Broncs To Play Panhandle Panthers Here Friday Night At 8:00 O'clock

The Clarendon Bronchos, with three wins under their belts, will run up against one of their strongest foes of the season Friday night when they battle it out on Broncho Field with the Panhandle Panthers. This will be the second conference game for the locals and the odds at the present time are just about even. The Panthers are reported to be a much heavier team with plenty of power in the line. They have three injured players on the list this week that may hold them back some.

REV. JOHN A. ENGLISH

Coaches Harrell and Moore are non-committal in regard to the predicted outcome of the game. "The Broncs are ready for the fracas and have a good chance to win if they really play football," coach Harrell stated.

The game time will be 8 o'clock. Parking inside the park is allowed on the west end only in fair weather. Make your plans to attend the game and back the Broncs all the way.

Members of the Band Parents organization will have the concession stand open with plenty of hot coffee, cold drinks, hot dogs and other items in case you go to the game hungry or get that way.

The probable starting line-up for the Broncs, starting at left end: Murff, Tatum, Bain, F. Clifford, Jones, J. Clifford, Robertson, Myers at full, Mooring at the left half position, Hearn at right half and Cotton Hall in the quarterback position.

Probable starters for Panhandle, starting at left end: Jim Naylor, Gene Bentley, Kenneth Bumpas, Jerry Cummings, Don Neely, Gregory Sherwood and Marshall Sherwood. Gary Cummings at right half, Delmer Tuggle left half, Dean Lewellen at full and Dale Roselius in the quarterback slot.

Five Injured In Head-On Collision Thursday Night

A two-car head-on collision on the curve just west of Lelia Lake last Thursday evening has claimed the life of one person and four remain critically injured in Memphis hospitals. Mrs. J. E. Finley died Monday from injuries received in the collision. The others injured are Mr. and Mrs. W. S. Malone of Memphis, J. E. Finley of Allen, Okla., and Mrs. Mary B. Walker of Fort Smith, Ark.

The body of Mrs. Finley was sent by rail to Whittier, Calif. Tuesday by the Murphy-Spicer Funeral Home for burial.

Peron Quells Revolt In Argentina

BUENOS AIRES—Dictator Juan Peron is still firmly in the saddle in Argentina after crushing a revolt. Attempt to make his blond actress wife (with him, above) vice president was "last straw" for foes. He holds, perhaps symbolically, two cigarette lighters shaped like miniature pistols.

Halloween Carnival Plans Underway

Plans are being formed for the annual Halloween Carnival sponsored by the Sims P.T.A. with the opening of the election of Queen candidates from each grade.

Candidates and their escorts from the Elizabeth Stevens School are as follows: First grade, Patti Lane, escort Charlie Slavin; Second grade, Judy Benson, escort, Larry Stewart; Third grade, Martha Jo Risley, escort Raymond Neal Carter; Fourth grade, Glenn Hoggatt, escort Jerry Hicks; Fifth grade, Betty Brown, escort Jimmy Bain.

Candidates from Junior High School are: Sixth grade, Frances Wright; Seventh grade, Glenda Borden; and Eighth grade, Wanda Lewis. Names of their escorts have not been turned in.

High School candidates have not been chosen. Their names and further announcements regarding the entertainment will be announced later.

Clarence Davis Buried Here Saturday

Funeral services for Clarence E. "Skeeter" Davis were held Saturday morning at Griggs Pioneer Chapel in Amarillo with Rev. H. W. Hanks, pastor of the Muleshoe Methodist Church officiating.

Mr. Davis, age 33 years, was found dead at his home in Amarillo Thursday morning. Death was attributed to a self-inflicted gun shot wound according to a coroner's verdict. "Skeeter" was a native of Donley County and attended the Clarendon Public Schools. He was a veteran of World War II and was a member of the American Legion here. He had been a resident of Amarillo since last November.

Survivors include his wife Mrs. Estelle Davis; six brothers, Clifford L. and Loyce W. Davis of Amarillo, Roy W. Davis of Marion, N. C., Ernest T. Davis and Arthur S. Davis of Plainview and Kennedy Davis of San Antonio; two sisters, Mrs. C. Guy Stidham, San Antonio and Mrs. Norman Shepard, Seal Beach, Calif., and his father W. K. Davis of Plainview.

Burial was in Citizens Cemetery, Clarendon, Saturday afternoon. Pallbearers were Pat Slavin, Gene Baxter, H. L. Riley, Colie Huffman, Johnny Grady and Gerald Noble.

CLUB BOARD NOTICE

A meeting of the Club House Board has been called for Monday afternoon, October 8, at 3 o'clock. All clubs using the Patching Club House are asked to have their presidents, and vice-presidents or their representatives present for the meeting.

Services Held For J. B. McDaniel Jr.

Funeral services were held Friday morning at the Lelia Lake Methodist Church for James Burton McDaniel Jr. with Rev. L. D. Cleveland and Rev. Ernest Phillips officiating. Final rites were held Friday afternoon at the Methodist Church in Vernon, Texas.

James Burton Jr., age 16 years, was a student of Lelia Lake High School. He died suddenly at his home in Windy Valley last Wednesday. He was a member of the Methodist Church.

Survivors include the parents, Mr. and Mrs. J. B. McDaniel of Windy Valley, his grandparents, Mrs. Nora Key of Vernon and Mr. and Mrs. C. M. Myers of Lelia Lake.

Pallbearers were Sid Pointer, Hobart Moffitt, Clarence Ayers, Fred Thomas, Nelson Seago and J. W. Webb.

Burial was in the Eastview Memorial Park at Vernon with funeral arrangements under the direction of the Burns-Bain Funeral Home.

Rehearsal Date Set For October 9th For Amateur Show

All entries must be in this week for the Senior Class sponsored Amateur Show, it was announced yesterday. A rehearsal will be held Tuesday night, October 9th. The show will be presented Thursday, October 11. Anyone wishing to enter may contact Shirley Ann Morris, Mary Lou Barker, Miss Lucile Polk or Mr. W. C. Larimer.

Prizes to be awarded will be \$10 for first place, \$7 for second and \$5 for third place.

Bronchos Take Conference Opener Last Friday, 32-7

The Clarendon Bronchos displayed some good playing here last Friday night when they met the Wheeler Mustangs in the conference opener of the season and downed the visitors 32-7. The game was fast all the way through with the Broncs making and taking advantage of numerous breaks. Duane Hearn and Lovell Myers brought the Broncs out in front with two touchdowns each. Hearn's scoring spree was the thrill of the game when he toted the pigskin 80 yards for 6 points on one occasion and 65 yards on another.

The Broncs scored twice in the first quarter. The first tally came after the Broncs drove from their own 23 yard line to the Mustangs 38; Myers took over at that point and went over for the counter. A few plays later, Hearn intercepted a Mustang pass on the 50 yard line and returned it to the 19. Myers repeated again, dashing off the remaining 19 yards.

The Mustangs made their only score in the second quarter after marching down the field from their own 33 yard line. Johnson plunged over from the one, and plunged again for the extra point.

The Mustangs kicked to Mooring on the 20 yard line and Mooring handed off to Hearn who carried the ball down the left sideline for 80 yards and the 6 points. Hall pitched to Murff for the extra. In the third quarter, Hearn took a Mustang punt on the Broncs 35 and went all the way again. Leflew plunged over for the extra. The last Bronc score came in the fourth quarter with Hall going over from the 1 yard line. A majority of the second string was in the line-up when this score was made. Every member of the Bronc squad had an opportunity to play before the game was concluded.

The game was halted about mid-way of the fourth quarter when James Poole, of Amarillo, official working the game, suffered a heart attack. A Murphy-Spicer ambulance waiting at the game rushed the official to a Memphis hospital where his condition was reported only fair. He was reported some improved when he was moved to Amarillo Saturday morning. The game was concluded with three officials.

SERVICES HELD HERE FOR McCAULEY INFANT

Graveside services for the infant daughter of Mr. and Mrs. John McCauley of Amarillo were held here Monday afternoon with Rev. F. N. Allen officiating. Survivors besides the parents include a twin infant sister, the grandparents, Mr. and Mrs. Joe Johnston and Mrs. Walter V. McCauley.

Elect Supervisor For Sub-division No. 1 In Donley County Soil Conservation District

Twenty-seven farmers and ranchers gathered at the school house at Alanreed at 8 P. M. on the night of October 2nd to elect a supervisor for sub-division number one in the Donley County soil conservation district. H. M. Breedlove, county agent in charge of the meeting said that much interest was shown and a good program was presented to the group. Mr. Carman Rhode, local conservationist for the SCS showed two films on conservation. Mr. C. P. Hamilton was chairman of the election and Jess Grogan was secretary. Mr. T. C. D'Spain was elected as supervisor. Mr. D'Spain has been the supervisor for this sub-division ever since the creation of the district and every one complimented him on the fine work that he has done.

Refreshments of coffee and doughnuts were served.

ATTEND FIELD DAY AT SPUR OCT. 2

Attending the field day at the Spur Experiment station in Spur on October 2nd were H. M. Breedlove, county agent; J. Gould of the SCS and Mr. G. E. Sargent of the SCS. Mr. C. H. Long and wife met this group at the station and attended the field trip and barbecue.

The tour of the station was on the control of mesquite and other brush, control pasture grazing and field crops and conservation of soil and water.

Approximately 500 attended the field day from all parts of Texas and adjoining states. The tour was very educational and the Spur Station is a branch of the Texas A&M College System and the Extension Service.

Colts To Play Panhandle Jr's Here Tonight

The Jr. High Colts will be out for their second win of the season tonight on Broncho field when they meet the Jr. High squad from Panhandle. This is expected to be a much closer game than the one played last Thursday night and the Colts are inviting all football fans to come out and give them plenty of support. The Panhandle team is reported heavier and more experienced than the Colts but they will have to put out plenty if they win the game. Admission price of the game is 25 and 15 cents. The game will start at 7:30. The concession stand will be open for those who enjoy eating and drinking.

New Wildcat Location Near Ashtola

Wildcat well drilling operations are still creating new interest each week. The newest location is the Placid Oil Company, W. R. Kelly No. 1 which is located about four miles southwest of Ashtola. It has been reported that this is the same rig that was drilling the No. 2 well on the JA that topped granite last week. The No. 1 well topped granite this past week and it has been understood that this rig will be or has been moved to a location that will necessitate the workers to move to Tulia and come into the area from the south rim of the Palo Duro canyon. Nothing new has been reported on the proposed well north of Lelia Lake. The No. 3 location on the JA was last reported at 1,325 feet with pipe stuck.

DONLEY COUNTY SINGING ASS'N. TO MEET SUNDAY

Members of the Donley County Singing Association will hold their regular meeting Sunday afternoon, October 7, at the First Methodist Church in Lelia Lake, beginning at 2:30. A number of good singers living in other towns have been invited for the afternoon.

The public is invited to attend especially the good singers and those enjoying good singing.

Mrs. Ada Jane Ryan Buried Here Saturday

Funeral services for Mrs. Ada Jane Ryan, 94 years old, were held Saturday afternoon at the Buchanan St. Methodist Church in Amarillo with Rev. H. B. Coggin officiating.

Mrs. Ryan died Thursday night at the home of her daughter, Mrs. T. J. Buntin in Amarillo. She had been a resident of Miami and Clarendon before moving to Amarillo ten years ago.

Survivors include one son, George A. Ryan of Clarendon; two daughters, Mrs. T. J. Buntin, Amarillo, and Mrs. James Parker, Livingston, Texas; 12 grandchildren, 17 great-grandchildren and one great-great grandson.

Pallbearers were her grandsons, W. E. Buntin, George Buntin, Robert Buntin and Andy Buntin.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

Colts Win Over White Deer, 40-6

The Jr. High Colts romped at will last Thursday night to down the Junior High team from White Deer 40 to 6. Coach Brown had thirty-eight boys in uniform and each one played some part of the game.

Corky Wilson went over for one of the counters, Billy Hicks made one touchdown with 1 extra point, Chester Mann made 1, Bernie Benson made three touchdowns and one extra point and John Payne made two extra points.

The Colts looked mighty good in all departments and showed themselves well throughout the entire game. They tackled and blocked like old hands at the game and had that type of spirit that is always needed to win ball games.

News From The Office of Price Stabilization

A revised pricing program for the retail sale of beef establishing new dollar and cent ceilings went into effect in the Lubbock district — 89 West Texas counties — on October 1, the Lubbock district office announced this week.

The regulation also permits the sale of a wider variety of retail cuts and contains more effective safeguards to protect consumers in buying beef, the district office said.

The ceiling prices of some beef cuts in the district are reduced, and some are increased under the order. It results in an overall increase in cost to the customer of about one and one-half to two cents a pound over those now in effect.

District OPS officials stressed that the increase was required

THE DONLEY COUNTY LEADER

under the stabilization law passed by Congress in August. The retail increase is a direct reflection of an increase granted last week to packers to restore their normal margins which had been cut by lower receipts of cattle and for cattle by-products, such as hides and tallow.

The new retail ceilings are the ones that OPS announced last week would be issued soon, based on revised wholesale beef ceilings which became effective then. Also, price relationships among some retail cuts have been further revised to reflect more accurately the real selling value of each cut. Because of this, there will be lower retail ceilings for some popular beef items while ceiling increases will be required in others.

Price changes will range from an increase of as much as 28 cents a pound on some utility cuts of beef to a decrease of as much as 20 cents a pound on some choice cuts of brisket.

Meanwhile, the Office of Price

Stabilization has also issued a regulation under which producers and sellers of agricultural liming materials will establish their ceiling prices by formula.

The Lubbock district price executive, Ted Gehring, pointed out the importance of such a regulation to the West Texas district because of the wide-spread agricultural industry in the area.

Mrs. Will Haley and Mrs. J. H. Green, Jackie and Dianne of Plainview were week end guests in the home of Mr. and Mrs. J. I. Spurgeon. Mr. and Mrs. Paul Smith and family and Mr. and Mrs. Norris Spurgeon and Pat were also guests on Sunday.

Donley County Soil Conservation District News

According to the Soil Conservation Service quarterly report for the last three months, seventy nine new farms have been placed under agreement with the District.

This is the largest number ever received in a like period since the District began operation over four years ago. The total number of District cooperators is now three hundred seventy-five.

This number includes about half of the farmers in the District while the area cover is over two-thirds.

The goal of the District is for

every farmer to become a co-operator in the near future. A farmer becomes a cooperator by signing a cooperative agreement with the District. In this agreement the District agrees to assist the farmer in carrying on his conservation program on his farm by furnishing him such information, technical help, and other assistance it may have available at the time the work is to be done. This technical help is furnished by the Soil Conservation Service and there is no charge whatsoever for this assistance.

In this agreement the farmer agrees to develop as soon as feasible a conservation program for his farm.

There is absolutely no penalty involved in this agreement. The farmer can have his agreement

cancelled at any time he desires. To date none has been cancelled except when the farmer moved or the farm sold.

Remember that the agreement is with the District—a local organization of farmers in Donley County and created under the provisions of the State Law for the purpose of promoting soil conservation and not with the Soil Conservation Service or any other Federal agency.

After becoming a cooperator you will receive help on only those jobs for which you ask for help. No one is going to tell you to run your farm. There is no compulsion involved. The District has only one purpose and that is to help the farmers conserve and improve the productivity of their land.

If you are in need of any kind of technical help on your farm relating to soil and water conservation, you are invited to visit the Soil Conservation Service and make application for the as-

sistance needed.

Unusual Attractions Will Be Featured At State Fair of Texas

The most unusual attractions that have ever appeared in the Southwest will be featured on the million-dollar midway of the 1951 State Fair of Texas, Oct. 6-21.

The beautiful and the weird, the laughable and the sensational, will evoke emotions ranging from hilarity to amazement among the more than two million visitors to the world's greatest state fair.

For example, Betty Lou Williams, a 17 year old Negro girl who actually has four legs and three arms, will make her first appearance in Texas. She was chosen by the late Robert L. Ripley of "Believe It Or Not", fame for his "Odditorium" show when

she was but five months old. Her case has baffled medical science as well as the millions of people who have seen her.

Then there'll be two mammoth giants who will bring to mind the fabled story of "Jack and the Beanstalk." One is an Amazon giantess seven and a half feet tall, and the other is the famous 8 ft. tall giant brought to this country several years ago by the Ringling Bros. Barnum & Bailey Circus.

Jess Willard, former world's heavyweight boxing champion, will also appear with one of the shows on the midway.

The biggest little people's show on earth will bring to the fair a talented aggregation of midgets, including a tiny little charmer who looks very much like Mae West and puts on a very realistic imitation of her.

Divena, the underwater ballerina who performs in a glass tank filled with water, will be a feature of the midway, as the star of a lavish musical revue. She has been seen in the nation's biggest and best-known night clubs.

These are just a few of the attractions on the 1951 midway.

Preparations for the 66th edition of the state fair are proceeding at an accelerated pace as the time grows short before the gates

swing open on Saturday, Oct. 6. More than 5,000 entries already have been made in the livestock and poultry shows. The fair's new \$125,000 livestock pavilion is nearing completion and will be ready by fairtime.

Mr. and Mrs. Owen Moore and children of Borger visited Sunday with Loyd and Ruth Richardson and other relatives.

Mr. and Mrs. Guy Wright and family attended the Fair in Amarillo Thursday afternoon.

Mrs. Loyd Johnson returned Sunday night from Cado Mills where she visited her sister, Mrs. I. B. Koeger. Mrs. Koeger is recovering from surgery and is reported to be improving.

A group of lions is called a pride.

Capitalists at play!

— the American Way!

Capitalists?

Why, yes. Fishermen and fiddlers, bridge players and ball players... all kinds of Americans, in fact, are Capitalists... because most Americans are owners of the electric light and power companies!

It's like this: several million people— from every walk of life—are direct owners of these companies' securities. And some 75,000,000 are indirect owners—through

their life insurance and savings bank accounts! You see, when banks and insurance companies accept your money, they must invest it wisely. That's why so much of it goes into business-managed electric companies like the West Texas Utilities Company.

BLOWIN' Out the CORNERS

by Uncle Zeb

Last week Earl Blanton couldn't find our column in the paper; it seemed to be lost behind some cash customers ad, and he all week long suffered with a case

of indigestion. I had had several complaints in the past that the contents of said column had given them the stomach-ache, but this was the first comment of this kind and I certainly appreciate it. After this I will personally bring him an autographed copy of the paper.

As to the erroneous statement made last week by one of the weekly papers that carry this column to the effect that Uncle Zeb had returned to smoking, believe not a single word. The truth was that while I was reading said paper my chewing gum

became lodged between the pages, but I never broke over even though I couldn't stand the taste of it anymore. I lived off tooth picks until I could get a fresh supply of gum. I never let the wheat farmers down and I won't let the members of the Ain't Smoking Right Now Society down either.

Someone told me this saying last week: "If we hide behind the shortcomings of another we are admitting that they are bigger than we are, or we couldn't do it."

I heard of a man who said that when he got to Hell he was going to ask the devil to let him have the job counting all the church-members who came there because of their drinking. This man

was defending his position with the drink. The only trouble with this argument is that it doesn't hold water. Probably people don't go to hell because they drink; neither do they get into Heaven just because they have their name on a church roll. Anyway, I wouldn't want the job and it wouldn't be any comfort to me in hell to be sitting next to a church brother. What I am trying to say is there is just about as much comfort in finding a person in the church that is as mean as we are as there is finding a person on the outside who is better than we are. Responsibility to take our science and our God. Nevertheless, I believe one of the worst walking advertisements the churches have today is their drinking members. In a way the

man was justified in his deductions, almost. At least we can see why he would think of this line of reasoning.

I talked with a person the other day that was all worked up to the point of distraction over the threat of Communism. It is a terrible thing and we need to worry about it, but the thing that I fear will get us first is the breakdown of morals in our own country and government. This at least will pave the way for this horrible ism. As we see corruption on every hand and as we feel heels of bureaus and dictators as they gradually usurp our freedom we become unconcerned and give up in our efforts to do something about it by our votes. Then, while we are asleep some dictator, or some form of Communism will try and grab us off. I bought the street edition of the Amarillo News the other evening, and with the exception of two small items the whole front page concerned graft, bribery, murder and perjury. If we are successfully to fight Communism we are going to have to do away with the conditions on which it thrives; corruption, lack of Christian

principles, oppression, and idleness. One of the main reasons that the Communists in Russia could do away with the churches was because of the corruption in them. People were disgusted even with the churches and this made a fertile field for propaganda.

No. 9290 in the Book of Humor: I often pacuse and wonder At fate's peculiar ways, For nearly all the famous men Were born on holidays.

A word of advice; don't try to give it.

After writing the above on politics I read this: "What this country needs is wroger people telling us what is wrong with us." Is that right, or is that a bit of propaganda?

Don't cheat at the game of life or you may get sent up for a of it.

"I've driven 50,000 Miles, so I know!
'50,000 Miles No Wear'
with New Conoco Super Motor Oil!"

says D. C. Lemmons
Construction Contractor
Brownwood, Texas

"I am continually running from one of our jobs to another, in all kinds of weather, over all kinds of roads," says D. C. Lemmons. "In my car, and in our trucks and cement mixer, I must have a motor oil that can stand up under dust, dirt and cement powder. That's why I was so interested in your story of 50,000 Miles—No Wear."

"Since changing to Conoco Super Motor Oil, I've driven my personal car more than 50,000 miles. That's why I know—50,000 Miles—No Wear has sure been true for me. Since I can't afford to take chances on ordinary oil, it's Conoco Super one hundred percent for me!"

Change Now—For Summertime Performance All Winter! Protect your engine from winter's rasping wear. Change to new Conoco Super Motor Oil, with OIL-PLATING. Get quick starts, fast pickup, better performance all winter.

Proof of 50,000 Miles—No Wear! After a punishing 50,000 mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Factory finishing marks were still visible on piston rings! Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

ROOST SPREAD

Get the LICE and Get MORE EGGS

Lice and Mites are two of your chickens worst enemies. They keep your birds awake at night and continually trouble them during the day.

Here is an easy, labor-saving and economical method of destroying these strength sapping and profit-taking parasites.

Use Russell's BHC. Roost Spread. It is a new improved product that easily gasifies from the heat of the bird's body when roosting and works up through the feathers reaching all the body lice and feather mites. Just a narrow 1/4 inch strip painted on the top of each roost pole with an oil can or brush does the job.

Russell's BHC. Roost Spread comes in 4 sizes. 8 ozs., 75c; 16 ozs., \$1.35; 32 ozs., \$2.25; gallons, \$7.20.

Hill-Molesworth

In the First Methodist Church at Schulenburg, Texas, Miss Jo Anne Hill, daughter of Mr. and Mrs. Joseph Ellis Hill of New York City, was married to Pfc. John Mudge Molesworth of Lackland Air Force Base in San Antonio, Texas, on Saturday, Sept. 22, at 8 p. m. with Rev. I. M. Roos, rector of the Methodist Church officiating.

The bride, given in marriage by her grandfather, Fred Bittner of Schulenburg, wore a ballerina length gown of ivory lace and nylon net. She wore a matching lace Juliet cap and carried a bouquet of split chrysanthemums and orchids.

Mrs. Wm. C. Pierson of Boston, Mass. was matron of honor. She wore an aqua lace over taffeta ballerina length dress with matching headpiece and carried a bouquet of yellow roses. Cpl. Wm. E. Roberts of Richmond, Va. was best man. Ushers were Harry Baylor of Schulenburg and Fred Molesworth of Clarendon.

Only relatives of both families and a few close friends attended.

The bride was graduated from Rhodes Preparatory School, New York City, and Barnard College where she received her Bachelor of Arts degree in Psychology. At the time of her marriage she was attending the New-York School of Social Work while engaged in Welfare work for the City Episcopal Mission Society.

Mr. Molesworth is the son of Mr. and Mrs. Jack Molesworth of Clarendon and was graduated from Texas Military Institute in San Antonio, Texas. Prior to his enlistment in the Air Corps, he was engaged in ranching at Junction, Texas and made his home with his grandmother, Mrs. A. L. Mudge.

Immediately following the

wedding, an informal reception was held at the home of Mr. and Mrs. Fred Brittner. The bride's going away dress, was navy and white check with a short cape and navy accessories. After a short wedding trip they will be at home at 212 E. Huisache Ave., San Antonio, Texas.

18-Year-Olds May Register Here

AUSTIN—Boys who reach the age of 18, required to register with the nearest draft board, can register in Donley County with Mike M. McCully of Clarendon.

The nearest draft board is Local Board No. 52, Pampa, which has jurisdiction over Donley, Gray, Wheeler, and Roberts counties.

Mr. McCully's service as registrar enables Donley County boys to register in their own county without having to go to the expense and trouble of travel to Pampa.

A local board is maintained for the four-county area because one board can take care of it under present circumstances and thus help keep down the cost of government.

Brig. Gen. Paul L. Wakefield, state Selective Service director, said today that "people should appreciate the service Mr. McCully is rendering to the people of Donley county. He does this job without pay as a patriotic service to his country."

All males are required to register under the draft law on their 18th birthday or within five days thereafter.

Maximum penalties that can be applied for failure to register is \$10,000 fine, or five years in prison, or both.

CARD OF THANKS

We wish to thank our many friends for their kindness, sympathy and beautiful floral offerings during our bereavement. May God's richest blessings be with each of you always.

Mr. and Mrs. J. B. McDaniel
Mr. and Mrs. C. M. Meyer
Mrs. Nora Key.

School Absentee Report Depressing

There was still a large number of absentees in the local schools last week, especially in view of the fact that there were only four school days last week. The total days missed in all grades was 107 days—a cost of \$96.30 to the public school system. 56½ absentee days was marked up against senior high and 50½ days against the 1st thru 8th grades. School officials are still in hopes the situation will grow better and give the school more money.

Mr. and Mrs. R. M. Fedric and Theresa left Tuesday for Borger after spending their two weeks vacation in Clarendon with their son and family, Mr. and Mrs. S. M. Fedric and their daughter, Mr. and Mrs. Olace Hicks and family.

Mrs. Edith Longan spent several days with her son, Mr. and Mrs. J. C. Longan and daughter Peggy at Pampa the past week. They all saw the Tri-State Fair at Amarillo Friday.

Mr. and Mrs. Tom Smallwood and Tommy of McLean visited Friday night in the home of Mr. and Mrs. M. L. Pittman.

Mr. and Mrs. G. W. Bradshaw and children attended the Fair in Amarillo Wednesday.

Thousands of Western Bluebirds spend the winter in Palo Duro Canyon. The reddish-brown cedar berries are a food delicacy to them.

Most of us spend one-third of our lives in bed and asleep.

A set of steer horns believed to be one of the largest in the country is on exhibit at El Coronado Lodge in Palo Duro State Park near Canyon. The horns are seven feet, ten inches from tip to tip and are thirteen inches around at the base. The horns curve gracefully and measure almost nine feet across when the contour of the horn is followed. A pair in the Buckhorn Saloon in San Antonio is eight feet long, but is not so large or curved.

Buffalo, Longhorn Steers, deer and paint mountain burros are favorite animal subjects of photographers at Palo Duro State Park. A pair of Elk will be added to the list this year.

J. B. Deaton of Claude visited last week with his daughter, Mr. and Mrs. J. R. Allen and family.

**IN MEMORY OF
MRS. L. L. CORNELIUS**

Those who leave such a rich heritage behind them as did Mattie Cornelius are not soon forgotten. She will live forever in the hearts of her family and loved ones.

The sweet serene beauty of her character will continue to influence the future generations of her posterity. Mattie was a kind, patient mother. She met the problems of life with calmness and courage. During her long illness, she was ever cheerful and happy. She wanted her friends to feel so welcome and wanted. Every day was "open house" to their children, grandchildren and friends. As a home-maker Mattie was among the most efficient.

Her work was carried on smoothly and systematically. She never appeared upset or nervous. An inner joy and contentment permeated her heart and soul. She

enjoyed life, her home, her family, her church. Her daily life was built around the golden rule, hence she was loved by every one.

Her influence is revered and respected. Mrs. Cornelius' success as a mother is attested by the fine men and women who are her sons and daughters. The same may be said of her grandchildren, many of whom are grown and married. All of them are an honor to their grandmother.

By extending to all a wholesome, sincere friendship, Mattie Cornelius has left the world a better place because she passed this way.

Mrs. C. T. Cornelius,

By May L. Prewitt

The first attraction to be offered this week is for the Junior readers—"A Kiking of the Sky." This is a gift from Ralph Harmon who donates frequently to his department. There are several of these boys who have been very generous with their gifts in both books and magazines.

We received eleven very clever "Little Wonder Book Series." These were ordered in May, but the company has had financial difficulties and failed to send them earlier. They will fascinate the little tots, but are poorly bound, and inexpensive.

Our magazine shelf is bulging with fascinating periodicals such as Ladies' Home Journal, Mc-

Calls, Companion, Life, Time, Look, etc. We have something for each of you to enjoy. We have some surplus magazines to give you as our small space does not permit very much storage. I absolutely never find time for clipping material that would be useful in various ways.

Guests in the home of Mr. and Mrs. S. W. Lamberson Sunday were Mr. and Mrs. J. T. Lamberson of Pampa, Mr. and Mrs. Ernest Lamberson and children of Groom, Mr. and Mrs. Jack Lamberson of Ashtola and Mrs. Brack LaGrone and Stanley.

Mr. and Mrs. Gordon Lee and James Leslie of Claude, Mr. and Mrs. Jim Clark and Jim of Pampa, also Mr. and Mrs. Virgil Moore and children of Amarillo were guests Sunday in the home of Mrs. E. W. Tyler.

Mr. and Mrs. Curtis Phillips and family of Borger visited Wednesday and Thursday with her sister, Mr. and Mrs. Lloyd McCord and family.

FARM NEWS
From the County PMA Committee

SCRAP IRON

You probably know how important scrap is in making steel. For steel is half scrap and half pig iron. And, of course, you know that steel is the number one ingredient in making the vital weapons of defense—planes, ships, tanks, and other munitions. Right now the Nation is stepping up this production of military items in order that we may be strong enough to defend ourselves and our way of living against any kind of attack. Consequently, scrap is essential to our defense.

The National Production Au-

thority tells us that the steel industry's supply of scrap is dangerously low. Unless scrap keeps flowing to mills in sufficient amounts, steel production is bound to suffer.

The Donley County Mobilization Committee is asking farmers to cooperate in rounding up farm scrap this fall and selling it to scrap dealers. The higher grade, heavier types of scrap found on farms are in special demand.

Scrap prices are comparatively good right now. Generally farmers can count on getting higher prices than they received for scrap in World War II. Scrap prices are controlled by the Office of Price Stabilization.

In the long run, farmers stand to gain when scrap moves to mills in sufficient quantities.

Scrap helps guarantee continued production of new farm machinery and equipment.

Iron and steel scrap is wanted especially. There hasn't been any call for the lighter metals, such as aluminum, or for such other materials as scrap rubber or paper. A partial list of items to look for: plow points and shares, cultivator shovels and sweeps, other broken machine parts, horse-drawn equipment replaced by a tractor, old electric wire and cable, worn-out storage batteries, windmill and watertank towers, replaced by modern pressure systems. You can include wire and screening, too. This lighter scrap is in greater demand than it used to be since more steel products are made in lighter weights today.

Once your scrap reaches local dealers, we expect that it will move to the mills without delay. NPA reports that it is working with dealers throughout the country to assure prompt collection.

Community and County Committeemen will meet Friday morning, October 5, at 9:00 A. M. to discuss the limits to be set on the deep plowing practice.

WHAT SHOULD WE EXPECT FROM FARMERS?

In fairness to the farmer, can we expect him to bear the full burden of protecting the rest of the economy by producing to the extent of driving his own returns below a fair level? Farmers are meeting the production goals requested of them by the Government or representatives of the people. They are meeting these goals without regard to what it will do to their returns.

As an example of the farmers efforts to produce the foods that are needed, farmers were told that we needed more meat. In the spring of 1947, farmers produced 52.8 million head of pigs and received 145 per cent of parity for them. In the spring of 1948, they produced 51.3 million head and received 129 per cent of parity. In 1949, they produced 58.4 million for 104 per cent of parity. In 1950, they again stepped up production to 60 million head and received only 95 per cent of parity. The request went out for the production of even

more meat. Farmers in the spring of 1951 have produced 63.5 million pigs. These will be going to market this fall.

Are we going to expect the farmers to sell us this additional meat production for less than parity?

In April, farmers were receiving only 96 per cent of parity for their hogs.

We don't expect industry to step up production of needed industrial commodities without first guaranteeing industry a fair return for the increased production.

Mr. and Mrs. Kenneth Reed and children, Kenny and Gary of Belen, N. Mex. visited Sunday and Monday with her parents, Mr. and Mrs. C. C. LaGrone and family.

IT'S MOVIE TIME in TEXAS

GO TO A MOVIE TONIGHT!

BUT FIRST THE MOVIE MEN OF THIS TOWN WOULD LIKE TO ASK YOU A QUESTION.

Did you ever stop to think what an important part in everyday life the Movies play? Or, put it this way —

WHAT KIND OF A WORLD WOULD IT BE WITHOUT MOVIES?

The Motion Picture Theatre in any community is a haven of entertainment at modest prices. The talents of great artists are yours in an atmosphere of comfort and ease.

The theatre, like schools and churches, play an important role in civic responsibility.

We bring this thought to you because we want you to join not only with us, but with every theatre in the State in celebrating

MOVIE TIME in TEXAS

And we promise you the greatest parade of pictures ever made during this Jubilee.

So why not relax and go to a movie tonight?

Sincerely,
Mulkey Theatre

NOTICE TO THE PUBLIC

This to announce that I have sold my Insurance Agency to MAURICE LANE & MIKE McCULLY.

These are two of our fine young business men who are well qualified to carry on the business in a fine way.

They are trying to build up a business for themselves and they deserve and will appreciate any business entrusted to them.

I want to express to you my thanks for all the business you have given me in the 25 1/2 years that I have been in the insurance business. It's been a pleasure to have served you.

I want to also assure you who have policies with me, that this sale in no way disturbs your Policies and they remain in full force and effect, just the same as though no transfer of the Agency had been made.

This new firm will look after and take care of the renewals just as I have always done.

All notes and accounts due the old firm, will be payable to J. T. PATMAN and can be paid to him direct or at the office.

I will pay all accounts due by J. T. PATMAN & SON, up to October 1st, 1951.

Very Sincerely,
J. T. PATMAN.
