ANNIVERSARY of 32 YEARS WITH THE FARMERS STATE BANK

At a meeting of the directors of the Farmers State Bank, held the last week in December, the group voted to pay each stock holder a dividend of 10%. The unusually high per cent returned during the 1951 as well as the very high per cent dividends it has maintained over the past 16 years is a measure of the success which has attended the Farmers State Bank over years of successful operation. As the Bank has helped others to grow and succeed it has grown itself.

For 32 years the Bank's operation has been directed by J. D. Swift, coming to Clarendon in 1920 the Bank's total assets were only \$154,742.84. Today its assets total \$2,271,051.74. This record of growth has fulfilled the ambition of Mr. Swift who has always worked to give the community the very best banking service possible and to provide a service commensurate with the needs and demands of a growing country. On his arrival here Mr. Swift made the Farmers State Bank a member of the Federal Reserve System and later the Federal Deposit Insurance Corporation. He helped organize the First Land Bank Loan Ass'n in Donley County. He was made chairman of the Government Seed & Feed Loan for Donley County and served for 10 years. He was treasurer of the Donley County Red Cross for 26 years.

The Officers of the Farmers State Bank are: J. D. Swift, President; Van Kennedy, Vice President & Cashier; Anna Moore, Asst. Cashier; Emmett Simmons, Asst. Cashier. The Directors are: J. D. Swift, President; G. Leathers, farmer and stock-ranching; J. H. Hurn, retired; Frank White Jr., rancher, grain & hatchery; Emmett Simmons, Asst. Cashier & Insurance Agency; Van Kennedy, Vice Pres. & Cashier.

SERVICES HELD FOR MOTHER OF LELIA LAKE WOMAN

Funeral services were held Tuesday afternoon at Wellington for Mrs. J. C. Darrow, mother of Mrs. M. E. Tyler of Lelia Lake. Mrs. Darrow had been a resident of Collingsworth County for 45 years. She passed away at her home in Wellington Sunday.

ATTEND STYLE CLINIC

Mrs. Essie Putman and Jean Riley attended Murry's hair styling clinic in Amarillo last Sunday afternoon. Foremost hair stylists gave lectures and instructions on the newest hair styles and new methods connected with all types of Beauty Shop services.

MUD FLOODS HIT CALIFORNIA

HOLLYWOOD—Buried past the windshield line in mud is car of movie actress Virginia Gibson, who was overtaken on way home from studio by river of rain-soaked earth that covered highway. Torrential rains brought hillsides rolling down on roads and homes.

Youth Center News

Members of the Canteen Board would like to thank Mrs. Donald Ballew and Mrs. Earl Hodnett for sponsoring at the Canteen Saturday night, and Mrs. W. C. Thornberry and Mrs. Bill Cushing for sponsoring there Tuesday night. The sponsor for the coming Saturday night will be Mrs. R. C. Hill. The Board would also like to express their appreciation to Mr. and Mrs. Frank White, Jr. for their donation to the Canteen.

1 2 2 3

Apparently some six hundred possible voters are looking forward to getting involved with that last minute rush of buying poll tax receipts, for the count Wednesday was only 1,223 out of a possible 1,850, according to information released by tax officials at the court house. Only one week remains to pay your poll tax as midnight January 31st is the deadline. We have been informed that the tax office will remain open until midnight on January 31st to accommodate late comers but employees of the tax office have issued a plea to all interested persons to scatter their poll tax paying out over the six remaining days as it will help them as well as the persons who will be standing in line.

Remember too, that all other taxes are due January 31st. If paid after that date, a penalty will be added. The main thing is to pay your poll tax so you may be able to exercise a right that you and you alone may enjoy. No one else can do it for you.

Wednesday Will Be March of Dimes Drive Day

Walter B. "Bud" Knorpp, Donley County March of Dimes chairman, announced yesterday that the one day drive for Donley County would be held next Wednesday, January 30th. We will have all collection containers out in the business houses and make solicitations this one day with hopes that a sizeable sum can be raised and the drive completed within the 24 hour period. Mr. Knorpp stated.

We are not announcing our quota yet as we feel that everyone will give as generously as possible and we need every cent that can be raised, he added.

During the past several years, Donley county polio patients have more than drained the local fund. In fact, more money has been spent than has been donated with the local chapter being compelled to draw on the national fund.

Donley County was fortunate this past year but the coming year may present a different story. No one knows when an epidemic may break out and the Donley County chapter has the desire to have enough money on hand to meet whatever occasion that arises.

If you wish to go ahead and make your donation, just send your money or check to the Polio March of Dimes Fund in care of Mr. Knorpp at the Donley County State Bank.

Notes from - - - CITY HALL

A sewer rate increase of 25c was voted by the Board of Commissioners to go into effect January 1, and the rate increase will be reflected in your next water bill.

This rate increase was necessary to offset an increase of salary given to city employees, and to help finance major cleaning of the main sewer lines in town.

There was no salary increase given to city officials. Even with the increased rates, the rate in Clarendon is still considerably cheaper than in surrounding towns because a great deal of their financial upkeep on the sewers must come from this source. However, in Clarendon, other revenue up to this time has helped maintain the sewers.

A major cleaning of main sewer line contract has been entered into to clean approximately one-half mile of the main. The price for this will be around \$1200, cheaper than at first anticipated, but probably more will have to be cleaned to get the sewer mains in reasonable working order.

The sewer system is one of the cheapest public utility rates which you have to pay, and the rate increase is certainly necessary for its permanent continued operation.

SISTER OF LOCAL WOMAN DIES AT MORSE

Funeral services have been set for 3 o'clock this afternoon in Morse, Texas for Mrs. Cuni Drucila Clifton with Rev. C. R. Hankins of Lubbock officiating. Mrs. Clifton was a sister of Mrs. W. J. Mathis of Clarendon. She passed away at her home in Hutchinson county Monday night. Burial will be in the Morse cemetery.

VARIED PROGRAM AT BAPTIST CHURCH SUNDAY

It was announced yesterday that a church conference will take the place of the regular morning service at the First Baptist Church this coming Sunday morning and the young people will be in charge of the regular evening service. The Junior choir will replace the senior choir at that time also.

Louis Youree Injured In Freak Accident

Louis Youree, one of the partners of the Youree-Taylor Auto Shop, received injuries to his back last Friday morning when he playfully leaped upon the front of a tractor being driven by Bill Preacher and fell in such a manner that the tractor pushed him into another parked tractor. The accident occurred on the city ditch bridge at the rear of the Estlack Machinery Co.

X-ray pictures showed Mr. Youree to have a fractured back and he was taken to Groom where he was placed in a cast. He is reported getting along nicely at this time. He was brought home yesterday afternoon, but he will have to wear the cast for about three months, Mrs. Youree reported.

A. J. "Andy" Rogers Making Senaté Race

A. J. "Andy" Rogers, state representative of Childress, has been a frequent Clarendon visitor the past few weeks getting lined up for his race for the new State Senator's place. Rogers has been a member of the House of Representatives for nearly four years representing Motley, Cottle, Childress and Hall counties.

BAND AND ORCHESTRA PARENTS MEET

Members of the Band and Orchestra Parents organization held their regular meeting in the Band Hall Monday night at 7:30. W. A. Riney, president, presided.

W. W. Sandifer, L. M. Smith, Mrs. Ed Moore and Mrs. H. Swinney, were appointed to work as a committee to present ways and means of raising funds to keep the band going.

It was voted to set up a permanent fund to be used for Uniforms and Instruments. This fund will set aside 10% of the money made to go for instruments and 20% for Uniforms. A report was also made that satin had been purchased to make the necessary new skirts for the Twirlers.

After a discussion of matters pertaining to the beginning of the Orchestra work, the group adjourned. Fifteen members were present.

MOTHER OF LOCAL MAN DIES AT MORTON

Funeral services were held at the Church of Christ in Morton, Texas Wednesday, January 16, for Mrs. S. F. Allred, mother of T. T. Allred of Clarendon. Mrs. Allred died Tuesday, January 15, following a short illness. Burial was in the Morton Cemetery.

ATTEND FUNERAL IN KANSAS

Dr. and Mrs. J. W. Evans attended funeral services in Abilene, Kansas Wednesday, January 9, for his sister, Mrs. D. R. Gordon. Mrs. Gordon died Monday afternoon, January 7. Services were held from the family home in Abilene.

Dr. and Mrs. Evans returned home Wednesday, January 16. They were accompanied by her sister, Miss Katherine Ross.

TO HOLD BAKE SALE SATURDAY AFTERNOON

The Mothers Study Club will hold a bake sale Saturday afternoon at Junior's Food Market. The sale will start at 1 o'clock and you are invited to shop with them for your week end "sweet treats". There will be both pies and cakes for you to choose from. Stop by and make your selection!

MARINE VISITS HERE

Sgt. Raymond Adams of the U. S. Marine Corps is at home visiting with his parents, Mr. and Mrs. B. N. Adams, and will be here until Feb. 5. Sgt. Adams has been a Marine for the past 3½ years and at the present time is based at Camp Pendleton, Ocean Side, Calif.

A younger brother, Billy Bob Adams, a marine, is also based at Camp Pendleton.

Local Fat Stock Show Now In Progress

LOOK CLOSE—See if you can tell which one is the goat. Pictured at left is Boss Lion Carroll Knorpp; that thing taking a squint toward the south is the attendance prize goat, and pictured at right is Early Lane, third man to get the goat. The picture was taken by Tommie Saye as the three were coming down main street shortly after noon Tuesday.

STYLE SHOW TO BE HELD FRIDAY AFTERNOON

Lloyd Richerson, Supervisor of the Homemaking Department of the Clarendon Schools, will present her second and third year girls in their Annual Style Show at the College Auditorium Friday afternoon, January 25, at 2 o'clock.

The girls will be modeling skirts, suits and dresses that they have made under her direction.

The public is cordially invited to attend.

Lions Wondering Who's The Goat!

Several weeks ago it was decided by the attendance committee of the Lions Club to involve a goat in the attendance contest now going on. When the committee failed to produce the goat at the beginning of the contest everyone relaxed and forgot the whole idea.

It all happened suddenly - - - the goat appeared at the regular luncheon Tuesday noon at Lions Club Hall. The goat was awarded to Boss Lion Carroll Knorpp and it was his duty to pass the goat off on some member that was not present for this meeting. Lion Knorpp started down main street with the odiferous animal and the first absentee met was Ernest Kent. Kent took the goat over to Early Lane and then so on down main street went the goat disposal proposition until Rayburn Smith left the animal with Frank Thomas. Frank tied the goat in the alley behind his place of business and later gave it to the first youngster that came by. Last account was that Gordon Mann was the goat, for it was his son that took the goat home for the night. The attendance committee was busy Wednesday afternoon figuring a way to get the goat back into circulation before next Tuesday. If an absentee is awarded the goat he is supposed to get it off on another absentee or keep the goat until the next meeting. Club officials are looking forward to a full house next Tuesday. Junior Spier is the committee chairman that arranged for the goat.

Palmer Motor Co. Adds New Equipment

The Palmer Motor Company, local Ford Dealer, is announcing in this issue of the Leader the installation of new equipment in the way of a new Bean Auto Front End machine. This equipment is said to be of the latest design and complete in every detail to equal such equipment found in the larger cities. It has been necessary for vehicle owners of this area to drive away from home in order to receive this service. Turn to page eight and read their advertisement for more complete details.

Geo. B. Bagby will leave Friday for Austin on business.

The Donley County Fat Stock Show is in full swing today, Thursday the 24th, and all stock is in the show barns on the Brice highway and will remain until four o'clock this afternoon.

The judge for the show is Ollie Limer, county agent of Plainview, Texas. Mr. C. L. Lewis, president of the show and all of the officials are at work with the various departments. H. M. Breedlove, secretary and manager of the show, says that there is better fat stock at the show this year than has been in several years and a lot of competition is promised for the coming regional shows where the stock will be shown after it leaves Clarendon. 4-H club and FFA boys from all over the county are competing in the show and a premium list of \$420.00 is to be given to the prize winners. This money was given by the business men and individuals over the county to make the show possible.

Tom Seay, Vocational teacher of Clarendon and Doyle Messer, vocational teacher of Hedley will enter hogs and sheep in the Fort Worth show after the Clarendon show. H. M. Breedlove, county agent, says that the steers will be shown in the Amarillo Fat Stock Show on March 3-7th.

The home economics department of Clarendon will sell coffee, hot dogs and pie at the show. Everyone is urged to go out to the show barns and look over the livestock before four o'clock this afternoon when the stock will leave the barns. Several registered breeders have agreed to bring stock to the show and put on display for the day.

Results of the show will be given next week.

SCHOOL ABSENTEEISM STILL AT HIGH MARK

Flu is still the main illness causing a continued high total in school absenteeism. The report for last week showed a total of 184 days for all grades at a cost to the local school system of \$165.60. The outlook is even darker with school officials reporting exceptionally high totals of absentees the first three days of this week. The total last week for the lower grades was 119½ and the senior high total was 64½ days absent.

ALLEN HARP

In making his announcement for a second elective term as District Attorney of the 100th Judicial District, Allen Harp made the following statement:

"I wish to express my sincere appreciation to the people of this County and District for electing me to the office of District Attorney. I have striven to render a valuable service to the community and State. As to my efforts, I refer you to the District Court Officials, the Grand Jurors and Petit Jurors with whom I have worked.

"By virtue of the experience gained in the last two years, I feel I will be able to render more efficient service in the future. It is my desire to enforce the law for the protection of society without persecuting any individual and to this end I am working, and shall continue to work.

"The co-operation and support of every citizen of the 100th Judicial District is earnestly solicited for a second term as District Attorney."

\$8,000,000 Goal Set For 1952 'Heart Fund'

A total of \$8,000,000 is being sought during February by the American Heart Association and its affiliates throughout the country "to carry on the vital fight against heart and circulation diseases that account for nearly half of our national death toll," Bruce Barton, Heart Fund campaign chairman, reported today.

"About 44 per cent of all deaths in the United States are caused by heart and circulatory diseases," Mr. Barton said, "for the single year of 1950 numbering 745,440 persons. However," he added, "there is new hope for hearts in the work that has been accomplished during the past quarter of a century.

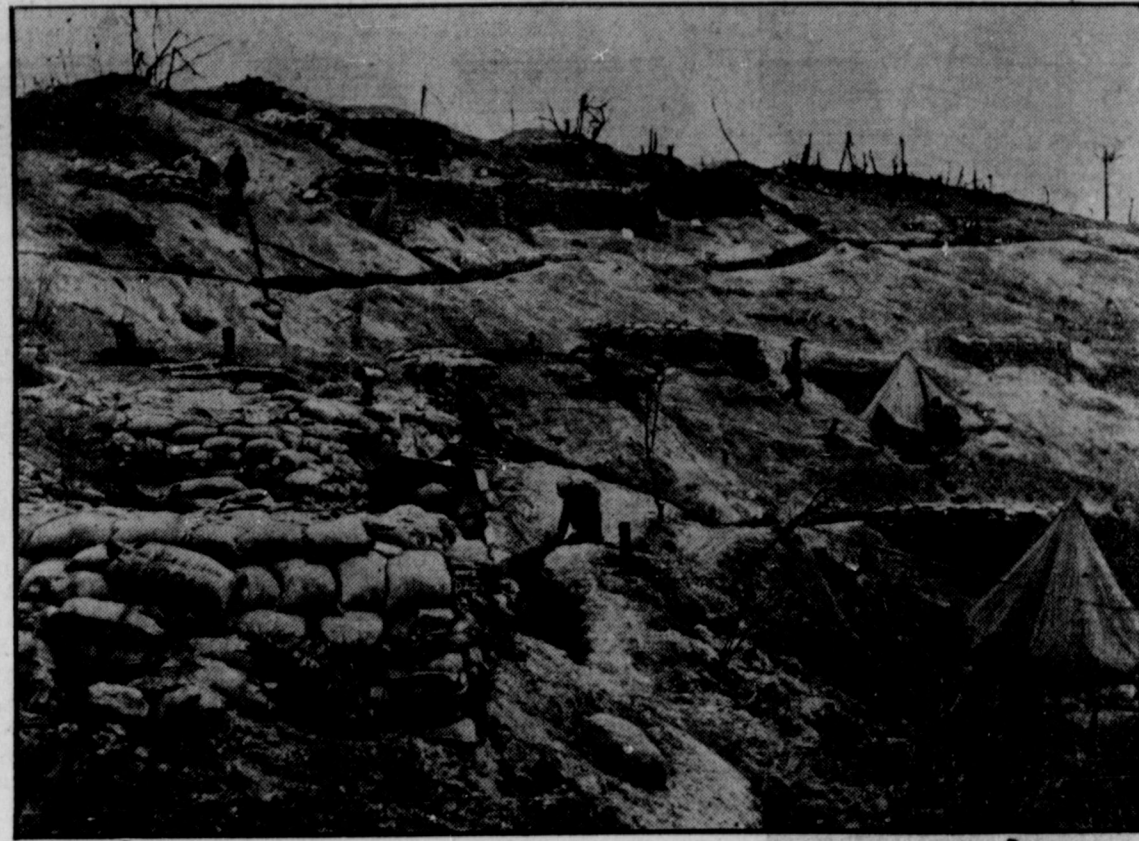

"It is especially important," he declared, "in these days when tremendous demands are being placed on this nation's military and industrial strength that we do everything we can to see that our human resources do not fail us. Diseases of the heart and blood vessels, constituting as they do our country's leading cause of death and disability, are a serious threat in our struggle for freedom.

"The public is familiar by now with the fact that heart disease robs us prematurely of too many of our most able and irreplaceable leaders in industry, government, science and other vital fields of endeavor. We pay heavily in the sacrifice of our loved ones, our friends, our associates, our employees to this national health menace.

"Ten million of our citizens are affected by diseases of the heart and blood vessels," Mr. Barton continued. "Over the age of 45, during man's most productive years, one out of every two persons dies of the heart diseases. One out of every six deaths in the military age group—20 to 39—is caused by these diseases.

"The 1952 Heart Fund will seek to raise the necessary funds to support the greatest effort ever made in medical history to find the answers to the unsolved problems of heart disease. Money is needed, too, to make sure all the available knowledge about heart disease is placed at the disposal of our doctors and the people it will benefit in every community.

"Consequently," Mr. Barton concluded, "it is our duty to ourselves, our loved ones and our nation to give the utmost support

"OLD BALD TOP"—Sand-bagged bunkers and a maze of slit trenches indicate that this particular piece of Korean real estate occupied by U. S. Marines would be bought for a heavy price in Communist lives. The Marines call it "Old Bald Top" because heavy bombings have shorn it of vegetation.

to the Heart Fund that it may continue the fight against our number one health enemy." Contributions may be sent to the simple address: "Heart, care of Post Office."

Mrs. T. K. Vandiver of Amarillo visited last week in the home of her parents, Mr. and Mrs. R. A. Hay. Her husband came for the week end. Other week end guests in the Hay home were Mrs. Portia Burgess of Erick, Okla. and Mrs. H. F. Krug of Texola, Okla.

To The People of The 18th District

PRIME MINISTER CHURCHILL
 Prime Minister Churchill has just concluded his address to Congress. The floor was crowded with all of the dignitaries of this country and representatives of foreign countries. The galleries were packed. He was welcomed by a standing ovation and appeared deeply touched. He fully lived up to his reputation as the outstanding orator of the age. He made no pretense concerning the

purpose of his visit. In his opening remarks he stated bluntly that he did not come to ask for money. However, he subsequently explained the needs of the British people for materials and equipment. The darkness of the situation in the Near East was not minimized and he did not attempt to soft-pedal the great responsibilities that are faced on the European continent and in the Far East. In my opinion, his words reflected full recognition that this country is expecting value received for additional

foreign expenditures; that the American people are not going to pour out funds for foreign aid unless they retain the reins of control on the expenditures. I also feel that his speech was intended as a clear warning that the English speaking people must remain united if they are to meet the full requirements that will be required by the aggressive communism that now lagues the world. The full import of his remarks will be made more clear by the demands that will be made upon Congress within the next few months.

As I stood in the chamber during the ceremonies, the terrible thought occurred to me that if Russia should drop an atomic bomb at that particular instant, practically the entire officialdom of the United States, the head of the British Government, and prominent officials from the other governments of the world would be wiped out in one fell swoop. At this thought I immediately began to search the chamber for representatives of the Russian Embassy and was unable to locate any.

Mr. and Mrs. W. H. Fitzgerald and children of Silverton were week end guests in the F. A. Fitzgerald home.

It's Here "Mrs. America," Big, Beautiful Package Kitchen American KITCHENS

ONLY A Small Down Payment and Terms to suit your needs.

SAVE BIG MONEY YOU CAN AFFORD ONE BIG 8 FT. COMPLETE KITCHEN

- SEE WHAT YOU GET! 1. A gleaming, handsome American Kitchen Sink—54 inches long—double drainboard with a deluxe non-splash faucet aerator... 2. TWO 21" base cabinets... 3. TWO 21" wall cabinets... 4. TWO what-not shelves...

NOW IS THE TIME TO BUY! Unbelievably Low Cost—

It's the biggest news in kitchen history—it makes buying a complete kitchen as easy as buying a refrigerator. Take advantage of big savings like this—made possible for you by purchasing the big complete "Mrs. America" in money-saving package rather than buying in individual units. It means that now you can have all the beauty, the time-saving, step-saving advantages of famous American Kitchens. And it means, as never before, that you can have the money-saving advantages as well. No need to envy others who are able to find time to enjoy themselves and their children—no need to put up with youth-robbing kitchen drudgery. For now you may give yourself up to 2 hours of freedom every day with the kitchen with more work-saving features than any other kitchen in America. Yes—American Kitchens is the easiest kitchen to clean—smooth easy-to-wipe surfaces with concealed door and drawer pulls to eliminate dirt-catching handles... rounded drawer interiors—seamless—clean easily as wiping out a bowl. Storehouse storage space at fingertip level. Save hundreds of steps on every kitchen operation. Lifetime vinyl work-surfaces—won't stain or mar—available in basic black or red-wine red. Remember, too, no matter how you plan your kitchen, no matter what other units you care to add, you can use the "Mrs. America" package as your basic unit, build from it any way you wish, and still save important money on your basic purchase. Why don't you see the American Kitchen today—the most beautifully designed kitchen in America. *Uninstalled. Prices and specifications subject to change without notice. **Red vinyl top available at slight extra cost.

CUE AND CURTAIN CLUB GUESTS AT MEMPHIS

Members of the Cue and Curtain Club of Clarendon were guests of the Memphis Cue and Curtain Club Tuesday evening for their presentation of "Joan of Lorraine," written by Maxwell Anderson. The play with-in a play was under the direction of Mrs. Guthrie and was given in the High School Auditorium.

"Joan of Lorraine" is a two-act play with a cast of 20 characters. The performance was splendid with all characters portraying their parts well. One of the most remarkable features of the entertainment was the fact that the books were received after the Christmas holidays and the play worked up in record time.

A most enjoyable evening was reported by the twenty-five members of the Cue and Curtain Club attending. Others who were present for the outstanding performance were Mr. and Mrs. Larry Grundy, Mr. and Mrs. Bill Clark, Mrs. Gordon Bain and Jinna Sue, Mrs. L. N. Cox, and Mrs. Marguerite Goodner.

GOLDSTON QUILTING CLUB

The Goldston Quilting Club met at the Goldston community house Wednesday, Jan. 16, with Nina Dale as hostess. One quilt was finished. Those present were Mrs. Madeline Phillely, Mazie Eichelberger, Sarah Peggram, Connie Talley, Willie Putman, Ola McBrayer, Edna Hudson, Katie Scoggins, May Pearl McDonald, Blanche Gray, and visitor Mrs. Margaret Lemons of Clarendon.

Those to receive polyanthas were Sarah Peggram, Connie Talley, Willie Putman, May Pearl McDonald and Blanche Gray.

The quilting this week will be with Mazie Eichelberger on Wednesday, January 23.

MOTHERS CLUB

The Mothers Study Club met in regular meeting Tuesday afternoon at Patching Club House. Hostesses were Billy Jean Moore and Helen Land.

It was voted in the business session to conduct a Cake Sale to be held Saturday afternoon. Mrs. Lee Tyler was voted in the club as a new member.

An educational, entertaining, and thoroughly enjoyable program was presented by Mrs. C. B. Morris entitled "More Fun For All The Family."

Those present were one guest, Mrs. C. B. Morris and members, Mesdames Delene Tyler, Nova Lee Mooring, Edith Seay, Anness Bennett, Bobbie Lowry, Louise Wiley, Rowena Allen, Carol Lane Phillips, Pauline Heath and the hostesses Billy Jean Moore and Helen Land.

P. T. A. NEWS

Mrs. Maurice Lane, president of the Sims P.T.A., announced this week the P.T.A. Project for the year as voted upon by the Executive Board at their last meeting. Funds raised from the Carnival in the fall will be used to purchase books, supplies or anything that might be necessary to further the education of children in the Elizabeth Stevens and Junior High School buildings, with funds being divided among the teachers, each to use as he or she sees fit.

A fund was also set aside to be used to further education in the colored schools.

The Executive Board voted to establish a Junior Patrol under the sponsorship of the P.T.A. This work will be started soon after February 1st. Details of the plan are not available at this time but will be announced at a later date.

BIRTHDAY PARTY

Mrs. Amel Carter surprised her husband and sister-in-law, Mrs. Ross Darby, Thursday night with a birthday party. Games of 42 were played and lovely refreshments of sandwiches, pie and cake were served to Mr. and Mrs. Oren Hott, Mr. and Mrs. Gilbert Mann, Mr. and Mrs. Harvey Shaw, Mr. and Mrs. Ross Darby, Mr. and Mrs. Ira Self, Mr. and Mrs. Henry Mann, Mr. and Mrs. Carl Barker, Mr. and Mrs. Henry Tatum and host and hostess, Mr. and Mrs. Amel Carter.

BIRTHDAY CLUB

Members of the Birthday Club surprised Mrs. Joe David with a housewarming at her home Thursday, January 17. A covered dish luncheon was served at the noon hour. Following the meal, Mrs. David opened her many lovely gifts.

Those present were the honoree, Evadeen David, one guest, Kate Beverly and members Ola Bradshaw, Francis McCord, Lora Johnson, Stella Spurgeon, Abbie Warner, Chloe Smith, Letha Smith, Bennie Crabtree, Carrie Johnson, and Ora Murphy.

ASHTOLA NEEDLE CLUB

On account of bad weather there was no meeting of the Club on Jan. 3, but on Jan. 17 we had our first meeting of the year, also the first meeting with our new President, Viola Graham. All seemed enthusiastic and resolved to try to make our club better and more helpful to our community throughout this year.

The program committee had met and had the year book filled out ready for distribution. The Farm Owners organization meets at Ashtola on March 5 and the club will serve lunch.

After the business Johnnie Poovey had charge of the program, Value of a community club which was discussed by all.

Delicious refreshments were served by the hostess, Ruby White, to 15 members.

CHAMBERLAIN CLUB

The Chamberlain Club will meet February 7th in the home of Mrs. John Heathington.

RICHARDS-HOLMAN

Miss Thelma Jewell Richards became the bride of Charles Ray Holman in a ceremony performed in the home of Rev. and Mrs. C. E. Spillman, Saturday, January 5. Rev. C. E. Spillman, pastor of the Assembly of God Church officiated.

Mr. and Mrs. Eugene Bell attended the couple. Others present for the wedding were Mrs. C. E. Spillman, Mrs. Elmer Richards, and Mrs. Carl Holman.

Mrs. Holman is the daughter of Mr. and Mrs. Elmer Richards of Clarendon and a member of the Assembly of God Church. Mr. Holman is the son of Mr. and Mrs. Carl Holman, formerly of Clarendon and now living at Corpus Christi. The couple will make their home in Clarendon.

JUNIOR BEAUX ARTS CLUB

The Junior Beaux Arts Club met Wednesday, January 16, in the home of Mrs. Harry Brumley. The meeting was called to order by the secretary, JoAnne Sibley. The present president, Alice McCrary, is leaving for Baylor University; the vice-president, Ramona Rhea, is now our president. Sandra Shelton was elected by acclamation as our vice-president. Mrs. Brumley showed the group many of her beautiful original paintings as well as some replicas of famous paintings by immortal artists, lovely hand-painted china, and assorted collection of miniature pitchers. A picture of the group was taken for the annual. The group was further entertained by Mrs. Brumley's pet parrot.

After the interesting and educational meeting, refreshments of hot tea and cookies were served to the following guests: Miss Lucile Polk, Miss Mary Howren, Sue Smith, Lou Smith, Vivian Newberry, JoAnne Sibley, Sandra Shelton, Noma Lee Lewis, Sandra Bownds, June Star Allred, Mary Lou Barker, Nell Bentley, Clara Hahn and Nellie Jon Heathington.

Mr. and Mrs. W. R. McLean of Amarillo, Mr. and Mrs. R. E. Ashford, and Mr. and Mrs. Fred Hutson, all of Hedley, visited in the home of Mrs. Dollie Mayo Sunday.

Mr. and Mrs. Ray Palmer made a business trip to Oklahoma City the first of the week. The children visited their grandmother, Mrs. Doss Palmer.

Guests in the home of Mr. and Mrs. Ray Opelia Sunday were Mr. and Mrs. James Smith, Edidine Smith and Mrs. Ona Smith, all of Memphis, Miss Joan Kinnermer of Claude and Wade Rice of Brice.

MIDWAY CLUB

The Midway Club met in the home of Eddie Williams, Jan. 17. A delicious lunch was served at the noon hour and two quilts completed for the hostess.

Guests were Mrs. Howard King and Mrs. N. R. Simmons; members Roxie Williams, Lucille Eanes, Allie Quattlebaum, Pearl Terry, Sarah Shaller, Goldie Mooring, Arrie Hefner, Loyd Hillis, Ellen Moreland, Nell Land and the hostess, Eddie Williams.

The next meeting will be with Roxie Williams, Feb. 7.

—Reporter.

Leo Underdown of Amarillo and Wanda Hartman of Wellington were guests Sunday in the home of Mr. and Mrs. T. G. Wiley and boys. Mr. and Mrs. M. A. Wiley and Gaylon and Miss Betty Aeriolo of Lakeview were afternoon visitors.

FARM NEWS

From the County PMA Committee

BEFORE AND AFTER RULE

At the beginning of the 1952 Agricultural Conservation Program year, Texas farmers are reminded of the "Before and After Rule"—according to B. F. Vance, Chairman of the Texas State PMA Committee, this rule simply means that farmers should secure prior approval from their county PMA committee, for practices for which ACP assistance is expected, before the practice is started and should report the practice after it has been completed.

County PMA committeemen are then in a position to keep a record of the amount of ACP funds that are being earned. When all the county funds are spent no more prior approvals can be issued.

Vance points out another requirement made of farmers in connection with the "first-things-first" approach under the 1952 ACP. Each farmer must have on file with the local county PMA committee a form indicating his soil conservation plans for 1952 before he can receive any prior approvals for the year. All farmers are urged to file this form immediately with their local county PMA committee so that unnecessary delay may be avoided when the farmer is ready to start his conservation work.

Remember that you must file an intention sheet in the county office before an approval can be issued to you for 1952. You may come by the office and fill out one of these any time that is convenient for you.

APPLICATIONS FOR PAYMENT

If you completed a practice un-

der the 1951 ACP Program, please come by the office and sign your application for payment. The first transmittal has been sent to the State Office and the checks have been received by the producers.

COTTON SURVEY CARDS

If you have not reported your cotton acreage and cotton production for 1951, don't forget to do so. Be sure to bring the card that was mailed to you in or you mail it back to the office postage free.

MORE CONSERVATION FOR EACH CONSERVATION \$

"How can I obtain the most conservation for each dollar spent in carrying out soil and water conservation practices?"

James B. Smith, chairman of the Donley County PMA committee, says that is the question which every farmer in the county should be asking as he considers his farming operations for 1952. Under the 1952 ACP every farmer will be encouraged to check his farm for needed conservation practices and then to determine those practices which are most needed in meeting production goals for the defense effort and in protecting and building his land for the future.

Since assistance provided under ACP is on a share-the-cost basis, with the farmer himself in most cases putting up the biggest share of the cost, it is to the farmer's advantage—as well as an obligation to the country—to get as much conservation as possible for each dollar spent. This applies to the funds put up by the farmer as well as to ACP assistance.

Farmers should devote as much time and attention as is necessary to planning the best possible use of any labor, materials, machinery, and technical services used in carrying out conservation practices. This calls for carefully going over the farm, field by field, to determine what should be done to check erosion and deterioration. It also calls for increasing the yields from each field in line with production needs as indicated in the production goals announced by the County Agricultural Mobilization Committee.

NOTICE!!!
The PMA Office will be closed on Saturday mornings effective immediately but will remain open Monday through Friday continuously from 8:00 A. M. to 5:00 P. M.

Mr. and Mrs. Virgil Moore and children of Amarillo visited in the home of Mrs. E. W. Tyler, Sr. and Miss Alice Tyler Sunday.

Poultry Production Will Rise In 1952

The poultry industry can expect another banner year in 1952, according to latest figures of the U. S. Department of Agriculture.

Increased production of eggs and broilers is expected and turkey production may exceed the 1951 level, which was a record high. Indications are that the strong demand for poultry products will continue and prices are expected to average about the same.

While the total value of poultry products in 1952 may be as much as 5 per cent higher than the estimated \$4 billion for 1951, costs will also rise and net returns to producers may be a little lower.

Commercial broiler production will probably continue its long-time increase, assisted by the new aureomycin-vitamin B12 feed supplement, which helps bring birds to maturity faster and on less feed. Broilers today are supplying almost half of the nation's chicken meat, compared to a negligible amount 15 years ago.

Turkey growers are expected to raise more small birds, which are proving popular and economical for year-round use. A record 52.8 million turkeys were produced in 1951, and indications are that the production of small and large turkeys will increase in 1952.

When they measure you for clothes in Kentucky they always ask if you want one or two hip pockets, and whether in pint or quart size.

Mr. and Mrs. Ivan Taylor of Amarillo were guests Sunday in the home of Mr. and Mrs. B. N. Adams and family.

Mr. and Mrs. John Miller Morris of Canyon visited in the home of his parents, Mr. and Mrs. C. B. Morris, Sunday.

CHIROPRACTIC

The Natural Method to Health

While the wide scope of Chiropractic is amazing to the uninformed, it is not recommended as a CURE-ALL. Chiropractic is effective in those cases only where the cause is found to be defective in organic energization due to spinal misalignment (subluxation). Most all of our cases are those which had previously resisted ordinary methods of healing. Our examination is designed to eliminate those we cannot help. Case histories published here are from the files of Chiropractic offices throughout the United States. They are related here to show the extent of Chiropractic.

We Both Are Grateful To Chiropractic

"THANKS TO CHIROPRACTIC I WAS ABLE TO CONTINUE MY NURSING PROFESSION" a nurse writes. About four years ago she began to feel pain in the back near the right hip. She was nursing in a hospital, had X-rays made, and the doctors told her there was nothing wrong - - that she probably caught cold. As weeks went on the pain got worse and the right leg was getting numb and heavy. She kept on working until her leg finally gave out. The pain was severe and she was confined to bed. Two doctors came to her home but could not help. After being in bed for nine weeks she went to a hospital and had more X-rays taken. A drug injection in her spine was given. For six hours she could walk and felt no pain. Then the leg was numb again and she was discouraged and worried. She decided to try Chiropractic and went to a Chiropractor where X-rays of the neck and spinal column were made. A subluxated vertebra was found causing spinal cord pressure which in turn, was causing the pain in the leg. "I had my doubts about adjusting the neck to help my leg, but help it did," she said. After nine days service she went back to nursing at the hospital to the surprise of all. Later she married a Navy chief. He had pain and stiffness in his neck; a condition he had for years and did not know what to do for it. He went to the same Chiropractor, X-rays were taken, and after a few adjustments the trouble cleared up.

"I Was Unable To Walk Unassisted"

A lady wants other people to know her condition before and after chiropractic adjustments. Three years ago the lady began having trouble with her eyes. At first there was a burning and itching sensation, then the eyes became red and very much swollen. She was treated by the best specialist available, but received no relief. Soon her legs and back hurt so badly that she was unable to walk unassisted, and not even able to get in and out of bed without help. Six months ago friends advised her to see a Chiropractor which she did and a Chiropractic analysis was made of her case. The Chiropractor found two vertebrae in the upper cervical region were misaligned and causing spinal cord pressure. Adjustments were started. After a few of them she was able to go to and from the office alone. Her eyes cleared up. "NOW I CAN SAY THANKS TO CHIROPRACTIC, WHICH EFFECTED A COMPLETE CURE FOR ME SO SOON."—her words.

THE STATE OF TEXAS, }
COUNTY OF DONLEY. }

I, Walker Lane, County Clerk in and for Donley County, Texas, do hereby certify that the foregoing is a true and correct account of receipts and disbursements of County Funds for the year ending December 31, 1951, and correctly reflects the condition of county funds as disclosed by the records in my office.

WALKER LANE
County Clerk, Donley County, Texas.
Sworn to and Subscribed before me this January 14th, 1952.
(SEAL) W. J. WILLIAMS
County Judge, Donley County, Texas.

EXAMINED AND APPROVED in open Commissioners Court this 14th day of January, 1952.
W. J. WILLIAMS
County Judge, Donley County, Texas.

Donley County Soil Conservation District News

At their last meeting the supervisors voted to purchase a manure spreader and loader to be rented to farmers and ranchers in the District.

The spreader has been delivered and ready for use. The rental rate is \$4.00 per day.

A loader has been ordered for the District-owned tractor. The tractor and loader attached will be rented at \$4.00 per day for each spreader used.

There are many thousand tons of manure lying idle and wasting away on the farms in Donley County. All of this manure should be applied to the land.

An average ton of manure contains 10 pounds nitrogen, 5 lbs. phosphoric acid and 10 lbs. potash. One ton of manure is, therefore, equivalent to about 100 lbs. of a 10-5-10 fertilizer valued at about \$3.40.

At an estimated cost of 50 cents per ton for spreading there is a net profit of \$2.90 for each ton of manure applied. From 20 to 40 tons can be spread in a day with one spreader. Where else can you make that much for one day's work?

Manure also contains organic matter in which most all our

cultivated soils are deficient. The addition of organic matter aids in preventing erosion. It increases the rate at which water will enter the soil and increases the amount of water the soil will hold. Organic matter also aids the bacterial action in soil making minerals already in the soil more available.

NOTICE OF SALE

Notice is hereby given that sealed bids will be accepted by the Board of Trustees of the Clarendon Independent School District on the Woodburn School Building situated on the J. A. Ranch.

Bids may be mailed to the Trustees of the Clarendon Independent School Office. Bids will be opened at the regular meeting of said Board on February 14, 1952. Said building will be sold to highest bidder; however, the Clarendon Independent School District reserves the right to reject any and all bids.

Walter B. Knorrp, Secretary
Board of Trustees
Clarendon Ind. School District
(49-4c)

Mr. and Mrs. J. L. McMurtry left Sunday to spend the next few weeks at Mineral Wells.

From where I sit ... by Joe Marsh

Ed Got Red In His Own "Hot Water"

Big Ed started a "Pay-Your-Bill" campaign last week and ended up with a slightly red face. Ed's been our Water Commissioner for ten years, and for ten years now he's been getting riled up over slow payments of bills.

So, he finally decided to do something drastic about it. Last week he sent notices that if the slackers didn't pay up by Friday, he'd shut off their water.

Naturally, some still didn't square accounts. Ed ordered their water turned off, and 14 homes went without all week end—the Commissioner's among them. Seems Ed forgot to pay his bill.

From where I sit, Ed's mistake is one we all make at times. We are too quick to accuse others while forgetting our own faults. Lots of us do it, for instance, over a difference in taste for a soft drink or a friendly glass of beer. Let's respect each other's preferences and we'll all stay out of "hot water."

Joe Marsh

For Outperforming all other American Cars...

In the Grinding Tests that Won it the Motor Trend Magazine Award, Chrysler proved itself the Best Engineered Car in America

CHRYSLER SURPASSED ALL OTHERS WHEN MOTOR TREND TESTED FOR:

- * Average Braking Distance in Feet
- * Ton Miles per Gallon
- * Average Acceleration in Seconds
- * Acceleration Over Standing 1/4 Mile in Seconds
- * Average Top Speed in M.P.H.
- * Maximum Road Horsepower
- * Pounds per Road Horsepower
- * Maximum Torque in Lbs.-Ft.
- * Maximum Brake Mean Effective Pressure
- * First in Total Points

15 different American stock automobiles—equipped as you buy them—were driven by Motor Trend Magazine as hard as steel and rubber can be driven. In these actual road tests of efficiency and performance, measured by the most accurate instruments obtainable, Chrysler proved itself superior to all others. In 13 tests Chrysler was first in 7—tied in 2, making a total of 9 out of 13 ... and first in total points!

Only by taking an engine to the limit of its potential, only by turning the corners at high speeds, applying brakes for emergency stops, torturing body, springs and shock absorbers, can you learn just what performance you can expect from the make of car you drive. The results of the Motor Trend tests were conclusive ... as Chrysler, again, proved itself the one best car in America.

The Motor Trend Award, like numerous other honors today's Chrysler has won, is both a proof of and a tribute to Chrysler's magnificent Fire-Power engine and master engineering. Each demonstrates why, among men and women who know automobiles ... Chrysler is always the first choice.

PLOWIN' Out the CORNERS
by Uncle Zeb
Best Radio joke on the Churchill visit:
Truman (greeting Churchill on arrival) "Hello, Old Chap, you look like a Million."
Churchill: "We can use that for a down payment."

Even though you might want to slap Mr. Churchill on the wrist for some of the things that he tries to get us into, and for some of the things that he wants us to do for England, we can't help admire him as a man. We have to give him credit for being for England all the way. He impresses us as putting his England above his own pride, of which he has plenty. Even though we think we ought to give him a firm and definite NO on some of his proposals we can't help cheering him for his courage, his loyalty to his country, and the zeal in which he never quits working for it. How we can wish for a Moses to lead us; we could even settle for a statesman such as Churchill to come forth and inspire us with courage and faith as does that great English statesman.

Truman's speech boiled down to a few words sounded like the following to me. Give me your votes. Give me more money. Keep your shirt on and don't lose faith, and, we will avoid a war; even if it takes your last dollar and your last son to do it. We'll

fight them all the way around the world, but we'll be just too stubborn for politics sake to ever call it a war.

Our echoes roll from soul to soul, And grow forever and forever. —Tennyson

"Life isn't holding a good hand, but in playing a poor hand well".

"Keep your face turned toward the sunshine and the shadows will fall behind you."—Whitman.

We wonder if any of the women in this area have been approached to join the organization known as Liberty Belles. We understand that they do have an auxiliary that the men belong to. If anyone gets any further information on this group please let us know.

A little bit of kindness to others Now and then,
A little bit of blindness To faults of other men,
And life is worth the living. —Anonymous.

Rep. Rogers says in his Letter To The People, that if it is necessary to pass some kind of a universal military bill this congress he will favor something on the order of ROTC in connection with our school with possible summer camps. This seems like a good stand on this subject. We admire more and more the plain and clear way that Mr. Rogers gives his stand on many subjects that are current. This is in sharp contrast to the vague double talk that is put out by most elected officials. We are grateful to Rep. Rogers for his courage, frankness and good judgment on many of

our urgent problems.

Just about six more days is all that we have in which to Pay Our Poll Tax. In most towns clubs and organizations are on the job urging people to protect their right to vote this year. Newspapers are running free advertising in their efforts to serve our best interests in this way. Don't fail to get your Poll Tax before the deadline. Maybe, you own no property to pass on to your children; perhaps you pay no other tax. If this is true, the value of your right to vote this year might be priceless. It might mean more to your loved ones who come after you than thousands of dollars. If we all vote this year we can be sure that the will of all the people will be carried out. If a minority of our people vote, the results may be our doom. DON'T MISS THE

DEADLINE OF JAN. 31st.

"We did it Again!"

That's the jubilant news that comes from Flint to every Buick dealer—and here we pass the thrilling story on to you. It sure is true for '52 that better automobiles are being built—and Buick is building them. Read the good word and you'll agree.

LET'S pare this down to plain statements of fact and let them speak for themselves: The dynamic darling pictured here is the 1952 ROADMASTER.

It has the mightiest engine in Buick history.

It has the biggest brakes of any postwar Buick.

It is the quietest car that Buick ever built.

It has the richest fabrics and smartest tailoring that ever graced a Buick's interior.

It has the greatest trunk space since spare tires moved off the front fenders.

It has the most superb ride in Buick history.

It has the finest carburetor that Buick research has ever devised.

And with all its new power, it delivers more miles per gallon.

But that is not all.

For those who wish it, there is a brand-new version of power steering that works like a helping hand—gives you the same sure feel of control you have always known in straight-away driving—yet takes less than one-fifth the effort needed to turn the ordinary wheel standing at curbside.

Sure, we're putting our best foot forward when we talk about ROADMASTER.

But you'll find a host of notable features in SUPERS and SPECIALS too—plenty to make them, as always, the standout buys in their fields—for ride, for comfort, for style, for room, and for power.

Come in—look this triumphant trio over—and you'll know why every Buick dealer from coast to coast is going around with a smile on his face.

Equipment, accessories, trim and models are subject to change without notice.

a John Deere Day message

January 24, 1952

Dear Friends:

John Deere Day will soon be here again: in fact, Friday, February 8, 1952. This is the day we look forward to having all our farmer friends here to be our guests and spend the day with us. There just isn't time to call on each of you personally. We have endeavored to mail invitations to each one of you, but if you did not receive one, or have not been invited by any of our personnel, please consider this your personal invitation to attend. The picture show will start at 1:00 at the Mulkey Theatre.

The feature picture, "Galahad Jones," starring Marjorie Lord, Richard Crane, Elizabeth Patterson, and Jonathan Hale, is a top notch production - one which we are sure you will enjoy. We will also have several interesting and educational features on modern equipment and farming practices.

Don't forget the time - Friday, February 8th. Come early! Bring the whole family and spend the day with us. Free lunch at noon.

Sincerely,

C. W. Bennett
Bennett Implement Co.

**Gabie Betts Burton
Library Notes**
By May L. Prewitt

For the boys' section we have
added "Boy's Book of Famous
Fliers." It was a gift from Jerry
Davis. The adult's shelf has two
offers of the Double Day Dollar
monthly club—"King's Rapsody"
by Hester Chapman which is
based on the play by Ivor No-
vello. The second one is "The
Break in the Circle" by Philip
Lorraine. These seemed of fair
value when I scanned them. Real-
ly it is difficult to select any book
that doesn't portray violent ac-
tion and modern ideas. Another
Library friend and patron brot
us a box of books that will be of
value. "Death of a Salesman"
that was the most popular play on

Broadway that had run in thirty
years, is now being made into a
screen production. It was one of
our 1949 editions if you desire to
read the play.

Our magazine contributors are
quite generous with their publi-
cations. They are always enticing
to the Library patrons. You
would likely be surprised to scan
the long list of books and maga-
zines issued in one week. Our
transient population have appre-
ciated the Library. They speak
their approval practically every
day they secure material.

**TO THE VOTERS OF
PRECINCT NO. 3**

I have authorized the Leader to
announce me as a candidate for
re-election to the office of County
Commissioner, Precinct 3, Donley
County, subject to action of the
Democratic primaries in July.

I have deeply appreciated the
many favors and friendly support
you have given me in the past.

If re-elected I will continue to
devote my full time to making
you the best commissioner I can,
and to furthering the best inter-
ests of the precinct and county.

Your support and influence
will be very much appreciated.

**Luther Gribble Announces
Candidacy For Re-Election
As District Judge**

"I want to thank the people of
the 100th Judicial District for the
honor and privilege of serving
you as your District Judge. Also,
I wish to express my appreciation
for the splendid cooperation given
me by the officers, Grand and
petit jurors and lawyers residing
in and who have had cases in the
District Court of this district;
such cooperation has enabled us
to dispatch the business of the
District Court with very few de-

lays.
"I earnestly solicit your sup-
port for re-election as your
District Judge."
