Governor Allan Shivers and Secretary of State John Ben Shepperd discuss the 1952 Heart Fund campaigns now being conducted in many Texas counties.

To Preach Sunday At First Baptist Church

REV. HOWARD E. SCOTT

Rev. Howard E. Scott will be in the pulpit of the First Baptist Church Sunday morning and Sunday night.

Community Clinic To Be Held Tomorrow

THE BACK YARD

EDITOR'S NOTE—The following is a reprint from a recent issue of the United Business Service.

As I read the President's Budget Message—assigning billions for this and billions for that—I just couldn't help wondering whether Mr. Truman, or anyone else for that matter, can fully comprehend such stupendous figures—can realize the difference between millions and billions.

Well, for your information, the difference between a million and a billion is quite something. For instance, I am told that a million dollars in crisp new \$1000 bills, laid one on top of the other, would make a pile eight inches high.

Or if that doesn't quite register, just get out your pencil and work this little schoolboy problem in arithmetic.

Part "A"—A business man with a bank account of a million dollars runs a factory with payroll and expenses of \$1000 a day. How long can he keep the factory going without any further income?

There, gentlemen, is what a Billion dollars really is.

MARTIN
Mrs. W. H. Morrow
There was a good crowd out at church Sunday. This week is missionary week. Bro. Sewell H. Farrell gave a talk on missions Sunday morning. Mrs. Rex Ray who has been in China for 32 years gave a very interesting talk Sunday night.

Comforting Assurance

THOSE who attend a funeral, directed by us, are comforted by the thought that the service is in capable hands.

Competence, like fine quality, asserts itself quietly. It unobtrusively exercises the authority that comes from proper training and wide experience.

Seek our counsel as freely as it is offered.

At your convenience ask about our insurance which we have to offer, both Burial and Cash Policies.

Murphy-Spicer Funeral Directors
Phone 160 for Ambulance Service

visited Mrs. R. W. Reed at Amarillo Sunday.

Mr. and Mrs. Harold Childes of Amarillo visited over the week end in the Chester Talley home.

FEEDING TIME AT OAK RIDGE — A workman places an aluminum-jacketed uranium slug in a fuel channel opening of one of the graphite reactors that make up the atomic pile at Oak Ridge, Tenn. The natural uranium slugs, like the one being inserted above, weigh 2.57 pounds each and are four inches long.

And the birthrate continues to climb. In 1950, live births numbered 203,678, and the number for 1951 will exceed that figure.

In addition to the birthrate, educators worry about the size of the graduating class as compared to the number of children entering first grade. For instance, this year 156,000 youngsters crowded into first grade rooms over the state, but only 90,000 graduated from the eighth grade. This left already over-burdened teachers with 66,000 additional children to accommodate in one year.

"The gain is going to continue to increase until at least the 1956-57 school year, Tennyson added. "By that time, the elementary schools must take care of 300,000 children in addition to the ones now enrolled. If 75 per cent of this number enters public schools, it will mean 854 additional classrooms."

Texas needs to spend \$540,294,500 to bring school buildings, facilities, sites and buses up to ideal conditions.

After the 1956-57 school year, the elementary enrollment over the state should begin to level off, but high schools will then face the problems of increased enrollment.

Texas does not face the educational alone. A nose count among elementary children over the entire nation showed that grade school population rose nearly three million from 1947 to 1950. In October 1950, the U. S. Census Bureau reported that enrollment in all schools and colleges was at an all time high of slightly over 30 million persons. This represents a fifth of the nation's total population and half of the population between 5 and 29 years of age.

NOTICE

I hear some one has been soliciting in town for the Baptist Church (colored). We have no one soliciting and have not since 1944 or 45, and if we ever do that we will have the mayor of this town to head our list.

Miller home in honor of Billy Lee and Joe Tom.

Texas Schools Facing One of The Most Critical Period In Their History

AUSTIN — Texas schools are facing one of the most critical periods in their history, Charles H. Tennyson, executive secretary of the Texas State Teachers Association, said today as he outlined pressing needs for new buildings and more teachers over the entire state.

The school population, particularly on the elementary level, is growing at an alarming rate, he pointed out. For example, births in Texas in 1945—this year's first graders—numbered 156,000. In 1947, births in the Lone Star State jumped to 197,000, an increase of 65,000. If this additional group could be divided into classes of 30 children each, Texas would still need 2100 additional teachers and classrooms in just the first and second grades.

JUNIOR BEAUX ARTS CLUB

The Junior Beaux Arts met Tuesday, February 19, in the home of Mr. and Mrs. Harold Bugbee. The business meeting was called to order by the president, Ramona Rhea. After a brief but important discussion was completed, a delightfully entertaining program was given to the members by Mr. Harold Bugbee. He showed them many beautiful paintings of his as well as other famous artists and explained his work; many interesting stories were told to the members. A picture was taken of the group by a Clarion Staff photographer for the school paper.

Delicious refreshments of hot tea, cake with whipped cream, and candy were served to Miss Mary Howren, Miss Lucille Polk, Ramona Rhea, JoAnne Sibley, June Star Allred, Sandra Jo Bownds, Mary Lou Barker, Shirley Ann Morris, Sue Smith, Lou Smith, Vivian Newberry, Clara Hahn, and the charming host and hostess, Mr. and Mrs. Harold Bugbee.

—Mary Lou Barker, Reporter

THE NEEDLE CLUB

The Needle Club met February 14 with Mrs. Ira Self as hostess. The evening was spent visiting and crocheting. Lovely refreshments were served to visitors, Mrs. Garth Carter and baby Johnny and to members, Mmes. Oren Holt, Ross Darby, Gilbert Mann, Amel Carter, Carl Barker, Henry Mann, Harvey Shaw and hostess, Mrs. Ira Self.

The next meeting will meet with Mrs. Harvey Shaw, March 13th.

Mr. and Mrs. Jack Semrad and Paula Beth of Amarillo visited last week in the John Semrad home.

1926 BOOK CLUB

Mrs. Frank White, Jr. entertained members of the 1926 Book Club in her home Tuesday afternoon. Miss Lucile Polk was assisting hostess. Mrs. Thelma Darden presided in the absence of the president, Mrs. Lewis.

The program was presented by Mrs. Clyde Hudson who gave a delightful review of the book, "No High Abode" by Dorothy L. Pillsbury.

Refreshments were served from a table beautifully laid with a linen cloth and a centerpiece of violets. Mrs. Thelma Darden presided at the silver service.

Guests present were Mesdames Oscar Thomas, Jack Brooks, Glenn Hoggatt, Larry Grundy, B. H. Clark, Bill Cushing, and Miss Chloe Darden. Members attending were Mesdames B. C. Antrobus, C. E. Bairfield, Homer Bones, L. N. Cox, Marguerite Goodner, Loyd Johnson, Chas. Lowry, Gordon Bain, C. B. Morris, Frank Phelan, Sr., W. A. Riney, Rayburn Smith, W. C. Thornberry, Thelma Darden, Clyde Hudson, and the hostesses Mrs. Frank White, Jr. and Miss Lucile Polk.

GIRL SCOUTS

Mrs. James Mitchell's troop of Girl Scouts held their regular meeting Monday afternoon at the First Christian Church. Plans were made and work begun on second class badges. The group also made plans for a hike Saturday. The girls will cook their meal over a campfire.

Four new members were welcomed into the troop. They were Jean and Rosa Lee Welch, Betty Hopkins and Shirley Wiedman. Refreshments of ice cream bars and cookies were served 15 girls and Mrs. Mitchell.

CUE AND CURTAIN

The Cue and Curtain Club met in the Canteen February 13, 1952 for a guest program and party. We were honored in having the Memphis Cue and Curtain Club as our guests. They gave a wonderful program. A symposium was given and the topic was "A Theatrical Club".

The members of the symposium were Dee Ellen Durrett, Johnnie McDaniel, D'Arman Peabody, Clinton Jones and Ramon Arnold. A one act play entitled "The Blue Teapot" was given. This play consisted of four characters, Margaret Ann Massey and Bobby Dick Hutcheson played the part of an elderly couple, Sue Miller and Jackie Gilbert played the parts of a young couple. This play gave a very good lesson. The play was very good.

Refreshments were then served. After serving, dancing and ping-pong playing were enjoyed by all. The Clarendon Cue and Curtain Club would enjoy another visit from Memphis Cue and Curtain Club and their sponsor, Mrs. Guthrie. —Reported.

GIRL SCOUTS

Mrs. Longan's troop of Girl Scouts met Monday afternoon in the Junior High School Auditorium. A short business meeting was held with the treasurer making a financial report.

In the work period, the girls rehearsed the play they are working up, Linda Lampberth and Marjorie Green served refreshments of Cokes and ice cream. Mrs. Imbordino was a visitor with the group. Troop leaders, Mrs. Harold Longan and Mrs. Bill Cushing and 13 girls were present.

LILLIE HUNDLEY CIRCLE

The Lillie Hundley Circle of the Baptist Church met Wednesday afternoon in the home of Mrs. Evelyn Preacher. Billie Jean Moore taught the lesson from the second chapter of "Highways in the Desert".

Those present were Lois Marie Moore, Opal Messer, Ann Hommel, Marie Hill, Rowena Allen, Betty Vick, LaVaine Horton, Billie Jean Moore and the hostess, Evelyn Preacher.

VALENTINE PARTY

Mrs. Longan's troop of Girl Scouts enjoyed a formal Valentine Party at the Canteen Thursday evening. The entertaining rooms were decorated with red and white streamers and Valentines. A huge red heart covered the fireplace, and balloons in clusters hung from the ceiling.

The serving table was laid with a white cloth. The centerpiece was of red carnations with small hearts extending to each corner of the table. Refreshments of cake and punch was served the group.

Games and dancing provided the entertainment for the evening along with various contests, and fortunes.

Approximately 35 young people, the troop leaders, Mrs. Harold Longan and Mrs. Bill Cushing, Mr. Cushing and several troop mothers attended.

HARMONY CLASS

The Harmony Class of the Methodist Church met Thursday afternoon, February 14, in the home of Mrs. L. E. Thompson with Mrs. Barcus Antrobus assisting hostess. Mrs. J. R. Porter, president of the class, presided over the business meeting. Mrs. C. E. Bairfield gave the devotional on "Faith."

Heart shaped cakes and coffee were served to Mesdames Chas. Lowry, Edith Barnes, Eunice Buntin, L. N. Cox, Victor Smith, Thelma Darden, Rayburn Smith, H. T. Warner, Bill Ray, C. W. Bennett, Roy Beverly, J. R. Porter, Lee Holland, C. E. Bairfield, Tom Murphy, Frank White, Jr., O. C. Watson, E. P. Shelton and Homer Bones by the hostesses Mrs. L. E. Thompson and Mrs. Barcus Antrobus.

GIRL SCOUTS HAVE PARTY

Mrs. James Mitchell's troop of Girl Scouts enjoyed a Valentine Party in the home of Mr. and Mrs. Gordon Bain Thursday evening. Each girl brought a guest and Valentines were exchanged from two large boxes which were gaily decorated.

After the Valentine exchange games were played throughout the evening. Refreshments were served to 30 girls by Mrs. Mitchell and Mrs. Gordon Bain.

PRESBYTERIAN WOMEN

Presbyterian Women held their Circle meeting Wednesday afternoon, February 13, in the home of Mrs. Nova McClure. The chairman, Mrs. Lee Bell called the meeting to order and Mable Mongole led the group in prayer.

Roll call was answered by 12 members reporting 60 visits. An interesting program, "Do You Discipline Your Desires" or the "Tenth Commandment" was given by Mrs. J. H. Howze. Mrs. Guy Wright gave the survey article, "God's Claim on Our Life," or "Stewardship." The group was dismissed with the Mizpah Benediction.

Refreshments were served by the hostess Mrs. Nova McClure, assisted by Mrs. Thad Rogers. Mrs. J. H. Howze and Mrs. Howard Stewart will be hostesses at the next meeting, February 27.

H. D. CLUB

The senior Home Demonstration Club met Friday afternoon in the home of Mrs. Virgil Poole with Mrs. Poole and Mrs. George Green hostesses. The meeting opened with the group reading the Club Collect. Mrs. Clyde Butler, president, presided over the business session.

A George Washington program was presented with all members taking part.

Refreshments were served to one visitor, Miss Mable Mongole, and members Mesdames W. J. Williams, A. W. Simpson, Bertha Benson, R. C. Bingham, Clyde Butler, O. C. Watson, Lena Antrobus, and Claude Darden by the hostesses Mrs. Poole and Mrs. Green.

The next meeting will be March 21 at which time Mrs. Bertha Benson will be hostess.

GIRL SCOUTS HAVE PARTY

Mrs. James Mitchell's troop of Girl Scouts enjoyed a Valentine Party in the home of Mr. and Mrs. Gordon Bain Thursday evening. Each girl brought a guest and Valentines were exchanged from two large boxes which were gaily decorated.

After the Valentine exchange games were played throughout the evening. Refreshments were served to 30 girls by Mrs. Mitchell and Mrs. Gordon Bain.

KIL KARE KNEEDLE KLUB

Mrs. Homer Mulkey entertained members of the Kil Kare Klub in her home Thursday afternoon February 14. Lovely bouquets of red roses and pink carnations decorated the entertaining rooms. Conversation and needle work was the program of the afternoon.

Lovely refreshments were served to one guest, Mrs. Frank White, and members Mesdames Harry Brumley, W. A. Land, G. C. Heath, Ed Speed, Buel Sanford, Clarence Piercy, Sam Lowe, J. R. Bartlett, Frank Whitlock, R. R. Dawkins, C. E. Lindsey, R. O. Thomas, A. O. Hefner, and Misses Ida and Etta Harned by the hostess, Mrs. Mulkey.

The next meeting will be held February 28, in the home of Misses Ida and Etta Harned.

BIRTHDAY DINNER

Mrs. J. C. Estlack entertained with a birthday dinner Monday evening honoring J. C. Estlack on his 70th birthday.

Danalee Estlack and Donna Jane Estlack sang "Happy Birthday" and blew out the candles on Mr. Estlack's birthday cake. Following the lovely meal, gifts were opened and visiting enjoyed by the group.

Those present were Mr. and Mrs. Alfred Estlack, Patsy, Barbara and Danalee, Mr. and Mrs. Homer Estlack, Allen Homer and Donna Jane, Mr. and Mrs. G. W. Estlack and Jackie, Mr. and Mrs. Billy Chilton and Patrick and the honoree and hostess, Mr. and Mrs. J. C. Estlack.

P. T. A. MEETS THURS. (TODAY)

The Sims P.T.A. will meet Thursday afternoon, today, at 3 o'clock in the Junior High School Auditorium. The program will be presented by the two fifth grades taught by Mrs. Harold Longan and Mrs. Bill Todd. The public is invited to attend.

RETURNS FROM HOSPITAL

Mrs. Earl Hodnett is able to be at home again following major surgery in the Groom Hospital February 17. She returned Tuesday and is able to be up most of the time. Her friends are wishing her a speedy recovery.

JR. H. D. CLUB

Mrs. Nora Decker and Mrs. Ona Tatum entertained members of the Junior Home Demonstration Club at Patching Club House Thursday afternoon, February 14. Roll call was answered by each member naming her favorite movie star.

Plans were completed for the Husband's Party to be Thursday evening, February 28, at 7:30. The remainder of the afternoon was spent in visiting.

Lovely refreshments were served to Oma Bentley, Gladys Blackburn, Klyda Fern Blackman, Sadie Head, Gladys Hommel, Jean Putman, Mary Pyeatt, Ola Williams, Dollie Wilson and Emma Ayers by the hostesses Nora Decker and Ona Tatum.

GOLDSTON QUILTING CLUB

The Goldston Quilting Club enjoyed a Valentine party given by Nora Jackson at the Goldston community house. Games were played and then the Valentine box opened. Everyone received Valentines and most everyone received Pollyannas.

Refreshments were served to Nina Dale, Mazie Eichelberger, Nora Smith, Ola McBrayer, Daphine Sullivan, May Pearl McDonald, Connie Talley, Katie Scoggins, Billie Ashcraft, Sallie Hatley, Joy Roberson, Blanche Gray, Carolyn Davis, Willie Putman, Oddie Moss, Gayle Stewart, Shirley Moss and hostess, Nora Jackson.

Our next quilting will be Thursday, March 6th with Joy Roberson. —Reporter.

Friends will be sorry to learn that Mrs. Junior McAneer is a patient in the Odom-Dryden Hospital in Memphis. She underwent emergency surgery Friday night but is improving at this time.

Dwight and Ronnie McAneer attended a birthday party at Brice last week for Don McAneer, son of Mr. and Mrs. T. W. McAneer.

Mrs. L. O. Dennis of Memphis was a guest in the home of her daughter and family, Mr. and Mrs. Dick Vallance and children Saturday.

FARM NEWS

From the County PMA Committee

1951 APPLICATIONS FOR PAYMENT

Most of the applications for payment for practices carried out under the 1951 ACP Program have been submitted to the State Office, and many of the checks have already been received by Donley County Producers.

COTTON SURVEY CARDS

The third cotton survey card was mailed to producers in Donley County last week who have not reported their 1951 cotton acreage and cotton production. If you are not sure that the acreage has been reported for your farm, come by the office and check on it.

There are 810 cotton farms in Donley County and at this time 588 farms have a reported acreage of 40,828.0. If you are one of the 222 producers that have not reported, please do so soon.

1952 GOALS EMPHASIZE END OF LAND FRONTIERS

A review of the farm production goals for 1952 drives home how little we can depend in the future on more acres and, how much we will have to depend on more per acre to produce the food and fibre to keep eating and living as well as we are now.

An increase of 6½ million acres in cultivated crops is considered the greatest practicable increase that can be made over the acreage in these crops in 1951. Although a greater increase in the production of feed grains would be desirable, the goals for other crops have been reduced in favor of using this land to produce feed for livestock.

This situation was stressed in the U. S. Department of Agricul-

ture's recent announcement of production goals for 1952:

"The greatest need for getting a large increase in the production of feed in 1952, particularly corn, requires that acreages of crops that compete with corn for acreage be carefully limited, and that the goals for these crops, particularly soybeans, oats and hay in the Corn Belt, be viewed as maximums so as to allow for the greatest expansion in the corn acreage. The favorable year-end report on the condition and prospects for the winter wheat crop also makes it possible to reduce the total wheat acreage—and hence, the acreage to be planted to wheat this spring to help meet the need for feed grains."

FOR YOUR INFORMATION

Perhaps you are one of the income tax payers who asks "where does the money go?" For a tax payer who pays \$1,000 income taxes, here is where it goes according to the President's Budget Message:

\$600 for Military Service
\$130 for Foreign Aid
\$ 70 for Interest on Public debt
\$ 50 for Veterans
\$150 for all other Government Expenses.

The entire appropriation for the Department of Agriculture would cost this tax payer about \$18.70. The appropriation for the Agricultural Conservation Program would cost this tax payer \$3.00.

OUR THOUGHT FOR THE WEEK

Land and people are the two most important resources for the United States, or indeed of any Nation on Earth. On the proper care and preservation of the one depends the strength and welfare of the other. Our very existence depends on the fertility of our cropland.

Sgt. Billie Joe McFall has been transferred from Colo. Springs to Ft. Belvoir, Va., where he is attending Instructors School for the coming 10 weeks.

Mrs. Billie Joe McFall and baby spent Friday night and Saturday with her grandmother, Mrs. M. L. Putman.

Mrs. Mike McCully, Mike and Melissa and Mrs. Maurice Lane and Kay were Memphis visitors Tuesday afternoon.

Mr. and Mrs. J. H. McDaniel and son, Stanley, of Brownfield spent the weekend with her parents, Mr. and Mrs. Homer Taylor and Don.

Week end guests in the home of Mr. and Mrs. G. W. Bradshaw and family were Mr. and Mrs. Elzie Kennedy of Memphis, Mr. and Mrs. H. D. Blythe and children of Hereford and Mr. and Mrs. Ed Skypala and children, also of Hereford.

Mr. and Mrs. Billy Thomas of Amarillo visited in the H. C. and R. O. Thomas homes Sunday and attended the U. T. Dever funeral.

Jeanine Johnson of Memphis visited in the home of Mr. and Mrs. Dick Vallance and family Wednesday last.

Mr. and Mrs. A. B. Stevens and girls of Plainview and Mrs. Edith Longan were dinner guests in the J. C. Estlack home Sunday.

Mrs. Cecil Beach and Mrs. P. D. Dever of Plainview and Mrs. Edith Longan, were guests in the J. C. Estlack home Tuesday evening last.

Mr. and Mrs. Frank Henderson of Dimmitt, Texas spent Wednesday and Wednesday night with Mr. and Mrs. Van Knox.

Mrs. Addirene DuBose of Amarillo visited the week end with her mother, Mrs. J. R. Ayers.

NOTICE TO PROPERTY OWNERS

The School Tax Collector is asking everyone who owns property located in the Clarendon Independent School District, to come in and render your taxes for 1952, if you have not been contacted by the Assessor. It is impossible for the assessor to contact each and every one who is a property holder in this District. This is especially important if you have bought or sold property during the past year. The School Tax Office is located in the Chamberlain Insurance Building. (2-6c)

Political Announcements

Political announcements appearing in this column are subject to the action of the Democratic primary in July. All announcement fees must be paid in advance.

Mrs. Grady Tyler and Larry Dee and Mrs. Ermine Blair visited in Memphis Tuesday with Mrs. Blair's parents, Mr. and Mrs. Parks Mitcham.

Vina and Sharon Moore of Amarillo visited with Mrs. Ermine Blair and Biffie Sunday.

Mrs. John Sneed is reported to be improving slowly following a major operation in the Groom Hospital Friday.

Uncle Sam Says

We're seeing the old year out this week. For those of us who've held on to our Defense Bonds, it was a prosperous year indeed. Help make 1952 a prosperous year by joining the Payroll Savings Plan where you work or the Road-A-Month Plan where you bank. This time next year you can say to yourself, "I now own U. S. Defense Bonds. I've saved all that money, and I've helped Uncle Sam with it, too. Am I lucky!" But it won't be luck at all. Just the application of common sense.

U. S. Treasury Department

Mr. and Mrs. U. T. Fowler and Jim visited in Amarillo Sunday with Mr. and Mrs. E. N. Foster and Barbara. Mr. Foster is showing improvement, though still in the hospital.

Mr. and Mrs. Kelly Chamberlain and Mr. and Mrs. Pat Slavin left Amarillo Friday by plane for Mexico City. They returned home Wednesday evening.

Labor is that part of the human populace which works a specified number of hours a week for a guaranteed sum of money. Capital is that part of the populace which stays on the job after labor goes home and worries about how to pay that guaranteed amount of money.

A dollar is more than we want to blow in a hañkie.

READY FOR REDS—Gen. Chiang Kai-Shek stands, at left, in a jeep marked with five stars, as he inspects artillery units of the crack Chinese Nationalist 67th Division near Taipei, Formosa. With the help of American military advisers, plans for the defense of Formosa against possible Communist invasion are now underway.

Missionary Baptist Church Dedication

Church services will be held at the Missionary Baptist Church, beginning Wednesday, Feb. 27th and continuing thru the following Sunday, March 2nd. The pastor, Bro. John W. Reynolds of Tyler will conduct the services. Services will be held mornings at 10:30 and evenings at 7:30 with the exception of Sunday when services will be held at 11 a. m. A covered dish dinner will be served at the noon hour Sunday, March 2nd with a program in the afternoon.

Until the present time, members of this Church have had no building and have met in the Chamberlain School house, Lion's Club Hall and individual homes. The new building is now completed and is located a block off the Brice highway.

In announcing services, church members made the following statement: We invite the public to come and be with us and worship the true Jesus of the Bible, who is the author and finisher of our faith, the complete and all-sufficient Saviour, the Lord Jesus Christ. He gave us no rules or laws to obey to be saved. There is nothing for us to do, Jesus is Saviour by himself and

uses no help (Heb. 1-3). If he is presented as Jesus only for salvation then we may know that the true gospel of the Bible is being presented. But, if something must be added to Him and His finished work for eternal salvation, then we may be sure that we are hearing "another Jesus" preached (II Cor. 11-4). The Jesus of the Bible, who is the Christ of God, is not only necessary for our eternal salvation, but He is eternally enough. It matters not how little may be required of the lost sinner, in addition to what Jesus is and has done, for his salvation, that little denies Jesus as Saviour. Some urge the lost "to hold up their hands," "pray," "let others pray for them," "Decide for Christ," "make a start toward God," "give your heart to the Lord", etc., etc., with inference plainly left that such will or might be helpful in getting saved. If salvation is by grace (and it certainly is) (Eph. 2-8) then all such things are worse than worthless. He either does all of it, or He is not what His name declares, "Deliverer," "Saviour," "Redeemer." It is "Jesus only" who is the author and finisher of our faith. We believe what He said, when he said, "IT IS FINISHED," and to Him we give all the praise, honor and glory.

LELIA LAKE Mrs. H. R. King

Mrs. W. V. McCauley spent the week end in Amarillo with her son John McCauley and family.

Mr. and Mrs. R. T. Simmons of Amarillo visited Mr. and Mrs. Nolie Simmons Sunday.

Robert Gerner, a student of West Texas State College at Canyon, spent the weekend with his mother, Mrs. Edd Gerner and Harold.

Mrs. L. L. Wood will go to Amarillo Friday for a medical check-up.

ANOTHER KOREA?—Infantrymen of the 18th Viet Nam battalion move into a redoubt in the Phat Diem area of French Indo-China. Increasing activity on the Red Chinese border lead observers to believe that the Reds may launch a full-scale offensive similar to the sneak attack in Korea. Meanwhile the Communist rebel Viet Minh forces are getting more and better weapons.

BAND AND ORCHESTRA PARENTS MEET

Band and Orchestra Parents held their regular meeting at the band hall Monday evening. Bill Riney, president, presided over the business session.

The committee appointed to arrange for new skirts for the twirlers reported that the skirts had been completed and were now ready for use.

The Activities Committee made a report on suggested means of raising funds to keep the band

in operation the remainder of the year. It was decided that the group would sponsor a "Womanless Wedding" to be presented in April. A special meeting has been called for 7:30 Monday night, February 25 to work out further details in regard to the program. All parents of children in the band or orchestra are urged to be present as your help is needed to build a bigger, better band and orchestra.

Donley County Leader \$2.50 yr. in County

Castor Bean Meeting Well Attended

One hundred and fifty farmers and ranchers gathered at the court house in Clarendon Wednesday night, Feb. 13th to hear the discussion of castor beans as a cash crop. H. M. Breedlove, county agent, called the meeting of farmers so that they might get first hand information on the good and bad points of castor bean growing. Mr. Beard, Mr. Wiles and Mr. Allen all of the Baker Castor Bean corporation gave a discussion of the program and said that the guaranteed price would be ten cents per pound or market price whichever was the greater. Seed will be secured from the hulling plant at Wellington, Texas and the contract for sale of crop to be signed at the same time. Mr. Beard stated that seed would be available about the first of March. Most beans will have to be hand harvested and a good days picking would be around a thousand pounds for a single laborer.

The greatest drawback is the hand harvesting and all seed will have to be hulled at the Wellington plant until a large enough acreage in this county will justify a hulling plant located here.

Breedlove says that any one wishing to plant castor beans might contact him and he will explain the program if they did not attend the county meeting. Castor beans are like any other cash crop, it takes good land and care for them to make the maximum production.

After the castor bean discussion, Breedlove turned the meeting over to Lee Shaller who introduced Mr. Hubbard of the Krick rain improvement association and a discussion was held on the seeding of desirable clouds for making more rain. There was a great deal of interest and Mr. Shaller appointed some committees to contact interested persons. More information can be secured by contacting Mr. Lee Shaller.

Mrs. James T. Mitchell received word this week of the serious illness of her grandmother, Mrs. H. L. Norman. Mrs. Norman, whose home is in Oklahoma City, is a patient in the McAllister Hospital.

RETURN HOME LAST WEEK

Mr. and Mrs. W. E. Hodges returned home last Tuesday after spending the past month at Truth or Consequences, N. Mex. They report a most enjoyable vacation with nice weather and good fishing.

While away, they also visited Palamos, Old Mexico, the copper mines near Silver City, N. Mex., Diming, and the polio hospital at Truth or Consequences.

Visitors in the home of Mrs. E. W. Tyler and Miss Alice Tyler Sunday were Mr. and Mrs. Gordon Lee and son of Claude, Mrs. Virgil Moore and family of Amarillo, Mr. and Mrs. Estes and granddaughter of Memphis, Mrs. Gladys Baten and Mrs. N. Heatherly also Mrs. Newt Bagwell of Claude.

ATTENDS SCOUT INSTITUTE

Mrs. James T. Mitchell attended the Girl Scout Leadership Institute in Amarillo Tuesday and Thursday of last week. Two sessions were taught each day, the course having begun week before last.

While in Amarillo Mrs. Mitchell and Jimmy also visited her parents, Mr. and Mrs. John C. Sullivan.

Iva Davis visited Sunday with Mrs. H. L. Riley, Jr. and her mother, Mrs. Bessie Lane. Mrs. Lane who has been ill for some time is improving, though still confined to her bed.

Chester Williams of Borger visited the week end with his parents, Mr. and Mrs. Henry Williams.

Mr. and Mrs. C. W. Taylor announce the arrival of a new great-granddaughter. The little girl weighed 7 lbs. 12 ozs. and has been named Robin Lu. She is the daughter of Mr. and Mrs. Rollins Tully of Houston. Mrs. Tully will be remembered here as Ruth Taylor Stephenson.

Barry Hudson of Hereford spent the past week with his grandparents, Mr. and Mrs. Major Hudson. Mr. and Mrs. Hudson took him home Friday and spent the week end with their son and family, Mr. and Mrs. Carroll Hudson and Barry at Hereford.

Mr. and Mrs. Glenn Hoggatt and children spent Sunday with her sister and husband, Mr. and Mrs. Johnny Cardinal at Springlake.

Cloud Seeding Organization Underway

Five counties in Oklahoma are well on their way toward raising money for a cloud seeding program. Two counties in Texas and possibly three, are getting on with their program. Five million acres are needed in order to have a large enough block to make a reasonable charge per acre possible. 2c per acre for grass land, 4c per acre for cultivated land with a \$5.00 minimum, is the rate set up by the committee for Donley County. Cloud-seeding may be termed as a Scientific procedure to assist nature in producing an increased amount of rainfall over a certain target area.

There is no way as yet to determine the success of Cloud-seeding except, that each time

that the seeding has been conducted, the target area has received more moisture than the surrounding territory almost invariably. Dr. Krick had about forty-eight projects last year, and almost without an exception, they are planning to write a new contract with him this year. Dr. Irwin P. Krick was president of the California Institute of Technology, and a member of Eisenhower's Chiefs of Staff in World War II. He predicts the weather with amazing accuracy, with the assistance of his efficient staff and competent laboratory. Those who heard Dr. Krick at Mangum last week were convinced almost without exception, that the proposition was practicable, the cost per acre so reasonable that the experiment should be supported. There were some 100 Donley County citizens who heard Ford Hubbard following the Cator

bean meeting last week. There was enough interest shown there that it was decided that Donley County should be in on it. Some collections have already been received. The banks will receive your check and hold it until Donley County quota has been reached and a contract has been made.

Contracts may be drawn for a one year period or any part thereof desired, with any period or periods omitted at the discretion of the Directors. Three Directors may represent the County as directors in the project proper. These three men will have the power to discontinue seeding at any time they see fit to do so. Some interest has been shown in Armstrong, Carson and Potter Counties. If Donley County is first to get its funds raised, it would put them in position to ask that Clarendon be designated as official headquarters. Other projects have a weekly newsletter with weekly forecasts, and a monthly, three month forecast, revised each month with the third month extending on. This

weather forecast from the Denver headquarters is well worth the minimum fee if put into practice. "Let's all drop in at our bank and leave our check and get this thing to rolling. If we are going to get into it why be the last to do so?"

LEE SHALLER

Federal Land Bank Annual Stockholders' Meeting Feb. 20-21

Mr. Rayburn L. Smith, Secretary-Treasurer of the Donley County National Farm Loan Association, is attending the stockholders' meeting of the Federal Land Bank of Houston which began at Houston on February 20 and 21, 1952.

Three prominent men will address the meeting. Judge J. A. Elkins, Chairman of the Board of Directors of the City National Bank of Houston, will address the group at 10 a. m., February 20, on "What Does the Future Hold For Farmers?"

Mr. Sam H. Bober, an outstanding farmer and stockman of Newell, South Dakota, will address the afternoon session on February 20. The July 1949 issue of the Reader's Digest told the remarkable story of Sam Bober "From Russian Peasant to American Pioneer." Mr. Bober's subject will be "The Voice of Ownership."

Mr. Wm. McCraw, former Attorney General of Texas, will be the speaker at the banquet program, which will be held in the Crystal Ball Room of the Rice

Hotel on the evening of Feb. 20. The Federal Land Bank of Houston, which is wholly owned by 141 national farm loan associations in the State, and which in turn are owned by over 33,000 farmers and ranchers, will celebrate its 35th Anniversary on April 4 of this year.

During the past 35 years approximately 125,000 farmers and ranchers of Texas have used the facilities of the Federal Land Bank of Houston in obtaining long-term farm mortgage loans. Loans outstanding at the present time are approximately \$103,000,000. Twenty-nine percent of all long-term farm mortgage loans made in the State of Texas during 1951 were made by the bank.

During the past eight years the bank has returned \$15,000,000 in cash savings to these 141 associations. A portion of these funds were paid to the 33,000 owners of the associations as cash dividends, with a sizeable amount being retained in the local associations' reserve accounts.

The Federal Land Bank of Houston has capital, surplus and reserves of about \$45,000,000, while the associations have over \$12,000,000 in their own reserve accounts.

The Donley County National Farm Loan Association services all of Donley County. Members of this Association own Capital Stock in the amount of \$37,140.00 as of December 31, 1951.

The Federal Land Bank ob-

tains its funds for lending purposes from the sale of its bonds to the general public, which are not in any manner guaranteed by the Federal Government.

It is expected that about 275 persons will attend the meeting.

Mr. and Mrs. Bill Sullivan and children and Mr. and Mrs. W. D. Scott, all of Amarillo, spent the week end in the home of Mr. and Mrs. W. E. Hodges and with other relatives.

Those helping Doyce Flowers enjoy his birthday supper in the home of his parents, Mr. and Mrs. Flowers Sunday evening were Mr. and Mrs. Doyce Flowers and family, Mr. and Mrs. W. D. Scott, and Mrs. Bill Sullivan and children of Amarillo, Mr. and Mrs. W. E. Hodges, and Mr. and Mrs. Al Covington and children.

Mrs. Carroll Lewis left Sunday morning for Wichita Falls to visit with her sister who is ill.

From where I sit ... by Joe Marsh

Cappy Miller's bought himself a new car. We won't be seeing his old jalopy bouncing over the back roads any more. I'm going to miss it, too.

Many a morning Cappy and I drove off in that rattletrap for a day's hunting or fishing. We'd pile rods or guns in back, and prop open the trunk compartment—so Jiggs, Cappy's pointer, could jump in and go along.

They say when Cappy brought the new car home he opened up the hood to show off the engine—and poor old Jiggs hopped right

Jiggs Gets Four "Hot-Foots"

in! Figured it was the trunk. He hopped right out in a hurry, too. That cylinder head was mighty hot.

From where I sit, old habits are hard to shake, once they get a hold. Like, for instance, too many people are still in the habit of trying to run their neighbors' lives—telling them how to act, what to wear, whether or not to enjoy a refreshing glass of beer. I say that kind of thinking's outmoded... ought to be turned in for a new model!

Buick even keeps the Sun in its Place

Of course, this new glass—which reduces glare and incoming sun-heat—is a Buick feature in '52

Here Here Here Here

Wheel Crests standard on ROADMASTER, optional at extra cost on other Series.

WITH all the new things we've had to talk about in 1952 Buicks, we're just getting around to this one.

It's called "Easy-Eye Glass"—a new kind of glass with a cool, soft, blue-green tint, which filters the sun's rays entering your car—cuts down their glare and heat.

You'll appreciate the "glare control" at any time—and when you hit your first stretch of hot-weather driving you'll find that this glass does a great job of keeping the heat out of your lap.

We know—because thousands of happy Buick owners already have this new comfort feature. The rest of the automobile industry is just beginning to discover what Buick discovered a year ago. It's a great idea, which costs you very little extra if you order it when you're buying a new car.

But this still leaves the other folks with a lot of catching up to do

You'll look a long way before you'll find any-

thing that approaches a Buick's million dollar ride.

You'll look a long way before you'll find anything so completely satisfying as Dynaflo Drive.*

You'll find it hard to match the style and beauty and harmonious good taste of a 1952 Buick's interior trim and fabrics.

And when it comes to what you get for what you pay—we'll gladly match price tags with the field.

Have you had a good look at the '52 Buicks? That's something you ought to do soon.

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost—available on most models. (Not presently available in Massachusetts.) *Standard on ROADMASTER, optional at extra cost on other Series.

Sure is true for '52

book of Texas," a two-volume work containing approximately fifteen thousand articles dealing with every phase of Texas life from the primitive Indian to the present time, will be available for purchase late in 1952. As a reference and general information book, this publication will be a basic starting point for information and bibliography on practically every person, place, thing, or event of significance in Texas history.

DONLEY COUNTY
 Donley County, in the southeast portion of the Texas Panhandle, is 909 square miles of rolling prairie and broken range bisected by the Salt Fork of Red River. In the southwest are the breaks of Mulberry Canyon; in the center, the prairies; in the north, the escarpment of the Llano Estacado. The elevation rises from 1,980 to 2,850 feet. The semi-arid climate is one of extremes. Sand storms occur in the spring; hail storms, in the summer. Cyclones, although rare, are not phenomenal. The rainfall, averaging 23.88 inches, comes usually during late spring and

T. M. SHAVER
 ARMY & NAVY STORE
 212 Sully Street
 Clarendon, Texas
 For Work Clothes & Shoes
 Buy for Less

early fall, and snowfall, averaging ten inches, brings additional moisture. The living-water supply is high. The fertile soil is sandy and deep and tight sandy loam with 145,000 acres under cultivation and 431,000 acres of grassland. Native grasses are buffalo, little bluestem, sidecoats grama, sage, and mesquite. The chief crops are cotton, grain sorghum, legumes, and vegetables. The raising of Hereford cattle is the chief industry.

The aborigines, probably an infiltration from the Pecos culture to the West, were followed by the Pueblo Indians. With the westward movement of the buffalo came the nomadic Comanche, Kiowa, and Cheyenne. After them appeared the buffalo-hunter, the soldier, and free-grass cattleman, and, lastly, the home-seeking farmer. Originally a part of Bexar territory, the area was first separately organized as Wegefath County in 1876; in 1882 Donley County, named for a pioneer lawyer, Stockton P. Donley, was created in its present status, with Clarendon as the county seat.

Record Number of Bob White Wings Turned In

AUSTIN—The Director of Wildlife Restoration for the Texas Game and Fish Commission reported the receipt of a record number of bob white quail wings

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!
 Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing. When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine. Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

DR. CALDWELL'S SENNA LAXATIVE
 Contained in pleasant-tasting Syrup Pepsin

during the 1951-52 season. The total has not been tabulated and will not be known until wildlife biologists assemble at San Marcos to study the wings. The Director said the wings for the season are fairly representative of the entire state but that the greatest number was received from the Panhandle and from Southeast Texas. He attributed the splendid return to the "better cooperative attitude of sportsmen and to the fine help from newspapers and radio stations in informing hunters how they could help scientific studies by forwarding the quail wings."

The subject of sportsmen-biologist teamwork in gathering and studying the wings is covered in an article in the January

issue of "Texas Game and Fish" magazine. This article breaks down the results of the 1950-51 season studies and indicates the benefits of this team-work toward "advancing studies of breeding, feeding and migration habits." The Director of Wildlife Restoration points out in the magazine that quail wing feathers tell the approximately age of the birds. He adds that acquiring sex and age data on a good sample of birds from a locality indicate rather definitely the extent of hatch and survival for the year. Mr. and Mrs. Marvin Hodges of Groom visited Sunday afternoon in the home of Mr. and Mrs. W. E. Hodges.

To The People of The 18th District

By Cong. Walter Rogers
EXTENSION OF BENEFITS UNDER THE SERVICEMEN'S READJUSTMENT ACT TO KOREAN VETERANS:

The hearings have commenced in the Veterans' Affairs Committee on legislation designed to extend to Korean veterans the educational, on-job training, housing and other benefits granted and extended to World War II veterans under the Servicemen's Readjustment Act. The benefits under this act are about the only

benefits not yet extended to Korean Veterans, but are in my mind of perhaps greater importance than those benefits heretofore extended. It is my opinion that these benefits should have been extended to Korean veterans during the first session of this Congress. This would have been done except for an investigation of some immoral, if not illegal, practices and abuses that are being carried on under the original act. The committee investigating this uncovered much informative information concerning questionable fly-by-night schools allegedly set up for the purpose of imposing on veterans and milking the public treasury. Such vicious and shady schemes were not only an imposition on the World War II veterans, but were the basic cause for the delay in the extension of the benefits to the Korean veterans. These hearings are being speeded up so that this legislation can be presented to the entire House of Representatives for immediate action.

During one of the recent hearings an argument arose between

a witness and several members of the committee as to whether or not the Korean action was a "war" or a "police action." It was my observation that this was a question that could be answered unequivocally by some of the boys who have been over there. No matter what you call it, the weapons used are the same and are capable of dealing the same kind of death, the same kind of maiming, the same kind of destruction. Actually, we are in it and I say, "Call it whatever you want, but for the sake of humanity, let's get it over with." If we were not in Korea, but merely contemplating entry, there would be ample justification for the continuing debate, simply because the difference between a war and a police action is this: In order for this country to engage in war a formal declaration of war by the Congress is required. A police action merely means that troops, equipment and arms may be committed to certain sectors by executive order without a declaration by the Congress. Our responsibility at the present time is to get this Korean conflict over with and stop the senseless slaughter, maiming and destruction. We can argue about words later on.

Mitch Bell returned last week after visiting the past several months in California.

Donley County Soil Conservation District News

The Board of Supervisors of the District had its regular monthly meeting last Thursday afternoon.

Attending this meeting were the following Supervisors: T. C. D'Spain, South of Alanreed; W. P. Doherty, North of Hedley; Joe Tollett, Hedley; and Charlie Bairfield, South-west of Clarendon.

Also present were Elvy Sargent, District Conservationist, Soil Conservation Service; H. M. Breedlove, County Agent; Jimmie Faulkner, Secretary of Chamber of Commerce; Jack Gray, Secretary to the Board of Supervisors; and Carman Rhode, local SCS Conservationist.

Business handled at this meeting was as follows:

1. Charlie Bairfield discussed payment of the National Association of Soil Conservation District Supervisors annual dues and after discussion, the board voted to pay \$55.00 to the National Association.

2. Progress in grass seeding was reviewed by Carman Rhode. It was brought out that local supplies of all grass seeds were adequate except Weeping Lovegrass seed. The Board voted to purchase 1,500 lbs. of Weeping Lovegrass seed and place it in the hands of local dealers.

3. Participation in the Fort Worth Press "Save the Soil and Save Texas" Contest came up for discussion. T. C. D'Spain was selected as the District's entry for the "Outstanding Conservation Farmer for 1951." J. R. Porter was chosen as the "Professional Man" who has done the most for Soil Conservation. Jimmie Faulkner was asked to assist with the narrative portion of these entries.

4. Some progress was made on the preparation of the District's Annual Report and a committee was appointed to complete this report.

5. The use of Donley County Soil Conservation equipment in neighboring Districts was discussed. It was agreed that local equipment could be rented outside provided it was not needed at the time by farmers inside the District. The rental rates would be the same as those being charged for like equipment by the adjoining District.

Cooperative agreements on seventeen new farms were presented and approved.

Being no further business the meeting adjourned.
Mr. and Mrs. W. E. Hodges visited in the Buck Roberts home Wednesday.

Gabie Betts Burton Library Notes

By May L. Prewitt

The first on the list for this week is Garland Roark's "Slant of the Wild Wind." It is another sea story of this Texas born writer who currently resides in Houston with his wife and two daughters. He is an avid student of every phase of South Sea Island Life and the geography of the islands and collects data on great sailing ships and their captains. His most popular book to date is "Wake of the Red Witch." His other two are: "Rainbow in the Royals" and "Fair Winds to Java."

For the children we offer you "Thistly B" by Taska Tudor, unto himself a wife and they

grow their family. The illustrating is lovely in both coloring and suggestiveness.

We added a few pocket western editions the past week, and several attractive periodicals. Books are all advancing in prices.

Herman Wouk's "Caine Mutiny" is very popular — 650,000 copies in print and 25,000 more on order. Our one copy is always "out." The National Book award for Gold Medals are fiction: James Jones "From Here To Eternity," non-fiction; Rachel L. Carson "The Sea Around Us." We have Jones' "From Here To Eternity." It is fairly popular for such a large volume. Readers Thistly B is a canary who takes usually choose 350 to 400 page copies to read.

DEALER IN POSTS

PLOWIN' Out the CORNERS

Someone has divided the people into two classes; the people who divide people into classes, and those who don't.

Babson says: "Russia hopes that an economic collapse in America would lead to Communism in the country. That I do not fear. Rather such an economic collapse would redeem our people's sound-like purifying gold

with fire." The above can well be true, for most of us can remember that in times of stress and hard times we turn to each other as neighbors, and more and more do we look to God, when the chips are down.

We read in the papers that Mr. Truman says that he might be persuaded to run if it would assure continued peace. Peace, Peace, and Lo, where is peace? No war in history has cost more lives per second than has this, and someone can still say that we have peace.

He who has a thousand friends Has not a friend to spare, But he who has an enemy Will meet him everywhere.

The Raw Deal Gimmecrats

should change the old saying "Pay as you go" to "Owe after you blow."

The following entitled, Love Letter of A Bureaucrat, is being circulated anonymously in Washington, D. C.

"My Sweetheart" (Unless hereinafter revoked)

The time has come according to a conservative estimate to tell you that I love you with a complete utilization of all available factors. I take it you have evaluated your feelings toward me and have concluded to reciprocate to the maximum in the interest of unity. We must channel our emotions with clarity for the achievement of our ultimate good. My, My, this is so sudden.

The following poem by Edith Frisbie depicts the guests who are slow to depart.

FAREWELL FOREVER
Your guests insist they cannot stay
But do they blow them, No, not they.
They scramble frenzied to the door—
And there take root an hour more.

Purveying items clean forgot While sitting in a warmer spot. Why haven't guests the wit to sit? Or when they start to go, to git?

The above reminds me of the old farmer who said: "Ma, reckon we ought to go to bed so's these folks can go home." Anyway, may I have my hat please.

Some people seemed to be alarmed by the recent statement that the federal government could legally take all of your income. It seems that it was brot home to us last week when a fruit company employee had it happen to him in nearby Amarillo. Even if it was in payment of delinquent taxes, it makes one shudder to know that even your homestead could be seized. Also we can't help but think about the countries in which the rulers have taken over everything and wonder what would happen should some greedy bunch of politicians gain power in this country.

We hear so many rumors, and political jabs these days until we flounder on the waves of confusion; asking ourselves over and over what could be the truth.

Even though, our old fellow scribbler Lewis Nurdyke took us to task a bit about our suggestion for a new department in our government called the Department Of Truth. I still maintain that it is our greatest need. The trouble seemed to be in the minds of our critics getting truthful men to be in the department. But I believe they could be found by some sort of a national poll. Honest men, who have never been accused of any misgivings who could pass on all the important news, on all the charges and countercharges, and just report to the people The Truth, in their opinion. Six years ago, I begged for this department and no one would listen. I was laughed to scorn but I still insist that it would serve a good purpose. How about it Mr. Walter Rogers? You have the courage to take your stand and be counted. What do you think of the idea? Would you sponsor the idea? We can't vote for the man of our choice for president, but maybe this would give us some say, anyway.

Mr. and Mrs. W. E. Hodges visited Mrs. C. C. Hill and Mrs. Earl Hodnett Saturday afternoon.

CARD OF THANKS
I want to say thanks to all my friends who sent flowers and cards and who prayed for me in my illness. May God richly bless each of you in my prayer.
Mrs. Ernest Phillips
Mr. and Mrs. Weldon Avery and Dennis of Morton, Texas visited Sunday night and Monday in the home of Mr. and Mrs. T. G. Wiley and boys.

Mr. and Mrs. W. W. Lovelady and Ronnie of Amarillo spent the week end in the home of her parents, Mr. and Mrs. Carroll Lewis and family.

LIVEWEIGHT TRACTION
gives farming a real boost!
When your field work calls for more real pull, liveweight traction will see you through.
The hydraulic TRACTION BOOSTER in the CA and WD Tractors changes deadweight to liveweight. Weight of both tractor and implement is automatically shifted to bear down on drive wheels when soil is stubborn and tillage is tough.
The hydraulic TRACTION BOOSTER reduces wheel slippage — enables the CA and WD to do drawbar jobs that normally would require heavier tractors. Stop in and let us show you how it works.
