## Fatal Shooting Of James McCroan Jr. Will Go Before Grand Jury Today

The fatal shooting of James Bennett McCroan Jr. of Canadian, 17-year old junior college student here, will be investigated today by the Donley County Grand Jury.

The shooting occurred about 7:10 last Thursday evening in McCroan's apartment. Sheriff Behrens stated that his investigation pointed toward accidental but for the benefit of all concerned, it warranted further investigation by the grand jury.

Sheriff Behrens stated that Jerry Cash, age 19, another college student also from Canadian and McCroan were alone in the room when the fatal bullet was fired, striking McCroan in the left side of his chest. Sheriff Behrens quoted Cash as saying the 22 pistol accidentally fired as the two were playing with the pistol and a shot gun.

## Only Four Days Left To Pay Poll Tax

Only four more days remain to pay your poll tax. P. C. Messer, deputy tax collector, reported yesterday that his office had been advised that they could continue issuing poll tax receipts thru Monday, February 1st as the last day of January falls on Sunday. With this new arrangement you will have four days to get in the mad rush and pay your poll tax if you haven't already done so.

"Only 1070 receipts have been issued to date which leaves a possible six hundred to be issued within the next four days", Messer stated.

You can pick your candidate but the Right to Vote is yours only if you PAY YOUR POLL TAX. You never can tell what important issues may come up within the next eleven months, so the best thing to do, as a citizen, is to pay your poll tax and be able to vote regardless of what is in view at the present time. There will be city, school, county, district and state political races to be decided this year, and conditions are such at the present time, that everyone should be prepared to vote and protect their own interests as well as the community, state and nation of which they are a citizen. You certainly have no right to criticize any issue or any public official if you have not paid your poll tax. Your vote is your voice in public affairs and there are times when it can mean a lot. Pay your poll tax today; don't put it off until it's too late.

## March of Dimes Activities Announced

Walter B. Knorpp, Donley County March of Dimes chairman, announced yesterday that the drive here was a little slow getting started as he still had not received campaign material from the National Headquarters. Various functions this week end will get the drive underway and "home arranged" money collectors will be placed in the business district Friday, Mr. Knorpp stated.

The local Square Dance club is sponsoring a square dance tonight at the Legion Hall with the proceeds going to the March of Dimes. The price of admission will be \$1.50 per couple. Friday morning at 10 o'clock, the Pathfinder Club is having a Coffee at the home of Mrs. Ray Palmer and the American Legion will donate the proceeds from their regular Saturday night dance to the March of Dimes.

Mr. Knorpp also announced that the "Mother's March" will take place Friday evening.

## No Identification Yet - If you Know this place Call 386

**MYSTERY FARM NO. 24**—Here is the Leader Mystery Farm of the Air for this week. Rules governing this guessing contest and prizes are as follows: 1st in town and first living and receiving their mail in country to identify the mystery farm will receive a one year subscription to the Leader. The fifth to identify the farm, both town & rural will receive a free ticket to the Mulkey Theatre. The owner or tenant identifying his farm at the Leader office will receive a mounted picture free. Hours for making identification are 8 to 12 and 1 to 5 starting Thursday morning. Last weeks Mystery Farm is identified on page Three of this issue through the courtesy of the sponsor, Clarendon Furniture Co.

## Mystery Farm No. 24 Still A Mystery

We didn't think it would happen again, at least so soon, but we have another Mystery farm that is still a big mystery. No one has positively identified the picture which we are re-running again this week. If you know who this farm home belongs to, be sure to call 386 and get your name on the list. Also, if you know the owner or tenant, tell him to come in and make positive identification.

In taking these farm pictures, the aerial photographer may have taken some along the county line or a little ways over the county line, so keep this point in mind when you are guessing at the identification. Remember, the first on the city and rural lists receive a free subscription to the Leader and the fifth to make identification on both lists receive free tickets to the Mulkey Theatre.

## EPISCOPAL LADIES SPONSOR BAKE SALE SATURDAY

The St. Agnes Altar Guild and Women's Auxiliary of the Episcopal Church will hold a bake sale Saturday, January 30 at the West Texas Utilities Office. All of the usual fine foods prepared by these ladies will be ready for your inspection by 10 o'clock. You are invited to choose your week end pastries and sweets from their fine foods.

## Services Held Saturday For James McCroan Jr.

Funeral services were held Saturday afternoon at the First Baptist Church for James Bennett McCroan Jr. with Rev. Taft Holloway, pastor of the Canadian Baptist Church, officiating.

James McCroan, age 17, died almost instantly from a gun shot wound at his apartment here shortly after seven o'clock last Thursday evening. McCroan came to Clarendon last fall to attend the Junior College here. He was popular among the student body and took active part in numerous school activities, including the high school band. He was a lover of poetry and had composed numerous poems himself since early childhood. He was a member of the First Baptist Church of Canadian. He was born at Gorman but had been a resident of Canadian a number of years.

He is survived by his parents, Mr. and Mrs. J. B. McCroan, Sr. of Canadian; a sister, Mrs. E. W. Muncy of Amarillo, and his grandparents, Mr. and Mrs. C. H. McCroan of Dallas and Mr. and Mrs. H. H. McDonald of Fayetteville, Ark.

Pallbearers were H. W. Truitt, Stanley Hodges, Larry Breazeale, Charles Cook, Darrell Truitt and J. H. Gain.

Burial was in Memorial Park Cemetery, Amarillo with the Murphy-Spicer Funeral Home in charge of arrangements.

## High School Teams Lose To Memphis

Both the high school boys and girls basketball teams were defeated in their games with Memphis Tuesday night; the girls lost by a score of 36-30 and the boys 40-28.

The local high school teams are playing a single round robin this year. They will play each of the conference teams once and this counts 50%. Then all teams will come here for the district tournament February 11, 12 and 13th, and these games will count 50%. Whichever team has the highest percentage, will win the district.

Mrs. Bertha Beard of Newhall, Calif. and son, Donald, who was enroute to the Naval Base at Pensacola, Fla., spent Tuesday thru Thursday here visiting friends and relatives.

## FARM NEWS

from the County PMA Committee

### NEW FARM COTTON ALLOTMENTS TO BE CONSIDERED

An owner or operator of a farm for which a cotton acreage allotment has not been established for 1954 may file an application for such a cotton allotment under certain conditions, Ross Springer, Chairman of the County Agricultural Stabilization and Conservation Committee said today.

All such applications will receive careful consideration, the Chairman explained, but to be eligible for the allotment, the owner or operator in such a case must meet the following conditions: He must depend upon his farm operations for a livelihood, he must not have on file in the County ASC Office a similar application for a cotton allotment on any other farm in the County which he owns or operates.

Applications for such "new" cotton acreage allotments must be filed in the County ASC Office not later than February 5, 1954, Mr. Springer said.

Under the 1954 cotton marketing quota program, approved by growers in a national referendum last December, all farmers are subject to the quotas, which operate through acreage allotments. Farmers who comply with their cotton allotments may market free all the cotton they grow. Cotton grown by farmers who do not comply with their allotments will be subject to a penalty on each pound of the "excess" cotton.

### WHEAT ACREAGE IN EXCESS OF ALLOTMENTS

It is necessary that wheat seeded on any farm in the county, to be used for green manure, cover crop, or hay be accurately located by fields or plots on the aerial photographs, if the acreage is in excess of their allotments. This work must be completed by February 5, 1954. Anyone having wheat seeded on their farm in excess of their allotment be sure to come by the ASC Office not later than February 5, 1954.

It will be to your advantage to give this matter your prompt attention.

## Donley County Fat Stock Show Date Set For Friday, February 18th

### S. W. Lambersons Celebrate Golden Wedding Anniversary

Mr. and Mrs. S. W. Lamberson celebrated their 50th Wedding Anniversary January 24th at their home here in Clarendon.

Mr. Lamberson, better known to his friends as "Stock", came to this county from Tennessee when he was ten years old, and has lived in Donley County ever since. He met Miss Clela Bell Youree, daughter of Tom Youree of Hedley, Texas, at a community school and church in the Bray community in 1903. They had a courtship of about a year and were married January 24, 1904.

Mr. Lamberson is still active and enjoys his work in the open country. He still gets up about five in the morning and drives down near Memphis where he feeds cattle for J. D. Swift. He thinks nothing of riding horseback and doing his regular chores each day.

Mr. and Mrs. Lamberson have seven living children and twelve grandchildren. They are: Mrs. V. C. Waddell of Hedley, J. T. Lamberson of Pampa, Mrs. C. S. Waddell of Amarillo, Ernest Lamberson of Groom, Jack Lamberson of Clarendon, Mrs. C. A. Waddell of Devine and Mrs. Brack LaGrone of Clarendon.

Seventy-five guests were present throughout the day to help them celebrate this joyous occasion.

### Last Week For School Census

This is the last week for taking the school census. The deadline is January 31st and all prospective students must be listed by that time if the local school system is to receive state aid for each child who will be of school age. If your child will be 6 years of age prior to Sept. 1st or will not be 18 before the same date and has not been listed, be sure to contact Supt. H. W. Truitt, R. E. Drennan or N. J. Richardson before January 31st as it will mean several more dollars for the operation of the local schools.

The Donley County Show Board met in the office of County Agent H. M. Breedlove on January 20th at 2 P. M. and set the date for the Donley County Fat Stock Show for February 18th at the show barns in Clarendon.

All livestock is to be in the barns by 9:00 A. M. and remain in place until 4:00 P. M. when they leave for the Amarillo Fat Stock Show.

The premium list will be published next month before the show starts the county agent. The premium list for 4-H and FFA boys is made possible by donations of individuals and business firms of the county.

Breedlove says that beef calves and sheep will be shown in the county show this year. All swine shows in Texas were cancelled this year due to disease. This was done on the advice of the Livestock Sanitary Commission. Several registered breeders will have livestock on display the day of the show and all registered breeders are urged to put their stock on display and space will be allowed on request of the exhibitors. Mr. Davis, well known judge from Amarillo will judge the livestock. The judging will start at 11:00 A. M. on the day of the show. The show promises to be a big show this year and everyone is urged to make plans to attend.

The Donley County Farm Bureau is paying for two cabins at Amarillo for the club boys during the Amarillo Fat Stock Show. This will be a big help to the boys and they all thank the Farm Bureau.

Make plans now to attend the Donley County Fat Stock Show and back the youth of your county in their feeding demonstrations.

### Highlights of the First C of C Directors Meeting For 1954

Mr. Lonnie Walker, President of the Clarendon C of C, presided over the first Board of Directors meeting of the New Year, Wednesday night, January 20th, at which time many organizational plans for 1954 were made.

The first item of business transacted was the setting of a time, place and frequency of Directors meetings for 1954. Meetings will be regularly scheduled for the second Thursday of each month at 7:30 p. m., in the Chamber of Commerce Office in the City Hall.

Probably the most important item of business transacted was the appointment of Committee Chairmen for the General or permanent committees set up. Mr. Walker appointed Maurice Lane chairman of the Membership committee; John Head chairman of the Civic Development committee; E. S. Ballew chairman of the Agricultural and Industrial committee; G. W. Estlack chairman of the Publicity and Public Relations committee; B. L. Graham, chairman of the Youth Activities, Schools, Athletics and Recreation committee; H. D. Gordon chairman of the Trade Development committee and Glenn Hoggatt chairman of the Conventions, Tourists and Transportation committee. Each of these men were asked to make their committee appointments and call a meeting of their respective committee before the next scheduled Directors meeting February 11th. Each committee will work out the program of work for their particular committee and report their action at the next Board meeting.

The Board members also selected the possible Advisory Board members for 1954 and these as well as committee appointments will be announced when completed.

**GABIE BETTS BURTON LIBRARY NOTES**

By May L. Prewitt

We have a few new books for boys. "The Lone Ranger in Wild Horse Canyon" by Fran Striker is now added to the ten Lone Ranger copies we had. Two books were added to Tom Goodner's memorial shelf on his birthday. These are "Rocket to Luna" by Richard Marsten and "The Golden Stallion's Revenge" by Ruth-erford Montgomery. These Luna stories require quite an imaginative mind, but are fascinating to a number of boy patrons. Montgomery's book is a continuation of "The Capture of the Golden Stallion" which was placed on this memorial shelf Christmas.

Then we have two gift novels that are recent Book Club editions. The first is by Ruth Moore—"A Fair Wind Home"—This is an Eighteenth Century American setting—a new country opening up before your eyes. "Fortune Is A Woman" by Winston Graham is our second gift. This is a "suspense novel" that will truly keep you reading without interruption. We purchased "Angel Unknown" by Dale Evans Rogers with introduction by Dr. Norman Vincent Peale. You will profit spiritually by reading this small

volume. We had been asked for a copy to read several times during the past year. This is one of the 6th printing. Mrs. Rogers contributes all royalties from the sales of this story to the National Association for Retarded Children, 565 Hale Avenue, Cincinnati, 29, Ohio.

Another gift this week was 250 Memorial Book Plates. These were given the Library by the Clarendon Press. Our cost on these would have been \$12.50. We certainly are grateful for the donation.

**Current Inspection Sticker Deadline Is April 15th**

Captain J. W. Blackwell, commanding officer of District No. 5 of the Texas Highway Patrol, with headquarters at Amarillo, announced today that Highway Patrolmen would begin issuing tickets to persons who operate an auto on the streets and highways after April 15 without a current inspection sticker.

The Patrol Captain said that the men in his command have all received orders to that effect as the result of a directive issued at Austin by Homer Garrison, Jr., Director of the Texas Department of Public Safety. Blackwell said that Garrison's order was made following definite instructions from the State Public Safety Commission that enforcement of the modified motor vehicle inspection law which was enacted by the last Legislature would definitely begin following the April 15 inspection deadline.

Captain Blackwell also pointed out that local and county police officers are empowered to enforce the inspection law.

According to the Patrol commander, only about 20 per cent of the cars in the Donley County area have been inspected to date. This means, he said that car owners who have not yet had their vehicles checked will run the risk of being caught in a last minute "log jam" at the inspection stations if they delay longer in complying with the law.

"Our Patrolmen will continue to issue warnings to motorists whose cars do not bear a current inspection sticker through April

15," Captain Blackwell said in a prepared statement for the press and radio. "After that date, offenders will face court action."

## Hodge - Parker Nuptials Read

Miss Lois Lovelle Hodge, daughter of Mr. and Mrs. F. O. Hodge, became the bride of Bob Parker, son of Mrs. H. E. Parker, in a service read January 17, in the home of Rev. and Mrs. J. E. Byers.

Rev. Byers, pastor of the First Baptist Church, read the double ceremony before an improvised altar of greenery banked against a background of candelabra bearing white tapers. Complementing the decorative setting were baskets of white chrysanthemums and wedding bells.

Miss Evelyn Jean Wood, pianist, played a nuptial prelude including "Because" and "Indian Love Call." The traditional wedding marches were also used.

Attending the bride as maid of honor was her sister, Miss Nedra Sue Hodge. She wore a silver grey taffeta dress with blue accessories and a corsage of pink carnations. Gene McBrayer attended the groom as best man.

The bride, given in marriage by her father, was attired in a white suit accented with white and black patent accessories. She carried a white Bible marked with a bouquet of American Beauty roses and white satin streamers. In keeping with tradition she wore something old, new, borrowed and blue.

For the wedding, the bride's mother chose a beige dress with black and pink accessories. Mrs. Parker, mother of the bridegroom, wore a blue dress with black accessories. Both wore corsages of pink carnations.

will make their home in Clarendon, Mrs. Parker continuing in the employ of the General Telephone Company and Mr. Parker working at the Clyde Wilson Service Station.

Present for the wedding were Mr. and Mrs. Junior Parker and family of Borger, Mr. and Mrs. Coy Burk and family of Phillips, Mr. and Mrs. F. O. Hodge and family, and Mrs. E. E. Parker and Betty.

## MOTHERS STUDY CLUB

Members of the Mothers Study Club met Tuesday afternoon at Patching Club House with Ira Jean Chilton and Lois Marie Moore hostesses.

The business meeting was presided over by the president, Delene Tyler. Plans were completed for the annual Husband's party to be held at the Club House February 9th. Plans were also made for a bake sale Saturday week, February 5th. Several mothers were voted club members.

Refreshments were served to Annesse Bennett, Carol Lane Phillips, Delene Tyler, Ann Hommel, Joan Gerner, Emma Jean Harrison, and Mary Evans by the hostesses Ira Jean Chilton and Lois Marie Moore.

## F.H.A. - F.F.A. PARTY

Girls and boys of the Future Homemakers and Future Farmers enjoyed a Levi and Sock party at the Junior High School Gymnasium Monday evening, January 25. Supervisors were Miss Loyd Richerson and Tom Seay.

The group played basketball and numerous party games with everyone reporting a good time. Refreshments were served with the boys furnishing the Cokes and the girls the sandwiches, cookies, and potato chips.

## PATHFINDER

The annual Anniversary Dinner for members of Pathfinder was held Friday, January 15, at Patching Club House with Mrs. J. T. Patman, Mrs. Ernest Hunt and Mrs. Lee Holland hostesses. Tables were attractively laid with white linen. The one large table was centered with an arrangement of pink carnations with a single flower centering each of the smaller tables. Dinner was served by Mrs. John Goldston.

Mrs. Clyde Hudson, president, presided. The Invocation was given by Mrs. Ed Dishman. Mrs. Ray Moore opened the program with two solos, "Always" and "Because." "Old Friends" was the title of the poem read by Mrs. Hudson.

Members were reminded of the benefit Coffee for the March of Dimes to be held at 10 o'clock Friday morning in the home of Mrs. Ray Palmer, the executive board serving as hostesses.

Present for the dinner were Mesdames George Benson, I. E. Biggs, Carl Allmond, S. M. Black, Fred Buntin, H. T. Burton, T. M. Caldwell, Jr., L. N. Cox, Ed Dishman, Bill Greene, Wm. S. ## RED CROSS WATER SAFETY 40 YEARS OLD

Only forty years have passed since February 1, 1914, when the first Red Cross Water Safety courses were introduced to the world by the "amiable whale," the late Commodore Wilbert E. Longfellow (on running board). And, though styles in bathing attire have changed drastically in that time, the principles of water safety which the Red Cross has taught to 3,300,000 persons have remained constant. Waterproofing America has paid big dividends; since 1914 the drowning rate per 100,000 population has been cut in half. Water Safety is one of the many Red Cross services you support by your contributions to the annual Red Cross Campaign in March.

AUSTIN—A decisive turn on the question of a special session of the Legislature was due this week as a state committee considered a way out on the teacher pay problem.

J. W. Edgar, commissioner of education, had announced a week's delay in the all-important meeting because some of the 25 members could not be present.

Before the committee was a compromise plan to give teachers a \$402 salary increase and require local districts to pay a percentage rather than fixed amount of basic school costs.

Governor Allan Shivers indicated that if the committee agreed on the plan he would ask the views of legislators and then make his decision about calling a special session.

A sub-committee and most Texas school administrators previously reported their approval of the plan.

In view of the prospect for a special session, a potential candidate for governor continued his side-swipes at the Shivers administration.

Ralph W. Yarborough, Austin attorney, declared that the governor should call special elections to fill vacancies in the House of Representatives. Yarborough was defeated by the governor in the last campaign for the office.

Governor Shivers replied that "the governor's office will decide about calling special elections when and if it decides as to the special session."

—tpa—

Another "Loyalist" and prospective candidate for governor also took a slap at Shivers, without calling any names.

Agriculture Commissioner John C. White blasted the state's cross-filing law as "a blessing for Republicans and a curse for Democrats."

"When a man cannot reconcile his personal beliefs with those of his party, then he should sever his connections with that party," White declared.

"But under no circumstances should he use his conflicting opinions as an excuse to betray his party."

"And that is the most damning charge that can be made against some of our public officials dur-

problem in the overcrowded conditions in state hospitals.

"It is evident that with the expected increase in population overcrowding will remain a problem for years to come," the Board for State Hospitals and Special Schools reported to the governor.

Although the \$35 million seven-year building program has been going for three years, the board pointed out, it is not keeping pace with demands for bed space in the various hospitals.

According to the board, a survey of some of the institutions showed 20,850 patients occupying space suitable for 13,200.

Recommendations to the Legislature to subsidize care of the aged in private nursing homes is planned. Also, as soon as money is available, a system of outpatient control at mental and tuberculosis hospitals will be started, the board stated.

ing the year 1952," he said.

White's attacks made it apparent that he would make cross-filing an issue if he and Shivers should become opponents in this year's race for governor.

He is the only state official who refused Republican cross-filing in the 1952 elections.

Governor Shivers, on the other hand, allowed his name to be placed on the GOP ballot and helped carry Texas for Eisenhower and the Republicans.

West Texas farmers and ranchers face increasing costs for drought emergency hay.

Applications for transportation aid have been halted despite \$400,000 more in federal funds marked for the program.

Agriculture Commissioner White said the program in the future will cover half of the freight costs

up to a maximum of \$10 per ton.

On past shipments the program absorbed half the total cost and the railroads the remainder. The railroads stopped their reduced rates January 1.

Freight cost payments have averaged \$12.23 per ton, according to agriculture officials. But they say that stockmen now are ordering from such states as Nevada and Idaho thereby increasing the costs to about \$35 per ton.

White estimated that aid allotments already made will exhaust the state-federal fund, if the allocations are used.

In addition, stockmen who already have allotments but have not placed orders for hay will be subject to the new payment policy.

### WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

The philosophy of Attorney General Herbert Brownell toward anti-trust violations of "a confession is all that's necessary to square things" takes a strange turn in the used battery case.

In February of 1950 the government filed charges, both civil and criminal, against some 48 firms and individuals charged with conspiracy.

The conspiracy unfolded by government investigators was far reaching.

Several battery manufacturers, battery retailers, scrap metal dealers and National Lead agreed that the retail conspirators would sell used batteries received as trade-ins on new batteries only to scrap metal companies who were in the deal.

The scrap metal companies agreed to destroy these batteries, sell the salvaged lead only to the National Lead Company smelter. In turn, National Lead sold resmelted lead only to battery manufacturers conspiring.

The prices paid for used batteries and for salvaged lead were firmly fixed by the conspirators.

There was also another ulterior purpose behind the conspiracy.

Some small firms specialize in rebuilding used batteries, offering consumers a lower priced product similar to, recapped tires. But this conspiracy prevented movement of used batteries of battery rebuilders who compete with new battery sales.

It is interesting that this artificial restriction on the battery supply was being practiced when there was a shortage of storage batteries, due to Korea.

The conspiracy was deep. National Lead handled the refinery end of the racketeering arrangements. In the battery manufacturing end, four of the five biggest and best known manufacturers were party to the violation.

On the retail side the two big national mail order and retail chains, the two big auto supply chains, and the three big tire firms were in on the deal.

And now the interesting part of this case inherited by Attorney General Brownell. In the Federal Court in Kansas City, all but two of the defendants signed a consent decree judgment in which they agree to stop racketeering.

In addition, 24 of the defendant companies pleaded nolo contendere to the criminal charge. So far no sentence has been imposed.

But criminal charges against the individual who perpetrated the conspiracy were dropped.

Obviously it is impossible to jail a corporation, so the only sentence are fines which will come out of pockets of stockholders, many of which were undoubtedly not aware the management was engaging in law breaking. And these officers who violated not only the law, but the confidence of their stockholders, will presumably escape all responsibility.

It now appears live conspirators can expect kind treatment from Justice Dept.

But alleged dead conspirators such as Harry Dexter White should quake in their graves not knowing what minute they will be dug up by Herb Brownell.

THERE'S MORE DIFFERENCE...

than meets the naked eye

GENUINE ALLIS-CHALMERS PARTS HAVE DIAMOND QUALITY

Like a jeweler, your Allis-Chalmers machinery can tell the difference between the genuine and the imitation.

Allis-Chalmers parts are identical in both quality and fit to the original... and are made by the one manufacturer most interested in the success of your equipment.

Allis-Chalmers precision parts for tractors and other machinery are packaged, sealed and moisture-proofed. They go direct from factory branches to your Allis-Chalmers dealer.

Allis-Chalmers plowshares and sweeps have quality to match the speed of Allis-Chalmers mounted plows and Level-Depth cultivators. With these tillage parts you get full performance plus precision fit.

Accept no less. Always ask for—insist on—genuine Allis-Chalmers repair parts. Substitutes always cost more in the end!

### Cake Travels Many Miles

In early October of 1953, while stationed at Selfridge Air Force Base north of Detroit, Michigan, June Day received his overseas orders for service in Korea. On this same day, his buddy received his overseas orders, also a large fruit cake sealed in tin from his home in Tennessee. The buddy was leaving by plane and presented the cake to June, who was traveling by car.

June brought the cake to his home in Clarendon and one month later, left Amarillo by plane for San Francisco, carrying the cake in his hand. He hoped to meet some of his former buddies there, but upon arrival at San Francisco, he was unable to carry the cake further because of excess baggage. The cake along with other excess luggage was returned to Clarendon.

On December 12, Weldon Day, brother of June Day, also left for overseas duty. He, too, traveled by plane from Amarillo to San Francisco and carried the same cake in his hands. After spending ten days there he was sent by plane to Japan. The cake went with him. Two weeks prior to this time June left the States for Japan, traveling by boat.

Both boys landed near Tokyo, Japan, only a few hours apart. Weldon located June at a base near Yokohama on Christmas Eve morning. In Tokyo on Christmas Day, the brothers cut the cake and shared it with their buddies. All agreed it was one of the best cakes they had ever eaten.

Thus ends the story of a cake that traveled some 13,000 miles.

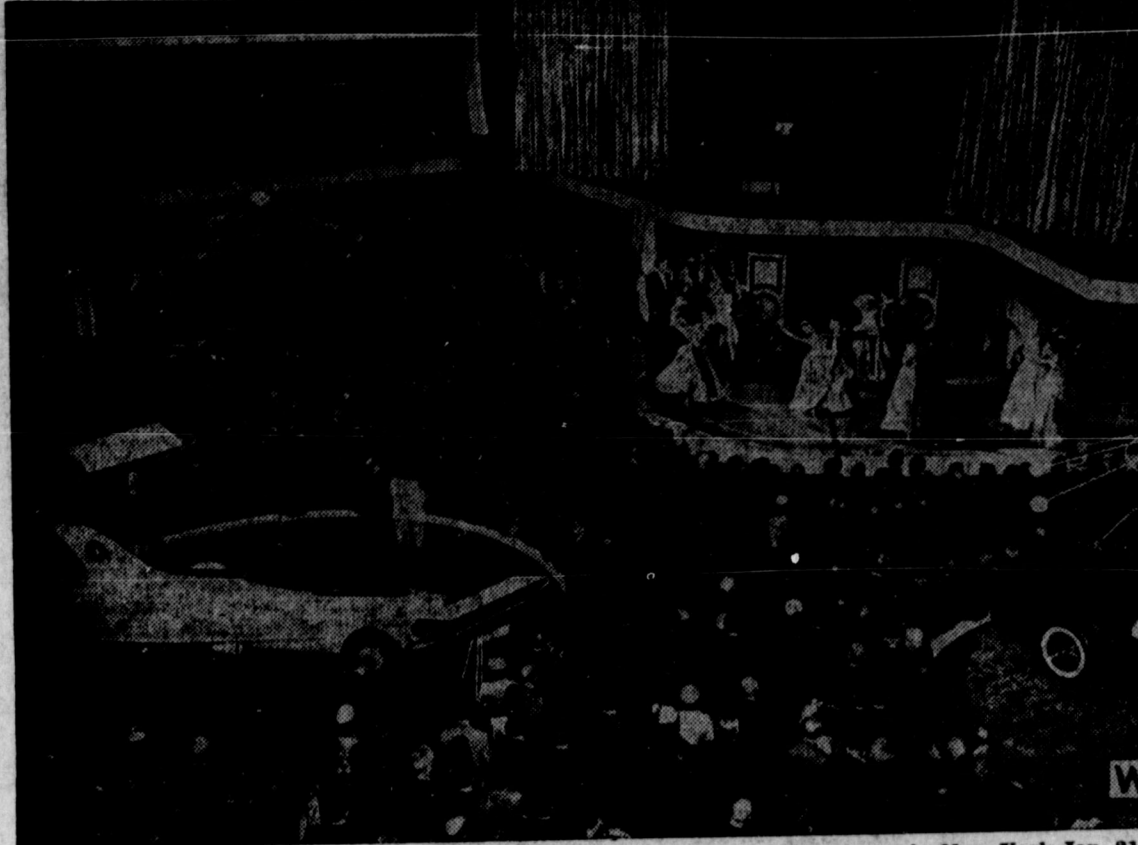

June and Weldon Day are now serving with the Air Force in Korea, June assigned to Information and Education at Seoul; Weldon with the Weather Station at Taegu. They are sons of Mr. and Mrs. K. K. Day of Clarendon. Mrs. Weldon Day resides with her parents, Mr. and Mrs. Frank Murray at Hedley while her husband is overseas.

Mr. and Mrs. Jack May of Pecos visited Thursday and Friday with his mother, Mrs. Arria May.

Mr. and Mrs. Jack May of Pecos and Mrs. Arria May visited in the home of Mr. and Mrs. Art Britten and family at Groom Thursday.

Mrs. W. A. Land, who has spent the last three weeks in the home of her grandson and family, Mr. and Mrs. Billy Marvin Land and children at El Paso, returned home Monday afternoon. She reports Mrs. Billy Marvin Land improving and able to be at home.

### GM 1954 MOTORAMA LAUNCHED

GM OPENS 1954 MOTORAMA—General Motors opened its new Motorama in New York Jan. 21 with this gala preview in the Waldorf-Astoria. The show, which also will go to Miami, Los Angeles, and San Francisco, features the GM gas turbine "Firebird" experimental car, at left, many science exhibits, 11 other special "dream cars," regular production models, and a musical stage show.

### HEALTH NOTES

Texas State Dept. of Health

**AUSTIN**—You don't have to be a Mickey Mantle or a Babe Zaharias to be eligible for athlete's foot. You've qualified just by being human.

This ringworm foot infection can come to either sex at any age at any time, although it is probably more prevalent during summer months when feet are more apt to perspire.

You'll know you've got it when your feet begin itching and blistering, and when you see the soggy dead skin between the toes or on the soles. Take action then, and you can usually get rid of it in a hurry. But neglect it and you're in trouble.

Here are some suggestions from State Health Officer George W. Cox which will prevent athlete's foot or help you get rid of it if you have it now:

Dry carefully and thoroughly between your toes after bathing and as often as practical during the day. The disease is caused by a fungus which thrives on damp, perspiring feet.

Massage your feet with a mild rubbing alcohol. This will help prevent spreading the infection from one spot to another.

Dust a good fungicide powder or even an unscented talcum powder or powdered boric acid,

between the toes, in stockings and shoes. If at all practical, change stockings once during the day.

Swab all cracks or soggy areas between the toes with one part iodine diluted with ten parts of alcohol.

Wear absorbent socks and put a piece of cotton on areas between the toes where cracks or soggy areas are evident.

Don't use remedies which have been sold for eczema.

### PATHFINDER CLUB TO HAVE "MARCH OF DIMES" COFFEE

The Pathfinder Club will have a Coffee Friday morning at 10 a. m. in the home of Mrs. Ray Palmer for the benefit of the March of Dimes. All members are urged to be present.

Mr. and Mrs. Gene Davis and baby of Amarillo and Mr. and Mrs. Buck Roberts were guests Sunday afternoon in the home of Mrs. J. D. Wood and Evelyn Jean.

### OSCAR H. THOMAS IS CANDIDATE FOR CITY COMMISSIONER

Oscar H. Thomas, local manager of the C. D. Shamburger Lumber Company, this week authorized the Leader to announce his candidacy for City Commissioner. "If elected, I will do my best to serve you in the best interests of our town and everyone concerned. Your vote and influence will be appreciated," Mr. Thomas stated.

### LELIA LAKE CAGERS ANNOUNCE REMAINING SCHEDULE

Schedule for the remaining games for the Lelia Lake boys and girls basketball teams was announced this week with their next home conference game being Monday, Feb. 1st with Groom. The game will begin at 7 o'clock. They will play Claude at Claude January 29; Groom at Lelia Lake Feb. 1st; Lakeview at Lakeview Feb. 2nd; Claude at Lelia Lake Feb. 5th and Kirkland at Lelia Lake Feb. 9th.

Mr. and Mrs. Raymond McKee and James Raymond spent the week end with his parents, Mr. and Mrs. Geo. McKee and Jim and other relatives.

Mr. and Mrs. Duane Naylor are the proud parents of a boy, born Monday, January 25th at Stewart Clinic. He weighed 8 lbs. 8 oz. and was named Ronald Lee.

Mr. and Mrs. A. D. Estlack and Danalene, and Mrs. Bill Chilton and Pat visited from Wednesday to Sunday with their daughters and sisters and their families, Mr. and Mrs. Kenneth Sams and Dan at Welch, Texas, and Mr. and Mrs. Benny Edens at Kermit.

### Bulldogs Lose Close Game To Amarillo

The Clarendon College Bulldogs dropped their first conference game last Friday night to a determined Amarillo College team which came from behind in the last three minutes to win 74-70.

High point man for the game was Tom Boyd, 6-8 pivot from Amarillo who hit 28 points. Clarendon's high was Garland Fielding, who hit 10 of 12 attempts from the field and 3 of 7 free throws for a total of 23 points. Next for the Bulldogs were Melade DeGaish with 14, followed by Bill Alexander with 11 and Jasper Peoples with 10.

The next games for Clarendon are two conference encounters with Odessa and Howard County on January 28th and 29th on their home floors. The Bulldogs have shown to be strong contenders for the zone championship and need as much support as they can get. Their next home game will be against Howard County College on February 6th in the College gymnasium.

Mr. and Mrs. R. A. Wells and Addie Lou of Memphis were guests Tuesday night in the home of Mr. and Mrs. M. L. Evans and children.

Mr. and Mrs. Lawrence Heckman announce the arrival of a son named Randy Wayne, at the Witt and London Hospital in Groom, Monday, January 25. Randy weighed 6 lbs.

Mrs. Arria May spent last week in the Art Britten home at Groom. Mrs. Britten and the children have been on the sick list but are much improved at this time.

**PLOWIN' Out the CORNERS**  
By Uncle Zeb

"When someone remarked to Edison that all his one thousand experiments had failed, he replied: 'Oh no, I've merely found a 1000 ways not to do things.' That was gain. We are finding out a thousand ways how life will not work. Hate won't work. Force won't work. Selfishness won't work. Out of sheer disillusionment we are being compelled to try God's way—Christ". How true the above quotation expresses

es our predicament. We try every man made scheme we can think of to solve our problems and when through the process of elimination we have "Tried everything" and find ourselves at the end of our rope we then in desperation turn to the One who can help us. Anyway, the above quote and the following thoughts come from a church publication called Just A Moment.

"One gives away and still he grows the richer; another keeps what he should give, and is the poorer."

"Money may talk but it is very hard of hearing when you call it."

The following are the names of seven misses who are responsible for most of our trouble: Miss Information; Miss Quotation, Miss Representation, Miss Interpretation, Miss Construction, Miss Conception, and Miss Understanding. Don't listen to any of them.

About the only way we can keep our bills down these days is with a paper weight.

By the same token the only money that goes very far these days is the coin that rolls under the bed.

I think we liked this little poem by Grace Noll Crowell just about the very best. If we could make ourselves be what we want ourselves to be this would be a good schedule for my own self. Anyway, we use it as our scrap book suggestion for those who are saving poems. And to Mrs. C. B. Hunter who is keeping a scrap book of the favorite poems of her friends and to our promise to send her one of our favorites how about just clipping this one as from us. It is called;

**THE TIME IS BRIEF**  
By Grace Noll Crowell  
Because the longest life is brief I must be swift in keeping  
The little trysts with kindness  
Before the time of sleeping.

I must be swift in reaching out,  
To those whose hearts are yearning;

O, swift indeed to love them much  
Before the long road's turning.  
Before a sudden summons comes;  
I surely must be saying  
The words that I have failed to say—  
The prayers I should be praying.

Don't cry when you stumble  
Or lose a round;  
For only a worm  
Can never fall down.

On days such as today I wonder how we would fill up our space but for our friends who send us suggestions and even their own efforts. The above and the following are from the pen of Miss Dorothy Johnson who writes us pretty often from way up in Oberlin, Kansas. She is a shut-in, an ex-school teacher and a pretty good poet, or so says us.

"Don't ever feel you're good for nothing  
As a horrible example you might be worth something."

Patagonia is at the southern end of South America.  
San Juan is the capital of Puerto Rico.

**On Refund Claims**  
If you think you are due a refund from Uncle Sam on your 1953 income tax payments, get your claim in early - - and, if you're right, you'll get a check from Uncle Sam that much quicker. Quicker yet than if you were to wait until the filing deadline of March 15.

Refunds may be brought about by several situations. If you have reason to believe that your recognized expenses are greater than average - - to the government about 10 per cent of your income - - figure it out with the tax form and instructions in hand.

Was there a new addition to the family last year? Or did a close relative come to live with you, supported by you? Did you have a lot of medical bills? Did you have heavy interest payments on your home? Did your various recognized deductions amount to something over 10 per cent of your income in total?

If, after careful analysis, you find that this is so, and if the government agrees with your figures - - you'll get money back. And, incidentally, your government wants you to get this money. It wants a square deal from everyone, payments for what has been set for your income bracket, no more, no less.

So, if you think you're entitled

to a refund, fill out your return carefully, mark your envelope "refund claim" for channeling to the right department, put a 3c stamp on it (two stamps if it's heavy) and rush it in. You'll probably get one of those nice, greenish blue checks in three or four weeks. In the Dallas District area, send your return to the

District Director of Internal Revenue, 2101 Pacific Avenue, Dallas, Texas.

**Muscular - Aching Pains**  
Relieved in Few Minutes - or No Cost

Why suffer another day when you can prove free the blessed relief you can enjoy from a doctor's external prescription called Muscle-Rub. It is a penetrating, blood stimulating liquid to help get rid of many toxins. Applied directly to legs, arms, shoulders, neck or back - wherever you suffer pains from muscle soreness, sprains and bruises. Safe! Quick! Simple!

"My patients and I are more than pleased. Nothing compares to Muscle-Rub," says T. T. Connor, physiotherapist. "The pain in my arms and legs was agonizing. Thanks to Muscle-Rub I can now sleep the whole night through," says Mrs. R. Bekoff of Philadelphia. "I'm a minister and spent money on all kinds of treatments for rheumatic pains but nothing helped like Muscle-Rub," says P. H. Dorsey of Atlanta.

**Make This Test**  
No prescription necessary. Get Muscle-Rub from your druggist. Use half one bottle and if not delighted, return what's left and get all your money back without question. Economy or hospital size \$2.25 or large trial size only \$1.25. Try today. Sleep tonight. Enjoy blessed relief—or no cost. At Your Drug Store

**It looks like the biggest hit in BUICK history!**

**WE'VE** had more than a fair share of success in this business—but this beats all!

From the day we opened our doors to show the new 1954 Buicks, we've been kept hopping by people, questions and orders.

It seems that folks have been hoping for a really big change in the new cars—and Buick's got what they want, right across the board.

Buick's got it in style—in the sleek, swift, low and glamorous look of the sports cars, but with the room and comfort of Buick size and breadth.

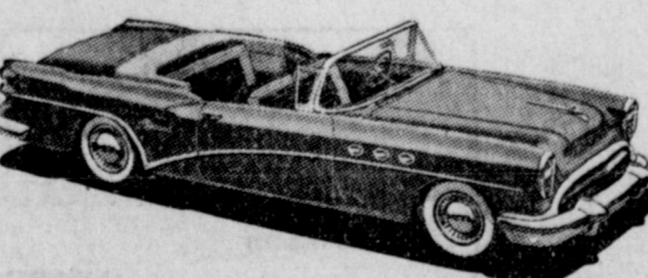

Buick's got it in power—in high-compression V8 engines all stepped up to new horsepower highs and boosted to new economy with Power-Head Pistons.

Buick's got it in ride comfort, too, and handling ease, and visibility—and a whole

new list of features as up to the minute as the very look of these great cars.

But—why don't you come see what all the excitement is about?

Then you'll discover that what's helping to make the '54 Buicks the biggest hit in our history are the prices we're quoting—prices that buy more Buick beauty and power and thrill and sheer automobile than smart money ever bought before.

LOOKS LIKE A MILLION, RIDES LIKE A MILLION, yet this gorgeous 1954 Buick Special Convertible—V8-powered to a record high—delivers locally for just a few dollars more than similar models of the "low-price three."

**NOTICE OF ELECTION**  
**THE STATE OF TEXAS**  
**COUNTY OF DONLEY**  
**DONLEY COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1:**  
**TO THE RESIDENT, QUALIFIED ELECTORS OF DONLEY COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1 WHO OWN TAXABLE PROPERTY IN SAID DISTRICT AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION, AND TO THE RESIDENT PROPERTY TAX-PAYING VOTERS OF DONLEY COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1:**

TAKE NOTICE that an election will be held in the District on the 1st day of March, 1954, on the propositions and at the place more particularly set forth in the election order adopted by the Board of Directors on the 20th day of January, 1954, which is substantially as follows:

**RESOLUTION**  
**CALLING AN ELECTION ON THE QUESTION OF THE CONFIRMATION OF THE DISTRICT AND ON THE QUESTION OF THE ISSUANCE OF REVENUE BONDS AND DIRECTING PUBLICATION OF NOTICE OF SUCH ELECTION.**

WHEREAS, the Commissioners Court of Donley County, Texas, by order dated December 11, 1953 granted a petition for the organization of Donley County Water Control and Improvement District No. 1 and duly established said District as one organized under the provisions of Section 59, Article 16 of the Constitution of the State of Texas and under the laws of said State, passed pursuant thereto; and

WHEREAS, it is required by law that before such District shall incur any indebtedness other than for its organization and the holding of an election, the Board

shall pass an order calling an election within and for such District for the purpose of confirming the organization thereof; and

WHEREAS, the Board of Directors of Donley County Water Control and Improvement District No. 1 has adopted a plan for improvements by the purchase of a waterworks system, and that said District has expectancy for net revenues from the operation of such improvements; and

WHEREAS, it is now found necessary and advisable to acquire a waterworks system for the District; and

WHEREAS, there is available for purchase by the District a complete waterworks system, at a price deemed reasonable by the Board of Directors of the District; and

WHEREAS, there has been filed in the office of the District a report of the District's engineers covering the plan and the improvements to be purchased together with maps, plats, profiles and data fully showing and explaining the same and containing a detailed estimate of the cost of such improvements, including the cost of property to be purchased and showing that said system is completed and ready for operation, so that service therefrom can be commenced at once, all of which plans and estimates have been and are now on file and open to public inspection in the office of the District; and

WHEREAS, said Engineers estimate of the cost of the purchase of such water system and the cost of the organization of the District is itemized as follows:

ITEM COST  
 Lands, Right-of-way & easements, waterworks plant, pipes, distribution lines, a complete waterworks system \$450,000.00

Engineering ..... 2,000.00  
 Legal ..... 5,000.00  
 Total Cost of project to be purchased \$457,000.00  
 Cost of organization of District ..... 3,000.00

**TOTAL COST** ..... \$460,000.00  
 WHEREAS, it is deemed necessary and advisable that the Board forthwith call an election on the confirmation of the District and issuance of bonds;

**THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF DONLEY COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE:**

1. The estimate of the cost of purchasing the improvements and cost of organization of the District as contained in the engineer's report, referred to in the preambles hereof, is hereby approved and adopted by this Board of Directors as the total amount required to cover such improvements and property.

2. That an election be held within said District on the 1st day of March, 1954, for the purpose of voting on the propositions hereinafter set forth.

3. That the election shall be held at the Boyd Rogers residence within said District and the following named persons are hereby appointed officials of said election:  
 Boyd Rogers, Presiding Judge, Virginia B. Rogers, Judge.

The Board of Directors officially finds that the above named persons appointed as officers of said election are the only persons residing within said District and qualified to act as officers of said election.

4. That at said election only qualified resident property tax-paying voters of such District shall be permitted to vote as to proposition No. 1, and only resident qualified electors of Donley County, Texas, and of Donley County Water Control and Improvement District No. 1, and who have duly rendered the same for taxation shall be permitted to vote as to Proposition No. 2.

At such election, two propositions shall be submitted, each to be voted upon by the voters qualified to vote thereon.

**PROPOSITION NO. 1**  
 "Shall the organization of Donley County Water Control and Improvement District No. 1 as established by the Commissioners Court of Donley County, Texas, on December 11, 1953, be confirmed?"

The said District is described by metes and bounds as follows:

**BEGINNING** at an iron pipe located in the West line of said Section 58 which iron pipe is 2611.11' north of the Southwest corner of Section 58;

**THENCE** East 1847.22' to an iron pipe;

**PROPOSITION NO. 1**  
 "FOR CONFIRMATION OF DISTRICT"  
 "AGAINST CONFIRMATION OF DISTRICT"

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition.

5. The election officers above named shall make and deliver the returns of said election in triplicate, one being retained by

the Presiding Judge, one delivered to the President of the District and one delivered to the Secretary of the District. The ballot boxes and other election records and supplies shall be delivered to the secretary at the office of the District and shall be preserved in said office as provided by law. The Board of Directors will meet at Ten o'clock, A. M., on the 8th day of March, 1954, being not less than five full days nor more than seven days after the date of said election for the purpose of canvassing the returns of said election.

**PROPOSITION NO. 2**

"Shall the Board of Directors of Donley County Water Control and Improvement District No. 1 be authorized to issue waterworks revenue bonds of said District in an amount not to exceed \$460,000.00. Maturing serially in such installments as may be fixed by the Board of Directors, the maximum maturity being not more than Forty (40) years from their date, bearing interest at a rate not to exceed Six (6%) per cent per annum, payable annually or semi-annually for the purpose of acquiring a complete waterworks system and to provide for the payment of the principal and interest of such bonds by pledging the net revenues of the District and by mortgaging and encumbering all of its properties and facilities and the franchise and revenues and income from the operation thereof and everything pertaining thereto acquired or to be acquired, but in no case to be paid from money to be derived from taxation."

The ballots for voting on Proposition No. 2 shall have written or printed thereon the following:

**PROPOSITION NO. 2**  
 "FOR THE ISSUANCE OF BONDS, THE PLEDGE OF NET REVENUES AND THE LIEN ON PHYSICAL PROPERTIES TO SECURE PAYMENT THEREOF"  
 "AGAINST THE ISSUANCE OF BONDS, THE PLEDGE OF NET REVENUES AND THE LIEN ON PHYSICAL PROPERTIES TO SECURE PAYMENT THEREOF"

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition.

5. The election officers above named shall make and deliver the returns of said election in triplicate, one being retained by

the Presiding Judge, one delivered to the President of the District and one delivered to the Secretary of the District. The ballot boxes and other election records and supplies shall be delivered to the secretary at the office of the District and shall be preserved in said office as provided by law. The Board of Directors will meet at Ten o'clock, A. M., on the 8th day of March, 1954, being not less than five full days nor more than seven days after the date of said election for the purpose of canvassing the returns of said election.

6. The Secretary of the Board of Directors is hereby directed to publish a substantial copy of this resolution or notice containing the same, signed by said Secretary and the President of the Board, once a week for four consecutive weeks in the "Donley County Leader", a newspaper having general circulation in Donley County, Texas. The first of said publications to be made at least 28 days prior to the date fixed for said election. Said publication shall constitute proper notice of said election. Said Notice of election shall also be posted by the Secretary at three public places within said District and one such notice shall be posted at the door of the County Courthouse at least 28 days prior to the date fixed for the election.

7. Said election shall be held in accordance with the laws of Texas for the holding of general elections for state and county officers, except as otherwise modified by Chapter 25, of the General Laws, Regular Session Thirty Ninth Legislature 1925, as amended.

## TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

January 15, 1954.

**SNOW IN WASHINGTON**  
The Capital City has been blanketed for the past week with the most beautiful layers of snow. Beautiful, of course, to the eye, but not to the driver or the traffic cop. The many hills in Washington make it almost impossible to drive a car on certain streets without chains during a snow-storm or icy condition. In the early morning or late afternoon, one car can get stuck on a hill and block traffic for miles and miles, disrupt the lives of many

individuals, and cause great confusion. The snow was especially beautiful to the youngsters, who had their sleds out with the first flakes and were sailing down the hills. There is one hill in our neighborhood that is always blocked off to traffic during a snowstorm. It is, of course, a paradise to the sledding kids. An officer is always on duty in the vicinity after school hours and until about nine or ten o'clock at night. Our children have had full use of the hill and hate to see the snow melt. We had one accident. Our seven year-old lost control of his sled and sailed into the side of a parked automobile. He suffered a slight concussion and has been out of the running for the past two or three days. He caused Jean and me much concern the first night, but is fast getting back to his boisterous self. You

know, nothing is more deafening than the silence of a sick youngster. A fellow one time defined a child as "a noise with dirt on it." Frankly, I prefer the noise and the dirt to the stalking still that engulfs the home when one of them is ailing. If grown-ups could retain much of the philosophy and understanding of children, tempered with the experience that is acquired through the years, the cause of world peace would be measurably served.

### THE PRESIDENT'S RECOMMENDATIONS

The Recommendations of President Eisenhower, in keeping with his State of the Union Message, are now coming to the Congress almost daily. The messages received so far indicate that a tremendous amount of work, effort and research has been devoted to the subject treated. The comments by the Members on the Floor, when these messages are received, vary from one extreme to the other, and, of course, many of the Members want to adopt a wait and see attitude. That is, to wait and see just what legislation is offered by the Members to carry out these recommendations. Very few think that the recommendations are conservative. In fact, the general opinion is that the recommendations open the door to legislation that could prove very liberal. After a recent message was read to the House, one of my good Southern friends quipped the following: "If Eisenhower continues on the course he is now following, he won't last over four terms." Whatever the opinions might be, the fact is that Congress must enact the legislation. The President's recommendations will carry the great weight to which they are entitled, and each will be carefully weighed, as I am sure President Eisenhower wants them to be, but this Congress will not be stampeded by the suggestions, recommendations or directives of any one individual or any pressure group.

### COMMITTEES AT WORK

It would generally appear on the surface that very little is being accomplished the first weeks of this new session of Congress. However, the session has actually started off with good speed. All of the committees have been working diligently on the bills assigned to them and will have these ready to report to the House in the very near future. The Interior and Insular Affairs Committee, of which I am a member, has been holding sessions almost daily and was the first committee to report bills to the

House. The Sub-committee on Irrigation and Reclamation has held extensive hearings on the new power policy advocated by the Department of the Interior concerning the disposal of power in the Missouri Basin. These hearings could well provide the basis for the power policy of this government for many years to come. This is of tremendous importance because it could, and no doubt will, affect the lives of almost every individual in the United States, either directly or indirectly. One of the other sub-committees of which I am a member, the Sub-committee on Territories and Insular Affairs, has been holding hearings on the Alaska Native Land Act. At first blush, this bill would not appear to have much bearing on the domestic items affecting the lives and well being of the individual citizens living in the United States. However, this type of legislation involves legal principles concerning real property rights and interests, the mishandling of which could very easily cost this country tremendous sums of money, to say nothing of the confusion in future transactions involving real property, both inside this country and in presently owned possessions and possessions that might be acquired in the future.

### CHAMBER SPECIALS

By Johnnie Allen  
Should you see Seven men with alert expressions "collaring" every man they see on the streets in the next week or two, don't worry. They will be the Committee chairmen of your Chamber of Commerce hand selecting com-

mitteemen to serve with them on the seven General Project committees for 1954, and if you are not a member of the organization don't sigh with too much relief; they may select you to serve on a committee.

The chairmen of the General committees left the Board of Directors meeting last week with suggestions to enlist any civic minded Citizen in Clarendon, regardless of membership in the chamber, that they felt would serve well in the capacity as a committeeman. When the committees for 1954 have been completed, each committee has been asked to meet, make plans and work out a program of work for the particular committee all of which will be combined into the Program of Work for the organi-

zation. In this way a possible 25 or 30 men will have a hand in working up a Program of Work for 1954.

It is sincerely hoped that the C of C will have seven general committees and numerous sub-committees actively working on projects for the general welfare and improvement of the community and with your help and cooperation when called upon to serve in any capacity, they can be active.

The C of C has hopes of keeping the citizens of Clarendon and Donley County better informed as to its activities and progress on the various projects it undertakes and wishes to emphasize that its Program of Work is flexible enough to include any worthwhile project not already includ-

ed in it. Our C of C can not and does not propose to present a cut and dried Program of Work that is immune to revision and additions throughout the year. It could not do this and be progressive in spirit.

Your C of C is carrying on an Enlistment campaign in 1954; it is enlisting your aid, cooperation, suggestion, constructive criticisms and membership.

"This is the clock I work by."

It's a 24-hour clock — and mine is a 24-hour job!

Yes, it's a 24-hour clock — and Reddy Kilowatt is on the job every minute of those 24 hours!

From the time you get up in the morning 'til you flick off the light at night he is there to help you — with the washing, ironing, cooking, cleaning, almost every household chore! And when you go to bed at night Reddy goes steadily on — heating the water, cooling the refrigerator, ready the instant you call on him.

That is real round-the-clock service, isn't it? Yet Reddy's service cost only a few pennies a 24-hour day. What else in your family budget gives you so much for so little money?

1 "Since I started using Conoco Super with TCP, the difference in my Nash has been astounding. It runs like a new car. No 'knocking' or 'pinging.' And man, you should see me take the hills!"  
Richard Palmquist, Deputy Sheriff  
3943 N. 40th St., Omaha, Nebraska

2 "When I switched to Conoco Super with TCP, my man asked me: 'What have you been doing to the car? It runs like new!' We get 3 miles more to the gallon, and acceleration is just wonderful!"  
Mrs. Katherine Szarkowski, Housewife  
4616 Ash Street, Hammond, Indiana

3 "Since I started using Conoco Super with TCP my Pontiac runs as though it had new spark plugs and points. When I'm on trips I carry an extra 15 gallons with me. I don't want to run out!"  
Wiford G. Dick, Owner, Dick's Window Washing Co.  
1302 M 1/2, Galveston, Texas

4 "Ordinarily, I change plugs every 10,000 miles. But since using Conoco Super with TCP, I've driven 14,000 miles and the plugs are perfect. And I'm getting almost 3 miles more a gallon!"  
Howard J. Ford, Roofing Salesman  
1821 47th St., Des Moines, Iowa

5 "Using Conoco Super with TCP, I'm getting two miles more to the gallon. And I'm getting 100% increase in all-around performance. You get the best out of your car using Conoco Super!"  
Ben E. Waggoner, Bank Executive
