Celebration To Draw Large Crowd, 3-4th

MUCH INTEREST BEING TAKEN IN RODEO QUEEN CONTEST

Interest in the Queen of the Rodeo contest mounted to a feverish pitch Wednesday afternoon as the deadline for Queen contestant entries set by the Outdoor Entertainment Association, sponsors of the contest, was announced. Early standings for the nineteen youthful candidates had not been announced as the 1:30 P. M. entry deadline passed. All candidates met in the new American Legion hall at the deadline hour for final instructions from the contest committee. An enthusiastic campaign for votes commenced immediately as the candidates began contacting their sponsors and favored backers.

R. S. Brumley announced that George Bagby, local insurance man, would present the Queen of the Rodeo with a pair of hand-made boots. Pete Kunz, Commander of the American Legion, announced that each of the nineteen Queen contestants and their escorts were invited to be the guests of the American Legion at their dances on the nights of July 3rd and 4th. During the evening the young ladies will be introduced from the stage in the Legion hall.

The Queen of the Rodeo will be crowned at the first rodeo performance on the night of July 3rd and will reign in royal style at the three rodeo performances. The Association voted in its Tuesday night meeting that voting in the contest would close at 12:00 o'clock noon on July 3rd. The winner will be announced sometime in the afternoon, possibly at the race track during the horse races which commence at 2 p. m.

The Amarillo sports defeated Hedley 17 to 2 last Sunday. Hedley will play Washburn at Washburn next Sunday under new management. The new managers will be Herman Mooring, field manager and Arthell Gibson, business manager.

The Amarillo sports defeated Hedley 17 to 2 last Sunday. Hedley will play Washburn at Washburn next Sunday under new management. The new managers will be Herman Mooring, field manager and Arthell Gibson, business manager.

Selman, Patman Tailors; June Allred, Mulkey Theatre; Noma Lee Lewis, Buick Motor Co.

The Queen of the Rodeo Contest Committee has made arrangements for an election board to be placed on the windows of the old post office building. Returns will be placed on the board daily according to an announcement made by Jimmy Faulkner, manager of the Chamber of Commerce. Details of the contest are being handled out of the C of C office. Members of the Contest Committee appointed by the Outdoor Entertainment Association are Mrs. Alfred McMurtry, Mrs. L. T. Shelton, Mrs. Jack Brooks and Miss Ruth Richerson. Mrs. Peggy Hudson has worked with the Committee.

All Star Game To Be Played At Hedley

The Cap Rock League annual all-star baseball game will be played this year at the Hedley Ball Park July 4th at 2:30 p. m. The stars of the Western half of the league will play the stars of the eastern half. The west consists of players from Amarillo, Vega, Canyon, St. Francis and Washburn. The East will be the stars from Clarendon, Hedley, Groom, Claude and Panhandle. There will be no increase in admission charges.

The boys chosen for the all-star game from Hedley are Herman Mooring, Junior Hill, Bobby Everett and Arthell Gibson.

The Amarillo sports defeated Hedley 17 to 2 last Sunday. Hedley will play Washburn at Washburn next Sunday under new management. The new managers will be Herman Mooring, field manager and Arthell Gibson, business manager.

GIRL SCOUTS TO SPONSOR CAKE WALK

The Girl Scouts will entertain with a Cake Walk to be held Saturday evening at 7:30 in front of Hudson and Taylor's on Main Street.

You are invited to come by for an evening of entertainment and a chance at the delicious cakes on hand at that time. Proceeds will be used toward an outing for the group.

Services Held Sunday For W. C. Reeves

Funeral services were held Sunday afternoon at the Lelia Lake Methodist Church for Wilbur Clyde Reeves with Rev. L. D. Cleveland and Rev. John A. English officiating.

Mr. Reeves, age 70, was a retired farmer and had been a resident of Donley County 23 years. He was a member of the Methodist Church and took active part in community affairs. He was one of few in this area that had the knack to handle bees and raise honey which he prized very highly. He passed away at his home at Lelia Lake Friday afternoon.

He is survived by his wife, Mrs. Maude Reeves, four daughters, Mrs. Muriel Mosley, Yunea, Arizona; Mrs. Loree Alexander and Mrs. Eloise Reece, Borger and Mrs. Pauline Alexander, Grand Falls; four sons, Travis of Sunray, Virgil of Amarillo, Laird of Spring Valley, Wis., and Orville of Lelia Lake; five brothers, W. C. Reeves, Newburn, Tenn., H. B., Virgil and D. W. Reeves, all of Glenrose, Texas and E. R. Reeves of Levelland. One sister, Mrs. Marvin Zinn of Lubbock; 14 grand children and 4 great grandchildren.

Active pallbearers were Quinn Aten, Murphy Brock, Ellis Che-nault, Luther Butler, Sid Pointer and Holly Wood. Honorary pallbearers were G. Leathers, Will Mace, Will Walling, Walter Howard, Will Baker, Frank Wolford, J. W. Shields and Sid Endsley.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

This Is Your Celebration Edition

Clarendon business firms want this to be the biggest celebration ever to be held here which is evidenced by the large number of welcome ads in this issue of the Leader. They want everyone to feel that they are honestly welcomed to take in the entire celebration and encourage everyone to lay their work aside and not miss any event. Turn through the pages and absorb the warm spirit of welcome that is extended.

The Leader force has enjoyed putting out this larger edition and wish to thank the merchants for splendid cooperation in turning in their copy at an early date to make it possible.

OPS Representative Here Today, June 28

Mr. Sam Blake of the Lubbock OPS Office, will be at the Clarendon Chamber of Commerce office on Thursday afternoon, (June 28) according to an announcement received by Jimmy Faulkner, local C of C manager.

Faulkner states that any merchant of Clarendon or surrounding towns with OPS problems should contact Mr. Blake for help and information.

OPS representatives are in Clarendon each Thursday afternoon through an arrangement by the local Chamber of Commerce and it is expected that this schedule will continue through the month of July. Mr. Morean who was here last week was contacted by three of the local merchants.

Mrs. J. R. Cox, who is a surgical patient in Northwest Texas Hospital, is reported to be improving at this time.

New Legion Home To Be Dedicated

Pete Kunz, commander of Clark-Brock Post 126 of the American Legion, has announced that Lou J. Roberts, past Department Commander of the Legion will deliver the address of dedication in the new hall of Clark-Brock Post 126 on Wednesday morning, July 4th. Also appearing on the program will be 18th District Commander Rhea Smith and Fifth Division Commander Charlie Gibson, all of Amarillo. Many others well known in Legion work have expressed their intentions to attend the dedication ceremonies scheduled to commence at 10 a. m.

Mr. Kunz also announced that the American Legion will be host to all "Queen of the Rodeo" contestants and their escorts at the dances in the Legion hall on the nights of July 3rd and 4th. Immediately before the intermissions each contestant will assemble at the stage. The Legion will admit each contestant and her escort without charge to the dances.

Playing for the dance Tuesday night will be Phil Phillips and his brass orchestra and playing for the dance the night of July 4th will be Emmett Allen and his "Sunset Ramblers", featuring Roy Lee Brown at the piano. Admission for each dance will be \$1 per person. The new Legion Hall is full air-conditioned and a large crowd is expected to enjoy the dancing each night.

SERVICES HELD SATURDAY FOR SHARMAN McQUEEN

Funeral services were held Saturday afternoon at the Murphy-Spicer Funeral Chapel for Sharmar McQueen, 20 month old daughter of Mr. and Mrs. C. L. McQueen and granddaughter of Mr. and Mrs. Forrest Sawyer. Rev. John English officiated.

Little Miss Sharmar McQueen passed away Friday morning while undergoing skin grafting surgery. Some time ago she had received a very deep burn on her hand that would not heal, necessitating the surgery.

Survivors include the parents, Mr. and Mrs. C. L. McQueen of Abilene and the grandparents, Mr. and Mrs. Forrest Sawyer of Clarendon.

Pallbearers were Edward Sawyer, Rodney and Leon Youree and Tommy Murphy.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

CLYDE WILSON FAMILY RETURN FROM TRIP

Mr. and Mrs. Clyde Wilson and Pat returned home Monday afternoon from a vacation spent in Washington, D. C., New York City and Niagara Falls. They report a wonderful trip, having seen beautiful country and flowers, and encountering nice weather throughout the entire trip. They returned by way of Cleveland and St. Louis.

Among the many interesting sights seen were the Empire State building, the Statue of Liberty and a baseball game played by the Yankees and White Sox. Tours included a bus ride thru New York City and a boat trip around Manhattan Island. They also watched the liner Queen Elizabeth unload in the harbor and shopped at Macey's.

These are only a few of the highlights of the vacation. They were away from Clarendon 13 days.

Leader To Be Published Tuesday Of Next Week

Due to the Third and Fourth Celebration next week, the Leader will be published on Tuesday. The majority of business places will be closed on Wednesday and everyone will have plenty to do.

By publishing early, the Leader force will be able to help out with the various duties that have been outlined for practically every available person on the Fourth.

We are asking all rural writers to bring their news in early Monday morning if at all possible as we certainly will be crowded for time to set everything in type. All local news items, etc., advertising copy should be in not later than Monday afternoon.

Your cooperation will be greatly appreciated and we want to thank everyone in advance for helping us with this early publishing in any way.

Girls Turkey Track Barrel Ride

Mrs. Boyd Rodgers of Memphis and Mrs. Joe McMurtry of Clarendon, co-chairmen, announce a girls turkey track barrel ride for girls twelve years of age or older. Each entrant will make two rides during the three rodeo performances on July 3rd and 4th. The entrance fee is \$5.00 and there is a \$50.00 dollar purse, plus half the entrance fee to be split four ways for day money. In addition there will be a pair of hand-made boots for the winner of the fastest two day average time. Girls are required to be registered before 3:00 P. M. Tuesday, July 3rd. Registration will be in the lobby of the Allen Hotel.

YOUTHS ATTEND METHODIST CAMP

Several young people of the Methodist Church are attending the Clarendon District Intermediate Camp at Ceta Canyon this week. The group left Monday and will stay thru Friday.

Those attending are Allen Homer Estlack, Navarre Bain, Bill Hall Massingale, Frank White III, Doyle Graham, Rebecca King, Ruth Ann King, Janelle Tolleson, Evelyn Chamberlain, Johnnie Bell Waddill and Rev. and Mrs. John A. English.

Mr. and Mrs. D. F. Wadsworth visited in Hartley Monday.

Races, Rodeo, Barbecue, Parade And Dances Highlight 2-Day Celebration

Clarendon's annual July 3rd & 4th Celebration will be revived to the fullest extent here next week when the 75th Anniversary Celebration gets underway Tuesday afternoon. Every committee reports their part of the program in good shape and everything is expected to go along in grand style. It will be at this time that the men and women who have worked so hard to put this program on, will receive their reward - - - seeing the many visitors gathering to enjoy Clarendon's hospitality.

Horse Races—Kid Pony Race

Matched horse races featuring some of the southwest's widely known horse flesh will highlight the race program the afternoon of the 3rd. New information and inquiries are being received almost daily by members of the Horse Race committee. An exciting program appears assured.

In addition to several matched races, the committee has announced a Kid Pony race for youngsters 13 years of age or younger. There will be 1st & 2nd money of \$10 and \$5. Another race also announced for the program is a saddle horse race. This race is restricted to horses within the county. Horses will be rode with a stock saddle. An entrance fee of \$10 will be charged and will be split two ways.

Scouts Take Part

Clyde Price Jr. has reported that a detail of Boy Scouts will be on duty on both July 3rd & 4th to assist as needed in traffic control and accident prevention. These boys will cooperate with the safety steps which are being taken during the celebration. "Death Takes No Holiday" is the reminder from the local Chamber of Commerce in announcing that arrangements have been made with Bill Riney of the State Highway Department for large signs reading SLOW to be placed on the highways leading into Clarendon. The signs will remind local and through traffic that "One serious accident could turn the entire celebration into a period of sadness" stated Jimmy Faulkner, C of C manager who has been burning midnight oil to help make the celebration a greater success.

Free Barbecue

A total of fourteen beeves have been donated for the free John Snyder Barbecue beginning at

11 a. m. on the fourth, according to Bob Head, chairman of the committee. Those contributing beef are J. A. Ranch, Mrs. E. W. Bromley, Frank White, Jr., F. E. Sawyer, Don Grady, C. T. McMurtry, Ralph Grady, F. J. Hommel, Winks Adams, Joe McMurtry, W. J. Lewis and Son, Alfred McMurtry, Bain Bros., Bob Head, Fontayne Elmore, S. J. Ranch, T. L. Roach and Sons, Knorpp and Sons, J. D. Swift, Carrol Lewis, L. T. Shelton and F. E. Chamberlain.

Parade

The parade will start promptly at 1 o'clock near the depot. Approximately 30 entries have been made in addition to the large number on horseback, Rodeo queen contestants, etc. It will be colorful and entertaining to watch.

Rodeo Performances

There will be three rodeo performances. The first will begin at 8 p. m. the evening of the third at the new rodeo grounds in northeast Clarendon. The second performance will begin at 2:30 the afternoon of the Fourth and the last performance will begin at 8 p. m. the night of the Fourth. A large number of entries for all events have already come in. This is expected to be one of the finest and fastest rodeos to ever be put on here during any celebration.

Old Fiddlers Contest

R. T. Brown, chairman of the Old Fiddlers Contest to be held at 5 p. m. on the afternoon of the 4th reported that he had already received approximately a dozen entries. There are several entrants from Clarendon and also fiddlers from Ashtola, Memphis, Hedley and Lelia Lake have expressed a desire to participate for the Races, Rodeo, 22 22222 the cash prize money that is being offered. Those wishing to enter should contact Mr. Brown at their earliest convenience.

Pioneer Get-together

The old settlers and pioneers have been invited by the American Legion to use their new hall as a meeting place throughout the Fourth which will give them an opportunity to reminisce old times and visit in their air-conditioned building.

Dances

There will be plenty of opportunity for all those who enjoy dancing to have a wonderful time. A dance will be held each night at the New Legion Hall in the Old Pastime Theatre building, and also at the old Opera House. The dances will begin at 10 o'clock each night.

Concessions

The Boy Scouts and the Girl Scouts will have charge of all concessions. They will feature cold drinks, sandwiches, etc. Give these two worthy organizations all the business you can. They will be working hard to please everyone and make a little money for their troops.

SON OF LOCAL LADY INJURED NEAR DUMAS

Two Amarillo men were seriously injured last Friday morning when the floor boards in the truck they were riding seemed to explode. The two men, Robert Higginbotham and Waldon Gregory of Amarillo were taken to St. Anthony's hospital in Amarillo with multiple fractures of their feet. Gregory is a son of Mrs. G. G. Gregory of Clarendon. Highway patrolmen reported that the transmission tore up with the fly wheel tearing through the floor board like shrapnel.

Discuss Indictment of Reds

WASHINGTON, D. C.—FBI Director J. Edgar Hoover (left) and U. S. Attorney General J. Howard McGrath are shown as they met (June 20) at the Department of Justice today to discuss the indictment of 21 top-ranking communists following the swift FBI raid in New York and Pittsburgh that swept 17 of the 21 into custody. A nation-wide dragnet was spread for the four still at large.

Sample New Type Watermelons

WASHINGTON, D. C.—Representatives (left to right) Reva Bosone (D) of Utah, John Murdock (D) of Arizona, and Fred Aandahl (R) of North Dakota, sample midget watermelons, the size of canteloupes, now being grown experimentally in Arizona.

Went out in the country to the home place last week and met one of the sweetest little lady of 76 years, Mrs. Bullard, the mother of Mrs. Joe Johnston, the mother of twelve children eleven still living. She is visiting with Mr. and Mrs. Johnston, and what a joy she is, with a mind alert and interested in all current events. She has lived in Donley County since 1907.

Mrs. Allen Angel of Plainview spent Wednesday and Saturday with Mr. and Mrs. Joe Johnston.

Mr. and Mrs. George Hillis are enjoying their daughter and granddaughter of Borger who are visiting them.

Mrs. Harold Longan and Mrs. Edith Longan visited at Pampa Sunday with Mr. and Mrs. J. C. Longan.

Price Daniel Receives First Copy Texas Press Publication Laws Book

Texas' Attorney General Price Daniel has a big job and a big family.

In spite of that, during the past two years he has found time to compile and edit the first complete book on Texas Publication Laws, a work long needed by Texas newspapers, public officials and newspaper lawyers.

The first copy of the new book, published by the Texas Press Association, was presented to Price Daniel by his four children on Father's Day.

In addition to his distinguished career as a country lawyer and then as the aggressive attorney general of his native state, Price Daniel is co-publisher of his hometown newspaper, the Liberty Vindicator. His newspaper partnership with Jake Smyth and John Manthey also includes the Anahuac Progress at Anahuac, Texas.

Daniel is the son of a weekly newspaper editor. It was in the high schools of Fort Worth at the age of 15 years that Daniel first published his own newspaper, the Fort Worth High School Student. He also worked as a cub reporter for the Fort Worth Star-Telegram, and then for the Waco News Tri-

bune while attending Baylor University. At Baylor, Daniel edited the Daily Lariat and the college annual.

"I paid my way through law school by working in the newspaper business," Daniel has often said. He is an active member of Sigma Delta Chi, professional journalism fraternity, as well as his many legal associations.

From the standpoint of a lawyer and a newspaper man, Daniel is well equipped to write the book which contains all newspaper and public notice law in the state. The Texas Press Association is making it available to newspapermen, lawyers, public officials, and others at actual cost of publication. "It is a public service project made possible by the work of our attorney general," Brad Smith of Weslaco, president of the Texas Press Association said.

The only thing which rates higher attention than the law and the newspaper with Price Daniel is his attractive and devoted family. His wife, the former Jean Houston Baldwin of Houston, is a great-granddaughter of General Sam Houston. The four children are Price Jr., 10, Jeanie, 9, Hous-

ton, 5, and John, 4. They now live in Austin in a rambling house on three lots covered with oak trees to the nearest thing they could get to the open spaces of their permanent home in Liberty.

In his first five years as Texas' Attorney General, Daniel has gained distinction for his fight against federal seizure of the tidelands from the Texas public school fund. He insists that Texas will win in Congress if Texans keep on fighting and refusing to compromise or surrender. He has been outspoken in his belief that federal officials are violating the Texas Annexation Agreement in attempting to take these lands.

Daniel has been equally persistent against other federal encroachments upon the powers and property of the states and of individual citizens. Also, he has been leading the state's fight against organized crime, vowing that Texas will soon lead the nation in its clean-up of syndicated gambling and warning outside hoodlums and racketeers to stay away from Texas.

Daniel is a veteran of World War II, having retired from the office of Speaker of the Texas House of Representatives to enter the service as a private. After three years, the last few months of which were spent in General Douglas MacArthur's occupation of Japan, he was discharged as a captain.

That he is a hard worker in his job as "the people's lawyer" is evidenced by a record of 4832 lawsuits and 2498 official opinions disposed of by his administration since January 1, 1947.

Mr. and Mrs. Derrick visited with Mr. and Mrs. Harley Longan Sunday afternoon.

Mr. and Mrs. Joe Johnston made a business trip and visited with a daughter in Amarillo Tuesday.

Mrs. Ruby Denton of Groom visited Saturday with Mrs. Joe Johnston.

Mrs. Eva Rhode is spending a few days with her daughter, Mrs. Will Chamberlain.

Mr. and Mrs. Bert Smith, Jr. and family expect to move this week to Hickory Creek Camp on Lake Texhoma, near Marrietta, Okla. The camp is a fishing resort and will be managed by Bert, Jr.

Guests of Mr. and Mrs. H. C. Brumley Sunday were Mrs. Byron Drybread and son Dee of Elk City, Kansas, Mrs. R. K. Lane and daughter, Mrs. Vona Rose and granddaughter, Elizabeth Ann Rose of Wichita Falls, Texas.

Latest Blimp Takes The Air

AKRON, OHIO—The world's largest non-rigid airship, built for tracking enemy Snorkel submarines, was taken up for the first time (June 19), by Goodyear Airship pilot Walter Massic. The 324-foot blimp, officially designated the ZPN, can travel 87 miles per hour.

FISH FRY ENJOYED BY LARGE NUMBER

J. G. McAnear and Bill Todd entertained their entire Clarendon and Memphis store forces with a fish fry Tuesday night, the 19th, at the roadside park just north of Memphis.

J. G. McAnear furnished the fish. It was fish which he caught on his most recent fishing trip to Guaymos, Mexico. Potato salad, pork and beans, potato chips, green vegetables, coffee, tea, cake and ice cream were served with the fish.

The large amount of fish was fried in a wash pot over a camp fire.

Those from Clarendon attending were: Mr. and Mrs. D. P. Ray and two sons, Danny and Timmy, Mr. and Mrs. Billy Phillips and daughters, Teresa Ann and Billie Carol, Mr. and Mrs. B. B. Osborn and two sons, Maxey and Benny, Mr. and Mrs. Fed McAnear and son and daughter, Jackie and Joyce, Mr. W. W. Buck, and two visitors, Mrs. A. P. Todd and Mary Frances McCully.

Those from Memphis were the store manager and his wife, Mr. and Mrs. B. O. Shankles, Mr. and Mrs. T. B. Nelson, Mr. and Mrs. Snake Gallaway and little daughter, Sherry. The Ward Jones family did not attend because of

illness in their family.

The hosts and their families, Mr. and Mrs. J. G. McAnear and daughter, Jeanie, and sons, Ronnie, Dwight and Freddie.

Everyone enjoyed the get-together and visiting.

J. G. McAnear milled about camp taking movies at the most unexpected moments.

Efforts were made to keep away from shop talk, but it was observed that this did happen a few times.

GIRL SCOUTS

The Girl Scouts met Friday afternoon at the Canteen in a call meeting to discuss and lay the final plans for their concession thru July 3 and 4, and to decide upon the type of float to be used in the parade July 4th.

They met in regular meeting Monday afternoon at the Canteen discussing possible time for each girl to work and the responsibility of each. Following the meeting Mary Francis McCully served refreshments to the group. Seventeen were present.

Mrs. J. R. Ayers enjoyed a visit from her children Sunday, Mr. and Mrs. Felix Jones of McLean, Mrs. Addirene DuBose of Amarillo and Robert Ayers of Memphis.

GARDEN CLUB

The Garden Club met in the home of Mrs. A. L. Chase with Mrs. Thelma Darden as co-hostess, Thursday, June 21st. Colorful garden flowers decorated the house. Mrs. Howze, the president, was in charge of the business session.

Mrs. Brooks, leader for the afternoon gave an interesting description of "A Gardener's Workshop", including many helpful tips in organizing tools and supplies for better gardening.

Mrs. Kunz discussed "Power Mowers" and many labor-saving tools that would provide a fast and easy solution to dozens of gardening chores.

During the social hour, the hostesses served a dainty ice course to one guest, Mrs. Carroll Brumley of Marfa and attending members, Mesdames J. F. Blocker, Jack Brooks, H. C. Brumley, Rolle Brumley, Edwin Eanes, John Goldston, Joe Goldston, Lee Holland, J. H. Howze, Pete Kunz, C. D. McDowell, J. L. McMurtry, Frank Phelan Jr. Rayburn Smith W. W. Taylor, Frank White Jr.

MIDWAY CLUB

The Midway Club met in the home of Lucille Luttrell June 21. A delicious lunch was served after which two quilts were almost finished.

Members present were Pearl Terry, Sarah Shaller, Arrie Geldner, Eddie Williams, Goldie Mooring, Norma Chamberlain, Eula Butler, Emma Thomas, Ellen Moreland, Vada McCrary, Loyd Hillis, Lucille Luttrell and a guest Mrs. M. P. Hamblen.

The next meeting will be July 5th with Norma Chamberlain.

Mrs. Edna Smith and daughter, Doris, made a business trip to Amarillo Monday.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

Circle No. 11 of the Woman's Society of Christian Service met in the home of Mrs. L. L. Taylor on Wednesday of last week at 3:00 p. m.

Mrs. Cal Merchant, Circle Leader, presided at a brief business session. The following circle officers were elected: connectional treasurer, Mrs. J. R. Porter; local treasurer, Mrs. Joe Holland; secretary, Mrs. W. M. Pickering; Mrs. J. R. Bulls is associate leader.

After an inspiring devotional by Mrs. Walter Taylor, an auction sale was held. The sale consisted of hand made articles and baked and canned food prepared by Mrs. L. L. Taylor. This sale has been an annual event with Mrs. Taylor for the past six years, and the money received by her is given to her Sunday school class and her circle in the Woman's Society of Christian Service.

Refreshments of cake and ice cream were served following the program and sale. Approximately thirty women were present.

LILLIE HUNDLEY CIRCLE

The Lillie Hundley Circle of the Baptist Church did not hold their regular meeting Wednesday of this week. Instead they are helping the women in the colored Baptist Church hold Bible School. The school began Monday afternoon and is being held each day from 3 to 5 o'clock.

It is hoped that a large number of the colored people will attend.

Bob Clifford who is working in Amarillo spent the week end with homefolks.

Mrs. Sam Hendrix and girls of Hotchkiss, Colo., spent Saturday night in the home of Mr. and Mrs. Dewey Hendrix and Martin.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met June 21st at 3 o'clock. The president, Ivan Tollerson presided. All committees gave their semi-annual report. Roll call was answered with something about the negro.

The program subject was "The American Negro" which was handled very ably by the leader Charlotte Word, who was also hostess for the evening.

Pollyanna gifts were passed out by Ima Wallace and polyanas were revealed and new ones were drawn for the next 6 months.

Members are asked to turn in their four quilt blocks each for the two quilts we are making for Boys Ranch so the quilts can be ready for quilting in the Club Room October 4th.

Delicious refreshments of cream, cake and punch were served by the hostess to 16 members.

We all welcomed Mrs. Crofford as a new member and invite all other ladies of the community who wish to join our club which meets at 3 o'clock each first and third Thursday eve. —Reporter.

BARBECUE ENJOYED IN CARROLL LEWIS HOME

A barbecue was enjoyed Saturday evening in the home of Mr. and Mrs. Carroll Lewis and family. Forty-five attended. Those present were Mr. and Mrs. Jack Lewis, Paula Skelton, Mr. and Mrs. Floyd Lewis and Don, Mr. and Mrs. W. W. Lovelady and Ronnie; Mr. and Mrs. Bill Briggman, all of Amarillo; Mrs. Ella Underdown of Henderson, Texas; Mr. and Mrs. Paul Turner and Paula of Bowie, Texas; Mr. and Mrs. Lon Howard and Richard of Anton, Texas; Mr. and Mrs. Bill Phillips and girls, Mr. and Mrs. Leland Lewis and boys of Groom, Texas; Mr. and Mrs. Vincent Thomas and daughter, Mrs. W. T. Roberts, Mrs. Jo Anderson and children; Judy Riley, Mr. and Mrs. K. L. LaFon and Don LaFon of Dallas, Texas; Mrs. E. L. Lewis, Mr. and Mrs. Hermon Knight and Janice of Iowa, Park; and the hosts, the Carroll Lewis family.

FAMILY REUNION IN BULLS HOME

Children of Mr. and Mrs. J. R. Bulls gathered for a reunion in the Bulls home Sunday. Those present were Mr. and Mrs. J. W. Bulls and daughters, Pamela and Rebecca of Terre Haute, Ind., Mr. and Mrs. B. F. Bulls and children Jan and Sonny of Monahans, Mrs. Robert Adamson and Jean of Lubbock, Mr. and Mrs. H. H. Hahn and children, Scott and Sarah Beth of Pampa and Roy Bulls of Amarillo.

Mr. and Mrs. J. W. Bulls and family (and Mrs. Ross Adamson and Jean) remained for this week.

Sybil Lou King of Memphis is visiting little Miss Connie Williams this week.

Mrs. J. G. Stewart is visiting in Roswell this week.

Gen. Van Fleet, "Soldier's Soldier"

Predicts Victory in New Korean Battle

Lieut. Gen. James A. Van Fleet, commanding the Eighth Army in Korea, has expressed confidence in the ultimate victory of his Allied troops now meeting the shock of a great Communist offensive.

In his order of the day he praised "the magnificent support of our United Nations Air and Navy forces," and continued:

"This renewed battle is for the preservation of life, liberty and the right to the pursuit of happiness of all free men. . . . They are the first rights which communism denies its own people.

"Our strength rests on the solid foundation of belief in God and the rights of man, rather than on the will of dictators imposed through cruelty and the complete disregard of human life."

This striking photograph of Gen. Van Fleet was made when he waved farewell as he embarked in his plane at Washington, D. C., to take command in the field. He is a native of New Jersey, a graduate of West Point in 1915, and is a "soldier's soldier," serving on the Mexican Border, 1916, in France in World War I, and through the thickest of the fighting in Europe in World War II. He was three times wounded. In 1948-50 he rendered eminent service as director of the Joint U. S. Military and Advisory and Planning Group in Greece. He was awarded the Distinguished Service Cross with two oak leaf clusters for extraordinary heroism in action, and other decorations.

GEN. VAN FLEET

CHURCH SERVICES AT PRESBYTERIAN CHURCH

Church services will be held at the Presbyterian Church Sunday. Dr. Robert L. Cowan, who has accepted the call to the Clarendon Church will be present to preach at the 11 o'clock hour. Sunday school will be held at the regular time.

Attends Funeral Services
Funeral services for Mathew Taylor were held Thursday morning, last, at 11 o'clock in the Methodist Church at Shamrock. Those attending from Clarendon were Mr. and Mrs. L. L. Wallace, Joe Jones, Mrs. Edna Smith, Doris and Monty, and Mr. and Mrs. Willard Knox of Lelia Lake.

The Navy has had seven ships named Ranger.

Moisture Total Now Stands At 9.73 Inches

A whizzer of a cloud moving in from the southwest Sunday evening brought our official moisture total to 9.73 inches for the year. This particular cloud was one of the wooliest of the year, carrying a strong wind and an electrical display that would equal some of the worst that has ever been witnessed in this area.

No reports of serious damage to crops have come in but blowing sand the past few days hasn't helped tender crops any. Donley County is still on the lucky list as far as hail and damaging rain is concerned.

Mrs. Nelson Anderson went to Oklahoma City Tuesday to bring a new car home. She was accompanied by Leon Youree who will drive one of the cars back for her.

Mrs. Bill Williams attended the Fourth Sunday Singing in Amarillo Sunday.

Locals Win Another Close Game

The local baseball club had to get in there and really put out everything they had to take the game over Vega here last Sunday. The final score was 4 to 3 in favor of the locals.

Clarendon scored one run in the first inning with Vega coming back in the fifth to tie the score. Spier hit a home run in the last of the fifth to put the locals ahead 2 to 1. Vega pushed two scores across in the first of the 6th to put Vega ahead but in the last part of the inning Gene Putman erased their opportunity to hold the lead by hitting a home run with one man on. George Bulman made a sensational recovery of a ball hit over the fence in right field to nab a would-be home run at the plate. Brooks pitched all the way with Spier in the catchers spot. Harris and Richardson were the pitcher and catcher for Vega.

The locals will play Claude here on the local diamond this coming Sunday at 3 o'clock. The last few games have been close and hot with all the boys showing some mighty fine ball playing. If you want to see a good game drive up to the local field by Jr. High next Sunday and watch the locals tangle with Claude.

Mrs. Eva Draffen left Thursday for Austin after a visit with Mr. and Mrs. R. R. Dawkins and Mr. and Mrs. Jack Walker. She will leave for Texas City July 1st where she will join her son John in making their home there.

Gary Clark Rolls of Odessa visited this week with his aunt, Mrs. Bert Smith, Jr. and family.

County And State Highway Funds Enriched

AUSTIN — County and State highway funds were enriched by more than \$32,500.00 during the month of April, according to the monthly activities report just released by Kent Odum, Chief of the Department of Public Safety's License and Weight Division.

The report shows 2,147 truck owners paid fines during the month for overloading, operating under-registered vehicles, using unsafe and faulty equipment on the highways and for miscellaneous offenses. There were 1,973 arrests during the month of March, 1951.

Since September, 1950, the beginning of this fiscal year, 16,086 arrests have been made by the Public Safety Department's 33 license and weight inspectors and more than \$668,000.00 in fines and additional registration fees have been collected. Over \$228,000.00 of this amount was collected from truck operators for carrying more weight than the truck had been licensed to haul.

D. C. Greer, State Highway Engineer, recently told the South Texas County Judges and Commissioners in convention at Laredo, that the State and Counties of Texas were losing approximately Six Million Dollars a year because truck operators would not pay the registration fees on their equipment for the full carrying capacity up to the then 48,000-pound gross weight limit.

The Legislature recently increased the gross weight trucks can haul upon Texas highways to 58,420 pounds, which could produce approximately \$90.00 more per vehicle in license fees each year, if truck operators could be compelled to register for the full amount of the weight they carry.

As a means of raising badly needed State and County revenue, the County Judges and Commissioners unanimously adopted a resolution asking the Legislature to look into this practice of truckers evading the payment of full registration fees.

Richard Vallance is visiting a few days in Memphis with his grandparents, Mr. and Mrs. L. O. Dennis.

Howard Clinton Gilbert of Goodnight visited last week with his grandparents, Mr. and Mrs. Clyde Gilbert.

Mr. and Mrs. M. A. Wiley of Lakeview spent Sunday in the home of their son, Mr. and Mrs. T. G. Wiley and boys.

Nancy Ann Ford and Jerry O'Neal of White Deer visited Sunday afternoon in the home of her grandmother, Mrs. A. G. Lane.

Mr. and Mrs. Pete Hearn and Gora Lee of Groom visited in the home of their daughter, Mr. and Mrs. Lloyd McCord and children.

Jimmy Dean Howze was an Amarillo visitor Saturday. He was accompanied home by Dick Lovlace of Amarillo who visited in the Howze home thru Sunday.

Mrs. T. T. Allred returned last week from Houston where she visited her sister, Fanchon and June Star also returned after a visit at Pittsburg, Texas.

Mrs. Chester L. Harrison and children of Hollis arrived Tuesday to spend the week in the home of Mr. and Mrs. Jack Brooks and Jackie.

Mrs. Victor Smith who has been a surgical patient at St. Anthony's Hospital in Amarillo was able to be brought home the first of the week.

Mrs. B. C. (Tubby) Tidwell and children, Margaret and Mike, left Friday night for their home in Texarkana after spending two weeks with her parents, Mr. and Mrs. D. C. Williams and relatives in Dumas, Borger and Pampa.

Mr. and Mrs. A. C. Williams of Borger spent Friday night with D. C. Williams on their way to Commerce for a visit.

Mr. and Mrs. Willard McQueen of Lubbock visited Sunday in the home of his sister, Mr. and Mrs. L. C. Youree.

Miss Jennie Pauline Chowning of Floydada, niece of Mr. Fletcher Curry, has accepted a position with the Donley Hotel as desk clerk.

Initial Copy Publication Laws Book Presented Price Daniel

TEXAS' ATTORNEY GENERAL PRICE DANIEL took time out on Father's Day to receive the first copy of his new book, "Texas Publication Laws", as a gift from his family. Gathered around the Attorney General are Mrs. Daniel and the four children—John, Price Jr., Houston, and Jeanie. In spite of a big job and a big family, Daniel found time to edit the law book on newspapers and public notices as a public service for the Texas Press Association.

Lynn Leathers left Wednesday June 20th for duty with the Navy. He will be stationed at San Diego for his basic training.

Mrs. Nelson Anderson and Mrs. L. C. Youree made a business trip to Oklahoma City Wednesday last. While away they also visited Mrs. Anderson's aunt, Mrs. H. O. Lloyd at Tecumseh, Okla., returning home Friday.

Kay Schollenbarger left Wednesday last for San Antonio where she will visit in the home of her uncle, M/Sgt. and Mrs. E. C. Schollenbarger and family. She will spend two or three weeks there.

Bill Williams attended the regular meeting of the National Electrical Contractors Association in Amarillo Monday night. Mrs. Williams visited Misses Davie Guthrie and Jennie Foster, working on group singing.

The Navy's latest figures show 134,000 Reservists on active duty.

DONLEY SINGERS TO MEET AT LELIA LAKE SUNDAY

The regular meeting of the Donley County singing association will be held this coming Sunday, July 1st at the Methodist Church at Lelia Lake. The time will be 2:30 in the afternoon.

A varied program is in store for those who like to sing and enjoy good singing. The Calvary Singers of Amarillo, radio entertainers, will take part as well as several visiting quartets. Everyone is cordially invited.

J. R. Cox returned to his home in Hawthorne, New Jersey last week. He came to be with his mother, Mrs. J. R. Cox, who has been seriously ill.

Bartis Eugen Williams of Amarillo, now stationed at Ft. Jackson, S. C., visited Monday with his grandfather Judge and Mrs. W. J. Williams.

LEADER CLASSIFIEDS GET RESULTS

BOOSTER TRIP TO GO WEST AND NORTH TOMORROW

A sizeable crowd gathered at the court house this morning to make the East swing of the two-day booster trips and an even larger crowd is expected to be at the court house tomorrow morning to make the Western swing. If you didn't go today - - then make a special effort to go along with the group tomorrow. Be at the court house by 8:30 to receive instructions and leave with the group.

These booster trips are tiring some time but are usually very enjoyable and as a general rule you have an opportunity to visit many acquaintances in the various towns that are included on the itinerary.

Mrs. C. A. Schofield Sr., Mike and Davey from Jacksonville, Texas and Mrs. C. A. Schofield Jr., Cathy and Judy of Cameron, Texas visited last week in the home of Judge and Mrs. Williams.

Notes from - - -

CITY HALL

We want to call your special attention to city ordinance prohibiting the sale or selling of fire works of any kind; also the firing or exploding of same anywhere in the city limits. A law was passed by the State Legislature this year prohibiting the sale of and exploding of fire works of any kinds in any incorporated city in the state of Texas with a maximum penalty of \$1000 or 1 year in jail. We trust you will comply with this ordinance and avoid embarrassment and being subject to a fine.

We are also getting many complaints in regards to dogs damaging flower beds, shrubbery, young trees and lawns. We are asking you to keep your dog or dogs under better control. Keep them in your back yard or on your own premises as much as possible. It may be your dog that is annoying your neighbor or friend, who knows.

Very truly yours,
Major Hudson, Mayor.

Mr. and Mrs. Luther Pittman and children visited Sunday and Sunday night in the home of his parents, Mr. and Mrs. M. L. Pittman.

The Navy's first ship planned and built as a carrier was the USS Ranger, scrapped after World War II.

The Navy's first submarine cost \$150,000. Fleet-type subs of World War II cost between \$6 and \$8 million.

Mrs. Ermine Blair and daughter, Biffie, returned home Monday afternoon from a visit in Ft. Worth, Houston and Corpus Christi. Mrs. Dwight L. Blair and Sharon accompanied them home and will visit in both the home of Mrs. Blair and with her parents, Mr. and Mrs. A. H. Moore and family.

Dwight L. Blair and family received a surprise recently when turning on their television set. Kenneth Davis formerly of Clarendon was a contender in the boxing match they had tuned in.

Mrs. F. W. Davis and children, Cynthia and Freddie, of New Iberia, La. are visiting in the Tom Tucker home. She came to be with her mother, Mrs. J. R. Cox, who is ill.

Bill Cross, small son of Mr. and Mrs. W. M. Cross, was taken to Northwest Texas Hospital Monday. Nature of his illness is not known at this time.

Robert Naylor who is a chemist at the Smelter in Amarillo, spent the week end with his parents, Mr. and Mrs. Otis Naylor. Mrs. Walter Short and son, Jim, and Miss Billie Bird, also of Amarillo were guests in the Naylor home Sunday. Robert accompanied them home.

Mr. and Mrs. Jim Johnson, Mrs. Carrie Kimble, and Mrs. Ned Scaff visited relatives in Amarillo Sunday.

Mr. and Mrs. W. G. Word are enjoying a visit from their children. Mrs. Mike Stricklin and Pat of Beeville have been here some 10 days. Mrs. Jo Kirchner and children Robin and Will Word of Silver City, N. Mex. came last week. Mrs. Will Word, Jr. of Silver City arrived Tuesday of this week.

Vernon Goldston spent the week end with his mother. Vernon has accepted a position with the Phillips Petroleum Co. and is working at Borger.

You'll Be Proud of your new **Broyhill SPRAYER**
 MODEL 5-B 6-ROW COTTON SPRAYER

Sturdy Construction. Simple, Trouble-Free Operation. Versatile.

Low Cost. All Around High Quality. Improved Design.

Features of this "MOST FOR YOUR MONEY" SPRAYER

- Heavy sprayer frame accommodates two 55-gallon drums
- Heavy duty, one-inch gear pump requires no greasing
- High quality hinge joint allows booms to swing forward, backward, or up
- High quality, low gallonage nozzles
- Boom height easily adjustable
- Accurate pressure adjustment
- Fits most all tractor models
- Adequate straining system
- Built to last many years
- Chemical resistant hose
- Non-corrosive booms
- Easily assembled

TRAILER MODELS ALSO AVAILABLE

HIGH QUALITY SPRAYER PARTS Available Here

- Pumps
- Nozzles
- Hose
- Strainers
- Pressure Gauges
- Valves
- Drop Extensions
- By-Pass Regulators

Adjust Spray Adjustment on Slider Arms Allows Up or Down Adjustment in Fraction of An Inch in a Matter of Seconds.

OUR DEMOCRACY — by Mat

COMMENCEMENT IS THE RIGHT WORD

FOR THE HUNDREDS OF THOUSANDS OF HIGH-SCHOOL AND COLLEGE SENIORS WHO, RECEIVING THEIR DIPLOMAS THIS JUNE, ARE AT THE BEGINNING OF THEIR CAREERS.

NEVER HAVE THE YOUTH OF THE NATION FACED A STERNER TEST OF THE ADEQUACY OF THEIR TRAINING TO THINK AND DO THAN IN THESE TIMES THAT TRY MEN'S SOULS.

BUT THE SENSE OF INDIVIDUAL INITIATIVE AND RESPONSIBILITY IS BASIC IN THE AMERICAN SCHOOL AND THE AMERICAN HOME... COMMENCEMENT IS ONLY ANOTHER STEP IN THE PROGRESS OF THESE YOUNG MEN AND WOMEN WHOSE PRIVILEGE AND RESPONSIBILITY IT WILL BE TO CARRY FORWARD OUR DEMOCRACY.

ASHTOLA
 Mrs. Doyce Graham

 Thanks ever so much to my assistant last week. Perhaps I'd better stay on the job or she will

there Friday.
 Mr. and Mrs. Bill Perdue spent Friday night with Mr. and Mrs. Dane Perdue.
 Mrs. Slaton Mahaffey visited Mrs. N. L. Jones Friday.
 Mr. and Mrs. W. A. Poovey and Mrs. Ben Lovell shopped in Amarillo Wednesday.
 Mrs. Kinch Leathers and Mrs. Lloyd Shelton visited Mrs. Ben Lovell Saturday afternoon.
 Doyce Graham Jr. and Jeanette Tolleson are enjoying this week at Methodist Encampment at Ceta Glenn Canyon.
 Wanda Graham spent Sunday with Ann Talley.
 Nell White was visiting her parents, the Lloyd Reids and her in-laws the John Whites, the last of the week. While here she got her fryers dressed and in the deep freeze.
 Mrs. J. C. Sutton and sons and the James Tolberts spent Sunday with Mr. and Mrs. Harold Graham.
 Mrs. Carl Barker was here last week a few days caring for the new Mr. Mike Graham.
 Mr. and Mrs. Pete Land visited in the Haskel Hay home Sunday night.
 Congratulations to Mr. and Mrs. Weldon Ledford on the birth of their daughter, Donna Marie. She was born June 22nd and weighed 8 lbs. Mrs. Ledford was formerly our depot agent and they now live in Okla. City.
 Mr. and Mrs. W. A. Marshall visited their son, Dub and family at Sanford Sunday. The two grandsons have the measles.
 The storm Sunday night destroyed Mr. H. N. Hendersons barn on the Tolleson place.
 Mrs. A. L. Allen is on the sick list now. Her company this week was her daughter, Mrs. E. L. Hunsucker, also Mrs. Sam Allen and children, Mr. and Mrs. Glenn Duckworth and sons and Mrs. Russell from Amarillo, Mrs. Poovey, and the Sain boys.
 Dr. and Mrs. M. H. Rhoades recently made a trip to Austin for the unveiling of a statue in con-

nection with Spanish American War Veteran Service.
 Mrs. J. R. Brandon visited Monday afternoon with Linda Gale Tolbert and Mike Graham, visiting Mr. and Mrs. Warren Hardin Sunday were her father, Richard Dingler and her sisters, and Mr. and Mrs. Gene Grimland of Amarillo.

GOLDSTON
 Carolyn McDonald

 Sue Talley and Carolyn McDonald visited Irene Moss Wednesday afternoon.
 Susie Yankee spent Saturday night with Mr. and Mrs. W. H. Gray.
 Daphne Sullivan visited Mrs. Edgar Talley Saturday afternoon.
 Mr. and Mrs. Doc Ford visited in the Jackson home Sunday.
 Those visiting in the W. H. Gray home Saturday night were Mr. and Mrs. C. F. Moss and family, Harold McDonald, Mrs.

Bones, Clea and Nita Farr, Mr. and Mrs. Yankee and Susie.
 Mrs. Hatley visited Grandma Jackson and Mrs. Curtiss Friday morning at Clarendon.
 Patsy Moss of Lelia Lake spent Thursday through Saturday with Irene Moss.
 Mr. and Mrs. Edgar Talley visited Sunday afternoon with Mr. and Mrs. John Purdue.
 Clea and Nita Farr spent the weekend with Mr. and Mrs. W. H. Gray.
 Mr. Jim Jackson and Geraldine and Nora visited Hatley's Wednesday night.
 Edward Ledbetter spent Wednesday night with Bob McDonald.
 Mr. and Mrs. J. G. Auldridge and family, Mrs. Dorothy Smith and Paul and Harold McDonald spent Sunday at McLean.
 Weldon Talley and Harold McDonald visited in the C. F. Moss home Friday night.
 Harold McDonald spent Sunday night with Eugene Auldridge.
 Mr. and Mrs. Charlie McCrack-

en visited awhile Sunday with Mr. and Mrs. Edgar Talley.
 Mr. and Mrs. Frank Jackson and Mike visited in the Jim Jackson home Sunday night.
 Carolyn McDonald spent Sunday through Wednesday at Palo Duro with Mr. and Mrs. J. E. Morgan.
 Mrs. R. A. Brame of Clarendon spent Sunday with Mr. and Mrs. Sam Dale.
D-Day Coming Up For Texas Sportsmen
 AUSTIN—Friday, July 6, will be D (for dove) Day for Texas sportsmen.
 At that time, the results of the popular poll on hunters preference for the coming mourning dove season will be announced.
 The Game, Fish & Oyster Commission, according to the Executive Secretary, plans to use the results of the poll as a basis for recommending mourning dove shooting dates for the 1951 fall season.
 Final action on the dates, hunting hours and bag limits is taken

by the Federal Fish & Wildlife Service since mourning doves are a migratory bird, and therefore are under Federal jurisdiction.
 This is the first time, the Executive Secretary said, that the sportsmen's own preferences, as indicated by a mail poll, have been used as a guide in this decision.
 The Commission asked Texans to write their date ideas to the Game Department, Walton Building, Austin, after considerable conflict in opinion developed over last season's shooting regulations, particularly in the south zone.
 Some sportsmen thought that the southern zone mourning dove season should have paralleled the quail hunting season which is set by law.
 The southern zone dove season last year was from October 20 to December 3rd. The quail season set by law is from December 1 to January 16.
 The northern zone mourning dove dates in 1950 were from September 1st to October 15.

FARM NEWS
From the County PMA Committee

SCS ASSIGNED TECHNICAL PHASES OF ACP
As a further step in consolidating the soil and water conservation efforts of the U. S. Department of Agriculture, arrangements have been made for the Soil Conservation Service to be responsible for the technical phases of the permanent type practices of the Agricultural Conservation Program.

This would be for such practices as terracing, constructing dams, laying out contour strips, reorganizing the farm irrigation system and a number of similar practices.

The technical services needed will be provided either by SCS personnel or qualified persons under their direction. Farmers of Donley County who are cooperating in the ACP and who intend to carry out soil and water conser-

vation practices requiring technical assistance to make arrangements for such assistance early to avoid delay and to give the county PMA committee an opportunity to make the best use of this technical service.

The SCS responsibility includes checking on the need for the practice, locations, layout, any necessary supervision in construction and determining if the practices have been carried out in accordance with requirements to qualify for assistance under the ACP.

In Donley County, Mr. Carman G. Rhode of the Soil Conservation Service will be in charge of this phase of the soil and water conservation work of ACP.

Arrangements for this service, however, should be made with the county PMA committee.

15 YEARS ACP STRENGTHENS FARM DEFENSE PLANT
Fifteen years of soil and water conservation work under the Agricultural Conservation Program have substantially strengthened the Nation's farm produc-

tion defense plant.

The topsoil that has been held on the farms of this country by grass cover, terraces, contour farming, field stripping, and other practices, is now producing food and fibre for defense instead of silting up the Nation's river channels and harbors.

The organic matter returned to the soil through cover crops, grass and legumes in rotation and in pasture and meadow has strengthened the soil structure and added to the fertility of the land.

Many practices play a part in holding back the water from rains and melting snows, contributing to increased crop yields often spelling the difference between good and poor yields or no yields at all.

Although many factors contributed to increased production, the conservation practices stimulated and carried on under the ACP have played an important part.

The conservation practices carried on since 1936 under the Agriculture Conservation Program have built up a great fertility backlog and the practices stressed this year are adding strength to the foundation already established. Each year's accomplishments add to the Nation's farm production defense plant. Our record of production is evidence that we are making progress even though in conservation we have run "pretty fast just to stay where we are."

MEETING ON 1952 ACP
A meeting was held Friday, June 22 to discuss the 1952 program. Those to attend the meeting were Community Committeemen John O. Richey, Dennis F. Reed, H. Lee Shaller, Charlie C. Hearn, Melvin C. Rumpy, Pete Land, Leo L. Wallace, Enos M. Glass, John F. Skaggs; County Committeemen: Pink M. Marshall, James B. Smith and Wilson H. Gray; Carman G. Rhode from SCS, James Gouley from F.H.A. and Mrs. Ritter, Sec. Donley County PMA.

Athalee Dodson is vacationing in Colorado this week.

Youth Center News
Mrs. Alvin Landers and Mrs. Bill Ray sponsored at the Canteen Saturday night. Tuesday night Mrs. Bill Bentley sponsored.

The Canteen belongs to the kids who use it and enjoy its use. You youngsters are urged to get behind your parents and ask them to help with the job of sponsoring. If anyone is willing to sponsor either Tuesday or Saturday night, please call Mrs. George Schollenbarger or Mrs. Carrol Lewis.

Mr. and Mrs. S. C. Bell spent the week end with their daughter in Springfield, Colorado.

\$5,000 Awarded To Texas Farmer For Rebuilding Soil On Depleted Land

RENNER, Texas — Russell N. Cash, Atlanta, Texas, farmer whose neighbors testify that he has contributed more than any other to a better agriculture in Texas in the last decade, recently received the Hobbitzelle Achievement Award for the Advancement of Texas Rural Life. The award is a \$5,000 cash prize and a gold medal.

Mr. Cash has taken a depleted 440-acre sandy land farm in Cass County, 15 miles southeast of Atlanta, and brought it back to productive life by carefully conserving and rebuilding the soil, and on his own time and at his own expense he has gone out to show his neighbors how they can do the same through diversified farming and skillful soil management.

Given this year for the first time, the award was presented at the annual open house and barbecue of Texas Research Foundation at Renner. Karl Hobbitzelle, Texas philanthropist and president of the Foundation, made the award possible. Its purpose is to recognize personal accomplishments in the field of rural life improvement. Mr. Cash was chosen from more than 100 throughout Texas who were nominated for the honor.

Mr. Cash was reared on the farm and his love of the soil has kept him there. His philosophy is simply stated in his own words: "The stability of all farm enterprise depends upon conservation and building of the soil. The secret of cheap production and high yields is soil management. A dollar invested in your soil will pay greater dividends than a dollar invested any other way."

In a county where the average corn production is from 10 to 12 bushels per acre, he has averaged 65 bushels for ten years and has produced as high as 133 bushels per acre at a cost as low as 18 cents per bushel. Against a county average of 65 bushels of sweet potatoes, he has averaged 300 bushels per acre for the past six years, but has produced as high as 800 bushels. He has averaged 300 bushels of tomatoes per acre for the past 10 years, and has grown up to 533 bushels per acre. Through proper woodland management on 269 acres of his farm, he has increased his timber growth by \$10 per acre as compared to a normal \$5 per acre per year.

In addition to high production, he has improved his market through quality products and proper grading — factors which not only have increased his sales but have greatly improved his net income.

Mr. Cash believes the character of people depletes with the soil, and has gone out at his own expense through East Texas to preach the gospel of soil management. In the past two years he has talked his soil-building and cropping methods to more than 12,000 farmers and businessmen from East Texas and adjacent areas of Oklahoma, Arkansas and Louisiana. And in 1950, more than 2,000 visitors came to his farm to appraise first-hand the farming system which has transformed his sandy acres. In addition, he has served as an instructor in vocational agriculture for veterans, community committeemen of the USDA's Production and Marketing Administration, chairman of the board of supervisors of the Marion-Cass Soil Conservation District, and has written widely about his agricultural philosophy and his production methods.

His farm is not a showplace. Building it up slowly, mostly through his own labors and without any outside source of revenue, he has pointed up what any small farmer through his own efforts can do to rebuild the soil and make a good living on the land.

Marine Corps Aviation was 39 years old on May 22, 1951.

Infantile Paralysis Precautions

AUSTIN—There is no reason to believe there is greater risk to polio infection in the summer camp than in the child's home, according to officials of the National Foundation for Infantile Paralysis.

Although a camp is an assembly of children at ages of greater susceptibility, Foundation officials take into account the offsetting factor of comparative isolation of campers from outside and new contacts.

Dr. Hart Van Riper, medical director of the March of Dimes organization, has advised that if infantile paralysis appears in the vicinity to take the following steps at camp:

1. Watch for symptoms—headache, sore throat, slight fever, nausea, constipation or diarrhea, fatigue and listlessness, and the more definite stiffness of the neck or back, pain or soreness in muscles, or trembling.

2. Guard against over-fatigue or chilling.

3. Check screening to see that latrines and kitchens are well protected against flies.

4. Re-emphasize cleanliness and hygiene. Frequent hand-washing is important, especially before meals and after visits to the toilet.

5. Limit visitors to camp to lessen chances of the virus being brought in.

Dr. Van Riper urged all camps to have available the names and addresses of county and state health officers, the state representative of the National Foundation for Infantile Paralysis, and the nearest volunteer chapter of the National Foundation.

Baptist Student Center Planned For WTSC

A Center for Baptist Student activities at West Texas State College is being planned by Baptist leaders of the Panhandle-Plains region, according to announcement of Truett Smith, Director of Baptist student activities at the college in Canyon. The new building will replace the temporary residence that has served as a center for Baptist students since 1946 when it was bought by the Baptist General Convention of Texas for this purpose. The location is on ample ground immediately across the street from the campus entrance to the administration building.

According to W. F. Howard of Dallas, Texas Director of Baptist student work, the new building will contain an adequate Bible class room, offices for the director and student council, a prayer room, lounge and recreational facilities, and should be ready for occupancy by early 1952. The Baptist Student Department of Dallas will provide 60% of construction cost, and friends in the region served by the college are being asked to provide the remainder. Pastors are being asked to present the request to their people, and a hearty response is being given wherever it is presented.

Completion of this building will mark another link in the advancement of West Texas State College where Methodists and the Church of Christ already have buildings for their activities among students of these faiths. All these church properties are adjacent to the campus, but of course are not legally connected with the college which is operated by the State. Such provisions by the religious groups have the full approval of the college administration as a contribution to the welfare of students, and elective college credit is given for courses in Bible offered at these Centers.

The Thailand Royal Navy has two ships operating with the United Nations Fleet in Korean waters.

Enlisted Navy personnel in Japan are sponsoring a home for destitute Japanese children.

To The People of The 18th District

(Continued from last week)
MISCELLANEOUS TAXES
Dealers in securities
Would require them to clearly

earmark securities upon purchase or acquisition as to whether or not they are held for investment or sale and would not recognize transfers from one account to the other for tax purposes. Securities would be considered as being in inventory unless they are spe-

cifically earmarked for investment.
Loopholes
Gains and Losses—Would require the offsetting of net short-term capital gains before reducing the long-term gains or losses by the 50% limitation which is presently contained in the law.
Non-resident aliens—Would include in the taxable estate of non-resident aliens United States Government bonds which they own where they are not engaged in business in the United States and the bonds are physically present in the United States.
Parimutuel Wagering Systems
Rejected proposal to levy 5% tax on gross receipts of persons operating such systems.
Percentage Depletion
Decided to make no reduction in existing percentage depletion allowances and to increase the allowance for coal from 5% to 10%.
Removed the restriction which only allows the 15% rate to thenardite when it is obtained from brines or mixtures of brine.
Added the following non-

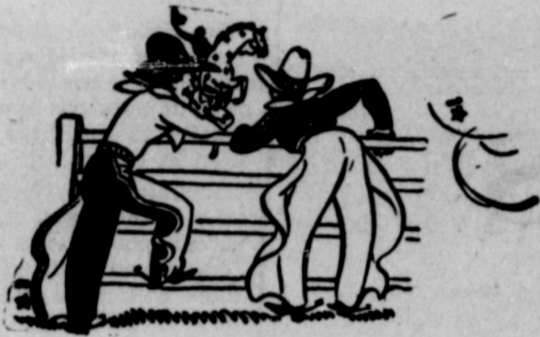

metallic minerals to the list which may elect percentage depletion at the rate of 15%:
Borax, Fuller's earth, refractory and fire clay, quartzite, perlite, diatomaceous earth, metallurgical and chemical grade limestone and tripoli; and added the following at a 5% rate: sand, gravel, granite, marble, stone, brick and tile clay, shale and shell.
Possessions
Taxation of Federal civilian and military personnel—Decided to consider in a separate bill a provision which would make the income tax applicable to these persons for taxable years beginning after December 31, 1950 instead of December 31, 1949.
Tax-exempt Institutions
Decided to make no revision in the tax treatment of cooperatives, mutual savings banks and building and loan associations. (These organizations would be required to withhold tax on payments of interest, dividends and royalties.)
Wagering
Imposed a 10% tax on that part of the gross receipts of persons in the business of taking wagers on which they assume the risk of profit or loss and on the gross receipts of persons operating wagering pools.
Imposed an occupational tax of

\$50 per year on persons accepting wagers or operating a handbook or lottery, with penalties.
War Losses
Deferred action without prejudice on a proposal to include in income the fair market value of property, for which a war loss deduction has been claimed but which has been recovered, only to the extent of the tax deduction which the taxpayer has taken for the war loss in previous years with respect to the particular property.

Withholding of tax on dividends, most payments of interest to individuals, and royalties.
Payors would be required to withhold tax at the rate of 20% without personal exemption, and submit to the Bureau of Internal Revenue 20% of gross payments. The payor would not be required to keep records of amounts withheld for each individual or to submit receipts to individuals. Tax-exempt organizations would be permitted to claim credit for taxes withheld on payments to

them as an offset against their liability for income and social security taxes withheld from wages paid their employees. Recipients would proceed in filing income tax returns just as they do now in the case of salary and wages where taxes have been withheld.
The Marine Corps has opened its ranks to enlisted reservists on active duty who may become regulars without loss of rank or precedence.

News From The Office of Price Stabilization

OPS price specialists, in their tours of the district next week, will emphasize to merchants that if they have not complied with the regulations, they should do so immediately in order to con-

tinue to operate legally. Many of the compliance deadlines have already passed and firms which are delinquent should take steps to insure complete compliance. C. J. Taylor, district price executive, said. Still other deadlines will be falling due soon. Every merchant, with questions on how to comply should take advantage of the price clinic day

program to bring himself up to date with the regulations. To help businessmen of this area to comply, Harry Van Horn, price specialist in the Food branch, will be in Clarendon next Thursday afternoon, June 28th. While here he will maintain offices in the Chamber of Commerce office, in the Farmers State Bank building.

Although a specialist in one field, he will be able to answer most questions concerning other businesses, and in any event will help the merchant get the necessary information from the regulations or from the Lubbock district office.

The price clinic day program is co-sponsored by the OPS and local Chambers of Commerce and other civic and community groups and organizations. The price clinic program schedule will continue throughout July, with the specialist visiting this town on the same day of the week through this month and next.

Dairy Foods Supply 13 Minerals Needed For Normal Life And Health

Thirteen different minerals essential to normal life and health are provided adequately in a mixed diet of dairy foods (milk, cheese, ice cream, and butter), eggs, meat, fruit, vegetables and cereals, the National Dairy Council points out in the latest issue of the "Dairy Council Digests."

The essential minerals are listed in this documented report as calcium, phosphorus, magnesium, iron, copper, iodine, sodium, potassium, chlorine, manganese, zinc, sulphur, and cobalt. The report was prepared by Dr. Zoe E. Anderson, Director, Department of Research and Nutrition Service. It stresses the dietary importance of these minerals.

Calcium, present in all body cells and the major substance of bones and teeth, and iodine, part

of the thyroid hormones, are the only mineral deficiencies commonly found in the population of the United States.

Surveys conducted in cities show calcium is the nutrient most frequently found to be deficient in the diet. Inasmuch as milk, cheese, and ice cream supply about 75 percent of the Nation's available food calcium, this deficiency can be overcome through the liberal use of these foods in family meals. In areas where iodine is deficient, regular use of iodized salt will insure adequate intake of that mineral.

Milk, cheese, and ice cream provide substantial quantities of phosphorus, sodium, potassium, chlorine, magnesium, and sulphur; significant amounts of zinc, copper, and cobalt; and less significant amounts of iron, iodine and manganese.

These minerals are part of the body structure. Together, they aid in regulating body chemistry, permitting man to live. The most important fact about these minerals is their interdependence and functional influence upon each other. Emphasis is therefore placed on the need for obtaining

minerals from foods, rather than by excessive dosing with individual minerals which may upset the entire mineral balance in the body.

CARD OF THANKS

We wish to thank our many friends for their kindness, sympathy and beautiful floral offering in the death of our loved one. May God's richest blessings be with each of you always.

ONE RIVER doesn't make an ocean...

In the Gas Business, too IT TAKES MANY SOURCES OF SUPPLY

One creek doesn't make a river, nor one river an ocean.

In the same way, one joint of pipe doesn't make a natural gas pipe line. It takes thousands of joints to form the gathering lines which move gas out of the field; it takes thousands more to construct a main transmission line; and still other thousands to build a system of distribution mains and service lines.

When gas supplies from more than 200 fields are available to meet the needs of such a system... and when more than 400,000 homes and industries are being served from that system... then you have United Gas.

Always, United Gas is planning and building for tomorrow; building to assure adequate supplies of gas for our customers of today, and of the future.

THERE'S PLENTY FOR YOU AND INDUSTRY, TOO

UNITED GAS... *Gulf South*

Drug For Fighting Dreaded Gangrene Announced

A new drug which promises to revolutionize the treatment of infections which lead to gangrene, deep-seated chest infections, and dangerous blood clots in body cavities, has been made available to doctors by Lederle Laboratories Division of American Cyanamid Company.

The new drug, Varidase streptokinase - streptodornase, will liquefy dense accumulations of pus, blood and dead tissue around infected areas, thus permitting removal of the waste material through a needle with little or no surgery. Once this debris is removed, white blood cells and the so-called "wonder drugs," such as aureomycin, can directly attack the infection.

The new drug is a combination of the two enzymes, streptokinase and streptodornase, which are produced from one of man's worst enemies, a disease-producing streptococcus, by a fermentation process.

On the surface of the body, vicious-looking sores and ulcers can be quickly and safely cleaned with the drug. Not only is the dead material removed by its action, but the wall of the area develops healthy blood vessels which stimulate healing.

Varidase will also be useful against old cases of osteomyelitis, sinusitis, certain types of meningitis, and chronic severe infections of the joints. When injected into an infected area, it brings about a chemical change in accumulated pus and dead tissue. The liquefied waste can

then be easily removed and the infection treated.

While this new biological acts against dead and dying tissue, it has no effect on living cells.

Lederle officials emphasized that the new drug will not replace present methods of therapy, but will serve as an adjunct to them.

Dramatic results were reported when Varidase was used against empyema, the deep chest infection which often follows pneumonia and pleurisy. Such infections, if prolonged, usually cause death or chronic invalidism of the patient. With this new drug, doctors will be able to clean the infection quickly and start immediate treatment.

Varidase will also be useful in dissolving blood clots which form in the joints, the chest and many other body cavities.

It had been known for many years that under particular conditions certain streptococci will produce these two beneficial enzymes. Only after years of research and scientific teamwork was Lederle able to produce enough of the enzymes to make clinical research possible.

Longest underwater snorkel cruise by a U. S. submarine was made in April 1950, by the USS Pickerel, going 5,194 nautical miles from Hong Kong to Pearl Harbor.

A pocket-size precision instrument for detecting atomic radiation has been developed for military purposes by the Navy's Bureau of Ships and the Naval Research Laboratory.

IT'S A FIREBALL ENGINE

Where Have You Been all its Life?

THIS ad is addressed to the fellow known as "the man on the street."

From that vantage point, you must have noticed that a lot of folks are driving 1951 Buicks.

You must have noted that you can spot one of these beauties—by its sparkling forefront—its gleaming fender ports—(three for the SPECIAL and SUPER, four for the ROADMASTER)—and by its fluent grace of lines and contours.

You've probably noticed, also, that these Buicks give a good account of themselves in traffic—ease to a gentle stop—get away to a nimble start when the light says, "Go."

You may even have noticed that these cars have a level-gaited stride that traces, as we've said before, to the fact that each wheel rides beneath its own coil spring.

But what we'd like to know is—when are you going to try one?

It's about time you climbed in the driver's seat.

It's about time that you sensed for yourself the thrill that comes from feeling your shoulders sink back in the cushions, when your toe gives the gas treadle a gentle nudge.

It's about time for you to be on the receiving end of those admiring glances which are the due of folks smart enough to pick the smart buy of the year.

What's holding you back? It can't be prices—for as you can quickly discover for yourself, you can own a SPECIAL for less than the price of some sixes—and SUPERS or ROADMASTERS are just as smart a buy in their fields.

So why not end the suspense? The welcome mat is out at our showrooms. We hope to greet you soon.

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.

NO OTHER CAR PROVIDES ALL THIS!

- DYNAFLOW DRIVE®—saves strain on driver and car, cuts servicing costs
- FIREBALL ENGINE—high-compression, valve-in-head—gets more miles from every tank of fuel

Civic Leaders To Discuss Repairing McClellan Dam

Civic leaders from Panhandle Counties within a radius of 75 miles of McClellan Lake have been extended an invitation to attend a meeting in Pampa on Monday, July 2nd, at 8:00 P. M. in the Palm Room of the City Hall. W. B. Weathered will preside at the meeting which is being called for the purpose of discussing the possibilities of repairing McClellan Lake spillway, which was badly damaged by the recent heavy rains. Letters of invitation were mailed by Chamber of Commerce President Gene Fatheree of Pampa. The letter, in effect, states, that Pampa and Gray County could not undertake the extensive repair project alone, and the participation of other communities is needed if help from Washington is to be obtained in repairing the damaged spillway.

Statistics show that 11 Counties within a 50-mile radius of McClellan Lake use the lake constantly, while several other Counties use it to some extent.

Representatives from the U. S. Soil Conservation office have been invited to attend the meeting and Mr. Fatheree has been assured that they will have someone available to answer questions regarding the lake. Other pertinent information on activities of the project in recent years has been compiled and will be presented to those attending the meeting.

Fatheree stated that the invitations had been sent to County

City and Chamber of Commerce officials throughout the area, to Hunting and Fishing Clubs, Oil Companies, Schools, and other civic leaders, and that anyone who is interested is invited to attend.

The dam at McClellan Lake was so badly damaged during the recent floods that engineers feel that allowing water to flow over the dam again would endanger the dam and possibly lands below the lake on McClellan Creek.

News From The Office of Price Stabilization

LUBBOCK — The Office of Price Stabilization announced that the requirement that retail meat sellers publicly post ceiling beef prices by June 25 would be postponed until August 1.

In view of the fact that mechanical difficulties had forced a delay in the intended June 18 posting date, and that August 1st is the end of the present price level based on the first 10 per cent roll back of live, cattle prices, it was decided to delay posting of the charges for the brief period of time before that date. On August 1, new lower price levels at retail are scheduled under the present regulations.

In addition OPS officials said, continued study of the operation of the program indicates that a few adjustments in prices of some cuts may be necessary, to bring them in line with others in the same region.

Meantime, it was pointed out, the order requires that all prices be posted on the tray in which the beef cuts are displayed, and that these prices must be at or

A New Drive—50 Billion Wanted

(Editor's Note: We read this letter in another weekly published in the Panhandle and thought it so entertaining that we are passing it on to you.)
Dear Fellow Travelers:

I have the distinguished honor of being a member of a committee to raise \$50,000,000,000 to be used for a statue of Truman placed in the Hall of Fame in Washington.

We have decided not to tease it by placing it next to George Washington (who never told a lie), next to Lincoln (Honest Abe), or Thomas Jefferson (who spurned a third term).

The committee was in such a quandary but after careful deliberation, it has been decided to place the statue next to that of Columbus, who, after all, did not know where he was going, where he was when he got there, or where he had been when he returned, but made the whole trip on borrowed money.

The inscription to be engraved on the Truman statue will read, "I pledge allegiance to Harry Truman and to the indebtedness for which he stands, one man, indispensable, and with calamity and corruption for all."

Five thousand years ago, Moses said, "Pick up thy shovels, mount thine ass and camel, and I will lead you into the Promised Land."

Five thousand years later, Truman says, "Lay down thy shovels, sit on your rump, light up a Camel, THIS IS THE PROMISED LAND."

If you are one of those who dares to have money left after taxes are paid, we will expect a liberal contribution.

Sincerely yours,
Your Fellow Traveler.

below ceilings prescribed in the regulation.

Kosher beef retailers, who were required to post their prices on June 11, will continue to display their charts, OPS said.

Also, any other retail dealers who desire to post their prices for the benefit of their customers, may prepare their own from the prices in the regulation and post them, it was pointed out.

A Navy enlisted man was elected to the Indiana state legislature while on active duty in Korean waters.

Pappy Deer Prove Tame

AUSTIN—Chalk up a point for Mr. Mule Deer!

He is better behaved than the ordinary white-tailed deer; better behaved in captivity.

All of which brought relief to state trappers.

When they first contemplated trapping some of the West Texas beauties to stock new areas and to reduce overpopulation, the trappers were skeptical of how the ordinary wooden deer traps would withstand the impact of

mule deer.

The West Texas deer are from fifty to one hundred pounds larger than the white-tailed variety.

But, as related in "Texas Game and Fish," official publication of the Texas Game, Fish & Oyster

Commission, the big deer behaved perfectly after they had been lured into the small enclosures.

Furthermore, according to the article, the mule deer also proved they can withstand hauling distances up to 500 miles without ill effect.

"During refueling at service stations," states the article, "as many as fifteen people sometimes peered into the truck from close range as the deer remained huddled together. Seemingly they feel protected for most of them never bothered to get up, if they had been lying down."

and SOCIAL SECURITY

Household workers and farm employees who have been included in the social security program for the first time since January 1, 1951, must get a social security account number card by

June 30, 1951, John R. Sanderson, Manager of the Amarillo social security office said today.

Wages earned by these people during April, May, and June, 1951, will be reported by their employers during July and the social security number of each worker must be included in the report.

If the individual has never had a social security number, an application can be secured at any post office, employment service office, or social security office. It should be completed in ink and mailed or brought to the social security office, 324 Post Office Building, Amarillo. A card bearing the applicant's name and social security number will be

mailed immediately. The worker should then show the card to his employer so that a record can be made of the number, Sanderson said.

Workers who have had such cards, but who have lost them should file an application for a duplicate number. The application is made on the same form as for a new number, but the form contains a question which informs the social security office that a duplicate number is required.

A representative of the Amarillo social security office will be in Clarendon on Tuesday June 28 at 9:00, in the Dept. of Public Welfare Office.

Health Notes

AUSTIN—Dr. Geo. W. Cox, State Health Officer, endorsing the observance of June as National Dairy month today released a statement congratulating Texas dairymen on the remarkable progress they have made in the past few years.

The use of clean safe milk is a health measure. Milk is our most nearly perfect food as it is rich in proteins, vitamins A and G and the minerals calcium and phosphate. Improved methods of producing wholesome milk has been a great help in the saving of infant lives.

Milk is perishable and especially during hot weather. To insure milk of good quality requires cleanliness, sterile utensils, protection against flies, careful bottling and maintenance at low temperature. The presence in fresh milk of large numbers of bacteria, due to unsanitary methods of production is a health hazard.

Dr. Cox added, "Among the diseases which may be transmitted through milk are tuberculosis, typhoid fever, scarlet fever, diphtheria, septic sore throat, undulant fever, diarrhea and enteritis. Numerous milk-borne outbreaks of disease occur every year in this country from the use of milk that might have been safe with proper care.

"We should firmly insist that the milk we drink be carefully produced, so that we will have

the maximum practical protection along the line from the cow to the consumer."

Mrs. Lela Bell of Harlingen, Texas visited her son, Mr. and Mrs. Lee Bell here the past week. Mr. and Mrs. Lee Bell and children accompanied her to Amarillo, Friday, where she will visit her brother before returning home.

Uncle Bob finally let me down; I might have known he would not be an authority on the Irish - and then another thing, reckon a Scotchman would "Give out", even if he knew something. Anyway, he says that the name sounds a bit Turkish to him and that he certainly wouldn't risk a guess as to whether this person is a man or a woman. Judging from the name what do you say? In the meantime send a bundle of old papers to Liam Hodgins, 23 Reginald St., Dublin Eire, for this person sick with TB and

begging for some American papers or magazines.

"Old soldiers never die," and almost never fade away. The tragic part of it is there are plenty of young ones dying and some of our leaders are waking up to the fact of "What for". Some of the authorities on the far East say that just this sort of thing could go on a hundred years and not solve anything; if we could last that long. Men and time mean nothing to the Asiatic people. If there are any two things that they have more of, it is time and children. We have lost 80,000 casualties. South Korea has lost 270,000. All the other hard fighting friends of ours in the United Nations have lost a combined staggering total of 30,000 adding up to 380,000.

In a nearby town the teacher was asking some current questions during the class in Civics.

He asked this question: "If we were on the road to inflation which should a person buy Stocks or Bonds?" All answered stocks except one. "And why do you say bonds", asked the teacher. "Well, suppose you do have inflation, won't feed get high, and if you have to buy feed for the stock where will you be?"

I notice in the papers that the chairman of the taxation committee in the Senate says that this 7 billion tax boost that they are voting on now is the very limit that the American people can stand. It is startling to think that in twenty years we have come from a comparatively tax-free people to the very brink of disaster and no one seems to care, hardly. Most of the counties, states and schools have been fairly conservative in raising taxes; now the federal government has grabbed all the potential here; especially many of the

county and city governments have tried to hold the line. I wonder whether it was wise or not. Washington has taken all the take; now it will dish it out along with the authority that goes with it. One of the chief reasons for the fall of the Roman empire was high taxes, another was corruption in the government, another was moral and religious backsliding; I wonder, I wonder.

I heard of a city girl that was out visiting on the farm and after watching the cows being milked and all the other chores she was asked at the supper table if she would like some milk to drink. "No", she replied, "If I can't have factory milk I don't believe I want any."

There are two kinds of speakers that just kind of worry me; that is, in addition to those that talk too long and say too little. These are those that just almost curse all the time; kinda keep you worried for fear that they will say something to offend someone, and the ones who tell jokes that are too bad to be told out behind the barn. I know that most speakers that tell these rough jokes do so because they think the people want it, but in many cases it just sorta spoils the talk. I think I love a joke as well as the next person but somehow vulgar jokes told in mixed audiences or in the community church houses just don't seem funny to me.

The Navy's first "submersible torpedo boat", the USS Holland, was accepted on April 11, 1900. Fifty-one years later the U. S. Fleet boasts 76 submarines on active service and 120 in reserve.

While other Presidents have died in office, William Henry Harrison and Zachary Taylor are the only ones whose deaths occurred in the White House.

The Marine Corps has announced that 45 per cent of its total strength on active duty is made up of Reservists.

The first ironclad warship was built in the 16th century for the Korean Navy.

State Fair Sets Large Attendance Goal For Rural Youth Day

The State Fair of Texas has set 90,000 as its attendance goal for Rural Youth Day at the 1951 fair, James W. Aston, chairman of the fair's Rural Youth Committee, has announced.

More than 75,000 Four-H Club boys and girls, Future Farmers and Future Homemakers from 225 Texas Counties attended Rural Youth Day last year, Aston said. Rural Youth Day this year will again be on the opening day of the fair, Saturday, Oct. 6.

"This is one of the most important days of the fair as far as the educational aspects of the exposition are concerned," Mr. Aston said. "This program—by far the largest annual event of its nature in the country—has commanded nationwide attention to Texas and to the state fair."

"The youngsters will be admitted free to the fairgrounds and will be served a box lunch at noontime at a king-size picnic that for sheer magnitude will rival other spectacular events at the fair. Two hundred Boy Scouts will do the serving. Dallas business leaders will be hosts and the Dallas Chamber of Commerce and Junior Chamber of Commerce will assist," he said.

More than 1800 vocational agriculture and homemaking teachers and more than 500 county agents and home demonstration agents will cooperate in the rural youth program, Mr. Aston said.

The kids will come from every section of Texas to see the highlights of the 1951 fair, including the Pan-American National Hereford Show, Aberdeen-Angus, Brahman and Shorthorn cattle shows and other outstanding livestock shows. They also will see the "Story-Book of Texas Agriculture," a dramatic new presentation of Texas farming with exhibits from each of 14 extension districts from the Panhandle to the Rio Grande Valley.

An innivation this year will be a dinner-dance Friday night, Oct. 5, at which Honor Award Medals will be presented to 24 outstanding Future Farmers and Homemakers and 28 top-flight Four-H Club boys and girls.

King Ranch at Kingsville, Texas is the world's biggest privately owned farm.

Library Notes
By May L. Prewitt

This week we shall list the children's books first, as they are quite reading conscious. Some of these little people have read twenty-five books and they will be only 3rd graders this fall term. On their new list for children under 5th grade we have: "Taffy and the Rose Colored Glasses." This is a clever little calf story. "Michael Angelo Mouse" is quite an artist, but the story may not interest little people not familiar with some of the terms. All will

enjoy "Scuttlebutt Goes to War" and "Scuttlebutt and the Carrier Kitten." This last we possessed once and it was lost and not replaced. These two books are stories told by Lt. Dwight Follett to Margaret Triskey who writes children's books. Lt. Follett is connected with the Wilcox & Follett Book Co. from where we purchase many of our books. "Gunner and the Dumbo" is written by Lt. Follett. It will appeal to 4th, 5th and 6th graders. "The Little Duck Who Loved the Rain" is attractive and clever, but likely for 3rd grade. "Away Went Tippy"—3rd & 4th grade book. It is the escape of a kitten from its box in Grand Central Station—very amusing. "Cats & More Cats" will amuse several

Pete & Katie White

grades, and you will laugh heartily over "Spunky The Donkey." We received sixteen Little Golden Books that we have never possessed. The backs are re-enforced, so they are 59c books. It is very necessary that we have reading material for these restless girls and boys, and these were less expensive than any other books—then too, these authors are all people who have done years of work in Children's Literature.

"The Homes of America" by Ernest Pickering is the biography of American Homes as they expressed the lives of our people for three centuries. There are 215 plates, and with the material of the book and excellent program could be arranged. The fact is we have some excellent material for various club programs.

Mr. and Mrs. Bud Lemons and daughters spent the weekend in Colorado Springs, Colo. with his brother, Mr. and Mrs. Scott Lemons. Accompanying them for an extended visit were his parents, Mr. and Mrs. E. F. Lemons of Memphis.

Visitors In C. R. Cross Home
Mr. and Mrs. Murry Cross of St. Petersburg, Fla. have been visiting the past several days with his parents, Mr. and Mrs. C. R. Cross of Goodnight. Other weekend visitors were Mr. and Mrs. C. R. Cross Jr. of Tucumcari, N. Mex., Mr. and Mrs. Herman Cross and Annette of Goodnight; Mr. and Mrs. Luke Orrell of Ft. Worth; Mr. and Mrs. Luther Pittman and boys of Amarillo; Mr. and Mrs. Clyde Hudson of Goodnight; Mr. and Mrs. Neely Hudson, Mrs. Mattie Hudson and Mrs. Bertha Benson all of Clarendon.

Little Miss Cynthia Plaster of Canyon is visiting this week with her grandparents, Mr. and Mrs. Clyde Gilbert.

Game Officials Warn Against Making Pets Out of Wild Animals And Birds

AUSTIN—Texans run a risk in trying to make pets out of wild animals and birds, according to the Executive Secretary of the Game, Fish & Oyster Commission.

He made the point in commenting on the current vacation "invasion" season which parallels the appearance of fawn deer and other wildlife young.

"The fawn, which are beginning to appear now, oftentimes are believed to be lost by well meaning persons," said the Executive Secretary.

"Usually, in such cases, the parent deer have been frightened away temporarily but will return. They find their young either by sight or by scent.

"One of the primary dangers of persons trying to provide a home for 'lost' wild game is that the shock from fright of being hand-

led many times kills the young things. They are very sensitive to human encroachment.

"If the 'lost' animals survive, they usually prove to be a nuisance. This is particularly true of deer. Actually, there is a genuine hazard involved in trying to tame wild deer, especially the bucks. They have been known to follow people around like a dog and then suddenly, in the fall mating season, become violent and attack humans either with their horns or front feet."

The Executive Secretary said trying to raise wild birds by setting their eggs under a domestic fowl usually proves wasted effort since they seldom hatch and if they do, the little birds perish. He emphasized that persons insisting on making pets of wildlife must have a permit under a state law.

The ashes of a six-foot man will usually weigh between 8 and 9 pounds after cremation.

Arden L. Terry In Germany
Pfc. Arden L. Terry of Clarendon is the only Donley County resident to be among the first American troops to arrive in Europe to augment General Dwight D. Eisenhower's Atlantic Pact forces. He is serving with the advance party of the famous Fourth (Ivy) Division, temporarily quartered in a huge tent city near Mannheim, Germany.

Pfc. Terry, 22, is the son of Mr. and Mrs. George W. Terry. He is assigned to the field artillery as an observer. Before being inducted into the Army last October, he attended Clarendon Junior College. Terry states that being in Germany is the most interesting experience of his life.

Mr. and Mrs. Hermon Kight and Janice of Iowa Park visited last week in the home of Mr. and Mrs. Carroll Lewis and family.

Mr. and Mrs. Clyde Gilbert were Amarillo visitors Friday.

HEALTH TALKS

Prepared by the Texas Medical Association

If the bug family of rod-shaped germs were compared to the Three Bears, the bacteria would be Daddy Bear, the virus would be Baby Bear and the rickettsial would be Mama Bear, about midway in size between Daddy and Baby Bear.

These rickettsial germs get around to mankind mainly by means of ticks, lice, mites or fleas as these insects feed upon persons or animals who have disease and then latch on to you. Rat fleas spread the rickettsial disease known as murine fever, and ticks are the source of such dis-

eases as Rocky Mountain spotted fever, Q fever and Bullis fever.

Typhus fever is frequently confused with typhoid fever, both in name and in symptoms of the disease. They are two distinct illnesses, however, with the most common distinction perhaps in the rash that they produce; with typhoid when the rash breaks out, it stays broken out when you push on it; with typhus the rash turns white and disappears for a moment when you push the skin in.

You have a real bad headache with typhus fever, a headache that lasts the whole two or three weeks of the disease. It's the kind of headache that makes you want an ice cap on your head all the time and since you usually run

People, Spots In The News

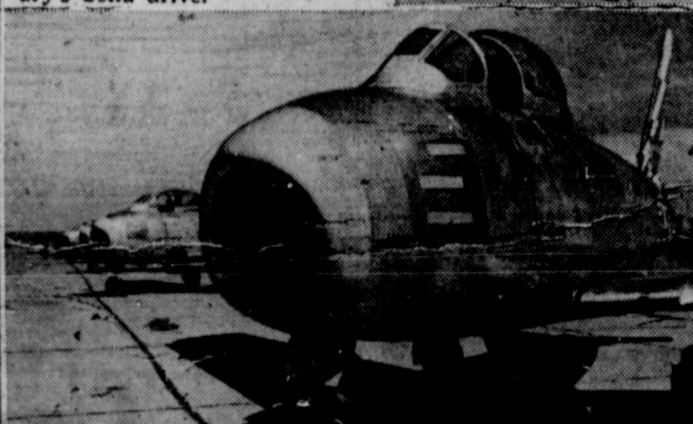

IT'S NOT SNOW these Australian kids are playing in. It's sea foam tossed ashore by heavy storms.

GOOD SKATE at 14 months is tiny Wayne Sheen of Kansas City, Mo. Wayne can even roll with finger in mouth.

INDEPENDENCE DAY HAIRDO is given MGM's Nancy Davis by hair stylist Donu Edmond who created the coiffure to aid Treasury's bond drive.

BIG MOUTH belongs to one of the single seat high altitude jet fighters based at Moses Lake, Washington, to defend Pacific Northwest.

Wood ticks, rabbit ticks, dog ticks, and the Lone Star tick which is often called the cattle tick are the brands which spread spotted fever by their bite.

The Lone Star tick also carries around the rickettsial germ that causes Q fever, a disease much milder than spotted fever and without a rash. The Lone Star tick can infect cattle with Q fever and the germ may be carried to humans through the raw milk from an infected cow even though the cow doesn't seem to be ill. That's why pasteurization of milk is so essential.

Q fever epidemics have occurred among those in contact with cattle such as dairymen, packing-house, slaughterhouse, and laboratory workers.

Though some of the symptoms of spotted fever may also mark Q fever, they are usually much milder; Q fever nearly always has some of the symptoms of pneumonia accompanying the disease, such as chest pains and cough.

Bullis fever flared up at Camp Bullis during the training of servicemen for World War II. Those afflicted with the disease were invariably from other parts of the country. The Lone Star tick was considered responsible for this inhospitality to visiting servicemen, which laid them up with fever ranging from 102 to 105 degrees for about a week or two and then went away.

Donley County Leader, \$2.50 year

At Naval Training Center
Undergoing a two-week reserve training course at the U. S. Naval Training Center, Great Lakes, Ill., is Wayburn D. Wilson, seaman recruit, USNR, son of Mr. and Mrs. O. E. Wilson of Route 1, Clarendon, and husband of Mrs. Betty Wilson of 1109 Polk St., Amarillo.

Mrs. Ella Underdown of Henderson, Texas is visiting in the home of her sister, Mr. and Mrs. Carroll Lewis.

Mr. and Mrs. John N. Plaster of Canyon announce the arrival of a son, John Charles, born Saturday June 23, in an Amarillo hospital. The young man is the grandson of Mr. and Mrs. Clyde Gilbert.

a pretty high fever that may lead to delirium, the ice cap is a good idea. In addition to bed rest and such treatment as might relieve the aching head, your doctor will

probably prescribe one of the new medicines such as aureomycin to carry you through typhus with minimum discomfort. There isn't much danger of any complications with typhus if sensibly treated and one good thing about the disease is that once you've had it, you're immune.

Spotted fever, sometimes called by its full name of Rocky Mountain spotted fever, is a more serious illness than typhus and in times past has had a high death rate. The new drugs have not only cut down on the complications which can arise from spotted fever but also seem to be cutting clear down on that mortality rate.

Spotted fever is caused by tick bites and is common all over the world. You usually get sick very suddenly with this disease, just developing awful headache, muscle and joint aches, shaking chills and fever, hurting eyes, upset stomach and maybe even baldness, your hair suddenly falling out. You have a high fever and you do feel real sick.

The rash from which spotted fever gets its name usually appears after the second day of the illness, first breaking out around the wrists and ankles and then spreading all over the body, even on the palms of the hands and soles of the feet.

Since ticks are more common in rural areas than in towns, spotted fever is more common in the country. Every tick is not infected, of course, but knowledge of a recent tick bite, followed in 2 to 14 days by a sickness such as described above would perhaps speed up your doctor's diagnosis and permit him to start treatment early.

Hearing Aid Authority Will Visit Clarendon

Mr. Reed Payne will be in Clarendon from 1 to 5 o'clock, Wednesday, April 25th to show the Hard of Hearing the latest progress that has been made in the hearing aid field. Mr. Payne will make free hearing tests and demonstrate the new Beltone Melody Hearing aid - - - will show you how you may hear clearly - - - and UNDERSTAND - - - with NO BUTTON SHOWING IN YOUR EAR!

"I got the story on
50,000 Miles-No Wear
 and changed to New Conoco Super Motor Oil"

says W. R. Abel
 Traveling Salesman
 El Paso, Texas

"I travel 40,000 miles a year," says Mr. Abel. "Since I've changed to new Conoco Super I never have to add a quart between drains, and I've had no engine trouble."

"50,000 Miles-No Wear!" Proved Here:

After a punishing 50,000-mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

SHOP FOREMAN
 "I have 80,000 miles on my Chevrolet, using Conoco Super," says Nick Motzner, Shop Foreman, Twin Falls, Idaho. "The motor has never been torn down, oil consumption is at a minimum, and gasoline mileage averaged 23 miles to the gallon."

TAXI OPERATOR
 "I've had a decided decrease in maintenance costs and gasoline consumption since changing to Conoco Super," reports Goddard Langlais, Taxi Fleet Operator, Lafayette, La. "I only wish all my cabs had been broken in with Conoco Super."
