Tickets On Sale For Band Concert Here March 5th

Tickets went on sale Tuesday morning for the official and only public band concert of the present school year. This concert will climax one of the biggest "Day of Band" in the history of Clarendon Schools.

J. H. Gain, instructor, is steadily building up our school band both in number and achievement. A sizeable number of students from Junior High School became a part of the High School Band at the beginning of the new semester in January, and there are several beginner groups at work now.

The band parents are working in cooperation with the school board and PTA to help provide uniforms, instruments, music, and all the tools necessary to make a "bigger and better band."

This "Day of Band" will bring to Clarendon Band students a day long clinic with Ray Robbins, bandmaster at the Phillips High School and a former instructor here, in charge. He will appear as guest conductor with the group for the evening performance, March 5th.

Dust Storm Revives Memories of The Past

The dust storm which covered this area last Friday, not only left tons of tiny particles of dust but also a path of destruction as it was accompanied by a strong wind that reached 75 miles per hour in gusts.

At the peak of the storm Friday morning visibility was zero and practically everything was at a stand still. Old-timers considered it as the worst dust storm they had ever experienced in view of the fact that it was driven by such a strong wind.

The strong wind caused considerable damage to power lines and West Texas Utility Company employees were busy throughout the day replacing fuses and repairing damage to keep power flowing through their lines.

Survivors include her husband, five sons, Erskine of Clarendon, Mac of Borger, Marshall, Eugene and Oscar Butler of California; two daughters, Mrs. Edna Hardin and Mrs. Nell Murphy of Los Angeles, Calif.; two sisters, Mrs. Bessie Loving and Mrs. Jennie Reese, both of Royce City; three brothers, Charlie and Jim Fitzpatrick of Ft. Worth and Bramblitt Fitzpatrick of Dallas.

WATER PRESSURE TO DROP FRIDAY AFTERNOON

The weather was a bit too rough for the city to make the repairs on the fire hydrant across the street from the Donley Hotel last Friday so they will make another attempt this Friday afternoon at 1:30, weather permitting.

Local Fat Stock Show Winners Announced

Three Hedley youths took top honors with their fat steers and lambs in the nineteenth annual Donley County Fat Stock Show here last Thursday. The number of animals exhibited this year was smaller but the quality was much better as a whole.

Johnny Nash showed the grand champion and Jimmy Waddell exhibited the reserve champion. Nash's animal, bred by Alfred Meeks, Dalhart, got the final nod on extreme depth.

Local merchants gave a total of \$138.50 as premiums on the calves and \$36 on the lambs. Troy Harrison took the \$6 prize money offered by Thomas Feed Store for best showmanship in showing his calf.

Placements by divisions were: Heavy steers: First, Johnny Nash; second, Jimmy Waddell; third, Troy Harrison.

Lights steers, first, Johnny Nash; second, Troy Harrison; third, Jimmy Waddell; fourth, Howard Hensley.

Lambs: First, Don Reeves; 2nd, Bobby Couch; 3rd, Marvin Mullins; 4th, Gano Sanders.

AMARILLO SHOW RESULTS

The quality of the fat steers shown here was confirmed at the Amarillo show Monday when Johnny Nash's steer placed 6th in the heavy steer division and his light steer entry placed 7th.

Services Pending For Mrs. W. O. Butler

Funeral services are pending for Mrs. W. O. Butler who passed away at her home here Wednesday morning.

Mrs. Butler had been in ill health for several years. She had been a resident of Donley County since 1911.

Survivors include her husband, five sons, Erskine of Clarendon, Mac of Borger, Marshall, Eugene and Oscar Butler of California; two daughters, Mrs. Edna Hardin and Mrs. Nell Murphy of Los Angeles, Calif.; two sisters, Mrs. Bessie Loving and Mrs. Jennie Reese, both of Royce City; three brothers, Charlie and Jim Fitzpatrick of Ft. Worth and Bramblitt Fitzpatrick of Dallas.

Methodists To Join In Week of Dedication

Members of the First Methodist Church of Clarendon will join with fellow Methodists throughout the nation in observing the Week of Dedication, February 21 to Feb. 28th, the Rev. I. E. Biggs, pastor of the church, announced today.

Purpose of the Week of Dedication, according to Mr. Biggs, is the deepening of the spiritual life of members of the congregation as the Lenten Season begins.

HARVEY W. TRUITT

H. W. Truitt Signs Three Year Contract

Harvey W. Truitt, superintendent of the Clarendon Public Schools and president of Clarendon Junior College, has signed a three year contract with the local Board of Trustees which covers a period from July 1954 to July 1, 1957.

Mr. Truitt is now completing his first year as head of the local schools. He came to Clarendon from Canadian where he served as principal of the Canadian High School for several years.

In offering Mr. Truitt this new contract, school board members were mindful and appreciative of the various accomplishments and changes that were made in the local school system the past year under his direction and supervision.

Among the more noticeable changes made under Mr. Truitt's supervision is the systematic operation of the entire school system, student relations, school-community relations and better attendance records; increased enrollment in the Junior College and numerous physical changes in regard to the school buildings, grounds and equipment.

Mr. Truitt is looking forward to greater progress in the future with the continued cooperation of everyone concerned.

FIFTEEN REPORT FOR TRACK TEAM

Coach Joe Spann reported yesterday that fifteen boys had reported for track and were now working out in preparation for coming track events to be held in the Panhandle area within the next few weeks.

FELLOWSHIP MEETING AT ASSEMBLY OF GOD CHURCH

There will be a fellowship meeting at the Assembly of God Church Thursday, March 4th. It will be an all day meeting beginning at 10 a. m. with good singing and preaching and also a good meal.

Survivors are his wife and daughter, Pamela Diane, both of Amarillo; his parents, Mr. and Mrs. U. T. Fowler of Clarendon; two sisters, Mrs. Beatrice Foster of Amarillo and Mrs. Doris Bosch of Lawndale, Calif.

Funeral services were held Monday afternoon at the First Baptist Church for J. M. Fowler with Rev. H. D. Williams of Lubbock and Rev. C. E. Townsend, pastor of the Nazarene Church, officiating.

Mr. Fowler died instantly when the milk truck he was driving collided with a gasoline transport south of Amarillo Friday afternoon.

Mr. Fowler was born here July 27, 1930, and attended Clarendon schools. He served in the Korean war and was married to Annie Mae Flowers on July 29, 1952, in Clarendon.

Feature Basketball Attraction Here Friday Night At Local Gym

Strutting forth with his twenty-first edition of his Harlem Roadkings, Bobby Grund's fancy dans of the basketball court tangle with the Household Supply quintet at the College gym this Friday night at 8 p. m.

Once more the master clowns of basketballville are rolling along the country's highways with a remarkable record of 2533 wins and only 173 losses.

Cleo Johnson, ace dribbler, clown and coach of the Harlem Roadkings, will again lead the clever ball handling negro houndis through their 160 game schedule.

Player coach Cleo Johnson has rounded out a well balanced club with tricky scoring plays, long set shot shooting that will thrill the basketball fans.

Once the Harlem Roadkings take the floor one can look for a routine of laughs that keep the crowd in an uproar.

Admission for the game is \$1 per person and it will be a good idea to get there early to pick up a good seat. When the Roadkings were here last year the gym was packed, even to the stage which was reserved for the Colored folks.

American Education Week To Be Observed Here March 1-6

American Education Week, March 1st thru 6th, will be observed here in the public school in various ways next week.

First, and one of the most important, is the invitation to all parents and all other interested persons, to visit the local schools including your own youngster's class rooms any time during the next week so you can actually see what is taking place in our schools today.

Tuesday noon, Supt. H. W. Truitt will speak to the members of the local Lions Club with "American Education" as his subject.

Thursday, March 4th at 11 a. m. the North Ward Drum and Bugle Corps will make their first appearance on main street. These colored youngsters will appreciate a sizeable audience and added encouragement from local citizens.

To complete the week's observance, the school band under the direction of J. H. Gain, will appear in their official concert of the year at the College auditorium Friday night at 8 o'clock.

An admission charge will be made for this concert as this is the Band Parents annual program to raise money to buy uniforms and other necessary equipment for the band.

FARM BUREAU MEETING IN HEDLEY MARCH 4

Construction To Connect Hi-way 70 Now Underway

Construction is underway on the Texas Highway Department's \$386,634 project to forge the vital "missing link" in Highway 70 north of Turkey. In a front page article last week the Turkey Enterprise declared the new road will run from the Turkey townsite to the Briscoe county line.

Completion of this strip of paving will leave only a short gap of unpaved road on Highway 70 from Perryton to San Angelo.

The new road is through virgin country," The Enterprise declared, "across pastures and through an area where no road has ever been built until now—a completely new right-of-way.

First to arrive in Turkey was a concrete construction crew of five men with W. D. Cornett as superintendent. He said that in addition to the five experienced men he will possibly use 10 or 12 local men in the work.

Concrete construction include six small culverts; a 22-span-bridge, 667 feet long over Little Red; a bridge 190 feet long over Turkey Creek; a culvert 10 x 10 and 180 feet long at Oxbow Crossing, which will be topped by 32 feet of dirt; and a 114-foot overpass at the Ft. Worth and Denver railroad crossing.

Contract for construction of the road was awarded by the State Highway Department last December to Dean Skinner, Austin contractor, for a bid of \$386,634.

When the strip is completed the livestock and agriculture area below the Cap Rock will have a shorter and more direct outlet to the north, including Amarillo, Pampa, Borger, Perryton and other points. Estimates have been made that the new road will shorten the route to Amarillo 15 to 20 miles.

### Parent - Teacher Talk

Get children on the program and the mamas will attend PTA. That holds true for every meeting and the large crowd at last Thursday's meeting offered a pointed contrast to the dozen or so present to hear the very good out-of-town speaker at the January session.

The fifth grade built its program theme around the February holidays, Mike Breedlove told the assembly. Sherry Montgomery gave a talk about Lincoln and Vickie Barker spoke about Geo. Washington. Each talk was followed by an appropriate song by the entire fifth grade, about fifty youngsters. Then there was a Valentine number with Jerry Stewart singing the part of the comic Valentine and Lee Ellen Bell the part of the frilly, lacey one.

In observation of PTA Founders' Day, Mrs. Frank Phelan conducted a quiz session to clarify national, state, and local structure of PTA with Mrs. Cockerell, Mrs. D. F. Cook, and Mrs. Gillham popping up to give the correct answers.

Mrs. Blackburn, reporting for the rotating committee—a very-very group which attends regular meetings of the school board, announced that the request for a separate telephone for the Elizabeth Stevens' building had been rejected.

In appreciation for two years of able leadership, the group presented a surprised Mrs. Neece with a PTA life membership. Not suspecting that she was to be the recipient of one, Mrs. Neece had just finished announcing that Mrs. Bray Cook had received a life membership from the Memphis PTA.

The treasurer's report, as given by Mrs. Messer, showed a depleted bank balance as the result of the free-handed giving of the previous month and there was the promise of an even smaller balance when the ordered encyclopedia for the Jr. Hi arrive and are paid for. But in planning the gifts to the rooms and depart-

ments, the executive board wisely saved back enough for an emergency fund to meet expenses which will face the new group of officers early next fall.

Speaking of new officers, the nominating committee, headed by Mrs. Shelby Bell with Mrs. Breedlove and Mrs. Palmer helping, has prepared a new slate of officers to be submitted for the group's approval at the March meeting.

The cafeteria report was brightened by the acknowledgment of the \$400 gift from the West Texas Gin and the Quannah Cotton Oil Co. The money couldn't have been placed in a better spot to benefit children. From giving five meals a day at the first of the school year, the lunchroom now feeds a daily unpaid average of sixteen or more. These lunches are—of course—one of the principal functions of the cafeteria, but those extra unexpected dollars will certainly help relieve the strain on the budget.

Mrs. Johnson's second grade will have Treat Day next Tuesday, and Mrs. Ballew's first grade will have March 9, followed by Mrs. Brown's 1st grade March 16.

### CHAMBER SPECIALS

By Johnnie Allen

Mr. E. S. Ballew, Chairman of The Chamber of Commerce Agricultural and Industrial Committee, who is a member of the Texas Swine Breeders Association has informed me that the Officials of the Southwestern Exposition and Fat Stock Show at Fort Worth have announced that a full swine show will be scheduled for next year at the annual Fort Worth Stock Show. This was the first break in the solid front of cancellations of swine shows by major shows in Texas since the warning by the State Sanitary Commission that an outbreak of vesicular exanthema at a show might cause all species of livestock to be quarantined for a period of 10 to 21 days or longer.

This warning was issued due to the fact that the disease is so similar to stomatitis and to foot

VERSATILE ROK COPS—Two students at Korea's National Police School study the M-1 rifle and sub machine gun. They are part of a force 53,000 strong whose job is fighting fires as well as policing South Korea. Their arms include machineguns and mortars.

and mouth disease and both of these diseases must be tested for also, to be sure the disease is not the dread foot and mouth disorder.

The Fort Worth Officials emphatically told the swine breeders that they wanted swine classes, and unless barred by sanitary rules and regulations, or the treatment of them, that in 1955 the stock show would offer a full slate of breeding and barrow classes.

In the event that something such as a renewed outbreak of VE or some other disease, making it unwise to show swine at the same dates as other livestock, then the show will hold a hog show immediately following the conclusion of the classes for other livestock. The show would be open to all entries that were eligible under the usual show rules, and could enter under the laws covering interstate movement of

swine opening the doors to out-of-state entries provided the shipments originated in "clean" states. This announcement given early should serve to encourage FFA and 4-H boys in the state to plan for and renew their efforts in raising hogs for show purposes. This should also have some effect locally for swine breeders and I feel sure some plans have been made by Flip Breedlove in regards to local swine shows but I have not had the opportunity at this time to talk with him. Flip who has served outstandingly as County Agent for Donley County for years is secretary of the C of C Agricultural & Industrial Committee and I will get a statement from him as to local plans in view of this announcement for next weeks paper.

### KAPPA SUB DEBS

The Kappa Sub Debs met last Wednesday evening in the home of Eva Lee Farr. The business meeting was called to order by the president, Kay Schollenbarger, and roll called by the secretary, Genella Mooring. A discussion on means of making money for the club was held.

The group made plans to attend services at the Catholic Church, Sunday, February 28. After services they will go to the Donley Hotel for dinner and then to the afternoon show at the Mulkey Theatre.

Following the business session, a candle-light ceremony was held in which new members who pledged last fall were given their membership cards. This quiet and impressive ceremony was enjoyed by all.

Members attending were Kay Schollenbarger, Jo Anne Montgomery, Shirley Barker, Shirley McAbee, Eva Lee Farr, Wanda Lewis, Tookie McClellan, Jackie Estlack, Tan McCully, Margaret Cushing, Charlotte Wilson, Linda Lamberth, Pat Knox, Shirley Blackwell, Wanda Sibley, Paula Skelton, Glenna Lane, Jeanie McAnear, Lucy Richardson, Marianne Longan, Joyce Crutchfield and the sponsor, Mrs. L. D. Aten, Jr. One visitor was present, a cousin of Lucy Richardson.

### NEEDLE CLUB

The Needle Club met Feb. 18th in the home of Mrs. Ira Self with Mrs. Self as the hostess. The evening was spent visiting and crocheting. Refreshments were served to Mrs. Ross Darby, Mrs. Anil Carter, Mrs. Gilbert Mann, Mrs. Carl Barker, Mrs. Henry Mann, Mrs. Oren Hott, Mrs. Harvey Shaw, and the hostess, Mrs. Ira Self. The next meeting will be March 11th in the home of Mrs. Harvey Shaw.

### GARDEN CLUB

Members of the Garden Club met Thursday, Feb. 18th at 4 o'clock at Patching Club House. Hostesses were Mrs. Rayburn Smith and Mrs. Frank Phelan Sr. A delightful spring atmosphere was created throughout the entertaining rooms with yellow Narcissus and lovely Magnolia blossoms grown in the Smith garden. During the business session conducted by the president, Mrs. Ralph Porter, the name of Mrs. J. E. Ryan was added to the club membership list.

"My Most Successful Annual" was delightfully described by Mrs. Bill Greene Sr. Mrs. John Goldston gave an interesting and informative talk on "The Growing and Selecting of Annuals," presenting a number of members with pictures of All-American winners.

The best flower for 1954 is "Blaze," a giant hybrid zinnia. All-American Silver medal winners are: Alyssum, "Royal Carpet," Cosmos, "Fiesta" and Tithonia, "Torch." An All-American Bronze medal winner is Marigold, "Glitter."

Individual cherry pies and coffee were served to one guest, Mrs. Monty Wolford and the following club members: Mmes. Ralph Porter, Pete Kunz, Bill Greene Sr., Frank Phelan Jr., Frank Phelan Sr., Frank White Jr., W. W. Taylor, O. C. Watson, John Potts, H. Warner, Rayburn Smith, J. H. Howze, John Goldston and Joe Goldston.

Miss Helen Green of Dallas spent the week end with her parents, Mr. and Mrs. Geo. L. Green. She will leave in a few days for St. Louis, Mo., where she will be connected with the Farmers Home Administration, as they are moving their general offices from Dallas to St. Louis.

### MEDKIEF-SAWYER NUPTIALS READ

In a single ring ceremony in the First Presbyterian Church Sanctuary in Hereford, Texas on Sunday, February 21, Mrs. Ernest Medkief of Hereford and Forrest E. Sawyer of this city were married.

Rev. Russel Wingert, pastor of the Presbyterian Church of Hereford, read the service.

Mrs. Sawyer has lived in Hereford for many years. She has owned and operated The Medkief Flower and Gift Shop in Hereford for the past two years.

After a brief trip to Edgewater Park, Miss. and New Orleans the couple will be at home at the Sawyer place north of Clarendon.

### MIDWAY CLUB

The Midway Quilting Club met with Mrs. Della King on Feb. 16 although several were absent, one quilt was finished.

There will be an all day call meeting at Nell Land's to quilt for club-fund. Everyone is to bring their own lunch, drink, cup or glass. It is Thursday, Feb. 25. All members please come.

Those present were Loyd Hillis, Della King, Nell Land, Ellen Moreland, Allie Quattlebaum, Leona Scott, Sarah Shaller, Jose Simmons, Katie Belle Wells and Eddie Williams.

There were 13 members absent. We were happy to have 2 visitors, Mrs. Gertrude Brock and Mrs. Cecil Cook.

### B & PW CLUB

The Business and Professional Womens Club met Monday, Feb. 15th in their regular dinner meeting at Mrs. Dunlaps. Two new members, Scharlean Smith and Dee Lane, were welcomed to the club.

The president, Ruth Richerson, gave a report on the regional meeting of District 10 which she had attended at Vernon Sunday. The club gave \$10 to help the Brownie Girl Scouts to organize. They also donated \$30 to the beautification program.

The next meeting will be March 15th. Guests for this meeting will be the Memphis B & PW Club and the regional president. Each member is urged to be present.

Super-Service Man Is Best Friend Of Tired Army Driver

SEOUL—The 40th Infantry Division here is breaking in a new super-service station that outdoes even stateside luxury models.

It's a combination gasoline station, travel information bureau, vehicle maintenance shop, first-aid station and free coffee bar—all housed in a quonset hut.

Among "the traveler's best friends" at the station are soldiers like Corporal Robert W. Lehman of (32-13) 153rd St. Flushing, N. Y. He is a member of the 40th Division's 740th Ordnance Battalion which runs the station.

"We're more than just service station attendants," said Lehman, "we also check Army trucks, jeeps and other vehicles, and give drivers a few maintenance pointers to make their machines last. Our instructions help save drivers time and trouble, and also save money for the taxpayer."

The station has a radio link with Military Police jeeps which cruise along the highways in the 40th Division area. When accidents occur, the MP's call the station from their jeeps and have a wrecker sent to the scene. MP's also man the first-aid station and

travel information booth at the station.

"The most popular services we offer, though," said Lehman, "are free coffee and doughnuts. They're available any time a driver drops in and they sure hit the spot on these long, cold Korean nights."

Southern Baptist Growth

Information released this week by the Southern Baptist Convention's Department of Survey in Nashville, Tenn., shows that some Texas Baptist activities have increased as much as 300 per cent during the past 10 years.

The total value of Texas Baptist church property has increased from \$40,617,015 in 1943 to \$200,253,276 in 1953, which represents a 393 per cent gain. World mission contributions have increased 335.6 per cent from \$2,387,873 to \$10,401,921, and total contributions increased 371 per cent from \$11,784,537 to \$55,506,986.

During the 10-year period the number of baptisms climbed from 33,919 annually to 62,593, and the total membership in Texas Baptist churches increased from 834,922 to 1,308,942.

During the past year Texas Baptists gave as much for world

missions as the entire Southern Baptist Convention did in 1942, and the present value of church property in the state is as great as the total value of church property in the Southern Baptist Convention in 1926.

A total of 929,909 Texans, or almost one-eighth of the state's population, is enrolled in Sunday Schools in the 3,503 churches of the Baptist General Convention of Texas.

Guests in the home of Mr. and Mrs. W. C. Scott Sunday were Mr. and Mrs. Chester Scott, Glenda and Connie, Mr. and Mrs. Ray Hefner and Patsy, all of Amarillo and Miss Gaynell Scott of Clarendon.

Pfc. Tommie Lee Leek left Wednesday after visiting with his parents, Mr. and Mrs. Lee Leek. He is stationed at Ft. Leonard Wood, Mo.

Mrs. Fern Watkins and Richard of Amarillo visited Sunday in the home of Mr. and Mrs. Chester Martin. Sunday afternoon they all visited with Mrs. W. D. Martin.

Two women have been candidates for the presidency, Victoria Woodhull nominated in 1872, and Belva Lockwood in 1884 and 1888.

## TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

### February 12, 1954. DEPRESSION OR NO DEPRESSION

The great debate as to whether or not we are to have a depression continues with full force and fury. Most of the talk is being done by those who take the position that there will be no depression. In fact, it is a one-sided debate. I know of no one around Washington who is advocating a depression, or even prophesying one, with the exception of some of the economists who have been following the same line for a long number of years. These economists do not disturb me, and I don't think that they should be causing great concern to the speechmakers. Most of these orators are proclaiming from house-tops that there are certain people trying to talk the United States into a depression. I don't know whether people can talk a country into a depression or not, but I certainly do know that speechmaking and oratory won't talk you out of one if you ever get into it. The cold truth of the matter is simply this. Unemployment has been on the increase, the farm prices have been steadily declining, and there are several other items that could be listed as indicating that certain segments of our economy are not doing as well as they would like. This is not surprising, because it is an economic fact of life that

when the circulation of the medium of exchange is choked down, someone is going to suffer. The cancellation of a number of defense contracts, readjustments in other government activities, and a general slowdown by many private businesses to take a look at the future, caused a general slowdown in the circulation of the medium of exchange, to-wit, money. Whether you call this period a readjustment period, a recession, or a depression, makes little difference. Words can not control the situation. In our complex economy there is no doubt but that a depression can be made by man. By the same token, a depression can be prevented by man. A man who is out of a job, with no means of livelihood and a family to feed and cloth, is certainly in a depression. The problem is to prevent the situation from spreading to where it could become a national disaster. Name calling and speechmaking will not solve the problem. What is needed is action and not oratory.

### THE CAMPAIGN AGAINST THE FARMERS

The very cunning and tricky, but vicious, campaign, seemingly designed to set the city dwellers against the American farmer is increasing in tempo and fury. Its effectiveness is most apparent from the general conversations in the city. I have deliberately kept my ear to the ground here in Washington during the past several weeks, listening for ruminations on this subject. I conducted a silent poll; that is, I kept my ears open and my mouth shut. The conversations on street corners, in buses, street cars, taxicabs, hotel lobbies, restaurants, and even in the Capitol corridors,

THE THUNDERBIRD, a new kind of car combining high performance with the comfort, convenience and safety of a conventional model, has been added to the Ford line. The Thunderbird has a powerful 160 h.p. Y-block V-8 engine and its low, graceful body is of all-steel construction. Equipped with a convertible cloth top which folds completely out of sight behind the rear seat, the Thunderbird can be purchased with a special composition hardtop, making it a complete all-weather car. Its overall height is 51.5 inches—nearly a foot lower than the 1954 Ford sedan—yet it has only slightly less road clearance. Most of its major parts are interchangeable with Ford's regular line of cars. The Thunderbird is scheduled for production by Ford Division next fall.

indicate that the city dweller thinks the following:

1. That the farmer is the cause of high retail prices.
  2. That every farmer gets a big subsidy from the federal government.
  3. That most farmers are well-heeled and driving Cadillacs.
  4. That the government has fixed it so that a farmer can't possibly lose money.
  5. That the farmer gets a guarantee for all products and that his production is unlimited.
  6. That the price support program is a subsidy and by far the most expensive maintained by the federal government.
  7. That a large portion of the taxes go to support farmers.
  8. That the taxpayer is stuck twice—in high taxes and in high retail prices.
  9. That if the price support program can be completely abolished, both taxes and retail prices will be measurably reduced.
- Every one of these conclusions is false, as all of you well know. They can be taken one by one and definitely disproved. The city dwellers are thinking this way simply because they are getting only half of the facts. Unless this vicious campaign is stopped, it will result in great damage to the American farmer and to those sections of our country that are primarily dependent upon agriculture. This includes our section, the entire Southwest

and the South. It will hurt, not only the farmer, but every business in these sections. If the family farm units in the South and the Southwest are destroyed, it will mean that many a small business will fold up overnight. This will mean a definite centralization of our economy, which will be followed by a centralization of government. These are two results that all of us in our section have fought for years.

From where I sit... by Joe Marsh

### Handy and Easy "Sign Up"

Last month's safety drive was a big success—almost. Every one helped—the schools ran movies on safe driving, Rotary put up posters, and Handy and Easy Peters went out on their own.

The boys put up a big sign by the side of the highway. It said, "Slow down—the life you save may be your own." It was a good idea—after the police moved the sign back twelve feet.

In their enthusiasm Handy and Easy put it too close to the road—in fact, right on the sharpest curve on the highway. They made

driving unsafe by cutting off the view around the curve.

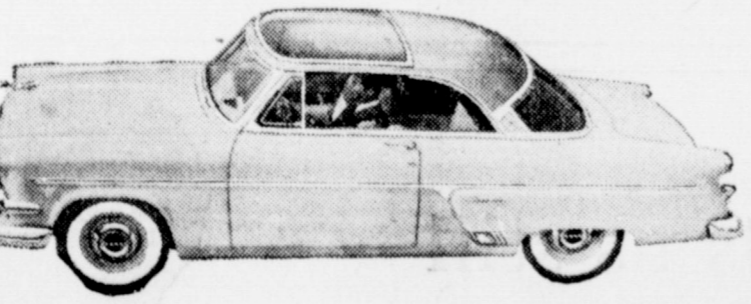

From where I sit, lots of people—even though they mean well—suffer from short-sightedness now and again. For instance, some can never see any further than their own preferences. They even go so far as to object to my choice of a glass of beer with supper. Shouldn't we always take the "long view"... and respect our neighbors' rights?

## Search Underway For Outstanding Farmer Or Rancher

The search began today for Texas' outstanding farmer or rancher. Throughout the state five regional committees have begun selecting nominees for the 1954 Hoblitzelle Achievement Award for the Advancement of Texas Rural Life.

The Award consists of \$5,000 in cash and a gold medal. It was established by the Hoblitzelle Foundation in 1951 and is presented through Texas Research Foundation at Renner, Texas, "to give suitable recognition and financial encouragement for personal accomplishments in the field of rural life improvement in Texas."

In the Panhandle-Plains area a regional committee headed by Art Bralley, Vice-President in charge of agriculture, The American National Bank of Amarillo, has been named to receive and to make nominations of candidates for the Award which will be presented at the annual meeting and field day of Texas Research Foundation May 19 at Renner. Other members of the committee are: Homer Taff, Soil Conservation Service, Lubbock; Coby Knokright, Rancher, Hereford; and Sid Payne, Chairman, State Soil Conservation Board, Tulla. Meanwhile four other similar regional committees are at work to make nominations from their respective areas of the state.

Fred M. Shaw, secretary of the Hoblitzelle Agricultural Awards, reports that the specific award to be presented this year is given every third year to the Texan who has made the most important contribution to Texas rural life as a practicing farmer or rancher. All adults working in this broad area of agriculture are eligible for the Award, irrespective of creed, color, nationality, or affiliation with agricultural organizations.

Shaw said that anyone who wishes may nominate a farmer or rancher for the Award. The nominee may live either within or outside the region in which he is nominated. These nominations are to be forwarded not later than March 15, 1954 to the chairman of the regional committee, together with a full description of the achievements of the candidate.

Donley County is included in Region No. 1.

The black duster that hit the Panhandle Friday did some minor damage through our community besides blowing our land away. Mr. V. Littlefield had damage to three of his wind-mills. Mr. Sam Dale some of his roof blown from his barn; Mr. Ray Godbey lost some gas from his gas tank blowing over; Mr. Roy Roberson lost a part of his porch and I noticed several bundle stacks that had blown off, and I am sure that there are others that had some of the same trouble.

The number of men, women, and children getting old-age and survivors insurance payments under social security has doubled in the last three years. At the time the program was expanded in September 1950, there were three million persons on the rolls; at the end of 1953, approximately six million people are getting monthly benefit payments.

The number of persons receiving social security payments under the old-age and survivors insurance program neared six million at the end of 1953. To be exact, it was 5,970,000.

**College Landscaping To Get Underway This Week**

George Watson, President of the Jaycees reported that the landscaping of our Jr. College Campus will get underway this week. The School Board has installed a new water line which will be made into an underground sprinkling system with adequate outlets to take care of the things that will be put out.

Some \$325.00 has already been raised by donations to this fund, but the Jaycees need about \$750.00 to finish the job. If you are interested in this project they can certainly use your help.

"There are several tractors and earth moving machines in our club and a large part of the work such as leveling off the grounds and moving in top soil will be done by the Jaycees" stated Jack Ballew, a committeeman for the project.

If it is your hope that the Jaycees can swing this project and you would like to be a part of it, turn in your donation to a Jaycee member.

Following is a list of this individuals and business firms who have already so graciously donated to this great cause. Can we add your name next week?

Farmers State Bank, \$100.00; Donley County State Bank, \$100.00; Business & Pro. Women, \$30.00; Odos Caraway, \$5.00; Jack Eddings Station, \$5.00; George's Cleaners, \$5.00; George Weatherall, \$10.00; Mrs. A. G. **GIRL SCOUTS COOKIE SALE IN PROGRESS**

The three troops of Girl Scouts combined their strength this week to push their sale of peanuts and cookies. The house to house canvass was begun Monday and will continue thru Saturday with money taken in being applied to a fund enabling the group to attend summer camp.

Peanuts and mixed nuts are selling for 50c a can now. Orders for cookies are being taken at this time with delivery in about three weeks. Offered for your selection are mint, vanilla, sandwich and novelty cookies at 40c a box. Payment for cookies will be made on delivery.

Stickers will be given each individual purchasing cookies and if placed in a window or door of the house will relieve both Scouts and individuals from making several calls.

The girls will appreciate the help of all in carrying out this campaign.

There were 28 Warehouse Storage Loans made for 1953 Wheat in Donley county amounting to 10,000.51 bushels and \$21,506.47. For Grain Sorghum, there were 43 Warehouse Storage Loans made amounting to 7,104.04 Cwt. and \$19,610.20. Due to the Drought in 1953 the Grain Sorghum and Wheat crops were shorter than usual, however, more Wheat and Grain Sorghum loans were made in Donley County than were expected.

**COTTON ACREAGE INCREASE:**

The formula for prorating the additional acreage to applicable counties is 65 percent of the three year average, 1951, 1952, and 1953, or 40 percent of the highest planted of those three years, not to exceed 47 per cent of the cropland.

If the additional acreage is approved by the State Office as it has been calculated in the County Office, the increased amount of acreage for Donley County will be 9,154.6 acres.

When final approval has been given by the State Office, cotton acreage allotments will be mailed out to all farmers regardless of whether an increase is received or not.

If there is anyone in the County who has a cotton allotment and does not intend to use it, he may come to the County Office and release the allotment.

**1953 APPLICATION FOR PAYMENT FORMS:**

The 1953 Application for Payment forms have been completed

for those of you who did have an approval for a Winter Cover Crop practice. If you have not signed the application, please do so at your earliest convenience.

**Dust Storm-**

(Continued from Front page)  
roofing material were blown from numerous houses and the college gym lost a sizeable chunk of its roof covering.

Very little outside activity was noticed here Saturday as everyone, store owners and housewives were in the middle of the task of cleaning up and it was an all day job for most everyone. The air was so saturated with the dirt particles that no place was free from the settling dust.

The storm was bad here in town but the rural areas caught the worst of it where the wind had a straight sweep at cultivated fields. Sand drifted across roads and piled up on fence rows. What we need now is a good rain to settle the dust and hold some of that good black top soil that moved in from the north.

**SCHEDULE FOR AUDITIONS SET**

Schedules for auditions of Young Artists and Student Soloists have been set for Saturday and Sunday, February 27-28, at Amarillo College. Winners of both groups will be heard with the Amarillo Symphony Orchestra in the March 23 and March 28 concerts.

Miss Rebecca King, daughter of Mr. and Mrs. R. Y. King, and one of the most talented young violinists in this area, will be among those to audition. She is a student of Mrs. Josephine Citron, and is now in her third year of study at the Musical Arts Conservatory in Amarillo.

**HENRY L. SCOTT IN CONCERT MARCH 2nd**

Henry L. Scott has made a glib career out of playing the piano for laughs. To concertizing, he has added touches of humor, crawling under the piano to search for a lost chord, playing with his hands thrust between his legs, pulling on mittens without missing a note. Through it all, he manages to leer amiably at his audience. He wise-cracks with abandon, and is not above jibing at late-comers.

To give his listeners a chance to catch their breath, pianist Scott will turn serious and offer a perfectly polished rendition of Chopin's "Minute Waltz".

This mixture of music and clowning has kept Scott, who is in his late thirties, booked steadily for the past ten years.

Mr. Scott will give his "Concerto for Fun" at the College Auditorium, Tuesday evening, March 2nd at eight o'clock.

This is the final program to be presented by Donley County Mutual Concert Association.

**Youth Center News**

Members of the Canteen Board have announced that the Canteen is in for a "Face-lifting" with work beginning this week on remodeling and cleaning. Painting will be done; floors will be mopped and waxed, new curtains made and furniture repaired. In the near future a new Coke machine will be added; several new records have been bought, and the record player has been repaired.

The tennis table is once again in operation and some additional games may be put up for the people who do not dance. The Canteen will be closed while work is in progress and upon completion will be clean and attractive for everyone to enjoy.

tion will be clean and attractive for everyone to enjoy.

Mrs. S. M. Black has been re-elected secretary to fill the vacancy created by the illness of Mrs. Eleanor Blasingame. Anyone desiring to rent the Canteen is asked to call Mrs. Black at 53. She will be able to give particulars regarding charges and the key to the building.

**Only Twelve Identify Mystery Farm No. 27**

Our number of identifiers dropped down a bit last week. Only twelve persons correctly identified the Leader Mystery Farm of the Air No. 27. Seven were on the rural list and five on the city list. **THEREFORE, BE IT RESOLVED  
BY THE BOARD OF DIREC-  
TORS OF DONLEY COUNTY  
WATER CONTROL AND IM-  
PROVEMENT DISTRICT NUM-  
BER ONE:**

1. The estimate of the cost of  
purchasing the improvements and  
cost of organization of the Dis-  
trict as contained in the engineer's  
report, referred to in the pre-  
ambles hereof, is hereby approv-  
ed and adopted by this Board of  
Directors as the total amount re-  
quired to cover such improve-  
ments and property.

2. That an election be held  
within said District on the 1st day  
of March, 1954, for the purpose of  
voting on the propositions hereinaf-  
ter set forth.

3. That the election shall be  
held at the Boyd Rogers residence

# BLOWIN' Out the CORNERS

Speaking of all this publicity that has been given lately to this so-called Golden Spread; this job of super salesmanship that seems to be catching on, just can't say that we go along with the idea all the way. Several things might happen from this sort of thing and most of them do not seem to be good or good for us.

First, we might accidentally attract a lot of softies and party-waists from the East out to this country. If they came out here expecting a land of sunshine and shade trees and one of these rip snortin' sand storms from the north hit them about the time their tent was pitched it would be just too bad. Here they would go headin' home and tellin' a sure enough bad story about our own West Texas.

Second, we have long prided ourselves on being a people that can take it, especially the weather. Even our beloved "Old Tack" gave most of the credit for us having the most beautiful women in the world to our weather and high wind. Not only that but much of the success of our forefathers was thought to have been encouraged by the practice they

received from battling the elements.

Lastly, why on earth do we want to try and sell this country to a lot of softies anyway? Why, if they all came out here and settled and happened to stay we would be too crowded. We would have to get civified and give up our Western hospitality and how do we do neighborliness. Our towns would get too crowded and big and wicked and ornery and we wouldn't want to bring up our children in them. Not only that but the country round about would get so filled up with big city smoke that you couldn't enjoy a good old fashioned clean sand-storm (Hope I get forgiveness for this last statement). Heck, I like the Panhandle in spite of all its faults and I'm not going to spend my time trying to convince folks that it doesn't have any.

Anyhow, last Friday morning as we lay there listening to all this honey-coated sweet talk about the Golden Spread a terrible thing happened as most of you know. Before we could get it all figured out for sure we had turned to our poetic instinct. We will pass it on to the readers for what it's worth with no extra charge to the editors for the rhyming.

### THE REAL STUFF

By Uncle Zeb

I woke up this mornin' and lay there in bed. While the radio was a-braggin' on the Golden Spread. When all of a sudden the front door banged, And the windows rattled fit to be

hanged. The radio crackled, and hissed, and spewed. The announcer coughed and then ker-chew-ed. He tried to apologize ever so quick. For spreading it on so awful thick. (Now to broadcast boloney is bad enough. But you shouldn't send out the Real Stuff) I threw back the covers and ran for the door. And most got stuck on the bed room floor. Then turning to Mama I sadly said, "Just tain't right to broadcast this Golden Spread". Anyhow, it was a good thing that no announcer mentioned the thing while Mama had a mop in her hand or we might be looking for a new radio by now. Every house that we passed for the next few days, the lady was either beating a rug or a mop, and seemed to be saying, "You take that back, you take that back."

By VERN SANFORD Texas Press Association AUSTIN—Politically troubled waters in Duval County came to a boil as federal and state officers probed errors in impounded records. Pressure of the investigation resulted in mass resignations including school district officials and county commissioners, all supporters of Political Boss George Parr.

Most prominent man to quit was Tax-Assessor-Collector D. C. Chapa who is regarded as Parr's lieutenant. Attorney General John Ben Shepperd obtained the record impounding order from Special Judge Arthur Klein of Harlingen after some 800 cancelled checks were found missing.

State Auditor C. H. Cavness reported that the first voucher he turned over in Duval County records was the transfer of \$5,000 from the jury fund to another fund.

Shepperd asserted that a jury fund is "inviolable" and could not be transferred legally into any other fund.

A squabble appeared likely over who will get to rule on Klein's temporary injunction impounding the records. Hearing on the motion is set for Feb. 19.

District Judge C. Woodrow Laughlin said he had arranged his affairs to be present for the hearing on that date.

"My understanding of the law is that when I am in the district, I am the district judge," he said. It appeared that the matter would be settled among Klein, Laughlin, and Administrative Judge W. R. Blalock who assigned Klein to the case.

In pushing the state's case, Shepperd asked Judge Laughlin to set a hearing on a petition to discharge the Duval County grand jury because seven of its twelve members were linked with Parr.

Laughlin has stated that Shepperd will have to prove allegations that the jury couldn't make an impartial investigation involving Parr or his supporters.

"I am confident they would indict me if they thought they should—and they would wade through 17 Texas Rangers to do it," the judge said.

Removal charges against Laughlin were considered by the Texas Supreme Court.

One of the charges of official misconduct against Laughlin in the ouster proceedings was that he discharged a grand jury before it had completed an investigation. Judge Klein presided in Duval during Laughlin's appearance before the Supreme Court.

A state witness and former deputy tax collector testified that school fund vouchers had been made to fictitious persons and the money given to George Parr on the latter's orders.

These vouchers were against the school district for the amount of teachers' contributions to the teacher retirement system, the witness said.

According to the witness, Parr had dominated the board of trustees of the district and had "taken it upon himself to countersign all vouchers" but to the witness' knowledge had never been an employee of the school district.

Five Texas Rangers were stationed in San Diego. One of them, Captain Alfred Allee, had another scuffle, this time with District Attorney Raeburn Norris.

Allee also has fought with Parr and is under indictment on a charge of assault to murder the political leader.

Signs of revolt by long-time Parr supporters have also been reported.

J. L. MacDonald, Benavides oilman-scholar who holds a special Texas Ranger commission, said that representatives of three prominent Duval County families claimed they had given Parr an ultimatum to clean up the mess or they would do it with or without his help.

Governor Allan Shivers declared, however, that it will take "continual vigilance" to see that the mess is stamped out.

Four "wrongs" need to be righted in Duval County, he said, listing these wrongs as the apparent misappropriation of funds, the denial of rights, the absence of a forum to which the citizens can appeal for help, and officers who deny the rights citizens ordinarily have when those citizens oppose the regime.

200-Horsepower Performance and priced far below it

Styled like years from now—the stunningly beautiful, sensationally powered 1954 Buick CENTURY Riviera.

# Try the POWER of the CENTURY

It's the buy of the year for folks who want high performance at a low price

At the wheel of Buick's 200-hp CENTURY, something tremendously exciting is waiting to happen to you.

It's the wondrous thrill of commanding a phenomenal performer that's yours for hundreds of dollars less than the middle-price cars.

We can give you here just a quick summary of the sensational facts about this spectacular automobile:

It has the highest horsepower ever placed

in a standard-production Buick—and the highest compression ratio, 8.5 to 1.

It has the highest power-to-weight ratio of any Buick ever built—with a cyclonic 200-hp V8 engine driving with unbelievable ease the nimble weight of this sizable car—3852 pounds, for the CENTURY shown here, as it comes off the assembly line.

It carries a price that puts it substantially below the highly popular Buick SUPER—a price that buys more horsepower

per dollar in a CENTURY than you get in any other automobile in America.

If it's true high performance you want, at a truly modest price, come in and meet the CENTURY close up—behind its wheel. You'll find it the buy of the year, hands down.
