, and room, and comfort.
We can tell you its valve-in-head Fireball power sinks you back in the cushions at the touch of your toe.
We can tell you it's nimble-footed in

traffic, or that it conquers hills with smooth and exultant momentum.
We can tell you it hugs the road and holds the curves as if it were drawn by an invisible magnet.
We can tell you that it has big, soft coil springs on all four wheels—or that its gas mileage will put a smile on your face.
We can tell you that Dynaflo Drive*
No other car provides all this:
DYNAFLOW DRIVE* • FIREBALL POWER
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
4-WHEEL COIL SPRINGING • DUAL VENTILATION

will spoil you for any other type of power transmission.
But you'll never know till you try for yourself what all this really means.
How about coming in for a sample? Once you've experienced all this for yourself, the modest price tags on Buick SPECIALS, SUPERS or ROADMASTERS will look like a double bargain.
