Poison 'Hoppers Now While In Hatch Area Says County Agent

Grasshoppers have begun to make their appearance in some parts of the county says county agent H. M. Breedlove. Now is the time to poison those hoppers while they are still in the hatch area and are concentrated to small patches. When the hoppers get more age they will migrate to larger areas and poisoning will become much more difficult. Breedlove warns farmers and ranchers to keep their eyes open for hatch areas and to poison those areas as soon as possible. Hoppers get any size and can spread out to larger areas. It is much cheaper to poison the grasshopper early because then the area to be covered is so much smaller.

Some good poisons that have given good results for grasshopper control are toxaphene, aldrin, chlorodane and endrin. These poisons are used as a spray. The best places to look for the hatches of the young hoppers says the county agent are along fence rows and in low places where water has stood. The young hoppers are feeding on tender vegetation and are very easily poisoned at this time. Any one wishing additional information should call by the office of the county agent.

State Shriners To Meet In Dallas

As the 1954 Mecca and oasis of Texas Shriners, Dallas and Hella Temple, the host, are all set for the May 28-29 ceremonial of the State Shrine Association. Potentate George M. Thompson of Khiva Temple, said today that advice from Dallas are that Texas' ten temples, outside of Hella, will send full delegations to take part in the two-day, "young at heart" observance.

George A. Giese, Hella potentate, is current association president. George R. Jordan, a past Hella chief, is chairman of the general Hella committee on arrangements.

There'll be bands, drum and bugle corps, gaily uniformed marching units, and at least three mounted patrols in the mammoth parade to start at 2 p. m. on Friday, the first day.

SIDNEY MUSE CONDUCTING RADIO PROGRAM

Sidney Muse, son of Mr. and Mrs. Lee Muse, who is a student at WTSC at Canyon, may be heard over KAMQ each Saturday morning from 6 to 6:15. Sid conducts his own program which is titled "West Texas State Farm News." He reports various activities, for sale and trade items and other announcements of interest to people of the Panhandle area.

Sid handles his radio work along with his college studies and is due to receive his B. S. degree from WTSC in August.

Poppy Day Message

By a Member of American Legion Auxiliary
On Saturday, May 29, all of us will be asked to wear a little red poppy. The day will be Poppy Day, when, once each year, we of America pay tribute, by wearing their memorial flower, the poppy, to those who gave their lives in America's service during the World Wars. And as we receive our poppy from the women of the American Legion Auxiliary, who will distribute the flowers on the streets that day, we will be aiding the wars' living victims by the contribution we make for the flower.

The poppies which we will wear on Poppy Day are not, of course, natural flowers from the battlefield. They are flowers which have even greater significance than any nature can produce. They have been made in hospitals and work rooms where war's suffering still is going on. They have bloomed under the hands of men disabled in war—the comrades of those in whose honor they will be worn. Their petals are only paper and their stems wire, yet into them has been breathed the spirit of patriotic sacrifice, the spirit of those days when life itself was not too much to give for America.

The disabled veterans who make the poppies derive double benefit from the work. First, it gives them employment — a chance to support themselves and families. Second, the work is of real value in aiding their recovery, occupying hands and minds, breaking the tedium of long idleness, and restoring spirits crushed by hopelessness.

The money which is dropped into the coin boxes in exchange for the poppies goes entirely into the welfare activities of the American Legion and the American Legion Auxiliary, supporting the work which these two great service organizations do for the disabled veterans, the families of the disabled and the families left in need by the death of veterans. Every penny is made to serve the veteran or his family.

Deadline June 1st For Transfer of Students

Students who will transfer from one independent school district to another have until June 1st to record transfers with the county superintendent of schools, according to terms of a new law passed by the legislature. Parents of the children are responsible for making the transfer. Heretofore, the deadline for making transfers was August 1st, so if you have a student needing to be transferred, be sure to take care of this important matter by Monday of next week.

GERNER BROTHERS PURCHASE SINCLAIR SERVICE STATION

Announcement is being made in this issue of the Leader, the purchase of Cornell Bros. interest in the Sinclair service station located 1 block east of the stop light on main street. The new owners and operators are Bill and Harold Gerner. These two brothers were raised up near Lelia Lake and need very little introduction. The firm name will be Gerner Bros. Sinclair Service. Turn to their advertisement in this issue of the Leader for particulars regarding the change in ownership.

HAROLD CLAMPITT TO BE PRESENTED IN RECITAL

Miss Lilly Larsen will present Harold Clampitt, son of Mr. and Mrs. W. L. Clampitt, in his Senior High School Diploma Piano Recital, Tuesday Evening, 7:30 o'clock, in the College Auditorium. The program will include piano numbers by Bach, Beethoven, Chopin, Liszt and Gershwin. Interested friends are invited to attend.

Dusters To Play Amarillo Laundry Here Next Sunday

It looks like the Dusters are going to have to change their name to the Mudders or something along this line if the Sunday rains keep up. Their game with Groom was rained out last Sunday as were their games with Pampa and Pierce St. Green House on previous occasions. Up to the present time they have been able to play only two games out of five scheduled.

Sunday afternoon, weather permitting, they will play Amarillo Laundry at the local park at 3 o'clock. They defeated this team the first game of the season and will be out there for a repeat performance Sunday. In their other game played, they lost to Hedley which gives them a 50% average.

Only Five Identify Mystery Farm No. 40

Business was poorly again last week on the Mystery Farm guessing ring which was lost in 1924 by Mrs. John Blackman, formerly Miss Nannie Dever, was found this week by Marion Cross in his front yard on east 2nd street. The ring had fared pretty well after being lost 30 years. The initials inside the band were still visible although a small pearl was missing from the ring. Mrs. Blackman had worn the ring only a short time when she lost it.

The ring was found after the last rain lying on top of the ground. Adding more to the mystery of where the ring had been the past 30 years was the fact that several years ago, Cross' yard was built up several inches. Mrs. Alva Dever mailed the ring to Mrs. Blackman at Bula, Texas Tuesday which will probably be quite a surprise.

Another Famous Legion Barbecue Set For June 5th

Ernest Kent, commander of the local Legion Post, announced this week that the Legion would feature another of their famous barbecues Saturday, June 5th. The barbecue with all the trimmings will be served from 6:30 to 8:30 at Lions Club Hall.

The beef for the barbecue is above average as the animal was fed out by a club boy. The price per plate will be \$1.00 and tickets may be obtained from Legion members or at the door the evening the barbecue will be served, Kent stated.

PROCLAMATION

THE CITY OF CLARENDON STATE OF TEXAS

WHEREAS, the City of Clarendon wishes to observe Memorial Day in remembrance of those who gave so much.

WHEREAS, the Business men have proclaimed by ballot Memorial Day an Official Holiday to be observed by closing.

WHEREAS, any official Holiday falling on Sunday, the next day being Monday is to be observed.

WHEREAS, we as Citizens should not regret giving one day in remembrance when they gave all they had, their life.

Now, therefore, I, Major B. Hudson, Mayor of the City of Clarendon, Texas, do hereby issue this my proclamation declaring the day of Monday, May 31st of 1954 "Official Business Men's Memorial Day Holiday" out of respect for those who gave so much, and hereby urge all Businesses to cooperate in our effort to give one day remembrance by closing if at all possible.

Witness the hand of the Mayor of City of Clarendon this the 26th day of May, 1954.

Major B. Hudson Mayor

Class Ring Lost 30 Years Is Found

A Clarendon High School class ring which was lost in 1924 by Mrs. John Blackman, formerly Miss Nannie Dever, was found this week by Marion Cross in his front yard on east 2nd street. The ring had fared pretty well after being lost 30 years. The initials inside the band were still visible although a small pearl was missing from the ring. Mrs. Blackman had worn the ring only a short time when she lost it.

The ring was found after the last rain lying on top of the ground. Adding more to the mystery of where the ring had been the past 30 years was the fact that several years ago, Cross' yard was built up several inches. Mrs. Alva Dever mailed the ring to Mrs. Blackman at Bula, Texas Tuesday which will probably be quite a surprise.

Vacation Bible School June 1-11 At First Baptist Church

Vacation Bible School will begin at the First Baptist Church Saturday with a parade beginning at the Church at 9:30 A. M. Following the parade, refreshments will be served all those who join in the program Saturday morning.

The first regular session of the Bible School will be Monday morning at 8:00 o'clock, and will continue through Friday of the following week.

Activities of a varied nature have been planned including Bible study, mission study, music, handicraft, and of course refreshments each day.

"We extend a cordial welcome to boys and girls between the ages of three and sixteen years. If you come, we know you will enjoy it," stated the pastor, Rev. J. E. Byers.

Game Regulatory Survey Meeting Here June 3rd

G. P. (Slim) Davis, Game Warden for this district and Richard DeArment, Biologist for the State Game Department, will be here Thursday June 3rd to conduct a Panhandle Regulatory survey meeting regarding game and fish of this area. The meeting will be held at the county court house, at 8 P. M.

Official Opening of Country Club Pool Next Sunday

Sunday, May 30th is the date set for the official opening of the Country Club swimming pool, Frank Phelan Sr. has announced. The pool has been painted and everything is in readiness for the large number of swimmers who will be enjoying this facility this summer. A new water heater has been installed to make the showers in the bath house more enjoyable also, Phelan stated.

A copy of the new constitution and by-laws has been mailed to every Club member and inconvenience and embarrassment may be avoided if everyone will read this little booklet over very carefully as several changes have been made regarding guests of club members.

The club lake went over the spillway this past week end which improves the prospects for fishing as well as improving the beauty of the club grounds. The lake was stocked with bass and channel cat several months ago but they are not large enough to permit fishing this year. Club members who like to fish have something to look forward to next year.

County Agent Warns For Close Watch On Insect Growth

It is only a short time now until cotton will be up all over the county and with the good moisture we have at the present time there will probably be a rapid growth and conditions will be perfect for cotton insects to start working on the young cotton. Farmers are warned by county agent H. M. Breedlove to keep a very close check on their cotton and to start their insect control program at the very first signs of harmful insects. Cotton flea hoppers and leaf worms will probably be the first insects to make their appearance and then the boll worms.

Breedlove says that spraying or dusting cotton with good poisons will completely control cotton insects if started in plenty of time. For spraying of cotton for control of flea hoppers, leaf worms and boll worms, toxaphene and DDT in the two one mix is one of the best to use and for dusting the 3-5-40 mix gives very good results. There are other good poisons but the ones mentioned above give good results and can be obtained locally.

Keep watch of that cotton from the very start says the county agent and if you need any help be sure to call on him and he can help you determine the types of poison to be used and the amounts per acre.

CHANGE IN OWNERSHIP OF BEAUTY SHOP ANNOUNCED

An advertisement appears in this issue of the Leader announcing the sale of Essie's Beauty Shop to Mrs. Winnie Wester. The change in ownership will become effective June 2nd and the business will be closed next Monday and Tuesday to complete the business transaction.

The beauty shop will re-open Wednesday, June 2nd under the new name of Charm Beauty Shop. Mrs. Essie Putman, former owner, will remain with the business as a regular operator. For full particulars regarding the change turn to page five of this issue of the Leader.

LT. BERT BARNES RECEIVES EFFICIENCY RATING

Lt. Bert Barnes, son of Mrs. Lola Barnes, recently received a certificate for efficiency in training which his detachment won for the third straight year. Lt. Barnes is commanding officer of the 109th AAA Detachment (Radio Controlled Airplane Target). The award was presented by Col. T. J. Ryan, Fourth Army Headquarters, Ft. Sam Houston.

Donley County Leader, \$2.50 year

Week End Rains Increase Moisture Total For County

Moderate to heavy rain Sunday and Monday increased the moisture total for the month and left all of Donley County soaking again. At present, if the drouth hasn't been broken, it has numerous dents in it which is very pleasing to local farmers and ranchers. Joe Goldston, official weather observer, reported the total for the month at 5.49 inches and the total for the year at 7.60 here in town. We received .23 inch in January; 0 in February; .12 in March; 1.76 in April and our May total to date of 5.49. The total received over the week end was 1.19 inches.

Numerous acres of cotton will have to be planted over, but some farmers believe they may get a good stand on part of the acreage planted. Ranchers can almost see their grass growing. It has gained height by leaps and bounds and wild flowers are blooming in profusion on the country sides.

The rain Sunday afternoon did considerable damage to the area about four miles west of Ashtola on up to Goodnight and northward toward Groom. This particular area reported from two to four inches while Ben Lovell's gauge at Ashtola showed a total of 1.11 inches. Sam Dale reported an inch fell at Goldston with a heavier downpour to the west. Willard Knox reported .87 inch at Lelia Lake and around 1 1/2 inches was reported from the Chamberlain area. The Brice area received over an inch and luckily missed the waterspout which turned loose its fury to the east around Newlin. Much destruction was reported from that area with flood water pouring over highway 287 four feet deep in places.

Farmers are anxious for the weather to clear for a spell so they can get their cotton up. June cotton is alright, but most of them like May cotton better and time is drawing short. There's no grumbling though as every bit of moisture has been appreciated.

Locals Attending Methodist Conference In Amarillo

The Forty-Fifth session of the Northwest Texas Annual Conference of the Methodist Church, opened Wednesday morning, May 26th, in Polk St. Methodist Church, Amarillo, Texas and will run through Sunday afternoon, May 30.

Bishop William C. Martin, of the Dallas-Fort Worth Area is presiding for his sixth year and will give the morning devotional addresses.

Guest preacher for the session is Dr. M. H. Abbey, pastor of the First Methodist Church, Ann Arbor, Michigan.

Another speaker will be Bishop Shet K. Mondel of Hyderabad State, Southern India.

Besides hearing reports and making plans for the new Conference Year, trustees will be elected for the new Methodist Hospital in Lubbock, Texas.

Bishop Martin will read the appointments for the new year at the closing session Sunday afternoon.

I. E. Biggs, J. R. Porter, and C. B. Morris will represent the local Methodist church at the conference.

Local Stores To Close Monday For Memorial Day

Two years ago the business men of Clarendon voted Memorial Day one of the Four Official Holidays to be observed by closing.

This year, since Memorial Day falls on Sunday, Monday will be observed as the closing date. Keep this closing date in mind and secure the items you will need before hand and no one will be inconvenienced.

MYSTERY FARM NO. 41—This is the Leader Mystery Farm of the Air for this week. Rules governing this guessing contest and prizes are as follows: 1st in town and first living and receiving their mail in country to identify the mystery farm will receive a one year subscription to the Leader. The fifth to identify the farm, both town & rural will receive a free ticket to the Mulkey Theatre. The owner or tenant identifying his farm at the Leader office will receive a mounted picture free. Hours for making identification are 8 to 12 and 1 to 5 starting Thursday morning. Last weeks Mystery Farm is identified on another page of this week's issue of the Leader.

Mr. and Mrs. Dennis Lindley visited relatives at Borger Sunday.

The University of Minnesota and the University of Michigan meet on the football gridiron each year to battle for "The Little Brown Jug."

Start Fly Control Programs Early

John C. White, Commissioner Texas Dept. of Agriculture

Neither strict sanitation nor a spray program alone can eliminate the costly nuisance of the common fly. Instead, a sound fly control program must be a combination of both practices.

This is the time of year for the livestockman, dairyman or general farmer to start his campaign against the fly. If you begin early enough, a small initial outlay for cash and effort will return good dividends in increased production.

Recent tests in Oklahoma show that cattle protected from horn flies during the grazing season gained 15 to 30 pounds more than unprotected cattle. An extra income of at least \$3 to \$6 per head was gained at a spray cost of about 6c per head.

Dairy cows also respond by giving more milk if unmolested by flies. During one 60-day test, the sprayed herds averaged over 3 pounds more milk each day than cows in unsprayed herds. The 200 extra pounds of milk received per cow was a good return on the small investment for fly control.

Farm sanitation should start with eliminating breeding places such as manure piles, unsanitary poultry houses, dirty hog lots, outdoor toilets and decaying organic matter. This should be followed by:

- (1) Spraying early when fly population has not had a chance to multiply.
- (2) Spraying all buildings housing animals and other buildings that are known to attract flies.
- (3) Spraying with a concentration according to manufacturers recommendation.
- (4) Spraying animals regularly.

PAINLESS "SHOT"—Second Lieutenant Julia J. Sign, Army nurse from Santa Barbara, Calif., demonstrates on Private Richard Dittus of Detroit, Mich., the use of the jet spray injection gun at Walter Reed Medical Center. Ernest Cutchins, University of Maryland student, observes the operation.

Flies are attracted to animals who will continue to bring them into treated buildings.

Remember, the two-fold program—sanitation and fly control—will mean better results from your livestock or poultry operations. And it helps eliminate the dangers of human and animal diseases.

Whoopers Sign Out

AUSTIN — Reports from the Arkansas National Wildlife Refuge state that all 24 of the prec-

ious whooping cranes that winter there have taken off for their secret far north nesting grounds.

Julian Howard, Refuge Manager, said the giant white birds apparently departed within a ten-day period.

Howard already has received some reports along the whoopers' fly-way. One verified observation placed three of the near extinct birds near the Des Lacs National Wildlife Refuge in North Dakota on April 14.

This was confirmed by a report to Howard from Fred G. Bard, Director of the Provincial Mu-

seum at Regina, Saskatchewan. Bard, in a ringing acknowledgment of increasing the whooper population from 21 to 24 last year, wrote: "I think the whooping cranes have given a real opportunity to illustrate conservation—now it's up to the people."

King, Mr. and Mrs. Nelson Seago, Mr. and Mrs. Rice Batson, Mr. and Mrs. Earl Myers, Mrs. Margaret Willoughby of Winnsboro, Mrs. Edna Wilson of Hedley and the hosts, Mr. and Mrs. Poole and Billie Jean.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

This week we received "Rocket Jockey" by Philip St. John. This is a science fiction story. The ship that entered the interplanetary rocket race was "Last Hope", and the boy who pilots, or the jockey is Jerry Blaine. These "far fetched" science stories are very popular with the boys.

We replaced Zane Grey's "Majesty's Rancho" that was lost a few years ago.

"The Robe" by Lloyd C. Douglas is a replacement given in memory of Mary Frances Word's birthday, May 10th, by Mr. and Mrs. W. G. Word and Charlie Word. Another memorial book was ordered for her birthday to be given by them also. It is Frank Slaughter's "Song of Ruth." It will be here soon. Our present copy of "The Robe" is terribly worn so I was quite hap-

py to obtain this copy. Lloyd Douglas wrote "Precious Jeopardy" in 1933, but we did not have a copy. It has been reviewed in several places recently, so I purchased a copy. It is practically a Christmas story, and seems out of season for this time of year, but a delightful story.

"Born A Yankee" by Grace Corstens is a recent publication that will be amusing enjoyment, the notes state. Cape Cod setting written in the first person.

The children are reading with "gusto". They are so lost when school closes that quite a few flock to the Library for books. The past two years the "Mothers' Club" helped supply books for

those completing the First grade, but they couldn't help this year. The first grade instructors sent notes asking the little people to join the Library, but I only have twenty books suitable for them, and they are disappointed as each child is entitled to three at a time for 2 weeks.

URGE ANNUAL CHECK-UPS

Because early diagnosis and proper treatment are essential in curing cancer, the American Cancer Society recommends that every adult have a physical examination at least once a year, women over 35 semi-annual check-ups and men over 45, chest x-rays twice a year.

Colorado's golden-domed Capitol forms an impressive background for Continental Trailways' new fleet of "Airide" buses being placed in service on the company's Pikes Peak route between Denver and Dallas, Texas. State officials were given a preview of these first five coaches prior to their departure from Denver on an exhibition tour along the route to Dallas.

CALIFORNIA CEREMONY UNITES COUPLE

Mr. and Mrs. C. L. Thomas of 470 Larch Lane, Santa Cruz, Calif., announce the recent marriage of their daughter, Annette, to Bruce Gettys, son of Mr. and Mrs. W. B. Gettys of 1520 King St., Santa Cruz, Calif.

The informal wedding took place in the Church of the Wayfarer in Carmel, Calif. For the informal nuptials, the bride chose a white linen suit with matching accessories. Her bouquet was composed of pink and white carnations centered with pink roses and Lily of the Valley.

Mrs. Howard Crampton of Berkeley, Calif. was the bride's only attendant. She wore a powder blue linen suit with white accessories.

Mrs. C. L. Parrish, aunt of the bride, sang "At Dawning" and "Because."

For her daughter's wedding, the bride's mother wore a navy dress contrasted with pink. The bridegroom's mother was attired in a navy and white costume.

Following the ceremony, a small reception was held in the Church parlor. The couple honeymooned in Carmel and are now at home at 3744 Capetola Rd.

Mrs. Gettys was a graduate of Clarendon High School, Clarendon, Texas and is now employed by the Western Electric Co. The bridegroom is a graduate of Santa Cruz High School. He attended San Jose State College two years. He is now a member of the U. S. Air Force and will soon be stationed in Japan.

Underdown - Carroll Vows Exchanged

In a double-ring ceremony, Monday evening, May 17, Miss Lola Mae Underdown, daughter of Mr. and Mrs. Clarence E. Underdown, Clarendon, Texas, became the bride of Airman Hollis Carroll, son of Mrs. Mary Carroll of Amarillo, Texas.

Rev. Hal Upchurch, pastor of Temple Baptist Church, read the service in the home of the bride's brother and wife, Mr. and Mrs. Lewis Underdown, 4013 Cline Rd., Amarillo.

The young couple was married before an arch entwined with ivy banked by palm ferns and branched candelabra. Mrs. Floyd Lewis, sister of the bride, lighted the tapers before the service.

While the guests assembled, recorded music was played. The wedding party entered to the strains of Wagner's "Lohengrin's Bridal Song." "I Love You Truly" was played softly as the vows were spoken.

Escorted to the improvised altar and given in marriage by her father, the bride was lovely in white satin with an overdress of white net, designed with a fitted bodice. Her small satin collar and cuffs were ornamented with clusters of seed pearls and rhinestones. Her white net mitts were studded with rhinestones matching her dress. Her hat was a close fitting toya straw in corresponding white. She carried a white prayer book topped with a white orchid and showered with white satin streamers tied with white sweet peas.

Miss Lorna D. Underdown attended her sister as maid of honor. She wore a pink organdy dress styled with a strapless embroidered bodice and bouffant skirt. Her half hat and mitts were of white lace. Her shoulder cor-

MR. AND MRS. HOLLIS CARROLL

sage was of pink and white carnations.

Mrs. Underdown, mother of the bride, wore a pink crepe dress accented by black accessories and a corsage of white carnations. Mrs. Carroll, mother of the groom, was attired in beige crepe with navy accessories and wore a corsage of pink carnations.

Leo Underdown served as best man and Lewis Underdown served as usher.

Immediately following the ceremony, Mr. and Mrs. Carroll left for Klamath, California where Mr. Carroll is stationed with the Air Force. He has recently returned from Guam after serving 21 months of duty. Both Mr. and Mrs. Carroll received their education in the Clarendon schools.

Names secured for the Bride's Book by Mrs. T. G. Wiley, sister

of the bride, included: Mrs. A. W. Covington, Mrs. Roy Roberson and Pat, Minnie Roberson, Mr. and Mrs. Pat Slavin and Mike, Rev. Hal Upchurch, Mr. and Mrs. Lewis Underdown and Mike, Mr. and Mrs. Leo Underdown and Cindy, Mrs. Mary Carroll, Mr. and Mrs. C. E. Underdown, Mrs. J. D. Springs, Miss Lorna D. Underdown, Mr. and Mrs. Floyd Lewis and Don, Mr. and Mrs. C. L. McCrary, Mr. and Mrs. Henry Norrid and Carol, Mr. and Mrs. Leon Riley, Mrs. T. G. Wiley, and Billy Waddell.

Mr. and Mrs. I. M. Roper of Darrowzette were guests Friday and Saturday in the home of their daughter and family, Mr. and Mrs. George Schollenbarger, Keith and Kay. They also attended High School graduation exercises Friday evening.

GARDEN CLUB

The Garden Club met Thursday, May 20th in the home of Mrs. Joe Goldston with Mrs. G. E. Ryan co-hostess. The entertaining rooms were attractively decorated with a profusion of roses. The president, Mrs. Ralph Porter, presided during the business session.

The program for the afternoon was "Stories about Wild Flowers." Mrs. Lena Antrobus as leader of the program presented an attendance prize, a set of garden tools, to Mrs. W. J. Adams. Mrs. Will Johnson discussed "The Sunflower and Yucca," showing photographs she had taken in California.

Mrs. Lee Holland gave an interesting article on "Blue Bonnets and Blue Bells", exhibiting some lovely blossoms and a beautiful picture.

Each member had been requested to bring wild flowers and following the program the arrangements were viewed and discussed by the members.

In the dining room the tea table was covered with a lace cloth, featuring a clever garden scene of miniature wheelbarrows filled with blue bonnets, a straw "scare crow" and tiny garden tools. Mrs. Lee Holland presided at the silver service and delicious refreshments of tea, coffee, lemon bisque, saltines and mints in the shape of tiny parasols were served to 17 members and the following guests: Mesdames Edwin Eanes, Bill Ray, W. J. Adams, Selden Bagby, C. Darden, Ed Dishman, Forrest Sawyer, Floyd Benson, R. S. Brunley, F. L. Goldston and granddaughter, Margaret Frey, of Houston.

CHAMBERLAIN CLUB
The last meeting of the Chamberlain Club was with Mary Mann. The afternoon was spent setting quilt blocks together and visiting.

Those enjoying the afternoon were: Corrine Harrison, Willie Hot, Laura Ivey, Mary Myers, Sible Koen, and hostess Mary Mann.

The next meeting will be June 3rd, with Laura Ivey.—Reporter.

Mr. and Mrs. Floyd Lewis, Don and Dona of Amarillo visited the week end with relatives here.

THE MIDWAY CLUB

The Midway Quilting Club met with Norma Chamberlain on May 18th. One quilt was completed for Girls Town and a quilt top was finished and set together for the hostess.

It was decided to disband our quilting until Sept. The next meeting will be at Loyd Hillis' on June 1. This meeting is also our Pollyanna day.

We were happy to have Mrs. Eva Rhode, Eva Allgren and Mrs. A. T. Cole as visitors, also we were glad to see three of our members that have been absent so long, Mrs. J. D. Thomas, Mrs. Nora Goldston and Marjouria Hensley.

A most wonderful dinner was served to Beth Bennett and children, Lucille Mae Carmichael and Eddie, Lucille Eanes, Nora Goldston, Marjouria Hensley, Loyd Hillis, Della King, Nell Land, Lucille Luttrell, Ellen Moreland, Ida Pickering, Allie Quattlebaum, Louise Riley, Sarah Shaller, Jose Simmons, Emma Thomas, Katie Belle Wells and Belinda, Eddie Williams, and two guests, Mrs. Eva Rhode and Mrs. Eva Allgren, and the hostess, Norma Chamberlain. In the afternoon Leona Scott, Eula Buttler and Mrs. A. T. Cole came.

All members be sure and come on June 1st to Mrs. Loyd Hillis and bring your Pollyanna gift. —Mrs. Hill Wells, Sec.

H. D. CLUB

The H. D. Club met Friday afternoon in the home of Mrs. Bertha Benson with Mrs. William Payne co-hostess.

The meeting was opened with the reading of the Club Collect in unison led by Mrs. Claude Darden. Mrs. Clyde Butler, president, presided over the short business session.

Roll call was answered with reports on May baskets.

Lovely refreshments of Angel Food cake and ice cream were served to Mesdames Claude Darden, R. C. Bingham, A. W. Simpson, Lena Antrobus, Clyde Butler, G. A. Anderson, N. L. Jones, O. C. Watson, W. L. Jordan, members, and to one guest, Mrs. Homer Glascoe by the hostesses, Mrs. Bertha Benson and Mrs. William Payne. It was decided to hold the next

CONNIE McMURTRY

Connie McMurry, daughter of Mr. and Mrs. J. A. McMurry, will be presented in a student recital, Sunday afternoon, 3:30 o'clock, in the First Presbyterian Church.

Other members of the Lilly Larsen's private music class appearing are: Bonnie Ellen Rodgers, Cathie and Kittie Harris, Marcia and Marilyn McMurry, Connie Grady, Patti Lane, Marie Blackburn, Shirley Wiedman, Jonna Lee Blocker, Linda Kay Hardin, Kay Lane.

Harold Clampitt will be guest artist pupil. Interested friends are invited to attend.

meeting in the home of Mrs. John Hatley at Brice, the third Friday in June.

Bro. John W. Reynolds, pastor of the Missionary Baptist Church was here for services over the weekend. Out of town visitors to attend church were Mr. and Mrs. Tom Smallwood and son Tommy of Dallas, Mr. and Mrs. Wayne Ewing and girls, Sadie Beth and Mary Ann of Phillips, Mr. and Mrs. Joe McBrayer and daughter, Iris of Amarillo.

CELEBRATES BIRTHDAY

A birthday party honoring Miss Carla Barker was held Thursday afternoon May 20th in the City Park. Games were played and balloons and suckers were given to the 12 guests. Many nice gifts were received and admired. Refreshments of cake and ice cream were served to Pamela and Billy Lon Horton, Mike Mears, Andy Covington, Mike Slavin, Marsha Maxey, Linda Edens, Cheryl and Lynita Fedrick, Lynn and Schellan Barker, the honoree Carla Barker and the hostess Mrs. Earl Barker. Also Treva Nell Covington, Laverne Horton, Jackie Slavin. Carla reported this, her 6th birthday, as the most enjoyable she has ever had.

GOLDSTON QUILTING CLUB

The Club met May 20th with Roberta Littlefield. One quilt was quilted. Those present were Gertrude Reid, Bertha Mae, Joy Roberson, Nora Jackson, Billie Ashcraft, Fern, Sallie Hatley, Irene Stewart, Ola McBrayer, David, Mae Pearl McDonald, Edith Jackson, Corene Ashcraft, Judy, Joe Veta, Nancy, Eloise Ashcraft, Terry Lyn, Teddy Wayne and hostess Roberta Littlefield and Rogena. Oddie Moss received a Pollyanna gift. Refreshments of cake and cold drinks were served to all. Next meeting will be Thursday June 3rd with Corene Ashcraft. —Reporter.

THE NEEDLE CLUB

The Needle Club met Thursday in the home of Mrs. Amel Carter as hostess. The evening was spent visiting, crocheting and tatting. Mrs. Shaw received a Pollyanna gift. Mrs. Gilbert Mann presented each member with a bonnet. Lovely refreshments were served to members, Mrs. Ross Darby, Mrs. Carl Barker, Mrs. Gilbert Mann, Mrs. Harvey Shaw, Mrs. Ira Self, Mrs. Henry Mann and hostess, Mrs. Amel Carter. Visitors were Mrs. Leon Carter and Grandma Carter. Next club meeting will meet June 10th in the home of Mrs. Ross Darby as hostess. —Reporter.

ATTEND SON'S WEDDING

Mrs. Bill Adams and Donald spent the week end visiting her parents at Lubbock and attended the wedding of their son Raymond last Saturday eve. He was married to Miss Carlene Miller of Lorenzo, Texas. Raymond and wife are visiting his brother Billy Bob at San Antonio where he is stationed in the Marine Corps. They will make their home in Lubbock this summer where Raymond will attend school, going to Sunray, Texas for the fall school term as coach and teacher.

Mrs. Ira Anderson of McKinney, Texas, Mrs. Ethel Jones of Seymour, and Mrs. Kate Garrison of Amarillo were guests last week in the home of Mrs. Leona Jones.

Mr. and Mrs. Dwight Blair and family left for their home in Lubbock Sunday afternoon after visiting in the A. H. Moore home and the Ermine Blair home. While here they attended the Lewis-Moore wedding Saturday evening.

The Passing Scene by Osann

"What's the matter, Chick? Don't you know you're with a very experienced one-arm driver?!"

Mrs. J. D. Swift and Miss Anna Moores spent last week in Dallas and enroute visited with Dr. James D. Swift, Jr. at Wichita Falls.

Mrs. Hubbard of Marion, La. is visiting here. She is a former Donley County resident, having lived at Hedley.

Pfc. Wayne Moore, and Mr. and Mrs. Bob McCoy and Gail left Saturday evening for California after a two week visit with their parents, Mr. and Mrs. A. H. Moore and other relatives. Wayne is stationed at Treasure Island. The McCoy home is in San Francisco. Don Ray Moore accompanied them home for the summer.

Mr. and Mrs. Doyle Walls of Floydada visited with her parents, Mr. and Mrs. A. H. Moore and attended the Lewis-Moore wedding Saturday evening.

Joseph N. Jones of Chattanooga, Tenn. visited recently with his mother, Mrs. N. L. Jones and other relatives.

Mr. and Mrs. Henry Mann and Ruby and Frances visited Mr. and Mrs. Garth Carter and Johnny at Dumas Sunday.

Mr. and Mrs. Tom Smallwood and son, Tommy of Dallas, Bro. John W. Reynolds of Tyler, Mrs. Bill Todd, Mrs. Essie Dunlap and daughter Tommy were dinner guests with Mr. and Mrs. W. M. Cross and children Saturday.

Mr. and Mrs. Howard Welch of Dalhart were guests over the week end in the Rolle Brumley home.

Mr. and Mrs. R. E. Grant and Ola of Hooker, Okla. and Mr. and Mrs. Kenneth Russell of Liberal, Kansas were week end guests in the home of Mr. and Mrs. J. R. Allen and family.

Mrs. Lola Barns left Tuesday to spend several days with her children in Amarillo.

Mrs. Mary Barker of Amarillo spent the week end with her parents, Mr. and Mrs. C. L. Mann and family.

It was at Appomattox Court-house in Virginia that the Confederate Army, under Gen. Robert E. Lee, surrendered to General Grant, on April 9, 1865.

Florida has no state debt. Its constitution prohibits any such indebtedness, save for resisting armed invasion or combating a pestilence.

The betatron, producing 26,000,000 volts of radiation, is used in cancer treatment, the American Cancer Society says.

WTU Company Wins First Place In 1954 Better Copy Contest

Recognition of outstanding achievement in the field of utility advertising came to West Texas Utilities Company this week when it was named as winner of a first place national award in the 1954 Better Copy Contest sponsored by the Public Utilities Advertising Association. The award was announced Friday afternoon at the annual convention of the Association in Boston, Massachusetts. The First Place Award was achieved for the "Best Single Newspaper Advertisement Promoting the Use of Electric Service" and is the fourth such award received by the Company since 1949. This winning advertisement was produced by the Company's Advertising Department and appeared in this and other newspapers in the Company's service area. This year's contest attracted a record of nearly 2,059 entries in 22 separate classifications. Electric, gas and transportation utility companies from practically every state in the union and from Canada and Hawaii were represented. The Better Copy Contest of the Public Utilities Advertising Association is the oldest and largest continually conducted advertising competition in the United States. The contest just closed was the 31st of its kind and it has grown steadily in importance and size throughout the years. Today the awards presented by this association are regarded as the highest recognition attainable in the utility advertising field. Judges in the 1954 contest were without exception high in their praise of the quality of material submitted and stated that they found final decisions difficult.

CARD OF THANKS

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. We wish to thank you for the beautiful flowers and nice food. Our sincere thanks and gratitude for all those comforting acts. May God bless you all.

Mr. and Mrs. Boy Blackwell
Mr. and Mrs. E. L. Jones
Mr. and Mrs. W. Phillips
Mr. and Mrs. Roy Maxwell
Mr. and Mrs. W. T. Blackwell
Mr. and Mrs. Arvis Davis
Shirley Blackwell.

If you plan to take a job this summer you'll need a social security account card, J. R. Sanderson, manager of the Amarillo social security office, reminded students today.

Your employer will ask to see your card when you start on the job because it is necessary for him to copy the name and social security account number into his records exactly as shown on the card. He needs this information for the quarterly social security report he is required to make of your earnings.

If you already have a social security card, be sure to take it with you when you go on a job this summer. If you have lost your card you should contact the social security office and get a duplicate card. If you have never had a card, you should get one before you report for work in a job covered by the social security law.

Most jobs are covered by the social security law, Sanderson said. An exception is summer-time work on a farm. As he explained, farm workers must meet a regularity of employment test; they must work at least five consecutive months for one farm operator in order to have their cash wages credited to their social security account. There are no regularity requirements for jobs in commerce or industry, he said. If you work even for a short time for a business, you'll be asked for your social security card. Sanderson advises students who do not plan to take a vacation job this year to defer getting a card until they have a need for one.

CARD OF THANKS

To all my friends and neighbors who were so kind and good to me during my illness, I want to say Thank You. I shall never forget you.

Mrs. Tom Crabtree

Welder Estate

Creates Refuge
 AUSTIN—The story of a vast new South Texas wildlife refuge with an estimated private maintenance fund of half a million dollars a year is told in the May issue of "Texas Game and Fish" magazine.

The article is based on the unprecedented bequest of the late R. H. Welder, wealthy rancher and oil man of Sinton, who died last winter.

Mr. Welder set aside 7,999.24 acres of rich land for a wildlife refuge to be maintained from oil royalties and other projects with an estimated annual yield of \$500,000.

The area, already being developed according to Mr. Welder's specifications, is known as the Rob and Bessie Welder Wildlife Refuge, with his wife being co-sponsor.

The refuge is well-stocked with deer, wild turkey and other species which have been maintained over the years as a part of the large Welder ranch.

A primary purpose of the undertaking is to perpetuate Mr. Welder's personal program to maintain a proper balance between domestic livestock and wildlife.

In his will, Mr. Welder stipulated in part: "It is my desire and my purpose to further the education of the people of Texas and elsewhere in wildlife conservation and in the knowledge of the breeding and living habits of our wild creatures and in the relationship of wildlife to domesticated livestock on our ranches and farms; to afford students and others interested in wildlife betterment and propagation - a place for research - and to develop scientifically methods of increasing the wildlife population - - -"

FARM NEWS

from the County ASC Committee

1954 WHEAT PRICE SUPPORT RATE:

The price support rate for Donley County wheat grading U. S. No. 1 is \$2.21 per bushel. The terminal support rate at Corpus Christi, Galveston, and Houston, Texas for wheat grading U. S. No. 1 is \$2.65 per bushel.

A maximum moisture content of 12.5 percent shall be applicable for wheat after it has been in farm-storage at least 30 days before inspection and sampling by the County Committee. If any producer plans to put wheat in farm storage in Donley County be sure it is plenty dry.

EMERGENCY WIND EROSION CONTROL PROGRAM:

The Emergency Wind Erosion Control Program is well underway. Letters were mailed to all producers in Donley County listing the practices under this new Program. May 17, 1954 was given as the last day on which producers could report practices carried out since March 31st; and ask for assistance on those already complete. The date for asking for assistance on practices already complete has been extended to June 1, 1954. Since the beginning of the Program Donley County has received an additional allocation of \$20,300.00, making our total allocation \$48,400.00. At the

present time we have \$13,744.42 left.

WHEAT QUOTA PENALTY SET AT \$1.12

The marketing quota penalty on "excess" wheat of the 1954 crop is \$1.12 a bushel. The rate is uniform throughout the country and as directed under law, represents 45 per cent of the wheat parity price as of May 1, 1954.

Farmers who do not comply with their wheat acreage allotments and sell their wheat must pay a penalty on their "excess" wheat. Their wheat crop also is ineligible for Government price support.

THIS OFFICE WILL BE CLOSED MONDAY, MAY 31, 1954.

Dinner guests in the home of Mr. and Mrs. G. W. Bradshaw and family Sunday were: Mrs. B. R. Flowers, Mrs. Ed Skypala and daughters, and Mr. and Mrs. H. D. Blythe and daughters, all of Hereford; Mr. and Mrs. Elzie Kennedy and boys of Memphis; Mr. and Mrs. Sonny Byers of Lakeview; and Gilbert Moore of Amarillo.

Mrs. B. R. Flowers, Mrs. Ed Skypala and girls and Mr. and Mrs. H. D. Blythe and daughters, all of Hereford; Mrs. Elzie Kennedy of Memphis, and Mrs. T. W. Green of Hobart, Okla. visited in the G. W. Bradshaw home Friday evening and attended high school graduation exercises the same evening.

Mrs. Stratton, Mrs. Love and girls, also Mr. and Mrs. Tom Scoggins visited awhile in Memphis with relatives Sunday afternoon.

Mr. and Mrs. Wayne Ewing and girls of Phillips visited Saturday night and Sunday with Mrs. Bessie Dunlap and Tommy.

Red Cross Fund Drive Quota Falls Short By Small Margin

R. E. Drennan, local Red Cross Fund-Raising Chairman, reported today that this year's annual drive failed to reach the quota, despite an extended period of time.

Total contributions to the Red Cross from Donley County residents this year totaled \$1262.84, just \$32.16 short of the quota set for this area.

Mr. Drennan expressed his appreciation to all contributing members as well as to each of the following members of his most willing and cooperative staff of workers: Mrs. J. H. Howze, Mrs. Warren Hardin, Mrs. Charles Blackburn, Mrs. Pete Land, Hobart Moffett, Supt. Stepp, Mrs. Gilbert Mann, Ann Reeves, John Head, Rayburn Smith, Bill Todd, O. Caraway, Harlie Gordon, Carl Allmond, Pete Kunz, J. G. McAnear and Mike McCully.

Mrs. Pearl Clemens of Amarillo, Mrs. Eva Pride of Houston, M/Sgt. and Mrs. Don Hargrove of San Bernardino, Calif., and Mr. and Mrs. Charles Clemens and Kay of Wheeler visited in the home of Mr. and Mrs. G. A. Lamberth and family and attended High School graduation exercises at the Gymnasium Friday evening.

Recent visitors in the home of Mr. and Mrs. S. S. DeGaiash and Mr. S. D. Saied were Mr. and Mrs. Ben Saied and grandson of Childress, and Mr. and Mrs. Salley and son of Amarillo.

M/Sgt. and Mrs. Don Hargrove of San Bernardino, Calif. visited in the G. A. Lamberth home Sunday.

VISITORS IN BEHRENS HOME

Those visiting recently in the F. L. Behrens, Sr. home were: Mr. and Mrs. Orgie Behrens of Seattle, Wash.; Mr. and Mrs. B. E. Jones, F. L. Behrens, Jr. of Amarillo; Mrs. Emma Waggoner, Fred and Mr. and Mrs. Leo Oles, Shirley, Leah, and Jimmie of Claude; Mr. and Mrs. Roy McKee, Mattie Lou and Mary Helen, Mrs. O'Neal Weatherly and Butch of Hedley; Mrs. Orbery Warren of Tucumcari, N. Mex.; John Behrens, and Irby Walton of Dallas; Mrs. Lizzie Cox, Mrs. Jenny Short of Ardmore, Okla.; also Mr. and Mrs. Truett Behrens, Jerry and Elaine, Mr. and Mrs. Clifford DeBord, Ray, Neal, and Denna Jo, all of Clarendon.

Mrs. Luella Stratton and Mrs. Dell Love and girls Linda and Debara took dinner Sunday with Mr. and Mrs. Tom Scoggins. Those visiting late Sunday afternoon were Mr. and Mrs. M. L. Adkins and daughters Katie Bess, Elizabeth, also Mr. and Mrs. Bill Adkins and son Kenny.

Ned Barns from the AAFB at Albuquerque spent several days last week with his mother, Mrs. Lola Barns on his way to Shreveport, La.

MYSTERY FARM NO. 40

This farm home was identified by five persons last week as the W. C. Holland place located 3 miles southwest of Hedley. Mr. Holland came in and made positive identification of his farm and received the free aerial photo.

Mr. Holland purchased this 120 acre farm ten years ago. There are 106 acres in cultivation. He has remodeled his home and built a new garage along with other improvements. He raises cotton

and feed and some beef stock.

Mr. and Mrs. Holland were married in 1921. Three children were born to this union: Eldon Holland of Tulsa, Okla., Bueford Holland of Hedley and Calvin Holland who died in World War II. Mr. and Mrs. Holland are members of the Methodist Church. Mr. Holland is a veteran of World War I and is a member of the American Legion. He has been a resident of Donley County 32 years.

that we have available, whether they wear the colors of the elephant or the donkey. We must have faith and confidence in them and permit them to outline their own plays and their own strategy. We must all join together and stand behind them to present to the entire world a unified front on the part of our citizens.

I can not over-stress the great need for faith and confidence in the team that we put in the field. A team without that faith and confidence of the American people would be handcuffed and shackled. One of the biggest obstacles that Dulles faced at Geneva was the fact that the position of the United States had been publicized all over the world for weeks. Russia did not need an espionage system to find out how far Dulles could go without having to return home for further instructions. The Chinese Reds were, of course, in the same position. The American people had demanded to know the position of this administration, and the administration, in all fairness, gave them the exact facts. If this information could have been confined to the American people, it would have been fine, however, it must be remembered that when such information is given out, it immediately becomes news of worldwide interest and is spread throughout every country in the world in a matter of minutes. If we are to advertise our plays in advance, we can expect the enemy to take full advantage of our self-imposed handicap, and we can expect the game to be a tough one.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

May 13, 1954 THE FOREIGN POLICY

The foreign policy troubles of this administration are not new and are not unusual. History will show that almost every administration, regardless of party, has had its foreign policy troubles. Whether the present troubles are better or worse than the ones that preceded them in other administrations is a matter of opinion. Frankly, I do not think they are a great deal different. Whether or not we agree upon the type of the trouble, I am sure that we all agree that they can not be settled or solved without a unified approach by the American people. In order to win this international game, we must utilize the services of the best players

taken to such foreign or occupied country and tried there under the laws applicable in that particular place. No one objects to a person being tried for a crime that he commits against society. If a citizen voluntarily goes into a foreign country, he runs the risk of being charged with a crime, just the same as a foreigner who visits the United States. However, the law also includes GI's, many of whom are in foreign countries, not because they want to travel, but because they were drafted and sent into those foreign countries. They are soldiers of the United States who have been sent into those countries to help defend the people of those countries. In many instances, these are countries that were recently enemies of the United States. To say that a boy could be drafted into the Army, compelled to go into a foreign country to defend that country,

and after he has served his time and returned to his own country, be forcibly returned to the foreign country and subjected to the jurisdiction of the courts of that country on some charge that could easily be frivolous, to be judged by those who only a few years ago were shooting real bullets at American soldiers, just doesn't make sense to me. The truth is the present law does not take care of this situation, and I expect to offer an amendment to

it as soon as I can get it drafted. Incidentally, this attempt to amend and enlarge and expand this law was defeated by striking the enacting clause of the proposed amendment.

Sir Walter Raleigh wrote A History of the World, while imprisoned in the Tower of London.

A New York policeman must weigh at least 145 pounds, and be at least 5 feet 8 inches tall.

No messy ice trays

Servel

World's only refrigerator that makes ice "cubes" without using trays—AUTOMATICALLY—and gives you a choice of ELECTRIC or GAS models!

EVERY DELUXE REFRIGERATOR FEATURE!

- Large, separate freezer compartment—holds up to 80 lbs. of frozen foods!
- Automatic defrost—completely care-free!
- Adjustable shelves—effortlessly changed!
- Butter keeper—full pound at right temperature!
- Door shelves—roomy, wide, convenient!
- Trip-saver handle—opens at a nudge!
- Longest warranty—up to 10 full years on the freezing system!
- 3 appliances in 1—refrigerator, freezer, ice-maker!

It's different! It's modern! It's fully automatic! SEE THE NEW SERVEL TODAY AT

THIS IS THE ICECIRCLE—successor to the old fashioned ice cube! It is made without trays—and put in a basket—automatically—by the only fully automatic refrigerator you can own—the new Servel!

Think of a feature you'd like to have on your present refrigerator. You'll find it on the new Servel! For this refrigerator has everything! From automatic defrost to separate freezer compartment to door shelves—every deluxe feature plus the miracle of ice "cubes" without trays.

Drop by and see this completely different refrigerator today! See how easy it is to own and enjoy a new 1954 Servel!

HOUSEHOLD SUPPLY COMPANY

COMPLETE HOME FURNISHINGS—HOME-OWNED and OPERATED "WE SERVICE AND REPAIR ANYTHING WE SELL."

INDO-CHINA:

With the recent fall of Dien Bien Phu, the position of France and the Viet Nameese in the Tonkin Delta became increasingly perilous.

It is perhaps true that Dien Bien Phu had become somewhat over-inflated as a symbol of resistance to communist aggression in northwestern Indo-China. But it is also true that the Viet Minh can now concentrate on challenging Franco-Viet Nameese control in Hanoi and in Haiphong.

North Viet Nam military headquarters are located in Hanoi.

Haiphong is the vital seaport through which pass American supplies.

BLEAK OUTLOOK:

As this is written, I recently have attended another conference between leaders of Congress and Secretary of State Dulles. I cannot discuss details of the conference, but I will say no one there pretended the outlook is anything but bleak.

A very grave threat exists to Indo-China—to the entire Tonkin Delta—even to all Asia. The communist aggressors may be expected to press forward.

BLOW TO U. S.:

The conclusion cannot be escaped that American foreign policy has suffered a stunning reversal.

The bitter truth is that we have been caught bluffing by our enemies.

Our friends and allies are frightened and wondering—as we ourselves wonder—where we are headed. We stand in danger of

being left naked and alone in a hostile world.

These are the hard facts. We must face up to their implications.

MONTH OF PRAYER:

This month of May has been designated as "Come to Church" Month. Many Texas community service clubs and business organizations have arranged for daily prayer services during the month.

We need Divine Aid as perhaps never before in our national history. We must seek it earnestly and prayerfully.

WATER BILL:

During the 1953 session of Congress, I introduced in the Senate a bill providing for cooperative Federal-local action in attacking the problem of upstream water control. Congressman Bob Poage of Waco introduced an identical bill in the House.

The legislation has passed the House, and a special subcommittee of the Senate Agriculture Committee has been studying the Senate bill. I made a statement before the committee urging favorable action.

This is a soil and water conservation measure of the utmost importance. It would set up policies and standards for joint action by the Federal Government, the States, local governmental units, and landowners. Cost of projects would be shared between participants.

SAVE OUR WATER:

Great dams have been built in Texas. They serve vital purposes. But they are only part of the answer to our water supply and flood prevention problem.

From 25 to 75 per cent of all damage occurs in upstream areas, beyond reach of the benefits of the major downstream structures. Many small dams need to be built across Texas streams. The proposed legislation would encourage the building of these necessary water-retarding structures.

USE OF SEA WATER:

One of these days—and it may come sooner than we think—we are going to have to make sea water fit for use by industrial, agricultural and municipal consumers.

Three years ago, Congress passed a law authorizing the appropriation of \$2,000,000 over a five-year period to carry out a re-

search program into practicable, low-cost means of turning sea water into usable water. That appropriation would be at the rate of \$400,000 a year. But the House has passed a bill appropriating only \$255,000 next year for this research program.

I have urged the Senate Appropriations Committee to raise the appropriation to \$400,000. I believe the full sum is needed.

The research men at work in this field know already that salt water can be made usable. They are now hunting for cheaper ways of doing it. The work should go forward.

As of May 1 the Crop Reporting Board of the Agricultural Marketing Service predicts a Texas Wheat crop of 23,418,000.

This is 2 million bushels above the April 1 prediction but is still only 41 percent of a normal crop. Abandonment of acres and acreage quotas are the main reason for the low estimate. We will predict that another 5 million will be added to the harvest if all goes well from here on out.

The high plains have put on a new look since the rains. We have the courage to plant; we have the know how; we have the soil, and when we get the rain we can show the results. We should always remember to never count the panhandle out. She may be down for the nine count but she is never out. The folks just won't

holler calf rope.

We asked for Old Time saying and we are getting them. Keep it up. We would like some from all our readers. There would naturally be a lot of the same ones but we won't mind. Mrs. J. T. Christian sends in a page full. Thanks a lot. Here's one from her list that has a very unusual twist to it; "More ways to kill a dog than to choke him to death on butter." Seriously, will a dog choke on butter? Among her list were some dandy good ones to remember and we will put them in our collection.

Uncle John McGehee of Wayside sends us a whole flock of sayings and all of them real good ones. For instance; "A good rain is better than a bad stand," and "He couldn't lay down in a round house." "Don't fool yourself." Thanks to both of these readers for their help.

One of our good readers gave us the following. It is supposed to be 10 reasons why some person would not go to the movies. Anyway, the idea is that we apply these same reasons for our not going to church excuse.

1. The manager of the theatre never calls on me.
2. I did go a few times but no one spoke to me. The folks were not friendly.
3. Every time I go they ask for money.
4. Not all folks live up to the moral standards of the movies.
5. I went so much as a child that I have had enough of entertainment.
6. The performances last too long; can't sit for an hour and forty five minutes.
7. Don't care for some of the people that I meet at the theatre.
8. I don't always agree with what I hear and see.

9. I don't think they have very good music.

10. The shows are held in the evenings and that is the only time that I have to be with my family.

The above is just about the ways our excuses sound when we give them about not going to church. Thanks to this reader for this cute clipping.

There are over two billion human beings in the world. Over half of them can not read or write. Over half of them went to bed hungry last night. Half of the world's people make less than one hundred dollars per year.

Army Blues is the official song of the U. S. Army.

The wishes of "a thousand words" are expressed more thoughtfully — with flowers.

This 200-horsepower Buick Century is the Riviera—the hardtop model that's taking America by storm.

Live wire that really looks it

(One reason why Buick is such a big success this year!)

ITS sports-car lines tell you there's lift and spirit here enough for any man.

Even standing still this glamor car looks alive.

And that look-of-tomorrow styling that's part and parcel of every new Buick — that sweeping panoramic windshield with the dream-car slant — all that says there's action here, and plenty of it.

But just note the name "CENTURY" emblazoned on its rear fender, and you can take it as gospel that this is a performance car of the very first water.

It's the livest of the live wires—the highest-voltage Buick in the line.

It is instant on getaway, a joy in cruising, a breeze on hills — and a honey of a friend in the added safety of its plenty reserve power always on hand for sudden needs.

It is, in fact, a 200-horsepower performance car, and priced far below it — the highest-powered car at its price in the land.

With this great-powered good-

looker setting the pace — and with equally impressive SPECIALS, SUPERS and ROADMASTERS adding to the excitement—is it any wonder Buick today is outselling every other car in America except two of the so-called "low-price three"?

Come in and try one of these gorgeous new Buicks. With the prices we're quoting, you can make the buy of the year this very week.

BUICK Sales are Soaring!

CAN YOU SEE • STEER • STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS

The stunning Buick Convertible—shown here in the high-powered CENTURY model — is available in all four Buick Series, including the low-price SPECIAL.

From where I sit... by Joe Marsh

"High-Priced" Mistake

Maybe you noticed the big "ad" Red Smith's Furniture Store ran in *The Clarion* last week. One item caused some embarrassment around here. It read: "4-piece Bedroom Suite, regular price \$119.50, bargain price \$149.50." Guess I didn't "proof-read" too well, and when our pressman asked for the go-ahead, I yelled, "Let 'er go."

All kinds of jokes about the mistake. One fellow asked if Smith's was holding the price line so tight it just snapped. Turned out fine in the end—Red sold that suite for the real sale price, of course. From where I sit, it's lucky my carelessness didn't cost Red any business. I'm the one who's always "experting" on being careful—careful of our responsibilities, careful of our neighbors' rights. Even careful to respect the other fellow's preference for a glass of beer. Let's all make a bargain to be more careful in the future.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get *sure* but gentle relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

Hot news from Detroit!

PLYMOUTH

PROVED AMERICA'S BEST-BUY LOW-PRICE CAR IN ACTUAL PART-BY-PART COMPARISON!

Now, for the first time, you can see the results of part-by-part comparison between Plymouth and the other two best-known cars in the lowest-price field. Now you can actually see dozens of the many reasons why Plymouth is your best buy!

In Detroit recently a 1954 Plymouth and stock models of the "other two" were taken apart completely. The parts were placed side by side and examined. Comparison proved conclusively that Plymouth is America's best-buy low-price car.

You can see this proof in an 8-page illustrated book—a FREE copy is waiting for you now at our showroom. Read it today, then drive a new Plymouth. You'll agree: Plymouth is the best buy in the lowest-price field!

FOUR DOCTORS KNOWLEDGE IS THE KEY TO HEALTH—BRING HIS PRESCRIPTION TO US

later." He pointed out that his commission has 28 examiners and that there are some 1,884 companies to examine every two years. "We aren't physically able to do it," Smith said.

He pointed out that Texas insurance laws are generally sound but that "A few termites are going through a few loopholes." Smith repeated his recent statement that the board will insist on corrections in the insurance laws by the next Legislature.

Office Padlocked

Ralph W. Hammonds, attorney-in-fact for Lloyd's of North America insurance company, protested in 98th District Court here that he is "defenseless" because his Houston office has been padlocked.

Attorney General John Ben Shepperd charged that the company was established by fraudulent means and is now insolvent, having a \$427,000 deficit. The attorney general seeks a receivership to protect the policyholders.

Padlocking of the Houston office was by court order.

New Officials

Mark Wentz of Big Spring took office as state fire insurance commissioner, succeeding the late Paul H. Brown.

H. C. Pittman of Waco was sworn in as a member of the Industrial Accident Board. He succeeds Robert L. Hill who resigned.

Political Pot Percolates

Things will boom in June on the political front. Candidates are busy now getting their houses in order for the campaigns. What looked to be rather a dull campaign season now promises to be rather a lively affair.

Governor Allan Shivers, seeking a third elective term, spent a few days in Austin, between a vacation in Alabama and a trip to Korea. He plans to leave the Korean party early, to be in St. Louis May 31 for an address at the Southern Baptist Convention.

Meantime, Shivers' main opponent, Ralph Yarborough of Austin, also was actively setting the stage for his race.

Yarborough has appointed Bob Sawtelle of San Antonio as his campaign manager. Sawtelle is son-in-law of the late State Senator Woodville Rogers.

Road Problem

Representatives of state, local,

FLOOR SANDING CABINETS • BUILT-INS INTERIOR REMODELING

KIM K. DAY
Phone 210-R

and private highway interests form a special committee assigned by Governor Allan Shivers to the job of working out a road program that will be presented to the next Legislature.

Texas Good Roads Association, which has a member on the committee, is in favor of a one-cent increase in the gasoline tax to provide money for growing highway needs.

This question is expected to be a major one when the Legislature meets.

More Patrolmen

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, says he will ask the next Legislature for more highway patrolmen.

Four hundred seventy men now are on the job, says Garrison, and 200 more are needed to cut down rural traffic fatalities.

Abolish Orphans' Home

A proposal, made by the Texas Research League, to abolish the state orphan's home at Corsicana was being considered by the State Board for Hospitals and Special Schools.

Almost immediately following announcement of the plan, inquiries from Texans seeking to adopt children from the home began to arrive. Alvin H. Burger, executive director of the Texas Research League, said that was a "totally unexpected response." The league feels the children should be placed in foster family homes, rather than kept in an institution.

Corsicana and Navarro County

officials objected strenuously to the proposal. The home has been in operation since 1889.

Also before the Board was a plan to set up a new state mental hospital in Southeast Texas.

Bureau of The Census Ready To Conduct Special Censuses

One hundred and thirty special federal censuses were conducted in the United States last year, according to Supervisor Francis H. Wilmer of the U. S. Census Bureau's district office at Dallas. Altogether, 188 such censuses have been taken in the country since the decennial count in 1950.

The chief reason for these special censuses is to establish new population bases for allotments of tax funds collected by the states and distributed to local communities on a per capita basis. In other instances, special censuses are taken because of municipal annexations or in order to establish official population figures for municipalities which are incorporated from unorganized areas after an official census has been taken. In the field of private business, newspapers, radio stations and trade associations find new population bases useful in setting up revised circulation and advertising rates and quotas, promotional work and related activities.

The special censuses are conducted by the Census Bureau and the resulting figures are certified

as official. The cost of the censuses is borne by the individual communities which sponsor them.

Municipal or town officials may obtain information regarding costs and procedures of special censuses from Supervisor Wilmer at the Census Bureau's district office at Dallas.

Testing Redfish For Fresh Water

ROCKPORT—Two small shipments of redfish, taken from the Gulf of Mexico, have been placed experimentally in fresh water with undetermined results thus far, according to the Chief Marine Biologist of the Game and Fish Commission.

He said 150 were placed in the five-acre O. R. Mitchell lake near San Antonio about March 15. A second shipment was released there two weeks later.

The Chief Marine Biologist was very hesitant in predicting the outcome, but said salt-water fish have been known to survive in fresh water but have never been known to reproduce. He said this failure to propagate was considered advantageous in that the redfish could not over-populate a given area of water, thereby overcoming the food supply.

Introduction of the redfish marks the second major aquatic experiment by Commission biologists who last year introduced another forage fish—walleye pike—to Lake Travis and Devils Lake. Both redfish and walleyes rate highly, both for action and edibility.

The battle between the Monitor and the Merrimack took place at Hampton Roads, Virginia.

SWINNEY SHOE SHOP

S. L. Swinney, Owner

New driver comfort! New driving ease!

New Chevrolet Trucks...

do more work per day... more work per dollar!

You save time in traffic. New truck Hydra-Matic transmission gets you off to smooth, time-saving starts without shifting or clutching. Imagine how easy this makes driving in traffic and on delivery routes! It's optional at extra cost on 1/2-, 3/4- and 1-ton models.

You save time on the highway. New high-compression power gets you up to highway speeds from a standing start in less time, and saves you time on hills, too. You make trips faster—and the new Comfortmaster cab makes them seem shorter. It's got everything!

You save extra trips, too. That's because of the extra load space you get in the new Advance-Design bodies. New pickup bodies are deeper... new stake and platform bodies are wider and longer. Also, they're set lower to the ground for easier loading.

You save on operating costs. High-compression power saves you money! The "Thriftmaster 235" engine,

the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save with lower upkeep. New Chevrolet trucks are built stronger to last longer and save you money on maintenance. There are heavier axle shafts in two-ton models... bigger clutches in light- and heavy-duty models... stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay—and they never stop. Chevrolet, you know, is America's lowest-priced line of trucks. And it's also the truck that has a traditionally high trade-in value.

Come in and see how much you're ahead with America's number one truck. You'll like the way we're talking business!

Most Trustworthy Trucks on Any Job!

Clarendon Motor Company

CLARENDON, TEXAS

A NEW MORE POWERFUL GASOLINE!

PHILLIPS 66

Flite-Fuel

FOR YOUR CAR

Phillips is the first to bring you a gasoline with the added super aviation fuel component — Di-isopropyl (pronounced di-iso-pro-pull). This is a Phillips exclusive developed originally for highest powered military aircraft.

Today, start enjoying the exciting step-up in performance you get from new Phillips 66 FLITE-FUEL containing Di-isopropyl.

Phillips was the first to make Di-isopropyl and HF Alkylate—so valuable to smooth motor performance that, until recently, their use was restricted by the U. S. Government to high performance aviation gasoline. Now authorities have removed restrictions, and these powerful aviation components can be blended into Phillips 66 FLITE-FUEL.

New Phillips 66 FLITE-FUEL provides increased power, smoother acceleration, higher anti-knock performance, greater fuel economy and freedom from cold stalling... plus famous Phillips 66 controlled volatility. And thanks to the clean burning qualities of Phillips 66 FLITE-FUEL, you don't need a special additive to combat spark plug fouling.

Only Phillips 66 FLITE-FUEL contains added Di-isopropyl. Get it at stations where you see the orange and black Phillips 66 Shield.
