Deputy shoots own car to stop suspect

Shots rang out in Clarendon Tuesday morning when a local sheriff's department car was stolen.

According to Donley County Sheriff Jimmy Thompson, a call came in to the sheriff's office at 10:07 a.m. reporting an individual's lewd behavior outside of the Clarendon Outpost.

Deputy Jake Longan arrived on the scene and arrested 26-year-old Jason Adam Hilliard for indecent exposure. The suspect was driving a vehicle that had been reported stolen in Amarillo.

While Deputy Longan was documenting the stolen vehicle, the suspect came how managed to step through his cuffed hands thus getting his hands in front of him.

The suspect then proceeded to

steal the deputy's car.

Longan fired six shots at the vehicle, hitting the tire multiple times as it sped away.

Jim Formway is a mechanic with Chamberlain Motor Co and was at the scene. He and Longan pursued the suspect in the wrecker truck driven by Formway.

They chased Hilliard to near the Thunder Junction go-kart track north of Clarendon where he was arrested a second time.

Assisting Longan in the second arrest were Capt. Joe Neal Shadle, TPWD Sgt. Gary Hunt, and DPS Sgt. Richard Gribble.

At presstime, Hilliard remained in custody at the Donley County Jail.

Broncos to open season Friday against Claude

Clarendon opens up its 1997 football campaign with a Friday contest against the neighboring Claude Mustangs in Bronco Stadium.

Kick-off is slated for 8 p.m. A pep rally gets underway at 2:45 p.m. in the Colt Gym.

The Broncos expect to meet an improved Claude team, according to head football coach Tooter Draper. The Mustangs sneaked by Clarendon in their 1996 season opener, 25-20.

"(Claude) improved from last year," Draper said. "Their quarterback (Brian Haggard, 6-2, 170) handles himself real well. He was the quarterback last year, and they're big across the offensive line."

The Bronco defense also must look for Ty Knox (5-10, 225), Draper said. "He's their back in the backfield and can run the ball real well."

Claude isn't as quick on its feet as it was the last time the two squads met, Draper said. "I don't think their team speed is like it was last year, but they're throwing the ball real well."

That means the Bronco secondary of Kareem Abdullah, Chris Bruce, Keith Kidd and Brent Gaines will have to be on their guard.

"They've all looked good in the scrimmages," Draper said of the contingent. "We were pretty happy with the scrimmages; all the coaches were. "But we're so young, so every time you step onto the field it's a learning

experience."

Clarendon plans to employ an aggressive defense with a lot of shifting - running across the offensive front.

"We're not going to sit back and wait," Draper said.

On the offensive side, expect a 50-50 aerial and running attack.

"We're throwing the ball real well, and (Abdullah) is really catching it well," Draper said.

"Scotty (Elliott) has a lot more poise about him, and Blake Bass is running in the backfield as a fullback and he's a bright spot. He's really coming on."

The second year under Draper's tutelage should be helpful, Draper said. "I think the kids are calmed down. They know what to expect and know what's going on."

"All the kids have been working hard. It's been a joy for the staff. We haven't had many problems. The kids show up and hardly miss practice and they're enjoying it."

Nearly 60 players have suited up for the varsity and junior varsity squad, Draper said. "It gives you a chance to build onto and really work with the j.v. and really work with the varsity."

The junior varsity squad travels to Claude on Thursday, while the junior high Colts take the week off before meeting Wellington next week.

Aldermen set new tax rate, approve 97-98 budget

The Board of Aldermen of the City of Clarendon met in regular meeting August 26, 1997, at 7 p.m. in the Board Room of City Hall.

The board set the city tax rate at 0.45081, and adopted the 97-98 budget with a 5% salary increase.

In other city business, the City Pride Sign presentation was approved by the Texas Department of Transportation, and the city can proceed with the construction of the signs.

Mary Green reported the library has received the Toker Grant for youth reading materials in the amount of \$5,000. The airport non-directional beacon has been decommissioned as of August 1, 1997. The inspection of airport has been completed, and we are waiting on the report from the inspector.

Mrs. Jesse Sparkman spoke of a water problem they had, and requested the City pay the bill. After a lengthy discussion, Alderman James Owens,

seconded by Shawn Barker, made a motion denying the City responsible for the claim. Motion carried.

Ernie Johnston presented the need of a roll off box for metal at the dump. Owens moved, seconded by Mac Stavenhagen, to purchase a roll off box. Motion carried.

The college and the school have repeatedly asked the City to empty their dumpsters, and there has been no extra charges. Motion was made to charge \$19.50 for extra dumping by Alderman Kyle Hill, seconded by Barker. Motion carried. The other option was to add an additional dumpster to these sites at the same cost they are paying at the present time per dumpster. Motion was made by Kuhn, seconded by Owens, to have the mayor speak to the college and the school district on this matter. Motion carried.

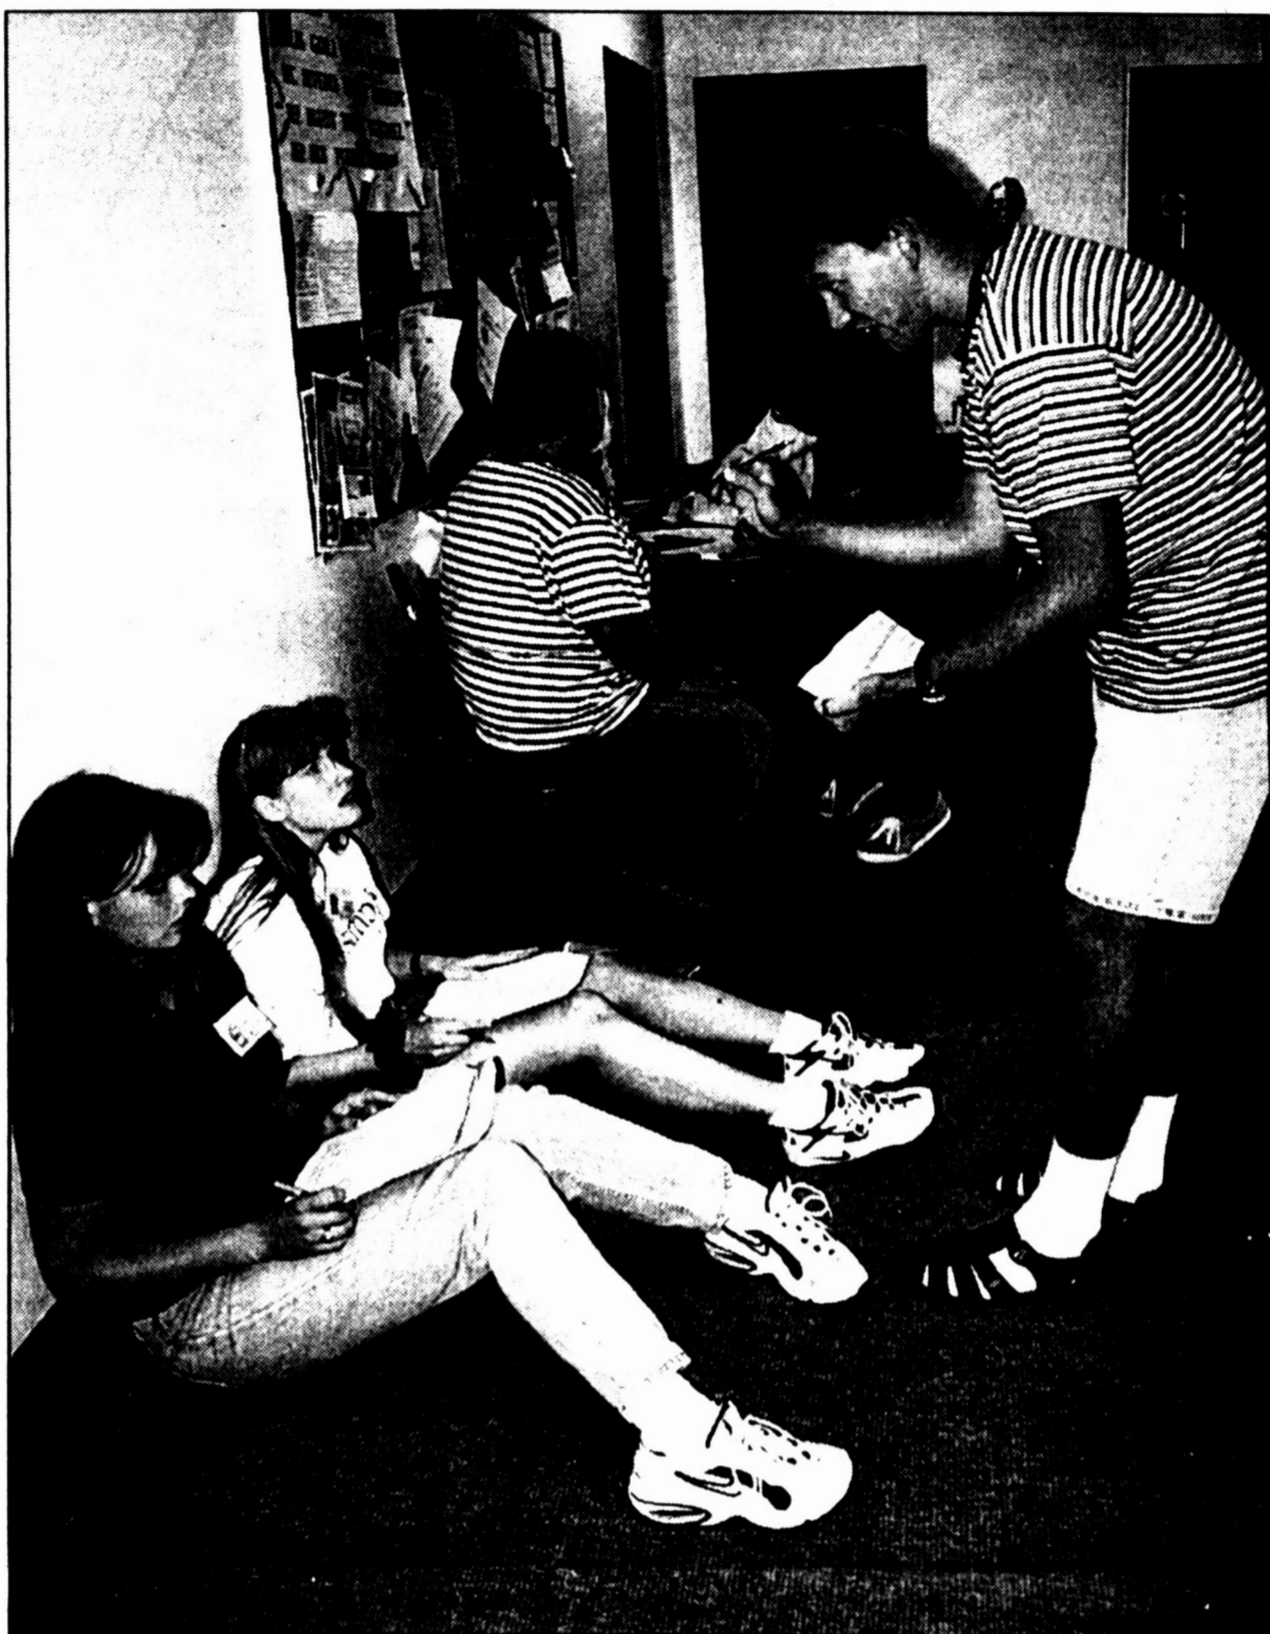

The Sheriff's contract was reviewed and approved.

Child Care Conference scheduled in Perryton

by Leon J. Church, County Agent

The challenge of providing quality child care will be the focus of a conference for childcare providers on Saturday, Sept. 20, from 9:00 a.m. to 3:30 p.m. at the Expo Center in Perryton.

Cheri Sherley will conduct the opening session on "Birth Order - Does It Make A Difference?" Mrs. Sherley is the Family Literacy Specialist, Head Start, for Region 16. The workshop will focus on child care tips using birth order characteristics.

Six concurrent sessions will be offered during the afternoon. A variety of topics will be featured including child care managers as trainers, caring for abused children, character building with children, science fun for kids, fun with food and nutrition, and easy arts and crafts.

"Managers as Trainers" will be presented by Jeanette Waters with Child Care Management Systems. She will share information on management methods for support and training of staff.

Cindy Smith, Executive Director of the Panhandle Crisis Care Center

in Perryton, will present a session on "Caring for Abused Children." This session will focus on how to spot signs of child abuse and how care givers can work with abused children and their families.

"Options for Character" will be one of the options for the second round of concurrent sessions. Peggy Winegarner, Hansford County Extension Agent, will share information on using humor and song to define character and help instill in children the desire to make good choices for being a person of good character.

Debbi Weaver, a science and math teacher with the Pampa Independent School District, will involve child care providers in a variety of hands-on activities with a science focus for preschoolers.

The final concurrent session options will include "Fun with Food" led by Cynthia Shattles, Ochiltree County Extension Agent, and Gwen Franks, Lipscomb County Extension Agent. The session will emphasize the importance of teaching food habits,

food safety in the center, and ideas for activities involving food and nutrition for various age groups of children.

"Easy Arts and Crafts" will be conducted by Suzanne Lohberger, Art Instructor in the Allison Independent School District. The workshop will include easy and fun arts and craft ideas for preschool and after school programs with hands-on learning opportunities.

See CONFERENCE on page two.

GTE says calls to Groom to be local Sept. 16

Phone customers in Clarendon will soon be enjoying local, toll-free calling to and from Groom when GTE extends local calling services beginning September 16, 1997.

"Prior to the start of Extended Local Calling, each call between these areas was billed separately as a long-distance call, and customers would see a long-distance charge per call on their monthly bills," said Danny Ferguson, GTE Area Manager - Customers Operations.

"Now these calls are equivalent to local calls, and all customers in the towns having the new Expanded Local Calling (ELC) must now dial all seven digits, both for local calls and ELC calls," explained Ferguson.

The new service is a result of balloting which took place in the Groom telephone service area and does not affect the ELC surcharge of Clarendon customers.

Residential customers with questions about the ELC service should call toll-free 1-800-483-4400, and business customers should call 1-800-483-5400.

Currently Clarendon customers enjoy local calls between the following phone exchanges: Hedley, Memphis, Wellington, Amarillo, Lakeview, Pampa, and Claude.

Cheerleaders urge Bronco fans to attend Pep Rally Friday

The cheerleaders and Sparky would love to see all of you show your spirit this Friday at the Pep Rally in the Colt Gym at 2:30.

Also, please show your support at the Bronco Stadium on Friday night at 8:00 to watch the Broncos crunch Claude.

Bronco Parents to host Hamburger Party before football game

The Bronco Parents Tailgate Party has been set for Friday, September 5 before the Clarendon/Claude game. The meal includes hamburger, chips, tea, and dessert for \$4.00 per plate. Serving will begin at 5:30 p.m. until game time in the parking lot east of the Administration Building.

Tickets may be purchased in advance at The Nook, J&W Lumber, or The Donley County State Bank.

Keeping an eye on Texas

Water: supply and demand

Supply: Texas currently uses surface water—collected from lakes, rivers and streams—for about half of its water needs. As water in underground streams and aquifers is depleted, surface water is expected to supply almost 69% of all the states' water needs.

1. Surface water from rain collected in rivers and lakes.

Year	Surface Water Supply
2000	49%
2050*	69%

* 1.8% from reuse of wastewater

2. Underground water in aquifers and streams brought to surface by pumps and wells.

Demand: Texas' population is expected to double in the next 50 years. Water needed by cities, manufacturing and the electric power industry is expected to be two-thirds of all the state's water supply in 2050.

Year	Water Needs
2000	Livestock, 2%; Municipal, 26%; Manufacturing, 11%; Irrigation, 57%; Mining, 1%; Steam and Electric Cooling, 3%
2050	Livestock, 2%; Municipal, 42%; Irrigation, 31%; Manufacturing, 18%; Steam and Electric Cooling, 6%

SOURCES: John Sharp, Texas Comptroller of Public Accounts, and Texas Water Development Board.

Estlack nominated for Region XVI Teacher of the Year

Helen Estlack, Clarendon Junior High English teacher, will be honored Thursday, Sept. 4, 1997, at the Painting A Brighter Tomorrow Reception for Region XVI Teachers of the Year.

Mrs. Estlack is one of six secondary teachers who have been nominated for Teacher of the Year.

The reception will be held at 7:00 p.m. in the Panhandle Conference Room at the Region XVI Service Center in Amarillo. Friends are invited to attend.

Dobson scholarship applications available

Calling all college students. The Dobson Communications Corporation PRIDE (Promoting Rural Individuals and Development) Scholarship applications are now available.

Ten scholarships of \$1,000 each and three scholarships of \$2,500 each will be awarded to college freshmen, sophomores, or juniors who are residents within a Dobson Communications service area. Each applicant must have a minimum 3.0 grade point average and be a current customer of a Dobson company's service.

Dobson Communications Corporation developed the PRIDE Program in 1996 to recognize the achievements of rural individuals and community service projects that promote the strength and future growth of Dobson's rural service areas and help community leaders in economic development opportunities. Six PRIDE Scholarships were awarded to college students in January, 1997.

All interested, eligible candidates can pick up an application at any Dobson Communications company. To find the Dobson Communications company nearest you, please call 1-800-522-9404.

Immunization Clinic to be held in here

An Immunization Clinic offering vaccines that give protection against several childhood diseases is scheduled for September 16, from 9-12 and 1-4 p.m. at the Texas Department of Health Office located in the Medical Center on Highway 70 North.

The Texas Department of Health is charging money to help with the cost of keeping the clinic open. The amount of money charged will be based on family income and size and the ability to pay.

REXBABIN ILLUSTRATION

Extension Service says planning is key to good home-based business

A key to a successful home-based business is planning, and it should be carried out at several stages of the enterprise, a management economist with the Texas Agricultural Extension Service told entrepreneurs attending a seminar here.

You have to plan what you need, what you want, what you already have and what you can afford, Dr. Greg Clary, Extension Service economist from Overton, told the group. When you implement your plan, he said, you have to plan some more to determine what to buy, how to buy, where to buy, and where to put it.

"Then, over time, you must evaluate your plan and make modifications to improve it," Clary advised.

What you need will depend upon the type of business you have, Clary said. "But one primary thing you need in a home-based business is a way to communicate," he said. Another is some type of management information system for inventory accounting and other demands. "There are a lot of alternatives for these," he said.

Also on his list of basic needs for a home-based business are a place to be creative, a place to have some solitude, a place for storage, access to marketing and promotion, and consideration of any special needs unique to your business.

"There may be things you want, but what you get may be different from that," he noted. "Your bankbook may be a limiting factor. Your available space may be a limiting factor."

"If there are some things you already have, it's going to help your cash flow" in starting a business, he said. Those things could include space, extra furniture, shelves, a computer, a personal telephone line, and miscellaneous office equipment.

When planning what you can afford, Clary said, "The first challenge as a home-based business is to keep your inventory low. Things you need whether you turn a

dollar's worth of sales or not are a major cost, so be economical.

"There are some things you can't afford to be without," he said. Those include a management information system, a separate telephone line for business, and perhaps an 800 phone number. Other desirable items can be acquired over time, he suggested.

Technology components to consider, he said, include a computer and peripherals necessary to meet specific demands; software or shareware possibly including a database for business contacts; communications items which might include a portable phone, pager, answering machine or voice mail, copier, plain paper fax and color scanner.

Important elements of the business financial plan, he cautioned, are knowing the breakeven cost, monitoring the cash flow and determining the source and quantity of capital.

Goods and equipment for the business can be bought in several ways, he said. These include cash, loan from a bank or finance company, credit cards, venture capital, credit from vendors and barter. In addition to buying from prominent retailers, Clary suggested the entrepreneurs watch for business liquidation sales, auctions by police or other agencies, garage and moving sales, estate sales, secondhand stores and items offered on the Internet.

"Every time you make a decision (on equipment or supplies), make it from an economic viewpoint," he urged. "Go back to your basic purpose for the business."

Implementing the business plan includes deciding where to put everything in the home, he said. "Use all your existing space wisely," he said. "There's a lot of wasted space in a house; both vertical and horizontal space. And there are lots of innovative ways to use it."

"Keep asking yourself, 'Does this work' and 'Where can I improve it?'" he challenged.

Conference: continued from page one

Registration is \$5.00 per person and is due by September 12, 1997. Participants receive five contact hours of training. For registration forms or more information, contact your County Extension Office.

The Child Care Challenges conference is being sponsored by the Texas Agricultural Extension Service in Ochiltree, Gray, Hansford, Hemphill, and Lipscomb counties and the Oklahoma Cooperative Extension Service in Beaver County.

Texas Agricultural Extension

Service and Oklahoma Cooperative Extension Service offer their programs to all eligible persons regardless of gender, race, color, age, religion, national origin, or disability, and they are an equal opportunity employers.

Please notify the Ochiltree County Extension Office at 806-435-3831 a week in advance if you require special assistance with hearing or interpretation of program presentations. Every effort will be made to assist where possible if adequate advance notice is given.

"Time Management"

"But I do know that I love you. And I know that if you love me, too, what a wonderful world it would be."
—HERMAN'S HERMITS

Time management. Volumes have been written about not wasting time. *The One Minute Manager*, for instance, is required reading in some graduate schools.

In assessing our day-to-day activities, what looms as the greatest waste of our time? Methinks it's negativity — saying bad things about others.

Innumerable were the times my mother scolded, "Scott, if you can't say something nice about somebody, then don't say anything at all."

Now, I'm quite confident Mama's old saying wasn't original. In fact, I betcha a dollar-and-a-quarter that Mama's mother said it to her children and so forth and so on. I'd betcha another 10 bits that your Mama said it to you.

Of course, another thing Mama told me was not to bet. I'm beginning to wonder if I ever paid attention to anything Mama said.

But back to wasting time — if the Good Lord blesses me with an average lifespan, then more than half my lifetime on Earth is long since over. I shudder to think about the time I've invested over the past four decades in making negative comments about others.

You name it, and I've made commentary on it. The politics of others. How they dress. How they walk. How they talk. What they eat. With whom they associate. What kind of car they drive. How they maintain their house and yard. What they do for a living. Where they went to school. Where they go to church. Why they go to church.

The list in long and undistinguished.

To be sure, nary a one of those things is any of my business. Yet, I make commentary, anyway, operating under the insufferable assumption that everybody and his tired dog is waiting with baited breath for my unsolicited opinion.

And that opinion I'll give gladly. Gladly, except, to the person on whom I'm making such commentary.

I wonder how much more pleasant my life could have been had I only listened to Mama. Imagine if every time I said something negative about another person, I would have, instead, found something nice to say.

Hmmm. Let's consider some examples:

"Johnny never hit a lick in his whole dad gummed miserable life. Inherited all his money from his Daddy."

Why not, instead, "It's really nice that Johnny has achieved financial security. I'm really happy for him."
Or...

"Would you just look at Johnny's earring? Next he'll be gettin' a tattoo. Somebody ought to take that ole boy behind the dad burn shed and just whoop him good."

Why not, instead, "Johnny sure is a free spirit. I wish I could be more like that."

Or...
"Well, doggies, look who finally showed up for church. It's Johnny. Only time he ever darkens the church door is Easter."

Why not, instead, "Gosh, it was nice to see Johnny in church today. I hope he comes back again."

The first set of comments, I would argue, do absolutely nothing to make the world a better place. They constitute a terrible waste of time.

Imagine setting a goal of getting through just one day — just one lousy day — without saying something negative about another human being. If one could make it through the first day, then maybe two would be possible. Then three. Four. A week!

Then imagine if one got into the habit of not saying bad things about others, he/she could set the even more ambitious goal of not thinking bad things about others. As the golden oldie goes, "What a wonderful world it would be."

Negativity is a habit analogous to smoking, I suppose. No one starts out smoking three packs a day. It's an addiction that develops over time. Similarly, no one comes into the world filled with negativity. It's practice that makes perfect.

Yes, negativity is a virus — an aggressive, Satanic cancer always on the lookout for another victim. Once it gets airborne, it travels from one individual to another, infecting person after person until it reaches epidemic proportions.

I wonder — couldn't positive comments have a like effect? Surely, that must be true.

It's a mystery as to why I've invested so much time in negative commentary. It never really made me feel good. Not even once, upon contemplation.

Conversely, whenever I've done something nice for another person, irrespective of how small — like opening a door at the post office for a senior citizen or letting someone onto the road in heavy traffic — I've never failed to experience a little inner glow. Almost like being proud of yourself, if only for an instant. And that's an uplifting feeling.

I suspect that little inner glow is a gift from God. It's a gift available to us in abundance. All we have to do is look for the good in others, and, in the process, something wonderfully serendipitous might happen — like discovering the good in ourselves.

Dr. Scott Elliott is the President of Clarendon College.

Nursing Home support group to meet Sept. 11

Members of the Friends and Family Support Group will meet at 2:00 p.m. in the dining room of the Medical Center on Thursday, September 11. A program on Alzheimer disease will be presented to members and guests.

Everyone interested in learning more about this disabling disease is invited to attend.

AISE accepting host family applications

American Intercultural Student Exchange is currently accepting applications from families across the U.S. who are interested in hosting a foreign exchange student for the upcoming school year. Families may choose to host a student for a full year or a semester. These high school students, all proficient in the English language, will arrive in the United States this fall and attend local high schools, while living as members of their American host families. All AISE students have completed a lengthy screening and interview process with representatives in their home countries and come highly recommended by school principals, counselors, and teachers.

Host families provide students with a bed, meals, and a loving, family atmosphere. AISE provides students and their host families with counseling and support throughout the exchange experience, and all students have medical insurance and spending money for the duration of their stay.

Each year, thousands of families across the United States host AISE exchange students. AISE currently works with high school students from over 50 countries world wide. AISE is a nation-wide, nonprofit organization dedicated to the belief that foreign student exchange is a vital step toward peace among all nations. For further information on hosting an AISE student in your home, please call 1-800-SIBLING or visit the AISE web site at <http://www.sibling.org>.

The Lion's Tale
By Allen Estlack

Clarendon Lions Club met Tuesday at noon on September 2 with 19 members and 5 guests.

Our program was presented by the high school coach Tooter Draper with two of his assistant coaches, Allen Dews and Wade Wilson. Coach Draper said they were looking forward to a good year and had 59 boys out for football.

Chairman Lion Bobbie Thornberry reported on the flag project. The poles were installed in the new sidewalks and the sleeves were installed for the flags Sunday afternoon. Lion Thornberry, Lion Blackerby and Lion Allen Estlack received outstanding help from Sandy Thornberry and Carolyn Blackerby. If you haven't been contacted to get a flag, please contact Bobbie Thornberry at the Donley County State Bank or Allen Estlack. We will now expand this service into the residential part of town.

Our guests other than the coaches were Lion Jere Smith, guest of Lion Delbert Robertson and Ann Kennedy, guest of Lion Jimmy Johnson.

There being no further business, we were dismissed by Boss Lion Walt Knorpp.

Community Technology Survey For Clarendon ISD

Clarendon ISD would like to extend the opportunity for you to advise and plan with us the future of our students' needs. The district seeks advice as to how technology can best fit into our educational program and provide a service to the community. Your evaluation will be of great importance to our school district.

Please circle one.

- YES NO 1. Do you have a computer in your home?
 - YES NO 2. Is there a computer in your place of business?
 - YES NO 3. Do you feel that the ability to use a computer is important to your future?
 - YES NO 4. Have you had formal training in computer use (college courses, workshops, etc.)?
 - YES NO 5. Do you feel that the ability to use computers is important to the future job opportunities of students in our school district?
6. In the use of technology, what type of user are you:
 Non-user Novice Very Competent Expert
7. I use a computer or other technology:
 Never Occasionally Once a week Almost every day
8. Are you aware of what technology the schools in our district have and how we use it?
 Yes No Somewhat
9. Considering the current technology in our district, we need:
 More Exactly what we have Less No Opinion
- Questions 10-11: Please check all answer that apply.
10. If more technology is needed, we should fund the purchase and maintenance of this equipment by:
 State technology funds Bond issues Borrow funds
 Tax increases Fund raisers Other (specify)
11. I would support the purchase and use of a computer system that would:
 assure that my child missed no practice assignments when absent
 give instruction and/or practice in the essential knowledge and skills (TEKS) mandated by the state.
 help my child study for standardized tests (TAAS, ACT, SAT, etc.).
 alleviate the teachers' administrative workloads to give them more teaching time
12. What student outcomes (skills or achievements) could be enhanced by using technology?
13. A) What technology related needs and concerns do you have?
 B) What recommendations do you have to satisfy the needs and concerns you mentioned?
14. If your recommendations were implemented, what specific value or benefits would be realized by you, the school, and the community?
15. What other suggestions or comments do you have?

Please mail or return your survey to the school; or leave at Dairy Queen, The Grocery Store, B&R Thriftway, or Donley County Senior Citizens Center no later than September 10, 1997.

Hedley Class of 1947 holds reunion

One of the greatest pleasures is to have a class reunion and especially if it is your 50th. The Graduating Class of 1947 at Hedley High School had their 50th reunion on August 2, 1997.

Some of them started in the first grade together at Bray, then McKnight. These places are gone, but some of the memories still linger on. In middle school, some of them went to Hedley, and some went to Quail, which created more wonderful memories, but they transferred back to Hedley to spend their high school days together.

They met at the Hedley High School building at 10:00 a.m. and started unloading food as they were visiting. After they got the food tables set up, then they started taking pictures and looking through old pictures and reminiscing old times.

There were sixteen that graduated out of their class. Four of the members of the class are already deceased: Leon Daugherty, Billie Rich Tipton,

Hayden Baker, and Lynn Cherry.

Five members were unable to attend for various reasons: Malcolm Usrey from Clemson, SC; Mary Sue (Scales) Whisenant from Abilene; Vickie (Goode) Deason; Margaret (Johnson) Carignan from Denton; and Dorothy (Johnson) Christenson from Moundridge, KS.

Those that did attend were Velda (Johnson) Gibson from Pampa, Thelma (Moss) Shields from Lelia Lake, Darryle Proctor from Dallas, Jo (Usrey) Graham from Amarillo, Margaret (Baker) Lair and husband James from Spearman, Elsie (Howell) Bennett and husband Bud from Oklahoma City, and Faye (Owens) Naylor of Hedley.

Their great day of reminiscence came to a close as they traveled out to the Bar H for a wonderful meal and more visiting. Faye's sister, Virginia, and her husband joined them at the Bar H. Then after eating, it was time to say their good-byes to a "Great Reunion."

The Hedley Class of 1947 held their 50 year class reunion recently in Hedley.

CHS Junior Class elects officers

On August 12, the Clarendon High School Junior Class met and elected officers. Tiffanie Hollan will serve as class president while Lindsay Green will assist as vice president. The office of secretary/treasurer will be occupied by Tracy Hankins with Kim Alexander reporting.

The junior class is in the process of selling magazines, cassettes, and c.d.'s as a fund-raiser. The sale ends September 10. Also, during football season, this class will be involved in selling spirit ribbons for fifty cents each, except for the homecoming metallic ribbon which is \$1.00. Individuals may purchase ribbons for the

season in advance by paying \$5.50. Tattoos will be sold again, but due to a price increase they will cost \$1.00.

Parents, your children may purchase ribbons and tattoos every Thursday and Friday at 7:40 a.m. in the cafeteria. Ribbons will also be sold on each of the three campuses on Thursday and Friday mornings throughout football season.

Sponsors for the junior class are Linda Carroll, Wanda Hill, Krista Hughes, Tina Lacey, Marva Pruitt, Katherine Williams, and Wade Wilson.

DON'T FORGET!
 Deadline for articles is Monday at noon and 5:00 Monday for advertisements.

Corrections:

In the August 28, 1997, edition of *The Clarendon Enterprise*, the story about the Clarendon Country Club Championship Golf Tournament had an incorrect score. The Men's Championship Flight winner, Rusty Baker's score was listed as 136. The correct score was 146. *The Clarendon Enterprise* apologizes for the error and any inconveniences it may have caused.

Hoggatt attends diabetes camp

A unique camp in a beautiful wooded area east of this North-Texas community now has special meaning for Mary Hoggatt of Clarendon. Each camper is enjoying a new learning experience with 600 other young people between 6 and 18 at Camp Sweeney, a fun and educational experience to help diabetic children develop an active responsible lifestyle to manage diabetes.

Within the safe confines of its 340 acres of rolling hills and woodlands, Camp Sweeney offers life-time foundations in such vital needs as blood-sugar monitoring insulin injection, diet, and exercise. The 80 member staff offers around-the-clock medical attention and training on the importance of a healthy lifestyle in coping with diabetes. The campers are free to enjoy the many activities the camp has to offer: horseback riding,

soccer, crafts, swimming, and canoeing on Lake Dealey, as well as interacting with other diabetic children.

Some camps turn away children with special medical or dietary needs, and sometimes parents are apprehensive about a child with those requirements being away from home. But as one veteran teenage camper says, "I didn't want anyone to know I had diabetes, but after Camp Sweeney I knew how to take care of myself and be more independent."

Camp Sweeney began as the dream of Dr. J. Shirley Sweeney, an endocrinologist, and has grown since 1950 to meet the ever-increasing demand for its special programs. It has now served over 10,000 young people.

Camp Sweeney has never turned away a child because of the inability

Mary Hoggatt

to pay. About 95 percent of the campers receive scholarship aid to defray tuition costs. It is funded by donations from individuals, foundations, and the United Way. The camp is operated by the Southwestern Diabetic Foundation, Inc., P.O. Box 918, Gainesville, Texas 76241, 940-665-9502.

Senior Citizens to hold lasagna supper

We will be having a Lasagna Supper on Thursday, September 11. We will be serving lasagna, tossed salad, garlic bread sticks, strawberry short cake, and tea or coffee, from 5:30 to 7:30 p.m. Carry outs will be available. Cost will be \$4.00. All proceeds will benefit the Donley County Senior Citizens nutrition program.

The August birthday/anniversary supper was held Aug. 26. The evening was opened with prayer by Bill Hodges. Melville Mills, Mildred Housden, and guest Chrissy Martin were honored for having August birthdays. Lacy and Mary Lee Noble celebrated an August anniversary. Olsten Health Services donated the fried chicken. Kitchen workers were Nita Meador, Don Smith, and Zell Sarsfield. The crowd really enjoyed Geary and Tammy Martin's songs. Their children Chrissy and Bubba also sang. They all did a wonderful job. The door prize was won by Lela Norton.

We appreciate Mike Suiter for his help unloading the Food Bank truck every month. We also appreciate the delicious fresh vegetables donated to the center by Doris Braddock, Lige Smith, J.F. Howell, Johnnie Davis, and Jewel Judd. We have really enjoyed the squash, tomatoes, cantaloupes, and cucumbers. Bill and Judy Hodges, Nita Meador, Jean Baten, and Roy Chauveaux attended the Amarillo Dillas play off baseball game on Friday night, Aug. 29.

Janet Carter has notified the center that she needs a few volunteers to help in the concession stands during the Clarendon Youth Football League

games. She needs help for the Saturday games during the 6:45 p.m. till 9:00 p.m. shift on Sept. 13, 20, 27, and Oct. 11. Janet can be contacted by calling 874-2007.

We want to remind all Donley County residents age 55 and over that it is time to renew Donley County Senior Citizens memberships. Our memberships are still only \$1.00 per year.

The annual RSVP banquet will be Saturday, October 11, from 4:00-6:00 p.m. at the Amarillo Senior Citizens Association located at 1300 South Tyler. RSVP members in Armstrong, Carson, Deaf Smith, Donley, Moore, Potter, and Randall counties are invited.

August Facility Use: Senior Citizens Dance Club and the Edens Family Reunion

August Love Donations: Dorothy Whitaker, Eulalia Dean, Sybil Cash, Cennet Rhode, Mr. and Mrs. Junior Brumfield, and Mr. and Mrs. Lacy Noble.

August Memorials:

In memory of Nadine Martin by Thelma Behrens, Onita Thomas, Irene Jones, Dolly Cole, Helena Catoe, Hazel Guy, Jonnie Stout, Cennet Rhode, Mr. and Mrs. Blaine Butts, Nell Cornell, Jean Chamberlain, Trey Chamberlain, Carol Thompson, and Mr. and Mrs. Jiggs Mann.

In memory of Claude Thomas by Mr. and Mrs. Lacy Noble and Janie Noble.

In memory of Etta Moss Buscher by Onita Thomas, Thelma Behrens, Lee Caskey, Irene Jones, Mr. and Mrs. Lee Shaller, Mr. and Mrs. Tom Stephens, Janie Noble, and Cennet

Melville Mills, Chrissy Martin, and Mildred Housden celebrated August birthdays at the Donley County Senior Citizens August 26, 1997, birthday anniversary supper.

Mary Lee and Lacy Noble celebrated their August anniversary at the Donley County Senior Citizens birthday/anniversary supper on August 26, 1997.

Rhode.

In memory of Anna Carey by Mr. and Mrs. Bill Hodges.

Reminder:

Mon., Sept. 8: Dance Club, 7-9 p.m.
Thur., Sept. 11: Lasagna Supper serving from 5:30-7:30 p.m.
Sat., Sept. 13: Saints' Roost Jamboree
Tues., Sept. 30: Birthday/Anniversary Supper, 6 p.m.

Colt Parents make plans for 1997-98 school year

The 1997-98 Clarendon Junior High Colt Parents Organization met on Monday, August 25, 1997, at the city park. Officers for this year are President Debra Hill, Vice President Cindy Shelton, Secretary Judy Hix, and Treasurer Leitha Watson.

The minutes and treasurers report from the previous meeting were read and approved. The committees for this year are as follows:

T-shirt Committee - Chairman Linda Caroll, Co-Chairman Renee Betts.

Colt Banquet Committee - Chairman Regina Wootten, Co-Chairman Penny McAnear. The banquet will be held on May 4, at 7:00 p.m. at the Clarendon College Bairfield Building.

The Colts Concession's will be headed up this year by Chairman An-

drea Hall and Co-Chairmen Carol Holden and Sharyn Morrow. Parents were asked to sign the work sheet schedule to work in the concession stand. If you were not at the meeting, please contact the chairman or co-chairman to schedule a time to work in the concession stand.

Rose Lemley will be in charge of the Friday night Bronco home games cake raffle fund raiser. Those who signed up to make the cakes are greatly appreciated.

The Colt Parents Organization voted to assist with the expense of the new weight room sign.

There will be tail gate party on October 24. Debra Hill is chairman of that event with Carol Holden as co-chairman.

A reminder to all parents of the

seventh and eighth grade boys and girls who are enrolled to participate in any sport, that you are welcome and encouraged to join Colt Parents 1997-98. To join, contact Debra Hill at 874-2151 or Leitha Watson at 874-3855. Also \$5.00 is due from each organization member, payable to Colt Parents and given to Treasurer Leitha Watson. This money is used to purchase all candy for Colts concessions during the year.

The seventh, eighth, and JV Colts play football on Thursdays at 4:30, 6:00, and 7:30. This season promises to be full of exciting competition, so please plan to attend.

Newly elected board of directors of the Greenbelt Electric Coop are (back) T.B. Henderson, Walter Camp, Jim Balton, Billy Conner, (front) Kenneth Mathews, Stan Shelton, and H.C. Shaw.

Shelton appointed to Greenbelt Electric Board

According to Greenbelt General Manager Stan McClendon, a new member has been appointed to the board.

In a unanimous decision of the Greenbelt Electric Cooperative Board of Directors, Stan Shelton was officially named to serve an unexpired term on the board effective August 22.

Shelton replaces H.A. Green of Clarendon who passed away June 5,

1997. Green had been a member of the board since April 1979.

The Texas Panhandle is familiar territory for Shelton since most of his life was spent in Clarendon. Director Shelton graduated from Clarendon High School in 1974. He then entered Texas Tech University where he graduated in 1977 with a Bachelor of Science degree in Agricultural Economics.

Shelton, along with his family, currently engages in the farming and ranching business west of Clarendon. He and his wife, Melanie, who teaches at Clarendon Elementary, have three children Shanna, Derrick, and Audrey.

Present members of the Greenbelt Board of Directors include President Kenneth Mathews, Walter Camp, Billy Conner, Jim Batton, T.B. Henderson, and H.B. Shaw.

Fort Hood battles soil erosion problem

The U.S. Department of Defense, with the help of the Texas Agricultural Experiment Station, is trying to make tanks more environmentally benign.

A water-quality monitoring project at Fort Hood, Texas, is helping determine how soil erosion may be impacted by military training exercises.

The Army will use the study to determine if "best management practices for reducing erosion and sedimentation in streams are

working," said Don Jones, a civilian soil conservationist for the Department of Defense at Fort Hood.

By comparing sediment in stream flows at various sites, they should be able to tell whether various approaches to reducing erosion are working.

The project team now has 10 stations located in waterways at various points on the 340-square mile reservation. Three more stations are planned.

Sponsors for the Playday were Leroy Cagle, First Bank and Trust in Clarendon, Donley County State Bank, and Thomas Hay and Irrigation.

Tri-County Peanut Field Day planned

The annual Tri-County Peanut Field Day will be held on Tuesday, September 9. The Field Day is sponsored by the Agriculture Committees in Motley, Hall, and Briscoe counties in conjunction with the Texas Agriculture Extension Service.

There will be three hours of CEU's offered to anyone needing certification hours for private, noncommercial or commercial applicators license.

The Field Day will start at 8:30 a.m. on Tuesday, September 9, at the Valley Peanut Growers in Turkey. After registration and introduction of sponsors and special guests, they will visit the weather station and then travel to various peanut result demonstrations begin conducted in the area. Throughout the tour, Extension and Research Specialists will discuss various topics related to peanut produc-

tion. Lunch will be served at the Quitaque Community Center and catered by Roy's Sportsman Club. The Rolling Plans Production Credit will sponsor the meal for the Field Day.

Please R.S.V.P. by Friday, September 5 if you plan to attend. For further information or to R.S.V.P.,

contact Michael Lee, Motley County Extension Agent at 347-2733, Brad Schnitker, Hall County Extension Agent at 259-3015, or Pammy Millican, Briscoe County Extension Agent at 823-2131.

Extension programs serve people of all ages regardless of socioeconomic level, race, color, sex, religion, disability, or national origin.

Commencement exercises were held for the 1997 Clarendon College LVN class August 22. Photo courtesy CC Public Information Office

Local kids represent city well at Jr. rodeos

Cheyenne Noble, Hadley Mann, and Colby Mann have recently well represented the Clarendon community at the Jr. Rodeos.

On July 8, the trio attended the 1997 Top 'O Texas Jr. Rodeo with the following results. Cheyenne placed third in barrels and third in poles. She earned two buckles for her efforts.

Only July 11, Hadley and Cheyenne attended the Moore County Jr. Rodeo in Dumas and both walked away with All Around Cowboy and All Around Cowgirl. Cheyenne won the Mutton Bustin, placing third in the poles, third in the barrels, and third in the goat ribbon. Hadley placed first in the barrels, first in the poles, and sixth in goat ribbon.

At the Roaring Springs Jr. Rodeo, Hadley placed second in the barrels, third in flags, fourth in poles. Cheyenne placed first in flags, fifth in barrels, and sixth in calf riding, earning her the All Around Cowgirl Title.

Hadley, Colby, and Cheyenne also earned All Around Champion Titles at the recent Clarendon Playday. Bringing the count to eight buckles and four trophies won to date this year on the Jr. Rodeo circuit for Cheyenne, ten buckles and four trophies for Hadley, and two buckles for Colby.

The Gray County Rodeo was held August 23, 1997, at Pampa. Hadley Mann placed third in barrels, poles, and flags, earning him the Reserve All Around Champion. Cheyenne Noble placed first in goat ribbon, sixth in barrels, and first in calf riding, making an excellent ride and scoring a 61 to earn her the All Around Champion title. Colby Mann placed sixth in barrels.

This trio has proved to be tough competition everywhere they go. Keep an eye out for these tough cowboys and cowgirl in the years to come; they are just a few miles down the road from competition at the big one, "NFR" Las Vegas.

Colby Mann, Hadley Mann, and Cheyenne Noble show off their winnings from several Jr. Rodeos they have attended this summer.

Howardwick city council holds meeting

The Howardwick City Council met in a special called meeting on Monday, August 25, 1997, at 8 p.m. in Howardwick City Hall.

The proposed budget was adopted for 1997-98, and the tax rate was set at 0.24745.

Children's etiquette class to be offered by CC

Are your children's table manners a little sloppy? How about their phone manners or public behavior? Polish your children's manners with Clarendon College's latest class - Etiquette For Children.

Beginning September 22, young men and women between the ages of 6-13 will learn the importance of good manners. Topics to be covered include

posture, correspondence, addressing of elders, table manners, conduct at special events, phone manners, and more. Taught by a former Miss Teen Amarillo and model, Etiquette For Children will creatively introduce social graces, which are important to everyday life.

Etiquette For Children is limited to 20 students. Classes begin Monday,

Sept. 22, and continue every Monday until October 27. Students will be able to display their etiquette skills at a formal graduation dinner on the last night of class. The class will be held from 6-7 p.m. in the CC Administration Building. Cost of the course is \$20.

To reserve a place for your student, please call Clarendon College at 1-800-687-9737, or 874-3571.

50-212 (Rev. 5-94/3)

1997 Property Tax Rates in City of Howardwick

This notice concerns 1997 property tax rates for City of Howardwick. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:

Last year's operating taxes	\$ 28,771
Last year's debt taxes	\$ 00
Last year's total taxes	\$ 28,771
Last year's tax base	\$ 11,734,170
Last year's total tax rate	\$.24517 /\$100

This year's effective tax rate:

Last year's adjusted taxes (after subtracting taxes on lost property)	\$ 28,804
+ This year's adjusted tax base (after subtracting value of new property)	\$ 11,639,930
- This year's effective tax rate	\$.24745 /\$100

In the first year a hospital district or city collects the additional sales tax to reduce property taxes, it must insert the following lines unless its first adjustment was made last year:

- Sales tax adjustment rate	\$ /\$100
- Effective tax rate	\$ /\$100

x 1.03 = maximum rate unless unit publishes notices and holds hearing	\$.25487 /\$100
---	------------------

This year's rollback tax rate:

Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for transferred function)	\$ 28,804
+ This year's adjusted tax base	\$ 11,639,930
- This year's effective operating rate	\$.24745 /\$100
x 1.08 = this year's maximum operating rate	\$.26724 /\$100
+ This year's debt rate	\$.0 /\$100
- This year's rollback rate	\$.26724 /\$100

A hospital district or city that collects the additional sales tax to reduce property taxes, including one that collects the tax for the first time this year, must insert the following lines:

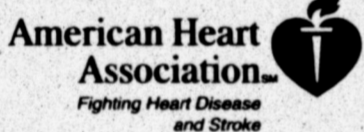

- Sales tax adjustment rate	\$ /\$100
- Rollback tax rate	\$ /\$100

For a taxing unit with additional rollback rate for pollution control, insert the following lines:

+ Additional rate for pollution control	\$ /\$100
- Rollback tax rate	\$ /\$100

THANK YOU

Dear Betty, Ann, and Clyde: My family and I feel blessed to have been close to your mother all these years. She was more than a close family friend - she was family, present at all the Perkins' birthday, wedding, anniversaries, and funerals. My three children knew her like a second grandmother. Every trip to Clarendon always included seeing Nadine and including her in our family visits and meals. We all miss her terribly, but no one will miss her like Mother. It's a real hard time for her - she's here in the Dallas area with me now. We all wanted her to get away for awhile. What I will never forget about Nadine was her loyalty and devotion to Mom, but mostly, her laugh will stay with me forever. May God bless you and yours and give you peace. Love, Pam Perkins Overstreet Cedar Hill, TX 75104.

THANK YOU

The family of Connie Dromgoole wish to thank everyone who said a prayer, sent a card, flowers, food, or called during his illness and death. Your kindness shall never be forgotten.
 Wanda
